

Chapter 13

Revelation 13:1 And I {Apostle John} stood upon the sand of the sea, and saw a BEAST {representing a kingdom} RISE UP out of the SEA {made up of combined spiritual rivers/nations}, having SEVEN HEADS {symbolizing seven ruling parts with a capital city over each part} and TEN HORNS {representing ten tribes equated with the union of nations}, and UPON his HORNS {tribes/nations} TEN CROWNS {signifying the time when the horns/tribes/nations are reigning in spiritual Canaan}, and upon his HEADS {foreheads/minds} the NAME of BLASPHEMY {because their way of thinking concerning this world's long future is contrary to the two witnesses' visions and oracles concerning this world's imminent demise}.

The written prophecies in the Book of Revelation are constructed from events that happened in the past. Accordingly, the latter day seven-headed ten-horned beast (representing a kingdom) is based on the past type when ten tribes (ten horns) of Israel had received their inheritance (hence, the crowned horns/tribes) in the land of old Canaan. The beast's (kingdom's) seven heads represented the seven divided parts of Canaan in which the ten tribes (horns) had received their inheritance. Four of these ten tribes/ten horns received their inheritance in the southern kingdom of the tribe of Judah. The other six

tribes received their inheritance in the northern kingdom of the tribe of Joseph. The combined kingdoms of Judah and Joseph are referred to as the one kingdom of Israel.

The verse in Revelation 13:1 reveals latter day Babylon healing in spiritual Canaan to reign as the third reigning kingdom. Before that time when latter day Babylon's first reigning period ended in spiritual Goshen of spiritual Egypt, it figuratively traveled across the spiritual wilderness and rose up in spiritual Canaan, where latter day Babylon ruled during its second reigning period and was wounded. Thereafter, latter day Babylon rises in spiritual Canaan to rule during its third reigning period. Its third reigning period ends by the star's impact opening the bottomless pit in the USA.

During the first reigning period of the latter day seven-headed ten-horned beast of Babylon, latter day Moses revealed the visions and oracles written beneath six seals on the scroll of life. During the latter day Babylonian beast's (kingdom's) second reigning period, latter day Moses revealed visions and oracles written on six angels with trumpets from the scroll of life's seventh part/seventh seal. During the latter day Babylonian beast's third reigning period, latter day Moses reveals six lights and six thunders of the seventh angel with trumpet from the scroll of life's seventh part/seventh seal.

In the Book of Revelation, a nation is represented by a

river. All rivers (nations) flow to one place to create the figurative sea, from which the kingdom (seven-headed ten-horned beast/kingdom) of the union of nations rise (united in agreement) three separate times to rule as latter day Babylon. The union of nations unite in agreement to enforce on non complying nations the USA's ideals that it envisions for the world. In our day, the figurative number of seven heads represents all ruling capitals (heads) of the union of nations, while the beast's ten horns represent all the nations (horns) of these ruling capitals.

The reason why the horns have crowns is that the latter day Babylonian beast (kingdom) is shown reigning in the spiritual land of spiritual Canaan during its third reigning period. During its second reigning period in spiritual Canaan, it was equated with the first half of the one hour of temptation. During the latter day Babylonian beast's third reigning period in spiritual Canaan, it reigns again but for 1290 days for the second half hour of the one hour of temptation.

When this seven-headed ten-horned beast was reigning during its first of three reigning periods, it was the dragon/beast in spiritual Goshen of spiritual Egypt. In the beginning of that time, latter day Moses first began to reveal the two witnesses' new present truth message from beneath the first seal of the scroll of life. After the latter day seven-headed ten-horned dragon's (being the latter day Babylonian kingdom of the union of nations) first

reigning period ended in spiritual Goshen, it spiritually traveled through the spiritual wilderness to the spiritual promised land (hence the reigning crowns on the horns) of spiritual Canaan to rule again during its second reigning period and will rule again during its third reigning period.

Revelation 13:2 And the BEAST {kingdom/union of nations} ***which I saw was like unto a LEOPARD*** {symbolizing old Grecia's kingdom}, ***and his FEET were as the FEET of a BEAR*** {symbolizing old Medo-Persia's kingdom}, ***and his MOUTH as the MOUTH of a LION*** {symbolizing old Babylon's kingdom}: ***and the DRAGON*** {first reigning period of latter day Babylon in spiritual Goshen that ruled as the number six kingdom} ***gave HIM*** {latter day Babylon that ruled as the number seven kingdom and again as the number eight kingdom in spiritual Canaan} ***his POWER, and his SEAT*** {reigning throne}, ***and GREAT AUTHORITY.***

This latter day Babylonian beast of confusion is figuratively made-up of five past fallen kingdoms, according to the Book of Daniel. In one past type, its seven ewe heads and ten rams' horns represent the seven divided parts of the land of old Israel when old Egypt ruled the land; its body of a leopard represents the time when the kingdom of Grecia ruled over the land of Israel and Jerusalem; its feet of a bear represents the time when

the kingdom of Medo-Persia ruled over the land of Israel and Jerusalem; its seven mouths of a lion represent the time when the kingdom of old Babylon ruled over the land of Israel and Jerusalem. All of these combined parts of different animals (beasts/kingdoms) create a confusing looking creature, which represents the latter day Babylonian dragon (beast). These past kingdoms (beasts) had once ruled over old Jerusalem as well as many other nations.

