

## Chapter 11

**Revelation 11:1** *And there was given ME* {Apostle John who is equated with the latter day messenger} **a REED like unto a ROD** {representing the seven visions and seven thunders of the seventh angel with trumpet, which warn of the same visions and oracles of the seven angels with trumpets}: **and the ANGEL** {ending of sixth angel with trumpet as the seventh angel with trumpet is beginning} **STOOD** {during latter day Babylon's third reigning period}, **saying** {to the Apostle John who represents latter day John/Moses}, **Rise, and MEASURE** {judge} **the TEMPLE** {the great mountain of the super volcano where the first group and second group of overcomers stand during the judgment} **of GOD** {seventh plagued angel}, **and the ALTAR** {beneath the golden altar of incense are the dead overcomers}, **and THEM** {latter day living priests of the first group and latter day living elders of the second group of redeemed} **that WORSHIP THEREIN** {the priests worship within the temple's holy place and inner court and the elders worship only in the temple's inner court}.

As the Apostle John was given a reed-like rod (see Ezekiel 7:10) to measure the spiritual temple (represented by the great mountain of the super volcano) of the seventh plagued angel (God), the golden altar, and the priests that worship within the temple's holy place and the elders that

worship within the temple's inner court, so the latter day messenger has been given the little scroll (equated with the reed-like rod ) to use it in judging (measuring) who the latter day overcomers are that died beneath the golden altar, to be able to judge (measure) who are the living overcomers that are as priests (of the first group of redeemed) worshiping in the temple's holy place, and to be able to judge (measure) who are the living elders (of the 144,000/second group of redeemed) worshiping in the spiritual temple's inner court.

\*\*\*\*\*

***Revelation 11:2 But the*** {outer} ***COURT*** {of the spiritual temple} ***which is WITHOUT THE TEMPLE*** {outside the spiritual temple but within all of new Jerusalem} ***leave out, and measure it not; for it is given unto the GENTILES*** {people in the kingdom of latter day Babylon being presently non believers ruling and living in the USA}: ***and the HOLY CITY*** {being a huge whirlwind of fire/new Jerusalem within the destroyed USA around the 40-mile diameter high and lifted-up lava erupting mouth of the super volcano} ***shall THEY*** {rebellious people presently ruling and living in the USA during the the 2300-day period} ***TREAD UNDER FOOT*** {since the gentiles represent non believing people presently living and abiding in the USA} ***FORTY and TWO MONTHS*** {these 42 months/moons that equal 1260 days plus 3½ days are the remaining amount of time of latter day

Babylon's rule until a star's impact opens the bottomless pit/super volcano}.

Latter day John/Moses is commanded to not measure (judge) the outer court pertaining to where the great multitude will be standing. The spiritual outer courtyard (being the inside of new Jerusalem within the destroyed USA) is where the USA's non believing population is able to tread thereon during the final 42 months – which equal 1260 days plus 3½ days – prior to the star's impact opening the bottomless pit. During the time of these 42 months, the gentiles refer to the non believing population in the USA's states that can venture upon the land where the holy city new Jerusalem will be located.

\*\*\*\*\*

***Revelation 11:3 And I {seventh plagued angel} will give POWER unto MY TWO WITNESSES {Michael's/first witness' visions and oracles written on the scroll of life's first side and Gabriel's/last witness written visions and oracles written on the scroll of life's last side}, and they shall PROPHECY {prophesy to the USA's states and other nations} a THOUSAND TWO HUNDRED and THREESCORE {1260 days before the star's impact} days, CLOTHED in SACKCLOTH {The latter day messenger reveals for 1260 days what the two witnesses saw and heard happening during the remaining 1260 days of the 2300 day period before the star's impact. However***

he reveals what they saw and heard without miracles/visions being performed; hence their outward display of light/visions are totally hidden under sackcloth}.

When the Apostle John received the little scroll (containing the seven lights and seven thunders of the seventh angel with trumpet), it paralleled the time when latter day Babylon's second reigning period came to an end. At that time, the first light and first thunder of the seventh angel with trumpet was beginning. As the Apostle John ate the little scroll in parts, it reveals that latter day Moses understands what takes place during the seventh angel's first light, then second light, then third light, then fourth light, then fifth light, and then the sixth light during latter day Babylon's third reigning period. The ending of the sixth light and sixth thunder begins when latter day Babylon's third reigning period ends by a super volcano erupting smoke and ash, as the seventh light and seventh thunder of the seventh angel with trumpet begins to sound.

Latter day Moses' apostles are likened to faithful adult spiritual Israelites of the first group of redeemed. Before the star's impact, they will proclaim the seventh angel's trumpet-sounding warnings of four riders and four horses to the states of the USA and other nations to gather the latter day people who are of the 144,000/second group of redeemed. The latter day apostles (of the first group of redeemed) and their spiritual children (being of the

144,000/second group of redeemed) are sustained with the little scroll's revealed words (grains of manna baked into showbread that resembles white stones) throughout the remaining 1260 days of the 2300-day period. During that time, the light of the spiritual moon (representing the first witness' written visions on the seventh angel with trumpet) and the light of the spiritual sun (representing the last witness' written visions on the seventh angel with trumpet) will be, as it were, veiled with the dense garments of sackcloth.

Light represents visions that the Apostle John was miraculously shown as he wrote the Book of Revelation. However, since the two witnesses are completely clothed in sackcloth whereby no light/visions can be seen, it means that the two witnesses will only prophesy through latter day Moses' message of what is written on the seventh angel's seven lights and seven thunders.

