

Chapter 16

Revelation 16:1 And I heard a GREAT VOICE {the great voice represents the great voice of thunder that happens when the super volcano swells to heaven and explodes magma into the sky} ***out of the TEMPLE*** {representing the immense 40-mile opened mouth of the lifted-up to heaven super volcano} ***saying to the SEVEN*** {plagued} ***ANGELS, Go your ways, and POUR OUT the VIALS of the WRATH of GOD*** {wrath of the rising seventh plagued angel from the high and immense opened bottomless pit} ***upon the EARTH*** {beginning with the land of the false prophet/USA}.

In the verse of Revelation 16:1, the Apostle John heard a great voice proceeding from the the temple. The great voice represents the great sound of thunder that happens when the super volcano swells to heaven and explodes magma into the sky. The rising lake of fire with its glorious light from the immense mouth of the lifted-up to heaven super volcano is equated with the rising of the seventh plagued angel. The great sound of thunder is referred to as the sound of a great trumpet. From that time, seven plagued angels will exit the temple to pour out their plagues upon the kingdom of the latter day Babylonian beast, beginning with the land of the USA. The temple represents the immense mouth (temple) of

the lifted-up to heaven super volcano. The seven plagued angels that consecutively leave the temple as the seventh plagued angel is rising to be fulfilled after six plagued angels have poured out their vials. At that time, the lake of fire will be filling the high and immense mouth of the super volcano.

Revelation 16:2 And the FIRST {first plagued angel} ***WENT, and POURED out his VIAL*** {that represents a terrible situation being created when the super volcano's mouth is filling with a lake of magma} ***upon the EARTH*** {beginning with the USA}; ***and there FELL a NOISESOME and GREVIOUS SORE*** {caused by coals of fire and great hailstones} ***upon the MEN*** {representing the USA and nations} ***which had the MARK*** {spiritual wine/ideals of what the USA envisions and promotes for the world's future} ***of the BEAST*** {being the latter day Babylonian kingdom's first and second reigning periods}, ***and upon them which WORSHIPPED his IMAGE*** {final/third reigning period of the same latter day beast/kingdom}.

The first plagued angel in Revelation 16:2, who is the personification of its plague, pours out its vial upon the Earth. The Earth refers to the land of the USA, just as a

lamb-like beast (USA) rose out of the Earth (land). At that time, a noisome and grievous sore by fiery whirlwinds and falling great hailstones will plague the men (referring to the USA and nations/men). The USA and nations have the seven-headed ten-horned Babylonian beast's (kingdom's) mark (ideals) and worship its image. The latter day Babylonian beast's final/third reigning period is the image of the latter day Babylonian beast's second reigning period.

The first plagued angel comes out of the temple, just as ejected coals of fire and intense heat exits the opened immense 40-mile wide mouth, filling with a lake of fire upon the swelled to heaven super volcano. Tremendous heat above and around the high mountain of the super volcano causes great hailstones to form above the swelled to heaven super volcano. Great hailstones will then rain upon the USA's (false prophet's) states and ruling capital (false prophetess). The many whirlwinds and great hailstones raining upon the land are the noisome and grievous plague, which initially plagues the false prophet's (USA's leadership) and prophetess' (ruling capital's) sons (representing states) and daughters (representing cities and towns). When the lake of fire overflows and spreads to all nations, then the nations will also be plagued by great hailstones.

The first plagued angel in Revelation 16:2 is the

fulfillment of the message beneath the first seal (see Revelation 6:2), first angel's trumpet (see Revelation 8:7), and the first light of the seventh angel with trumpet.

Revelation 16:3 And the SECOND {plagued} ANGEL POURED out his VIAL upon the SEA {the spiritual sea represents latter day Babylon's/kingdom of combined spiritual rivers/nations}; and it became as the BLOOD {symbolizing death by anarchy} of a DEAD MAN {symbolizing a nation/man}: and EVERY LIVING SOUL {representing every living state, city, or nation} DIED {is no longer a functioning state, city, or nation} in the SEA {sea/kingdom of latter day Babylon}.

The second plagued angel in Revelation 16:3 begins a terrible time of anarchy to the nations of the latter day Babylonian beast. Therefore, a nation or state (brother/tribe/nation) will be against another nation or state (brother/tribe/nation) (see Isaiah 9:19-21; Ezekiel 38:19-23).

Isaiah 9:19 Through the wrath of the LORD {risen seventh plagued angel} of HOSTS {great hailstones} is the land DARKENED, and the people shall be as the fuel of the FIRE {overflowing lake of fire from the immense 40-mile wide mouth of the lifted-up to heaven

super volcano}: *NO MAN* {referring to nations or states} *shall spare his BROTHER* {during a terrible time of anarchy}.

