

## Chapter 18

***Revelation 18:1 And after these things I saw ANOTHER ANGEL*** {representing a vision and oracle of the one like the son of man} ***COME DOWN*** {as a massive earthquake-causing eruption} ***from HEAVEN*** {as a flash of erupting coals of fire}, ***having GREAT POWER; and the EARTH*** {land of the USA} ***was LIGHTENED*** {by the flash of the eruption} ***with HIS*** (Abaddon's/the Rock's/super volcano's) ***GLORY*** {the glorious light}.

The angel in Revelation 18:1 that comes down from heaven represents a vision and oracle of the one like the son of man. The vision and oracle reveal the super volcano erupting coals of fire into the sky, which descend from heaven. At the eruption of the super volcano a glorious light flashes and lightens the land, as a powerful earthquake also hits the land.

### ***Isaiah 31:4***

*For thus hath the Lord spoken unto me, Like as the lion and the young lion roaring on his prey, when a multitude of shepherds is called forth against him, he will not be afraid of their voice, nor abase himself for the noise of them: so shall the Lord* {one like the son of man} ***of HOSTS*** {coals of fire and great hailstones} ***COME DOWN*** {from the eruption of the super volcano} ***to fight for*** {new} ***MOUNT ZION*** {being the mountain of the

super volcano}, and for the hill thereof.

***Isaiah 34:5***

*For my sword shall be BATHED IN HEAVEN {the high buildings and structures brought down by the great earthquake when the seventh plagued angel begins being fulfilled}: behold, it shall come down upon {latter day spiritual} Idumea, and upon the people of my curse, to judgment.*

***Zechariah 14:4***

*And HIS {one like the son of man's} FEET {of a massive earthquake} shall stand in that day upon the {new} mount of Olives, which is before {new} Jerusalem on the east, and the {new} mount of Olives shall CLEAVE {by the great earthquake} in the midst thereof toward the east and toward the west, and there shall be a very great valley; and half of the mountain shall remove toward the north, and half of it toward the south.*

\*\*\*\*\*

***Revelation 18:2 And HE { Abaddon/the Rock/ super volcano} CRIED MIGHTYLY {at the massive explosion} with a STRONG VOICE {of a great sound of thunder of the explosion}, saying, BABYLON the GREAT {representing the USA's ruling capital and nation} is FALLEN {according to the first witness' visions and***

oracles written on the last small part of the seventh part of the scroll of life's first side}, *is FALLEN* {according to the last witness' visions and oracles written on the first small part of the seventh part of the scroll of life's other side}, *and is become the HABITATION* {dwelling place} *of DEVILS* {people who tempted/deviled each other to reject the everlasting gospel}, *and the HOLD of EVERY FOUL SPIRIT* {mind}, *and a CAGE* {spiritual prison} *of EVERY UNCLEAN and HATEFUL BIRD* {symbolizing people whose minds are imprisoned to the ways of this world}.

During the time the everlasting gospel is being proclaimed, the super volcano explodes with a massive earthquake-causing eruption. This massive eruption causes a deafening sound of thunder, which is referred to as the mighty voice of the angel in Revelation 18:2. When this great sound of thunder happens, it heralds the time when latter day Babylon's kingdom has fallen according to the first witness' visions and oracles written on the last small part, as well as falling according to the last witness' visions and oracles written on the first small part.

At the time of the great sound of thunder, latter day Babylon (US capital and nation) will be the place where only rebellious cities and states remain. Prior to the massive earthquake-causing eruption, these rebellious states and cities tempted (as devils/tempters) others to reject the everlasting gospel. By the time the super

volcano explodes and begins erupting smoke and ash, latter day Babylon and its kingdom will have become a snare (cage) for wrong thinking and hateful people (equated with unclean and hateful spiritual birds), in whose mind is a bad (foul) belief that is contrary to the two witnesses' written visions and oracles concerning this world's end. These rebellious people, that reject the everlasting gospel, will not forsake their former way of life while the super volcano is erupting smoke and ash for five months.

\*\*\*\*\*

***Revelation 18:3 For ALL NATIONS have DRUNK of the WINE*** {USA's ideals that it envisions for the world's future} ***of the WRATH*** {old Babylon used force/anger, but latter day Babylon uses deception and/or force} ***of HER*** {USA's ruling capital} ***FORNICATION*** {fornicating/trading business as usual with many nations when her end was near}, ***and the KINGS*** {rulers that are of the union of nations} ***of the earth*** {land of spiritual Canaan} ***have COMMITTED FORNICATION*** {foreign nations trade their substance within her wide open gates} ***with HER*** {USA's ruling capital and nation}, ***and the MERCHANTS of the earth are WAXED RICH through the ABUNDANCE of HER*** {USA's ruling capital and nation} ***DELICACIES*** {opulence}.

