

Chapter 12

Revelation 12:1 *And there appeared a GREAT WONDER* {amazement} *in HEAVEN* {on the sea of glass above the swelled to heaven super volcano}; *a WOMAN* {representing new Jerusalem sitting and ruling over latter day spiritual Canaan} *clothed with the SUN* {representing the spiritual morning sun's visions/light at dawn written on the first small part of the seventh part of the scroll of life's other side}, *and the MOON* {representing the spiritual moon's visions/light at the ending of the seventh evening written on the last small part of the seventh part of the scroll of life's first side} *under her FEET* {because the spiritual moon is just below the westerly horizon at the ending of the seventh evening, when the spiritual morning sun is just below the easterly horizon at dawn, which is equated with the time when the seventh plagued angel is being revealed}, *and upon her HEAD* {representing the sea of glass upon the top of new Jerusalem} *a CROWN of TWELVE STARS* {the twelve stars represent the latter day new tribes of the first group/priests and second group/elders of redeemed standing on new mount Zion within new Jerusalem}:

In Revelation 12:1, the Apostle John was amazed (wondered) at an incredible vision that proceeded from the visions and oracles of the one like the son of man. The vision was of a glorious-looking woman, who is equated

with new Jerusalem. A huge fiery whirlwind will manifest around the super volcano's lifted-up to heaven mountain (new mount Zion). Its immense mouth will be filled with a lake of fire. The height of this immense tornado of fire reaches up to the sky (heaven), see Ezekiel 1:4.

Ezekiel 1:4 And I looked, and, behold, a WHIRLWIND {huge tornado of fire} came out of the NORTH {latter day Babylon}, a great cloud, and a FIRE {being a fiery toenado} INFOLDING ITSELF {describing the spinning winds of a whirlwind/tornado}, and a BRIGHTNESS {of intense light/ensign} was about it, and out of the MIDST THEREOF {where the mountain of the swelled to heaven super volcano/the Rock is located} as the COLOUR OF AMBER {being the color of fiery lava}, out of the midst of the fire.

Revelation 12:1 is being revealed during the judgment. The one like the son of man (Lamb) is revealing what had already happened when a massive tornado of fire was surrounding the lifted-up to the sky super volcano when it was full of a lake of fire. Three groups of redeemed had entered the light emanating from this whirlwind of fire. Then when the lake of fire overflowed and covered the old heaven and old Earth of the old world, all the redeemed that entered new Jerusalem were, thereafter, living in the new heaven and new Earth. At the same time they began to live in the new heaven and new Earth, they were in the spirit (as ghosts of their former selves) standing on the sea

of glass in heaven (sky) around God's throne (equated with the Ark of the testament) during the judgment.

In Revelation 12:1 it shows a woman, that represents new Jerusalem, reaching up to the sky (heaven). She is clothed with the morning sun's light because the spiritual sun's light (visions) is dawning from just below the easterly horizon. At the same time, the spiritual moon (first witness) is just below the westerly horizon at the time of the ending of the seventh evening at dawn. When this figurative moon is just below the westerly horizon at the ending of the seventh evening, it represents the time when the seventh plagued angel (equated with the last small part of the seventh part of the scroll of life's first side) is being fulfilled.

In the vision of Revelation 12:1, new Jerusalem's (woman's) feet refer to her immense foundations that stand on all the land of latter day spiritual Canaan with the moon just below the land at the westerly horizon; hence her feet, as it were, are standing on the figurative moon. The spiritual moon represents the first witness that wrote visions and oracles of things that happened in the last generation, new heaven and new Earth, and what happened during and after the initial 1,000 years of the judgment. All visions and oracles written on seven parts of the scroll of life's first side are all written on the last small part (equated with the ending of the seventh evening when the spiritual bright moon/bright star is just below the

westerly horizon) of the seventh part (equated with the seventh evening) of the scroll of life's first side. The spiritual morning sun represents the last witness that wrote on the first small part (equated with the morning sun/morning star of the seventh day's beginning daylight at dawn) all the visions and oracles that are written on the last small part (God the father), just as the seventh day's morning sun's light just below the easterly horizon witness' the ending of the seventh evening's moon's light when it is just below the easterly horizon while the moon is witnessing the morning sun.

The head of the glorious woman in heaven represents the high mountain of the super volcano, which is equated with the inner court and temple of the sanctuary. On this high mountain (new Zion), the first group of redeemed officiate as priests in the holy place of the heavenly sanctuary. Also on this mountain, the second group of redeemed officiate as elders (144,000) in the inner court of the heavenly sanctuary.

The twelve stars on the crown upon the woman's head represent the new twelve tribes of the first group and second group of redeemed. Initially, the twelve stars are of the first group of redeemed as they journey through two spiritual wilderness periods. Then after the first group of redeemed has given spiritual birth to their spiritual children (who are of the second group of redeemed that mature at the end of the second spiritual wilderness

journey), then these spiritual children that matured to spiritual adults are then also of the twelve stars (twelve new tribes) of the woman (new Jerusalem) in heaven.

Revelation 12:2 And SHE {she/new Jerusalem that represents the three groups of overcomers of all generations. During a past generation, the woman represented the Israelites living in Goshen of old Egypt} **being with CHILD** {in the latter days the child represents the spiritual birth of latter day Moses' dawning/Lamb message from beneath the first seal. In the past type, the child represented the literal birth of old Moses in Goshen of old Egypt} **cried, TRAVAILING IN BIRTH** {travailing in the latter days to give spiritual birth to the latter day living messenger's message, just as the old Israelites in Goshen travailed in bringing forth their male children}, **and PAINED to be DELIVERED** {because of Pharaoh's decree that at the birth of all male Hebrew babies, they were to be immediately killed by the midwives}.

In the past type, the Israelites in Goshen pained in delivering their male babies at birth because Pharaoh's decree ordered all male babies be killed as soon as they were born. Among these male babies was born old Moses. This is equated with the latter day faithful church members who were in spiritual labor pains to accept latter day Moses' newly born dawning message concerning the

super volcano exploding in the USA, causing the bottomless pit (super volcano) to open and erupt smoke and ash for five months. After AD 90, the next living messenger's message was always spiritually born (manifested) from the church that was established by the previous deceased messenger of God.