Isaiah 9:20 *And HE* {nation or state} *shall snatch on the right hand, and be hungry; and he shall eat on the left hand, and they shall not be satisfied: they shall eat EVERY MAN* {referring to a nation, tribe or state} *the FLESH* {provisions} *of his own arm* {state/tribe}:

Isaiah 9:21 *Manasseh, Ephraim; and Ephraim, Manasseh: and they together shall be against Judah. For all this HIS* {rising seventh plagued angel's} *anger is not turned away, but his HAND* {pertaining to the visions and oracles of the right hand/first witness and left hand/last witness} *is STRETCHED OUT STILL* {to destroy and dissolve the kingdom of latter day Babylon}.

Ezekiel 38:19 *For in MY* {seventh plagued angel's} *jealousy and in the FIRE* {flowing lava} *of my wrath have I SPOKEN* {spoken with the great thundering voice caused by the explosion of the swelled to heaven super volcano}, *Surely in that DAY* {when the swelled to heaven super volcano's mouth is full of a lake of fire} *there shall be a GREAT SHAKING* {the massive explosion of magma causes a great earthquake such as never happened} *in the land of* {spiritual} *Israel*

{representing the kingdom of latter day Babylon};

Ezekiel 38:20 *So that the fishes of the sea, and the fowls of the heaven, and the beasts of the field, and all creeping things that creep upon the earth, and all the men that are upon the face of the earth, shall shake at MY PRESENCE {the presence of the seventh plagued angel after he has risen as a great star/light with a lake of fire, that has filled the swelled to heaven super volcano's immense mouth}, and the mountains shall be thrown down {by the great earthquake}, and the steep places shall fall, and every wall shall fall to the ground {by the great earthquake such as never happened}.*

Ezekiel 38:21 *And I {risen seventh plagued angel} will call for a SWORD {of anarchy} against HIM {latter day Babylon's kingdom} throughout all my mountains, saith the Lord GOD: every man's sword shall be against his brother {which begins happening from the time of the great earthquake such as never happened}.*

Ezekiel 38:22 *And I {risen seventh plagued angel} will plead against HIM {latter day Babylon's kingdom} with pestilence and with blood {death}; and I will rain upon him, and upon his bands, and upon the many people that are with him, an overflowing RAIN, and GREAT HAILSTONES {great hailstones raining around the lifted-up to heaven super volcano's mouth overflowing*

with a lake of fire}, *FIRE* {fire with lava}, *and BRIMSTONE* {ejected coals of burning rock}.

Ezekiel 38:23 Thus will I {risen seventh plagued angel} *MAGNIFY* {as a great light with an overflowing lake of lava spreading from the immense mouth upon the lifted-up to heaven super volcano} *MYSELF, and SANCTIFY* {pure light emanating from the intense fire and heat of an overflowing and spreading lake of lava} *MYSELF; and I will be KNOWN* {as the great and intense light of the ensign} *in the eyes of MANY NATIONS* {of a great multitude of redeemed that travel and enter the ensign}, *and they shall know that I* {seventh plagued angel/risen star/bright light above and around the immense 40-mile wide mouth upon the lifted-up to heaven super volcano} *am the LORD.*

The rising of the seventh plagued angel from the lifted-up to heaven bottomless pit brings death to the USA's states and nations with the sword of anarchy, according to the second angel's plague. In that time when a lake of fire is filling the immense mouth upon the high super volcano, a great multitude of all nations will begin traveling to the fiery ensign as the return of the lost spiritual tribe of spiritual Ephraim.

The second angel's plague in Revelation 16:3 is the fulfillment of the message beneath the second seal (see

Revelation 6:4), second angel with trumpet (see Revelation 8:8), and the second light of the seventh angel with trumpet.

Revelation 16:4 And the THIRD ANGEL Poured out his vial upon the RIVERS {referring to states or nations/spiritual rivers} ***and FOUNTAINS*** {referring to capital cities of the states or nations} ***of WATERS; and they became BLOOD*** {dead, since they no longer exist as a functioning state or nation}.

From the time a lake of fire is filling the immense 40-mile wide mouth upon the lifted-up to heaven super volcano, the third plagued angel in Revelation 16:4 will cause spiritual rivers (referring to nations) and spiritual fountains (representing capital cities of the nations) of these spiritual rivers/waters to be smitten to death by famine. Accordingly, they will no longer be a functioning nation. This third plagued angel kills states and nations with famine. Famine will be the plague that will be ruling in states and nations of the fallen latter day Babylonian beast (kingdom).