Prior to the super volcano exploding, the USA causes all

nations to accept (spiritually drink) the ideals (spiritual wine) that the USA has envisioned for the world's future. Most nations have been deceived into accepting the USA's ideals, while others are forced through military action or imposed sanctions to force non complying nations to accept the USA's ideals (way of thinking).

The kings of the Earth (land/Earth of spiritual Canaan) represent the leaders of the union of nations, whose merchants have grown rich by trading (committing fornication) their goods in the USA's land of opulence.

\*\*\*\*\*

***Revelation 18:4 And I heard ANOTHER VOICE from HEAVEN*** {as a great sound of thunder caused by the super volcano's eruption into the sky/heaven when it began to erupt smoke and ash, which last for five months}, ***saying, COME OUT OF HER*** {USA's capital and nation}, ***MY*** {one like the son of man's} ***PEOPLE*** {all overcomers}, ***that ye be not PARTAKERS of HER SINS*** {that she committed against the two witnesses, living messengers, and the overcomers}, ***and that YE RECEIVE NOT OF HER PLAGUES*** {seven plagued angels}.

The fall of the USA's ruling capital and nation (latter day Babylon) happens when the super volcano explodes with a massive earthquake-causing eruption. The voice (great

thunder that is equated with blowing the trumpet) of the explosion into heaven tells the people proclaiming the everlasting gospel in the USA and their converts to come out of the USA's capital and nation. At that time the USA's plagues will begin, as smoke and ash are erupting to bring darkness over the land. Many will be martyred as they attempt to flee with their converts, as the plagues of death, mourning, anarchy, and famine begin tormenting the USA's cities and states.

\*\*\*\*\*

**Revelation 18:5 For her SINS** {of continually sinning against the two witnesses' revealed visions and oracles, which prophesy of how the future will be} **have REACHED** {to the point} **unto HEAVEN** {where the replay of the last generation is happening during the judgment} **and God** {one like the son of man/first and last/beginning and end/God the father and son of God} **hath REMEMBERED** {hence her iniquities that she committed are replayed as remembered by the one like the son of God just as her sins happened in the previous replay} **her INIQUITIES** {of continually rejecting the two witnesses' warnings proclaimed before the super volcano erupted smoke and ash and during the five months that the super volcano was erupting smoke and ash}.

The USA's ruling capital will have sinned against the two

witnesses' visions and oracles, as revealed by the latter day messenger and by his apostles and disciples. The USA's ruling capital continually sins by rejecting the two witnesses' visions and oracles and continuing business as usual, according to her vision. This happens during three reigning periods of latter day Babylon prior to the super volcano's massive eruption. She (ruling capital) instead continually embraces and promotes her own ideals that she envisions for the world's future. During the time when the super volcano is erupting smoke and ash for five months, she will then receive of her plagues.

The sins of the USA's ruling capital will have reached to heaven, where the replay of the last generation is happening and revealing her sins. At that time, her sins will have reached to the point when the super volcano in her land explodes and begins erupting smoke and ash. At that time the written visions and oracles of the one like the son of man remembers the iniquities of the great whore. These iniquities that she committed in this replay of things are exactly as the one like the son of man remembered them happening in the previous replay.

\*\*\*\*\*

***Revelation 18:6 REWARD*** {repay} ***HER*** {USA's ruling capital and nation} ***even as SHE REWARDED YOU*** {living messengers and overcomers}, ***and DOUBLE unto her DOUBLE*** {by the double edged sword, according to

the first edge/first witness' written visions and oracles and last edge/last witness' written visions and oracles}  
***according to HER WORKS: in the CUP which SHE hath FILLED FILL to HER DOUBLE*** {hence, Babylon is fallen, is fallen according to the two witnesses' visions and oracles written on the last small part and first small part}.

In every generation, Elohiym's (one like the son of man's) messengers and the overcomers (apostles and disciples) that believed their message were rejected, mocked, beaten, imprisoned and most times killed for trying to warn the nation and people of impending doom. In our day, the leadership and people of the USA will have rejected and persecuted the two witnesses' written visions and oracles and the overcomers who believe and proclaim the two witnesses' visions and oracles.

At the end of the 2300-day period when the sign of Jonah begins (when an earthquake only momentarily causes the super volcano to erupt), the two witnesses' seemingly failed predictions of the super volcano erupting smoke and ash for five months and, thereafter, erupting lava and overflowing with a lake of fire will be lying dead (totally rejected) for three and a half days in the USA's ruling capital, having been totally rejected by the USA's leadership and given no respect as being true.

