

Chapter 14

Revelation 14:1 And I {Apostle John} ***looked, and, lo, a LAMB*** {representing the visions and oracles written on the first small part that resurrected at the end of the sign of Jonah} ***stood on the*** {new} ***MOUNT SION*** {Mount Zion represents the super volcano's mountain}, ***and with him an HUNDRED FORTY and FOUR THOUSAND*** {being the second group of resurrected overcomers/elders of all generations}, ***having HIS*** {the Lamb's/first small part/son of God/Gabriel/morning star} ***Father's NAME*** {Abaddon/last small part/God the father/Michael/bright moon} ***written in THEIR*** {144,000} ***FOREHEADS*** {minds}.

In Revelation 14:1, John saw a Lamb standing on new Mount Zion. The Lamb represents the visions and oracles written on the first small part of the seventh part of the scroll of life's other side. On this first small part (equated with the morning) are also written the same visions and oracles that are written on the last small part (equated with the ending of the seventh evening) of the seventh part of the scroll of life's first side, just as the beginning of the seventh day's morning sun's light at dawn witnesses the ending bright moon's light when the seventh evening is ending.

The last small part is the father of the Lamb (first small

part) because the Lamb is an exact copy of the visions and oracles written on the last small part. The father's name (Abaddon/Michael/last small part) will have been placed (marked/sealed) on the front (foreheads) of the minds of the latter day overcomers, that are of the 144,000, at the end of the sign of Jonah. All the other overcomers of all generations that are of the 144,000 will have placed the name of the Lamb's (representing the beginning of the seventh light and seventh thunder of the seventh angel with trumpet) father (Abaddon/Michael/last small part) on the front (foreheads) of their minds at the latter day resurrection, that happens at the end of the sign of Jonah when the super volcano temporarily erupts.

The verse in Revelation 14:1 had been revealed during the judgment from the visions and oracles written on the seventh plagued angel (equated with the last small part that mixes with the first small part, just as the ending of the seventh evening mixes with the beginning of the seventh day's morning at dawn). These visions and oracles reveal the 144,000 standing on new Mount Zion, on which is built the spiritual temple. Accordingly, the 144,000 stand as spiritual pillars on new Mount Zion, being elders of the spiritual temple. When the temporary eruption of the super volcano (new Mount Zion) happens at the end of the sign of Jonah, it is as if the dead overcomers of all generations rose from beneath the super volcano to be figuratively standing upon it.

Revelation 14:2 And I HEARD a VOICE {equated with a written oracle being revealed from the first small part/Lamb during the judgment} **from HEAVEN** {being the sea of glass where the judgment is happening}, **as the voice of MANY WATERS** {which are equated with tribes/nations/spiritual waters}, **and as the voice of a GREAT THUNDER** {which is equated with the super volcano's temporary explosion at the end of the sign of Jonah}: **and I heard the VOICE OF HARPERS** {being the voice of the resurrected 144,000} **HARPING** {harping/playing the seven stringed instrument to sing the everlasting gospel that warns of the seven plagued angels before they begin} **with their HARPS** {the gold harps represent the first witness' written silvery moonlight visions and oracles mixed with the last witness' written coppery sunlight visions and oracles on the first small part and last small part}:

The Apostle John heard a voice from heaven. This heaven represents the sea of glass where the judgment is happening. When the super volcano temporarily explodes at the end of the sign of Jonah, it causes the great thunder that the Apostle John heard. This great thunder is equated with the oracle that is written on the first small part and last small part concerning the sound of the great thunder. When the Lamb replays the great sound of thunder during the judgment, the Lamb (being the visions and oracles

written on the first small part) will have revealed the written oracle that replays the great thunder at the end of the sign of Jonah.

The many waters mentioned in Revelation 14:2 represent the tribes and nations of the 144,000. At the end of the sign of Jonah, the super volcano will temporarily erupt with a great sound of thunder and a great earthquake. The great earthquake marks the time of the latter day resurrection for all the overcomers of all past generations that are of the first group and second group of redeemed. The second group of redeemed represents the 144,000 of all generations. The reason why the 144,000 are mentioned in Revelation 14:2 is that it is equated with the past type when mainly the children of the adults of Israel entered into old Canaan as adults after wandering in the wilderness for 40 years.

The harps represent what the first witness (equated with silvery moonlight at the end of the seventh evening) wrote as visions (equated with a harp) and oracles (equated with the song played on the harp) on the last small part (equated with the ending of the seventh evening at dawn) and what the last witness (equated with coppery morning sunlight of the seventh day) wrote as visions (equated with a harp) and oracles (equated with the song played on the harp) on the first small part (equated with the beginning/morning of the seventh day's sunlight at

dawn).

Revelation 14:3 *And THEY* {144,000/second group of redeemed} **SUNG** {to a great multitude} **AS IT WERE** {as it were a new song because the song had already been sung in a previous replay of the last generation} **a NEW SONG** {this song is the everlasting gospel} **before** {in front of} **the** {judgment} **THRONE** {on which is sitting the visions and oracles of God the father ruling over the lava covered kingdom of latter day Babylon}, **and before the FOUR BEASTS** {representing the first group of redeemed that has been viewing the judgment for more than 1,000 years}, **and the ELDERS** {representing the second group of redeemed that has been viewing the judgment for more than 1,000 years}: **and NO MAN** {no man except the Lamb and four beasts} **could learn THAT SONG** {song of the everlasting gospel that warns of the seven plagued angels} **but the HUNDRED and FORTY and FOUR THOUSAND** {144,000}, **which were REDEEMED** {saved from every generation} **from the EARTH** {Earth/land of spiritual Canaan} .

For more than 1,000 years of the judgment, the visions and oracles of God the father (equated with the last small part) have been sitting and reigning on the throne of intense light over the lava covered kingdom of latter day Babylon. In front of (before) the throne of God the father

within new Jerusalem are the four beasts (first group of redeemed being priests), 24 elders (second group of redeemed being the 144,000), great multitude of angels (third group of redeemed); standing as ghosts outside and around new Jerusalem are the rebellious people, being the dead, who are also viewing the judgment. In Revelation 14:3, the three groups of redeemed and rebellious dead people are viewing and hearing the visions and oracles that reveal the time when the 144,000 resurrected at the end of the sign of Jonah to, thereafter, learn a new song, which is the everlasting gospel. From the day of new Pentecost, the everlasting gospel is proclaimed to all nations to ripen a great multitude before the super volcano explodes and erupts smoke and ash for five months.

