

Chapter 17

Revelation 17:1 And there came ONE {being the seventh plagued angel} ***of the SEVEN ANGELS which had the seven vials, and talked with ME*** {Apostle John around 90 AD}, ***saying unto me , Come hither; I will show unto thee the JUDGMENT*** {the judgment that had already happened in the previous replay of the last generation, and that same judgment will be again replayed in the present replay, that is revealing during the judgment what happened in the last generation we are living in} ***of the GREAT WHORE*** {the biggest whore/USA's ruling capital} ***that SITTETH*** {fornicating/trading} ***upon MANY WATERS*** {referring to many nations/spiritual rivers of the latter day Babylonian beast/kingdom}:

The seventh plagued angel talked to the Apostle John around 90 AD. It spoke of the judgment of the latter day great whore. This latter day great whore sits upon many waters. The great (big) whore refers to a latter day capital city that is the biggest trader of goods with nations. The spiritual waters on which she sits represent peoples, nations, and kingdoms. In our day, the great whore represents the leadership in the USA's ruling capital. This latter day capital sits and trades within many nations (spiritual waters/rivers).

Revelation 17:2 With WHOM the KINGS {kings/leaders of nations} ***of the EARTH*** {referring to the latter day spiritual Canaanite land/kingdom of latter day Babylon} ***have committed FORNICATION*** {allowing many foreign merchants to place their substance/goods in her land}, ***and the INHABITANTS of the EARTH have been made DRUNK with the WINE*** {being spiritual wine that represents her democratic and capitalistic ideals that she envisions for the world's future} ***of HER*** {leadership in the USA's ruling capital} ***FORNICATION*** {by trading her goods with many foreign nations while these foreign nations place their goods in her land}.

In this last generation, the great whore is the leadership in the USA's capital. As the biggest (greatest) whore commits fornication with more men than other whores, so the leadership in the USA's capital has fornicated with the most nations (kings) of the land/Earth (kingdom of latter day Babylon). This great whore has placed (fornicated) her goods in their lands while these many nations place their goods within her borders. These nations have been made drunk in their mind (forehead) by her democratic capitalistic ideals (spiritual wine) that she envisions for the world's future (see Jeremiah 51:7).

Jeremiah 51:7 Babylon hath been a GOLDEN CUP {full of spiritual wine/ideals} ***in the LORD's*** {one like the son of man's} ***HAND*** {which holds all visions and oracles written on the scrolls and the last scroll/scroll of life}, *that*

made all the earth drunken: the nations have drunken of HER {USA's ruling capital} WINE {illustrating the US capital's democratic and capitalistic ideals that she envisions for the world's future}; therefore the nations are MAD {being insanely drunk on her capitalistic and democratic ideals that she envisions for the world's future}.

Once a nation's leader, representing a kingdom, drinks the great whore's wine (ideals that the USA's ruling capital envisions for the world's future), that nation will then commit abominations and filthiness by fornicating (trading) with the leadership in the USA's capital, thinking that the nations of the world will continue trading with each other for the foreseeable future. This great whore (capital) is a mother to her daughters (harlots). These figurative daughters represent cities and towns of the great whore's kingdom.

Revelation 17:3 So he CARRIED ME AWAY in the SPIRIT {this spirit is referring to the Apostle John's mind/spirit} into the WILDERNESS {after the dragon of latter day Babylon received its first wound in spiritual Goshen and went into the spiritual wilderness journeying to spiritual Canaan}: and I saw a WOMAN {representing the leadership in the USA's ruling capital} SIT upon a SCARLET COLORED BEAST {this beast represents the

former union of nations that reigned in spiritual Goshen of spiritual Egypt}, ***full of NAMES of BLASPHEMY*** {since the ideals that the USA's ruling capital envisions for the world's future are also envisioned by the nations of this beast. These ideals blaspheme against the two witnesses' written visions and oracles on the scroll of life that reveal this world's demise}, ***having SEVEN HEADS*** {based on old Israel dividing Canaan into seven ruling parts for Israel's tribes to dwell therein} ***and TEN HORNS*** {ten horns are based on the past type when ten tribes/horns of old Israel were situated in the kingdoms of Judah and Joseph}.

The seventh plagued angel reveals to the Apostle John the time when the union of nations were divided over enforcing the USA's ideals on rogue nations, having ended their first reigning period in spiritual Goshen of spiritual Egypt. Thereafter they were journeying through the spiritual wilderness to spiritual Canaan. During the division of the union of nations to enforce the USA's ideals on rogue nations, the woman (leadership in the USA's ruling capital) was figuratively in the spiritual wilderness riding a seven-headed ten-horned beast (representing the then divided union of nations) to the land of spiritual Canaan.