In the past type, the two witnesses' lights/visions/miracles were revealed through old Yahshua/Jesus while they were not wearing sackcloth. Hence, Yahshua spoke his message according to the two written witnesses oracles and also revealed the two witnesses' lights in an outward display of many miracles (visions).

\*\*\*\*\*

***Revelation 11:4 These*** {two witnesses written on the

seventh angel with trumpet} **are the TWO OLIVE TREES** {the oil of these two trees represent the written words of the two witnesses' as written on the seventh angel with trumpet}, **and the TWO CANDLESTICKS** {the understanding of the two witnesses' written words on the seventh angel is as olive oil burning as a light upon each of the two candlesticks} **STANDING** {in the holy of holies of the temple} **BEFORE** {likened to the two Ark angels on the mercy seat} **the God** {seventh plagued angel that sits on the mercy seat between the covering angels in the spiritual temple's holy of holies, which is equated with the lava erupting super volcano's mouth} **of the EARTH** {when the two witnesses/two candlesticks are prophesying, the seventh plagued angel is still in the Earth/land since the super volcano will have not swelled high-up to heaven and exploded magma}.

The two witnesses' written words on the seventh angel with trumpet are likened to two olive trees and two candlesticks. When the two witnesses' written words remain a mystery, they are likened to the olive oil of two olive trees. When the two witnesses' written words on the seventh angel with trumpet were revealed by the latter day messenger's message, the olive oil (equated with written words) of the two olive trees was being burnt (revealed) as a light upon each of the two candlesticks. The first candlestick (representing the first written witness/Michael) is silver to equate it with the spiritual

moon's (bright star's) silvery light (visions). The last candlestick (representing the last written witness/Gabriel) is copper to equate it with the spiritual sun's (morning star's) coppery light (visions). Since the first candlestick (equated with the visions written on the first side/first witness of the scroll of life) of silver and the last candlestick (equated with the visions written on the last side/last witness of the scroll of life) of copper prophesy simultaneously from the seventh angel's seven lights and seven thunders, they are combined and become one candlestick of gold.

The six lights of the old golden candlestick burnt olive oil while standing in the holy place of the temple before God (seventh plagued angel), who sits on the mercy seat of the golden Ark of the testament situated in the holy of holies. The six lights of the golden candlestick initially represent the six of seven angels with trumpets revealed during the first spiritual wilderness journey of 1260 days. Thereafter during the second spiritual wilderness journey of 1260 days, the six lights of the golden candlestick represent the six of seven lights/visions of the seventh angel with trumpet. During the initial five months when smoke and ash are erupting from the super volcano, the six lights of the golden candlestick represent six of seven plagued angels written on the seventh light of the seventh angel with trumpet. After five months when the super volcano swells high-up to heaven and explodes magma, the

seventh part of the seventh light of the seventh angel with trumpet represents the seventh plagued angel sitting as the Shekinah glory on the mercy seat. The Shekinah glory is equated with the intensely bright light {star} is emanating above the immense overflowing lava filled mouth of the high and lifted-up to heaven super volcano.

When the two candlesticks (two sides of the scroll of life) are prophesying for 1260 days during latter day Babylon's second and third reigning periods, the seventh plagued angel is the God of the land (Earth) since the super volcano will still be low on the land and the lava within it. However after five months of smoke and ash have erupted, the super volcano swells high-up into heaven and explodes magma. From that time, the seventh plagued angel is the God of heaven (skies) and Earth (land).

\*\*\*\*\*

***Revelation 11:5 And if any MAN*** {referring to a state/nation} ***will HURT THEM*** {by rejecting, persecuting, trampling, and killing the two witnesses' ability to speak}, ***FIRE*** {fire of flowing lava} ***proceedeth out of their MOUTH*** {as they will have spoke concerning the fire with molten rock/brimstone that proceeds from the immense mouth of the super volcano}, ***and devoureth their enemies: and if any MAN*** {state/nation} ***will hurt them, he must in THIS MANNER*** {fire with molten rock/brimstone} ***be killed.***

The two witnesses are prophesying of visions and oracles written on the seventh angel with trumpet during the remaining 1260 days of the 2300-day period. The two witnesses prophesy to the states of the USA before the star impacts the USA. When these states try to stop the mouths of the two witnesses' speaking of the written visions and oracles on the seventh angel with trumpet, they will be hurting the two candlesticks. Leaders and people that reject, persecute, and fight to stop the two witnesses' prophesying of the four riders and their four horses are hurting the two candlesticks. The USA'S states and nations will not overcome their beliefs and recognize the 3½ days sign of Jonah. Nor will they recognize the two witnesses prophesying during the fulfillment of six plagued angels concerning the bright star's rising when the seventh plagued angel is fulfilled. The two witnesses' enemies will be killed by fire and brimstone erupting from the high and lifted-up super volcano's immense mouth in the destroyed USA.