When the super volcano temporarily erupts with a great earthquake at the end of the sign of Jonah, it marks the resurrection and redemption of all the overcomers of every generation that died believing in the message of a true prophet that lived in their generation. No man but the Lamb (representing the visions and oracles written on the first small part) and four beasts (representing the first group of redeemed of all generations) and 144,000 (second group of redeemed of all generations) could learn to play on spiritual golden harps and sing the song of the everlasting gospel.

During the judgment, the Lamb's written visions and oracles reveal the 144,000 harpers when they were

singing their song to ripen and gather a great multitude from all nations. Their song warns of the seven plagued angels' visions and oracles, that begin being fulfilled when Abaddon is rising as the bottomless pit (super volcano). These everlasting gospel is sung to all nations before Abaddon/the Rock/super volcano opens with a massive earthquake-causing eruption, when smoke and ash erupt for five months. Before that time, the 144,000 (second group of redeemed) being assisted by the first group of redeemed will ripen a great multitude (third group of redeemed) of people of all nations with their song (everlasting gospel), that warns of the seven plagued angels that begin being fulfilled when the bottomless pit opens with a massive eruption.

Revelation 14:4 THESE {144,000} ***are they which were not defiled with WOMEN*** {symbolizing the beliefs of leaders in capitals/heads/churches/temples}; ***for they are*** {spiritual} ***VIRGINS*** {single-minded to the two witnesses' prophecies and having not yet given spiritual birth to a great multitude}. ***These are they which follow the LAMB*** {equated with the visions and oracles written on the first small part of the seventh part of the scroll of life's other side} ***whithersoever HE*** {Lamb} ***goeth*** {leads}. ***These*** {144,000} ***were REDEEMED from among MEN*** {representing states/nations/spiritual tribes in the spiritual land of Canaan}, ***being the***

FIRSTFRUITS {firstfruits of the spiritual wheat harvest gathered/redeemed after the spiritual barley harvest/first group of redeemed} **unto God** {equated with the visions and oracles written on the last small part of the seventh part of the scroll of life's first side} **and to the Lamb** {equated with the visions and oracles written on the first small part of the seventh part of the scroll of life's other side}.

The 144,000 are spiritual virgins because – prior to giving spiritual birth to a great multitude of redeemed – they will have abstained from fornicating with the strange beliefs of all nations, churches and doctrines. At the end of the sign of Jonah, the super volcano temporarily explodes with a great earthquake, which marks the time of the latter day resurrection. At that time, the overcomers that died in every generation as faithful believers of a living prophet's message will then resurrect to life and health. The first group of overcomers will resurrect with the second group of overcomers (144,000). Then during the 50 days of new Pentecost (which began at the beginning of the sign of Jonah), the first group (apostles) of redeemed and second group (disciples) of redeemed learn a new song (message of the everlasting gospel). At the beginning of the fiftieth evening (new Pentecost), the 12,000 apostles and 144,000 disciples will receive the Holy Spirit's power. Then they will go forth as living waters to convert a great multitude of people (third group of redeemed) of all nations,

kindreds, tongues, and people. In the past type, the harpers were typified by Yahshua's faithful apostles and disciples, being the 120 people in the upper room (see Acts 1:15). Every person in the upper room received some form of the Holy Spirit's power on the last day of old Pentecost to facilitate them in giving the old gospel to all nations.

Acts 1:15 And in those days Peter stood up in the midst of the disciples, and said, (the number of names together were about an hundred and twenty,)

Revelation 14:5 And in THEIR {144,000} MOUTH was found NO GUILE {since they will speak the straight truth – new song – when proclaiming the everlasting gospel}: for they are WITHOUT FAULT {after they have learned their new song, they will have no faults in their new message} before the THRONE {throne of intense light upon the sea of glass where the judgment is replaying what happened concerning the 144,000 during new Pentecost} of God {God the father/last small part}.

Before the throne of God the father (equated with the visions and oracles written on the last small part), the Lamb (equated with the visions and oracles written on the first small part) reveals visions and oracles during the judgment. In Revelation 14:5, the Lamb is revealing

visions and oracles that replay the time when the 144,000 had learned a new song during new Pentecost. The 144,000 will then have no guile (error) coming from their mouths when they proclaim the pure message of the everlasting gospel to all nations. Since the 144,000 will proclaim a pure message from their mouths, they proclaim the everlasting gospel to all nations, kindreds, tongues, and people with no faults in their message.

Revelation 14:6 And I saw another ANGEL

{representing the message that is proclaimed/sung by the first group and second group/144,000 of redeemed from the day of new Pentecost} ***FLY*** {as beams of the spiritual moon's light/first witness' visions and beams of the spiritual sun's light/last witness' visions} ***in the midst of heaven*** {sky}, ***having the EVERLASTING*** {that is written on the everlasting scroll of life} ***GOSPEL***

{pertaining to the good news gospel of salvation from the seven plagued angels} ***to PREACH*** {sing the new song} ***unto them that dwell on the EARTH*** {latter day spiritual Canaan}, ***and to EVERY NATION*** {all nations}, ***and KINDRED, and TONGUE, and PEOPLE*** {from all nations, kindreds, tongues, and people, the great multitude of all nations will be ripened with the everlasting gospel during before the seven plagued angels begin being fulfilled}.

From the new day of Pentecost, the everlasting gospel will be proclaimed to all latter day nations to save a great multitude of people. The first group and second group (144,000) of redeemed will be proclaiming their message to all nations concerning the good news of the everlasting salvation before the super volcano opens and erupts smoke and ash for five months.

The message of the everlasting gospel is represented by the angel (vision) in Revelation 14:6 spiritually flying as rays of moonlight (equated with the first witness' visions) and rays of sunlight (equated with the last witness' visions) while speaking (oracles) its message as it travels through the middle of the sky (heaven).

Revelation 14:7 Saying with a LOUD VOICE {that warns of the loud sound of thunder, that happens when the super volcano explodes with a loud voice}, ***FEAR GOD*** {Abaddon/the Rock}, ***and give glory to him; for the HOUR*** {to rule over the kingdom of latter day Babylon} ***of HIS*** {Abaddon/the Rock/God the father} ***JUDGMENT is COME*** {on the day the bottomless pit/super volcano explodes and begins erupting smoke and ash, that erupt for five months}: ***and worship HIM*** {God the father/visions and oracles written on the last small part} ***that MADE*** {by replaying all generations from the beginning generation through to the last

generation and continuing time of the judgment} *heaven, and earth, and the sea, and the fountains of waters.*

While the everlasting gospel is being proclaimed to all nations, kindreds, tongues, and people, the Apostle John then saw a vision and heard an oracle of an angel moving as beams of light in the middle/midst of the Earth's atmosphere (heaven). This spiritual angel represents the vision and oracle written in Revelation 14:7 that is proclaimed by the first group and second group of redeemed to all nations when the super volcano explodes and begins erupting smoke and ash in the USA, which erupt for five months. From the time the super volcano explodes, the hour will have come when the visions and oracles written on the last small part (God the father) begin reigning over the kingdom of latter day Babylon.

