

Chapter 14

Revelation 14:1 And I {Apostle John} looked, and, lo, a LAMB {representing the message of the latter day messenger} stood on the {new} MOUNT SION {Mount Zion represents the super volcano's mountain}, and with him an HUNDRED FORTY and FOUR THOUSAND {being the second group of overcomers/elders of all generations}, having HIS {the Lamb's} Father's NAME {seventh plagues angel} written in THEIR {144,000} FOREHEADS {minds}.

In Revelation 14:1, John saw a Lamb standing on new Mount Zion. The Lamb represents the message of the latter day messenger, who revealed the visions and oracles written on the scroll of life.

The seventh plagues angel is the father of the Lamb because the Lamb is part of the scroll of life's visions and oracles. The father's name (seventh plagues angel) will have been placed (marked/sealed) on the front (foreheads) of the minds of the latter day overcomers, that are of the 144,000, during the sign of Jonah. All the other overcomers of all generations that are of the 144,000 will have placed the name of the Lamb's (representing the beginning of the seventh light and seventh thunder of the seventh angel with trumpet) father (seventh plagues angel) on the front (foreheads) of their minds at the

resurrection when the super volcano explodes in the USA.

The verse in Revelation 14:1 had been revealed during the judgment from the visions and oracles written on the seventh plagued angel. The seventh plagued angel had replayed the time when the 144,000 spiritually stood on new Mount Zion within new Jerusalem when they entered the fiery ensign emanating above and around new Jerusalem. They stood as spiritual pillars on new Mount Zion, being elders of the spiritual temple.

The spiritual temple is equated with the immense mouth of the high mountain of the super volcano that overflowed with a spreading lake of fire. The lifted up to heaven mountain where the elders (144,000) stand is called new Zion. Within the rim of the immense mouth of the high mountain is where the priests (first group of redeemed) stand during the judgment.

Revelation 14:2 And I HEARD {of great thunder caused when the super volcano swelled to heaven and exploded magma into the sky} ***a VOICE*** {the great thunder is equated with the voice of the seventh plagued angel} ***from HEAVEN*** {being the sky/heaven above the super volcano's high mountain filling with a lake of fire}, ***as the voice of MANY WATERS*** {sea of glass equated with great hailstones raining on and around the super volcano

covering the destroyed USA}, *and as the voice of a GREAT THUNDER* {great thunder caused by a massive explosion when the super volcano swelled to heaven and exploded magma into the sky}: *and I heard the VOICE OF HARPERS* {being the voice of the 144,000} *HARPING* {harping/playing the seven stringed instrument to sing the everlasting gospel that warns of the seven visions and seven oracles pertaining to seven plagued angels} *with their HARPS* {the gold harps represent the first witness' written silvery moonlight visions and oracles mixed with the last witness' written coppery sunlight visions and oracles on seven plagued angels}:

The Apostle John heard a voice from heaven. This heaven represents the sky above the lifted-up to heaven super volcano. When the super volcano's mountain swelled to heaven and exploded magma into the sky, that was the great thunder that the Apostle John heard. This great thunder is equated with the voice of the seventh plagued angel because that was the time when the seventh plagued angel sat and reigned on a great white throne of intense white light over the fallen kingdom of latter day Babylon. As a lake of lava filled and overflowed from the immense mouth of the swelled to heaven super volcano, it caused a great fiery whirlwind to materialize around it. Also great hailstones fell upon the land, which are the many waters mentioned in Revelation 14:2. The intense heat above and

around the lifted-up to heaven super volcano causes lightnings, a great voice of thunder, and voices of hail. These things are being revealed during the judgment according to the visions and oracles that two witnesses wrote on the seventh plagued angel (who is also equated with the last small part of the scroll of life). In that time, the seventh plagued angel's voice of a great thunder is also represented by the written oracle that reveals the time when the voice (song) of harpers (144,000) was heard while they harped (playing) with their spiritual harps. They sang and harped during the five months when smoke and ash were issuing out of the super volcano's opened mouth.

The harps represent visions (equated with the harp) and oracles (equated with the sound the seven strings of these harp make) of the two combined witnesses (equated with the gold of the harp) written on the seven plagued angels.

Revelation 14:3 And **THEY** {144,000/second group of redeemed} **SUNG** {to a great multitude} **AS IT WERE** {as it were a new song because the seventh plagued angel sitting on the throne is revealing during the judgment what had already been revealed in a previous replay} **NEW SONG** {this song is the everlasting gospel} **before** {in front of} **the** {judgment} **THRONE** {on which is sitting the seventh plagued angel ruling over the lava

covered kingdom of latter day Babylon}, *and before the FOUR BEASTS* {representing the first group of redeemed that has been viewing the judgment for more than 1,000 years}, *and the ELDERS* {representing the second group of redeemed that has been viewing the judgment for more than 1,000 years}: *and NO MAN* {no man except the Lamb and four beasts} *could learn THAT SONG* {song of the everlasting gospel that warns of the rising seven plagued angel from the bottomless pit} *but the HUNDRED and FORTY and FOUR THOUSAND* {144,000}, *which were REDEEMED* {saved from every generation} *from the EARTH* .

For more than 1,000 years of the judgment, the seventh plagued angel's visions and oracles have been sitting and reigning on the great white throne of intense light over the lava covered kingdom of latter day Babylon. In front of (before) the seventh plagued angel's great white throne within new Jerusalem are the four beasts (first group of redeemed being priests), 24 elders (second group of redeemed being the 144,000), great multitude of angels (third group of redeemed); standing outside and around new Jerusalem are the rebellious people being the dead. In Revelation 14:3, the three groups of redeemed and rebellious people are viewing and hearing the seventh plagued angel's vision and oracle that reveal the time when the 144,000 were singing their song to ripen a great multitude during five months of smoke and ash erupting

from the super volcano.