In the past type, the seven heads of the beast (kingdom) represented the seven divided lots of old Canaan. In each lot was a ruling city (head). During old Israel's occupation

of old Canaan, the ten horns of this beast (kingdom of Israel) represented the ten tribes of Israel. Four tribes were appointed to dwell in the southern kingdom of Judah, while the other six tribes were appointed to dwell in the northern kingdom of Joseph. In the past, the woman that sat and ruled over the whole beast (kingdom of Israel) represented the ruling city old Jerusalem. In our day, the woman represents the leadership in the USA's capital, that sits and rules over the union of nations (horns) of the USA's kingdom.

Revelation 17:4 And the WOMAN {representing in the latter days the ruling capital of the USA, that is here described by the adornments of old Moses' temple and old Jerusalem's temple, and the city of old Babylon} ***was arrayed in PURPLE and SCARLET COLOR, and DECKED with GOLD and PRECIOUS STONES and PEARLS, having a GOLDEN CUP*** {being the mark/ideals of the beast} ***in her HAND FULL*** {of the great whore's spiritual wine/ideals that she envisions for the world's future} ***of ABOMINATIONS*** {because these ideals are contrary to what the two witnesses' written visions and oracles envision for the world's future} ***and FILTHINESS of her FORNICATION*** {she is the filthiest and biggest fornicator that trades her goods with more foreign nations than any other capital city. These many foreign nations (referred to as kings/kingdoms) also

place their goods within her wide open gates/legs more than any other whore/capital city}:

The latter day great whore (USA's ruling capital) is described as an extremely wealthy and beautiful queen, who is dressed in her royal robes of red and purple, covered with gemstones, pearls, and gold. These adornments parallel the Israelite temple in the wilderness, the temple in old Jerusalem, and the city old Babylon.

The latter day great whore has a golden cup in her hand. This golden cup is full of spiritual wine, which represents the great whore's democratic and capitalistic ideals that she envisions for the world. She causes the kings (leaders) of nations to accept her wine cup (full of her ideals) into their right hand (being the mark/way of thinking of the beast in the right hand).

Revelation 17:5 And upon HER {leadership in the USA's ruling capital} ***FOREHEAD*** {referring to her way of thinking according to her spiritual wine/ideals in her hand that she envisions for the world's future, which has made her spiritually drunk in her mind/forehead} ***was a NAME written, MYSTERY, BABYLON*** {confusion} ***THE GREAT*** {biggest whore}, ***THE MOTHER*** {mother/capital of the USA is equated with the city old Babylon} ***OF HARLOTS*** {these harlots represent her

cities/spiritual daughters that also spiritually fornicate by allowing foreign nations to trade within their gates} **AND ABOMINATIONS** {the great whore's harlots/cities also fornicate with the same kings/nations that the great whore fornicates with} **OF THE EARTH.**

The USA's ruling capital (great whore) acts according to the ideals (spiritual wine) that are on the front (forehead) of her mind. These ideals that she envisions for the world's future are of the name confusion (Babylon). The reason is that the USA's leadership in the capital is confused in its belief that it will continue promoting and enforcing its democratic and capitalistic beliefs, as it thinks it will still be reigning over the nations for the foreseeable future. Whereas the two witnesses' written visions and oracles prophesy that the USA will begin ending when the super volcano explodes and erupts smoke and ash for five months, followed by an overflowing and spreading lake of fire that covers the world and brings an end to all nations, kindreds, tongues, and people.

The USA's ruling capital is the mother city of her cities and towns (spiritual daughters). These cities and towns also spiritually fornicate with the same foreign merchants and nations with which the great whore fornicates. From the time these merchants and nations accepted the ideals (wine cup) promoted by the USA's ruling capital (great whore), her harlots have placed their goods with these foreign merchants and nations while they have placed

their substance (goods) within these harlots' wide-open welcoming gates. Instead of these cities and towns accepting the latter day messenger's message and prepare to proclaim the everlasting gospel from the day of new Pentecost, they instead continue with business as usual by committing abominations according to their confused way of thinking. Their thoughts are opposite to what the two witnesses' written visions and oracles are revealing from the scroll of life concerning this world's end.