\*\*\*\*\*

***Revelation 11:6 THESE*** {two witnesses/two olive trees/two candlesticks} ***have power to SHUT HEAVEN, that it RAIN NOT*** {no rain when the seventh plagued angel is being fulfilled, because a great whirlwind of fire materializes around the lava erupting super volcano and pulls in all clouds and creates great hailstones, which causes a terrible time of drought and famine in the world}

*in the days of their PROPHECY* {the everlasting gospel will be prophesying when six plagued angels are being fulfilled on the USA's states}: *and have power over WATERS* {literal waters} *to turn them to BLOOD* {death by great hailstones}, *and to smite the earth* {USA's land} *with ALL PLAGUES* {of anarchy, famine, mourning, and great hailstones, whirlwinds of fire, and flowing fire and brimstone}, *as often as they will.*

In the writings of the Bible, the two witnesses (Michael and Gabriel) of Elohiym (seventh plagued angel) were the same ones that spoke to old Elijah and Elisha and Aaron and old Moses. For instance, Elijah was told by Elohiym (seventh plagued angel) to proclaim throughout the land of Israel that there would be no rain. Accordingly, the prophecy of the two witnesses happened as predicted. During the days of old Moses, Elohiym told old Moses to proclaim before Pharaoh and all of Egypt concerning the plagues that Moses and Aaron will summon upon old Egypt. Accordingly, the land of Egypt was smitten with plagues as often as the two witnesses predicted the events. One of these plagues was to turn all waters in Egypt into polluted waters (dead/bitter waters are referred to as blood), that were made undrinkable.

The two witnesses' predictions were spoken to all the prophets in every generation. Many of the prophets wrote the words of Elohiym in scrolls, which have been copied from generation to generation. Many of the manuscripts

that survived have been compiled in the Bible, from which the two witnesses reveal to latter day Moses the plagues that will be fulfilled on the USA's states and all nations of latter day Babylon's kingdom, being also referred to as spiritual Egypt and spiritual Sodom).

\*\*\*\*\*

***Revelation 11:7 And when THEY*** {two witnesses/two olive trees/two candlesticks written on the seventh angel with trumpet} ***shall have FINISHED*** {finished revealing six of seven lights and six of seven thunders of the seventh angel with trumpet to the states of the USA and other nations} ***their TESTIMONY*** {testifying for 1260 days of the four riders on their white horse, red horse, black horse, and pale horse until a meteor's impact will seem as if it failed to open the super volcano in the USA}, ***the BEAST*** {lamb-like beast/USA} ***that ASCENDETH out of the BOTTOMLESS PIT*** {ascends with a healed wound out of the super volcano's overflowing mouth of the lake of fire that covered the whole world, because in Revelation 11:7 the seventh plagued angel is replaying the time when the opening of the scroll of life during the judgment was revealing from the seventh angel with trumpet the remaining 1260 days of the third 2300-day period when the USA was reigning in the land} ***SHALL*** {during the second spiritual wilderness journey of 1260 days} ***make WAR against THEM*** {two witnesses' written visions and oracles written on the seventh angel with trumpet), ***and***

*shall OVERCOME* {overcome the two witnesses' ability to continue prophesying at the end of the 1260 days, as the USA's states and population accept totally the ideals that the USA's leadership envisions for the world's future during the sign of Jonah} *THEM* {two witnesses/two olive trees/two candlesticks}, *and KILL* {kill by totally denouncing and trampling upon the predictions of four riders and their white, red, black, and pale horses during the sign of Jonah} *THEM* {the two witnesses ability to be heard during the sign of Jonah}.

At the end of the remaining 1260 days of the 2300-day period, a meteor will impact the USA causing a volcano to briefly erupt. However, that event will not cause the super volcano to open and begin the plagues that the two witnesses will have prophesied about for 1260 days. During these 1260 days, what the USA's leadership envisions for the world's future wars against the predictions that are being revealed by the two written witnesses concerning the world's future, as revealed by the latter day messenger and his apostles and disciples.

The meteor's impact begins the 3½ days of the sign of Jonah. During that time, what the USA is envisioning and promoting concerning what it believes the world's future will be will have overcome the two witnesses' visions of what they prophesied concerning the world's future. All the states and population will accept the peace and safety vision that the USA's leadership and others will be

promoting concerning the world's future. Accordingly, the ability for the two witnesses to continue prophesying will have ended, having been totally overcome by the visions promoted by the USA during the sign of Jonah. The two witnesses' written predictions of the four riders and their white, red, black, and pale horses will be lying dead in the streets of the USA, totally rejected and overcome without having any remaining influence in the USA during the sign of Jonah because of the seemingly failed prediction of the super volcano not continually erupting smoke and ash at the star's impact.

In the past type, Yahshua/Jesus and his apostles prophesied for 3½ years (1260 days) to gather disciples. At the end of these 3½ years, Yahshua was crucified. At the time of his crucifixion, an earthquake caused a volcano to temporarily erupt smoke that covered the sun over Jerusalem. Many saw the darkness for several hours and thought that maybe Yahshua/Jesus was who he claimed to be. However, when the smoke dissipated and the sun shone as usual, any remaining influence that Yahshua/Jesus had of convincing non believers was lying dead in the streets of Jerusalem for 3½ days. When the sun shone on the land as the darkness dissipated over old Jerusalem, Yahshua's/Jesus' apostles were doubting and hiding in fear of the Judean authorities while Yahshua/Jesus was dead during 3½ days. The population of Judea had accepted the ideals that were being promoted

by the Judean leadership, high priest, and priests, who said that Yahshua was able to do miracles by the devil. These ideals had totally overcome the message of Yahshua/Jesus while he was dead.