In the previous replay of all generations when the super volcano's mouth exploded and erupted smoke and ash, it marked the resurrection and redemption of all the overcomers of every generation that died believing in the message (equated with a Lamb) of a true prophet that lived in their generation. No man but the Lamb (representing the message of the latter day messenger) and four beasts (representing the first group of redeemed of all generations) and 144,000 (second group of redeemed of all generations) could learn to play on spiritual harps and sing the song of the everlasting gospel.

From the seven plagued angels' visions and oracles are revealed the 144,000 harpers when they were singing their song to ripen and gather a great multitude from all nations. Their song warns of the seven plagued angels' visions and oracles that will be fulfilled at the same time when the seventh plagued angel rises from the bottomless pit. These visions and oracles of the seven plagued angels are sung to all nations during the time when smoke and ash are erupting from the super volcano in the fallen USA. While smoke and ash are issuing from the opened super volcano's mouth in the fallen USA, the 144,000 (second group of redeemed) being assisted by the first group of redeemed will ripen a great multitude (third group of redeemed) of people of all nations with their song (everlasting gospel) concerning the rising of the

seventh plagued angel from the bottomless pit. Then when the super volcano swells to heaven and explodes magma into the sky while a lake of lava fills its immense mouth, the three groups of redeemed will travel from all parts of the world to enter the great light (ensign) of new Jerusalem emanating from the swelled to heaven super volcano and take their positions round about before the throne as the four beasts (priests/first group of redeemed), 24 elders (second group of redeemed), and many angels (third group of redeemed).

Revelation 14:4 THESE {144,000} ***are they which were not defiled with WOMEN*** {symbolizing the beliefs of leaders in capitals/heads/churches/temples}; ***for they are*** {spiritual} ***VIRGINS*** {single-minded to the two witnesses' predictions and having not yet given spiritual birth to a great multitude}. ***These are they which follow the LAMB*** {message of the latter day messenger} ***whithersoever HE*** {Lamb} ***goeth*** {leads}. ***These*** {144,000} ***were REDEEMED from among MEN*** {representing states/nations/spiritual tribes}, ***being the FIRSTFRUITS*** {firstfruits of the spiritual wheat harvest gathered/redeemed after the spiritual barley harvest/first group of redeemed} ***unto God*** {seventh plagued angel} ***and to the Lamb*** {message of the latter day messenger}.

The 144,000 are spiritual virgins because – prior to giving

spiritual birth to a great multitude of redeemed – they will have abstained from fornicating with the strange beliefs of all nations, churches and doctrines. On the day (first day of new Pentecost) the super volcano explodes and erupts smoke and ash continually, the latter day resurrection takes place. Among the dead that resurrect to life and health will be the overcomers that died in every generation as faithful believers. The first group of overcomers will resurrect with the second group of overcomers (144,000). Thereafter, on the last day of new Pentecost, the 144,000 (with the first group of redeemed) will receive the Holy Spirit's power. Then they will go forth as living waters to gather of all nations a great multitude of people (third group of redeemed). In the past type, the harpers were typified by Yahshua's faithful apostles and disciples, being the 120 people in the upper room (see Acts 1:15). Every person in the upper room received some form of the Holy Spirit's power on the last day of old Pentecost to facilitate them in giving the gospel to all nations.

Acts 1:15 And in those days Peter stood up in the midst of the disciples, and said, (the number of names together were about an hundred and twenty,)

Revelation 14:5 And in THEIR {144,000} MOUTH was found NO GUILE {since they will speak the straight

truth – new song – when proclaiming the everlasting gospel}: ***for they are without fault*** {from the time the super volcano erupts smoke and ash} ***before the THRONE*** {great white throne of intense light emanating from the high and lifted-up immense mouth of the super volcano} ***of God*** {seventh plagued angel}.

Before the throne issues a vision and oracle that replayed the time after the 144,000 had proclaimed the everlasting gospel to all nations. When they enter the intense light of the ensign to stand before the great white throne, they are without fault after having gathered a great multitude while the super volcano was erupting smoke and ash for five months in the fallen USA. When smoke and ash were issuing from the opened mouth of the super volcano, the 144,000 were singing their song of the everlasting gospel while warning of the rising seventh plagued angel. During that time, there is no error (guile) when they proclaim from their mouths the message of the everlasting gospel (new song).

Revelation 14:6 And I saw another ANGEL {representing the message that is proclaimed/sung by the first group and second group/144,000 of redeemed after the super volcano explodes} ***FLY*** {as beams of the spiritual moon's light/first witness' vision and beams of the spiritual sun's light/last witness' vision} ***in the midst of heaven*** {sky},

having the EVERLASTING {from the everlasting scroll of life} *GOSPEL* {pertaining to the good news gospel of salvation from the seven plagued angels} *to PREACH* {sing the new song} *unto them that dwell on the EARTH* {spiritual land of Canaan}, *and to EVERY NATION, and KINDRED, and TONGUE, and PEOPLE* {from all nations, kindreds, tongues, and people, the great multitude of all nations will be ripened with the everlasting gospel during the time the erupting smoke and ash from the super volcano are tormenting the fallen USA}.

After the super volcano explodes in the USA, the everlasting gospel will be proclaimed for the first time to all nations to save a great multitude of people. At the time the first plagued angel is tormenting the USA's states, the first group and second group (144,000) of redeemed will be proclaiming their message to all nations concerning the good news of everlasting salvation.

The message of the everlasting gospel is represented by the angel (vision) in Revelation 14:6 spiritually flying as rays of moonlight (equated with the first witness' visions) and rays of sunlight (equated with the last witness' visions) while speaking (oracles) its message as it travels through the middle of the sky (heaven).