Revelation 17:6 And I saw the WOMAN {this figurative woman in our day represents the leadership in the USA's ruling capital, which is here equated with old Jerusalem} ***DRUNKEN with the BLOOD of the SAINTS, and with the BLOOD of the MARTYRS OF JESUS: and when I saw her, I wondered with great admiration.***

The woman (ruling capital/old Jerusalem) became drunk on the blood of living messengers and many of their believers. These messengers and their people were persecuted and killed for warning the leaders and people of impending doom, according to the written visions and oracles of the two witnesses. The latter day great whore persecutes those that refuse to partake of her wine cup (ideals), which is according to the part she has chosen to play in the scroll of life. When the faithful believers accept the latter day messenger's message into their mind,

they will then have the seal (mark) of God (one like the son of man) written on the front (foreheads) of their minds. Thereby overcoming the mind of the beast and its image.

In a past type, old Jerusalem killed the messengers and saints of God. This old rebellious city (old Jerusalem) rejected the present word of God, because the message of the true prophets of Elohiym had nothing good to say about the leadership, the nation, and population that professed to believe in Elohiym. Instead, the leadership and nation of God's professed people accepted the easy-to-hear words of false prophets, who had only good things to say about old Jerusalem's leadership, Israelite nation, and their future. When old Jerusalem accepted the words (equated with spiritual wares/produce) of false prophets, God likened her to the great city of Tyre, that allowed many foreign merchants of other nations to place their goods within her open gates. This rebellious city is likened to a great whore whose legs (gates) are wide open to allow many merchant men (commercialism/trade) to enter therein, as the great whore and many merchants exchange their wares and produce with each other. When old Jerusalem rejected the true living prophets, her seven harlots – seven heads/seven mountains/seven capitals wherein was a synagogue/temple – also rejected them. Over the whole land of the old united kingdom of Israel – which was likened to a united seven-headed ten-horned

beast – sat the queen city old Jerusalem. In our day, this seven-headed ten-horned beast of confusion/Babylon represents the kingdom that is made up of a union of nations. These nations reign as a seven-headed ten-horned beast when they agree to unite and enforce the USA's ideals on non-complying rogue nations.

Revelation 17:7 And the ANGEL {being the seventh plagued angel} ***said unto me, Wherefore didst thou marvel? I will tell thee the MYSTERY of the WOMAN*** {USA's ruling capital}, ***and of the BEAST*** {beast/kingdom of latter day Babylon} ***that CARRIETH HER, which hath the SEVEN HEADS*** {representing in our day the ruling capitals/heads of the union of nations} ***and TEN HORNS*** {being in our day the many nations/horns of the union of nations}.

The seventh plagued angel tells the Apostle John the mystery of the woman and the beast that carries her. In the past type, the woman represented old Jerusalem. The beast that carried the woman represented the kingdom/land of Israel. Old Jerusalem was the mother city that sat and ruled over the whole land of Israel. The one kingdom of Israel was in two parts: the southern part of Judah and northern part of Joseph. The land of Canaan (which became Israel's land) was divided into seven parts, which represent the seven heads. Within these seven parts was

located Israel's ten tribes (ten horns). Four of these tribes were located in the southern kingdom/tribe of Judah. The remaining six tribes were located in the northern kingdom/tribe of Joseph.

Revelation 17:8 The BEAST {representing in our day the kingdom/beast of latter day Babylon} ***that thou sawest WAS*** {Was reigning as the number six kingdom in spiritual Goshen}, ***and IS NOT*** {Is Not when the reigning union of nations became divided, as the beast left spiritual Goshen and spiritually journeyed through the spiritual wilderness to spiritual Canaan}; ***and SHALL ASCEND OUT of the BOTTOMLESS PIT*** {the beast/kingdom ascended from death to life when the union of nations united in agreement to enforce the USA's vision on non complying nations in the land of spiritual Canaan}, ***and go into perdition*** {the seven headed beast receives a deadly wound}: ***and THEY that DWELL on the EARTH shall WONDER*** {after the healed/re-united latter day Babylonian beast/union of nations}, ***WHOSE NAMES were NOT WRITTEN in the BOOK*** {scroll} ***of LIFE*** {in the scroll of life are written all things that existed and happened from Genesis and through the last generation, the new heaven and new Earth, and what has been happening during the judgment} ***from the FOUNDATION*** {from the foundation/beginning of Genesis} ***of the WORLD*** {during this present replay of

life from the beginning of the world to the world's end and through the judgment}, *when THEY* {the rebellious people that failed to believe the everlasting gospel during every replay} *BEHOLD the* {latter day} *BEAST* {being the latter day Babylonian kingdom/union of nations} *that WAS* {Was reigning as the sixth kingdom in spiritual Goshen}, *and IS NOT* {Is Not, because the union of nations became divided in enforcing the USA's vision on non complying nations}, *and YET IS* {Is, when the union of nations again agreed to unite to rule as the number seven and number eight kingdom to enforce the USA's ideals that it envisions for the world on non complying nations}.

