

Chapter 16

Revelation 16:1 And I heard a GREAT VOICE {the great voice represents the great voice of thunder that happens when the super volcano explodes with a massive sound of thunder} ***out of the TEMPLE*** {representing, during the judgment, the top of the immense 40-mile wide mouth of the lifted-up to heaven super volcano} ***saying*** {during the judgment} ***to the SEVEN*** {plagued} ***ANGELS, Go your ways*** {during the replay of the last generation}, ***and POUR OUT the VIALS of the WRATH of GOD*** {wrath of the visions and oracles written on the last small part} ***upon the EARTH*** {beginning with the land of the false prophet/USA}.

In the verse of Revelation 16:1, the Apostle John heard a great voice proceeding from the the temple, where the judgment is happening. The great voice represents the great sound of thunder that happens when the super volcano explodes with a massive sound of thunder, which represents the time when the great trumpet (thunder) sounds. At that time, smoke and ash will begin erupting (which erupt for five months), as Abaddon/the Rock begins rising to heaven as a lake of fire with his glorious light. The great sound of thunder is referred to as the sound of a great trumpet. From that time, seven

plagued angels will exit the temple to pour out their plagues upon the kingdom of the latter day Babylonian beast, beginning with the land of the USA. The temple represents the immense mouth (temple) of the lifted-up to heaven super volcano where the judgment is happening. When the super volcano explodes with a massive earthquake-causing eruption, the seven plagued angels consecutively leave the temple as Abaddon/the Rock (super volcano) is awakened from death to life to begin rising to heaven.

Revelation 16:2 And the FIRST {first plagued angel} ***WENT, and Poured out his VIAL*** {which happens at the time when the super volcano explodes into the sky with a flash of light and coals of fire} ***upon the EARTH*** {beginning with the USA}; ***and there FELL a NOISESOME and GREVIOUS SORE*** {caused by erupting coals of fire at the great earthquake-causing eruption} ***upon the MEN*** {representing the USA and nations} ***which had the MARK*** {spiritual wine/ideals of what the USA envisions and promotes for the world's future} ***of the BEAST*** {being the latter day Babylonian kingdom's first and second reigning periods}, ***and upon them which WORSHIPPED his IMAGE*** {final/third reigning period of the same latter day beast/kingdom}.

The first plagued angel in Revelation 16:2, who is the personification of its plague, pours out its vial upon the Earth. The Earth refers to the land of the USA, just as a lamb-like beast (USA, equated with the land of old Judah) rose out of the Earth (land). At that time, a noisome and grievous sore by falling coals of fire with the earthquake-causing eruption falls initially on the USA and surrounding nations. The USA and surrounding nations have the seven-headed ten-horned Babylonian beast's (kingdom's) mark (ideals) and worship its image. The latter day Babylonian beast's final/third reigning period is the image (exact likeness) of the latter day Babylonian beast's second reigning period.

The first plagued angel comes out of the temple, because it represents a flash of ejected coals of fire with a great earthquake-causing eruption from the immense 40-mile wide mouth of the super volcano. While the super volcano is erupting smoke and ash for five months, tremendous heat will radiate above and around the swelling mountain of the super volcano, which will cause great hailstones to rain from above the swelling to heaven super volcano. When the lake of fire overflows and spreads to all nations, then the nations (referred to as man) will also be plagued by raining coals of fire and

great hailstones.

The first plagued angel in Revelation 16:2 is the fulfillment of the message beneath the first seal (see Revelation 6:2), first angel's trumpet (see Revelation 8:7), and the first light of the seventh angel with trumpet.

Revelation 16:3 And the SECOND {plagued} ***ANGEL POURED out his VIAL upon the SEA*** {the spiritual sea represents latter day Babylon's/kingdom of combined spiritual rivers/nations}; ***and it became as the BLOOD*** {symbolizing death by anarchy} ***of a DEAD MAN*** {symbolizing a nation/man}: ***and EVERY LIVING SOUL*** {representing every living state, city, or nation} ***DIED*** {is no longer a functioning state, city, or nation} ***in the SEA*** {sea/kingdom of latter day Babylon}.

The second plagued angel in Revelation 16:3 begins a terrible time of anarchy to the nations of the latter day Babylonian beast. Therefore, a nation or state (brother/tribe/nation) will be against another nation or state (brother/tribe/nation) (see Isaiah 9:19-21; Ezekiel 38:19-23).

Isaiah 9:19 Through the wrath of the LORD {Abaddon/the Rock} ***of HOSTS*** {coals of fire and great

hailstones} *is the land DARKENED* {by the erupting smoke and ash for five months}, *and the people shall be as the fuel of the FIRE* {fuel of the overflowing lake of fire from the immense 40-mile wide mouth of the lifted-up to heaven super volcano}: *NO MAN* {referring to nations or states} *shall spare his BROTHER* {during a terrible time of anarchy}.