Revelation 14:7 Saying with a LOUD VOICE {equated with the loud sound of thunder that happens when the super volcano swells to heaven and explodes with a loud voice}, ***FEAR GOD*** {rising seventh plagues angel}, ***and give glory to him; for the HOUR*** {after latter day Babylon's one hour reign in spiritual Canaan} ***of HIS*** {seventh plagues angel's} ***JUDGMENT is COME*** {from the time the bottomless pit was opened}: ***and worship HIM*** {seventh plagues angel} ***that MADE*** {by replaying all generations from the beginning generation through to the last generation and time of the judgment} ***heaven, and earth, and the sea, and the fountains of waters.***

The Apostle John saw a vision and heard an oracle of an angel moving as beams of light in the middle/midst of the Earth's atmosphere (heaven). This spiritual angel represents the vision and oracle written in Revelation 14:7 that is proclaimed by the first group and second group of redeemed to all nations after the super volcano explodes and erupts smoke and ash in the USA for five months. The erupting super volcano brings an end to latter day Babylon's final half hour (representing 1290 days) of its one hour reign in the spiritual land of Canaan.

After latter day Babylon's reign begins ending when the super volcano explodes in the USA, the first group of redeemed will assist the 144,000 in ripening the third group of redeemed before the super volcano swells to heaven and explodes with a great voice of thunder. before

the great voice of thunder, every nation, kindred, tongue, and people will hear this angel's message of the everlasting gospel concerning eternal salvation. The message of the everlasting gospel warns of the plagues that will be loosed when the smoke and ash erupting super volcano swells to heaven and explodes magma into the sky. While smoke and ash are erupting from the super volcano, the everlasting gospel warns all US states and nations to worship the seventh plagued angel, whose visions and oracles are replaying all things that exist and will happen.

Presently, the seventh plagued angel's visions and oracles are being revealed during the judgment to remake the old Earth's heaven (atmosphere), the old Earth, and the sea, and the fountains of waters, as they existed from the beginning through to the time of a new Earth and continuing judgment period. Everything that is happening in this last generation including the lives we are living are according to what is written on the last scroll/scroll of life, which the seventh plagued angel is presently revealing during the judgment. Accordingly, after three and a half days of the sign of Jonah, the seventh plagued angel will then be replaying what happened when the super volcano exploding, the proclaiming of the everlasting gospel during five months of smoke and ash, the time when the super volcano swelled to heaven and exploded magma into the sky, the gathering of the three

groups of redeemed into the ensign, and how the world ended in an overflowing lake of lava. Thereafter the seventh plagued angel replays the time when a new heaven and new Earth were created and the judgment period.

Revelation 14:8 *And there FOLLOWED ANOTHER* {second} **ANGEL** {representing a written vision and oracle}, *saying, BABYLON* {beginning with the USA} **IS FALLEN** {is fallen when the super volcano swelled to the sky and exploded magma, which caused a loud sound of thunder and a massive earthquake, according to the first witness' written visions and oracles}, **IS FALLEN** {is fallen when the super volcano swelled to the sky and exploded magma, which caused a loud sound of thunder and a massive earthquake, according to the last witness' written visions and oracles}, *that GREAT CITY* {USA's capital city equated with the ancient city named Babylon}, *because SHE* {leadership in the USA's ruling capital} *made all nations DRINK of the WINE* {USA's ideals that it envisioned for the world's future} *of the WRATH* {military force} *of HER* {USA's ruling capital} **FORNICATION** {after being warned of her imminent demise before and after the super volcano erupted smoke and ash, she instead ignored the warnings and continued business as usual with foreign nations and merchants, that

place their substance/goods in her land to her pleasure}.

The Apostle John saw the vision and heard the oracle of another (second) angel (vision) in Revelation 14:8, following the first angel (vision), as it flew through the middle of Earth's sky as the combined beams (visions) of the spiritual moon's (first witness') light (vision) and spiritual sun's (second witness') light (vision). The saints (priests/first group and elders/second group of redeemed) will reveal to the great multitude the message that is written in Revelation 14:8. This message (vision and oracle) of the second angel is proclaimed to all nations. After five months of erupting smoke and ash, the message will declare that latter day Babylon is fallen according to the two witnesses' visions and oracles. The reason that latter day Babylon falls is that the super volcano will have swelled up to heaven and exploded magma into the sky. This massive explosion causes a great earthquake such as never happened, which casts the USA's ruling capital city to the ground. The first group and second group of redeemed will be proclaiming this vision and oracle of the second angel written in Revelation 14:8, which happens during the time when magma explodes from the swelled to heaven immense 40-mile wide mouth of the super volcano.

When the super volcano in the USA swells to heaven and explodes with a great sound of thunder as a great earthquake happens, then latter day Babylon's (USA's)

reign on the throne “is fallen,” according to the first witness' predictions written on the scroll of life. Also, latter day Babylon's (USA's) reign “is fallen” according to the last witness' visions and oracles written on the scroll of life. The leaders and people of the latter day great city – USA's ruling capital and nation – will have rejected the everlasting gospel before being cast to the ground by the great earthquake such as never happened.

Prior to the USA's fall, the leadership in the USA's capital caused all nations to become spiritually drunk on her ideals that she (capital) envisions for the world's future. This is opposite to the past type, where the old city and nation of Babylon forced nations to drink of the wine of its wrath; thereby, those nations became a part of old Babylon's kingdom by force. The prophecy in Revelation 14:8 is constructed from this past type. In our day, the USA's capital deceives with her ideals (spiritual wine) the union of nations to enforce the USA's vision for the world on non complying nations. Once a non complying nation falls, the complying nation's new leadership is permitted to trade (spiritually fornicate) their goods with the USA's capital and nation. All the nations are drunk on the USA's ruling capital's spiritual wine (ideals), whereby the nations spiritually fornicate (trade) by placing their goods in the land of the USA. Her (USA's ruling capital's) ideals of how she thinks the world's future will be is opposite to the two witnesses' predictions, since the two

witnesses' visions and oracles written on the scroll of life predict that the USA will come to an end when the super volcano swells to heaven and explodes magma into the sky.