Revelation 16:5 And I heard the ANGEL {being the third plagued angel's vision and oracle} ***of the***

WATERS {spiritual rivers/nations and sea/kingdom of latter day Babylon} *say, Thou are righteous, O Lord* {seventh plagued angel}, *which ART* {Art/is shown to be reigning when the replay of the seven plagued angels begin being fulfilled}, *and WAST* {Wast/Was already reigning as was shown during a previous replay of all generations, which replayed the seventh plagued angel rising as a great light with fire from the immense lifted-up to heaven super volcano}, *and SHALT BE* {in the next replay of all generations, the seventh plagued angel SHALT BE shown again rising as a great light with fire from the swelled to heaven bottomless pit}, *because Thou* {seventh plagued angel} *hast JUDGED thus.*

The angel mentioned in Revelation 16:5 represents the visions and oracles it is revealing and speaking concerning the nations (spiritual waters/rivers) and the kingdom (spiritual sea of combined spiritual waters) of latter day Babylon. The angel states that the seventh plagued angel is righteous, after rising as a great light from the swelled to heaven bottomless pit when a lake of fire continually fills the immense mouth upon the lifted-up to heaven super volcano. Great hailstones with ejected coals of fire descend upon the land, as the seventh plagued angel is rising as a great light with the filling lake of fire in the immense mouth of the swelled to heaven super volcano. At the rising of the seventh plagued angel begins the battle of Armageddon. The

rising seventh plagued angel will cause his armies of great hailstones with ejected coals of fire that bring anarchy and famine. Then a great whirlwind (that spawns thousands of smaller whirlwinds) will materialize around the high mountain, while its immense 40-mile wide mouth is full with a lake of fire. All the redeemed have traveled to enter the fiery light of the ensign emanating around and above the great and fiery whirlwind (equated with new Jerusalem). Thereafter, a huge explosion causes the lake of fire to overflow and spread throughout the land as the armies of the risen seventh plagued angel. All armies of the seventh plagued angel will battle and overthrow the nations and kingdom of latter day Babylon.

In Revelation 16:5 a replay again revealed, during the judgment, the time when the seventh plagued angel had risen as a great light with a lake of fire filling the immense mouth upon lifted-up to heaven bottomless pit (super volcano). The replay of all generations showed the time when the seventh plagued angel began to reign over the kingdom of latter day Babylon. This replayed event of the rising seventh plagued angel ruling over latter day Babylon had already been revealed in the previous replay of all generations. The next replay of all generations (which our lives, world, and universe are being presently replayed) will again replay the time when the seventh plagued angel rises as a great light

with a filling lake of fire (in the immense mouth upon the swelled to heaven super volcano) to overthrow and reign over all of latter day Babylon's kingdom and nations.

Revelation 16:6 For **THEY** {states/spiritual tribes and nations} have **SHED the BLOOD of SAINTS** {apostles and disciples that died believing in a living prophet's message} and **PROPHETS** {who manifested in every generation to proclaim their message}, and **thou** {risen seventh plagued angel} **hast given them BLOOD** {representing death by great hailstones with ejected coals of fire that are represented by riders on white horses, death by anarchy that is represented by riders on red horses, death by famine that is represented by riders on black horses, and death by whirlwinds of fire that are represented by riders on pale horses} **to DRINK; for **THEY** {states and nations of the latter day Babylonian beast} are **WORTHY.****

In every generation, prophets have been sent to nations where people reside who profess to believe in God. The prophets and their apostles and disciples were persecuted and usually killed by religious and political leaders and their people. After the super volcano explodes and erupts smoke and ash continually for five

months, the dead of every generation rise to life and health. Among the resurrected people will be the patriarchs, prophets, messiahs, apostles, and disciples of all generations and the rebellious people who persecuted and shed their blood. Accordingly, when a replay of all generations reveals a vision showing states, nations, and rebellious peoples (that rejected the everlasting gospel) being killed by great hailstones with ejected coals of fire, anarchy, famine, fiery whirlwinds, and an overflowing and spreading lake of fire, they are worthy to spiritually drink that situation because they rejected, persecuted, and killed the latter day messenger's, apostles, and disciples that proclaimed the everlasting gospel, which warned of the four riders (representing visions pertaining to the plagues that ascend from the lifted-up to heaven super volcano) and their white, red, black, and pale horses (representing written oracles pertaining to plagues of hot air that accompany the four riders). The everlasting gospel is proclaimed during the five months of smoke and ash erupting from the super volcano.

Revelation 16:7 And I HEARD ANOTHER {being the fourth plagued angel's vision and oracle ready to be fulfilled} ***out of the ALTAR*** {altar of incense equated with the lifted-up to heaven super volcano's mouth

filling with a lake of fire} *say, Even so, Lord God Almighty* {rising seventh plagues angel}, *TRUE and RIGHTEOUS are thy JUDGMENTS* {on latter day Babylon's kingdom}.

The angel's voice out of the altar is the voice of the fourth plagues angel, who is ready to be fulfilled. The voice declares that the seventh plagues angel's (Lord God Almighty) written visions and oracles had truthfully and righteously replayed how the first and second plagues angel were originally fulfilled. These visions and oracles written on the seventh plagues angel (who represents the last small part of the scroll of life) replay exactly over and over how the kingdom of latter day Babylon came to an everlasting end.

The third angel's plague in Revelation 16:4-7 is the fulfillment of the message beneath the third seal (see Revelation 6:5, 6), visions and thunder of the third angel with trumpet (see Revelation 8:10, 11), and the third light and thunder of the seventh angel with trumpet.

