

## Chapter 12

**Revelation 12:1** *And there appeared a GREAT WONDER* {amazement} *in HEAVEN* {where the lifted-up to heaven super volcano is located}; *a WOMAN* {representing new Jerusalem that will be sitting and ruling over all the USA's destroyed states} *clothed with the SUN* {representing the spiritual sun's/last witness' light/visions written on the scroll of life's last side}, *and the MOON* {representing the spiritual moon's/first witness' light/visions written on the scroll of life's first side} *under her FEET* {because the spiritual moon is just below the seventh evening's westerly horizon at dusk/even while the spiritual sun is just below the easterly horizon at dawn/even, which is equated with the time when the seventh plagued angel is being revealed}, *and upon her HEAD* {representing the high mountain/super volcano within new Jerusalem} *a CROWN of TWELVE STARS* {the twelve stars represent the latter day new tribes of the first group/priests and second group/elders of redeemed on new mount Zion within new Jerusalem}:

In Revelation 12:1, the Apostle John was amazed (wondered) at an incredible vision that proceeded from the seventh plagued angel's visions and oracles. The vision was of a glorious-looking woman that represents new Jerusalem. A huge fiery whirlwind will manifest around the super volcano's lifted-up to heaven mountain (new

Mount Zion). Its immense mouth will be filled with an overflowing and spreading lake of fire. The height of this immense tornado of fire reaches up to the sky (heaven), see Ezekiel 1:4.

*Ezekiel 1:4* And I looked, and, behold, a **WHIRLWIND** {huge tornado of fire} *came out of the NORTH* {latter day Babylon}, *a great cloud, and a FIRE* {as it sucks up the flowing lava overflowing from the lifted-up to heaven super volcano, which is within the immense whirlwind} **INFOLDING ITSELF** {describing the way a whirlwind/tornado spins}, *and a BRIGHTNESS* {of intense light/ensign} *was about it, and out of the MIDST THEREOF* {where the mountain of the lifted-up to heaven super volcano is located} *as the COLOUR OF AMBER* {being the color of fiery lava}, *out of the midst of the fire.*

Revelation 12:1 is being revealed during the judgment. The seventh plagues angel is revealing what had already happened when a massive tornado of fire was surrounding the lifted-up to the sky super volcano. Three groups of redeemed had entered the light emanating from this whirlwind of fire to be living in the new heaven and new Earth, while at the same time they are around the seventh plagues angel's high and great white throne during the judgment.

In Revelation 12:1, it shows a woman reaching up to the sky (heaven) that represents new Jerusalem. She is clothed

with the sun's light because the spiritual sun's light (visions) is dawning from the easterly horizon. At the same time, the spiritual moon (first witness) is just below the westerly horizon at the time of the ending of the seventh evening at even/dawn. When this figurative moon is just below the westerly horizon at the ending of the seventh evening, it represents the time when the seventh plagued angel (equated with the last small part of the scroll of life) is being fulfilled.

In the vision of Revelation 12:1, New Jerusalem's (woman's) feet refer to her foundations that stand on the ground with the moon just below the ground at the westerly horizon, hence her feet, as it were, are standing on the figurative moon. The spiritual moon represents the first witness (Michael) that wrote on all seven parts of the scroll of life's first side. These seven parts of the scroll of life's first side are equated with seven evenings of a week. The spiritual sun represents the last witness (Gabriel) that wrote on all seven parts of the scroll of life's last side. These seven parts of the scroll of life's last side are equated with seven days of sunlight.

The head of the glorious woman in heaven represents the high mountain of the super volcano, which is equated with the inner court and temple of the sanctuary. On this high mountain, the first group of redeemed officiate as priests in the holy place of the heavenly sanctuary. Also on this mountain, the second group of redeemed officiate as

elders (144,000) in the inner court of the heavenly sanctuary.

The twelve stars on the crown upon the woman's head represent the new twelve tribes of the first group and second group of redeemed. Initially, the twelve stars are of the first group of redeemed as they journey through two wilderness periods. Then after the first group of redeemed has given spiritual birth to their spiritual children (who are of the second group of redeemed that mature at the end of the second spiritual wilderness journey), then these spiritual children that matured to spiritual adults are then also of the twelve stars (twelve new tribes) of the woman (new Jerusalem) in heaven.

\*\*\*\*\*

**Revelation 12:2 And SHE** {she/new Jerusalem represents the three groups of overcomers of all generations. During a past generation, the woman represented the Israelites living in Goshen of old Egypt} **being with CHILD** {in the latter days the child represents the spiritual birth of latter day Moses' dawning/Lamb message. In the past type, the child represented the literal birth of old Moses in Goshen of old Egypt} **cried, TRAVAILING IN BIRTH** {travailing in the latter days to give spiritual birth to the latter day living messenger's message, just as the old Israelites in Goshen travailed in bringing forth their male children},

***and PAINED to be DELIVERED.***

In the past type, the Israelites in Goshen pained in delivering their newly born male babies because Pharaoh's decree ordered all male babies be killed as soon as they were born. Among these male babies was born old Moses. This is equated with the latter day faithful church members who were in spiritual labor pains to accept latter day Moses' newly born dawning message concerning the super volcano exploding in the USA causing the bottomless pit (super volcano) to open and erupt smoke and ash for five months. After AD 90, the next living messenger's message was always spiritually born (manifested) from the church that was established by the previous deceased anointed messenger.