Isaiah 9:20 *And HE* {nation or state} *shall snatch on the right hand, and be hungry; and he shall eat on the left hand, and they shall not be satisfied: they shall eat EVERY MAN* {referring to a nation, tribe or state} *the FLESH* {provisions} *of his own arm* {state/tribe}:

Isaiah 9:21 *Manasseh, Ephraim; and Ephraim, Manasseh: and they together shall be against Judah. For all this HIS* {rising Abaddon/the Rock/super volcano} *anger is not turned away, but his HAND* {pertaining to the visions and oracles of the right hand/first witness and left hand/last witness} *is STRETCHED OUT STILL* {to destroy and dissolve the kingdom of latter day Babylon}.

Ezekiel 38:19 *For in MY* {Abaddon's/the Rock's} *jealousy and in the FIRE* {flowing lake of lava} *of my wrath have I SPOKEN* {spoken with the great thundering voice caused by the explosion of the swelled to heaven super volcano}, *Surely in that DAY* {when the

swelled to heaven super volcano's mouth is full of a lake of fire} *there shall be a GREAT SHAKING* {the massive explosion of magma causes a great earthquake such as never happened} *in the land of* {spiritual} *Israel* {representing the kingdom of latter day Babylon};

Ezekiel 38:20 *So that the fishes of the sea, and the fowls of the heaven, and the beasts of the field, and all creeping things that creep upon the earth, and all the men that are upon the face of the earth, shall shake at MY PRESENCE* {the presence of Abaddon/the Rock when he has risen as a lake of fire and as a great star/light upon the swelled to heaven super volcano}, *and the mountains shall be thrown down* {by the great earthquake-causing eruption such as never happened}, *and the steep places shall fall, and every wall shall fall to the ground.*

Ezekiel 38:21 *And I* {risen Abaddon/the Rock} *will call for a SWORD* {of anarchy} *against HIM* {latter day Babylon's kingdom} *throughout all my mountains, saith the Lord GOD* {one like the son of man}: *every man's sword shall be against his brother* {which begins happening from the time of the great earthquake-causing eruption such as never happened, s a lake of fire flows to all nations}.

Ezekiel 38:22 *And I* {Abaddon/the Rock} *will plead*

against HIM {latter day Babylon's kingdom} with pestilence and with blood {death}; and I will rain upon him, and upon his bands, and upon the many people that are with him, an overflowing RAIN, and GREAT HAILSTONES {great hailstones raining wherever the lake of fire spreads to}, FIRE {fire with lava}, and BRIMSTONE {ejected coals of burning rock}.

Ezekiel 38:23 *Thus will I {Abaddon/the Rock/super volcano} MAGNIFY {as a great light with an overflowing lake of lava spreading from the immense mouth upon the lifted-up to heaven super volcano} MYSELF, and SANCTIFY {holiness/pureness of the intense heat and light when it radiates from the immense lake of fire, that overflows and spreads from the swelled to heaven super volcano} MYSELF; and I will be KNOWN {as the swelled to heaven super volcano/Abaddon/the Rock} in the eyes of MANY NATIONS {of a great multitude of redeemed that travel and enter the ensign of intense light}, and they shall know that I {Abaddon/the Rock/risen star of the lifted-up to heaven super volcano} am the LORD.*

While Abaddon/the Rock was rising to heaven and erupting smoke and ash for five months, he was tormenting the USA and nations with anarchy. However when Abaddon/the Rock (super volcano) has risen to heaven from the bottomless pit and filled with a lake of

fire, he then brings death to the USA's states and nations with the sword of anarchy, according to the second angel's plague. From the time the super volcano explodes and begins erupting smoke and ash, a great multitude of all nations will begin traveling to the rising fiery ensign as the return of the lost spiritual tribe of spiritual Ephraim.

The second angel's plague in Revelation 16:3 is the fulfillment of the message beneath the second seal (see Revelation 6:4), second angel with trumpet (see Revelation 8:8), and the second light of the seventh angel with trumpet.

Revelation 16:4 And the THIRD ANGEL Poured out his vial upon the RIVERS {referring to states or nations/spiritual rivers} ***and FOUNTAINS*** {referring to capital cities of the states or nations} ***of WATERS; and they became BLOOD*** {dead, since they no longer exist as a functioning state or nation}.

When smoke and ash are erupting from the rising to heaven super volcano, the third plagued angel in Revelation 16:4 will cause spiritual rivers (referring to nations) and spiritual fountains (representing capital cities of the nations) of these spiritual rivers/waters to be initially tormented with famine. When the lake of fire is

spreading throughout the nations, then one part of cities and nations will be killed by famine Accordingly, they will no longer be a functioning nation. This third plagued angel torments and thereafter kills states and nations with famine. Famine will be the plague that will be ruling one part of states and nations of the fallen latter day Babylonian beast (kingdom).

Revelation 16:5 And I heard the ANGEL {being the third plagued angel's vision and oracle} ***of the WATERS*** {spiritual rivers/nations and sea/kingdom of latter day Babylon} ***say, Thou are righteous, O Lord*** {visions and oracles written on the last small part/God the father and first small part/son of God}, ***which ART*** {Art/is shown to be reigning when the replay of the seven plagued angels happens}, ***and WAST*** {Wast/Was already reigning as was shown during a previous replay of all generations when the seven plagued angels were being fulfilled}, ***and SHALT BE*** {in the next replay of all generations, the visions and oracles of God the father and son of God SHALT BE reigning again when the seven plagued angels are again replayed}, ***because Thou*** {one like the son of man} ***hast JUDGED thus.***

The angel mentioned in Revelation 16:5 is the third plagued angel, who represents the visions and oracles it

is revealing and speaking concerning the nations (spiritual waters/rivers) and the kingdom (spiritual sea of combined spiritual waters) of latter day Babylon. The third plagues angel states that the one like the son of man's (God the father's and son of God's) visions and oracles are righteous when replaying the time when the seven plagues angels pour out their plagues during the battle of Armageddon.