The prophesying of the two witnesses' visions and oracles

for 1260 days having been totally rejected, persecuted, and killed will arise to life at the end of three and a half days, when the super volcano again momentarily erupts with a great earthquake as prophesied. At this great earthquake, the latter day resurrection happens for the righteous and rebellious dead of all generations. From the day of new Pentecost, the messengers and overcomers of all generations will be proclaiming the everlasting gospel to all nations. The USA's ruling capital will order all people to be persecuted, imprisoned, and killed for promoting division and spreading fear by prophesying that the super volcano will destroy the USA and the world. After some time passes while the everlasting gospel is being proclaimed to all nation, the super volcano will explode and begin erupting smoke and ash, which erupt for five months. During that time, the USA and the nations of the beast (kingdom) will be blaspheming against the two witnesses visions and oracles by proclaiming that the super volcano will soon return to its prior dormant state. Also leaders and governments will create laws that persecute and kill anyone who tries to divide their nation by proclaiming that the super volcano will destroy the USA and world. However, the USA's ruling capital and nation will be rewarded by the seven plagued angel plagues, just as she rewarded the two witnesses, messengers, and overcomers that prophesied to save people that were able to overcome the ideals and ways of the latter day Babylonian beast. She will then receive a

double reward, because her plagues of torment and destruction are replayed once according to what the first witness had seen and heard happen (as written on the last small part of the seventh part of the scroll of life's first side) and again according to what the last witness had seen and heard happen, as written on the first small part of the seventh part of the scroll of life's other side. After five month of erupting smoke and ash (that were tormenting the US capital and her nation), and when all the redeemed have entered the ensign of new Jerusalem, then a massive earthquake-causing eruption such as never happened will cause the US ruling capital and her nation to be burnt by the overflowing and spreading lake of fire.

***Jeremiah 50:15 SHOUT*** {equated with the sound of a shower of great hailstones} *against HER* {USA's ruling capital and nation} *round about: she hath given her hand: her foundations are fallen, her walls are thrown down* {by the great earthquake such as never happened}: *for it is the vengeance of the LORD* {one like the son of man}: *take vengeance upon her; as she hath done, do unto her.*

***Jeremiah 51:24*** *And I* {one like the son of man} *will render unto* {latter day} *Babylon and to all the inhabitants of Chaldea all their evil that they have done in ZION* {which represents the redeemed who are the first group of priests and second group/144,000 of elders} *in your sight, saith the LORD.*

\*\*\*\*\*

***Revelation 18:7 HOW MUCH SHE*** {USA's ruling capital and nation} ***hath GLORIFIED HERSELF, and LIVED DELICIOUSLY*** {opulently}, ***so much TORMENT and SORROW GIVE HER*** {USA's ruling capital and nation}: ***for SHE SAITH IN HER HEART, I sit a QUEEN*** {ruling capital of nations}, ***and AM NO WIDOW*** {has no fear of losing her nation/husband}, ***and SHALL SEE NO SORROW*** {from invading nations taking her children/cities and states}.

The USA's ruling capital has glorified herself above all ruling capitals and nations, living opulently. She says in her heart that she is the queen that sits and reigns over all nations of the world. Her ideals that she envisions for the world's future makes her believe that she will not become a widow by losing her nation (husband), or that she will see sorrow of losing her cities (daughters) and states (sons) to a foreign invader.

***Isaiah 47:7 And THOU*** {USA's ruling capital} ***saidst, I shall be a LADY*** {reigning capital city} ***for ever: so that thou didst not lay THESE THINGS*** {written visions and oracles of the two witnesses} ***to thy heart, neither didst remember the latter end of IT*** {warning message}.

\*\*\*\*\*

***Revelation 18:8 Therefore shall HER*** {USA's ruling

capital and nation} **PLAGUES come in ONE DAY** {the day when the super volcano's immense mouth erupts with a massive earthquake, as smoke and ash erupt for five months}, **DEATH** {by the rising Abaddon/the Rock/super volcano}, **and MOURNING** {during a time of anarchy}, **and FAMINE** {because of the darkness and destruction taking place in the USA}; **and SHE** {USA's ruling capital which is here likened to Sodom} **shall be UTTERLY BURNED with FIRE** {when the swelled to heaven super volcano, full of a lake of fire, explodes and overflows and spreads as a lake of lava to cover the USA's ruling capital, nation, and world}: **for STRONG is the Lord God** {one like the son of man/first and last/bright star and morning star/God the father and son of God/last small part and first small part} **who JUDGETH HER.**

In one day, the USA's ruling capital and nation will receive her plagues because the super volcano is in her land. Her (USA's ruling capital and nation's) plagues of torment begin when the super volcano explodes with a massive earthquake-causing eruption, as smoke and ash begin erupting while the super volcano is swelling to the sky (heaven). From the first day of the massive explosion, the USA's ruling capital and nation will be tormented by the eruption of coals of fire with a great earthquake, anarchy, spreading darkness, and famine.