Latter day nations agreed to unite and enforce what the USA's leadership (false prophet) envisions for the world on a nation it esteems as rogue. The false prophet caused the union of nations to unite and occupy Iraq. Thereby this union of nations became the latter day seven-headed ten-horned Babylonian dragon (kingdom) reigning as the number six kingdom in the land of spiritual Goshen, until the union of nations divided against enforcing the USA's vision. Thereafter, the union of nations again agreed to unite and enforce what the USA envisions for the world on a rogue nation. The false prophet caused the revived union of nations to enforce its will and overthrow Libya. The union of nations were then ruling as the number seven kingdom (beast) of confusion (latter day Babylon). This time the beast (kingdom) reigned in the spiritual land of spiritual Canaan during its second reigning period as the number seven kingdom, until the union of nations again divided against enforcing the USA's vision for the world

on rogue nations. Thereafter, the union of nations will again agree to unite to enforce what the USA envisions for the world on a rogue nation. During that time, the union of nations will be reigning as the number eight kingdom during its third/final reigning period of 1290 days, until a star's impact opens the super volcano in the USA and ends latter day Babylon's reign over the nations.

The same seven-headed ten-horned Babylonian beast is the number six kingdom, number seven kingdom, and number eight kingdom. It received its power, seat and great authority to rule over all nations from the previous ruling kingdom, which is mentioned in Revelation 17:10.

Revelation 17:10 And there are SEVEN KINGS

{kingdoms/spiritual beasts}: FIVE ARE FALLEN {five kingdoms no longer reigning}, and ONE IS {being the number 6 kingdom/latter day Babylonian dragon/beast reigning in spiritual Goshen}, and THE OTHER {number seven kingdom/latter day Babylonian beast} is NOT YET COME {while spiritually traveling through the spiritual wilderness}; and when HE COMETH {when the union of nations unite in agreement to enforce what the USA envisions for the world and reign as the number seven kingdom in spiritual Canaan}, he must continue a short space {1290 days}.

Revelation 13:3 *And I saw ONE* {referring to the leaders in the USA's capital} *of HIS* {ten-horned seven-headed beast's} *HEADS as it were WOUNDED* {USA's influence over the union of nations is wounded at the end of the Babylonian beast's second reigning period in spiritual Goshen} *to DEATH; and his deadly WOUND was HEALED* {the leaders in the USA's capital/head unite and cause the union of nations to agree to enforce what the USA envisions for the world on rogue nations to become the latter day Babylonian beast rising to life in spiritual Canaan}: *and ALL* {nations of} *THE WORLD wondered after the* {latter day Babylonian} *BEAST* {during the third reigning period of the union of nations/seven-headed ten-horned beast/kingdom enforcing what the USA envisions for the world on rogue nations}.

At the end of latter day Babylon's second reigning period, the influence of the USA's (false prophet's) ruling capital (one head/false prophetess) was totally wounded, having no influence to keep the union of nations (that reigned as the number seven kingdom) united in agreement to enforce what the USA envisions for the world on rogue nations. According to this weakness, the union of nation's (latter day Babylonian beast's) rule as the number seven kingdom came to an end. Some time thereafter, the wound heals. Then the latter day Babylonian beast (union of nations) will again be resurrected to life by the USA to rule over all nations as the number eight kingdom,

enforcing what the USA envisions for the world on rogue nations. All nations of the world wonder (in awe) at the resurrected union of nations ruling as the number eight kingdom.

Revelation 13:4 And THEY {peoples and nations} ***WORSHIPPED the DRAGON*** {former kingdom/union of nations that reigned as the number six and number seven kingdom} ***which gave power unto the BEAST*** {being the next kingdom/union of nations again agreeing to unite and reign as the number eight kingdom to enforce what the USA envisions for the world on rogue nations}: ***and they WORSHIPPED the BEAST*** {union of nations reigning in spiritual Canaan as the number eight kingdom}, ***saying, Who is like unto the beast? who is able to make war with him?***

The peoples and nations worship the union of nations (kingdom of latter day Babylon). Among the union of nations is the leading nation USA (false prophet). This kingdom (beast) of latter day Babylon is so powerful (both economically and militarily) that no nation or combination of nations can make war with it and defeat it.