Isaiah 21:9 *And, behold, here cometh a CHARIOT* {equated with a fiery whirlwind} *OF MEN* {being the riders of the white, red, black, and pale horse}, *with a COUPLE* {two} *OF HORSEMEN* {being the two witnesses' visions and oracles}. *And he answered and said, {latter day} Babylon IS FALLEN* {when the swelled to heaven super volcano's immense 40-mile wide mouth explodes and causes a great earthquake such as never happened, according to the first written witness' visions and oracles written on the scroll of life}, *IS FALLEN*; {when the swelled to heaven super volcano's immense 40-mile wide mouth explodes and causes a great earthquake such as never happened, according to the last witness' visions and oracles written on the scroll of life} *and all the graven images of her gods HE* {rising seventh plagued angel from the swelled to heaven bottomless pit} *hath BROKEN UNTO THE GROUND* {by a great earthquake such as never happened}.

Revelation 14:9 *And the THIRD ANGEL* {representing a written vision and oracle} *FOLLOWED THEM* {two previous angels' visions and oracles}, *saying with a*

LOUD VOICE OF THUNDER {being an oracle of the everlasting gospel that warns of the great thundering sound that will be heard when the swelled to heaven super volcano explodes magma into the sky}, ***If*** {when the voice of thunder happens} ***any MAN*** {nation} ***worship the BEAST*** {union of nations that reigned as the seventh kingdom} ***and his IMAGE*** {same union of nations that will have reigned as the eighth kingdom enforcing the USA's vision on non complying nations}, ***and receive his MARK*** {spiritual wine cup full of the USA's spiritual wine/ideals that it envisions for the world's future} ***in his FOREHEAD*** {being spiritually drunk on the wine/ideals of confusion in their mind/forehead by believing them}, ***or in his HAND*** {by accepting the spiritual wine cup but may not believe them},

This angel's message will be proclaimed by the everlasting gospel, which will warn of the time when the super volcano swells to heaven and explodes magma into the. The massive explosive eruption from the 40-mile wide immense mouth of the swelled to heaven super volcano causes a great sound of thunder to be heard, as the deafening sound travels throughout the skies. The great sound of thunder is equated with the great sound of a trumpet, which marks the time when the redeemed are to forsake everything and travel to the ensign of intense light emanating around and above the swelled to heaven super volcano full of an overflowing lake of fire.

As the redeemed travel to the ensign from all parts of the world when they hear the great sound of thunder, they will not be worshipping the capitalistic and democratic ways of the latter day Babylonian beast (beast/kingdom that reigned as the number seven kingdom) and its image (same beast/kingdom that reigned again but as the number eight kingdom). The redeemed will have warned the nations not to worship the former democratic and capitalistic ways and accept the figurative mark (ideals) in their hand by agreeing to the ideals (wine cup). The redeemed will have also warned of spiritually receiving the figurative mark on the forehead (forehead/mind/way of thinking) by spiritually drinking (promoting because of being figuratively drunk on the USA's ideals) of the spiritual wine (ideals) that the USA envisions for the world. During the time when the everlasting gospel is being proclaimed, these ideals of latter day Babylon's kingdom will prophesy of the smoke and ash erupting super volcano becoming dormant and everything returning to business as usual, just as it was before the super volcano erupted smoke and ash.

Revelation 14:10 The SAME {nations that have the figurative mark in their hand or forehead} ***shall DRINK*** {encounter} ***of the WINE*** {visions and oracles written on the seventh plauged angel} ***of the WRATH of God*** {rising of the seventh plauged angel}, ***which is poured***

out WITHOUT MIXTURE {full strength/undiluted} *into the CUP of HIS* {seventh plagued angel's} *INDIGNATION* {which the rebellious nations encounter/drink}; *and HE* {every nation, beginning with the USA} *shall be TORMENTED with FIRE* {the immense lake of fire that overflows and spreads from the swelled to heaven immense 40-mile wide mouth of the super volcano} *and BRIMSTONE* {molten rock/lava} *in the PRESENCE of the HOLY ANGELS* {referring to the angels/messengers that are the third group of redeemed within new Jerusalem, which is round about the great white judgment throne upon the high mountain of the super volcano}, *and in the PRESENCE of the LAMB* {representing the message of the latter day messenger}.

When the super volcano swells to heaven and explodes magma into the sky, all nations that reject the warnings of the everlasting gospel and instead remain in their land hoping the ideals that the latter day Babylonian kingdom had been promoting will happen will have the figurative mark of the beast. The seventh plagued angel rises as a great star of light and fire to begin his reign when the super volcano swells to heaven and explodes magma into the sky. The nations, peoples, kindreds, and tongues that have the mark of the beast will have refused to accept the everlasting gospel, forsake everything and every non believer, and journey to enter the intense light of the ensign before the lake of fire spreads from within the

USA. When the lake of lava overflows from the lifted-up to heaven super volcano and spreads throughout the USA, all nations outside the ensign of new Jerusalem will be tormented by the spreading lake of fire with molten rock (brimstone/lava).

When an intensely bright light is seen above the lifted-up to heaven super volcano, the seventh plagued angel has then risen as a bright star to begin his reign. At that time, a lake of fire will have filled the immense 40-mile wide mouth of the lifted-up to heaven super volcano. When the filled mouth of the swelled to heaven super volcano overflows and spreads continuously from the high mountain of the super volcano, it is as if the seventh plagued angel (God) has come down to go through the nations that have the mark of the latter day Babylonian beast in the battle of Armageddon.

Isaiah 27:4 Fury is not in me: who would set the BRIERS AND THORNS {referring to the rebellious nations} against me in battle {battle of Armageddon}? I {risen seventh plagued angel} would go through them, I would burn them together.

Isaiah 27:13 And it shall come to pass in that day, that the GREAT TRUMPET {representing the great sound of thunder, which happens when the swelled to heaven super volcano explodes magma with a great sound of thunder} shall be BLOWN {at the rising of the seventh plagued

angel}, *and THEY* {the redeemed that accepted the everlasting gospel} *shall come which were ready to perish in the land of Assyria, and the outcasts in the land of Egypt, and shall worship the LORD* {risen seventh plagued angel} *in the HOLY MOUNT* {super volcano's holy mountain full of an overflowing lake of fire} *AT* {new} *JERUSALEM* {the walls of new Jerusalem are made of great hailstones raining down around an immense whirlwind of fire, which surrounds the super volcano's high mountain overflowing with a lake of fire}.