In Revelation 16:5 it is showing the time when Abaddon/the Rock is (Art) reigning over the kingdom of latter day Babylon when the seven plagues angels are being fulfilled. In the previous replay that showed the time when the seven plagues angels were being fulfilled, Abaddon/the Rock was (Wast) then reigning over the kingdom of latter day Babylon. In the next replay of the last generation when the seven plagues angels are being fulfilled, Abaddon/the Rock (super volcano that is equated with the one like the son of man) will be (Shalt be) again reigning over the kingdom of latter day Babylon.

Revelation 16:6 For **THEY** {states/spiritual tribes and nations} **have SHED the BLOOD of SAINTS** {apostles and disciples that were martyred for prophesying the everlasting gospel} **and PROPHEETS** {prophets of all

generations that were also proclaiming the everlasting gospel}, *and thou* {Abaddon/the Rock/awakened super volcano} *hast given them BLOOD* {representing death by ejected coals of fire and great hailstones that are represented by riders on white horses, death by anarchy that is represented by riders on red horses, death by famine that is represented by riders on black horses, and death by thousands of whirlwinds/chariots of fire (that accompany the rivers of lava) that are represented by riders on pale horses} *to DRINK; for THEY* {states and nations of the latter day Babylonian beast} *are WORTHY.*

In every generation, prophets have been sent to nations where people reside who profess to believe in God. The prophets and their apostles and disciples were persecuted and usually killed by religious and political leaders and their people. At the end of the sign of Jonah, the righteous and rebellious dead people of every generation rise to life and health to be living in the last generation, which is written on the scroll of life. In the latter day resurrection will be the patriarchs, prophets, messiahs, apostles, and disciples of all generations and the rebellious people who rejected, persecuted, and shed their blood. Accordingly during a replay of the last generation, the replay will reveal the states, nations, and rebellious people (that rejected the everlasting gospel) being killed by ejected coals of fire and great hailstones,

anarchy, famine, fiery whirlwinds, and an overflowing and spreading lake of fire. They are worthy to spiritually drink that situation because they rejected, persecuted, and killed the latter day messenger's, apostles, and disciples that proclaimed the everlasting gospel, which warned of the four riders (representing visions pertaining to the plagues that ascend from the super volcano) and their white, red, black, and pale horses (representing written oracles pertaining to plagues of hot air that carry the four riders). The everlasting gospel is proclaimed from the time of new Pentecost so that a great multitude of people from all nations can be saved.

Revelation 16:7 And I HEARD ANOTHER {being the fourth plagued angel's vision and oracle ready to be fulfilled} ***out of the ALTAR*** {altar of incense equated with the super volcano's mouth filling with a lake of fire while erupting smoke and ash} ***say, Even so, Lord God Almighty*** {one like the son of man/first and last/beginning and end/bright star and morning star/David type and Solomon type/first witness and last witness/Michael and Gabriel/last small part and first small part}, ***TRUE and RIGHTEOUS are thy JUDGMENTS*** {on latter day Babylon's kingdom}.

The angel's voice out of the altar is the voice of the

fourth plagued angel, who is ready to be fulfilled. The voice declares that the one like the son of man's (Lord God Almighty) written visions and oracles had truthfully and righteously replayed how the first, second, and third plagued angel were fulfilled in the first timeline. These visions and oracles written on the one like the son of man (who represents the visions and oracles written on the last small part/God the father and first small part/son of God) replay exactly (without blemish) all things that have already happened over and over, replaying how the kingdom of latter day Babylon came to an everlasting end.

The third angel's plague in Revelation 16:4-7 is the fulfillment of the message beneath the third seal (see Revelation 6:5, 6), fulfillment of the vision and thunder of the third angel with trumpet (see Revelation 8:10, 11), and the fulfillment of the third light and thunder of the seventh angel with trumpet.

Revelation 16:8 And the FOURTH ANGEL Poured out his VIAL upon the SUN {representing the USA's ruling capital and nation}; ***and POWER was given unto HIM*** {fourth plagued angel} ***to SCORCH MEN*** {states and nations} ***with FIRE*** {thousands of whirlwinds of fire that accompany the rivers of lava}.

The fourth plagued angel joins all three previous plagues. The vision (light) of the USA's ruling capital and nation is as the sun's light (Lucifer) to the kingdom of latter day Babylon. When a lake of fire is in the immense mouth upon the high mountain of the super volcano, a great whirlwind of fire will materialize around the immense new mount Zion. During that time, the redeemed will enter new Jerusalem's ensign. Some time thereafter, the swelled to heaven super volcano explodes with a massive earthquake-causing eruption such as never happened. Then the lake of fire will overflow and spread as rivers of lava throughout the USA and world. Thousands of whirlwinds of fire will materialize wherever the rivers of fire are flowing. Coals of fire will be carried and hurled by the chariots of fire, while hailstones rain on the land. The chariots of fire with the rivers of lava will initially scorch the ruling nation (USA) of the world, followed by all nations.