Revelation 12:3 And there appeared ANOTHER WONDER in HEAVEN {above the swelled to heaven super volcano is the sea of glass, on which the judgment is happening}; ***and behold a GREAT RED*** {red color of Egypt's soil} ***DRAGON*** {representing the kingdom of old Egypt, but in our day the kingdom that reigned as the fifth kingdom before latter day Moses' message was born}, ***having SEVEN HEADS*** {based on a past type when the old promised land was divided into seven parts with each part having a head/ruling capital} ***and TEN HORNS*** {ten tribes/horns were living in Goshen and fled old Egypt in the Exodus to later be situated in the promised land of old Canaan within two tribes/two kingdoms of the seven divided parts of Canaan. Then the ten horns were reigning/crowned in the promised land of old Canaan}, ***and SEVEN CROWNS*** {seven ruling capitals} ***upon HIS*** {red dragon's/old Egypt's} ***HEADS.***

The Apostle John saw another amazing (wonder) vision in heaven proceeding from the scroll of life. He saw a huge

red dragon with seven crowned heads and ten horns having no crowns. In the generation of old Aaron and old Moses, the ways of this dragon represented the mind of Pharaoh, which was also adopted by the rebellious leaders of the Israelites living in Goshen of Egypt. The dragon's red color refers to the red color of old Egypt's soil along the Egyptian "Red" Sea. Within this red dragon's (old Egypt's) land was the nation of Israel situated in the land of Goshen. Two main tribes – Judah and Joseph – were of the body (land) of this red dragon (Israelite's nation in Goshen). Among these two main tribes were situated the other ten tribes; hence, the ten horns of the red dragon (old Egypt).

When the tribes of Israel were following the word of Elohiym's living messenger, they are of the woman (new Jerusalem). However, if they rejected a living messenger's words – even though they continued to follow the words of past prophets/messiahs – then they had the same mind as Pharaoh in regards to not accepting the two witnesses' new present truth as revealed by a living messenger.

Revelation 12:4 And HIS {Pharaoh's way of thinking that was also in the minds of the great red dragon/nation of Israel in Goshen} ***TAIL drew the THIRD PART*** {one part/a third} ***of*** {each star of} ***the*** {twelve} ***STARS*** {which are upon the faithful woman's crown} ***of***

HEAVEN {the massive fiery whirlwind/new Jerusalem that reaches to heaven/sky}, **and did CAST THEM** {the rebellious people who adopted the mind of Pharaoh} **to the EARTH** {being outside new Jerusalem, that reaches to heaven}: **and the DRAGON** {nation of Israel in Goshen fulfilling the mind of Pharaoh} **stood before the WOMAN** {faithful Israelites spiritually dwelling upon the top of the whirlwind of fire/new Jerusalem, whose top is the sea of glass} **which was READY to be DELIVERED, for to DEVOUR HER CHILD** {in the past type representing the baby male child Moses just before he was about to be born, but in our day representing the spiritual birth (Lamb) of the latter day messenger's new message that was about to be spiritually born/dawn from beneath the first seal} **as SOON as it was BORN** {dawning light/Lamb/message when it was about to be spiritually born in the latter days}.

In the past type, Pharaoh's ideals (way of thinking) was enforced by the Israelite nation, illustrated by a great red dragon with seven crowned heads and ten horns. Pharaoh ordered all the Hebrew midwives in Goshen to kill all male children, as soon as they were born. The midwives, being of the righteous faithful Israelites spiritually dwelling upon the high whirlwind of fire (woman/new Jerusalem), defied Pharaoh and let the male children live (see Exodus 1:15-19). They knew that God (one like the son of man/first and last/beginning and end) wanted the

Israelite nation to increase, whereas Pharaoh wanted the Israelites to decrease in number. Because of Pharaoh's decree that the midwives must remove and kill all the newly born male babies, the pregnant Israelite women were travailing to bring forth their male babies – including that generation's male redeemer/old Moses – as soon as they were born. The midwives' mind was of the faithful Israelites that were not deceived by the red dragon's (rebellious Israelites') tail (ways/ideals). One part (a third part) of each of the twelve stars (twelve tribes) of the woman (equated with new Jerusalem) in Goshen agreed to the ideals of the dragon (Israel's nation), that was enforcing pharaoh's laws. Accordingly, they were deceived by the tail (ideals/ways) of the red dragon (rebellious nation of Israel in Goshen), since they were in agreement with the mind of Pharaoh.

In our day, the dragon's way of thinking was ready with its words to kill (devour) latter day Moses' new message (Lamb), as soon as the new message was ready to be spiritually born from beneath the first of seven seals, that were around the rolled-up scroll of life. After latter day Elijah's (former messenger's) death, the dragon's way of thinking was revealed through people living in the USA including people of latter day Elijah's (former messenger's) church. These people stood ready to denounce and kill the two witnesses' new present truth message (hence, Lamb/birth of the man child) that

claimed inspiration above the former messenger. These rebellious people caused some of the faithful believers, who were previously dwelling upon the sea of glass of the high fiery whirlwind (woman/new Jerusalem, equated with Eden), to be cast down by accepting the dragon's way of thinking.

Revelation 12:5 And SHE {new Jerusalem that, in our day, represented the faithful members of the former church of latter day Elijah/former messenger} **brought forth a MAN CHILD** {representing the dawning message/Lamb revealed from beneath the first of seven seals that were around the rolled up scroll of life. In the past, this Lamb represented the message that Moses received at the burning tree before Moses presented the message of God to Pharaoh before the Exodus}, **who WAS to rule ALL NATIONS** {Was to rule all nations after latter day Babylon's first reigning period. In the past type, old Moses was to rule all nations of old Canaan after the fulfillment of the angel of death} **with a ROD OF IRON** {which, in our day, represents the visions and oracles written on the scroll of life's first side that reveal the end of latter day Babylon's/spiritual Canaan's reign in the land. In the past type, the rod of iron represented Elohiym's words spoken by old Moses concerning the overthrow of the Canaanites}: **and HER CHILD** {representing the new message of latter day

Moses} *was CAUGHT UP* {arose after latter day Babylon's first reigning period ended, as recorded by a vision and oracle at the beginning of the seventh seal of the scroll of life} *unto God* {God the father/visions and oracles written on the last small part of the seventh part of the scroll of life's first side}, *and to his THRONE* {sitting and reigning during the judgment on the throne (equated with the Ark of the testament) over the lava covered dissolved kingdom of latter day Babylon}.