It states in Revelation 17:8 that the seven-headed ten-horned latter day Babylonian beast, which John saw in Revelation 17:3, “was” ruling as the number six kingdom from spiritual Goshen. This same beast (union of nations) “is not” united as one kingdom when it was wounded (divided nations) and journeying through the spiritual wilderness to spiritual Canaan. In that time, the union of nations were no longer united in agreement to enforce on non complying nations the ideals that the USA envisions for the world's future. Sometime thereafter, the union of nations “is” again united in agreement to enforce the USA's ideals on no complying nations to rule as the number seven kingdom and again as the number eight kingdom. The number eight kingdom (beast) is the image

(exact likeness) of the number seven kingdom (beast).

The rebellious people that reject the everlasting gospel and are blotted out of the scroll of life wonder after this latter day Babylonian beast (kingdom). All the rebellious people that have died from the beginning (foundation) of the world will resurrect to be living in this last generation, just as they had resurrected in the previous replay of the last generation. In the previous replay, the rebellious people rejected the everlasting gospel and were slain by the plagues issuing from the erupting super volcano, which caused them to be blotted out of the scroll of life.

The scroll of life records what is happening in the last generation, the new heaven and new Earth, and during the time of the judgment. When a person dies, the dead person is blotted out of the scroll of life because the dead person is no longer playing a part in life. Accordingly, the same people that rejected the everlasting gospel in the previous replay are the same ones living in this present replay that have already been blotted out of the scroll of life in the previous replay. The rebellious people living in this present replay will again reject the everlasting gospel to instead wonder after the ways of the latter day Babylonian kingdom (beast), just as they shown doing during every replay of things that happened in the world.

Revelation 17:9 *And here is the MIND* {of the latter day messenger} *which HATH WISDOM. The SEVEN HEADS* {representing the seven woman of Isaiah 4:1 being equated with seven ruling capital cities of the seven divided lots of Israel in old Canaan} *are SEVEN MOUNTAINS* {representing seven capitals/mountains ruling over the seven parts of old Israel within old Canaan}, *on which the WOMAN* {equated in the past with old Jerusalem but with the USA's ruling capital in our day} *SITTETH* {being the mother city that sits and rules over these capitals/heads}.

The latter day living messenger's mind has wisdom to understand the mystery of the seven heads pertaining to the latter day confused/Babylonian beast. In a past type, these seven heads represented seven capitals in the land of Israel (old Canaan). Each head (capital) ruled over the tribes (horns) of Israel that were situated within the seven lots that divided old Canaan (see Joshua 18:6). Later, old Jerusalem sat as a ruling queen over these seven heads (seven mountains/capitals) in the land of Israel. Therefore, these seven heads are referred to as seven mountains, since they symbolize seven capitals ruling within the land of Palestine (Israel).

Joshua 18:6 *Ye shall therefore describe the LAND* {Canaan} *into SEVEN PARTS* {equated with the seven heads}, *and bring the description hither to me, that I may cast lots for you here before the LORD our God.*

A capital city ruling over its tribe or nation is sometimes referred to as a woman (see Ezekiel 23:4). Samaria and Jerusalem were as two mothers that were symbolized by two mountains in Zechariah 6:1 and represented by the two women in Zechariah 5:9.

***Ezekiel 23:4** And the names of them were Aholah the elder, and Aholibah her sister: and they were mine, and they bare SONS {representing tribes} and DAUGHTERS {referring to towns/cities}. Thus were their names; SAMARIA {capital of the break-away northern kingdom of old Israel} is Aholah, and JERUSALEM {old Jerusalem is here symbolized as a mother/woman over the separate southern kingdom Judah} AHOLIBAH.*

***Zechariah 6:1** And I turned, and lifted up mine eyes, and looked, and, behold, there came four chariots out from between TWO MOUNTAINS {representing Samaria and Jerusalem}; and the mountains were mountains of brass {referring to the leadership's hard-headed minds/foreheads of copper because they always rejected the messages of Elohiym's living prophets}.*

***Zechariah 5:9** Then lifted I up mine eyes, and looked, and, behold, there came out TWO WOMEN {referring to the capitals old Samaria and old Jerusalem}, and the wind was in their wings; for they had wings like the wings of a stork: and they lifted up the ephah between the earth and the heaven.*

Before old Jerusalem ruled over Palestine (Canaan), the land of Israel was originally divided into seven lots that were each ruled by a capital (mountain/woman/head). Accordingly, there were seven figurative women originally ruling over the land of Israel (see Isaiah 4:1). Sometime thereafter, King David captured Jerusalem from the Canaanites, which then became the ruling city over all seven heads (seven mountains) of Israel's land. Old Jerusalem also ruled over the ten tribes (ten horns). Four of these ten tribes were situated in the southern kingdom of Judah and the other six tribes within the northern kingdom of Joseph. These two kingdoms are equated with each half of the beast (kingdom) of old Israel. In the last generation, the seven heads are a figurative number that refer to the "capitals" of the union of nations that unite to enforce the USA's ideals on non complying nations. Each of these capital cities (heads) reigns over its nation (horn). Over the union of nations (horns) and their capitals (heads) – which unite to rule as a latter day Babylonian kingdom/beast – sits the USA's capital (head).