Revelation 16:8 And the FOURTH ANGEL Poured out his VIAL upon the SUN {representing the USA's ruling capital and nation}; *and POWER was given unto HIM* {fourth plagues angel} *to SCORCH MEN* {states and nations} *with FIRE* {with the great whirlwind of

fire and thousands of smaller whirlwinds of fire}.

The fourth plagued angel joins all three previous plagues. The vision (light) of the USA's ruling capital and nation is as the sun's light (Lucifer) to the kingdom of latter day Babylon. When a lake of fire is in the immense mouth upon the high mountain of the super volcano, a great whirlwind of fire will materialize around the immense and great mountain. From this great whirlwind of fire (equated with new Jerusalem) will spawn thousands of smaller whirlwinds of fire (equated with chariots of God/super volcano), which travel throughout the land. The heat from these whirlwinds of fire will initially scorch the land of the USA. When the lake of fire overflows and spreads from the high mountain, the whirlwinds of fire will travel with the spreading lake of fire to scorch all nations.

Revelation 16:9 And MEN {spiritual men representing the USA's states and nations of latter day Babylon's kingdom} ***were scorched with GREAT HEAT*** {radiating from the thousands of fiery whirlwinds spawned from the immense fiery whirlwind around the lifted-up to heaven super volcano. These fiery whirlwinds will carry the intense heat of the lake of fire throughout the land}, ***and BLASPHEMED the NAME***

of GOD {risen seventh plagued angel reigning as a great star/light with fire over the lake of fire}, *which hath power over these PLAGUES: and THEY* {states and nations} *REPENTED NOT to give HIM* {seventh plagued angel} *GLORY* {by declaring that what is happening during the seven plagued angels' fulfillment is according to the visions and oracles that are written on the seventh plagued angel/last small part of the scroll of life}.

The USA's states and nations (spiritual men) of the latter day Babylonian beast will be scorched by the great heat and fire that is carried by the immense fiery whirlwind, that will be around the high and lifted-up to heaven super volcano. This immense fiery whirlwind will spawn thousands of smaller fiery whirlwinds that carry fire throughout the land. In that time, the USA's rebellious ruling capital and rebellious nations will, according to their confused beliefs, blaspheme against the visions and oracles written on the seventh plagued angel. These visions and oracles replay all things just as they existed and happened. However, these rebellious states and nations will not repent and give the credit (glory) of what is happening in the land to the seventh plagued angel's written visions and oracles.

The fourth plagued angel is the fulfillment of the message beneath the fourth seal (see Revelation 6:7, 8),

vision and oracle of the fourth angel with trumpet (see Revelation 8:12), and the fourth light and fourth thunder of the seventh angel with trumpet.

Revelation 16:10 And the FIFTH {plagued} ANGEL POURED out his VIAL upon the SEAT {referring to the USA's ruling capital} of the BEAST {kingdom of latter day Babylon}; and HIS {latter day Babylon's} KINGDOM was full of DARKNESS {because sunlight, moonlight, and stars will be totally veiled by the smoke and ash that had erupted for five months from the immense mouth of the super volcano}; and THEY {USA's states and nations} GNAWED their TONGUES for PAIN {being hunger pains},

The fifth plagued angel pours out its plague when total darkness is over the seat (USA's ruling capital/seat) of the seven-headed ten-horned beast (union of nations/kingdom) of latter day Babylon (see Revelation 16:10). The reason for the total darkness is that darkness progressed from the time the bottomless pit exploded with a great sound of thunder and an earthquake, as thick black smoke and hot sticky ash erupted for five months. From the beginning to the end of these five months, the USA's ruling capital and nation were progressively being tormented with worsening famine,

as less daylight became visible through the erupting smoke and ash. However, at the end of these five months, when the fifth plagues angel is again fulfilled at the rising of the seventh plagues angel, total darkness and a terrible famine will then kill one part of each state and nations. Accordingly, the rebellious people in the USA's states and the nations are illustrated as gnawing their tongues because of their terrible hunger pains (see Revelation 16:10).

Revelation 16:11 And BLASPHEMED the GOD

{seventh plagues angel/God that rose as a bright star with a rising lake of fire from within the immense 40-mile wide mouth upon the swelled to heaven super volcano} ***of HEAVEN*** {being the area above the lifted-up to heaven immense mountain of the super volcano} ***because of THEIR*** {states' and nations'} ***PAINS*** {terrible hunger pains} ***and their SORES*** {caused by great whirlwinds of fire with great hailstones}, ***and REPENTED NOT of their DEEDS*** {in wanting their old way of life according to their ideals/mark of the latter day Babylonian beast}.