Revelation 13:5 And there was given unto HIM {seven-headed ten-horned beast/union of nations ruling as the

number eight kingdom} *a MOUTH* {being the USA's leadership that speaks for the union of nations} *SPEAKING GREAT THINGS* {great things of what the USA envisions for the world's future} *and BLASPHEMIES* {the USA's visions for the world's future are contrary/blaspheme against the two witnesses' written visions and oracles concerning this world's future}; *and POWER was given unto HIM* {seven-headed ten-horned Babylonian beast/union of nations} *to continue FORTY and TWO MONTHS* {during these forty-two months/1260 days plus 3½ days, the USA is speaking of its ideals that it envisions for the world's future that blaspheme against what the two witnesses are prophesying during the same 1260 days concerning latter day Babylon's end from the time the super volcano erupts smoke and ash}.

The seven-headed ten-horned beast's (union of nations') mouth is the leadership in the USA's ruling capital (capital/great whore/false prophetess) and nation (false prophet). The USA's leadership speaks its vision of the great things that it envisions for the world's future. However, these visions blaspheme (contradict) against the two witnesses' predictions in the scroll of life, that state that this world will be dissolved by fire and flowing lava from the high and lifted-up super volcano, as revealed by latter day Moses' message. Power is given the latter day Babylonian beast (coalition/kingdom) to continue

promoting its democratic and capitalistic visions for the world's future for 42 months (1260 days plus 3½ days), which parallel the 1260 days that the righteous woman (new Jerusalem) journeying through the second spiritual wilderness for 1260 days (see Revelation 12:6).

Latter day Babylon's reign as the eighth kingdom lasts for 1290 days (43 months) of Daniel 12:11. During the remaining 42 months (moons) of the latter day seven-headed ten-horned Babylonian beast's reign of 43 months, one mouth (being the leadership in the USA's capital/false prophetess and USA's nation/false prophet) of its seven heads will be speaking of its visions for the whole latter day Babylonian beast. These confused visions blaspheme (contradicted) against latter day Moses' message proclaimed from six of seven lights of the seventh angel with trumpet. These 1290 days end 3½ days after the 2300-day period. At the expiration of these 1290 days, the Babylonian beast (coalition/kingdom) will be wounded to death when the super volcano opens after the star's impact. From that time, the nations will no longer be united in agreement to enforce the visions of the USA (false prophet) on any nation.

Revelation 13:6 And HE {Babylonian beast/union of nations} ***OPENED HIS MOUTH in BLASPHEMY*** {contradiction} ***against GOD*** {creator of all things}, ***to***

blaspheme his NAME {seventh plagued angel}, *and his TABERNACLE* {high and lifted-up lava erupting mouth of the super volcano, equated with the holy of hollies}, *and THEM* {three groups of redeemed from all generations} *that dwell IN HEAVEN* {dwelling upon the high and lifted-up to heaven lava erupting mountain of the super volcano during the judgment}.

Near the end of the judgment, the seventh plagued angel reveals the time when the scroll of life was being opened earlier in the judgment. During the opening of the scroll of life's visions and oracles, some of the visions and oracles revealed what the USA's leadership and nation were doing during the remaining 1260 days of the 2300-day period. In that time, the USA (mouth of the beast) was promoting its democratic and capitalistic visions at the same time six of seven lights of the seventh angel with trumpet were revealing their messages of warning concerning the star's impact opening the super volcano to release its plagues on the USA and world. Accordingly, the USA's ideals that it envisions for the world's future will be blaspheming against the seventh plagued angel's (God's) visions and oracles. These visions of the living God (seventh plagued angel) are already sitting and reigning on a great white throne of light high above the immense lava erupting mouth (equated with the tabernacle) of the super volcano over the lava covered dissolved kingdom of latter day Babylon.

The scroll of life's visions and oracles reveal how the ideals of the false prophet (USA's leaders) and false prophetess (USA's leadership in the US capital) are also blaspheming against the three groups of redeemed that are already dwelling in heaven within new Jerusalem (huge fiery whirlwind), which is around the high and lifted-up to heaven lava erupting mountain of the super volcano. The three groups of redeemed will have already entered the fiery ensign.

Since all things are being replayed, when the beast opens its mouth to denounce the message being revealed by the latter day messenger, his apostles, and disciples during the 42 months before the super volcano is opened by the star's impact, he is speaking against people that are already in heaven. When the beast speaks against the message that states that the huge mouth of the high and lifted-up super volcano will erupt lava to cover the USA and world, the beast is speaking against the name of the creator (seventh plagued angel) and his dwelling place (presently reigning as a bright light on top of the lava erupting super volcano).