After latter day Babylon's reign begins ending when the super volcano explodes in the USA, the first group of redeemed will assist the 144,000 in ripening the third group of redeemed before the super volcano swells to heaven and explodes with a great voice of thunder. before the great voice of thunder, every nation, kindred, tongue, and people will hear this angel's message of the everlasting gospel concerning eternal salvation. The message of the everlasting gospel warns of the plagues that will be loosed when the smoke and ash erupting super volcano swells to heaven and explodes magma into the sky. While smoke and ash are erupting from the super

volcano, the everlasting gospel warns all US states and nations to worship the seventh plagued angel, whose visions and oracles are replaying all things that exist and will happen.

Presently, the visions and oracles written on the last small part (God the father) are being revealed by the Lamb during the judgment to remake the old Earth's heaven (atmosphere), the old Earth, and the sea, and the fountains of waters, as they existed from the beginning through to the time of a new heaven and new Earth and the continuing judgment period. Everything that is happening in this last generation, including the lives we are living, are according to what is written on the last scroll/scroll of life, which the Lamb is revealing from the visions and oracles written on the first small part of the seventh part of the scroll of life's first side. Accordingly while the everlasting gospel is being proclaimed to all nations, kindreds, tongues, and people, the visions and oracles written on the last small part (God the father) will then be replaying what happened when the super volcano exploded and began erupting smoke and ash.

Revelation 14:8 And there FOLLOWED ANOTHER
{second} ***ANGEL*** {representing a written vision and oracle}, ***saying, BABYLON*** {beginning with the USA}
IS FALLEN {is fallen when the super volcano exploded

and began erupting smoke and ash according to the visions and oracles written on the last small part/God the father}, ***IS FALLEN*** {is fallen when the super volcano exploded and began erupting smoke and ash according to the visions and oracles written on the first small part/Lamb/son of God}, ***that GREAT CITY*** {USA's ruling capital city, which is equated with the ancient city named Babylon}, ***because SHE*** {leadership in the USA's ruling capital} ***made all nations DRINK of the WINE*** {USA's ideals that it envisioned for the world's future} ***of the WRATH*** {military force} ***of HER*** {USA's ruling capital} ***FORNICATION*** {after being warned of her imminent demise before and after the sign of Jonah, she instead ignored the warnings and continued fornicating/business as usual with foreign nations and merchants, that place their substance/goods in her land to her pleasure}.

The Apostle John saw the vision and heard the oracle of another (second) angel (vision) in Revelation 14:8, following the first angel (vision), as it flew through the middle of Earth's sky as the combined beams (visions) of the spiritual moon's (first witness') light (vision) and spiritual morning sun's (second witness') light (vision). The saints (priests/first group and elders/second group of redeemed) will reveal to the great multitude the message that is written in Revelation 14:8. This message (vision and oracle) of the second angel is proclaimed to all

nations at the time the super volcano explodes. At that time, the message will declare that latter day Babylon is fallen according to the two witnesses' written visions and oracles. The reason that latter day Babylon falls is that the exploding super volcano in the USA brings an end to the reign of latter day Babylon. This massive explosion causes a great earthquake, which casts the USA's ruling capital city to the ground. At the time of the massive eruption, the first group and second group of redeemed will be proclaiming this vision and oracle of the second angel written in Revelation 14:8 to finish ripening the great multitude.

When the super volcano in the USA explodes with a great sound of thunder and a great earthquake, then latter day Babylon's (USA's) reign on the throne “is fallen,” according to the first witness' visions and oracles written on the last small part. Also, latter day Babylon's (USA's) reign “is fallen” according to the last witness' visions and oracles written on the first small part. The leaders and people of the latter day great city – USA's ruling capital and nation – will have rejected the everlasting gospel before being cast to the ground by the massive earthquake-causing eruption, as smoke and ash begin to erupt.

Prior to the USA's fall, the leadership in the USA's capital caused all nations to become spiritually drunk on her ideals that she (ruling capital) envisions for the world's

future. This is opposite to the past type, where the old city and nation of Babylon forced nations to drink of the wine of its wrath; thereby, those nations became a part of old Babylon's kingdom by force. The prophecy in Revelation 14:8 is constructed from this past type. In our day, the USA's capital deceives with her ideals (spiritual wine) the union of nations to enforce the USA's vision for the world on non complying nations. Once a non complying nation falls, the complying nation's new leadership is permitted to trade (spiritually fornicate) their goods with the USA's capital and nation. All the nations are drunk on the USA's ruling capital's spiritual wine (ideals), whereby the nations spiritually fornicate (trade) by placing their goods in the land of the USA. Her (USA's ruling capital's) ideals of how she thinks the world's future will be is opposite to the two witnesses' predictions, since the two witnesses' visions and oracles prophesy that the USA will fall when the super volcano explodes with a massive earthquake-causing eruption.

Isaiah 21:9 And, behold, here cometh a CHARIOT {equated with a fiery whirlwind} OF MEN {being the riders of the white, red, black, and pale horse}, with a COUPLE {two} OF HORSEMEN {being the two witnesses' written visions and oracles}. And he answered and said, {latter day} Babylon IS FALLEN {on the day the super volcano explodes with a massive earthquake-causing eruption and begins erupting smoke and ash,

according to the first witness' written visions and oracles}, *IS FALLEN*; {on the day the super volcano explodes with a massive earthquake-causing eruption and begins erupting smoke and ash, according to the last witness' written visions and oracles} *and all the graven images of her gods HE* {Abaddon/the Rock/super volcano} *hath BROKEN UNTO THE GROUND* {by the massive earthquake-causing eruption}.