The hunger pains of the fallen USA's states and nations will be equated with the sting of scorpions. In their distress, they will blaspheme the cause of their terrible

hunger pains, which is caused by the intensely bright light (equated with the seventh plagues angel/God) emanating from the lake of fire in the immense 40-mile wide mouth upon lifted-up to heaven super volcano. Accordingly, the remaining rebellious people will not repent of wanting their former life style. Therefore they will have the mark (ideals) of the latter day Babylonian beast (kingdom), instead of the seal (mark/written visions and oracles on their forehead/mind) of the seventh plagues angel (God).

Revelation 16:12 And the SIXTH ANGEL Poured out his VIAL upon the GREAT RIVER EUPHRATES {this spiritual river represents the USA, which is the leading nation/spiritual river of latter day Babylon's kingdom/spiritual sea}; ***and the WATER thereof was DRIED UP*** {the nation/spiritual river is figuratively swallowed when the super volcano swells to heaven and its immense 40-mile wide mouth explodes magma into the sky, causing a great earthquake}, ***that the WAY of the KINGS*** {four riders of the white, red, black, and pale horse; these four riders are equated with four Persian Kings that ruled over old Babylon's kingdom} ***of the EAST*** {referring to the land of old Persia, which is in the east} ***might be prepared.***

The sixth plagues angel also reveals the previous five plagues angels, just as the sixth day of Genesis also revealed what had already been created during the previous five days. Accordingly, the sixth plagues angel reveals the first king riding the white horse out of the high and lifted-up to heaven bottomless pit, which is in the USA (the spiritual river/nation that gets swallowed up). This represents the time when the super volcano swelled to heaven and exploded magma into the sky, as a rising great white light with a rising lake of fire fills the immense 40-mile wide mouth of the lifted-up to heaven bottomless pit. At that time, coals of fire with great hailstones (equated with riders on white horses) rain upon the land to devour (as flying eagles) the USA's states and thereafter the nations.

The sixth plagues angel also reveals the time when the second king ascends from the lifted-up to heaven bottomless pit. Within the USA (equated with the spiritual river that is swallowed up) is the bottomless pit. The second king is now riding a red horse. The blood-covered white horse is now red because a terrible time of anarchy (blood-shed) will kill one part of the states when lava is overflowing from the lifted-up to heaven super volcano.

The sixth plagues angel also reveals the time when the third king ascends from the swelled to heaven

bottomless pit riding a black horse. The blood-covered white horse is now black because of thick darkness covering the land. A terrible time of famine will now be killing one part of each of the states.

The sixth plagued angel also reveals the time when the fourth king ascends from the lifted-up to heaven bottomless pit. The blackened, blood-covered white horse is now a pale color, which the pale color is created by mixing the white, red, and black colors. This pale colored horse represents a great whirlwind of fire that materializes around the lifted-up to heaven super volcano's immense mountain, upon which is the 40-mile wide mouth filling with a lake of fire. This immense whirlwind (equated with new Jerusalem) will spawn thousands of smaller whirlwinds that bring death to the USA's states and cities.

In the past type, four kings came from the east (Persia) to overthrow old Babylon, according to the first witness' visions and oracles. These four old kings of Persia reigned over old Babylon with the kings of Media, according to the last witness' visions and oracles. In the latter days, four kings riding four horses will cause latter day Babylon's kingdom to fall, according to the first witness' visions and oracles written on the first side of the scroll of life. According to the last witness' visions and oracles written on the last side of the scroll of life,

six kings riding on six horses will cause latter day Babylon's kingdom to fall.

Revelation 16:13 And I saw THREE UNCLEAN SPIRITS {these spirits represent spoken words according to their way of thinking} **like FROGS** {representing leaders in the USA/spiritual river where these frogs dwell and catch their prey with their tongues/words} **COME OUT** {during the five months when smoke and ash are erupting from the super volcano when the USA's nation/spiritual river has not yet been dried up} **of the MOUTH** {USA's leadership} **of the DRAGON** {latter day Babylonian beast's/dragon's first reigning period in spiritual Goshen}, **and out of the MOUTH** {USA's leadership} **of the BEAST** {latter day Babylon's second and third reigning periods in spiritual Canaan}, **and out of the MOUTH** {USA's leadership} **of the FALSE PROPHET** {the false prophet is the USA's leadership}.

The latter day dragon (beast) in spiritual Goshen was reigning as the latter day Babylonian beast during its first of three reigning periods. During that time, the USA's (spiritual river/nation) leadership (equated with frogs) was the false prophet speaking on behalf of the dragon (beast/kingdom) of what the USA's leadership

envisioned for the world's future.

The latter day Babylonian beast was reigning in spiritual Canaan during its second and third reigning periods. During those periods, the USA's (spiritual river/nation) leadership (equated with frogs) was the false prophet speaking on behalf of the dragon (beast/kingdom) of what the USA's leadership envisioned for the world's future.

During the time when smoke and ash are erupting for five months from the super volcano, the false prophet (USA's leadership) will be attempting to reassure peoples and nations that the smoke and ash erupting from the super volcano will end and can be overcome. At that time, the USA's leadership will be speaking falsely of what they envision for the world's future, which is opposite to what the two witnesses prophesy concerning this world's fated end.