Revelation 13:7 And it was given unto HIM {seven-headed ten-horned Babylonian beast of confusion that represents the USA with the union of nations uniting in agreement to enforce on rogue nations the USA's ideals that the USA envisions for the world's future} ***to make***

WAR {when the two witnesses are prophesying for 1260 days} **with the SAINTS** {latter day apostles/priests and disciples/elders}, **and to OVERCOME THEM** {the message proclaimed by the latter day apostles and disciples will be overcome by leaders and influential people that speak and promote what the USA envisions for the world's future}: **and POWER was given HIM** {USA with the union of nations/seven-headed ten-horned beast ruling the world} **over ALL KINDREDS, and TONGUES, and NATIONS.**

For 1260 days, the latter day apostles and disciples will be proclaiming what the two witnesses are saying concerning this world's end by flowing lava from a high and lifted-up to heaven super volcano in the USA. At the same time, the USA and other nations of the latter day Babylonian beast will be prophesying of what the USA envisions for the world's future. The USA's leaders with the latter day Babylonian beast will denounce the message, as will religious scholars, volcanologists, scientists, and influential people. Accordingly, the message proclaimed by the latter day saints (latter day apostles and disciples) will be overcome by what the leadership of the latter day Babylonian beast says to the nations. The USA and the union of nations, that enforces what the USA envisions for the world, will have the power to enforce (by using sanctions or military intervention) their ideals on any kindred, tongue, and people.

Revelation 13:8 And ALL {the USA and nations} ***that dwell upon the earth shall worship HIM*** {seven-headed ten-horned Babylonian beast}, ***whose NAMES are NOT WRITTEN in the BOOK OF LIFE*** {being the last book/scroll of life that will contain everything that happened from the time the latter day messenger revealed a new message beneath the first seal through to the time the world ends in an overflowing lake of lava, the new Earth, and the 1,100 years of the judgment} ***of the LAMB*** {representing the messenger's message} ***SLAIN*** {totally rejected/slain in every generation} ***from the FOUNDATION*** {Genesis' first generation} ***of the world.***

When a person living in the last generation does not believe latter day Moses' message (Lamb), they are instead worshiping the ways and ideals of the latter day seven-headed ten-horned Babylonian beast (kingdom/union of nations). Accordingly, all who continue to worship the ideals of this latter day beast of confusion will die by the plagues loosed from the opened super volcano. Every person who ends up dead by these plagues will no longer be playing a part in the world. Hence, they will have been blotted out of the last scroll/scroll of life (referred to as a book of life in the verses of Revelation) that records all the events that take place in the last generation and on.

During the judgment, the scroll of life's written record is revealed. It will have recorded everything that existed and happened from the time the latter day messenger revealed a new message from beneath the first seal through to the time of a new Earth, the judgment period, and on. As the events written on the scroll of life are being revealed in the judgment, the rebellious people will have already died and been blotted out of life. From the time of a person's death during the plagues caused by the opened super volcano, the scroll of life can no longer write that they have a part to play in life. Accordingly, the dead will not be playing a part in continuing life in the new Earth for the scroll of life to record in its writings. Therefore when the scroll of life reveals its written record of the new Earth, only the three groups of overcomers will have all been alive to enter the fiery ensign emanating from within the destroyed USA and remain written in the scroll of life when it continues recording them living in the new Earth.

In every past generation, a living prophet revealed his (or her) message, which is likened to a Lamb that was rejected and slain by the leaders and population. This is why it states in Revelation 13:8 that the Lamb was slain from the beginning (foundation) of the world. In the first generation, Cain killed Abel because of Abel's message to Cain. Hence the Lamb of that generation was killed.

Revelation 13:9 If any man {person} have AN EAR, let him HEAR.

Only the latter day people that have a righteous spirit in their mind will be able to hear (accept) latter day Moses' message, The present truth message has been revealed to him from the scroll of life's written visions and oracles, written by the two witnesses (Michael and Gabriel). These two witnesses have already seen (witnessed) and recorded all things that existed and happened in every generation, which are being replayed.

Revelation 13:10 HE {seven-headed ten-horned beast/union of nations} that leadeth {nations and people} into CAPTIVITY shall GO into CAPTIVITY {lake of fire}: HE {the seven-headed ten-horned beast} that KILLETH with the {literal or figurative} SWORD must be KILLED with the SWORD {representing the combined two witnesses' written visions and oracles that pertain to the plagues loosed from the opened bottomless pit}. HERE {according to what is written in this verse} is the PATIENCE and the FAITH of the SAINTS {the spiritual temple's saints are the overcomers of every generation that believed a living messenger's message}.

The latter day seven-headed ten-horned Babylonian beast (kingdom/union of nations) has made (led) all nations

captive by enforcing the ideals which the USA envisions for the world. This same kingdom will end up being captive in an overflowing lake of lava. Prior to the super volcano being opened by the star's impact, any nation that refuses to accept the USA's ideals enforced by the latter day Babylonian beast (coalition) will have been forced to comply by the military and/or sanctioning sword of the latter day Babylonian kingdom (union of nations). Therefore, this same latter day Babylonian beast will be killed by the super volcano's sword. According to the predictions in Revelation 13:10, the saints (spiritual priests and spiritual elders) wait patiently and have the faith that written biblical prophecies will be fulfilled.