Revelation 16:9 And MEN {spiritual men representing the USA's states and nations of latter day Babylon's kingdom} ***were scorched with GREAT HEAT*** {radiating from the rivers of lava and fiery tornadoes}, ***and BLASPHEMED the NAME of GOD*** {risen Abaddon/the Rock/super volcano full of an overflowing lake of fire/lava}, ***which hath power over these***

PLAGUES: and THEY {states and nations}
REPENTED NOT to give HIM {Abaddon/the
Rock/super volcano} ***GLORY*** {by declaring that what is
happening is according to the visions and oracles of the
one like the son of man, who is equated with the risen
Abaddon/the Rock/super volcano}.

The USA's states and nations (spiritual men) of the latter day Babylonian beast will be scorched by the great heat emanating from the rivers of lava and by the whirlwinds of fire. Thousands of fiery whirlwinds will accompany the rivers of fire, as they scorch the nations. In that time, the USA's rebellious ruling capital and rebellious nations will, according to their confused beliefs, blaspheme against the name of God, which is the name of Abaddon/the Rock (super volcano). The super volcano is equated with God. Rivers of fire will be overflowing from the swelled to heaven super volcano (full of a lake of fire), according to the visions and oracles written on the one like the son of man (first and last/end and beginning/God the father and son of God). These visions and oracles replay all things just as they existed and happened in the first timeline. When the written visions and oracles are replaying the time when the nations are being scorched, the rebellious states and nations will not repent and give the credit (glory) of what is happening in the land to the written visions and oracles of the one like the son of man.

The fourth plagued angel is the fulfillment of the message written beneath the fourth seal (see Revelation 6:7, 8), vision and oracle written on the fourth angel with trumpet (see Revelation 8:12), and the written message written on the fourth light and fourth thunder of the seventh angel with trumpet.

Revelation 16:10 And the FIFTH {plagued} ANGEL Poured out his VIAL upon the SEAT {referring to the USA's ruling capital/seat} of the BEAST {kingdom of latter day Babylon}; and HIS {latter day Babylon's} KINGDOM was full of DARKNESS {because sunlight, moonlight, and stars will become totally veiled by the smoke and ash that erupts from the immense mouth of the super volcano for five months}; and THEY {USA's states and nations} GNAWED their TONGUES for PAIN {being hunger pains},

The fifth plagued angel pours out its plague when total darkness begins covering the seat (USA's ruling capital/seat) of the seven-headed ten-horned beast (union of nations/kingdom) of latter day Babylon (see Revelation 16:10). It begins when the super volcano explodes with a great sound of thunder and a massive earthquake, as thick black smoke and hot sticky ash begin to erupt, which last for five months. From the

beginning to the end of these five months, the USA's ruling capital and nation will be progressively tormented with famine, as less daylight becomes visible through the erupting smoke and ash. However, after these five months, when the fifth plagued angel is still being fulfilled with more intensity as the seventh plagued angel is being fulfilled, total darkness and a terrible famine will then kill one part of each state and nations. Accordingly, the rebellious people in the USA's states and the nations are illustrated as gnawing their tongues because of their terrible hunger pains (see Revelation 16:10).

Revelation 16:11 And BLASPHEMED the GOD

{Abaddon/the Rock/super volcano that is equated with God} ***of HEAVEN*** {being the area above the lifted-up to heaven immense mountain of the super volcano} ***because of THEIR*** {states' and nations'} ***PAINS*** {terrible hunger pains} ***and their SORES*** {caused by great whirlwinds of fire with great hailstones}, ***and REPENTED NOT of their DEEDS*** {in wanting their old way of life according to their ideals/mark of the latter day Babylonian beast}.

The hunger pains of the fallen USA's states and nations will be equated with the sting of scorpions. In their

distress, they will blaspheme the cause of their terrible hunger pains, which is caused by the erupting super volcano, whose 40-mile wide mouth erupts smoke and ash for five months and, thereafter, erupts and overflows into rivers of lava. Accordingly, the remaining rebellious nations and people will not repent of wanting their former life style. Therefore they will have the mark (ideals) of the latter day Babylonian beast (kingdom), instead of the seal (mark/written visions and oracles on their forehead/mind) of the one like the son of man (God).

Revelation 16:12 And the SIXTH ANGEL Poured out his VIAL upon the GREAT RIVER EUPHRATES {this spiritual river represents the USA, which is the leading nation/spiritual river of latter day Babylon's kingdom/spiritual sea}; ***and the WATER thereof was DRIED UP*** {the USA's nation/spiritual river begins being figuratively swallowed when the super volcano explodes with a massive earthquake-causing eruption, as smoke and ash begin to erupt}, ***that the WAY of the KINGS*** {four riders of the white, red, black, and pale horse; these four riders are equated with four Persian Kings that ruled over old Babylon's kingdom} ***of the EAST*** {referring to the land of old Persia, which is in the east} ***might be prepared.***

The sixth plagues angel also reveals the previous five plagues, just as the sixth day of Genesis also revealed what had already been created during the previous five days. Accordingly, the sixth plagues angel reveals the first spiritual king riding the white horse as a flash of light with ejected coals of fire from the exploded super volcano, which is in the USA. Hence the USA is equated with the river that begins to be swallowed at the massive earthquake causing eruption of Abaddon/the Rock.