\*\*\*\*\*

***Revelation 12:3 And there appeared ANOTHER WONDER in HEAVEN*** {this heaven refers to the great and high whirlwind of fire equated with new Jerusalem/woman in heaven}; ***and behold a GREAT RED*** {red color of Egypt's soil} ***DRAGON*** {representing the rebellious Israelites dwelling in Goshen, but in our day represents the rebellious states of the USA and allied nations in agreement with what the the USA's ruling capital envisions for the world's future}, ***having SEVEN HEADS*** {based on a past type when the old Promised Land was divided into seven parts with each part having a

head/ruling capital} *and TEN HORNS* {ten tribes/horns had to leave old Egypt and be situated in the land of old Canaan within two tribes/two kingdoms of the seven divided parts of Canaan. Then the ten horns were reigning/crowned in the Promised Land of Canaan}, *and SEVEN CROWNS* {seven ruling capitals} *upon HIS* {red dragon's/old Egypt's} *HEADS*.

The Apostle John saw another amazing (wonder) vision proceeding from the scroll of life. He saw a huge red dragon with seven crowned heads and ten horns having no crowns. In the generation of Aaron and old Moses, the ways of this dragon represented the mind of Pharaoh, which was also adopted by the rebellious leaders of the Israelites living in Goshen of Egypt. The dragon's red color refers to the red color of old Egypt's soil along the Egyptian "Red" Sea. Within this red dragon's (old Egypt's) land was the rebellious nation of Israel situated in the land of Goshen. Two main tribes – Judah and Joseph – were of the body (land) of this red dragon (Israelite's nation in Goshen). Among these two main tribes were situated the other ten tribes; hence, the ten horns of the red dragon (old Egypt).

When the tribes of Israel were following the word of Elohiym's living messenger, they are of the woman (new Jerusalem). However, if they rejected a living messenger's words – even though they continued to follow the words of past prophets/messiahs – then they had the same mind

as Pharaoh in regards to not accepting the two witnesses' new present truth as revealed by a living messenger. This is also the case when people living in the USA's states and allied nations reject latter day Moses' message, which reveals the two witnesses' present new truth from the scroll of life.

\*\*\*\*\*

***Revelation 12:4 And HIS*** {Pharaoh's way of thinking that was also in the minds of the great red dragon/nation of Israel in Goshen} ***TAIL drew the THIRD PART*** {one part/a third} ***of*** {each star of} ***the*** {twelve} ***STARS*** {which are upon the faithful woman's crown} ***of HEAVEN*** {the whirlwind/new Jerusalem that reaches to heaven/sky}, ***and did CAST THEM*** {the rebellious people who adopted the mind of Pharaoh} ***to the EARTH*** {being outside the high mountain/new Jerusalem in heaven}: ***and the DRAGON*** {nation of Israel in Goshen fulfilling the mind of Pharaoh} ***stood before the WOMAN*** {faithful Israelites spiritually dwelling within the high whirlwind of fire/new Jerusalem that reaches to the sky} ***which was READY to be DELIVERED, for to DEVOUR HER CHILD*** {in the past type representing the baby male child Moses, but in our day representing the spiritual birth (Lamb) of the latter day messenger's new message dawning from beneath the first seal} ***as SOON as it was BORN*** {dawning light/Lamb/message spiritually born in the latter days}.

In the past type, Pharaoh's ideals (way of thinking) was enforced by the Israelite nation, illustrated by a great red dragon with seven crowned heads and ten horns. Pharaoh ordered all the Hebrew midwives in Goshen to kill all male children, as soon as they were born. The midwives, being of the righteous faithful Israelites spiritually dwelling within the high whirlwind of fire (woman/new Jerusalem), defied Pharaoh and let the male children live (see Exodus 1:15-19). They knew that God (seventh plagues angel) wanted the Israelite nation to increase, whereas Pharaoh wanted the Israelites to decrease in number. Because of Pharaoh's decree that the midwives must remove and kill all the newly born male babies, the pregnant Israelite women were travailing to bring forth their male babies – including that generation's male redeemer/old Moses – as soon as they were born. The midwives' mind was of the faithful Israelites that were not cast down from new Jerusalem by the red dragon's (rebellious Israelites') tail (ways/ideals). One part (a third part) of each of the twelve stars (twelve tribes) of Israel in Goshen agreed to the ideals of the dragon (Israel's nation), that was enforcing pharaoh's laws. Accordingly, they were spiritually cast out by the high fiery whirlwind (new Jerusalem) by the tail (ideals/ways) of the red dragon (rebellious nation of Israel in Goshen), since they were in agreement with the mind of Pharaoh.

In our day, the dragon's way of thinking was ready with

its words to kill (devour) latter day Moses' new message (Lamb), as soon as the new message was ready to be spiritually born from beneath the first of seven seals that were around the rolled-up scroll of life. After latter day Elijah's (former messenger's) death, the dragon's way of thinking was revealed through people living in the USA including people of latter day Elijah's (former messenger's) church. These people stood ready to denounce and kill the two witnesses' new present truth message (hence, Lamb/birth of the man child) that claimed inspiration above the former messenger. These rebellious people caused some of the faithful believers, who were previously dwelling within the high fiery whirlwind (woman/new Jerusalem, equated with Eden) with the latter day messenger, to be cast down by accepting the dragon's way of thinking.