Revelation 13:11 And I beheld ANOTHER BEAST
{nation} ***COMING UP*** {healing/uniting in agreement}
out of the EARTH {representing in the latter days the
land of the USA}; ***and he had TWO HORNS***
{symbolizing in the past type two tribes/two horns in the
old kingdom of Judah that was in the southern part of
Israel's whole land. The whole land is described by a
seven-headed ten-horned dragon/beast} ***like a LAMB*** (is
lamb-like, seemingly peaceful), ***and he SPAKE*** {with a
lion's mouth, as an adversary/Satan} ***as a DRAGON*** {the
USA speaks like a roaring lion on behalf of the seven-
headed ten-horned beast/dragon}.

In the past type after King Solomon's death and the one kingdom of Israel being divided into two separate kingdoms, the lamb-like beast with one head and two horns represented the old kingdom of Judah, which was separated in the southern half of Palestine/Canaan. Its one head represented the capital city of old Jerusalem. The two horns of its head represented the tribe (horn) of Judah and the tribe (horn) of Benjamin, which were the only two horns (two tribes) that remained in the separated southern kingdom/nation of Judah.

In our day, the lamb-like beast of Revelation 13:11 represents the USA. It is part of the seven-headed ten-horned beast (union of nations/kingdom), just as the southern kingdom of Judah was once part of the kingdom of Israel (represented by a seven-headed ten-horned dragon/beast). The USA's capital (equated with old Jerusalem) is also one of the seven heads of the ten-horned beast. The USA is illustrated as having two horns of a lamb because it seems peaceful. However, any nation that refuses to implement the USA's ideals which the USA envisions for the world will quickly realize that the USA speaks like a ferocious dragon to apply sanctions or military intervention. It is the main mouth that speaks for the seven-headed ten-horned dragon/beast (union of nations). The USA speaks of military action or crippling sanctions upon any non complying nation that it esteems as rogue.

The rise of the lamb-like beast from the land (Earth) reveals that its head (leadership in its capital/head) heals from its wound of division. While the head is wounded, the capital's leadership is divided over military intervention or imposing sanctions on a non complying nation. During the 2300-day period, the USA's leadership in the capital (head) will unite in agreement to permit military intervention on a rogue nation.

Revelation 13:12 And HE {lamb-like beast/USA} ***EXERCISETH*** {performs} ***all the power of the FIRST BEAST*** {being the seven-headed ten-horned beast in spiritual Canaan that had reigned as the seventh kingdom enforcing the USA's vision on non complying nations} ***before him, and causeth the EARTH*** {land} ***and THEM*** {nations, kindreds, and tongues} ***which dwell therein to WORSHIP the FIRST BEAST*** {the first beast with seven heads and ten horns represents the union of nations that united in agreement to enforce what the USA envisions for the world's future during its rule as the seventh kingdom, being latter day Babylon's second reigning period}, ***whose deadly WOUND*** {divided leadership in the USA's capital/head} ***was HEALED*** {the USA's leadership become united in agreement to enforce its vision on a non complying nation}.

The USA will (during the reign of the seven-headed ten-

horned beast as the eighth kingdom) exercise the same power that it had when the previous union of nations (same seven-headed ten-horned beast) was reigning as the number seven kingdom, as stated in Revelation 13:1. After the USA's leadership heals from its wound of division in enforcing the USA's vision on a non complying nation, it rises up (as illustrated by a lamb-like beast rising from the land/Earth) and causes the union of nations to again unite and agree to give their support in enforcing the USA's vision on a non complying nation. At that time, the seven-headed ten-horned beast (union of nations) will be reigning for 1290 days as the eighth kingdom. These 1290 days are the remaining amount of days of the 2300-day period plus 3½ days. The union of nations will be worshiping the same ways that the previous union of nations was enforcing during its reign as the number seven kingdom.

Revelation 17:8 *The BEAST* {being the number 6 kingdom reigning as the latter day seven-headed ten-horned Babylonian beast/kingdom} *that thou sawest WAS* {Was reigning as the sixth kingdom}, *and IS NOT* {Is Not because the kingdom of the union of nations is divided against enforcing the USA's vision on non complying nations}; *and shall ASCEND* {ascends/resurrects to life when the union of nations agree to unite and enforce the USA's vision on a non complying nation} *out of the BOTTOMLESS PIT* {of death}, *and go into PERDITION*

{destruction by the high and lifted-up lava erupting super volcano}: *and they that dwell on the earth shall wonder, whose names were not written in the book {scroll} of life from the FOUNDATION {from the foundation/beginning/Genesis all things that exist and happen in each generation are being replayed} of the world, when they behold the BEAST {number six kingdom/union of nations} that WAS {reigning}, and IS NOT, and YET IS {resurrects back to life}.*

Revelation 17:11 *And the BEAST {being the union of nations reigning as the number six kingdom/beast} that WAS (reigning), and IS NOT {union of nations divided against enforcing the USA's vision}, even HE {number six kingdom/beast} is the EIGHTH {number eight kingdom/union of nations united in agreement to enforce the USA's vision on non complying nations}, and is of the {number} SEVEN {kingdom}, and goeth into PERDITION {lake of fire/lava}.*