\*\*\*\*\*

**Revelation 11:8 And THEIR** {two witnesses' visions of four riders and their white, red, black, and pale horses written on the seventh angel with trumpet} **DEAD BODIES** {of spiritual moon's light/candlestick and spiritual sun's light/candlestick} **shall lie in the street of the GREAT CITY** {great city latter day Babylon/USA's ruling capital which is equated with old rebellious Jerusalem}, **which SPIRITUALLY is called SODOM** {spiritual latter day Sodom/USA will be destroyed as old Sodom was destroyed} **and EGYPT** {spiritual latter day Egypt/USA will be plagued by the opened super volcano as old Egypt was plagued}, **where also our LORD** {in the past type pertaining to old Yahshua/Jesus, but in the latter days referring to the combined two witnesses' visions and oracles of the four riders and four horses} **WAS CRUCIFIED** {latter day prophecy is constructed using old types, as the combined two written witnesses is equated with old Yahshua's/Jesus' crucifixion, which is being revealed near the end of the judgment when the seventh plagued angel is replaying the time earlier in the judgment when the opened scroll of life revealed the crucifying of the combined two written witnesses that

happened at the end of the remaining 1260 days of the 2300-day period when the 3½ days of the sign of Jonah began. During the sign of Jonah, the combined two written witnesses prophesying of the four riders and four horses will be lying dead in the streets of the USA's ruling capital and nation}.

The verse in Revelation 11:8 was constructed using past types. Therefore, according to one past type the USA's ruling capital and her nation is being likened to the city of old Sodom and Egypt. The reason is old Sodom was destroyed by an earthquake that caused a volcano to erupt smoke and hot ash, so latter day spiritual Sodom will be destroyed by smoke and hot ash erupting from a huge bottomless pit (super volcano). As old Egypt was ruined by the plagues that old Moses forewarned Pharaoh and all the Egyptians, so latter day spiritual Egypt (USA) will be destroyed by the plagues caused by the erupting super volcano, as forewarned by latter day Moses' message. According to another past type, the USA's capital ruling over its kingdom is likened to the great city Babylon. As old Babylon was overthrown by two kings (king of Persia and king of Media), so the USA's capital ruling over latter day Babylon's kingdom will be overthrown according to the two witnesses' written visions and oracles. According to another past type, the USA's ruling capital is likened to old Jerusalem where Yahshua/Jesus was crucified. As old Yahshua/Jesus was crucified, resurrected and seen in old

Jerusalem, so the two witnesses' visions and oracles will die, resurrect, and be seen being fulfilled in the USA's capital and nation.

\*\*\*\*\*

***Revelation 11:9 And they of the people and kindreds and tongues and nations shall SEE*** {when the meteor's impact failed to open continually the super volcano} ***THEIR*** {two witnesses'} ***DEAD*** {lifeless} ***BODIES*** {written visions and oracles} ***THREE DAYS and an HALF*** {3½ days}, ***and shall not suffer their DEAD*** {totally rejected} ***BODIES*** {of the seventh angel's six of seven lights/visions and six of seven thunders/trumpets} ***to be*** {respectfully} ***put in graves.***

A meteor will impact the USA at the end of the 2300-day period, which is 3½ days before latter day Babylon's third reigning period ends. However, the star's impact will not open continually the super volcano and cause the visions of four riders and their white, red, black, and pale horses to resurrect and be fulfilled on the USA. Accordingly, the people, kindreds, tongues, and nations will see the failure when the two witnesses' predictions are not fulfilled at the star's impact in the USA. The following 3½ days is the sign of Jonah. During the sign of Jonah, the two witnesses' written visions and oracles written on the seventh angel with trumpet will be lying dead in the streets of confusion. These 3½ days are the final days of the 70th week of

Daniel 9:24. No respect will be shown regarding the failure of the two witnesses' visions and oracles of four riders and four horses, being likened to dead enemies left on the ground to rot away

***Revelation 11:10 and they*** {states of the USA} ***that dwell upon the earth shall rejoice over them*** {two witnesses' failed visions and oracles during the 3½ days sign of Jonah}, ***and make merry*** {the non believing people in the USA will be joyous/merry/spiritually drunk on the spiritual wine cup full of ideals that the USA envisions for the world's future}, ***and shall send gifts one to another*** {hence their way of life in the USA of buying and selling continues business as usual during the failure of the meteor's impact releasing the four riders and four horses from the bottomless pit}; ***because these two prophets*** {being the two witnesses' written visions and oracles on the seventh angel with trumpet} ***TORMENTED*** {for 1260 days} ***THEM*** {states of the USA} ***that dwelt on the earth*** {USA's land}.

The failure of the meteor's impact in the USA to open the super volcano and release the four riders and their white horse, red horse, black horse, and pale horse causes great rejoicing of the USA's states and population. The non believers in the USA's land (referred to as Earth) will rejoice when the meteor's impact fails to bring an end to their normal way of life. The illustration of the USA's states being merry reveals they are drunk on the great

whore's (USA's capital's) spiritual wine, which represents her democratic and capitalistic vision for the world's future. Accordingly, the non believing population in the USA's states are illustrated as sending gifts one to another, since the meteor's impact will have not affected their normal way of life of buying and selling goods from each other.

In the past type, the sending of gifts one to another happened at the feast of Purim when the enemies of the Judeans were killed (see Esther 9:22). In our day when the meteor's impact fails to end the USA's rule over the nations of latter day Babylon, the USA (being spiritual Judah) will war against the two witnesses' failed predictions and totally kill any remaining influence which the two witnesses' predictions of four riders and four horses previously had. At that time, the non believing people in the USA will be completely drunk on their democratic and capitalistic way of life (wine) pertaining to what the USA has envisioned for the world. The USA's people will also be happy that the two witnesses' predictions are no longer tormenting the USA's states with their predictions of a meteor's impact releasing plagues by opening a super volcano in Yellowstone National Park.