At the end of five months when smoke and ash have finished erupting, the redeemed will begin entering new

Jerusalem's ensign. Thereafter when all the redeemed are within new Jerusalem, the swelled to heaven super volcano will explode with a massive earthquake-causing eruption such as never happened, as the lake of fire within the immense 40-mile wide mouth of the swelled to heaven super volcano begins overflowing and spreading throughout the USA's land. From that time, the US capital and nation will be utterly burned by rivers of fire flowing from the top of the swelled to heaven super volcano's immense 40-mile wide mouth, full of a lake of fire, as many tornadoes of fire manifest with the fast flowing rivers of fire.

The vision in Revelation 18:8 is a replay of what has already happened. The one like the son of man (representing the visions and oracles written on the last small part and first small part) is replaying during the judgment what happened in each generation. Presently during the judgment, the one like the son of man is replaying what happened in the last generation, that we are presently reliving according to what had already happened. When Revelation 18:8 happens, the one like the son of man (Lord God) will have judged the great whore (USA's ruling capital and nation) according to the same outcome that she received in the previous replays of all generations. The visions and oracles written on the one like the son of man are of great strength to reproduce things during each replay just as they had originally

happened. Hence the one like the son of man's judgment of the great whore receiving death, mourning, and famine in one day, and then being utterly burnt with fire happens the same way during each replay.

\*\*\*\*\*

***Revelation 18:9 And the KINGS*** {representing the union of nations} ***of the EARTH*** {spiritual Canaan}, ***who have COMMITTED FORNICATION*** {trading their goods within her wide open gates} ***and LIVED DELICIOUSLY*** {opulently} ***WITH HER*** {USA's ruling capital and nation}, ***shall BEWAIL her, and LAMENT for her, when they shall SEE the SMOKE*** {billowing from her land} ***of HER BURNING*** {at the massive eruption of the super volcano},

The union of nations are represented by the kings (kingdoms) of spiritual Canaan's land. These nations and their merchants are heavily invested in trading within the USA, having lived opulently with the USA's ruling capital. When the super volcano's immense 40-mile wide mouth explodes with a massive earthquake-causing eruption (as ejected coals of fire fall upon her land), then the smoke of her (USA's ruling capital's) burning nation will be seen rising from her land. As the union of nations and merchants watch from afar the smoke of the USA's burning, they will bewail and lament because of the impact on their economies.

\*\*\*\*\*

***Revelation 18:10 STANDING AFAR OFF*** {being powerless to assist} ***for the FEAR of HER*** {USA's ruling capital and nation} ***TORMENTS*** {plagues}, ***saying Alas, alas, that GREAT CITY BABYLON*** {confusion}, ***that MIGHTY CITY! For in ONE HOUR*** {from the end of latter day Babylon's/confusion's one hour reign while in spiritual Canaan} ***is thy JUDGMENT COME*** {being the same judgment that she received in all previous replays}.

On a particular day, the super volcano's immense mouth will explode coals of fire into the sky with a great earthquake-causing eruption, as smoke and ash begin to erupt from the awakened super volcano within the USA. The union of nations will be standing afar because of the fear of the plagues inflicting the USA's ruling capital and nation. The USA will be in a terrible state of torment because of the plagues of death, mourning, and famine during the five months of erupting smoke and ash. From the day the super volcano explodes and erupts smoke and ash, the union of nations and merchants will be sorrowful because of the great city's (USA's ruling capital and nation's) terrible torments. These judgments on the USA's capital and nation happen at the end of her one hour reign in spiritual Canaan over the kingdom of latter day Babylon.

\*\*\*\*\*

***Revelation 18:11 And the MERCHANTS*** {of the union of nations} ***of the EARTH*** {land of spiritual Canaan} ***shall WEEP and MOURN over HER*** {USA's ruling capital and nation}; ***for NO MAN*** {no state or nation} ***buyeth their merchandise any more:***

The merchants of the union of nations will weep and mourn over the USA's torments. During that time when the tormenting plagues of death, mourning, anarchy, spreading darkness by erupting smoke and ash, and famine are tormenting the USA's capital and nation, no nation (referred to as a man/nation) will be buying the merchandise of merchants, making the merchants weep and mourn because of the dire situation happening within the USA.