Revelation 14:9 And the THIRD ANGEL {representing a written vision and oracle that is proclaimed by the first group and second group/144,000 of redeemed when the super volcano explodes} ***FOLLOWED THEM*** {two previous angels' visions and oracles}, ***saying with a LOUD VOICE OF THUNDER*** {being the great thundering sound that will be heard when the swelled to heaven super volcano explodes with a massive earthquake-causing eruption}, ***If*** {when the voice of thunder happens} ***any MAN*** {nation/tribe} ***worship the BEAST*** {kingdom of latter day Babylon that reigned as the seventh kingdom} ***and his IMAGE*** {same kingdom of latter day Babylon that will have reigned as the eighth kingdom enforcing the USA's vision on non complying nations}, ***and receive his MARK*** {spiritual wine cup full of the USA's spiritual wine/ideals that it envisions for the world's future} ***in his FOREHEAD*** {being spiritually drunk on the wine/ideals of confusion in their

mind/forehead by believing them}, *or in his HAND* {by accepting the spiritual wine cup but may not believe them},

This angel's message will be proclaimed by the everlasting gospel from the time the super volcano explodes with a massive earthquake-causing eruption, as it begins to erupt smoke and ash. The massive explosive eruption from the 40-mile wide immense mouth of the super volcano causes a great sound of thunder to be heard, as the deafening sound travels throughout the skies. The great sound of thunder is equated with the great sound of a trumpet, which marks the time when the redeemed of all nations, kindreds, tongues, and people are to forsake everything and travel to the rising ensign of intense light. All the redeemed will travel to the rising ensign while smoke and ash are erupting for five months from the super volcano.

As the redeemed travel to the ensign from all parts of the world when they hear the great sound of thunder, they will not be worshiping the capitalistic and democratic ways of the latter day Babylonian beast (beast/kingdom that reigned as the number seven kingdom) and its image (same beast/kingdom that reigned again but as the number eight kingdom). The redeemed will warn the nations not to worship what the Babylonian beast and its image envisions for the world's future. If nations and people accept the vision of the beast and its image over the two

witnesses' vision for the world's future, they will have the figurative mark (ideals) in their hand by agreeing to the beast's (kingdom's) ideals (wine cup). The redeemed will also warn the nations and people of spiritually receiving the figurative mark on the forehead (forehead/mind/way of thinking) by spiritually drinking (being figuratively drunk/way of thinking) of the spiritual wine (ideals), that the false prophet (USA) envisions for the world's future. At that time, the ideals of latter day Babylon's kingdom will prophesy that the smoke and ash erupting from the super volcano will end soon and the super volcano will become dormant and everything will return to business as usual, just as it was before the super volcano exploded with a massive earthquake-causing eruption and began erupting smoke and ash.

Revelation 14:10 The SAME {nations that have or receive the figurative mark in their hand or forehead} ***shall DRINK*** {encounter} ***of the WINE*** {equated with the written visions and oracles concerning the seven plagued angels} ***of the WRATH of God*** {Abaddon/the Rock/God the father}, ***which is poured out WITHOUT MIXTURE*** {full strength/undiluted} ***into the CUP of HIS*** {Abaddon/the Rock/God the father} ***INDIGNATION*** {which the rebellious nations encounter/drink}; ***and HE*** {every nation, beginning with the USA} ***shall be TORMENTED with FIRE*** {the

immense lake of fire that overflows and spreads from the swelled to heaven immense 40-mile wide mouth of the super volcano} *and BRIMSTONE* {molten rock/lava} *in the PRESENCE of the HOLY ANGELS* {referring to the angels/messengers that are the third group of redeemed within new Jerusalem; new Jerusalem is round about the judgment throne that sits on the sea of glass above the high mountain of the super volcano}, *and in the PRESENCE of the LAMB* {representing the visions and oracles written on the first small part/son of God}.

When the super volcano explodes and is erupting smoke and ash for five months as the initial six of seven plagued angels are pouring out their plagues, all nations at that time that reject the final warnings of the everlasting gospel and instead remain in their land, hoping the ideals that the latter day Babylonian kingdom is promoting will happen, will have the figurative mark of the beast. At the end of the five months of erupting smoke and ash when the sixth plagued angel is ending, the seventh plagued angel will be beginning when Abaddon/the Rock will have finished rising from the bottomless pit to become the swelled to heaven super volcano, radiating as a great star of light (ensign). Then all the redeemed will enter the ensign of new Jerusalem. Thereafter, the swelled to heaven super volcano's 40-mile wide mouth (full of a lake of fire) will explode with a massive eruption, that causes an earthquake such as never happened. From the time of

the massive eruption, the lake of fire will overflow and begin spreading from within the USA to all nations.

The nations, peoples, kindreds, and tongues that have the mark of the beast will have refused to accept the everlasting gospel, forsake everything and every non believer, and journey to enter the risen intense light of the ensign before the lake of fire spreads from within the USA. When the lake of lava overflows from the lifted-up to heaven super volcano (Abaddon/the Rock) and spreads as rivers of lava throughout the world, all nations that remained outside the ensign of new Jerusalem will be tormented by the spreading lake of fire with molten rock (brimstone/lava).

Since the anger of the swelled to heaven super volcano is being revealed by the Lamb (first small part/son of God) during the judgment according to the visions and oracles written on the last small part (God the father), the anger of the swelled to heaven super volcano is equated with the anger of god the father, as replayed during the judgment in the presence of the Lamb and the third group (holy angels/messengers) of redeemed. The third group of redeemed are referred to as holy messengers (angels) because they will have proclaimed the final warnings of the everlasting gospel during the five months of erupting smoke and ash, as they journeyed to the rising ensign. When they entered the risen ensign of intense light radiating from the lake of fire in the swelled to heaven

super volcano's immense mouth, they then were the holy messengers (angels) dressed in garments of fine white linen (equated with the intense white light of the ensign) before the father's throne and before the Lamb.