The sixth plagues angel also reveals the time when the second spiritual king ascends from the exploded super volcano. The second king is now riding a red horse. The blood-covered white horse is now red because anarchy (blood-shed) will torment and then kill with death the USA's states. When smoke and ash are erupting, the states and nations will be tormented with death by anarchy. Thereafter anarchy will kill one part of each state and one part of every nation when lava is overflowing from the lifted-up to heaven super volcano.

The sixth plagues angel also reveals the time when the third spiritual king ascends from the exploded super volcano. The blood-covered white horse is now black because of thick darkness that is spreading over the land. While smoke and ash are erupting, hunger will be tormenting the USA's states and nations. However when

lava is overflowing throughout the USA's states and nations of the world from the swelled to heaven super volcano, then one part of each state and one part of every nation will be killed by hunger during a terrible time of famine.

The sixth plagued angel also reveals the time when the fourth spiritual king ascends from the exploded super volcano. The blackened, blood-covered white horse is now a pale color, which this pale color is created by mixing the white, red, and black colors. This pale colored horse represents the time when many whirlwinds of fire are manifesting with the flowing rivers of fire (lava). This fourth king on his pale horse brings death to the USA's states and nations of the world.

In the past type, four kings came from the east (Persia) to overthrow old Babylon, according to the first witness' visions and oracles. These four old kings of Persia reigned (with the kings of Media) over old Babylon and its kingdom, according to the first witness' written visions and oracles. In the latter days, four kings riding four horses will cause latter day Babylon's kingdom to fall, according to the first witness' visions and oracles written on the last small part of the seventh part of the scroll of life's first side. According to the last witness' visions and oracles written on the first small part of the

seventh part of the scroll of life's other side, six kings riding on six horses will cause latter day Babylon's kingdom to fall.

Revelation 16:13 And I saw THREE UNCLEAN SPIRITS {these three spirits represent a way of thinking that is opposite to what the two witnesses are thinking concerning the world's future} ***like FROGS*** {representing leaders in the USA/spiritual river where these frogs dwell and catch their prey with their tongues/words} ***COME OUT*** {during the time when smoke and ash are erupting from the super volcano when the USA's nation/spiritual river has not yet been dried up} ***of the MOUTH*** {USA's leadership} ***of the DRAGON*** {being the latter day Babylonian beast/dragon that ruled during its first reigning period in spiritual Goshen}, ***and out of the MOUTH*** {USA's leadership} ***of the BEAST*** {being the latter day Babylonian beast that ruled during its second and third reigning periods in spiritual Canaan}, ***and out of the MOUTH*** {USA's leadership} ***of the FALSE PROPHET*** {the false prophet is the USA's leadership}.

The latter day dragon (beast) in spiritual Goshen was reigning as the latter day Babylonian beast during its first of three reigning periods. During that time, the

USA's (spiritual river/nation) leadership (equated with frogs) was the false prophet speaking on behalf of the dragon (beast/kingdom) of what the USA's leadership envisioned for the world's future.

The latter day Babylonian beast was reigning in spiritual Canaan during its second and third reigning periods. During those periods, the USA's (spiritual river/nation) leadership (equated with frogs) was the false prophet speaking on behalf of the dragon (beast/kingdom/union of nations) of what the USA's leadership envisioned for the world's future.

During the time when smoke and ash are erupting for five months from the super volcano, the false prophet (USA's leadership) will be attempting to reassure peoples and nations that the smoke and ash erupting from the super volcano will end and can be overcome. At that time, the USA's leadership will be speaking falsely of what they envision for the world's future, which is opposite to what the two witnesses prophesy concerning this world's fated end.

Revelation 16:14 For **THEY** {dragon, beast, and false prophet} **are the SPIRITS** {minds/way of thinking} **of DEVILS** {that devil/tempt nations and peoples}, **WORKING MIRACLES** {working technological and

military miracles}, **WHICH GO FORTH** {during the time when smoke and ash are erupting from the super volcano} **unto the KINGS** {nations} **of the earth** {union of nations in spiritual Canaan} **and of the whole world, to gather them to the battle of that GREAT DAY** {the great/big day when the swelled to heaven super volcano, full of a lake of fire, explodes and overflows with rivers of lava} **of God Almighty** {one like the son of man who is equated with the super volcano}.

False hope in words of peace and safety will be spoken by the USA's leadership (tempters/devils) during the time when smoke and ash are erupting from the super volcano. The way of thinking of these devils tempt nations to accept the USA's ideals, that the USA envisions for the world's future. During the time of erupting smoke and ash, the USA's states and the world's nations will not forsake the US leadership's ideals that the leadership envisions for the world's future. Accordingly, the final preparation will have taken place in that time for the USA's states and world's nations that have the mark (way of thinking on the forehead/mind) of the beast to fight in that great day of the battle of Armageddon.