\*\*\*\*\*

***Revelation 12:5 And SHE*** {new Jerusalem that represented the faithful members of the former church of latter day Elijah that are now with the living latter day messenger} ***brought forth a MAN CHILD*** {representing the dawning message/Lamb revealed from beneath the first of seven seals that were around the rolled up scroll of life. In the past, this Lamb represented the message concerning the first sign that old Moses spoke to Pharaoh before the Exodus}, ***who WAS to rule ALL NATIONS*** {Was to rule all nations after latter day Babylon's first

reigning period. In the past type, old Moses was to rule all nations of old Canaan after the fulfillment of the angel of death} *with a ROD OF IRON* {which represents the scroll of life's written visions and oracles/rod that reveal the end of latter day Babylon's/spiritual Canaan's reign. In the past type, the rod of iron represented Elohiym's words spoken by Moses concerning the overthrow of the Canaanites}: *and HER* {woman's/ new Jerusalem's} *CHILD* {representing the new message of latter day Moses} *was CAUGHT UP* {arose after latter day Babylon's first reigning period ended, as recorded by a vision and oracle at the beginning of the seventh seal of the scroll of life} *unto God* {seventh plagued angel}, *and to his THRONE* {sitting and reigning on the great white throne over the dissolved lava covered former kingdom of latter day Babylon}.

In the past type, Moses' mother was of the woman (new Jerusalem/high mountain) that was able to give birth and life to old Moses, even though the dragon (nation of Israel) was fulfilling Pharaoh's decree that every male baby (man child) must be killed, which the rebellious Israelites accepted. In the latter days, people that were of the former latter day messenger's (latter day Elijah's) church, and others, believed the new message (Man Child/Lamb) that latter day Moses revealed from beneath the first seal. Thereby, these people are illustrated as being of the righteous woman (church/new Jerusalem) that gave

spiritual birth (man child) and life to the dawning message of the two witnesses' new present truth message, as revealed by the latter day living messenger.

Old Moses revealed Elohiym's word to Pharaoh. His words concerned the Israelites being released from bondage to leave Egypt and inherit the Promised Land of Canaan. Old Moses prophesied of the plagues that were inflicted on old Egypt. After the final plague of the angel of death passed through the land of Egypt and slew all the firstborn in houses that had not the mark of lamb's blood on the door frames of their houses, Pharaoh allowed old Moses and all the Israelites to leave Egypt to enter the nearby land of Canaan. Moses had promised the Israelites that they would inherit the land of Canaan after they left Goshen. However, that promise was delayed because Elohiym wanted to test the Israelites by leading them away from the Promised Land of Canaan (which was near Goshen of Egypt) and into the wilderness before the Israelites could take the shortest route to enter and rule Canaan. Accordingly, all the nations in the land of old Canaan were not ruled with an iron rod at that time by the Israelites.

Latter day Moses revealed to his apostles his new message from beneath the first seal. Thereafter during latter day Babylon's first reigning period, the Daily new message was rejected by the USA/false prophet and allied nations. Throughout latter day Babylon's first reigning period,

latter day Moses revealed to the kingdom of latter day Babylon the dawning visions and oracles that are written beneath six seals of the scroll of life. Three and a half days before latter day Babylon's first reigning period ended, these dawned messages beneath six seals were lying dead and totally rejected by the kingdom of latter day Babylon. Three and a half (3½) days later, the dead message beneath the sixth seal rose to life, as the message beneath the seventh seal began to be understood. Instead of latter day Babylon's kingdom falling according to the visions and oracles of four riders and their white, red, black, and pale horses, the four angels (four riders) were holding back the four winds (representing the white, red, black, and pale horses) from overthrowing latter day Babylon's first reigning period. Thereby, more time was allowed to gather and then seal the latter day people of the 144,000 in their foreheads before latter day Babylon's final/third reign ends by the opening of the super volcano, which continually erupts smoke and ash for five months.

When latter day Babylon's first reigning period ended, it did not end by the explosion of the super volcano. Accordingly, latter day Moses' message (man child/Lamb) concerning the exploding top of the super volcano opening the bottomless pit to overthrow and bring an end to latter day Babylon's first reigning period was not fulfilled. As the events were happening from the time latter day Moses' message (Man child/Lamb) dawned

from beneath the first seal through to the time when latter day Babylon's first reigning period ended were written on the initial six parts (six seals) of the scroll of life's first side and last side. The last small part to be written at the end of the sixth seal is illustrated in Revelation 12:5 by the man child (Lamb) being caught up (returning) to his throne in heaven. Heaven refers to the lifted-up to the sky super volcano filled with an overflowing lake of lava, above which the judgment is taking place.

\*\*\*\*\*

***Revelation 12:6 And the WOMAN*** {representing new Jerusalem of whom the first group of redeemed are written as believers on new Jerusalem's spiritual foundations, just as they are written as believers beneath six seals of the scroll of life's first side and last side} ***FLED*** {in the past type, the faithful Israelites fled Goshen and crossed the Red Sea} ***into the WILDERNESS, where she hath a place prepared of God*** {seventh plagues angel}, ***that THEY*** {two witnesses' written visions and oracles} ***should FEED*** { with revealed words/spiritual manna baked into spiritual bread/message of the visions and oracles written on six of the seven angels with trumpets} ***HER*** {new Jerusalem's foundations equated with the first group of redeemed} ***THERE*** {in the wilderness} ***a THOUSAND TWO HUNDRED and THREESCORE DAYS*** {the seventh angel with trumpet is revealing after latter day Babylon's second reigning period ended what

had happened during latter day Babylon's second reigning period while the woman was in the spiritual wilderness for 1260 days}.

In the past type, the adult Israelites (woman/new Jerusalem's foundations) fled from Goshen in old Egypt during the Exodus, crossed the Red Sea, and entered the literal wilderness of Zin. While they were in the wilderness, they ate literal manna baked into unleavened bread. Old Moses was leading the Israelites through the wilderness as they journeyed to the Promised Land of Canaan.