In the past type, Moses' mother was of the woman (new Jerusalem/high mountain) who was able to give birth and life to the man child Moses, even though the dragon (nation of Israel) was fulfilling Pharaoh's decree that every male baby (man child) must be killed, which the rebellious Israelites accepted. In the latter days, people that were of the former latter day messenger's (latter day Elijah's) church, and others, believed the new dawning message (man child/Lamb) that latter day Moses revealed from beneath the first seal. Thereby, these people are illustrated as being of the righteous woman (church/new Jerusalem) that gave spiritual birth (man child) and life to the dawning message of the two witnesses' new present truth message, as revealed by the latter day living messenger.

Old Moses revealed Elohiym's word to Pharaoh. His words concerned the Israelites being released from bondage to leave Egypt and inherit the promised land of

Canaan, which was very close to Goshen. Old Moses prophesied of the plagues that were inflicted on old Egypt. After the final plague of the angel of death (equated with Abaddon) passed through the land of Egypt and slew all the firstborn in houses that had not the destroyer's mark of lamb's (or kid-goat's) blood on the door frames of their houses, Pharaoh allowed old Moses and all the Israelites to leave Egypt to enter the nearby land of Canaan. Moses had promised the Israelites that they would inherit the land of Canaan after they left Goshen. However, that promise was delayed because Elohiym wanted to test the Israelites by leading them away from the promised land of Canaan (which was near Goshen of Egypt) and, after crossing the Red Sea, into the wilderness before the Israelites could take the shortest route from Goshen to enter the promised land of Canaan. Accordingly, all the nations in the land of old Canaan were not ruled with an iron rod at that time by the Israelites.

Latter day Moses revealed to his apostles his new message from beneath the first seal. Thereafter during latter day Babylon's first reigning period, the daily new message was rejected by the USA (false prophet) and allied nations. Throughout latter day Babylon's first reigning period, latter day Moses revealed to the kingdom of latter day Babylon the dawning visions and oracles that are written beneath six seals of the scroll of life. Three and a half days before latter day Babylon's first reigning period ended,

these messages that dawned from beneath six seals were lying dead and totally rejected by the kingdom of latter day Babylon. Three and a half (3½) days later, the dead message beneath the sixth seal rose to life, as the message beneath the seventh seal began to be understood. Instead of latter day Babylon's kingdom falling according to the visions and oracles of four riders and their white, red, black, and pale horses, the four angels (four riders) were holding back the four winds (representing the white, red, black, and pale horses) from overthrowing latter day Babylon's first reigning period. Thereby, more time was allowed to gather and then seal the latter day people of the 144,000 in their foreheads before latter day Babylon's final (third) reign over the beast (kingdom) ends by the temporary opening of the super volcano at the end of the sign of Jonah

When latter day Babylon's first reigning period ended, it did not end by the temporary explosion of the super volcano. Accordingly, latter day Moses' message (man child/Lamb) concerning the super volcano opening to cause the downfall of latter day Babylon's first reigning period was not fulfilled. As the events were happening from the time latter day Moses' message (man child/Lamb) dawned from beneath the first seal through to the time when latter day Babylon's first reigning period ended were written on the initial six parts (beneath six seals) of the scroll of life's first side. The last small part to

be written at the end of the sixth seal is illustrated in Revelation 12:5 by the man child (Lamb) being caught up (returning) to his throne in heaven. Heaven refers to the sea of glass (sheet of hail) of new Jerusalem's top where the judgment is taking place.

Revelation 12:6 And the WOMAN {representing new Jerusalem of whom the first group of redeemed are written as believers on new Jerusalem's spiritual foundations, just as they are written as believers beneath six seals of the scroll of life's first side} **FLED** {in the past type, the faithful Israelites fled Goshen and crossed the Red Sea} **into the WILDERNESS, where she hath a place prepared of God** {Elohiym/first and last/beginning and end}, **that THEY** {two witnesses' written visions and oracles} **should FEED** {with revealed words/spiritual manna baked into spiritual unleavened bread/message of the visions and oracles written on six of the seven angels with trumpets} **HER** {new Jerusalem's foundations equated with the first group of redeemed} **THERE** {in the wilderness} **a THOUSAND TWO HUNDRED and THREESCORE DAYS** {the woman was in the spiritual wilderness for 1260 days during latter day Babylon's second reigning period}.

In the past type, the adult Israelites (woman/new Jerusalem's foundations) fled from Goshen in old Egypt

during the Exodus, crossed the Red Sea, and entered the literal wilderness of Zin. While they were in the wilderness, they ate literal manna baked into unleavened bread. Old Moses was leading the Israelites through the wilderness as they journeyed to the promised land of Canaan.

In our day, the believers (represented by the woman/new Jerusalem's foundations) were led by latter day Moses through the spiritual wilderness during latter day Babylon's second reigning period. While they were in the spiritual wilderness for 1260 days, they were spiritually fed with the visions and oracles written on six of seven angels with trumpets. The written words pertaining to these visions and oracles are as spiritual manna. When these written visions and oracles were revealed by latter day Moses, they were as six white unleavened loaves made with spiritual manna.

Revelation 12:7 And there was WAR in HEAVEN

{heaven refers to the sea of glass where the judgment is revealing the visions and oracles written on the scroll of life}: ***MICHAEL*** {first witness'/Michael's visions and oracles} ***and his ANGELS*** {being the seven plagued angels, that begin from the time of the massive earthquake-causing eruption of ejected coals of fire, erupting smoke and ash for five months, anarchy, famine.