The final battle of Armageddon begins on the great (big) day when the visions and oracles of God Almighty (one like the son of man) replay the time when the swelled to

heaven super volcano (full of a lake of fire) explodes and begins to overflow with rivers of fire (lava). This great explosion causes a massive earthquake-causing eruption such as never happened. The great sound of thunder with the great earthquake is equated with the anger of God (one like the son of man), who descends as an overflowing fire from the top of the swelled to heaven super volcano to cover the whole world.

Revelation 16:15 Behold, I {Lamb's/son of God's written visions and oracles} **COME** {at the time when the swelled to heaven super volcano, full of a lake of fire, explodes} **as a THIEF** {unexpectedly}. **Blessed is HE** {the person that accepts the everlasting gospel} **that WATCHETH** {referring to the people that accept the message of the everlasting gospel and watch for the ensign of the super volcano}, **and keepeth his GARMENTS** {garments of spiritual light/visions and oracles of the Lamb that they receive when they accept the everlasting gospel}, **lest he walk NAKED** {by not traveling to and entering the ensign of new Jerusalem}, **and THEY** {the overcomers that believed the everlasting gospel, then traveled to the rising ensign at the great trumpet and, thereafter, entered the ensign of new Jerusalem} **see HIS** {the person who was not watching for the explosion of the super volcano to

happen} *shame*.

From the day of new Pentecost, the everlasting gospel will be proclaimed to all nations. The people that accept the Lamb's visions and oracles (proclaimed by the everlasting gospel) are told to watch for the super volcano to explode with a massive earthquake-causing eruption. This eruption causes a great sound of thunder, which is referred to as the trumpet being blown for the redeemed to begin traveling to the rising ensign from all nations, kindreds, tongues, and people of the world. That event (that is revealed by the Lamb's written visions and oracles) is likened to a thief in the night. Many people of the nations that claimed to believe the everlasting gospel will fail to watch for the rising of Abaddon/the Rock (super volcano). Accordingly when the super volcano explodes and begins to erupt smoke and ash and people hear news of it, the people that had once claimed to believe the everlasting gospel but were not watching for the super volcano to explode will be hesitant, confused, and doubting whether they should forsake everything and everyone and travel to the rising ensign, especially when the false prophet (USA's leadership) and all nations of the Babylonian kingdom (dragon/beast) are claiming that the erupting super volcano will soon stop erupting and return to its previous dormant state. Accordingly the people that were not watching for the super volcano's eruption,

when it explodes it will have come as a thief in the night to strip them of their garments of light.

When a person accepts the everlasting gospel, they are then clothed with the light (visions and oracles) that prophesies of the plagues that will be loosed on the world by the super volcano's explosion. However should the believer not watch for the super volcano to erupt and that event happens, thereafter they will be doubtful and unbelieving. Whereby they will decide to remain with their lifestyle, possessions, loved ones, friends and associates. The people that were watching for the super volcano to erupt will see that the doubters and unbelievers are spiritually naked because they have not the light (visions and oracles of the Lamb/son of God/first small part) that had once covered them in the past.

Revelation 16:16 And HE {false prophet/USA's leadership} ***gathered them*** {deceived nations that have the mark of the beast} ***together into a*** {figurative} ***place called in the Hebrew tongue ARMAGEDDON*** {typified by old Megiddo where three united nations dwelt in the old land of Canaan}.

The plagues which the seven plagues angels release are equated with the armies of God (one like the son of man

who is equated with the super volcano). The rebellious people and nations that rejected the everlasting gospel will have chosen to battle with these plagues, as they attempt to survive through the terrible time of trouble. Prior to the super volcano swelling high into heaven and exploding magma into the sky as rivers of fire overflowed, the USA's ideals that it envisions for the world's future, with the influence of its technological and military miracles (sorceries), are conditioning the minds of peoples and nations. Accordingly, the combined nations of latter day Megiddo will fight in the battle of Armageddon (Megiddo) against God's (one like the son of man's) armies, that are armed with figurative bows that fire burning coals of fire and great hailstones, armies armed with figurative swords that bring bloodshed by anarchy, armies armed with figurative scales that bring death by famine, fiery whirlwinds/chariots of fire that accompany the armies of rivers of fire.

Joshua 17:11 ...And the inhabitants of MEGIDDO {Armegiddo} and her towns, even THREE COUNTRIES {equated with the latter day Babylonian dragon (1st kingdom), beast (2nd kingdom), and its image (3rd kingdom) that prepare to war with the swelled to heaven super volcano's (God's) armies during the battle of Armageddon}.

Joshua and Eleazar with the armies of old Israel overthrew the Canaanite nations of Megiddo, just as the two witnesses' written visions and oracles will overthrow the dragon, beast, and the beast's image that dwell in latter day spiritual Megiddo (Armageddon).

Revelation 16:17 And the SEVENTH {plagued} ***ANGEL*** {after six plagued angels are fulfilled, the seventh plagued angel will be fulfilled when the swelled to heaven super volcano, full of a lake of fire, explodes} ***POURED out his VIAL into the AIR*** {sky}; ***and there came a GREAT VOICE*** {great voice of thunder of the massive earthquake-causing eruption such as never happened} ***out of the TEMPLE*** {representing the immense mouth upon the swelled to heaven super volcano} ***of HEAVEN*** {sky/heaven}, ***from the THRONE*** {where the one like the son of man is sitting during the judgment}, ***saying, IT IS DONE*** {the kingdoms of this world have become the kingdoms of God/one like the son of man/God the father and son of God}.