Isaiah 4:1 And in that day SEVEN WOMEN {equated with the seven heads of old Israel's kingdom/beast, but in our day are equated with the leaders of latter day Babylonian beast/kingdom} shall take hold of ONE MAN {referring to old Moses in the past, but Yahshua/Jesus in the latter days}, saying, We will eat our OWN BREAD {representing their own beliefs/spiritual bread}, and wear

our OWN APPAREL {representing their own visions of how they see things will be}: *only let us be called by THY NAME* {the name of Israel in the past, but Jesus' name in the latter days}, *to take away our reproach*.

Revelation 17:10 And there are SEVEN KINGS

{kingdoms}: ***FIVE are FALLEN, and ONE IS*** {being the number six reigning kingdom}, ***and the OTHER*** {number seven kingdom} ***is NOT YET COME*** {while the latter day Babylonian dragon/beast/union of nations was wounded/divided}; ***and WHEN HE COMETH*** {to rule as the number seven kingdom}, ***he must CONTINUE A SHORT SPACE*** {short space/second of three reigning periods of the of latter day Babylonian beast}.

The verse in Revelation 17:10 states that there are a total of seven kings/kingdoms. Five of these kingdoms will have already passed (fallen) and the number six kingdom will have been reigning. Before the first reigning period when latter day Babylon reigned as the number six kingdom, the light of the message written beneath the scroll of life's first seal began to dawn. Hence the vision and oracle written beneath the first seal began to be understood by the latter day messenger.

The verse in Revelation 17:10 states there are “seven” figurative kings (kingdoms). There is also an eighth

kingdom as stated in Revelation 17:11. The number six kingdom has a name called latter day Babylon. Latter day Babylon reigns three separate times: first as the sixth kingdom, then as the seventh kingdom, and finally as the eighth kingdom. During these three reigning periods, the union of nations agree to unite to enforce on a non-complying nation the USA's ideals that the USA envisions for the world's future. During each reigning period of the number six kingdom, the latter day messenger is revealing the visions and oracles written on the scroll of life to the USA and certain christian nations before the sign of Jonah begins.

The first of seven kingdoms was old Egypt (dragon); the second kingdom was old Babylon (lion); the third kingdom was old Medo Persia (bear), and the fourth kingdom was old Grecia that includes divided Grecia (leopard), as stated in Daniel 7:4-6 and Revelation 13:2. These past old kingdoms ruled over old Jerusalem in old Palestine/Canaan.

The fifth kingdom is latter day spiritual Egypt represented by the union of nations uniting in agreement to enforce the USA's ideals on a non-complying nation. These union of nations and their capitals were represented by the ten horns (nations) and seven heads (capitals) of the dragon (kingdom), being latter day spiritual Egypt.

Daniel 7:4 *The first was like a LION* {representing the

kingdom of old Babylon}, *and had {two} EAGLE'S WINGS* (the two wings reveal old Babylon was the second kingdom to rule over old Jerusalem after old Egypt's kingdom ruled over old Jerusalem}: *I beheld till the wings thereof were plucked, and it was lifted up from the earth, and made stand upon the feet as a man, and a man's heart was given to it.*

Daniel 7:5 *And behold another beast, a second, like to a BEAR* {representing the kingdom of Medo-Persia}, *and it raised up itself on one side* {because the Medes were more dominant than the Persians}, *and it had THREE RIBS* {the three ribs reveal that the bear was the third kingdom to rule over old Jerusalem} *in the mouth of it between the teeth of it: and they said thus unto it, Arise, devour much flesh.*

Daniel 7:6 *After this I beheld, and lo another, like a LEOPARD* {representing the kingdom of Grecia and divided Grecia}, *which had upon the back of it FOUR WINGS* {the four wings reveal that the leopard was the fourth kingdom to rule over old Jerusalem} *of a fowl; the beast had also four heads* {representing four ruling capitals/heads}; *and dominion was given to it.*

Daniel 7:7 *After this I saw in the night visions, and behold a FOURTH BEAST* {representing latter day spiritual Egypt, the fifth reigning kingdom}, *dreadful and terrible, and strong exceedingly; and it had great iron*

teeth: it devoured and brake in pieces, and stamped the residue with the feet of it: and it was diverse from all the beasts that were before it; and it had ten horns.