The great multitude of all nations will accept the everlasting gospel and enter the intense light of the ensign before the nations perish by fire and brimstone. Then they will be standing as the many angels (messengers) around the great white throne during the judgment. During the judgment, the visions and oracles of the Lamb will reveal the time when the rebellious nations were tormented by fire and brimstone in the presence of the holy angels and the Lamb. These holy angels are the great multitude standing within new Jerusalem during the judgment

Revelation 14:11 And the SMOKE {burning by a spreading lake of fire} ***of THEIR*** {nations that have the mark of the latter day Babylonian beast} ***torment ascendeth up for EVER and EVER*** {as far as the eye can see}: ***and THEY*** {rebellious nations that rejected the

everlasting gospel} ***have no rest day nor night, who worship the BEAST*** {union of nation that reigned as the seventh kingdom in spiritual Canaan}, ***and his IMAGE*** {union of nations that united in agreement to reign as the eighth kingdom in spiritual Canaan enforcing the USA's vision on non complying nations}, ***and whosoever receiveth the MARK*** {wine cup full of confused ideals} ***of his NAME*** {of confusion/Babylon}.

Revelation 14:12 Here {referring to the predictions in the previous verses} ***is the PATIENCE*** {patience concerning the imminent rising of the seventh plagued angel from the swelled to heaven bottomless pit/super volcano} ***of the SAINTS*** {first group and second group/144,000 of redeemed}: ***here are they that KEEP the COMMANDMENTS*** {written predictions} ***of God*** {seventh plagued angel}, ***and the FAITH*** {the faith the written visions and oracles will happen, just as latter day new Jesus has faith the visions and oracles will happen} ***of*** {new} ***Jesus*** {latter day messenger}.

The first group and second group of redeemed are the saints (priests and elders) of the spiritual temple. They will have the patience to wait for the rising of the seventh plagued angel to begin being fulfilled on rebellious nations while they proclaim the everlasting gospel to all nations. These saints will have the commandments

(written visions and oracles) of God (seventh plagued angel) as revealed by latter day Moses (new Jesus) during the time of new Pentecost (being 50 days counting from the time when the super volcano temporarily opened in the USA). These saints will also have the same faith as latter day new Yahshua/Jesus concerning the commandments written on the seventh plagued angel being fulfilled.

Revelation 14:13 And I heard a voice from heaven saying unto me, WRITE {the Apostle John was physically living on Patmos writing the Book of Revelation's visions and oracles as he saw and heard while in the spirit}, ***BLESSED are the DEAD which DIE*** {being martyred as a faithful believer} ***in the LORD*** {seventh plagued angel} ***from HENCEFORTH*** {while they are proclaiming the everlasting gospel}: ***Yea, SAITH THE SPIRIT*** {seventh plagued angel speaking of what the two witnesses had said}, ***that they MAY REST*** {from the burden of gathering the great multitude} ***from their LABOURS; and their WORKS*** {of believing, supporting, and promoting the new saving truth/everlasting gospel} ***do FOLLOW THEM*** {the dead believers will be resurrected to play a part in the new Earth and stand in their rightful place within new Jerusalem during the judgment}.

The Apostle John was told in Revelation 14:13 to immediately write (hence he was on the Isle of Patmos writing the visions and oracles as he saw and heard them while in the spirit) concerning the blessed people – who are of the first group, second group, and third group of redeemed – that are killed by rebellious people during the time when the everlasting gospel is being proclaimed. Some of the overcomers that are of the third group of redeemed will have been martyred for believing and prophesying of the everlasting gospel, just as some of the overcomers that are of the first group and second group of redeemed will also be martyred for giving their testimony of the everlasting gospel of salvation. The overcomers warn of the plagues of death that will be loosed from the super volcano when it swells to heaven and explodes magma into the sky, which causes them to be persecuted and possibly killed by the rebellious. However, it states in Revelation 14:13 that the faithful works follow the overcomers while they are lying dead and resting from having to continually fight the good fight while warning the nations. Accordingly, all the faithful martyrs will resurrect to stand in their rightful place in the judgment when the overflowing lake of fiery lava has flowed from the immense mouth upon the lifted-up to heaven super volcano to cover the world.

Revelation 14:14 And I looked, and behold a WHITE

CLOUD {an intensely bright white cloud above the lifted-up to heaven super volcano's lava erupting immense 40-mile wide mouth}, **and upon the cloud ONE SAT LIKE unto the SON OF MAN** {looks similar to a human, being the time when the seventh plagued angel has risen as a great star/light above the swelled to heaven super volcano's immense mouth full of a lake of fire}, **having on his HEAD a GOLDEN** {this gold represents the mixed spiritual silver and spiritual copper of the two witnesses' written visions on the seventh plagued angel} **CROWN** {ruling over the USA's fallen nation}, **and in his HAND a SHARP SICKLE** {harvesting instrument representing the time to gather the overcomers out of the nations and into the intense white light of the ensign, which is emanating around and above new Jerusalem, which surrounds the high mountain full of an overflowing lake of fire}.

After thick black smoke and ash have issued out of the super volcano's opened mouth for five months, then the super volcano swells to heaven and explodes magma into the sky over the fallen USA. The immense explosion of magma causes a deafening sound of thunder to be heard throughout the nations, as a great earthquake such as never happened travels throughout the land and seas. As magma fills the immense 40-mile wide mouth of the super volcano, a great white cloud of intense light will be seen above and around the lifted-up to heaven super

volcano. This light represents the bright star (seventh plagues angel) that rises high above the swelled to heaven bottomless pit (super volcano).