Followed by another even greater earthquake-causing eruption of coals of fire, fiery whirlwinds, and streams of the lake of fire/lava flowing down from the lifted-up to heaven immense mouth of the super volcano} ***fought against the DRAGON*** {dragon/kingdom of latter day Babylon/spiritual Canaan/USA and allied nations}; ***and the DRAGON*** {kingdom/beast of latter day Babylon/spiritual Canaan} ***FOUGHT*** {in an attempt to survive in the land} ***and HIS*** {dragon's/seven-headed ten-horned beast dwelling in latter day spiritual Canaan} ***ANGELS*** {being the leaders/messengers of latter day Babylon's nations},

Revelation 12:7 is revealing the war that took place between Michael's (God the father's) visions and oracles written on the last small part of the seventh part of the scroll of life's first side, that reveal his seven plagued angels that fought with the kingdom of latter day Babylon. These seven plagued angels are equated with the massive earthquake-causing explosion of the super volcano, as smoke and ash erupt for five months. During those months, the torments of anarchy, famine, and darkness plague the land. After five months of erupting smoke and ash, another even greater earthquake-causing eruption of the swelled to heaven super volcano (Rock/Abaddon) brings death by the eruption of coals of fire with great hailstones, fiery whirlwinds, and an overflowing lake of lava, that war with the USA, surrounding nations, and

then all nations of the world. The USA's states and allied nations are likened to the nations that dwelt in the promised land of old Canaan.

During the time when the everlasting gospel is being proclaimed to all nations, a massive explosion of the top of the super volcano causes a great earthquake to open the bottomless pit, as smoke and ash erupt for five months to torment the USA and surrounding nations with anarchy and famine. After the five months of erupting smoke and ash, the Rock/Abaddon will have risen to heaven from the bottomless pit to sit and reign on the throne of intense light above the swelled to heaven super volcano (full of a lake of fire) when the ending of the sixth plagues angel is being fulfilled while the seventh plagues angel is beginning. At that time, a great fiery whirlwind (equated with new Jerusalem/woman in heaven) materializes around the huge mountain of the lifted-up to heaven super volcano, full of a lake of fire. After all the redeemed have entered new Jerusalem's ensign of intense light, thereafter the seventh plagues angel begins being fulfilled when the swelled to heaven super volcano (full of a lake of fire) explodes again but with an even greater earthquake-causing eruption such as never happened, as the lake of fire begins to overflow and spread throughout the land. When the seventh plagues angel is being fulfilled, it causes all seven plagues angels to be fulfilled at the same time. Accordingly, the angel of death (the Rock/Abaddon)

brings death by ejected coals of fire, great hailstones, darkness, anarchy, famine, thousands of manifesting fiery whirlwinds, and by the spreading lake of lava, that war with the USA, surrounding nations, and then all other nations, kindreds, tongues, and tribes of the world.

Daniel 12:1 *And at that time shall MICHAEL* {visions and oracles written on the last small part that reveal the time when the seven plagued angels begin to be fulfilled} *STAND UP* {resurrects to life from the bottomless pit/super volcano}, *the GREAT PRINCE* {the rising Rock/Abaddon} *which STANDETH* {awakens} *for the CHILDREN* {great multitude/third group of redeemed} *of THY* {living messenger's} *PEOPLE* {overcomers that are the first group and second group of redeemed}: *and there SHALL BE* {from the time the super volcano explodes with a massive earthquake and begins erupting smoke and ash as it swells/stands to heaven} *a TIME OF TROUBLE, SUCH AS NEVER WAS* *since there was a nation even to that same time: and at that time THY* {Daniel who is equated with the latter day messenger} *PEOPLE* {three groups of redeemed} *shall be DELIVERED* {when they travel to and thereafter enter the ensign of intense light during the terrible time of trouble}, *every one that shall be FOUND WRITTEN* {as an overcomer of their old beliefs} *in the BOOK* {last book/scroll of life}.

Revelation 19:14 *And the ARMIES* {of ejected coals of fire and great hailstones equated with the redeemed}

which were in HEAVEN {sky} followed HIM {the risen Rock/Abaddon that burst as magma from the swelled to heaven super volcano} upon WHITE HORSES {equated with the wind that carries the great hailstones/riders}, clothed in FINE LINEN {equated with the bright white light/visions written on the seventh plagued angel/last small part}, white and clean.

Joel 2:5 *Like the noise of chariots on the tops of mountains shall THEY {flowing rivers of fire/lava spreading from the lake of fire} leap, like the noise of a flame of fire that devoureth the stubble, as a strong people set in battle array.*

Joel 2:11 *And the LORD {the Rock/Abaddon/super volcano} shall utter his VOICE {the voice/sound of the swelled to heaven super volcano's massive explosion into the sky with a great sound of thunder} before his ARMY {of flowing lava}: for his CAMP {huge 40-mile wide mouth of the swelled to heaven bottomless pit} is VERY GREAT {immense}: for HE {the Rock/Abaddon/super volcano} is strong that executeth his word: for the DAY {when the swelled to heaven super volcano, full of a lake of fire, explodes} of the LORD {one like the son of man/first and last beginning and end} is great and very terrible; and who can abide it?*

Revelation 12:8 And prevailed not; neither was THEIR {USA's} place found any more in HEAVEN {being the area upon and around the swelled to heaven super volcano}.

In the past type, the armies of old Canaan were unable to prevail over the armies of Israel. Accordingly, the Canaanites were driven out from the land for the Israelites to inherit and dwell. In our day, the USA will be the first place that will not be able to prevail against the armies of heaven. During five months of erupting smoke and ash, all the redeemed will be traveling to the rising ensign. Thereafter when the super volcano has swelled to heaven and filled with a lake of fire while radiating an intensely bright light (ensign) and new Jerusalem (being an immense fiery whirlwind) has manifested around the swelled to heaven super volcano, then all the redeemed will enter into the intense light radiating from new Jerusalem. Then the swelled to heaven super volcano (full of a lake of fire) will explode with a massive earthquake-causing eruption such as never happened. Armies of exploded coals of fire with great hailstones, whirlwinds of fire, and rivers of lava overflowing from the immense lake of lava in the 40-mile wide mouth of the swelled to heaven super volcano will be overthrowing the USA, surrounding nations, and then all nations of the world. The intense heat of the flowing rivers of lava causes fiery whirlwinds (chariots of fire) to manifest with great

hailstones. From that time, the USA that was built up to the sky (heaven) will have been cast to the ground. The armies of ejected coals of fire with great hailstones, whirlwinds of fire, and spreading rivers of lava will drive out the USA, surrounding nations, followed by all nations of the world. When the world is covered by a lake of fire, then the latter day promised land of a new heaven and new Earth will replace the dissolved old heaven and old Earth.