Daniel 7:8 *I considered the horns, and, behold, there came up among them another LITTLE HORN* {representing latter day Babylon reigning as the number six kingdom}, *before whom there were three of the first horns plucked up by the roots: and, behold, in this horn were eyes like the eyes of man, and A MOUTH* {leadership in the USA's capital} *speaking GREAT THINGS* {great/big things of what the USA envisions for the world's future}.

Revelation 17:11 *And the BEAST* {being the number six kingdom called latter day Babylon} ***that WAS*** {Was reigning as the sixth kingdom/union of nations enforcing the USA's ideals on rogue nations} ***and IS NOT*** {Is Not when the union of nations was divided over enforcing the USA's vision on non complying nations} ***even HE*** {the same latter day Babylonian beast/union of nations that united in agreement and reigned as the sixth kingdom} ***is the EIGHTH*** {the eighth kingdom is the image of the former union of nations that united in agreement to rule as the seventh kingdom in spiritual Canaan} ***and is of the SEVEN*** {the sixth kingdom and eighth kingdom is also the number seven kingdom}, ***and GOETH INTO***

PERDITION {destroyed in the lake of fire}.

After five kingdoms had fallen, the latter day Babylonian beast (kingdom of the union of nations) united to overthrow Iraq and “was” reigning as the number six kingdom. This same latter day Babylonian beast (kingdom) “is not” when the union of nations were no longer in agreement to enforce the USA's vision on non-complying nations. At that time, the latter day Babylonian beast was not reigning as the sixth kingdom. After some time, this same number six kingdom (being the latter day Babylonian beast) was re-united by the USA to overthrow Libya and again reign, but as the number seven kingdom. During that time, the union of nations had united in agreement to enforce on non-complying nations the USA's ideals that it envisions for the world's future. Sometime thereafter, the union of nations were no longer in agreement to enforce what the USA envisions for the world on non complying nations. Accordingly, the number seven kingdom being divided (wounded) was no longer reigning. After some time passes, the USA with its allies will overthrow a nation that the USA has deemed as rogue. In that time, the USA will cause the union of nations to again unite in agreement to enforce the USA's vision on any non-complying nation, which lasts for 1290 days. These 1290 days end 3½ days after the two witnesses have prophesied for 1269 days. At the end of

these 1290 days, the eighth reigning kingdom begins to end when the bottomless pit (super volcano) explodes, that marks the latter day resurrection. Thereafter, the resurrected and living saints (first group and second group of redeemed) learn the new song (everlasting gospel. On the day of new Pentecost, the saints receive the power of the holy spirit and begin to proclaim the everlasting gospel to all nations, kindreds, tongues, and people. After a certain amount of time passes while they are proclaiming the everlasting gospel, the super volcano explodes with a massive earthquake-causing eruption, as smoke and ash begin to erupt. The explosion causes a deafening sound of thunder, which is referred to as the trump being blown for the redeemed to begin traveling to the rising ensign. When the ensign of new Jerusalem has manifested after five months of erupting smoke and ash, all the redeemed will enter the glorious light of the ensign, emanating from the immense mouth of the swelled to heaven super volcano (full of a lake of fire). Thereafter, the swelled to heaven super volcano explodes with a massive earthquake-causing eruption such as never happened, as the lake of fire overflows and spreads throughout the USA and world. At that time, the eighth reigning kingdom will go into perdition (utter destruction).

Jeremiah 51:13 *O THOU* {latter day Babylon's/USA's kingdom} *that dwellest upon MANY WATERS* {many nations/spiritual waters}, *abundant in treasures, THINE*

END IS COME {when the lake of fire overflows and spreads throughout the USA and world}, *and the measure of thy covetousness.*

Revelation 17:12 And the TEN HORNS {in the past type these ten horns were the old ten tribes of Israel situated in the tribes of Judah and Joseph, but in our day represent the union of nations united by the USA's leadership/false prophet} ***which thou sawest are TEN KINGS*** {based on old Israel's ten tribes/nations that were situated in Judah and Joseph}, ***which have received no kingdom AS YET*** {had no kingdom while the old ten horns/tribes of Israel were traveling through the wilderness to the old promised land of old Canaan}; ***but receive power as kings ONE HOUR*** {being the final one hour of latter day Babylon's reign} ***with the BEAST*** {the old ten horns/tribes of Israel received their inheritance/kingdom in the old promised land of old Canaan, which is equated with the time when the latter day Babylonian beast/union of nations is reigning in figurative Canaan as the seventh kingdom and then as the eighth kingdom}.