\*\*\*\*\*

***Revelation 11:11 And after THREE DAYS and an HALF {counting 3½ days after the meteor's impact} the***

***SPIRIT OF LIFE*** {referring to the vision and oracle concerning the resurrection of the two witnesses' written predictions of four riders and four horses from the bottomless pit} ***from God*** {seventh plagued angel} ***entered into THEM*** {two witnesses' written predictions}, ***and THEY*** {two witnesses' written predictions of four riders and four horses} ***STOOD*** {revived to life because the super volcano in Yellowstone National Park erupts smoke and ash continually} ***upon their feet; and GREAT FEAR*** {because the predictions of a super volcano continually erupting smoke and ash for five months is fulfilled} ***fell upon THEM*** {non believers in the USA who failed to recognize the sign of Jonah} ***which saw THEM*** {saw the two witnesses' predictions of four riders and four horses begin being fulfilled on the USA's states}.

After 3½ days from the end of the 2300-day period, the seventh plagued angel (God) reveals near the end of the judgment the visions and oracles of the two witnesses resurrecting to life when the super volcano erupts smoke and ash continually. Accordingly, the spirit of life from God (seventh plagued angel) revealed the visions and oracles concerning the opening of the bottomless pit. At that time, the two witnesses' combined predictions of four riders and their white, red, black, and pale horses will have ascended to life from the super volcano's opened mouth.

Great fear will be instantly seen on the USA's population

when the super volcano begins releasing its plagues of darkness, anarchy, famine, death, and mourning on the USA's states. These people will see the two witnesses' predictions of four riders and four horses rise to life to reign over the fallen USA. At that time, the USA's capital will no longer be ruling over the latter day Babylonian kingdom, as latter day Babylon's third reigning period ends.

\*\*\*\*\*

***Revelation 11:12 And THEY*** {two witnesses} ***heard a GREAT VOICE*** {referring to the seventh plagued angel revealing its great voice of thunder/great trumpet after five months of smoke and ash are fulfilled} ***from HEAVEN*** {sky} ***saying unto THEM*** {two witnesses' written prophecies of the four riders and four horses being fulfilled during five months of smoke and ash}, ***Come up hither. And THEY*** {two witnesses' visions and oracles of four riders and four horses} ***ascended up to heaven in a CLOUD*** {being a cloud of exploding magma, which creates a great voice of thunder in the air when the high and lifted-up bottomless pit/super volcano explodes}; ***and their ENEMIES*** {non believers still in the USA at the end of five months of smoke and ash} ***beheld THEM*** {saw the two witnesses' written visions and oracles rising to begin being fulfilled}.

After five months of smoke and ash, the immense super

volcano will swell high-up and explode into the sky with a great sound of thunder, as magma erupts from the huge mouth of the bottomless pit. Then the two witnesses' written visions and oracles of four riders and four horses will be fulfilled from the high and lifted-up lava erupting super volcano. The high and lifted-up super volcano's explosion, revealed by the seventh plagued angel, is the voice of great thunder, which is referred to as a great sound of a trumpet in Isaiah 27:13. From the time the great sound of a trumpet (great thunder) happens. The enemies of the two witnesses will be the non believers who rejected the everlasting gospel and remained in the USA during the five months of smoke and hot ash. After the five months of smoke and ash, these enemies of the two witnesses will see the plagues, equated with the four riders and four horses, being fulfilled from the mouth of the high and lifted-up lava erupting super volcano. The plagues issuing from the high and lifted-up to heaven super volcano will drive out the figurative Canaanites from the USA. As the great trumpet sounds and a great light (ensign) is seen upon the high and lifted-up super volcano, the overcomers of all nations will travel and enter the light around new Jerusalem in the destroyed USA.

***Isaiah 27:13*** *And it shall come to pass in that day* {when the super volcano swells high-up into the sky and explodes}, *that the GREAT TRUMPET* {great sound of

thunder caused by the high and lifted-up super volcano exploding magma into the sky} *shall be blown, and THEY* {latter day overcomers of new Israel} *shall COME* {to the light/ensign of new Jerusalem within the destroyed USA} *which were ready to perish in the land of Assyria, and the outcasts in the land of Egypt, and shall worship the Lord in the HOLY MOUNT* {super volcano's mount of pure fire/lava} *at {new} Jerusalem.*

\*\*\*\*\*

***Revelation 11:13 And the SAME HOUR*** {the same hour near the end of the judgment when five months of smoke and ash are fulfilled} ***was there a GREAT EARTHQUAKE*** {such as never happened, caused by the super volcano swelling high-up to heaven and its 40-mile wide mouth exploding magma into the sky}, ***and the TENTH PART*** {referring to the figurative rebellious leadership} ***of the CITY*** {the USA's capital} ***fell, and in the earthquake were slain of MEN*** {representing false messengers/leaders of the USA's states/spiritual men} ***SEVEN THOUSAND*** {being a figurative number of false messengers, ministers, and leaders}: ***and the REMNANT*** {referring to overcomers that accepted the everlasting gospel} ***were affrighted, and GAVE GLORY*** {the credit of what happened} ***to the God*** {seventh plagued angel} ***of HEAVEN*** {sitting upon the high and lifted-up to heaven/sky lava erupting super volcano over the destroyed kingdom of latter day Babylon}.