In our day, the believers (represented by the woman/new Jerusalem's foundations) were led by latter day Moses through the spiritual wilderness during latter day Babylon's second reigning period. While they were in the spiritual wilderness for 1260 days, they were spiritually fed with the visions and oracles written on the scroll of life's six of seven angels with trumpets. The written words pertaining to these visions and oracles are as spiritual manna. When these written visions and oracles were revealed by latter day Moses, they were as six white unleavened loaves made with spiritual manna.

\*\*\*\*\*

***Revelation 12:7 And there was WAR in HEAVEN***  
{heaven refers to the lifted-up to heaven super volcano,

around which new Jerusalem will be located}:  
**MICHAEL** {first witness'/Michael's visions and oracles}  
**and his ANGELS** {being the messages concerning  
ejected coals of fire, great hailstones, fiery whirlwinds,  
and lava flowing down from the lifted-up to heaven  
immense mouth of the super volcano} **fought against the**  
**DRAGON** {dragon/kingdom of latter day  
Babylon/spiritual Canaan/USA's states and allied  
nations}; **and the DRAGON** {kingdom/beast of latter day  
Babylon/spiritual Canaan} **FOUGHT** {in an attempt to  
survive in the land} **and HIS** {Michael's/first witness'}  
**ANGELS** {visions and oracles of the exploding super  
volcano, anarchy, famine, darkness, ejected coals of fire,  
great hailstones, fiery whirlwinds, and an overflowing and  
spreading lake of lava},

Revelation 12:7 is revealing the war that took place  
between Michael's visions and oracles written on seven  
angels on the scroll of life's first side. These visions and  
oracles reveal the time when the explosion of the super  
volcano, anarchy, famine, darkness, ejected coals of fire,  
great hailstones, fiery whirlwinds, and an overflowing  
lake of lava warred with the USA's states and allied  
nations. The USA's states and allied nations are likened to  
the nations dwelling in the Promised Land of old Canaan.  
The explosion of the top of the super volcano causes a  
great earthquake that opens the bottomless pit, as smoke  
and ash for five months torments the USA with anarchy ad

famine. Thereafter when the seventh plagued angel has risen as a great light with fire from the swelled to heaven bottomless pit and is sitting and reigning on the great white throne after six plagued angels are fulfilled, a great fiery whirlwind (equated with new Jerusalem/woman in heaven) materializes around the huge mountain of the lifted-up to heaven super volcano's mountain overflowing with a lake of fire. Great hailstones with many fiery whirlwinds, spawned from the great whirlwind, and the overflowing and spreading lake of lava from the super volcano in heaven will war with the USA's states and all nations allied with latter day Babylon's kingdom.

***Daniel 12:1** And at that time shall Michael {first witness' written visions and oracles of four riders and four horses} STAND UP {stand up/resurrect to life at the opening of the super volcano}, the GREAT PRINCE {equated with the bright star/spiritual moon} which standeth for the CHILDREN {great multitude/third group of redeemed} of THY {living messenger's} PEOPLE {overcomers that are the first group and second group of redeemed}: and there SHALL BE {after five months of smoke and ash} a TIME OF TROUBLE , SUCH AS NEVER WAS {from the time the seventh plagued angel rises as a great light with fire from the swelled to heaven super volcano} since there was a nation even to that same time: and at that time THY {Daniel's} PEOPLE {three groups of redeemed} shall be DELIVERED {to the ensign during the terrible time of*

trouble}, *every one that shall be FOUND WRITTEN* {as an overcomer} *in the BOOK* {last book/scroll of life}.

**Revelation 19:14** *And the ARMIES* {of great hailstones and whirlwinds equated with the redeemed} *which were in HEAVEN* {sky} *followed HIM* {the seventh plagued angel that burst as magma from the swelled up to heaven super volcano} *upon WHITE HORSES* {equated with the wind that carries the great hailstones/riders}, *clothed in FINE LINEN* {equated with the bright white light/visions of the seventh plagued angel}, *white and clean.*

**Joel 2:5** *Like the noise of chariots on the tops of mountains shall THEY* {flowing rivers of fire/lava spreading from the lake of fire} *leap, like the noise of a flame of fire that devoureth the stubble, as a strong people set in battle array.*

**Joel 2:11** *And the LORD* {seventh plagued angel} *shall utter his VOICE* {the voice/sound of the super volcano when it swells up to heaven and exploded magma into the sky with a great sound of thunder/great trumpet} *before his ARMY* {of flowing lava}: *for his CAMP* {huge 40-mile wide lava erupting mouth of the swelled to heaven bottomless pit} *is VERY GREAT* {immense}: *for HE* {seventh plagued angel} *is strong that executeth his word: for the DAY* {when the super volcano swells to heaven and explodes magma into the sky} *of the LORD* {seventh plagued angel} *is great and very terrible; and who can*

*abide it?*

\*\*\*\*\*

***Revelation 12:8 And prevailed not; neither was THEIR {USA's states} place found any more in HEAVEN {being the area on and around the lifted-up to heaven super volcano}.***

In the past type, the armies of old Canaan were unable to prevail over the armies of Israel. Accordingly, the Canaanites were driven out from the land for the Israelites to inherit and dwell. In our day, the USA's states will not be able to prevail against the armies of heaven. After five months of smoke and ash, the super volcano will swell to heaven and explode magma into the sky, Following the explosion of magma will be great hailstones, whirlwinds of fire, and the overflowing lake of lava from the lifted-up to heaven super volcano. The intense heat above and around the lifted-up to heaven super volcano will create 70 pound hailstones that rain upon the states of the fallen USA. From that time, the USA's states that were built up to the sky (heaven) will have been cast to the ground. The armies of heaven will drive out the USA's states while the redeemed enter new Jerusalem's light to dwell in the new promised land.