Revelation 12:9 And the GREAT DRAGON {referring to latter day spiritual Canaan where the USA and surrounding nations are located} ***was CAST OUT*** {USA followed by the surrounding nations will be cast out of the spiritual land of latter day Canaan, where new Jerusalem will reign over the destroyed kingdom of latter day Babylon}, ***that OLD SERPENT*** {deceiving snake}, ***called the DEVIL*** {tempting devil}, ***and SATAN*** {adversary Satan}, ***which DECEIVETH*** {like a serpent/false prophet/USA} ***the whole world: HE*** {USA followed by the surrounding nations} ***was CAST OUT*** {from where the USA ruled over the nations} ***into the EARTH*** {land outside the USA and the surrounding nations}, ***and his ANGELS*** {rebellious leaders} ***were cast out with HIM*** {the leaders will be cast out with the USA and surrounding nations of the seven-headed dragon/beast/kingdom dwelling in latter day spiritual

Canaan}.

The vision in Revelation 12:9 is based on the past type where the Israelites traveled through the wilderness a second time to the border of Canaan. Then they entered Canaan and first warned the inhabitants of Canaan (beginning with Jericho) before they warred with the dragon (kingdom) of old Canaan and began to drive out the nations dwelling in the Canaanite kingdom (dragon), which was the old promised land for old Israel. In our day, before the warring with the latter day great dragon (being the USA and surrounding nations) begins, the everlasting gospel will be proclaimed to all nations to save a great multitude of people before the massive eruption causes smoke and ash to erupt for five months, followed by an even greater eruption that causes armies of ejected coals of fire with great hailstones, whirlwinds of fire, and rivers of lava to drive out the inhabitants of the land in the battle of Armageddon. Instead of the USA and surrounding nations occupying the land, new Jerusalem and the three groups of redeemed will inherit it and dwell therein forever.

The USA and its allies deceive the nations of the world into accepting what the USA envisions for the world's future, which is contrary to what the two witnesses have envisioned concerning this world ending up dissolved in an overflowing and spreading lake of lava. When the leaders of the USA and allies talk contrary to the two

witnesses' predictions written on the scroll of life, these leaders of the dragon are as a deceiving serpent, tempting devil, and adversary to peoples and nations of the world that do not accept what it (dragon/kingdom of latter day Babylon) has envisioned for the world's future.

The USA and surrounding nations will be first among all nations to be tormented from the time Michael (the Rock/Abaddon) begins to rise as a super volcano from the opened bottomless pit (super volcano) during five months of erupting smoke and ash. Some time after five months of erupting smoke and ash when rivers of lava begin moving through the land, the USA and surrounding nations will be first among nations to begin being killed (hence no longer functioning as a state or city), according to the two witnesses' written visions and oracles of four riders and four horses.

Revelation 12:10 And I heard a LOUD VOICE {which refers to the voice of the 144,000 fellowservants/elders} ***saying in HEAVEN*** {heaven is the sea of glass above the swelled to heaven super volcano where the judgment is taking place}, ***NOW*** {when the super volcano exploded with a massive earthquake-causing eruption with an immense sound of thunder/great trumpet, as smoke and begin ash erupting} ***is come SALVATION*** {for the three groups of redeemed}, ***and STRENGTH, and the***

KINGDOM {that begins overthrowing latter day Babylon's destroyed kingdom, just as the Israelites began overthrowing the nations of Canaan's kingdom} **of our GOD** {God the father/Michael/Rock/Abaddon equated with the visions and oracles written on the last small part of the seventh part of the scroll of life's first side}, **and the power of his CHRIST** {Lamb/Gabriel/God's son equated with the visions written on the first small part of the seventh part of the scroll of life's other side}: **for the ACCUSER** {false prophet/USA's leadership with its allied nations} **of OUR** {144,000/second group of redeemed} **BRETHREN** {latter day overcomers who are of the first group of redeemed} **is CAST DOWN** {by the great earthquake-causing eruption}, **which** {the USA's leadership and allied nations} **ACCUSED** {the accuser is the USA/Satan/adversary} **THEM** {latter day overcomers of the first group of redeemed} **before OUR** {second group of redeemed} **GOD** {God the father/Michael/Rock/Abaddon equated with the visions and oracles written on the last small part} **day and night** {when the everlasting gospel was being proclaimed prior to the time when the super volcano exploded with a massive eruption, that caused smoke and ash to erupt and darken the daylight}.

The 144,000 stand as elders during the judgment. In Revelation 12:10, these elders see a vision and hear an oracle proceed from the scroll of life's first side that shows

the super volcano exploding with a massive eruption, that causes smoke and ash to begin erupting, which lasts for five months. At that time, these elders declare with a loud voice that salvation and strength have finally arrived. They declare this because the USA's infrastructure is ruined. In that time, the rebellious people that rejected the everlasting gospel and remained in the USA having been deceived in accepting what the false prophet (USA's leadership and influential persons) was envisioning for the USA's and world's future begin being tormented by a great earthquake and ejected coals of fire, darkness, anarchy, and famine. After five months of erupting smoke and ash, all the redeemed enter new Jerusalem's ensign. Thereafter another vision and oracle is shown from the scroll of life pertaining to another massive explosion of the swelled to heaven super volcano (full of a lake of fire). This eruption is so immense that it causes a great earthquake such as never happened, as the lake of fire begins overflowing and spreading from the swelled to heaven super volcano to drive out the USA and surrounding nations from the land.