The hour refers to the hour near the end of the judgment when the seventh plagued angel is revealing the visions and oracles written on the last small part of the scroll of life. In that same hour of the judgment after five months of smoke and ash have been revealed erupting from the super volcano, the super volcano swells high-up into heaven and a massive explosion happens. This massive explosion of the super volcano's 40-mile wide mouth causes a great earthquake such as never happened

After five months of smoke and ash have erupted from the super volcano, then the the super volcano swells high-up into the sky and explodes magma. From that time, the people in the USA who rejected the everlasting gospel and did not forsake their loved ones, friends, possessions, and nation while the super volcano was erupting smoke and ash will be fleeing and hiding in the rocks and mountains. The plagues of the four horsemen and four horses issue from the high and lifted-up lava erupting mouth of the super volcano, as they spread throughout the destroyed USA and world.

The tenth part mentioned in Revelation 11:13 is of a figurative number of 7,000 people in the USA. These latter day people are prominent people that prophesied falsely during the five months of smoke and ash, causing many in the USA to reject the everlasting gospel and flee their nation before the super volcano swelled high-up into heaven and exploded magma into the sky. The figurative

number of 7,000 latter day false prophets (messengers) in the USA is borrowed from the scenario of the past type pertaining to the 7,000 people that were righteous at one time (see 1 Kings 19:18).

\*\*\*\*\*

***Revelation 11:14: The second woe is past; and, behold, the third woe cometh quickly.***

The second woe pertaining to the sixth angel with trumpet has been revealed. However, the ending of the sixth angel's trumpet also revealed the dawning of the first vision and first thunder of the seventh angel with trumpet, because there is a type of even when the end part of one angel's light is mixing with the beginning of the next angel's light. Accordingly, the ending part of the sixth angel with trumpet (written woe) also revealed the beginning of the seventh angel with trumpet (written woe). The time of even between the ending of the sixth angel's message and the beginning of the seventh angel's first vision and thunder spans a period from the end of latter day Babylon's second reigning period until the beginning of the 1260 days of the second wilderness journey when latter day Babylon is reigning during its third period.

\*\*\*\*\*

***Revelation 11:15 And the SEVENTH ANGEL***

***SOUNDED*** {sounded its trumpet at the beginning of the second wilderness journey of 1260 days}; ***and there WERE*** {should have been great voices of hailstones, but were not as stated in Rev.10:7} ***GREAT VOICES*** {referring to great hailstones} ***in HEAVEN*** {heaven/sky around the high and lifted-up to heaven lava erupting super volcano}, ***SAYING, the kingdoms of this world are become the kingdoms of our LORD*** {our Lord/seventh plagued angel whose visions and oracles sit and reign above the lava erupting 40-mile wide mouth of the super volcano}, ***and of his Christ*** {the Lamb, representing the anointed message of the latter day messenger}; ***and HE*** {seventh plagued angel} ***shall reign*** {over the kingdoms of latter day Babylon} ***forever*** {according to the first witness' visions and oracles} ***and ever*** {according to the last witness' visions and oracles} .

The seventh angel is here sounding its trumpet of its first thunder at the beginning of the the second spiritual wilderness journey of 1260 days. However, as stated in Revelation 10:7 when the seventh angel sounds its trumpet, instead of great hailstones happening, latter day Babylon is reigning during its third reigning period. Accordingly, what is written in Revelation 11:15 happens when the seventh plagued angel sounds his thundering voice of a trumpet when the super volcano swells high-up into the sky and explodes with a massive sound of thunder (equated with a great sound of a trumpet). When the high

and lifted-up super volcano's immense mouth is erupting with lava, the seventh plagued angel is then reigning over all the world's kingdoms, as written on the seventh light and seventh thunder of the seventh angel with trumpet. At that time when lava is erupting from the immense mouth of the super volcano, the voices of great hailstones caused by the intense heat emanating from the super volcano's huge 40-mile wide mouth full of an overflowing lake of fire. When great hailstones are raining upon the USA's destroyed land, their sounds declare that the kingdoms of this world have become the kingdoms of the seventh plagued angel (lord) and of his Christ (the Lamb, representing the message of the latter day messenger).

The word Christ means messiah (anointed), that illustrates that the latter day messenger's message (equated with the spiritual sun's light/visions and spiritual moon's light/visions) is anointed with more oil to shine brighter as each of the seven seals of the scroll of life was opened, and even brighter as each of seven angel's with trumpets are revealed. The scroll of life's first side contains the first witness' visions and oracles, which are all written on the seventh plagued angel, whose intense light reigns for ever over the dissolved kingdoms of the world. Also, the scroll of life's last side contains the last witness' written visions and oracles, which are all written on the seventh plagued angel, whose intense light reigns for ever over the dissolved kingdoms of the world.

***Revelation 11:16 And the FOUR and TWENTY ELDERS, which sat before God*** {God/seventh plagued angel written on the seventh light of the seventh angel with trumpet} ***on their seats, FELL upon their FACES, and worshipped God*** {seventh plagued angel},

Near the end of the 1,100 years of the judgment, the seventh plagued angel is replaying the time earlier in the judgment when the opening of the scroll of life was revealing the visions and oracles written on the seventh angel with trumpet.