After six plagued angels are fulfilled, the swelled to heaven super volcano will be full of a lake of fire. Smoke and ash will have stopped erupting. The redeemed will have entered the ensign of new

Jerusalem. Thereafter the seventh plagues angel begins to be fulfilled when the swelled to heaven super volcano's immense 40- mile wide mouth (full of a lake of fire) explodes with a massive earthquake causing eruption. This immense explosion causes a great earthquake such as never happened and a deafening sound of thunder to travel throughout the air. This loud sound of thunder is the plague (voice of a great thunder) being poured into the air by the seventh plagues angel. At the great sound of thunder, the seventh plagues angel is being fulfilled, as the lake of fire is now overflowing and spreading as rivers of fire from the high mountain of the super volcano. At that time, all seven plagues angels are being fulfilled at the same time.

The immense 40-mile wide mouth, overflowing with an immense lake of lava, upon the swelled to heaven super volcano is referred to as the open temple in heaven when it has no covering. High above and around this immense mouth of an overflowing lake of fire sits the reigning written visions and oracles of the one like the son of man. These written visions and oracles are as it were sitting on a throne of intense light, reigning over the kingdom of latter day Babylon.

The one like the son of man's voice of a great sound of thunder from the super volcano states that "it is done." What is done is that the swelled to heaven super volcano

(equated with the one like the son of man) is then king of the world's kings (kingdoms) and lord of the world's lords. Hence the kingdoms of this world have become the kingdoms of God (one like the son of man/God the father and son of God).

Revelation 16:18 And THERE were VOICES {of ejected coals of fire and huge hailstones, caused by the intense heat emanating from the overflowing lake of fire in the immense 40-mile wide mouth of the lifted-up to heaven super volcano}, ***and THUNDERS*** {thunders sounding from the immense 40-mile wide mouth of the swelled to heaven super volcano}, ***and LIGHTNINGS*** {lightnings from the top of of the swelled to heaven super volcano}, ***and there was a GREAT EARTHQUAKE*** {which happens when the swelled to heaven super volcano's immense mouth, full of a lake of fire, explodes}, ***such as was not since men were upon the earth, so mighty an earthquake, and so great*** {a great earthquake such as never happened}.

The normal order is lightnings (equated with visions written on the one like the son of man) then thunderings (equated with oracles written on the one like the son of man) then voices of raining coals of fire with great hailstones (equated with the interpretation of the written

visions and oracles of the one like the son of man). The verse in Revelation 16:18 states voices, thunders, and lightnings in reverse order. The reason is that the visions and oracles of the Lamb (first small part/morning star/son of God, equated with the copper altar of burnt offerings in the east of the temple) are revealing what God the father (last small part/bright star, equated with the Ark of the testament in the west of the temple) witnessed while seeing things happen from west to east, which is likened to a bright moon's light just below the westerly horizon at dawn witnessing from west to east what is happening on the land.

The great earthquake mentioned in Revelation 16:18 happens when the super volcano (Abaddon/the Rock) has risen as a lake of fire with an intense bright light. Thereafter, a great explosion of the swelled to heaven super volcano (full of a lake of fire) causes the great earthquake such as never happened, as the lake of fire begins to overflow and spread as rivers of fire throughout the USA and world.

Revelation 16:19 And the GREAT CITY {in the latter days this great city refers to the USA's ruling capital and her nation} ***was divided into THREE PARTS*** {three ways for the US capital and nation to meet death}, ***and***

the CITIES of the NATIONS {of latter day Babylon's kingdom} *FELL: and GREAT BABYLON* {USA's ruling capital and nation} *came in REMEMBRANCE* {hence, the fall of great Babylon is being replayed exactly as remembered} *before God* {one like the son of man who represents the two witnesses/God the father and son of God}, *to GIVE unto her the CUP* {vial} *of the WINE* {as it is written} *of the FIERCENESS of HIS* {swelled to heaven super volcano, full of a lake of fire} *WRATH* {the anger of God is equated with the plagues that happen when the swelled to heaven super volcano, full of a lake of fire, explodes}.

In the latter days, the great city mentioned in Revelation 16:19 is the USA's ruling capital. At the explosion of the swelled to heaven super volcano's mountain (full of a lake of fire), a great earthquake such as never happened will cause the USA's capital city and nation to be divided in three separate ways of being killed. At the same time, the great earthquake brings an end to the kingdom of latter day Babylon. The fall of great Babylon (USA's capital, nation, and kingdom) is again remembered in the present replay just as it fell in the previous replay of how things existed and happened. How latter day Babylon fell is remembered when the one like the son of man (God) replays the time when the super volcano has risen from the bottomless pit as a lake

of fire with an intense light. The visions and oracles of the one like the son of man reveals his anger, which is equated with the plagues that happen when the swelled to heaven super volcano (full of a lake of fire) explodes and begins overflowing with rivers of fire. On the day of the massive explosion, the USA's capital and nation are forced to accept into their hand and drink the terrible bitterness.