Revelation 16:14 For THEY {dragon, beast, and false prophet} ***are the SPIRITS*** {minds/way of thinking} ***of DEVILS*** {that devil/tempt nations and peoples by}, ***WORKING*** {technological and military} ***MIRACLES, WHICH GO FORTH*** {during the time when smoke

and ash are issuing from the super volcano} ***unto the KINGS*** {nations} ***of the earth*** {union of nations in spiritual Canaan} ***and of the whole world, to gather them to the battle of that GREAT DAY*** {the great/big day when the super volcano swells to heaven and explodes magma into the sky} ***of God Almighty*** {risen seventh plagues angel from the swelled to heaven bottomless pit}.

False hope in words of peace and safety will be spoken by the USA's leadership (tempters/devils) during the time when smoke and ash are erupting from the super volcano. The way of thinking of these devils tempt nations to accept the USA's ideals that it envisions for the world's future. During the time of erupting smoke and ash, the USA's states and the world's nations will not forsake the US leadership's ideals that the leadership envisions for the world's future. Accordingly, the final preparation will have taken place in that time for the USA's states and world's nations that have the mark (way of thinking on the forehead/mind) of the beast to fight in the battle of Armageddon.

The battle of Armageddon begins on the great (big) day when God Almighty (seventh plagues angel) rises from the high super volcano, which begins when the super volcano swells to heaven and explodes magma into the sky. This great explosion causes a great sound of

thunder, as a great earthquake violently shakes the land. The great sound of thunder with the great earthquake heralds the rising of the seventh plagued angel from the lifted-up to heaven super volcano. The seventh plagued angel will rise as an intense light (bright star) with the rising lake of fire, which fills and thereafter overflows from the immense 40-mile wide mouth upon the lifted-up to heaven super volcano.

Revelation 16:15 Behold, I {Lamb's written visions and oracles} ***COME*** {to be fulfilled} ***as a THIEF*** {at the rising of the seventh plagued angel}. ***Blessed is HE*** {the person that accepts the everlasting gospel} ***that WATCHETH*** {referring to the people that accepted the message of the everlasting gospel}, ***and keepeth his GARMENTS*** {garments of spiritual light/visions and oracles of the Lamb}, ***lest he walk NAKED*** {without the spiritual clothing of the message pertaining to the seventh plagued angel's bright light/visions}, ***and THEY*** {the overcomers that proclaim and believe the everlasting gospel to all nations} ***see HIS*** {the person not watching for the rising of the seventh plagued angel} ***shame.***

During the time when five months of smoke and ash are erupting from the bottomless pit, the everlasting gospel

will be proclaimed to all nations. The people that accept the Lamb's visions and oracles (proclaimed by the everlasting gospel) are told to watch for the rising of the seventh plagued angel from the swelled to heaven exploded bottomless pit in the USA. That event (that is revealed by the Lamb's written visions and oracles) is as a thief in the night. Many people of the nations that claimed to believe the everlasting gospel will fail to watch for the rising of the seventh plagued angel. Accordingly when the seventh plagued angel is rising and people hear news of it, the people that claimed to believe the everlasting gospel but were not watching for the event of the rising seventh plagued angel will be hesitant, confused, and doubting whether they should forsake everything and everyone and travel to the ensign. Accordingly, that event will have come as a thief in the night to strip them of their garments of light.

When a person accepts the everlasting gospel, they are then clothed with the light (visions and oracles) that prophesies of the rising seventh plagued angel. However should the believer not watch for the rising of the seventh plagued angel and that event happens and thereafter are doubtful to the point they decide to remain with their lifestyle, possessions, loved ones, friends and associates. The people that were watching for the rising of the seventh plagued angel will see that the doubters and unbelievers are spiritually naked because they have

not the light (revealing visions and oracles of the Lamb/message) that had covered them in the past.

Revelation 16:16 And HE {false prophet/USA's leadership} ***gathered them*** {deceived nations that have the mark of the beast} ***together into a*** {figurative} ***place called in the Hebrew tongue ARMAGEDDON*** {typified by old Megiddo where three united nations dwelt in the old land of Canaan}.

The plagues which the seven plagues angels release are equated with the armies of God (seventh plagues angel). The rebellious people and nations that rejected the everlasting gospel will have chosen to battle with these plagues, as they attempt to survive through the terrible time of trouble. Prior to the super volcano swelling high into heaven and exploding magma into the sky, the USA's ideals that it envisions for the world's future, with the influence of its technological and military miracles (sorceries), are conditioning the minds of peoples and nations. Accordingly, the combined nations of latter day Megiddo will fight in the battle of Armageddon (Megiddo) against God's (seventh plagues angel's) armies, that are armed with figurative bows that fire coals of fire and great hailstones, armies armed with figurative swords that bring bloodshed by anarchy,

armies armed with figurative scales that bring death by famine, armies of fiery whirlwinds of fire, and the army of a huge and spreading lake of lava.