When the 24 elders see a vision revealed from the scroll of life's writings showing the time when the kingdoms of this world had become the kingdoms of God (two witnesses' visions and oracles written on the seventh plagued angel), the twenty four elders (who represent the 144,000) fall upon their faces and worship the one (seventh plagued angel) sitting on the great white throne of intense light.

***Revelation 11:17 Saying, We give thee thanks, O Lord God Almighty*** {Lord God Almighty refers to the seventh plagued angel, because on the huge/almighty seventh plagued angel are written all the visions and oracles of all the scrolls and scroll of life and the replays of each generation according to the visions and oracles written on

each scroll}, **which ART** {the seventh plagued angel Art/is reigning over the kingdoms of the world after six plagued angels were fulfilled}, **and WAST** {Wast/was reigning after six plagued angels fulfilled as revealed during the opening of the scroll of life earlier in the judgment}, **and ART TO COME** {Art To Come and reign again when the seventh plagued angel reveals again the time when it came to reign over the kingdoms of the world after six plagued angels were fulfilled}; **because THOU** {seventh plagued angel} **hast taken to thee thy great power** {having all visions and oracles that are replayed over and over}, **and hast REIGNED** {is reigning, has reigned, and will again come and reign over the kingdoms of the world}.

The twenty four elders give thanks to the seventh plagued angel that is (Art) reigning during the judgment. The seventh plagued angel has been reigning from the time the super volcano swelled high-up into heaven and exploded with magma.

The seventh plagued angel was (Wast) reigning over the kingdoms of latter day Babylon when the opening of the last scroll/scroll of life earlier in the judgment revealed the time when the super volcano swelled high-up into heaven and exploded magma.

The seventh plagued angel is to come (Art To Come) and be seen reigning again over all kingdoms of the world. This happens when the last scroll/scroll of life is again

revealed being opened after all the other scrolls are revealed being opened. Accordingly, the scroll of life will again reveal the time when, in the last generation, the latter day messenger was revealing the scroll of life through to the time when the scroll of life reveals the seventh plagued angel coming again to be fulfilled after six plagued angels are revealed. The seventh angel comes again to be fulfilled when the scroll of life reveals again the super volcano swelling high-up into heaven and exploding magma into the sky.

The seventh plagued angel is referred to as Lord God Almighty. The reason is, the seventh plagued angel has the largest (almighty) amount of visions and oracles written on it by the two witnesses (Michael and Gabriel).

***Revelation 11:18 And the NATIONS WERE ANGRY*** {angry when the super volcano swelled high-up into heaven and exploded magma into the sky, as lava began to overflow from the immense 40-mile mouth of the super volcano}, ***and THY*** {seventh plagued angel's} ***WRATH*** {wrath of flowing lava from the super volcano's immense opened mouth full of an overflowing lake of fire that flows to cover the destroyed USA and all the world} ***is COME*** {as again revealed from the scroll of life by the seventh plagued angel of what was already revealed earlier in the judgment when the scroll of life was

opened}, *and the TIME of the DEAD* {the rebellious dead that died by the plagues issuing from the super volcano as revealed by the last scroll/scroll of life}, *that they should be JUDGED* {as each book/scroll is opened during the judgment to replay each generation}, *and that THOU* {seventh plagues angel's visions and oracles} *SHOULDEST give REWARD* {of latter day Babylon's destroyed kingdoms, which the new heaven and new Earth will have replaced when the judgment will have begun} *unto thy SERVANTS the PROPHETS* {messengers of the two witnesses of every generation}, *and to the SAINTS* {being the first group/priests and second group/elders of redeemed from every generation}, *and THEM* {great multitude/third group of redeemed that accepted the everlasting gospel} *that FEAR THY NAME* {seventh plagues angel}, *small and great; and shouldest DESTROY THEM* {rebellious people that rejected the everlasting gospel} *which DESTROY the EARTH* {when a nation rejects a living messenger's message they have chosen to destroy their land}.

Near the end of the 1,100 years of the judgment, the seventh plagues angel will replay the time when the opening of the last scroll/scroll of life showed how the great explosion of magma and overflowing lava from the high and lifted-up super volcano's immense mouth made the nations angry, as they rejected the everlasting gospel and instead chose to battle with the four riders and their

white, red, black, and pale horses during the battle of Armageddon

From the time the super volcano swells high-up into heaven and explodes magma and filled its overflowing mouth with lava, the two witnesses will be writing that event and all other things that are and will happen on the seventh plagued angel. Therefore, when magma explodes into the sky and lava begins flowing from the lake of fire of the immense mouth of the high and lifted-up super volcano, then the wrath of the seventh plagued angel will have come. Lava will spread quickly from the destroyed USA to consume the whole world.

After the anger of the seventh plagued angel brings an end to all nations when they are covered in a sea of lava, the time of the dead begins. At that time, the rebellious dead that rejected the everlasting gospel will appear outside new Jerusalem at the beginning of the judgment to be judged according to the record written in each book/scroll. From the time the judgment begins, the saints and redeemed will receive their reward of everlasting life in a new Earth, having new bodies and no knowledge of the past. At the same time, the saints and redeemed will be partaking in the 1,100 years of the judgment.

A great multitude of people, that accepted the everlasting gospel because they feared the name of the seventh plagued angel, will have entered the intensely bright light

of the ensign. This light of the ensign will emanate from a huge whirlwind of fire (equated with new Jerusalem) around the high and lifted-up mountain of the lava erupting super volcano. This is the third/final group of redeemed that also receive their reward of everlasting life in the new Earth having new bodies with no knowledge of the past. The seventh plagues angel will have destroyed the rebellious leaders and people who caused their population on the land (Earth) to reject the everlasting gospel and end up being destroyed.