During the tormenting plagues of death, mourning, spreading darkness, and famine, the USA's leadership (with the leaderships of the union of nations) will swiftly enact laws to put to death anyone that proclaims the everlasting gospel, which declares that the super volcano will (after five months of erupting smoke and ash) destroy the USA and world when it begins to overflow and spread as a lake of lava throughout the USA and world.

Accordingly, the apostles (first group of 12,000 redeemed) and disciples (second group of 144,000 redeemed) proclaiming the everlasting gospel in all nations will do God's (one like the son of man's visions and oracles) laws over the laws of latter day Babylon so they can convert a

great multitude of people, that will enter the ensign of new Jerusalem when it manifests. This will cause most of the apostles and disciples to be martyred near the beginning of the five months of erupting smoke and ash. However, the initial converts (that are of the great multitude) will then raise the banner of the everlasting gospel, as they and every new convert joins in proclaiming the everlasting gospel during the five months of erupting smoke and ash to finish converting all of the great multitude (ten thousand times ten thousand, and thousands of thousands).

\*\*\*\*\*

***Revelation 18:12 The merchandise of gold, and silver, and precious stones, and of pearls, and fine linen, and purple, and silk, and scarlet, and all thyine wood, and all manner vessels of ivory, and all manner vessels of most precious wood, and of brass, and iron, and marble,***

\*\*\*\*\*

***Revelation 18:13 And cinnamon, and odours, and ointments, and frankincense, and wine, and oil, and fine flour, and wheat, and beasts, and sheep, and horses, and chariots, and slaves, and souls of men.***

\*\*\*\*\*

***Revelation 18:14 And the fruits that **THY** {USA's ruling capital and nation} soul lusteth after are departed from***

*thee, and all things which were dainty and goodly are departed from thee, and thou shalt find them no more at all.*

All sorts of goods, produce, and services are bought and sold within the states of the USA. However, these things will never again be bought and sold from the time the super volcano explodes with a massive earthquake-causing eruption, as smoke and ash begin to erupt.

\*\*\*\*\*

*Revelation 18:15 The merchants of these things, which were made rich by HER {her/USA's ruling capital and nation are here likened to the city Tyre}, shall stand afar off {after the massive earthquake-causing eruption of the super volcano, as smoke and ash begin erupting from the 40-mile wide mouth of the super volcano within the USA} for the fear of her **TORMENT** {of death, mourning, spreading darkness by erupting smoke and ash, anarchy, and famine}, **weeping and wailing,***

The foreign merchants of the union of nations that were made rich by selling their goods, produce, and services in the USA will be weeping and wailing. The merchants will stay far away from the torments inflicting the USA when the super volcano explodes with a massive earthquake-causing eruption, as coals of fire rain upon the land while smoke and ash erupt for five months. From the day of the

super volcano's massive eruption, death, mourning, and famine will be tormenting the USA, as darkness caused by erupting smoke and ash spreads across the land.

***Habakkuk 3:2*** *O LORD* {one like the son of man equated with the awakening super volcano}, *I* {Habakkuk} *have heard thy SPEECH* {speech of a great sound of thunder, that happens when the super volcano explodes with a massive earthquake-causing eruption}, *and was afraid: O LORD, revive thy work in the midst of the years, in the midst of the years make known; in wrath remember mercy.*

**Hab 3:9** *Thy BOW* {that shoots the arrows of and great hailstones} *was made quite naked, according to the oaths of the tribes, even thy word. Selah. Thou didst cleave the earth* {land} *with RIVERS* {rivers of lava}.

**Hab 3:10** *The MOUNTAINS* {equated with capital cities of nations} *saw THEE* {risen seventh plagued angel upon the lifted-up to heaven bottomless pit/super volcano}, *and they trembled: the OVERFLOWING OF THE WATER* {lake of fire} *passed by: the DEEP* {explosion of magma of the swelled to heaven super volcano that rose from the bottomless pit of hell} *uttered HIS VOICE* {of a great sound of thunder}, *and lifted up his hands ON HIGH* {above the lifted-up to heaven super volcano}.

**Hab 3:11** *The sun and moon stood still in their habitation* {hence the sun and moon are not giving their light upon the USA, having been veiled by smoke and ash that erupted for five months}: *at the light of thine ARROWS* {coals of fire and great hailstones} *they went, and at the shining of thy GLITTERING SPEAR* {referring to terrible lightnings striking the land}.