Joshua 17:11 ...And the inhabitants of MEGIDDO {Armegiddo} ***and her towns, even THREE COUNTRIES*** {equated with the latter day Babylonian dragon (1st kingdom), beast (2nd kingdom), and its image (3rd kingdom) that prepare to war with the seventh plagues angel's (God's) armies during the battle of Armageddon}.

Joshua and Eleazar with the armies of old Israel overthrew the Canaanite nations of Megiddo, just as the two witnesses' written visions and oracles will overthrow the dragon, beast, and the beast's image that dwell in latter day spiritual Megiddo (Armageddon).

Revelation 16:17 And the SEVENTH {plagued} ***ANGEL*** {after six plagued angels are fulfilled, the seventh plagued angel will have risen with the lake of fire that has filled the immense mouth upon the high mountain of the super volcano} ***POURED out his VIAL into the AIR*** {sky}; ***and there came a GREAT VOICE*** {great voice of thunder that happens at the time of a great explosion of the immense mouth} ***out of the***

TEMPLE {representing the immense mouth upon the swelled to heaven super volcano} **of HEAVEN** {sky/heaven}, **from the THRONE** {where the seventh plagued angel has risen to sit as a great light over the high super volcano's immense mouth, which is then overflowing with a spreading lake of lava}, **saying, IT IS DONE** {the kingdoms of this world have become the kingdoms of the risen seventh plagued angel}.

After six plagued angels are fulfilled, the seventh plagued angel will have then risen as a great light when the lake of fire has filled the immense 40-mile wide mouth of the swelled to heaven super volcano. The explosion causes a great earthquake such as never happened and an incredibly loud sound of thunder to travel throughout the air. This loud sound of thunder is the plague (voice of a great thunder) of the seventh plagued angel being poured into the air, as the seventh plagued angel has risen as a great light . At the great sound of thunder, the seventh plagued angel is being fulfilled, as the lake of fire is now overflowing and spreading from the high mountain of the super volcano. At that time, all seven plagued angels are being fulfilled at the same time.

The immense 40-mile wide mouth, overflowing with an immense lake of lava, upon the swelled to heaven super volcano is referred to as the open temple in heaven

when it has no covering. High above and around this immense mouth of an overflowing lake of fire sits the reigning written visions and oracles of the seventh plagued angel. These written visions and oracles are as it were sitting on a great white throne of intense light, reigning over the kingdom of latter day Babylon.

The seventh plagued angel's voice of a great sound of thunder states that "it is done." What is done is that the risen seventh plagued angel is then king of the world's kings (kingdoms) and lord of the world's lords. Hence the kingdoms of this world have become the kingdoms of God (risen seventh plagued angel).

Revelation 16:18 And THERE {revealed by the seventh plagued angel} ***were VOICES*** {huge hailstones caused by the intense heat emanating from the overflowing lake of fire in the immense 40-mile wide mouth of the high and lifted-up super volcano}, ***and THUNDERS*** {thunders above the overflowing lake of fire in the immense 40-mile wide mouth of the high and lifted-up super volcano}, ***and LIGHTNINGS*** {lightnings above the overflowing lake of fire in the immense 40-mile wide mouth of the high and lifted-up super volcano}, ***and there was a GREAT EARTHQUAKE*** {which happens when the swelled to heaven super volcano's

immense mouth is full of a lake of fire}, *such as was not since men were upon the earth, so mighty an earthquake, and so great* {a great earthquake such as never happened}.

The normal order is lightnings (equated with visions written on the seventh plagues angel) then thunders (equated with oracles written on the seventh plagues angel) then voices of raining great hailstones (equated with the interpretation of the written visions and oracles). The verse in Revelation 16:18 states voices, thunders, and lightnings in reverse order. The reason is that the six previous plagues angels have happened and the seventh plagues angel has risen when the immense mouth is full of a lake of fire, all seven plagues angels are fulfilled again but at the same time.

The great earthquake mentioned in Revelation 16:18 happens when the seventh plagues angel has risen as a great light above the swelled to heaven super volcano's immense mouth, which is then full of a lake of fire. At that time, a great explosion of the swelled to heaven super volcano (full of a lake of fire) causes the great earthquake such as never happened, as the lake of fire begins to overflow and spread throughout the land.

Revelation 16:19 And the GREAT CITY {in the latter

days refers to the USA's ruling capital and her nation} *was divided into THREE PARTS* {three ways for the US capital and nation to meet death}, *and the CITIES of the NATIONS* {of latter day Babylon's kingdom} *FELL: and GREAT BABYLON* {USA's ruling capital and nation} *came in REMEMBRANCE* {hence, the fall of great Babylon is being replayed exactly as remembered} *before God* {seventh plagues angel who represents the last small part of the scroll of life}, *to GIVE unto her the CUP* {vial} *of the WINE* {plagues that come in one day} *of the FIERCENESS of HIS* {seventh plagues angel's} *WRATH* {the wrath of the risen seventh plagues angel from the swelled to heaven exploded bottomless pit/super volcano}.