The written prophecies in the Book of Revelation are constructed using past types. However, a past event is applied differently in written prophecy to how the past event happened. The verse in Revelation 17:12 states that the ten horns on the seven-headed beast are ten kingdoms

(kings). In the past type, while the ten tribes (ten horns) of Israel were traveling through the wilderness to the old promised land of Canaan, they had not yet received their kingdom in the land of Canaan. In our day, these ten horns are a figurative number that represent the union of nations that agree to unite to enforce on non complying nations the USA's ideals that it envisions for the world.

The one hour that is mentioned in Revelation 17:12 is the hour of latter day Babylon's reign in spiritual Canaan, being the hour of temptation. This hour is divided into two half hour periods. The first half hour represents the reigning period of the latter day Babylonian beast as the seventh kingdom while in spiritual Canaan. The other half hour represents the reigning period of the image of the latter day Babylonian beast in spiritual Canaan. During the time when the ten horns are reigning in spiritual Canaan, the horns are shown having crowns upon them.

Revelation 17:13 THESE {ten horns/union of nations} ***have ONE MIND*** {having taken into their right hand the spiritual cup and drank the great whore's wine/ideals}, ***and shall GIVE their POWER and STRENGTH unto the*** {latter day Babylonian} ***BEAST*** {union of nations uniting again in agreement to enforce the USA's ideals during the beast's second reigning period and third reigning period}.

In our day, the figurative number of ten horns represent the union of nations. The union of nations are deceived by the USA (false prophet) to agree and unite to enforce on non-complying nations the USA's ideals that it envisions for the world's future. When the union of nations agrees to unite to enforce the USA's ideals, they will then have one mind in regards to the same ideals that the USA envisions for the world. The reason is that the union of nations will have taken the spiritual wine cup (full of the USA's ideals) and spiritually drank the spiritual wine, which makes them drunk in their foreheads (way of thinking) with the same ideals that the USA envisions for the world's future. The union of nations being spiritually drunk on the USA's ideals (spiritual wine) give their power and strength to the one kingdom of latter day Babylon.

Revelation 17:14 THESE {latter day horns/union of nations} ***shall make WAR with the LAMB*** {representing the visions and oracles written on the first small part/last witness, that also incorporate the visions written on the last small part/first witness}, ***and the Lamb*** {written visions and oracles that prophesy of what the future will be} ***shall OVERCOME THEM*** {union of nations}: ***for HE IS*** {because the Lamb's visions and oracles have already happened in the previous replay} ***Lord*** {as written by the first witness' visions and oracles} ***of lord's*** {being the lord's that ruled in latter day Babylon's kingdom} ,

and King {as written by the first witness' visions and oracles} *of kings* {being the kings that reigned in latter day Babylon's kingdom} *and THEY* {latter day saints who believe the Lamb's written visions and oracles} *that are WITH HIM* {Lamb/visions and oracles written on the first small part} *are CALLED* {with the latter day messenger's message}, *and CHOSEN, and FAITHFUL.*

The way of thinking of the union of nations is according to the USA's ideals that the USA envisions for the world's future. These confused ideals war with the Lamb's written visions and oracles concerning this world's future. The USA promotes and enforces with the union of nations its democratic and capitalistic ideals that it envisions for the foreseeable future. However these nations and what they envision for the world's future will be overcome by the Lamb's written visions and oracles. These visions and oracles (referred to as a Lamb) written on the last small part of the seventh part of the scroll of life's other side are according to what the two witnesses have already seen (witnessed) happen concerning the fall and destruction of latter day Babylon's kingdom.

Revelation 17:14 has already happened in previous replays of all generations and is to be replayed just as it happened in the first timeline. Accordingly, the Lamb (representing the first small part) is already King of all kingdoms and Lord of all lordships. The people who believed the Lamb's visions and oracles in the first

timeline are the same ones that are called again in this present replay by the Lamb's message and chosen according to their faithfulness to the message.

Revelation 17:15 And he saith unto me, the WATERS {spiritual rivers/nations} ***which thou sawest, where the WHORE SITTETH*** {being in our day the USA's leadership in the US capital}, ***are PEOPLES, and MULTITUDES, and NATIONS, and TONGUES*** {of the union of nations}.

The great whore represents the leadership in the USA's capital city. This city speaks, unites, sits over and rules the latter day Babylonian beast (kingdom/union of nations}. The union of nations is likened to spiritual rivers (combined nations) that gather together to create a spiritual sea (kingdom), on which sits the ruling great whore (being the leadership in the USA's capital). This spiritual sea (kingdom of latter day Babylon) is made up of peoples, nations, and tongues. The USA's leadership in the USA's capital unites these nations to enforce on any non-complying nation the USA's ideals that the USA envisions for the world's future .