The one sitting and reigning on the intensely bright white cloud (star) is the seventh plagues angel when he has risen from the bottomless pit. On the seventh plagues angel's head is a golden crown. This golden crown reveals that the USA's fallen nation will be the first nation to be ruled by the seventh plagues angel's written visions and oracles, which were written by the spiritual moon's (first witness'/Michael's) silvery light (visions) and spiritual sun's (second witness'/Gabriel's) coppery light (visions).

The seventh plagues angel will rise as a bright star, with a great sound of thunder, and a great earthquake when the high and lifted-up super volcano explodes magma into the sky. From that time, the overcomers will flee out of all nations to enter the ensign before the world is consumed by flowing lava. Hence the reason why the seventh plagues angel has the harvesting sickle in his hand to bring out the overcomers from the nations and gather them into the safety of the ensign.

Revelation 14:15 And ANOTHER ANGEL {representing a vision and oracle at the ending of the sixth plagues angel} ***CAME OUT*** {representing an enormous explosion

of magma} *of the TEMPLE* {representing the high and lifted-up mouth of the super volcano}, *CRYING with a LOUD VOICE* {representing a great sound of thunder when the swelled to heaven super volcano exploded magma into the sky} *to HIM* {the ascended seventh plagued angel/star from the bottomless pit} *that SAT on the CLOUD* {equated with a great white throne/cloud above the high and lifted-up magma-filling immense mouth of the super volcano}, *THRUST in thy SICKLE, and REAP: for the TIME IS COME* {the time is come when the high and lifted-up super volcano's immense 40-mile wide mouth has filled with an overflowing lake of fire} *for thee to REAP; for the HARVEST* {spiritual fruit harvest/great multitude being the third group of redeemed} *of the EARTH is RIPE.*

The sixth plagued angel begins to end (as the seventh plagued angel is beginning) when the super volcano swells to heaven and explodes magma into the sky. The explosion from its immense mouth (representing the spiritual temple) causes a deafening sound of thunder, which is as the crying voice of the sixth plagued angel. This loud voice cries to the risen seventh plagued angel from the swelled to heaven bottomless pit. The loud sound of thunder tells the seventh plagued angel that the time has come to reap the ripened harvest, which pertains to the gathering of a great multitude (third group of redeemed) of overcomers from all nations. The great

multitude (equated with the fruit harvest) will have been ripened with the everlasting gospel, that was proclaimed by the first group and second group of redeemed during the five months of smoke and ash erupting from the super volcano.

Revelation 14:16 And HE {risen seventh plagued angel} ***that sat on the CLOUD*** {representing the great white throne of intense white light/ensign} ***THRUST in his SICKLE on the earth; and the earth was REAPED*** {the reaping of the fruit harvest happens when a great multitude have traveled and entered the ensign after the great sound of thunder and intense light of the ensign happen. The great multitude will forsake loved ones and possessions to travel quickly from all parts of the world to enter into the intense light of the ensign emanating from the fallen USA}.

All overcomers will travel to the immense light of the ensign. At that time, new Jerusalem (huge fiery whirlwind) will be surrounding the lifted-up to heaven lava-filling immense mouth (spiritual temple) upon the high mountain of new Zion {super volcano}. Once all overcomers of all nations have entered the ensign before the lake of lava in the immense 40-mile wide mouth of the lifted-up to heaven super volcano has flowed out of the USA, then the Earth will have been reaped.

Isaiah 5:26 *And HE* {rising of the seventh plagued angel from the swelled to heaven bottomless pit} *will lift up an ENSIGN* {an intensely bright white light above the swelled to heaven super volcano} *to the nations from FAR* {from within the fallen USA}, *and will HISS* {being the deafening sound of an immense whirlwind of fire with great hailstones raining around the immense 40-mile wide mouth of the lifted-up to heaven super volcano filled with an overflowing lake of fire} *unto them from the end of the earth: and, behold, THEY* {overcomers} *shall come with speed swiftly:*

Isaiah 18:3 *All ye inhabitants of the world, and dwellers on the earth, see ye, when HE* {seventh plagued angel} *lifteth up an ENSIGN* {of an intensely bright light} *on the mountains* {of the super volcano}; *and when HE* {seventh plagued angel} *bloweth a TRUMPET* {representing a great thundering sound when the super volcano swells to heaven and explodes magma into the sky}, *hear ye.*

Isaiah 31:9 *And HE* {representing the USA in the latter days} *shall pass over to his strong hold for fear, and his princes shall be afraid of the ENSIGN* {the intensely bright light above the magma filling high mouth of the exploded super volcano}, *saith the Lord* {seventh plagued angel}, *whose FIRE* {lake of fire within the immense 40-mile wide mouth of the swelled to heaven super volcano} *is in* {new} *Zion* {representing the mountain of the super volcano}, *and his FURNACE* {lake of fire in the immense

mouth/furnace of the swelled to heaven super volcano} *in* {new} *JERUSALEM* {representing an immense whirlwind of fire around the mountain of the super volcano}.

Isaiah 2:2 *And it shall come to pass in the LAST DAYS, that* {after five months of smoke and ash have erupted} *the MOUNTAIN* {new Zion} *of the Lord's* {seventh plagued angel's} *HOUSE* {immense mouth/temple/house of the super volcano full of a lake of fire} *shall be established in the top of the mountains, and exalted* {as a bright light/ensign upon the swelled to the sky super volcano} *above the hills; and ALL NATIONS* {of a great multitude of overcomers} *shall flow unto IT* {the ensign}.

Zephaniah 3:8 *Therefore wait YE* {overcomers} *upon ME* {seventh plagued angel}, *saith the Lord, until the day that I RISE* {as a bright light with fire from the swelled to heaven bottomless pit/super volcano} *up to the prey: for my determination is to gather the nations, that I may assemble the kingdoms* {for the battle of Armageddon}, *to pour upon them mine indignation, even all my fierce anger: for all the earth shall be devoured with the FIRE* {flowing lava} *of my JEALOUSY* {anger}.