Isaiah 27:4 *Fury is not in me: who would set the BRIERS AND THORNS {referring to the rebellious nations} against me in battle {battle of Armageddon}? I {risen Abaddon/the Rock/super volcano} would go through them, I would burn them together.*

Isaiah 27:13 *And it shall come to pass in that day, that the GREAT TRUMPET {representing the great sound of thunder, which happens when the super volcano explodes with a great sound of thunder} shall be BLOWN {equated with the great sound of thunder that calls the redeemed out of the nations}, and THEY {the redeemed that accepted the everlasting gospel} shall come which were ready to perish in the land of Assyria, and the outcasts in the land of Egypt, and shall worship the LORD {risen Abaddon/the Rock/Michael} in the HOLY MOUNT {new mount Zion that is equated with the swelled to heaven super volcano's holy mountain full of the holy/pure lake of fire} AT {new} JERUSALEM {the walls of new Jerusalem are equated with great hailstones raining down around an immense whirlwind of fire, which surrounds the super volcano's high mountain full of a lake of fire}.*

Revelation 14:11 And the SMOKE {burning by a spreading lake of fire} ***of THEIR*** {nations that have the mark of the latter day Babylonian beast} ***torment ascendeth up for EVER and EVER*** {as far as the eye can see}: ***and THEY*** {rebellious nations that rejected the everlasting gospel and remained outside new jerusalem's ensign} ***have no rest day nor night, who worship the BEAST*** {kingdom of latter day Babylon that reigned as the seventh kingdom in spiritual Canaan}, ***and his IMAGE*** {kingdom that again united in agreement to reign as the eighth kingdom in spiritual Canaan enforcing the USA's vision on non complying nations and people}, ***and whosoever receiveth the MARK*** {wine cup full of confused ideals concerning the world's future} ***of his NAME*** {of latter day Babylon/confusion}.

The lake of fire will spread from within the USA and flow to all nations, kindreds, tongues, and people. The lands of these nations, kindreds, tongues, and people will burn when rivers of fire flow through them, as the smoke of their burning ascends as far as the eye can see. The burning lands will be in torment because they rejected, persecuted, and killed the saints (first group and second group of redeemed) that were proclaiming the everlasting gospel in an attempt to save them before the seven plagued angels began being fulfilled.

As rivers of lava flow throughout the world, there is no rest for the nations, kindreds, tongues, and people that worship what the beast and its image envisioned for the world's future. They will have rejected the everlasting gospel to instead accept the mark of what the kingdom named latter day Babylon was envisioning for the world's future. Thereby having accepted into their hand and believed in their mind (forehead) the ideals (spiritual wine in cup full of what the beast and its image envisioned for the world's future) of the latter day Babylonian kingdom that reigned as the number seven kingdom and reigned again as the number eight kingdom (being the image of the number seven kingdom).

Revelation 14:12 Here {referring to the predictions written in the previous verses} ***is the PATIENCE*** {patience concerning the imminent rising of Abaddon/the Rock/super volcano from the bottomless pit} ***of the SAINTS*** {first group and second group/144,000 of redeemed}: ***here are they that KEEP the COMMANDMENTS*** {written messages of what the three groups of redeemed do, as written in the book of Revelation} ***of God*** {visions and oracles written on the last small part}, ***and the FAITH*** {the faith the written visions and oracles will happen, just as latter day new Jesus has faith the visions and oracles will happen} ***of*** {new} ***Jesus*** {latter day messenger that prophecies to

latter day Babylon/confusion}.

The first group and second group of redeemed are the saints (priests and elders) of the spiritual temple. They will have the patience to wait for the rising of Abaddon/the Rock while they proclaim the everlasting gospel to all nations. These saints will have the commandments (written visions and oracles) of God (God the father/visions and oracles written on the last small part) as revealed by latter day Moses (new Jesus). These saints will also have the same faith as latter day new Yahshua/Jesus concerning the commandments written on the last small part (God the father equated with the Ark of the testament) of the seventh part of the scroll of life's first side.

Revelation 14:13 And I heard a voice from heaven saying unto me, WRITE {the Apostle John was physically living on Patmos writing the Book of Revelation's visions and oracles as he saw and heard them while in the spirit}, ***BLESSED are the DEAD which DIE*** {being martyred as a faithful believer} ***in the LORD*** {died as a martyr in the visions and oracles written on the Lamb/first small part of the seventh part of the scroll of life's other side} ***from HENCEFORTH*** {while they are proclaiming the everlasting gospel}: ***Yea, SAITH THE SPIRIT*** {being the combined two witnesses/one like the

son of man/first and last/beginning and end}, **that they MAY REST** {while dead} **from their LABOURS** {from the burden of proclaiming the everlasting gospel}; **and their WORKS** {of believing, supporting, and proclaiming the new saving truth/everlasting gospel} **do FOLLOW THEM** {the dead believers will be resurrected to journey and enter the ensign of new Jerusalem to play a part in the new heaven and new Earth, and they will stand in their rightful place within new Jerusalem during the judgment}.

The Apostle John was told in Revelation 14:13 to immediately write (hence he was on the isle of Patmos writing the visions and oracles as he saw and heard them while in the spirit) concerning the blessed people – who are of the first group, second group, and third group of redeemed – that are killed by rebellious people during the time when the everlasting gospel is being proclaimed. Some of the overcomers that are of the third group of redeemed will have been martyred for believing and prophesying of the everlasting gospel from the time the super volcano exploded and erupted smoke and ash, just as many of the overcomers that are of the first group and second group of redeemed will have also been martyred for giving their testimony of the everlasting gospel of salvation before and after the super volcano exploded. The three groups of redeemed warn of the plagues of death that will be loosed from the exploded super

volcano, which causes many of them to be persecuted and killed by the rebellious, that have accepted the mark (visions of the world's future) of the beast (kingdom of latter day Babylon) in their right hand and have the same visions in their forehead (mind). However, it states in Revelation 14:13 that the faithful works of the latter day martyrs follow them while they are lying dead and resting from having to continually fight the good fight of warning the nations of the seven angels' plagues ascending from the bottomless pit. Accordingly, all the faithful martyrs will resurrect to journey and enter the ensign of new Jerusalem before the lake of fiery lava overflows and covers the world.

In the present replay of the last generation, the old Earth will be covered in lava, just as it happened in the first timeline and previous replays of the last generation. After the old Earth is consumed by a lake of fire, the new heaven and new Earth is replayed that shows time when the redeemed began to live therein, having new bodies and minds that have no memory of what happened in the old earth or that an old Earth existed. The replay of the last generation, also shows the time when the redeemed entered the ensign of new Jerusalem to stand in the spirit as ghosts of their former selves when the judgment began.

Revelation 14:14 And I looked, and behold a WHITE

CLOUD {representing the intensely bright white light of the ensign materializing above the swelled to heaven super volcano, full of a lake of fire, after five months of erupting ash and smoke}, **and upon the cloud ONE SAT LIKE unto the SON OF MAN** {being the last and first, end and beginning, bright star/moon and morning star/sun, God the father and son of God, visions and oracles written on the last small part/first witness and first small part/last witness}, **having on his HEAD a GOLDEN** {this gold represents the spiritual silver visions of the bright moon/first witness mixed with the spiritual coppery visions of the morning sun/last witness} **CROWN** {ruling over the kingdom of latter day Babylon}, **and in his HAND a SHARP SICKLE** {harvesting instrument representing the time to gather the three groups of redeemed of all nations kindreds tongues and people into the intense white light of the ensign, which is emanating around and above new Jerusalem, which surrounds the swelled to heaven super volcano, full of a lake of fire}.