Revelation 17:16 And the TEN HORNS {in the past type the ten tribes hated old Jerusalem and broke away from

being ruled by old Jerusalem; in our day these horns are the nations from where the latter day saints are converted before the sign of Jonah begins} ***which thou sawest upon the BEAST*** {beast/kingdom of latter day Babylon}, ***these shall HATE THE WHORE*** {this whore in the past represented old Jerusalem, but the USA's capital in our day}, ***and shall make HER*** {USA's capital and nation} ***DESOLATE*** {of her people} ***and NAKED*** {stripped of having adornments, goods, and wealth}, ***and*** {the great hailstones/spiritual eagles} ***shall eat her FLESH*** {buildings and infrastructure collapse}, ***and BURN HER*** {USA's capital and nation} ***with FIRE*** {by an overflowing and spreading lake of fire}.

In the past type, the ten horns represented the ten tribes that were situated in the kingdom (beast) of Israel. The old city Jerusalem sat and ruled over the ten tribes, situated in the kingdom of Judah and kingdom of Joseph. During the reign of King Rehoboam in Jerusalem over the kingdom of Israel, the ten horns (ten tribes) hated the leadership of Rehoboam in Jerusalem (whore) and decided to break-away from being under the rule of Jerusalem. However, the ten horns (ten tribes) did not make old Jerusalem desolate, naked, and did not burn Jerusalem with fire.

In the latter days, the ten horns represent the union of nations from which the saints of the first group and second group of redeemed are gathered. The people that live in the union of nations and accept the Lamb's written visions

and oracles will be equated with the plagues that issue from the opened super volcano. These plagues will make the USA's capital and nation desolate of people, naked of adornments, goods, and wealth, as her buildings and infrastructure (flesh) are destroyed (eaten) by coals of fire and great hailstones (spiritual eagles), as an overflowing and spreading lake of fire (lava) from the lifted-up to heaven super volcano burns the USA's capital, nation, and kingdom with fire.

The latter day rebellious people of the ten horns (union of nations) will be standing in the spirit (as ghosts) outside new Jerusalem with the many rebellious spirits of people that have the mark (mind) of the beast. During the judgment, they will be shown from the scroll of life how they (union of nations) were deceived by the USA's capital and nation in accepting the USA's ideals, that the USA envisioned for the world's future. From that time, they will hate the USA's capital and nation. When the rebellious spirits of people of the union of nations are shown from the scroll of life the destruction of the USA's capital and nation, they will then be in agreement with the plagues that made the great whore (USA's capital) and her nation desolate, naked, and burnt her flesh with fire.

Revelation 17:17 For God {one like the son of man}
hath put in THEIR {union of nations'} ***HEARTS*** {placed

in their hearts during the present replay, just as as it was in the union of nations' hearts in the previous replay} **to fulfill HIS** {one like the son of man's} **WILL** {the Will of the one like the son of man is to again reveal/replay what had already happened}, **and to AGREE, and GIVE THEIR KINGDOM** {when the one like the son of man replays the time when the ten horns/union of nations had given their kingdom} **unto the BEAST** {kingdom of latter day Babylon}, **until the** {written} **WORDS of God** {one like the son of man} **shall be FULFILLED.**

The one like the son of man's visions and oracles written on the last small part and first small part replay the time when the ten horns (union of nations) had it in their heart to give their kingdom to the latter day Babylonian beast, just as they had done in all previous replays. Since all things are being replayed by the one like the son of man, it is as if the one like the son of man (God) put it in the hearts of the union of nations to give their kingdom. The one like the son of man's desire (will) is to reveal his written visions and oracles, which replay the things that have already happened.

Revelation 17:18 And the WOMAN {being in our day the USA's ruling capital that is here equated with the old great city called Babylon} **which thou sawest IS THAT GREAT CITY, which REIGNETH over the KINGS**

{nations} *of the EARTH* {the USA's capital reigns over the union of nations, just as old Babylon reigned over the nations of its kingdom}.

In the past type, the old city (represented as a woman) Babylon was that great city that reigned by force over the nations of its kingdom. In the latter days, the woman of Revelation 17:18 represents the leadership in the USA's ruling capital (referred to as a woman). This capital city speaks amazing things of its ideals that it envisions for the world's future. These ideals that the USA promotes and enforces tempt and deceive the union of nations to unite and agree to enforce the USA's ideals on non-complying rogue nations.