Haggai 2:7 *And I* {rising seventh plagued angel} *will SHAKE* {with a great earthquake such as never happened when the swelled to heaven super volcano explodes magma into the sky} *all nations, and the desire of all*

nations shall come: and I will fill this HOUSE
{representing the immense magma filling mouth/house of
the super volcano} *with GLORY* {intensely bright
light/ensign, equated with the Shekinah glory in the old
temple's holy of holies}, *saith the Lord of hosts.*

Zechariah 2:11 *And MANY NATIONS* {that overcame by
accepting the everlasting gospel} *shall be joined to the*
Lord {seventh plagued angel reigning on a great white
throne of light on new Zion within new Jerusalem} *in*
that day, and shall be my people: and I will dwell in the
midst of thee, and thou shalt know that the Lord of hosts
hath sent me unto thee.

Zechariah 8:20 *Thus saith the LORD* {seventh plagued
angel} *of HOSTS* {great hailstones}; *It shall yet come to*
pass, that there shall COME {to the ensign} *PEOPLE*
{that overcame by accepting the everlasting gospel}, *and*
the inhabitants of many cities:

8:21 *And the inhabitants of one city shall go to another,*
saying, Let us go speedily to pray before the LORD, and to
seek the LORD {risen seventh plagued angel} *of HOSTS*
{great hailstones}: *I will go also.*

8:22 *Yea, many PEOPLE AND STRONG NATIONS* {that
accept the everlasting gospel} *shall come to seek the*
LORD {risen seventh plagued angel} *of HOSTS* {raining
great hailstones} *in* {new} *Jerusalem* {representing a
great whirlwind of fire}, *and to pray before the LORD.*

8:23 *Thus saith the LORD* {risen seventh plagued angel sitting on a great white throne of light above the lifted-up to heaven super volcano} *of HOSTS* {when great hailstones are raining upon the destroyed USA}; *In those days it shall come to pass, that TEN MEN* {ten men are based on the ten lost tribes of old Israel that went into captivity and never returned, but in the latter days representing the new ten tribes of a great multitude} *shall take hold out of all languages of the nations, even shall take hold of the skirt of him that is a JEW* {the Jew is based on the southern kingdom of Judea/Jewry where two tribes remained, but in the latter days represents the first group and second group of redeemed that proclaim the everlasting gospel}, *saying, We* {great multitude} *will go with you* {to the ensign}: *for we have heard that God* {risen seventh plagued angel} *is with you.*

Revelation 14:17 *And ANOTHER ANGEL* {representing a vision and oracle} ***CAME OUT*** {as a lake of lava overflowing/coming out from the immense 40-mile wide mouth of the lifted-up to heaven super volcano} ***of the TEMPLE*** {the temple represents the immense mouth full of a lake of fire upon the lifted-up to heaven super volcano} ***which is in HEAVEN*** {heaven represents the height of the mountain of the super volcano after it swelled to heaven and exploded magma into the sky}, ***he***

also having a SHARP SICKLE {to consume the remaining rebellious nations and people from life}.

As a lake of fire is filling the immense 40-mile wide mouth of the lifted-up to heaven super volcano, all overcomers will be speedily traveling from all nations to enter the ensign. Thereafter, the lake of lava will begin overflowing and spreading from the immense mouth of the lifted-up to heaven super volcano. As lava begins to overflow and spread throughout the USA, it is equated with the vision and oracle of the angel in Revelation 14:17 that has a sharp sickle to reap the ripened rebellious people and nations for the consummation (burning).

Revelation 14:18 And ANOTHER ANGEL {representing a vision and oracle} ***came out from the ALTAR*** {this altar represents the immense mouth upon the lifted-up to heaven super volcano}, ***which had POWER over FIRE*** {lake of fire/lava}; ***and cried with a LOUD CRY*** {representing the super volcano when it again explodes because the immense mouth is full of a lake of fire} ***to HIM*** {risen seventh plagued angel} ***that had the SHARP SICKLE, saying, Thrust in thy sharp sickle, and GATHER the CLUSTERS of the VINE of the EARTH; for her GRAPES*** {representing the rebellious people and rebellious nations} ***are FULLY RIPE*** {having totally rejected the everlasting gospel that was proclaimed by the

first group and second group/144,000 of redeemed during the five months of smoke and ash erupting from the super volcano}.

After the seventh plagued angel has risen, the super volcano mouth will have filled with a lake of fire. Then an explosion causes another great sound of thunder, which is referred to as the loud cry of the angel in Revelation 14:18. The immense 40-mile wide mouth of the high and lifted-up super volcano will then be overflowing with a lake of fire, as it spreads from the USA to consume all nations and the world. All the people and nations that refused to accept the everlasting gospel and travel and enter the ensign, before the swelled to heaven super volcano's immense mouth had filled with a lake of fire and exploded, will be ripe for destruction by the overflowing and spreading lake of fire. Accordingly, a lake of lava will flow throughout the world to consume the remaining rebellious peoples, nations, and all animals and things of the air, land, and sea. The sharp sickle will gather all the vine (nations) and grapes (people) that are full of the spiritual wine (beliefs) of latter day Babylon's mark (spiritual wine/ideals that are contrary to the two witnesses' visions and oracles concerning this world's future).

Revelation 14:19 And the ANGEL {representing a vision

and oracle that reveals the destruction of the rebellious nations and people} *thrust in his SICKLE into the earth, and GATHERED the VINE* {that represents rebellious nations, that are full of the ideals/spiritual wine of the destroyed latter day Babylonian beast and its image} *of the EARTH, and CAST it into the GREAT WINEPRESS* {representing an overflowing and spreading lake of fire/lava} *of the WRATH of God* {risen seventh plagued angel}.