After thick black smoke and ash have erupted for five months out of the super volcano's opened 40-mile wide mouth, then the super volcano in the USA will have risen to heaven and full of a lake of fire. At that time, a great white cloud of intense white light will be seen high above and around the lifted-up to heaven super volcano full of a lake of fire. This light represents the bright star

(Abaddon/the Rock) that had risen to heaven from bottomless pit.

When Abaddon/the Rock has risen as a bright star upon the top of the swelled to heaven super volcano, then the one sitting and reigning on the intensely bright white cloud (star) is the one like the son of man, who represents the visions and oracles written on the last small part (God the father/first witness) and first small part (son of God/last witness).

On the one like the son of man's head is a golden crown. This golden crown reveals that the USA's fallen nation will be the first nation to be ruled by the risen Abaddon/the Rock, which is according to the spiritual moon's (first witness'/Michael's) silvery light (visions) mixed with the spiritual morning sun's (second witness'/Gabriel's) coppery light (visions) to create the golden crown.

The written visions and oracles of the one like the son of man will have risen as a bright star when the swelled to heaven super volcano is full of a lake of fire. From that time, the three groups of redeemed will be able to enter new Jerusalem's ensign, because the tremendous heat of the lake of fire (that has filled the immense 40-mile wide mouth of the swelled to heaven super volcano) causes new Jerusalem (representing an immense whirlwind of fire surrounding the super volcano) to manifest. Hence the

reason why the one like the son of man has the harvesting sickle in his hand to bring the redeemed into the safety of the intensely bright ensign of new Jerusalem.

Revelation 14:15 And ANOTHER ANGEL {representing a vision and oracle of the sixth plagues angel} ***CAME OUT of the TEMPLE*** {representing the immense mouth of the swelled to heaven super volcano}, ***CRYING with a LOUD VOICE*** {representing a great sound of thunder} ***to HIM*** {Abaddon/the Rock/super volcano} ***that SAT on the CLOUD*** {a great white throne/cloud of the intense brightness radiating from the lake of fire, which is in the immense mouth of the swelled to heaven super volcano}, ***THRUST in thy SICKLE, and REAP: for the TIME IS COME*** {the time is come when the lifted-up to heaven super volcano's immense 40-mile wide mouth is full of a lake of fire when smoke and ash are no longer erupting} ***for thee to REAP; for the HARVEST*** {spiritual fruit harvest/great multitude being the third/final group of redeemed} ***of the EARTH is RIPE.***

At the end of the five months of erupting smoke and ash, a great sound of thunder from the immense mouth of the swelled to heaven super volcano (full of a lake of fire) is as the voice of the sixth plagues angel. At that time, all the redeemed will begin entering into the ensign of new Jerusalem, while the sixth plagues angel is happening.

The loud voice of the sixth plagued angel cries to the risen Abaddon/the Rock from the swelled to heaven super volcano. The loud sound of thunder tells the risen Abaddon/the Rock (super volcano) that the time has come to reap the ripened harvest, which pertains to the gathering of a great multitude (third group of redeemed) of overcomers from all nations into new Jerusalem's ensign. The great multitude (equated with the fruit harvest) will have been ripened with the everlasting gospel, that was proclaimed by the first group and second group of redeemed during the five months when smoke and ash were erupting from the super volcano.

Revelation 14:16 And HE {risen Abaddon/the Rock} ***that sat on the CLOUD*** {representing the throne of intense white light/ensign} ***THRUST in his SICKLE on the earth*** {land}; ***and the earth was REAPED*** {the reaping of the fruit harvest happens when a great multitude have entered the intense light of the ensign of new Jerusalem after a great sound of thunder of the sixth plagued angel happened}.

All the redeemed will travel to the immense light of the ensign, radiating like a bright star from the top of the swelled to heaven super volcano, full of a lake of fire. At that time, new Jerusalem (huge fiery whirlwind) will have manifested to be surrounding the lifted-up to heaven lava-

filled immense mouth (spiritual temple) upon the high mountain of new Zion {Abaddon/the Rock/super volcano). Before the lake of fire overflows and spreads from within the USA, all three groups of redeemed of all nations, kindreds, tongues, and people will have entered the ensign of new Jerusalem.

Isaiah 5:26 *And HE* {risen Abaddon/the Rock/super volcano} *will lift up an ENSIGN* {an intensely bright white light radiating from the top of the swelled to heaven super volcano, full of a lake of fire} *to the nations from FAR* {from within the USA}, *and will HISS* {great hissing sound of the lake of fire/lava in the immense 40-mile wide mouth of the swelled to heaven super volcano} *unto them from the end of the earth: and, behold, THEY* {overcomers/redeemed} *shall come with speed swiftly:*

Isaiah 18:3 *All ye inhabitants of the world, and dwellers on the earth, see ye, when HE* {Abaddon/the Rock/super volcano} *lifteth up an ENSIGN* {of an intensely bright light} *on the mountains* {of the swelled to heaven super volcano}; *and when HE* {super volcano} *bloweth a TRUMPET* {representing a great thundering sound when the super volcano explodes and begins erupting smoke and ash}, *hear ye.*

Isaiah 31:9 *And HE* {representing the USA in the latter days} *shall pass over to his strong hold for fear, and his princes shall be afraid of the ENSIGN* {the intensely

bright light above the swelled to heaven super volcano}, *saith the Lord* {one like the son of man}, *whose FIRE* {lake of fire within the immense 40-mile wide mouth of the swelled to heaven super volcano} *is in* {new} *Zion* {representing the mountain of the swelled to heaven super volcano}, *and his FURNACE* {lake of fire in the immense mouth/furnace of the swelled to heaven super volcano} *in* {new} *JERUSALEM* {new Jerusalem represents an immense whirlwind of fire, that surrounds new Zion/ super volcano}.

Isaiah 2:2 *And it shall come to pass in the LAST DAYS, that* {after five months of smoke and ash have erupted} *the MOUNTAIN* {new Zion} *of the Lord's* {one like the son of man's} *HOUSE* {equated with an immense mouth/temple/house of the super volcano, full of a lake of fire} *shall be established in the top of the mountains, and exalted* {as a bright light/ensign upon the swelled to the sky super volcano} *above the hills; and ALL NATIONS* {of a great multitude of overcomers} *shall flow unto IT* {the ensign of new Jerusalem}.