\*\*\*\*\*

***Revelation 12:9 And the GREAT DRAGON {referring to***

spiritual Canaan where the USA's land is located} **was CAST OUT** {USA followed by its allies cast out of the land where new Jerusalem reigns over the destroyed kingdom of latter day Babylon}, **that OLD SERPENT** {deceiving snake}, **called the DEVIL** {tempting devil}, **and SATAN** {adversary Satan}, **which DECEIVETH** {like a serpent/false prophet/USA} **the whole world: HE** {USA followed by its allies} **was CAST OUT** {from where the USA ruled over the nations} **into the EARTH** {land outside the USA and surrounding nations}, **and his ANGELS** {rebellious people} **were cast out with HIM** {cast out with the USA's states and allied nations, also known as the seven-headed beast/dragon}.

The vision in Revelation 12:9 is based on the past type where the Israelites traveled through the wilderness a second time to the border of Canaan. Then they entered Canaan and warred with the dragon (kingdom) of Canaan and began to drive out the nations dwelling in the Canaanite kingdom (dragon), which was the old Promised Land for old Israel. In our day, the warring with the latter day great dragon (being the USA and its allies) by the opened super volcano and the armies of smoke and ash begins 3½ days after the second spiritual wilderness journey, just as the old Israelites began overthrowing the kingdom (dragon) of Canaan after their second wilderness journey. Then when the super volcano swells to heaven and explodes magma into the sky and begins filling its

immense 40-mile wide mouth, great hailstones, fiery whirlwinds, followed by an overflowing lake of fire will drive out the states and allied nations from the latter day promised land in the battle of Armageddon. Instead of the USA's states and allied nations occupying the land, new Jerusalem and the three groups of redeemed will inherit it and dwell therein.

The USA deceives the nations of the world into accepting what it envisions for the world's future, which is contrary to what the two witnesses have envisioned concerning this world ending up dissolved in an overflowing lake of lava. When the USA's leadership talks contrary to the two witnesses' predictions written on the scroll of life, the USA's leadership is as a deceiving serpent, tempting devil, and adversary to peoples and nations of the world.

The USA's states will be first among nations being tormented from the time Michael's (first witness') visions and oracles of four riders and four horses resurrect with smoke and ash from the opened bottomless pit (super volcano). After five months of smoke and ash, the USA's states and cities will also be first among nations to begin being killed (hence no longer functioning as a state or city), according to the written visions and oracles of four riders and four horses when they are being fulfilled from the swelled to heaven exploded super volcano.

\*\*\*\*\*

**Revelation 12:10 And I heard a LOUD VOICE** {which refers to the voice of the 144,000 fellowservants/elders} **saying in HEAVEN** {above the lifted-up to heaven super volcano where the judgment is taking place}, **NOW** {when the super volcano swelled to heaven and exploded magma into the sky with an immense sound of thunder; at the same time there is a great earthquake such as never happened} **is come SALVATION, and STRENGTH, and the KINGDOM** {that replaces latter day Babylon's destroyed kingdom, just as the Israelites replaced Canaan's kingdom} **of our GOD** {seventh plagues angel}, **and the power of his CHRIST** {being the anointed message of the latter day messenger}: **for the ACCUSER** {false prophet/USA's leadership and its influential people} **of OUR** {144,000/second group of redeemed} **BRETHREN** {latter day overcomers who are of the first group of redeemed} **is CAST DOWN** {by the great earthquake such as never happened}, **which** {the USA's leadership and influential persons} **ACCUSED** {the accuser is the USA/Satan/adversary} **THEM** {latter day overcomers of the first group of redeemed} **before OUR** {second group of redeemed} **GOD** {seventh plagues angel} **day and night** {prior to the time when the super volcano swelled to heaven and erupted magma into the sky}.

The 144,000 stand as elders during the judgment. In Revelation 12:10, these elders see a vision and hear an oracle proceeding from the scroll of life that shows the

super volcano swelling up to heaven and exploding magma into the sky. This massive explosion causes a great earthquake such as never happened. Lava begins filling the immense 40-mile wide mouth of the lifted-up to heaven super volcano. A huge whirlwind of fire is created around the lava erupting high mountain of the super volcano, which spawns thousands of smaller whirlwinds around it. Great hailstones will be raining down upon the states of the USA, as lava begins to overflow from the swelled to heaven super volcano's immense mouth full of an overflowing lake of fire. At that time, these elders declare with a loud voice that salvation and strength have finally arrived. They declare this because the USA's infrastructure has been ruined. In that time, the rebellious people that rejected the everlasting gospel and remained in the USA having been deceived in accepting what the false prophet (USA's leadership and influential persons) was envisioning for the USA's and world's future are driven out of the land by whirlwinds of fire, hailstones, and the overflowing and spreading lake of fire.

Prior to the super volcano swelling to heaven and exploding magma, the USA's leadership and influential persons will have been the accuser of the latter day brethren (of the first group of redeemed). These brethren will have been warning the states of the USA concerning the visions and oracles of the four riders and their white, red, black, and pale horses before they issue from the

swelled to heaven exploded super volcano. They will have been prophesying of the everlasting gospel during the five months when smoke and ash are erupting from the super volcano.