**Hab 3:12** *THOU* {risen Abaddon/the Rock/super volcano} *didst MARCH* {as flowing rivers of lava} *through the land in indignation, thou didst THRESH* {with coals of fire, great hailstones, and tornadoes/chariots of fire} *the HEATHEN* {that rejected the everlasting gospel and remained outside the ensign of new Jerusalem} *in anger.*

**Hab 3:15** *Thou didst WALK {as rivers of fire} through the SEA {also equated with latter day Babylon's kingdom} with THINE HORSES {these horses represent very hot air that create great whirlwinds of fire that carry their riders/flowing coals of lava}, through the heap of great waters.*

**Hab 3:16** *When I {Habakkuk} heard, my belly trembled; my lips quivered at the VOICE {of a great sound of thunder when Abaddon/the Rock/super volcano begins to rise from the bottomless pit}: rottenness entered into my bones, and I trembled in myself, that I might rest in the day of trouble: when HE {Abaddon/the Rock/super volcano} COMETH UP {from the bottomless pit as a lake of fire filling the swelling to heaven super volcano while it erupts smoke and ash for five months} unto the people, he*

***Hab 3:18*** *Yet I will rejoice in the LORD {written visions and oracles of the one like the son of man/last small part and first small part/bright star and morning star/God the father and son of God}, I will joy in the GOD OF MY SALVATION {salvation from the kingdom of latter day Babylon to enter the the ensign of new Jerusalem}.*

***Hab 3:19*** *The LORD God {written visions and oracles of the one like the son of man} is my strength, and he will make my feet like hinds' feet {sure footed to be able to finish the journey}, and he will make me to walk upon mine HIGH PLACES {of the spiritual temple upon the swelled to heaven mount/new Zion/super volcano}. To the chief singer on my stringed instruments.*

\*\*\*\*\*

***Revelation 18:16 And saying, Alas, alas, that GREAT CITY*** {the USA's ruling capital and nation is here likened to the city old Babylon} ***that was CLOTHED in FINE LINEN, and PURPLE, and SCARLET, and DECKED with GOLD, and PRECIOUS STONES, and PEARLS!***

The merchants will be grieving over the fall of the USA's ruling capital and nation. The USA's capital is that great latter day city that is extremely wealthy. This great city is described as being dressed as a queen, that sat and reigned over the seven-headed ten-horned beast (union of nations).

\*\*\*\*\*

***Revelation 18:17 For in ONE HOUR*** {at the end of the one hour reign of latter day Babylon/USA's capital and nation while in spiritual Canaan} ***so GREAT RICHES*** {in the USA} ***is come to NOUGHT*** {from the time the super volcano explodes with a massive earthquake-causing eruption, as smoke and ash begin to erupt}. ***And every SHIPMASTER*** {leader}, ***and all the COMPANY*** {merchants} ***in SHIPS*** {representing cities of nations}, ***and SAILORS*** {people of these cities/ships}, ***and as many as trade by sea*** {union of nations/combined spiritual rivers}, ***stood afar off*** {from the torments happening to the USA's ruling capital and nation, which is likened to the city Tyre/Tyrus},

At the end of latter day Babylon's (USA's capital and

nation's) one hour reign in spiritual Canaan, the super volcano will have brought an end to the USA's reign over the kingdom of latter day Babylon. From that time, the leaders (being referred to as shipmasters) ruling from within the ruling cities of the union of nations, merchants (being referred to as the company in ships), and the people (being referred to as sailors) of the cities (spiritual ships) will stay far away from the USA's capital and nation because of the terrible torments that will be plaguing the USA.

\*\*\*\*\*

***Revelation 18:18 And CRIED when they saw the SMOKE of HER*** {USA's ruling capital and nation is likened to old spiritual Sodom's destruction} ***BURNING*** {caused by the massive earthquake-causing eruption and ejected coals of fire, as smoke and ash begin erupting from the 40-mile wide mouth of the super volcano, which is in the USA}, ***saying, What city is like unto THIS GREAT CITY*** {referring, in the latter days, to the USA's ruling capital and nation}!

\*\*\*\*\*

***Revelation 18:19 And they cast dust on their heads, and cried, weeping and wailing, saying, Alas, alas that GREAT CITY*** {referring to the USA's ruling capital, which is here likened to the city Tyre}, ***wherein were***

*made rich all that had SHIPS* {representing the merchants of the union of nations} *in the SEA* {representing the union of nations/combined spiritual rivers of latter day Babylon's kingdom/spiritual sea} *by reason of her costliness! For in ONE HOUR* {that ended when the super volcano exploded with a massive earthquake-causing eruption} *is SHE* {USA's ruling capital and nation} *made desolate.*

The leaders of nations, merchants, and people that were made rich by selling their goods, produce and services in the USA will be crying over the torments inflicting the great city (USA's ruling capital and nation). At the end of the USA's one hour reign over the latter day Babylonian beast (kingdom/union of nations) in spiritual Canaan, instant death caused by the massive earthquake-causing eruption and ejected coals of fire, followed by the torments of mourning, anarchy, spreading darkness, and famine will begin plaguing the USA. These plagues will happen on the day the super volcano explodes and begins erupting smoke and ash, which erupt for five months.