When the swelled to heaven super volcano explodes, the latter day great city and her nation will be divided into three parts. “One part” of the USA's capital and nation will be killed by arrows of coals of fire and great hailstones. A “second part” of the USA's capital and nation will be slain by the sword of anarchy. A “third part” of the USA's capital and nation will die by scales of hunger. Accordingly, the USA's capital and nation will have met death through the three plagues of arrows (great hailstones), sword (anarchy), and scales (hunger) being fulfilled at the same time.

Revelation 16:20 And EVERY ISLAND {referring to nations outside the spiritual Canaanite kingdom of latter day Babylon/USA} ***fled away, and the MOUNTAINS*** {referring to capitals and cities of these islands} ***were not found.***

The USA's ruling capital and nation will be first to be killed when the swelled to heaven super volcano explodes and causes death by coals of fire and great hailstones, anarchy, and famine to happen at the same time. On that great day of the great earthquake such as never happened, the kingdom of Babylon will have fallen. The overflowing lake of fire (lava) originating from the immense 40-mile wide mouth upon the lifted-up to heaven super volcano continually expands, casting the USA's ruling capital (false prophetess) and nation (false prophet) into the spreading lake of fire. Thereafter, the spreading lake of fire will swallow all nations, peoples, and tongues that remained outside new Jerusalem (representing the immense fiery whirlwind around the high mountain of the super volcano), as the world is dissolved.

Nations outside the kingdom of latter day Babylon (USA) are referred to as islands, and their cities are referred to as mountains. After the USA's capital and nation end up in the overflowing and spreading lake of fire (lava), thereafter all other cities and nations will cease to operate as cities (referred to as mountains) having a nation (referred to as an Island) as the super volcano's (Abaddon's/the Rock's) anger spreads throughout the world.

In the past type, islands referred to nations outside the

land of old Judah (old Judah is a type of the false prophet/USA) and outside the land of old Israel (old Israel typifies the latter day seven-headed ten-horned Canaanite beast/kingdom that is ruled by the USA). The islands (nations) will not be found because the overflowing lake of fire (lava) will spread to dissolve this world. The Earth's exposed face of magma will spread from within the USA to cover the planet, evaporating all rivers, seas, and oceans. As the lake of lava spreads to all nations (islands), it will intensify the anarchy and famine in these figurative islands. During that time, the only people that will be living in the world will be those that refused to be among a great multitude of redeemed, that were ripened by the everlasting gospel and gathered from all nations into the ensign before the lake of fire began to overflow. The remaining rebellious people will have the mark (way of thinking) of the latter day Babylonian beast having chosen to stay in these islands (nations). Accordingly, these islands will have blasphemed against the living God's (one like the son of man's) visions and oracles by attempting and hoping to maintain the former ideals of the fallen latter day Babylonian kingdom.

Revelation 16:21 And there FELL upon MEN
{representing the USA's states and nations} ***a GREAT***

HAIL {of ice} ***out of HEAVEN*** {sky}, ***every STONE***
about the weight of a TALENT {about 75 pounds}:
and MEN {states and nations} ***BLASPHEMED GOD***
{swelled to heaven super volcano, that is equated with
God} ***because of the PLAGUE of the HAIL*** {caused by
the extreme heat above and around the spreading lake of
fire}; ***for the PLAGUE*** {of huge hailstones} ***thereof***
was EXCEEDING GREAT.

When the lake of fire is overflowing and spreading from the immense 40-mile wide mouth of the super volcano in the USA, it will create intense heat high above the spreading lake of fire. This incredibly intense heat causes huge sheets of hail to form high in the sky (heaven), that will rain as great hailstones weighing about 75 pounds. As the lake of fire continually spreads far and wide, great hailstones will rain upon the USA's land and the nations (referred to as men/spiritual tribes). This plague is so severe that people will be cursing the swelled to heaven super volcano (equated with God), because it will be overflowing with a spreading lake of fire that is causing the terrible plague of great hailstones.

Job 38:30:22 *Hast thou entered into the treasures of the snow? or hast thou seen the treasures of the HAIL*
{great hailstones},

38:23 *Which I {one like the son of man} have reserved against the TIME OF TROUBLE, against the DAY OF BATTLE {of Armageddon} and war?*

Isaiah 28:2 *Behold, the Lord {one like the son of man} hath a MIGHTY AND STRONG ONE {super volcano}, which as a tempest of hail and a destroying storm, as a flood of mighty waters {rivers of lava} overflowing, shall cast down to the earth with the HAND {right hand and left hand of God/one like the son of man}.*

Isaiah 28:17 *Judgment also will I lay to the line, and righteousness to the plummet: and the HAIL {great hailstones} shall sweep away the REFUGE OF LIES {promoted by the false prophet, dragon, beast, and its image against the two witnesses' visions and oracles of how this world ends}, and the WATERS {rivers of fire} shall overflow the hiding place.*

Isaiah 30:30 *And the Lord {one like the son of man equated with the super volcano} shall cause his glorious VOICE {of a great sound of thunder of the swelled to heaven super volcano's explosion} to be heard, and shall shew the lighting down of his arm, with the indignation of his anger, and with the flame of a devouring fire, with scattering, and tempest, and hailstones.*