During five months of erupting smoke and ash, when darkness is slowly spreading to cover the USA's states, the latter day brethren will be prophesying the everlasting gospel to the states of the USA prior to the super volcano swelling to heaven and exploding magma into the sky. During these five months of smoke and ash erupting from the super volcano, the brethren' accusers will have been the USA's leadership, influential people, and the deceived peoples of the USA. The brethren will be prophesying that the smoke and ash erupting from super volcano will thereafter swell to the sky and explode, as magma fills the immense mouth of the swelled to heaven super volcano to overflow and spread throughout the USA and world. At the same time the adversary will be prophesying of what volcanologists, geologists, and scientists are prophesying concerning the super volcano. The false prophet will be reassuring the people of the USA, nations, and peoples of the world that the smoke and ash erupting from the super volcano will soon end and not erupt lava that covers the land or world, as the false prophet (USA's leadership) quotes his experts (prophets: volcanologists, geologists, and scientists). These experts' findings will be prophesied by the false prophet (USA's leadership) to deceive many

people in the USA and nations of the world. During each day that smoke and ash are erupting from the super volcano, the false prophet will be publicly accusing the brethren of trying to divide the nation and causing an exodus, while also saying that the brethren' everlasting gospel is false.

\*\*\*\*\*

***Revelation 12:11 And THEY*** {first group of redeemed} ***overcame HIM*** {false prophet/USA's leadership} ***by the BLOOD*** {sacrifice and resurrection} ***of the Lamb*** {dead and resurrected message/Lamb of the latter day messenger}, ***and by the WORD of THEIR*** {the latter day brethren'} ***TESTIMONY*** {prophesying of the four riders and their white, red, black, and pale horses exploding from a swelled to heaven super volcano}; ***and they LOVED NOT their LIVES unto the DEATH*** {the death of an overcomer that is killed by the deceived rebellious people for proclaiming the everlasting gospel during the five months time of torment. A great multitude made up of all nations will be saved by believing the everlasting gospel. The faithful dead that proclaimed the everlasting gospel can rest knowing that they will be resurrected to play their part in the judgment and new Earth}.

The only way to overcome the ideals (mark of the beast) that are promoted by the USA is through the message (Lamb) of latter day Moses. The lamb's blood represents

the sacrifice and resurrection of the message that will seem to fail when an earthquake fails to cause the super volcano to continually erupt smoke and ash. However, three and a half days later, the blood (equated with the written words/blood of the message/Lamb) of the Lamb rises to life when the super volcano explodes, which will then continually erupt smoke and ash for five months.

\*\*\*\*\*

***Revelation 12:12 Therefore rejoice YE HEAVENS***

{referring to the new Jerusalem, which is equated with a huge fiery whirlwind around the high mountain of the super volcano filled with an overflowing lake of fire},  
***and YE*** {three groups of redeemed} ***that dwell in THEM***  
{the heavens of new Jerusalem/high mountain}. ***Woe to the INHABITERS*** {overcomers} ***of the EARTH***  
{representing the land of the USA} ***and of the SEA***  
{allied nations/kingdom of latter day Babylon}! ***for the DEVIL*** {USA/false prophet/lamb-like beast} ***is come down*** {based on the past type where after Israel's first wilderness journey to Canaan, the rebellious Israelites defied Moses, fought, and were defeated by Canaan's armies. Then the defeated Israelite rebels returned back down to the camp to tempt, as devils, Moses and the faithful Israelites that were located to the east of Jordan}

dragon/USA} *hath but a SHORT TIME* {before being overthrown}.

\*\*\*\*\*

The verse in Revelation 12:12 is based on the past type. After Israel's Exodus out of Egypt, the Israelites crossed the wilderness and were camped to the east of the River Jordan near the Promised Land of old Canaan. When the rebellious armies of Israel entered Canaan and failed to take the Promised Land, the rebellious armies of Israel returned to the Israelite camp where old Moses and the faithful people were camped to the east of Jordan. Thereafter the rebellious leaders and rebellious people, that had rejected Moses' instruction to not war with the Canaanites, had great anger against Moses and the faithful Israelite people. The faithful Israelites with Moses still held on to the belief that Elohiym would give them the Promised Land where the Canaanite nations were dwelling.

In the latter days, the spiritual Canaanites represent non believers who live in the USA. These people's ideals war with the predictions of latter day Moses and with the people that believe his message of the four riders and four horses. As latter day Moses' prediction concerning the super volcano exploding and erupting smoke and ash failed to happen and take the kingdom of latter day spiritual Canaan to begin the end of latter day Babylon's

second reigning period, it was likened to the spiritual Canaanites' (USA's and nations') vision of this world's future overthrowing the predictions of latter day Moses. Accordingly, the latter day spiritual Canaanites still reign in the USA and nations. However, according to latter day Moses' renewed prediction, the explosion of the top of the super volcano (like a burning star) will cause a great earthquake to open the super volcano. This will begin the end of latter day Babylon's third reigning period. Thereby, the latter day spiritual Canaanites know that according to latter day Moses' vision they have a short time remaining before the bottomless pit explodes and begins warring with them to drive them out of the latter day promised land.

***Revelation 12:13 And when the DRAGON*** {referring to the rebellious Israelites who failed to take the land of old Canaan} ***saw that he was CAST unto the EARTH*** {cast to the ground/Earth by the armies of Canaan}, ***he persecuted the WOMAN*** {equated with new Jerusalem that represents the three groups of redeemed of all generations} ***which brought forth the MAN CHILD*** {message/Lamb of latter day Moses}.