In the latter days, the great city mentioned in Revelation 16:19 is the USA's ruling capital. At the explosion of the swelled to heaven super volcano's mountain (full of a lake of fire), a great earthquake such as never happened will cause the USA's capital city and nation to be divided in three separate ways of being killed. At the same time, the great earthquake brings an end to the reign of capital cities over their nations. The fall of great Babylon (USA's capital, nation, and kingdom) is again remembered in the present replay just as it fell in the previous replay of how things existed and happened. How latter day Babylon fell is remembered when the seventh plagues angel (God) has risen as a great light

over the immense mouth overflowing with a lake of fire. The risen seventh plagued angel reveals his anger through the vials poured by the seven plagued angels at the same time on the same day, which the USA's capital and nation are forced to accept into their hand and drink the terrible bitterness.

When the seventh plague angel has risen, the latter day great city and her nation will be divided into three parts. "One part" of the USA's capital and nation will be killed by arrows of great hailstones. A "second part" of the USA's capital and nation will be slain by the sword of anarchy. A "third part" of the USA's capital and nation will die by scales of hunger. Accordingly, the USA's capital and nation will have met death through the three plagues of arrows (great hailstones), sword (anarchy), and scales (hunger) being fulfilled at the same time.

Revelation 16:20 And EVERY ISLAND {referring to nations outside the spiritual Canaanite kingdom of latter day Babylon/USA} ***fled away, and the MOUNTAINS*** {referring to capitals and cities of these islands} ***were not found.***

The USA's ruling capital and nation will be first to be totally killed when the risen seventh plagued angel causes death by great hailstones, anarchy, and famine to

happen at the same time. On that great day of the great earthquake, the kingdom of Babylon will have fallen. The overflowing lake of fire (lava) originating from the immense 40-mile wide mouth upon the lifted-up to heaven super volcano continually expands, casting the USA's ruling capital (false prophetess) and nation (false prophet) into the spreading lake of fire. Thereafter, the spreading lake of fire will swallow all nations, peoples, and tongues outside new Jerusalem (representing the immense fiery whirlwind around the high mountain of the super volcano), as the world is dissolved.

Nations outside the kingdom of latter day Babylon (USA) are referred to as islands, and their cities are referred to as mountains. After the USA's capital and nation end up in the overflowing and spreading lake of fire (lava), thereafter all other cities and nations will cease to operate as cities (referred to as mountains) having a nation (referred to as an Island) as the seventh plagued angel's anger spreads throughout the world.

In the past type, islands referred to nations outside the land of old Judah (old Judah is a type of the false prophet/USA) and outside the land of old Israel (old Israel typifies the latter day seven-headed ten-horned Canaanite beast/kingdom that is ruled by the USA). The islands (nations) will not be found because the overflowing lake of fire (lava) will spread to dissolve

this world. The Earth's exposed face of magma will spread from within the USA to cover the planet, evaporating all rivers, seas, and oceans. As the lake of lava spreads to all nations (islands), it will intensify the anarchy and famine in these figurative islands. During that time, the only people that will be living in the world will be those that refused to be among a great multitude of redeemed, that were ripened by the everlasting gospel and gathered from all nations into the ensign before the lake of fire spread throughout the land. The remaining rebellious people will have the mark (way of thinking) of the latter day Babylonian beast having chosen to stay in these islands (nations). Accordingly, these islands will have blasphemed against the living God's (seventh plagued angel's) visions and oracles by attempting and hoping to maintain the former ideals of the fallen latter day Babylonian kingdom.

Revelation 16:21 And there FELL upon MEN

{representing the USA's states and nations} ***a GREAT HAIL*** {of ice} ***out of HEAVEN*** {sky}, ***every STONE about the weight of a TALENT*** {about 75 pounds}: ***and MEN*** {states and nations} ***BLASPHEMED GOD*** {risen light of the seventh plagued angel with a lake of fire overflowing and spreading from the immense mouth upon the high super volcano} ***because of the PLAGUE***

of the HAIL {caused by the extreme heat above and around the spreading lake of fire}; *for the PLAGUE* {of huge hailstones} *thereof was EXCEEDING GREAT.*

When the lake of fire has filled and is overflowing and spreading from the immense 40-mile wide mouth of the super volcano in the USA, it will create intense heat high above and around the super volcano's immense mouth. This incredibly intense heat will cause huge hailstones to form high in the sky (heaven) weighing about 75 pounds, that will rain upon the USA's states and nations (referred to as men/spiritual tribes). The spreading lake of fire will cause the plague of great hailstones rain upon the USA's land and the nations. This plague is so severe that people will be cursing the risen seventh plagues angel's (God's) light over the super volcano's high mountain, which will be overflowing with a spreading lake of fire that is causing the terrible plague of great hailstones.