Revelation 13:13 *And HE {lamb-like beast/USA} doeth GREAT WONDERS {technological, military miracles}, so that HE {USA/false prophet/lamb-like beast} maketh FIRE {referring to the USA's awesome display when firing tens of thousands of fiery missiles} COME DOWN {as a shower of fiery missiles} from heaven {sky} on the earth in the sight of MEN {these men refer to*

nations/tribes},

The USA will do great military wonders in Earth's atmosphere (heavens), as it fires tens of thousands of missiles that descend as fire from the sky upon a rogue nation that refuses to implement the ideals that the USA envisions for the world. The other nations (referred to as men in Revelation 13:13) see the overwhelming military might of the USA's military, as the USA rains fiery missiles (fire from heaven) to kill a nation that the USA has accused of making weapons of mass destruction.

Revelation 13:14 And DECEIVETH THEM {union of nations} ***that dwell on the earth by the means of those MIRACLES*** {shock and awe of the USA's military power and military wonders} ***which HE*** {lamb-like Beast/USA} ***had power to do in the sight of the BEAST*** {the seven-headed ten-horned latter day Babylonian beast representing the now divided union of nations that had united and ruled as the seventh kingdom}; ***saying to them*** {divided union of nations} ***that dwell on the earth*** {land of spiritual Canaan}, ***that they should make an IMAGE*** {the image refers to the same union of nations agreeing to again unite to enforce the USA's ideals on non complying nations but this time ruling as the eighth kingdom} ***to the BEAST*** {referring to the previous seven-headed ten-horned beast/kingdom that ruled as the seventh kingdom}

when the union of nations were in agreement to enforce the USA's vision on a non complying nation}, **which HAD the WOUND** {the wound of division among the leadership in the USA's capital/head concerning whether to enforce the USA's vision on a non complying nation} **by a SWORD** {in the past type, King Nebuchadnezzar overthrew old Jerusalem's rebellion and wounded with the edge of the sword old Jerusalem/head ending the reign of King Jehoiachin in Jerusalem}, **and did LIVE** {the union of nations again agree to unite to enforce the USA's vision to rule as the kingdom that lives again to rule as the number eighth kingdom, just as old Jerusalem healed from its wound and lived again when King Zedekiah in Jerusalem rebelled against serving King Nebuchadnezzar}.

The USA will perform an overwhelming and awesome display of military firepower from the heavens upon a rogue nation. The USA's fiery missiles will rain down on a non complying nation before the third reigning period of the beast begins. Its technological military prowess will be so impressive that the nations of the world are deceived. Accordingly, the false prophet (lamb-like beast/USA) says to the union of nations that they need to unite and agree in enforcing the USA's vision on complying nations. Thereby the union of nations will agree to unite and be the number eight kingdom ruling as the image of the previous seven-headed ten-horned beast that ruled as the number

seven kingdom. This image (number eight kingdom) is the exact mirror likeness of the previous seven-headed ten-horned beast that ruled as the number seven kingdom. The seven headed beast that ruled as the seventh kingdom had received a wound of division, which caused the union of nations to no longer be united in agreement to enforce the visions of the USA on rogue nations.

In the past type, King Jehoiachin's autonomous reign in old Jerusalem from serving King Nebuchadnezzar was overthrown and wounded by the sword of old Babylon. Thereafter King Nebuchadnezzar made Zedekiah king in old Jerusalem. Then King Zedekiah rebelled against serving King Nebuchadnezzar. This rebellion caused the revival (life) of the previous kingdom (beast) that king Jehoiachin autonomously ruled from within old Jerusalem.

Revelation 13:15 And HE {USA} had POWER to GIVE LIFE unto the IMAGE {the image rules as the number eight kingdom, being the exact likeness/image of the previous union of nations ruling as the number seven kingdom} of the BEAST {being the seven-headed ten-horned beast of latter day Babylon representing the previous union of nations reigning as the seventh kingdom}, that the IMAGE {union of nations re-uniting to rule as the eighth kingdom for 1290 days during} of the {seven-headed ten-horned latter day Babylonian

kingdom} **BEAST** {that enforced the USA's vision on a non complying nation as the beast ruled as the number seven kingdom} **should BOTH SPEAK** {they both speak because the same union of nations of the previous beast/kingdom again unites and becomes the image of the beast}, **and cause that as many** {other nations} **as would not worship the IMAGE** {union of nations ruling as the eighth reigning kingdom from spiritual Canaan} **of the BEAST** {beast/union of nations that ruled as the seventh reigning kingdom from spiritual Canaan} **should be KILLED** {kill rogue nations with an awesome display of military power and/or choking economic sanctions}.