In the past type, there were influential people among the rebellious Israelites who persecuted the faithful people (woman) that had left old Egypt according to old Moses'

message (Lamb). These influential people (who were of the dragon's way of thinking) were among the rebellious people who were cast down by the Canaanites for attempting to take the Promised Land, even though old Moses warned the rebellious Israelites that they would be defeated. Thereafter, certain influential rebellious Israelites attempted to divide the faithful believers (represented by a woman) of old Moses' message (Man child) by persecuting them with their hateful words (Numbers 14:45; 16:2, 13, 14). This is equated with latter day rebellious people who try and influence the believers of latter day Moses' message to forsake the idea of receiving the latter day promised land (USA/spiritual Canaan), after the prediction of the super volcano opening failed to happen after the first spiritual wilderness journey during latter day Babylon's second reigning period.

***Revelation 12:14 And to the WOMAN*** {new Jerusalem's foundations/apostles/first group of redeemed} ***were given two wings of a great eagle, that she might FLY*** {like a whirlwind} ***into the WILDERNESS*** {a second time}, ***into her*** {previous} ***place, where she is NOURISHED*** {with the predictions/spiritual manna of six of seven visions and six of seven thunders of the seventh angel with trumpet} ***for a time, and times, and half a time*** {second spiritual wilderness journey of 1260 days during latter day Babylon's third reigning period}, ***from the face***

*of the SERPENT* {spiritual Canaan/USA}.

During latter day Babylon's third reigning period, the apostles of latter day Moses are again in the spiritual wilderness for 1260 days spiritually eating the manna (manna represents words written on six of seven visions and six of seven thunders of the seventh angel with trumpet) baked into unleavened spiritual bread.

Unleavened bread represents latter day Moses' interpretation of the six visions and six thunders written on the seventh angel with trumpet. In the time of the second spiritual wilderness, the latter day apostles (being of new Jerusalem's foundations) must bring forth their spiritual children that mature during the second spiritual wilderness journey. These latter day spiritual children will then be the walls of the woman/new Jerusalem) and are of the 144,000 spiritual children (firstfruits) of all generations.

In the past type, the Israelites again wandered through the wilderness but for 40 years. In that time, the adult Israelites were sustained with manna that was ground and baked into unleavened bread. Throughout their 40-year journey in the wilderness, the children (equated with the second group of redeemed) of the Israelites also ate of the same bread as they matured to adults.

***Revelation 12:15 And the SERPENT*** {being the USA in the latter days} ***cast out of his MOUTH WATER*** {representing words} ***as a FLOOD*** {pertaining to what the serpent envisions for its and the world's future} ***after the WOMAN*** {new Jerusalem}, ***that he might cause her to be carried away of the FLOOD.***

In our day, the serpent pertains to the deceptions that proceed from the USA's leadership and its rebellious people according to what the USA's leadership envisions for the world's future. Out of the serpent's (snake's) mouth proceeds its ideals, which are contrary to the written visions and oracles (spiritual manna baked into bread) with which the woman (new Jerusalem) is sustained. While the woman is in the spiritual wilderness for a second time, words (waters) of deception will attempt to cause the people with latter day Moses to lose faith and abandon the predictions concerning the imminent fulfillment of a rider on a white, red, black, and pale horse.

In the past type, after the Israelites failed to take the Promised Land of old Canaan, influential people among the Israelite congregation spoke their words (unclean waters) in an attempt to cause the congregation to abandon old Moses and his promise of them receiving the Promised Land of Canaan. These people's way of thinking was of the serpent (deceiver), which had the same mind as the people in old Canaan (dragon) who also wanted the

Israelites to disperse and reject old Moses' promise of inheriting Canaan.

***Revelation 12:16 And the EARTH {land} helped the WOMAN {new Jerusalem will be fully constructed when the first group and second group of redeemed resurrect to life and health from all generations when the super volcano explodes in the USA}, and the EARTH {land} OPENED her MOUTH {hence, the super volcano's mouth explodes and opens, as it releases smoke and ash in the USA}, and swallowed up the FLOOD {hateful and deceptive words} which the DRAGON {USA's leadership and deceived people} cast out of his MOUTH {USA's leadership and spokes persons}.***

Three and a half days after the sign of Jonah, the super volcano will explode and erupt smoke and ash continually for five months. This is equated with the Earth (land) opening her mouth. At that time, all the deceptive words (unclean waters) that leaders, spokes persons, and many others said in contradiction to the two witnesses prophesying for 1260 days of their visions and oracles of the rider on his white, red, black, and pale horse will be swallowed by the opened mouth of the super volcano.

The rebellious spiritual Canaanites in the USA that rejected latter day Moses' message will have chosen to

totally reject the two witnesses' visions and oracles during the sign of Jonah. These rebellious people will have been deceived by the words of the USA's (spiritual Sodom's) leadership, spokespersons, and others that will be saying to the nation all is peace and safety and the people can continue buying and selling as normal during the sign of Jonah. The people who recognize the sign of Jonah as being of the two witnesses' predictions will have the mark/seal (seventh seal) of God (scroll of life) written on the front (forehead) of their mind. All the other people in the USA who are merry (spiritually drinking and drunk) on what the false prophet (USA) envisions (spiritual wine) will have the mark (beliefs/ideals) of the latter day Babylonian beast on the front of their minds.