Prior to the super volcano swelling to heaven and exploding into the sky, the USA's leadership and allied nations were the accusers of the latter day brethren (of the first group of redeemed). These brethren will have been warning the USA, surrounding nations, and all nations of the world concerning the visions and oracles of the four riders and their white, red, black, and pale horses before

they issue from the bottomless pit (the Rock/super volcano). They will have been prophesying of the everlasting gospel to save a great multitude of people of all nations, kindreds, tongues, and people before the five months of smoke and ash began erupting from the super volcano.

From the day of new Pentecost to the time when smoke and ash begin to erupt, the latter day brethren will be prophesying the everlasting gospel to the USA, surrounding nations, and all nations. During that time, the brethren' accusers will be the leaders of the USA and allied nations because they do not like or accept the things that the brethren are prophesying regarding the four horsemen and their white, red, black, and pale horses. At the same time, the adversary of the four horsemen will be prophesying of what scientists, volcanologists, geologists, and others are testifying concerning the super volcano in the USA. The false prophet (USA's leadership) will be reassuring the people of the USA, nations, and peoples of the world that smoke and ash will not erupt from the super volcano in the USA to plague the land and world, as the false prophet (USA's leadership) quotes his experts (prophets: scientists, volcanologists, geologists, and others). These experts' findings will be prophesied by the false prophet (USA's leadership) and other leaders of allied nations to deceive many people in the USA and nations of the world, causing them to reject the everlasting

gospel. During each day and night that the brethren are prophesying that the super volcano will explode and erupt smoke and ash for five months from the super volcano and then erupt lava that covers the world, the false prophet and allied nations will be publicly accusing the brethren of trying to divide their nations and cause an exodus, while also advocating that the brethren's everlasting gospel is false.

Revelation 12:11 And THEY {first group of redeemed} ***overcame HIM*** {the dragon/kingdom dwelling in latter day spiritual Canaan} ***by the BLOOD*** {sacrifice and resurrection} ***of the Lamb*** {visions and oracles written on the first small part of the seventh part of the scroll of life's first side}, ***and by the WORD of THEIR*** {the latter day brethren's} ***TESTIMONY*** {prophesying of the four riders and their white, red, black, and pale horses exploding from the super volcano/the Rock}; ***and they LOVED NOT their LIVES unto the DEATH*** {the brethren are killed by the deceived rebellious people for proclaiming the everlasting gospel before the five months of torment begin. However, a great multitude made up of all nations, kindreds, tongues, and people will be saved by believing the everlasting gospel. The faithful dead that proclaimed the everlasting gospel can rest knowing that they will be resurrected at the massive explosion of the super volcano, so they can journey to the rising ensign and, thereafter,

enter new Jerusalem's ensign to play their part in the judgment and new heaven and new Earth.

Prior to the temporary eruption of the super volcano at the end of the sign of Jonah, the only way for the brethren to overcome the ideals (mark of the beast) that are promoted by the USA and its allied nations is through the message (Lamb) of latter day Moses. The lamb's blood represents the death of the visions and oracles written on the first small part (Lamb) that will seem to fail when, at the beginning of the sign of Jonah, a temporary eruption at the super volcano fails to cause the super volcano to continually erupt smoke and ash. However, three and a half days later at the end of the sign of Jonah, the blood (death) of the Lamb rises to life when the super volcano temporarily explodes again, as prophesied by the Lamb during the 1260 days. The fulfillment of the temporary eruption of the super volcano in the USA, at the end of the sign of Jonah, marks the time of the latter day resurrection for the righteous and rebellious of all generations.

Revelation 12:12 Therefore rejoice YE HEAVENS

{referring to new Jerusalem, which reaches to heaven as a huge fiery whirlwind around the high mountain of the super volcano, filled with an overflowing lake of fire},
and YE {three groups of redeemed} ***that dwell in THEM***
{the heavens of new Jerusalem/high mountain}. ***Woe to***

the INHABITERS {overcomers} *of the EARTH*
{representing the land of the USA} *and of the SEA*
{allied nations/kingdom of latter day Babylon}! *for the*
DEVIL {USA/false prophet/lamb-like beast} *is come*
down {based on the past type where after Israel's first
wilderness journey to Canaan, the rebellious Israelites
defied Moses, fought, and were defeated by Canaan's
armies. Then the defeated Israelite rebels returned back
down to the camp to tempt, as devils, Moses and the
faithful Israelites that were located to the east of the River
Jordan} *unto you, having GREAT WRATH, because HE*
{rebellious people in the USA equated with the rebellious
Israelites/dragon} *KNOWETH that HE* {latter day
dragon/USA and allied nations} *hath but a SHORT*
TIME {before being overthrown and removed from the
land}.

The verse in Revelation 12:12 is based on the past type.
After Israel's Exodus out of Egypt, the Israelites crossed
the wilderness and were camped to the east of the River
Jordan near the promised land of old Canaan. When the
rebellious armies of Israel entered Canaan and failed to
take the promised land, the rebellious armies of Israel
returned to the Israelite camp where old Moses and the
faithful people were camped to the east of Jordan.
Thereafter the rebellious leaders and rebellious people,
that had rejected Moses' instruction to not war with the

Canaanites, had great anger against Moses and the faithful Israelite people that remained with Moses. The faithful Israelites with Moses still held on to the belief that Elohiym would give them the promised land where the Canaanite nations were dwelling.

In the latter days, the spiritual Canaanites represent non believers who live in the USA and allied Christian nations. These people's ideals war with the predictions of latter day Moses and with the people that believe his message of the four riders and four horses. As latter day Moses' prediction concerning the super volcano exploding and erupting smoke and ash failed to happen and take the kingdom of latter day spiritual Canaan to begin the end of latter day Babylon's second reigning period, it was likened to the spiritual Canaanites' (USA's and allied nations') vision of this world's future overthrowing the predictions of latter day Moses. Accordingly, the latter day spiritual Canaanites still reign in the USA and allied nations. However, according to latter day Moses' renewed prediction, the explosion of the top of the super volcano (like a burning star) will cause a great earthquake to open the super volcano. This will begin the end of latter day Babylon's kingdom. Thereby, the latter day spiritual Canaanites know that according to latter day Moses' vision they have a short time remaining before the bottomless pit explodes and begins warring with them to drive them out of the latter day promised land.