The USA will have the power/strength to resurrect the former union of nations that had previously united to agree and enforce the USA's vision on a non complying nation. In the first half of the 2300-day period, the union of nations will agree to unite and rule for 1290 days as the image (exact likeness) of the previous ruling union of nations. During these 1290 days, the USA is of the image (union of nations) and speaks on behalf of the image of the former beast (union of nations). The image (being the number eight reigning beast/kingdom) is made up by the same nations that created the beast (former union of nations/kingdom). Therefore, when the image speaks it is the same as the beast speaking. The image of the beast says to all nations that they must worship (implement in their nation) the same ideals as the union of nations. At

that time, the kingdom of latter day Babylon is reigning as the eighth kingdom. Any nation that refuses to implement in their nation the ideals that the USA envisions for the world (as enforced by the image of the beast) when told to do so, that nation or nations will be killed by overwhelming military intervention and/or by the implementation of choking economic sanctions.

Revelation 13:16 ***And HE*** {lamb-like beast/USA} ***causeth ALL*** {nations}, ***both small and great, rich and poor, free and bond, to receive a MARK*** {the mark is the spiritual wine cup full of the USA's ideals that it envisions for the world's future} ***in their RIGHT HAND*** {by accepting the false prophet's/USA's ideals/spiritual wine cup}, ***or in their FOREHEADS*** {when a nation's leadership drinks of this spiritual wine cup, the intoxication of the false prophet's ideals/wine influences the forehead/mind}:

In our day, the false prophet (false Elijah) is the USA that speaks for the image (union of nations that will be reigning as the eighth kingdom) of the previous beast (same union of nations that reigned as the seventh kingdom). The USA will cause all nations (spiritual men) whether they are small or big, rich or poor to accept in their right hand (since it is offered by the false prophet/false Elijah) the spiritual wine cup, which is full

of democratic and capitalistic ideals which the USA envisions for the world's future.

Revelation 13:17 *And that NO MAN* {referring to any nation/spiritual man} **might BUY or SELL** {can not buy or sell when choking economic sanctions are enforced upon certain nations}, **save he** {the nation} **that had the MARK** {figurative wine cup full of the USA's ideals/spiritual wine that it envisions for the world's future}, **or the NAME** {the name of latter day Babylon/confusion is spiritually written on the mind/forehead after accepting in the spiritual right hand the spiritual wine cup and implementing/spiritually drinking the spiritual wine of confusion, which is opposite to the two witnesses' visions and oracles for this world's future} **of the** {seven-headed ten-horned} **BEAST** {spiritual beast/kingdom/union of nations}, **or the NUMBER** {being the number six/6 kingdom that reigns during three separate periods. Hence the number 6 kingdom/beast reigns as the sixth kingdom, seventh kingdom, and eighth kingdom} **of his NAME** {name of Babylon/confusion}.

In our day, the lamb like beast represents the USA. The USA speaks for the revived seven-headed Babylonian beast. This seven-headed beast represents the union of nations that unite in agreement to enforce the USA's ideals

on non complying nations. Accordingly, no nation (referred to as a man in Revelation 13:17) can buy or sell goods with any other nation unless that nation accepts into their right hand (leader's hand) the spiritual wine cup (mark) and spiritually drink (implement) the spiritual wine of the USA's ideals, which the USA envisions for the world's future. Should a leader's nation refuse to comply to the USA's commands, the USA with the beast (union of nations/kingdom of confusion) will then impose and enforce choking sanctions on that non complying nation.

A nation's leadership that does accept the USA's ideals (spiritual wine cup) into their right hand and implement (spiritually drink) the ideals in their nation, it will then have the mark (ideals/visions) of the seven-headed ten-horned beast (union of nations) in their nation's spiritual right hand and the nation's spiritual forehead {mind of the leadership in the capital/head}. A nation's leaders in the capital implement through their laws the USA's ideals enforced by the seven-headed ten-horned beast (union of nations), just as a person who accepts a glass of wine into their hand and drinks the strong wine and the intoxication affects their forehead.

Accepting the USA's ideals (strong spiritual wine) into the spiritual right hand and spiritually drinking (implementing) the ideals into a nation's laws, this causes that nation to have the mark of the spiritual wine cup and spiritual wine in their spiritual right hand and forehead.

The implemented ideals (spiritual wine) causes the name Babylon (confusion) to be written on that nation's leadership ruling from within the capital (head). Thereby that nation and its capital will be spiritually drunk on the spiritual wine (ideals) and will have the number 6 written on their foreheads, because the spiritually drunk nation and capital will be of the number 6 kingdom when the number 6 kingdom is reigning as the image of the previous beast . The same number six kingdom (representing the union of nations united in agreement to enforce the USA's ideals on non conforming nations) unites in agreement three separate times to reign as the same latter day confused number 6 kingdom, which is named Babylon/confusion

Revelation 13:18 HERE IS WISDOM. Let HIM {latter day messenger} that HATH UNDERSTANDING COUNT {count how many} the NUMBER {the digit} of the BEAST {beast of Babylon with seven heads and ten horns}: for IT {the number/digit} is {also} the NUMBER of a MAN {false prophet being the USA}; and his NUMBER {of 6} is {written three times as} SIX HUNDRED THREE SCORE AND SIX {666}.