Zephaniah 3:8 *Therefore wait YE* {overcomers} *upon ME* {Abaddon/the Rock}, *saith the Lord* {one like the son of man}, *until the day that I RISE* {as a swelling super volcano} *up to the prey: for my determination is to gather the nations, that I may assemble the kingdoms* {that reject the everlasting gospel and remain outside new Jerusalem's ensign}, *to pour upon them mine indignation, even all my*

fierce anger: for all the earth shall be devoured with the FIRE {spreading lake of fire/lava} of my JEALOUSY {anger}.

Haggai 2:7 *And I {Abaddon/the Rock} will SHAKE {with a massive earthquake-causing eruption as smoke and ash begin to erupt while the super volcano is swelling to heaven and filling with a lake of fire} all nations, and the desire of all nations shall come: and I will fill this HOUSE {representing the immense mouth/house of the swelling to heaven super volcano} with GLORY {being the intensely bright light/ensign/Shekinah glory radiating from the swelled to heaven super volcano's immense mouth when it is full of a lake of fire}, saith the Lord {one like the son of man/first and last/god the father and son of God/last small part and first small part} of HOSTS {coals of fire and great hailstones}.*

Zechariah 2:11 *And MANY NATIONS {that overcame by accepting the everlasting gospel} shall be joined to the Lord {Abaddon/the Rock reigning on a throne of light upon new Zion within new Jerusalem} in that day, and shall be my people: and I will dwell in the midst of thee, and thou shalt know that the Lord of hosts hath sent me unto thee.*

Zechariah 8:20 *Thus saith the LORD {one like the son of man} of HOSTS {coals of fire and great hailstones}; It shall yet come to pass, that there shall COME {to the*

ensign of new Jerusalem} *PEOPLE* {that overcame by accepting the everlasting gospel}, *and the inhabitants of many cities:*

8:21 *And the inhabitants of one city shall go to another, saying, Let us go speedily to pray before the LORD, and to seek the LORD* {one like the son of man} *of HOSTS* {coals of fire and great hailstones}: *I will go also.*

8:22 *Yea, many PEOPLE AND STRONG NATIONS* {that accept the everlasting gospel} *shall come to seek the LORD* {one like the son of man} *of HOSTS* {raining coals of fire and great hailstones} *in* {new} *Jerusalem* {representing a great whirlwind of fire}, *and to pray before the LORD* {on the swelled to heaven new mount Zion/super volcano}.

8:23 *Thus saith the LORD* {one like the son of man sitting on a throne of intense light above the lifted-up to heaven super volcano} *of HOSTS* {coals of fire and great hailstones are raining around the swelled to heaven super volcano}; *In those days it shall come to pass, that TEN MEN* {these ten men are based on the ten lost tribes of the northern kingdom of divided Israel that were taken into captivity by the Assyrian and never returned, but in the latter days representing the new ten tribes of a great multitude} *shall take hold out of all languages of the nations, even shall take hold of the skirt of him that is a JEW* {the Jew is based on the southern kingdom of Judea/Jewry where two tribes remained after the northern

kingdom of Israel split from the southern kingdom, but in the latter days represents the first group and second group of redeemed that proclaim the everlasting gospel}, *saying, We {great multitude} will go with you {to the rising ensign}: for we have heard that God {one like the son of man} is with you.*

Revelation 14:17 And ANOTHER ANGEL {representing the seventh plagues angel} ***CAME OUT*** {to pour out his plague on the USA and all nations of the world} ***of the TEMPLE*** {the temple represents the immense mouth full of a lake of fire upon the lifted-up to heaven super volcano} ***which is in HEAVEN*** {heaven represents the area above the swelled to the sky super volcano}, ***he also having a SHARP SICKLE*** {that is used on all nations, kindreds, tongues, and people that rejected the everlasting gospel and remained outside new Jerusalem's ensign}.

This angel that is coming out of the temple is the seventh plagues angel. The temple is in heaven because it represents the immense mouth of the swelled to the sky super volcano, full of a lake of fire. This angel has a figurative sickle in his hand that is for harvesting the rebellious nations, kindreds, tongues, and people that rejected the everlasting gospel and remained outside the ensign of new Jerusalem.

Revelation 14:18 And ANOTHER ANGEL {representing the high priest who is equated with the first witness' written visions and oracles} **came out from the ALTAR** {this golden altar represents the immense mouth upon the lifted-up to heaven super volcano}, **which had POWER over FIRE** {lake of fire/lava}; **and cried with a LOUD CRY** {representing the time when the swelled to heaven super volcano, full of a lake of fire, explodes with a massive earthquake such as never happened} **to HIM** {seventh plagued angel} **that had the SHARP SICKLE, saying, Thrust in thy sharp sickle, and GATHER the CLUSTERS of the VINE of the EARTH; for her GRAPES** {representing the rebellious nations, kindreds, tongues, and people} **are FULLY RIPE** {having totally rejected the everlasting gospel and instead chose to remain outside of new Jerusalem's ensign}.

Abaddon/the Rock/super volcano will have risen to heaven and filled with a lake of fire. From this immense lake of fire radiates an intensely bright white light, which is the ensign of new Jerusalem. All the redeemed will have entered the ensign before the seventh plagued angel with the sickle in his hand began to harvest the grapes (people) of the vine (kingdom of latter day Babylon).

Another angel (high priest) at the golden altar (representing the super volcano) represents visions and

oracles written on the last small part (God the father/right hand Cherub on the Ark of the testament) that replay the time when the swelled to heaven super volcano exploded with a massive earthquake-causing eruption such as never happened. Hence the voice (written oracle) of the high priest is a loud cry that is equated with the massive sound of thunder caused by the explosion. Accordingly, the massive sound of thunder, as it were, tells the seventh plagued angel to thrust in his figurative sickle to gather the clusters of the fully ripe grapes that are of the vine.

From the time of the angel's (high priest's/first witness') loud cry (great sound of thunder), the lake of fire in the immense mouth of the swelled to heaven super volcano begins to overflow and spread throughout the land. At the same time many whirlwinds of fire manifest because of the great heat of the flowing rivers of lava, as coals of fire and hailstones rain upon the nations, kindreds tongues and people that rejected the everlasting gospel and remained outside new Jerusalem's ensign.