After the seventh plagues angel has revealed the judgment that the rebellious people received, then it will reveal what the prophets and righteous believers of all generations received. In every generation there has been a true prophet who proclaimed a message. The people that accepted the living prophet's message are referred to as saints in Revelation 11:18, since these overcomers are as priests and elders officiating in the spiritual sanctuary. These saints represent the first group of believers (priests) and second group of believers (elders) gathered in every generation by the living messenger's message. A third group of latter day overcomers will have accepted the everlasting gospel proclaimed by these priests and elders during a time when smoke and ash issued for five months from the super volcano. The third group of redeemed will have feared the name of the seventh plagues angel. Hence they believed the message that warned that the super

volcano will swell high-up into the sky and erupt with magma that flows to cover the world. Therefore they will have been instructed to listen for the great trumpet to sound and travel to enter the intense light of the ensign emanating above the high and lifted-up lava erupting super volcano. The overcomers will enter the ensign before flowing from the super volcano's mouth consumes the world. From the time the latter day dead end up in an overflowing lake of lava, the prophets, saints (being the first group and second group of redeemed), and third group of redeemed will have entered the ensign to receive their reward of eternal life during a new heaven and a new Earth. In the new heaven, the super volcano is dormant and low to the ground (hence no longer high and lifted-up and erupting into the atmosphere/heaven). The new Earth will be like it was in Eden, instead of being covered in an overflowing lake of lava.

***Revelation 11:19 And the TEMPLE*** {representing the high and lifted-up super volcano's mouth when it begins filling with lava} ***OF GOD*** {seventh plagued angel sitting on the mercy seat of the spiritual Ark of the testament} ***was OPENED*** {hence there is no more smoke and ash erupting to veil the super volcano's mouth full of a lake of fire/lava} ***in HEAVEN*** {heaven refers to the high and lifted-up super volcano's lava filled mouth, from which emanates an intense light}, ***and there was seen in HIS***

{being the seventh plagued angel, after six plagued angels are fulfilled} **TEMPLE** {referring to the lava filled mouth of the high and lifted-up to heaven super volcano} **the ARK** {representing the middle of the lava filled mouth of the super volcano} **of HIS** {seventh plagued angel's} **TESTAMENT** {in the old Ark of the testament are two tablets of commandments, spiritual hidden manna of Revelation 2:17, reed-like rod of Revelation 11:1, and the last scroll/scroll of life containing all the law}: **and there were LIGHTNINGS** {lightnings over the high and lifted-up lava erupting super volcano, equated with the seventh plagued angel's written visions}, **and VOICES** {voices/sound of great hailstones, equated with the written fulfillment on the seventh plagued angel of the visions/lightnings and voices/thunders}, **and THUNDERINGS** {thunderings over the high and lifted-up lava erupting super volcano, equated with the written oracles on the seventh plagued angel}, **and an EARTHQUAKE** {caused when the super volcano swelled high-up into the sky and exploded magma}, **and GREAT HAIL** {huge hailstones, a great whirlwind/tornado that spawns many whirlwinds of fire are caused by the intense heat of the high and lifted-up super volcano's immense mouth full of a lake of fire/lava}.

In Revelation 11:19 the vision showed the temple of God was opened high up in the sky (heaven). This vision of the temple represents the immense open mouth of the super

volcano when it swells high-up to the sky, explodes magma, and its immense mouth begins filling with a lake of fire/lava. Near the end of the judgment, the seventh plagued angel will reveal the vision in Revelation 11:19. This vision is written on the seventh plagued angel of what the two witnesses' saw and heard happen when lava began to fill the immense mouth of the high and lifted-up super volcano before the judgment had begun.

In Revelation 11:19, the Ark of his (seventh plagued angel's) Testament was seen. This golden Ark represents the visions and oracles of the two witnesses (equated with the two cherubs upon the Ark's mercy seat) written on the seventh plagued angel. In this Ark (representing the seventh plagued angel's written visions and oracles) is the first witness' written visions and oracles beneath four seals (equated with the tablet of stone with four commandments engraved on it) and last witness' written visions and oracles beneath six seals (equated with the tablet of stone with six commandments engraved on it). Also within this Ark is the spiritual golden pot of manna pertaining to the visions and oracles written on seven angels with trumpets. There is also one spiritual rod in this Ark, as the visions and oracles written on the scroll of life's first side are written by the first witness' rod. There is also the book/scroll of the law in the Ark that is written on the seventh plagued angel. This scroll/Book represents all the visions and oracles that are written on all the books/scrolls

opened during the judgment. The opening of all the books/scrolls were recorded by the two witnesses on the seventh plagued angel.

Lightnings (equated with written visions) , voices (equated with the written interpretation of visions and oracles), and thunderings (equated with written oracles) are written in an unnatural order, instead of lightnings, thunderings, and voices. The reason is that when the seventh angel with trumpet begins to sound, the kingdoms of this world do not become the kingdoms of God. Instead, latter day Babylon is reigning during its third reigning period when the seventh angel with trumpet sounds. After six plagued angels are fulfilled, then the seventh plagued angel will sound his great trumpet as the super volcano swells high-up to heaven and explodes magma into the sky. At that time, the kingdoms of this world become the kingdoms of the seventh plagued angel (God).