The latter day messenger has the wisdom to reveal the true meaning of the number (digit) six (6), which is written three times as 666. In Revelation 13:18, the latter day

messenger is instructed to “count” the “number” of the beast with seven heads and ten horns, which is also the number of a figurative man (being the false prophet/lamb-like beast) representing the USA. In verse 18, there are “three numbers” of “six” to “count”; therefore, the answer to the question is three, after the latter day messenger counted how many digits (number sixes) are written in Revelation 13:18.

The seven-headed ten-horned beast – whose name is Babylon as written in the Book of Revelation – began its first reigning period as the sixth kingdom in spiritual Goshen, after five figurative kingdoms had fallen. This reveals that its number is six (6) because it is the number six (sixth) kingdom that reigned after the fifth kingdom fell.

When latter day Moses began to reveal his new message from beneath six seals during the first reigning period of latter day Babylon, the USA had already caused the union of nations (represented as a seven-headed ten-horned beast/kingdom) to unite and agree to enforce the USA's ideals on a non conforming nation. At that time, the union of nations were ruling as the latter day Babylonian dragon/beast (coalition/kingdom). This dragon/beast was reigning as the number 6 kingdom during its first of three separate reigning periods named confusion (Babylon). Five previous kingdoms in Revelation 17:10 had already fallen when the number 6 kingdom of latter day Babylon

began to reign.

The USA again caused the union of nations to unite in agreement to enforce on a non complying nation the USA's ideals that it envisions for the world. From that time, the union of nations was reigning in spiritual Canaan during its second reigning period as the seventh kingdom.

The USA will again cause the union of nations to unite in agreement to enforce on a non complying nation the USA's ideals that it envisions for the world. From that time, the union of nations will be reigning in spiritual Canaan for 1290 days of its third reigning period as the “eighth” kingdom (see Revelation 17:10, 11). This “eighth” reigning kingdom (beast/union of nations) is the “image” of the previous beast (kingdom/union of nations), that reigned over the world from within the spiritual land of Canaan as the seventh kingdom. Hence, it is the same seven-headed ten-horned beast (kingdom/union of nations) of latter day Babylon/confusion that is united (healed) each time by the latter day false prophet (USA) during the time the latter day messenger is revealing his present truth message from the scroll of life. The seven-headed ten-horned beast's final reigning period of 1290 days will end when a star's impact causes a super volcano to erupt smoke and ash within the USA 3½ days after the end of the 2300-day period.

The seven-headed ten-horned beast's name is

Babylon/confusion, as written in Revelation 14:8. This beast (union of nations) will have reigned as the same sixth kingdom during three separate periods. Its number of 6 (because its the sixth kingdom) is written as 6, 6, and 6. This reveals that the same latter day beast (kingdom/union of nations) of confusion will have reigned as the number six kingdom three separate times. During the seven-headed ten-horned Babylonian beast's first reign as the sixth kingdom, the latter day messenger was revealing the visions and oracles written beneath six seals. During this same beasts' second reign as the seventh kingdom, the latter day messenger was revealing the visions and oracles written on six angels with trumpets. During the same beast's third reign, the latter day messenger will be revealing the six lights and six thunders of the seventh angel with trumpet. Hence the same number 6 kingdom rules three separate times.

The sixth kingdom (union of nations) reigned until the union of nations became divided in enforcing the USA's ideals. The seventh kingdom (union of nations) reigned until the union of nations became divided in enforcing the USA's ideals. The eighth kingdom will reign for 1290 days until a star's impact causes the super volcano to erupt smoke and ash, which causes the union of nations to disband in enforcing the USA's ideals on rogue nations.

After five kingdoms had fallen, the number 6 (sixth) kingdom (dragon/beast) reigned as the sixth kingdom.

Thereafter, the same number 6 (sixth) kingdom (beast) reigned as the seventh kingdom. Thereafter, the same number 6 (sixth) kingdom (beast) shall again reign but as the eighth kingdom. This is the reason why there are three sixes (666) to count (see Revelation 17:10, 11).

In the past type, the lamb like beast with two horns and one head represented the kingdom of Judah, which was situated in the southern half of Palestine/Canaan. Its one head represented the capital city of old Jerusalem. The two horns of its head represented the tribe (horn) of Judah and the tribe (horn) of Benjamin, which were both (two horns/tribes) in the southern kingdom/nation of Judah. When King Nebuchadnezzar of old Babylon was ruling over old rebellious Jerusalem according to the word of the Prophet Jeremiah, the rebellious leadership of Jerusalem rebelled three separate times against the word of Elohiym by refusing to remain part of old Babylon's kingdom as advised by Jeremiah the prophet. These three rebellions by old Jerusalem typify the three rebellions of latter day Babylon against latter day Jeremiah's (latter day messenger's) message. The latter day messenger's present truth message was revealed from beneath six seals, then six angels with trumpets, and thereafter is revealed from six lights of the seventh angel with trumpet to warn of the star's impact opening the super volcano that is within the USA.