Revelation 14:19 And the ANGEL {seventh plagued angel} ***thrust in his SICKLE into the earth, and GATHERED the VINE*** {that represents latter day Babylon's kingdom} ***of the EARTH, and CAST it into the GREAT WINEPRESS*** {representing an overflowing and spreading lake of fire/lava} ***of the WRATH of God***

{visions and oracles written on the first small part/God the father}.

The great multitude will have followed the first group and second group of saints into the light of the fiery ensign while the lake of fire was still in the immense 40-mile wide mouth of the swelled to heaven super volcano. Thereafter, the swelled to heaven super volcano will have exploded with a great sound of thunder, as a lake of lava begins to overflow and spread throughout the land and world. At that time, the remaining people in all parts of the world will have fully rejected the everlasting gospel proclaimed by the first group (priests) and second group (144,000 elders) of saints of the spiritual temple. These remaining rebellious nations, kindreds, tribes, and people will have fully ripened into sour grapes (representing rebellious people) that are full of the ideals (wine) of the fallen latter day Babylonian beast (kingdom) and its image. Since the super volcano is within the USA, it means the USA (false prophet) will be the first nation to be cast into the overflowing and spreading lake of fire (lava). A lake of Lava will continually overflow from the immense 40-mile wide mouth upon the lifted-up to heaven super volcano, which spreads as rivers of fire to engulf the world.

Revelation 14:20 And the WINEPRESS {representing a

spreading the lake of lava} *was trodden WITHOUT* {outside} *the CITY* {the city new Jerusalem that represents an immense fiery whirlwind around the high mountain of the super volcano}, *and BLOOD* {death} *came out of the WINEPRESS, even unto the HORSE* {symbolizing new Jerusalem} *BRIDLES* {without drowning the horse's head; hence, it can stay alive}, *by the SPACE* {height} *of a THOUSAND and SIX HUNDRED FURLONGS* {the intense light that is divided by the prisms of great hailstones raining around the mountain of the lava erupting super volcano represent the walls of new Jerusalem, which are written as being 3,000 furlongs high. Above these walls of glass/hailstones is where the redeemed stand on the sea of glass/sheet of hail during the judgment after having entered the ensign}.

In Revelation 14:20, a winepress is shown as being trodden outside the city new Jerusalem (immense fiery whirlwind), which surrounds the super volcano's high mountain overflowing with a spreading lake of fire. This illustrates that the overflowing and spreading lake of fire from the 40-mile wide mouth of the lifted-up to heaven super volcano will not affect the overcomers, who will have been gathered out of the nations and entered the ensign to stand upon the holy city.

The blood of the figurative grapes (representing rebellious people) reaches the figurative height of 1600 furlongs (see Revelation 14:20). However, the figurative city of new

Jerusalem is 3000 furlongs high, as stated in Revelation 21:16. This reveals that the death by fire of the rebellious nations and people will not overflow to the righteous overcomers upon the city new Jerusalem. These rebellious nations and peoples are illustrated as grapes whose life blood is removed in a winepress. The blood flowing from the winepress will not drown the horse's "head," which symbolizes the safe haven upon new Jerusalem. This is illustrated by the blood of bad grapes (rebellious) reaching the horse's (redeemed) bridles without drowning the horse {new Jerusalem} or its rider (seventh plagued angel).

Isaiah 63:1 Who is this that cometh from Edom {as the armies of old Israel came from the east to overthrow the Canaanites}, with DYED {blood-stained} garments from Bozrah? this that is glorious in HIS {one like the son of man's} apparel, TRAVELING {as a spreading lake of fire} in the greatness of his strength? I {one like the son of man} that SPEAK {with a great sound of thunder and as raining great hailstones} in righteousness, mighty to save {the overcomers that accepted the everlasting gospel and entered the ensign}.

Isaiah 63:2 Wherefore art THOU {one like the son of man} red in thine apparel, and thy garments like him that treadeth in the winefat?

Isaiah 63:3 I {one like the son of man/first and last} have

trodden the WINEPRESS {representing the spreading lake of fire} *alone; and of the* {trodden rebellious} *people* {grapes} *there was none with me: for I* {one like the son of man} *will tread them in mine anger, and trample them in my fury; and their blood shall be sprinkled upon my garments, and I will STAIN* {with blood} *all MY* {one like the son of man's} *RAIMENT* {white raiment represents the visions written on the first small part/son of God and last small part/God the father}.

Isaiah 13:1 *The burden of* {latter day} *Babylon, which Isaiah the son of Amoz did see.*

13:2 *Lift ye up a BANNER* {of intense white light/ensign} *upon the HIGH MOUNTAIN* {of the swelled to heaven super volcano}, *exalt the VOICE* {of a great sound of thunder when the super volcano explodes and begins erupting smoke and ash} *unto them, SHAKE* {with a great earthquake-causing eruption} *the hand, that THEY* {overcomers} *may go into the GATES* {of new Jerusalem} *of the NOBLES* {priests and elders that stand before Abaddon/the Rock upon the sea of glass above the immense mouth/temple}.

13:3 *I* {one like the son of man} *have commanded my SANCTIFIED ONES* {of flowing brimstone/lava}, *I have also called my MIGHTY ONES* {great hailstones and whirlwinds of fire} *for mine anger, even them that rejoice in MY* {one like the son of man's} *HIGHNESS* {reigning-on-high above the swelled to heaven super volcano's

immense mouth full of a lake of fire}.

13:4 *The NOISE* {of raining great hailstones, each weighing about 70 pounds and whirlwinds of fire} *of a multitude in the mountains, like as of a great people; a tumultuous noise of the kingdoms of nations gathered together: the LORD* {risen seventh plagues angel} *of HOSTS* {great hailstones and whirlwinds of fire} *mustereth the host of the BATTLE* {of Armageddon}.

13:5 *They* {coals of fire, great hailstones, whirlwinds of fire and a spreading lake of fire} *come from a far country, from the END OF HEAVEN* {high in the sky above the super volcano's high mountain, overflowing with a lake of lava}, *even the LORD* {one like the son of man/Abaddon/the Rock} *and the WEAPONS* {coals of fire, great hailstones and whirlwinds of fire} *of his indignation, to destroy the whole land.*

13:6 *Howl ye; for the DAY* {the day when the super volcano swells to heaven and explodes magma into the sky} *of the LORD* {one like the son of man} *is at hand; it shall come as a destruction from the ALMIGHTY* {the almighty 40-mile wide super volcano's high mouth full of a lake of fire}.