Revelation 12:13 And when the DRAGON {referring to the rebellious Israelites who failed to take the land of old Canaan} *saw that he was CAST unto the EARTH* {cast to the ground/Earth by the armies of Canaan}, *he persecuted the WOMAN* {in the past type the woman is equated with the faithful Israelites that still believed old Moses' message of them inheriting the promised land} *which brought forth the MAN CHILD* {being old Moses in the past type}.

In the past type, there were influential people among the rebellious Israelites who persecuted the faithful people (equated with the woman) that had left old Egypt according to old Moses' message. These influential people (who were of the dragon's way of thinking) were among the rebellious people who were cast down by the Canaanites for attempting to take the promised land, even though old Moses warned the rebellious Israelites that they would be defeated. Thereafter, certain influential rebellious Israelites attempted to divide the faithful believers (represented by a woman) of old Moses' message by persecuting them with their hateful words (Numbers 14:45; 16:2, 13, 14). This is equated with latter day rebellious people who try and influence the believers of latter day Moses' message to forsake the idea of receiving the latter day promised land (USA and surrounding nations/spiritual Canaan), especially after the

prediction of the super volcano opening failed to happen after the first spiritual wilderness journey during latter day Babylon's second reigning period.

Revelation 12:14 And to the WOMAN {new Jerusalem's foundations/apostles/first group of redeemed} ***were given two wings of a great eagle, that she might FLY*** {as a whirlwind} ***into the WILDERNESS*** {a second time in the spiritual wilderness}, ***into her*** {previous} ***place, where she is NOURISHED*** {with the predictions/spiritual manna of six of seven visions and six of seven thunders of the seventh angel with trumpet} ***for a time, and times, and half a time*** {second spiritual wilderness journey of 1260 days during latter day Babylon's third reigning period}, ***from the face of the SERPENT*** {spiritual Canaan/USA}.

During latter day Babylon's third reigning period, the apostles of latter day Moses are again in the spiritual wilderness for 1260 days, spiritually eating the manna (manna represents words written on six of seven visions and six of seven thunders of the seventh angel with trumpet) baked into unleavened spiritual bread. Unleavened bread represents latter day Moses' interpretation of the six visions and six thunders written on the seventh angel with trumpet. In the time of the second spiritual wilderness, the latter day apostles (being

of new Jerusalem's foundations) must bring forth their spiritual children that mature during the second spiritual wilderness journey. These latter day spiritual children will then be the walls of the woman/new Jerusalem) and are of the 144,000 spiritual children (firstfruits) of all generations.

In the past type, the Israelites again wandered through the wilderness but for 40 years. In that time, the adult Israelites were sustained with manna that was ground and baked into unleavened bread. Throughout their 40-year journey in the wilderness, the children (equated with the second group of redeemed) of the Israelites also ate of the same bread as they matured to adults.

Revelation 12:15 And the SERPENT {being the USA and allied Christian nations in the latter days} ***cast out of his MOUTH WATER*** {representing words} ***as a FLOOD*** {pertaining to what the serpent envisions for its and the world's future} ***after the WOMAN*** {new Jerusalem}, ***that he might cause her to be carried away of the FLOOD.***

In our day, the serpent pertains to the deceptions that proceed from the leaders of the USA and allied Christian nations according to what the USA's leadership envisions for the world's future. Out of the serpent's (snake's) mouth proceeds its ideals, which are contrary to the written

visions and oracles (spiritual manna baked into bread) with which the woman (new Jerusalem) is sustained. While the woman is in the spiritual wilderness for a second time, words (waters) of deception will attempt to cause the people with latter day Moses to lose faith and abandon the predictions concerning the prophecies of the four horsemen riding their white, red, black, and pale horses.

In the past type, after the Israelites failed to take the promised land of old Canaan, influential people among the Israelite congregation spoke their words (unclean waters) in an attempt to cause the congregation to abandon old Moses and his promise of them receiving the promised land of Canaan. These people's way of thinking was of the serpent (deceiver), which had the same mind as the people in old Canaan (dragon) who also wanted the Israelites to disperse and reject old Moses' promise of the Israelites inheriting Canaan.

Revelation 12:16 And the EARTH {land} helped the WOMAN {new Jerusalem}, and the EARTH {land} OPENED her MOUTH {hence, at the end of the sign of Jonah, the super volcano temporarily opens its mouth with a massive eruption in the USA }, and swallowed up the FLOOD {hateful and deceptive words} which the DRAGON {deceived people} cast out of his MOUTH

{by speaking against the two witnesses' predictions during the 1260 days before the sign of Jonah}.

Three and a half days after the sign of Jonah, the super volcano will temporarily open with an eruption. This is equated with the Earth (land) opening her mouth. At that time, the deceptive words (unclean waters) that leaders, spokes persons, and many others said in contradiction to the two witnesses prophesying for 1260 days of their visions and oracles of the four riders on their white, red, black, and pale horses will be swallowed by the temporary opening of the super volcano's mouth.

The rebellious spiritual Canaanites (being the USA and allied Christian nations) that reject latter day Moses' message will have chosen to totally reject the two witnesses' visions and oracles during the sign of Jonah. These rebellious people will have been deceived by the words of the USA's (spiritual Sodom's) leadership, spokespersons, and other nations' leaders. These rebellious leaders will be saying to their nations that all is peace and safety and the people can continue buying and selling as normal during the sign of Jonah. The latter day apostles and disciples who recognize the sign of Jonah as being of the two witnesses' predictions will have the mark/seal (seventh seal) of God (the Rock/Abaddon) written on the front (forehead) of their mind. All the other people in the USA and its allied Christian nations will be merry (spiritually drinking and drunk) on what the false prophet

(USA) envisions (spiritual wine) for the world, which is the mark (beliefs/ideals on the front of their minds) of the latter day Babylonian beast.