*Revelation 18:20 REJOICE* {the rejoicing reveals that there is no more silence in heaven, where the judgment is happening, when the super volcano explodes} *over HER* {USA's ruling capital and nation}, *thou HEAVEN* {being the sea of glass above and around the top of the immense

mouth upon the swelled to heaven super volcano; on the sea of glass stand the great multitude and second group/disciples/elders of the spiritual temple during the judgment}, **and ye HOLY APOSTLES** {first group of redeemed being the priests of the spiritual temple in heaven during the judgment} **and PROPHETS** {who manifested in every generation and resurrected in the last generation, being as high priests of the spiritual temple in heaven during the judgment}; **for God** {one like the son of man who is equated with the super volcano} **hath AVENGED YOU on HER** {USA's ruling capital and nation}.

The verse in Revelation 18:20 is a vision and oracle written on the one like the son of man (God), who is the visions and oracles written on the last small part (God the father) of the seventh part of the scroll of life's first side and the visions and oracles written on the first small part (son of God) of the seventh part of the scroll of life's other side. The rejoicing that happens in heaven over the fall of latter day Babylon is a replay of what already happened in heaven in the first time line. Each time the fall of latter day Babylon is replayed in heaven during the judgment, the rejoicing of the three groups of redeemed and prophets in heaven is also replayed.

Heaven represents the sea of glass on top of new Jerusalem Within new Jerusalem is the swelled to heaven super volcano, above which the sheet of hail (sea of glass)

also covers. In the first timeline of all generations, the three groups of redeemed had entered the ensign of intense light to be within new Jerusalem before the lake of lava began to overflow and spread throughout the land. In heaven is a great multitude (third group of redeemed), disciples (second group of redeemed being the elders of the spiritual temple), the holy apostles (first group of redeemed being priests of the spiritual temple), and the prophets (that are high priests of the spiritual temple). In each generation, prophets, apostles, disciples, and the people they converted were rejected, persecuted, and in many instances killed for believing the message of a new prophet.

At the end of the sign of Jonah, all past prophets, apostles, and disciples will resurrect to life and health to be living in the last generation to learn and then proclaim the everlasting gospel. As they proclaim the everlasting gospel to all nations, kindreds, tongues, and people to warn of the imminent rising of Abaddon/the Rock (super volcano), many people will reject, persecute, and imprison them. As they continue proclaiming the everlasting gospel to all nations when the super volcano explodes with a massive earthquake-causing eruption (as smoke and ash begin to erupt), the USA and nations will create new laws that will swiftly put to death anyone that tries to convince the people that the super volcano will destroy the USA and nations of the world.

***Revelation 18:21 And a MIGHTY ANGEL*** {representing the vision and oracle written on the seventh angel with trumpet that reveal the time when the super volcano exploded with a massive-earthquake causing eruption, as it began erupting smoke and ash} ***took up a STONE*** {representing a massive earthquake caused by the super volcano's explosion} ***like a great millstone, and CAST IT*** {huge stone} ***into the SEA*** {spiritual sea/union of nations of the latter day Babylonian beast in spiritual Canaan, where the USA's capital and nation are located}, ***saying, Thus with VIOLENCE*** {by the massive earthquake-causing eruption of the super volcano} ***shall that GREAT CITY*** {in our day representing the USA's ruling capital and nation} ***BABYLON*** {confusion} ***be THROWN DOWN*** {by the great earthquake}, ***and shall be found no more at all.***

The mighty angel in Revelation 18:21 represents a vision and oracle written on the seventh angel with trumpet. The written vision and oracle replay the time when the super volcano exploded with a massive earthquake-causing eruption, as smoke and ash began to erupt. This massive earthquake descends from the super volcano and hits the USA's capital and nation (spiritual river). The USA is of the union of nations, (combined spiritual rivers) that rules as the latter day Babylonian kingdom {spiritual sea). The spiritual sea (kingdom of latter day Babylon) is created by

these combined spiritual rivers (representing the union of nations, of which the USA is one of these nations). The latter day great city of confusion (spiritual Babylon) represents the USA's capital and nation. The parable says by the violence of a great stone falling into the sea and causing great waves is how the latter day great city and her nation will be thrown down. Hence a great earthquake will descend as shock waves throughout the land of the USA, when replayed by the visions and oracles of the great angel (seventh angel with trumpet) during the judgment.