In the past type, after the Israelites failed to take the land of Canaan, rebellious influential people of Israel spoke words (spiritual waters) of deception that attempted to cause the Israelite congregation (represented by the woman) to disperse (be carried away of these waters) and forsake old Moses and his promise of them inheriting the Promised Land of old Canaan. According to the prediction of old Moses, the ground (Earth) opened her mouth and swallowed these rebellious influential people and their words (unclean waters) of deception (see Numbers 16:31, 32, 33). Then, fiery rocks fell upon the rebellious elders (Numbers 16:35). On the following day, the people still murmured against Moses and Aaron. Accordingly,

Elohiym caused a plague to kill over fourteen thousand rebellious people among the Israelite congregation (see Numbers 16:47). This helped the remaining Israelite congregation to continue believing old Moses' prediction of them inheriting the Promised Land of old Canaan.

In Job 40:15-24, it describes a figurative land animal that is referred to as Behemoth. Behemoth personifies the land itself. When the super volcano swells high-up and explodes magma into the sky, Behemoth will be terribly awakened. A great earthquake is equated with Behemoth shaking her body/crust of the Earth. It states in Job 40:23 that Behemoth can draw the waters of Jordan into her mouth. This refers to the quaking-ground opening to drink the waters of a river (see Revelation 12:16). Only the Lord's (seventh plagues angel's) sword of lava can dissolve the land (see Job 40:19).

***Job 40:15 Behold now BEHEMOTH*** {being the fractured crust of the earth}, *which I made with thee; HE* {Earth's fractured crust/tectonic plates} ***EATETH GRASS*** {when the land opens its mouth} *as an ox.*

***Job 40:19 He*** {tectonic plates that create earthquakes} *is the chief of the ways of God* {seventh plagues angel}: ***HE*** {seventh plagues angel that replays/recreates the things that existed and happened in each generation} *that made HIM* {Behemoth} *can make his SWORD* {of erupting magma} *to approach unto HIM* {fractured crust/tectonic

plates of land}.

**Job 40:23** *Behold, he drinketh up a river, and hasteth not: he trusteth that he can draw up Jordan {River Jordan} into his MOUTH {when the land/Behemoth opens its mouth and drinks up a river}.*

**Job 41:1** *Canst thou draw out LEVIATHAN {representing the great sea} with an hook? or his tongue with a cord which thou lettest down?*

In Job 41:1-34, it describes a figurative sea-dwelling animal, which is referred to as Leviathan. In the past type, Leviathan personified the Great Sea (Mediterranean Sea). When the super volcano swells to heaven and explodes magma from its 40-mile wide mouth, great ground-splitting earthquakes under the oceans will terribly awaken Leviathan, as never before (see Job 41:12, 33). Lava will erupt from the sea floor to create hot bubbling steam rising up into the air, which are referred to as the sneezing of Leviathan. Lava shall erupt and create molten volcanic islands, which are as Leviathan's fiery eyelids and mouth (see Job 41:18, 19). The sharp and jagged rocks of reefs and coastlines are as the teeth of Leviathan. None can move the waters to reveal Leviathan's face beneath the deep (see Job 41:14). Only the Lord's (seventh plagues angel's) sword of erupting flowing magma from the immense mouth of the lifted-up to heaven super volcano can repay (destroy) Leviathan, as an

overflowing lake of lava spreads throughout the world (see Job 41:11).

\*\*\*\*\*

***Revelation 12:17 And the DRAGON*** {kingdom of latter day spiritual Canaan} ***was wrath with the WOMAN*** {new Jerusalem's finished construction of her walls/second group of 144,000 redeemed built upon the twelve foundations/first group of 12,000 redeemed}, ***and went to make war with the REMNANT*** {144,000} ***of HER*** {new Jerusalem's} ***seed, which keep the commandments*** {two witnesses' commandments written beneath six of seven seals of the scroll of life} ***of God*** {seventh plagued angel}, ***and have the TESTIMONY*** {written on the visions and oracles of seven angels with trumpets on the seventh seal/seventh part of the scroll of life} ***of Jesus Christ*** {in the latter days referring to new Jesus Christ of new Jerusalem}.

In the past type, the rebellious Israelites (dragon) were of the same mind as the Canaanites. After the woman's (new Jerusalem's) 40-year wilderness journey, the adult Israelite congregation had returned to the land of old Canaan. Then there was war between the Canaanites and the matured children of the Israelites. These matured children (equated with the 144,000 second group of redeemed) of Israel (Israel is here equated with the first group of redeemed) kept in their hearts and minds old Moses' Ten

Commandments and the written testimony of old Moses that were all placed in the golden Ark of the testament (equated with the visions and oracles written on the seventh plagues by the two witnesses).

In our day, when the super volcano explodes and erupts smoke and ash for five months in the USA, the nations of the latter day Babylonian beast will be angry. These plagues are equated with the latter day redeemed. At the time when the super volcano's plagues are being fulfilled on the USA's states, the remnant (144,000) of the woman's (new Jerusalem's) seed will have the visions and oracles that are written on the seventh light and seventh thunder of the seventh angel with trumpet. On this seventh light and seventh thunder is written the four laws and six laws beneath six seals, and the testimony written on seven angels with trumpets. These latter day laws and testimony will be in the minds and hearts of the spiritual children (who are represented by the walls of new Jerusalem) of the latter day woman (representing new Jerusalem's foundations that are equated with people gathered in spiritual Goshen). Accordingly, the 144,000 disciples (being assisted by the first group of redeemed) will war with the kingdom of latter day Babylon during the time of torment happening in the fallen USA. In that time of torment spreading darkness with progressive anarchy and famine (caused by the opened super volcano erupting smoke and ash for five months), they will give spiritual

birth to their spiritual children from all nations. These spiritual children are the great multitude (third/final group of redeemed).