The great multitude will have followed the first group and second group of saints into the light of the fiery ensign while the lake of fire was filling the immense 40-mile wide mouth of the swelled to heaven super volcano. Thereafter, the lake of fire will have filled the immense mouth and exploded with a great sound of thunder, as a lake of lava begins to overflow and spread throughout the land and world. At that time, the remaining people in all parts of the world will have rejected the everlasting gospel proclaimed by the first group (priests) and second group (144,000 elders) of saints of the spiritual temple. These remaining rebellious nations and peoples will have ripened into sour grapes (representing rebellious people) that are full of the ideals (wine) of the fallen latter day Babylonian beast (kingdom) and its image. All the people who accepted the messages of warning will have traveled quickly to enter the fiery ensign shortly after five months of smoke and ash had ended. The remaining rebellious

people in all parts of the world will end up destroyed according to the visions and oracles written on the seventh plagued angel, who is replaying all things. Since the lifted-up to heaven super volcano is within the USA, it means the USA (false prophet) will have been the first nation to be cast into the overflowing and spreading lake of fire (lava). A lake of Lava will continually overflow from the immense 40-mile wide mouth upon the lifted-up to heaven super volcano, which spreads to engulf the world.

Revelation 14:20 And the WINEPRESS {representing a spreading lake of lava} ***was trodden WITHOUT*** {outside} ***the CITY*** {the city new Jerusalem that represents an immense fiery whirlwind around the mountain of the lava erupting super volcano}, ***and BLOOD*** {death} ***came out of the WINEPRESS, even unto the HORSE*** {symbolizing new Jerusalem} ***BRIDLES*** {without drowning the horse's head; hence, it can still breathe}, ***by the SPACE*** {height} ***of a THOUSAND and SIX HUNDRED FURLONGS*** {the great hailstones raining around the mountain of the lava erupting super volcano represent the walls of new Jerusalem, which are 3,000 furlongs high. Above these walls of glass/hailstones is where the redeemed stand on the sea of glass/hailstones during the judgment after having entered the ensign}.

In Revelation 14:20, a winepress is shown as being trodden outside the city new Jerusalem (immense fiery whirlwind), which surrounds the super volcano's high mountain overflowing with a spreading lake of fire. This illustrates that the overflowing lake of fire from the 40-mile wide mouth of the lifted-up to heaven super volcano will not affect the overcomers, who will have been gathered out of the nations and entered the ensign to stand upon the holy city.

The blood of the figurative grapes (representing rebellious people) reaches the figurative height of 1600 furlongs (see Revelation 14:20). However, the figurative city of new Jerusalem is 3000 furlongs high, as stated in Revelation 21:16. This reveals that the death by fire of the rebellious nations and people will not overflow to the righteous overcomers upon the city new Jerusalem. These rebellious nations and peoples are illustrated as grapes whose life blood is removed in a winepress. The blood flowing from the winepress will not drown the horse's "head," which symbolizes the safe haven upon new Jerusalem. This is illustrated by the blood of bad grapes (rebellious) reaching the horse's (redeemed) bridles without drowning the horse {new Jerusalem} or its rider (seventh plagued angel).

Isaiah 63:1 *Who is this that cometh from Edom* {as the armies of old Israel came from the east to overthrow the Canaanites}, *with DYED* {blood-stained} *garments from*

Bozrah? this that is glorious in HIS {seventh plagued angel's} apparel, TRAVELING {as a spreading lake of fire} in the greatness of his strength? I {seventh plagued angel} that SPEAK {with a great sound of thunder and as raining great hailstones} in righteousness, mighty to save {the overcomers that accepted the everlasting gospel and entered the ensign}.

Isaiah 63:2 *Wherefore art THOU {seventh plagued angel} red in thine apparel, and thy garments like him that treadeth in the winefat?*

Isaiah 63:3 *I {seventh plagued angel} have trodden the WINEPRESS {representing the spreading lake of fire} alone; and of the {trodden rebellious} people {grapes} there was none with me: for I {seventh plagued angel} will tread them in mine anger, and trample them in my fury; and their blood shall be sprinkled upon my garments, and I will STAIN {with blood} all MY {seventh plagued angel's} RAIMENT {white raiment represents visions written on the seventh plagued angel}.*

Isaiah 13:1 *The burden of {latter day} Babylon, which Isaiah the son of Amoz did see.*

13:2 *Lift ye up a BANNER {of intense white light/ensign} upon the HIGH MOUNTAIN {of the swelled to heaven super volcano}, exalt the VOICE {of a great sound of thunder when the super volcano swells to heaven and*

explodes magma into the sky} *unto them, SHAKE* {with a great earthquake such as never happened} *the hand, that THEY* {overcomers} *may go into the GATES* {of new Jerusalem} *of the NOBLES* {priests and elders of the seventh plagued angel's lava-filling immense mouth/temple}.

13:3 *I* {seventh plagued angel} *have commanded my SANCTIFIED ONES* {of flowing brimstone}, *I have also called my MIGHTY ONES* {great hailstones and whirlwinds of fire} *for mine anger, even them that rejoice in MY* {seventh plagued angel's} *HIGHNESS* {reigning-on-high above the swelled to heaven super volcano's immense mouth full of an overflowing lake of fire}.

13:4 *The NOISE* {of raining great hailstones, each weighing about 70 pounds and whirlwinds of fire} *of a multitude in the mountains, like as of a great people; a tumultuous noise of the kingdoms of nations gathered together: the LORD* {risen seventh plagued angel} *of HOSTS* {great hailstones and whirlwinds of fire} *mustereth the host of the BATTLE* {of Armageddon}.

13:5 *They* {great hailstones with whirlwinds of fire and a spreading lake of fire} *come from a far country, from the END OF HEAVEN* {high in the sky above the super volcano's high mountain overflowing with a lake of lava}, *even the LORD* {risen seventh plagued angel descending as an overflowing lake of fire} *and the WEAPONS* {great hailstones and whirlwinds of fire} *of*

his indignation, to destroy the whole land.

13:6 *Howl ye; for the DAY {the day when the super volcano swells to heaven and explodes magma into the sky} of the LORD {risen seventh plagued angel} is at hand; it shall come as a destruction from the ALMIGHTY {the almighty 40-mile wide super volcano's high mouth full of an overflowing lake of fire}.*