In the past type, after the Israelites failed to take the land of Canaan, rebellious influential people of Israel spoke words (spiritual waters) of deception that attempted to cause the Israelite congregation (represented by the woman) to disperse (be carried away of these waters) and forsake old Moses and his promise of them inheriting the promised land of old Canaan. According to the prediction of old Moses, the ground (Earth) opened her mouth and swallowed these rebellious influential people and their words (unclean waters) of deception (see Numbers 16:31, 32, 33). Then coals of fire fell upon the rebellious elders (Numbers 16:35). On the following day, the people still murmured against Moses and Aaron. Accordingly, Elohiym caused a plague to kill over fourteen thousand rebellious people among the Israelite congregation (see Numbers 16:47). This helped the remaining Israelite congregation to continue believing old Moses' prediction of them inheriting the promised land of old Canaan.

In Job 40:15-24, it describes a figurative land animal that is referred to as Behemoth. Behemoth personifies the land itself. When the super volcano explodes with a massive earthquake-causing eruption, Behemoth will be terribly awakened. A great earthquake is equated with Behemoth shaking her body/crust of the Earth. It states in Job 40:23

that Behemoth can draw the waters of Jordan into her mouth. This refers to the quaking-ground opening to drink the waters of a river (see Revelation 12:16). Only the Lord's (one like the son of man/first and last/beginning and end/God the father and son of God) sword of flowing lava can dissolve the land (see Job 40:19).

Job 40:15 *Behold now BEHEMOTH {being the fractured crust of the earth}, which I made with thee; HE {Earth's fractured crust/tectonic plates} EATETH GRASS {when the land opens its mouth} as an ox.*

Job 40:19 *He {tectonic plates that create earthquakes} is the chief of the ways of God {one like the son of man/first and last/beginning and end/God the father and son of God}: HE {one like the son of man/first and last/beginning and end/God the father and son of God that replay/recreate the things that existed and happened in each generation} that made HIM {Behemoth} can make his SWORD {of flowing lava} to approach unto HIM {fractured crust/tectonic plates of land}.*

Job 40:23 *Behold, he drinketh up a river, and hasteth not: he trusteth that he can draw up Jordan {River Jordan} into his MOUTH {when the land/Behemoth opens its mouth and drinks up a river}.*

Job 41:1 *Canst thou draw out LEVIATHAN {representing the great sea} with an hook? or his tongue with a cord*

which thou lettest down?

In Job 41:1-34, it describes a figurative sea-dwelling animal, which is referred to as Leviathan. In the past type, Leviathan personified the Great Sea (Mediterranean Sea). When the super volcano explodes with a massive earthquake-causing eruption, great ground-splitting earthquakes under the oceans will terribly awaken Leviathan (see Job 41:12, 33). Lava will erupt from the sea floor to create hot bubbling steam rising up into the air, which are referred to as the sneezing of Leviathan. Lava shall erupt and create molten volcanic islands, which are as Leviathan's fiery eyelids and mouth (see Job 41:18, 19). The sharp and jagged rocks of reefs and coastlines are as the teeth of Leviathan. None can move the waters to reveal Leviathan's face beneath the deep (see Job 41:14). Only the Lord's (one like the son of man/first and last/beginning and end/God the father and son of God) sword of flowing rivers of lava from the immense mouth of the lifted-up to heaven super volcano can repay (destroy) Leviathan, as an overflowing lake of lava spreads throughout the world (see Job 41:11).

Revelation 12:17 And the DRAGON {kingdom of latter day spiritual Canaan} ***was wrath with the WOMAN*** {representing new Jerusalem's finished construction of her walls/second group of 144,000 redeemed built upon the

twelve foundations/first group of 12,000 redeemed}, ***and went to make war with the REMNANT*** {144,000} ***of HER*** {new Jerusalem's} ***seed, which keep the commandments*** {two witnesses' commandments written beneath four seals by the first witness and six seals by the last witness on the scroll of life's first side} ***of God*** {one like the son of man/first and last/beginning and end/God the father and son of God}, ***and have the TESTIMONY*** {written on the visions and oracles of seven angels with trumpets on the seventh part of the scroll of life's first side} ***of Jesus Christ*** {in the latter days referring to new Jesus Christ of new Jerusalem}.

In the past type, the rebellious Israelites (dragon) were of the same mind as the Canaanites. After the woman's (equated with new Jerusalem) 40-year wilderness journey, the adult Israelite congregation had returned to the land of old Canaan. Then there was war between the Canaanites and the matured male children of the Israelites. These matured male children (equated with the 144,000/second group of redeemed) of Israel (Israel is here equated with the first group of redeemed) kept in their hearts and minds old Moses' ten commandments and the written testimony of old Moses that were all placed in the golden Ark of the testament (equated with the visions and oracles written on the one like the son of man/first and last/beginning and end/God the father and son of God).

In our day, when the super volcano temporarily explodes in the USA at the end of the sign of Jonah, the nations of the latter day Babylonian beast will be angry. At the time when the everlasting gospel is being proclaimed by the remnant (144,000) of the woman's (new Jerusalem's) seed, they will have the visions and oracles that are written on the seventh light and seventh thunder of the seventh angel with trumpet. On this seventh light and seventh thunder is written the four laws and six laws beneath six seals, and the testimony written on seven angels with trumpets. These latter day laws and testimony will be in the minds and hearts of the spiritual children (who are represented by the walls of new Jerusalem) of the latter day woman (initially representing new Jerusalem's foundations that are equated with people gathered in spiritual Goshen). Accordingly, the 144,000 disciples (being assisted by the first group of redeemed) will spiritually war with the kingdom of latter day Babylon to convert a great multitude from all nations before plagues of exploding coals of fire, darkness caused by erupting smoke and ash, anarchy, and famine begin tormenting the USA and surrounding nations. Then when the super volcano explodes with a massive earthquake-causing eruption of coals of fire into the sky, the USA and surrounding nations will be tormented by the plagues. When the great multitude of all nations enter the ensign of new Jerusalem, then the 144,000 will have given spiritual birth to their

spiritual children (third/final group of redeemed).