***Jeremiah 51:62*** *Then shalt thou say, O LORD, thou hast spoken against THIS PLACE {latter day Babylon/USA's ruling capital and nation}, to CUT IT OFF {destroyed by a lake of fire}, that none shall remain in it, neither man nor beast, but that it shall be desolate for ever.*

***Jeremiah 51:63*** *And it shall be, when thou hast made an end of reading this book {scroll}, that thou shalt bind a STONE {the stone that represents a great earthquake at the explosion of the super volcano} to it, and CAST IT {causing a great earthquake} into the midst of EUPHRATES {Euphrates river represents the leading nation/USA of latter day Babylon}:*

***Jeremiah 51:64*** *And thou shalt say, Thus shall {latter day} Babylon {USA's ruling capital and nation} sink, and shall not rise from the evil that I {one like the son of man}*

*will bring upon her: and they shall be weary. Thus far are the words of Jeremiah.*

***Daniel 2:34*** *Thou sawest till that a STONE {representing a great earthquake caused by the massive explosion of the super volcano} was cut out WITHOUT HANDS {hence it is a natural event}, which smote the image upon his FEET {the ten toes are equated with the ten horns upon the latter day Babylonian beast's seven heads} that were of iron and clay, and BRAKE THEM TO PIECES {by a great earthquake}.*

***2:35*** *Then was the iron, the clay, the brass, the silver, and the gold, broken to pieces together, and became like the chaff of the summer threshing floors; and the wind carried them away, that no place was found for them: and the STONE {great earthquake} that smote the IMAGE {image of a queen/latter day great city/USA's ruling capital} became a GREAT MOUNTAIN {because the great earthquake causes the super volcano to swell to heaven as it fills with a lake of fire while erupting smoke and ash}, and {when the swelled to heaven super volcano full of a lake of fire exploded} filled the whole earth {with an overflowing and spreading lake of fire/lava}.*

***Revelation 18:22*** *And the voice of harpers, and musicians, and pipers, and trumpeters, shall be heard no*

*more at all in thee; and no craftsman, of whatsoever craft he be, shall be found anymore in thee; and the sound of a millstone shall be heard no more at all in thee;*

The super volcano will explode with a massive earthquake-causing eruption, as smoke and ash begin to erupt from the 40-mile wide mouth of the swelling super volcano. From that time, all music, entertainment, sounds of industries, work and general life that existed prior to the great earthquake will cease forever.

\*\*\*\*\*

*Revelation 18:23 And the light of a candle shall shine no more at all in thee; and the voice of the BRIDEGROOM {also equated with the latter day messenger's message} and of the BRIDE {also equated with the apostles and disciples} shall be heard no more at all in thee: for thy MERCHANTS were the GREAT MEN {great nations} of the EARTH {representing the latter day land of spiritual Canaan, where the union of nations reside}; for by thy SORCERIES {technological and military wonders} were ALL NATIONS DECEIVED {to accept the ideals that the USA envisioned for the world's future}.*

From the time the super volcano explodes with a massive earthquake-causing eruption (as smoke and ash begin to erupt, which erupt for five months), from that time the

visions (light) of the first witness (candle) and last witness (candle) will never again be proclaimed to the USA's capital and nation. Also the voice (message) of the latter day messenger (bridegroom) with the voice of the apostles (bride) and disciples (bride) will never again be heard in the USA when the earthquake-causing eruption happens. The reason is that all the redeemed in the USA will begin fleeing the USA's land before darkness, caused by the erupting smoke and ash, covers the USA.

The USA's foreign merchants of the union of nations were the great men (representing nations) of the USA's ruling capital and nation. She made the merchants the great men of the world, instead of making the two witnesses the great men according to their visions and oracles for the world's future. By the technological and military sorceries of the USA were all nations deceived in accepting the USA's ideals that it envisioned for the world's future.

***Revelation 18:24 And in HER*** {USA's ruling capital is here likened to the old city Jerusalem} ***was FOUND the BLOOD of PROPHEETS, and of SAINTS, and of ALL that were SLAIN upon the EARTH*** {land of spiritual Canaan}.

In old testament times, the living prophets, apostles, and disciples were rejected and killed, as ordered by the

leadership in old Jerusalem's capital and deceived tribes that professed to believe in God. The same mind and ways are found in the leadership of the USA and the deceived latter day nations and peoples. From the time the super volcano explodes with a massive earthquake-causing eruption, the USA's leaders and leaders of the union of nations will make emergency laws that will kill anyone causing division among their nations. Hence these swiftly enacted emergency laws of governments will put to death the latter day prophets, apostles, disciples, and converts for proclaiming the everlasting gospel to all nations. The everlasting gospel will convert and bring out of latter day Babylon's kingdom a great multitude of all nations, kindreds, tongues, and people.
