

Chapter 19

Revelation 19:1 And after these things I heard a GREAT VOICE of MUCH PEOPLE {being the much rebellious people standing while as a spirit/ghost} ***in HEAVEN*** {heaven represents the area above and around the lifted up to the sky super volcano, full of a lake of fire, where the judgment is happening on a sheet of hail/sea of glass}, ***saying, ALLELUIA*** {after the much people see the visions and oracles written on the one like the son of man replaying what is written in Chapter 18 concerning the fall of the USA's ruling capital city and nation}; ***Salvation, and glory, and honor, and power, unto the Lord our God*** {God/one like the son of man who recreates/replays each generation according to the visions and oracles written on each scroll. Hence when the one like the son of man reveals what is written on the last scroll/scroll of life, all things that happened in the last generation, new heaven and new Earth, and time of the judgment are recreated just as they had happened}:

The great voice of much people represents the rebellious creatures (rebellious people) who will be standing as a spirit (ghost) outside new Jerusalem around the lifted-up to heaven super volcano. After the world was covered in a lake of lava, all the people that were not saved will have manifested as many spirits (ghosts) outside new Jerusalem at the beginning of the judgment. They will have been

standing as spirits to view the events that happened in each generation, as recorded by the two witnesses (God the father/Michael and Gabriel/son of God) on all the books (scrolls) and last book/scroll of life. These spiritual books represent the memory of Michael and Gabriel. When the one like the son of man (who is God the father/last small part and God's son/first small part) reveals what is written on the scroll of life, he begins replaying what happened in the last generation, including the destruction of the USA's ruling capital city and nation, as written in Revelation Chapter 18. At the time Revelation, Chapter 18 is being recreated during the judgment, the much rebellious people mentioned in Revelation 19:1 will be in agreement with the things the one like the son of man is replaying. The much unsaved people standing as spirits proclaim that the one like the son of man's (God/re-creator) written visions and oracles are of salvation, glory, honour, and power.

The one like the son of man is the God of the unsaved people because they will have manifested as spirits according to the visions and oracles written on the one like the son of man (who represents the last small part/first witness and first small part/last witness) by Michael (first witness) and Gabriel (last witness).

Revelation 19:2 For TRUE and RIGHTEOUS are HIS

{one like the son of man's} **JUDGMENTS** {as witnessed and written on the last small part and first small part}: **for HE** {visions and oracles written on the one like the son of man} **hath JUDGED the GREAT WHORE** {USA's ruling capital and nation}, **which did CORRUPT the EARTH** {spiritual Canaan where the union of nations are situated} **with HER FORNICATION** {continued with business as usual with the union of nations, that placed their substance/merchandise within her wide open gates even though the everlasting gospel warned her of the super volcano's imminent explosion}, **and hath AVENGED the BLOOD of his SERVANTS** {messengers, and saints) **at her HAND** {the hand which killed the servants, that warned the USA's ruling capital and nation of the plagues before they happened}.

The great voice of the much rebellious people viewing the judgment will agree that the one like the son of man's exact replay of the destruction of the USA's ruling capital and nation is true and righteous. The one like the son of man shows the judgment which the great whore (USA's capital) and her nation received after the super volcano exploded with a massive earthquake-causing eruption. The much rebellious people are shown how the great whore and her nation corrupted the union of nations with her ideals that she envisioned for the world's future. The rebellious people standing as spirits outside new Jerusalem during the judgment will see how the fulfilled

written visions and oracles concerning the rising of Abaddon/the Rock (which the great whore and her nation rejected before her destruction) will have avenged the death of the one like the son of man's servants, who were killed at the hand of the great whore (USA's capital). The servants of the one like the son of man will have believed the visions and oracles (mark of God/one like the son of man) concerning the rising of Abaddon/the Rock from the bottomless pit over the visions and oracles (mark of the beast) that the USA envisions for the world's future.

Revelation 19:3 And again THEY {much rebellious people standing as spirits/ghosts} ***said, ALLELUIA. And HER*** {referring to the USA's capital and nation, which is here likened to the destruction of Sodom} ***SMOKE*** {of her burning that is caused by the massive earthquake-causing eruption, as smoke and ash begin to erupt} ***rose up for ever and ever*** {as far as the eye can see}.

The many unsaved people will say alleluia to the visions and oracles of the one like the son of man (God), who is replaying the time when the torments of the great whore (USA's capital) and her nation begin. The smoke issuing from the USA nation will rise up as far as the eye can see.

Revelation 19:4 And the FOUR and TWENTY ELDERS

{representing the second group of redeemed} **and the FOUR BEASTS** {first group of redeemed} **FELL DOWN and worshipped God** {one like the son of man} **that SAT** {is sitting during the judgment} **on the THRONE** {throne of intense white light that sits on a sheet of hail/sea of glass above the swelled to heaven super volcano reigning over the lava-covered kingdom of latter day Babylon}, **saying, Amen; Alleluia.**

After the much rebellious people have praised the one like the son of man's written visions and oracles when the torments of the USA's capital and nation began being replayed, the 24 elders (representing the second group of redeemed) and the four beasts (representing the first group of redeemed) worship the one like the son of man (God the father/first witness and God's son/last witness). At that time, the one like the son of man replays how he rose as Abaddon/the Rock from the bottomless pit to sit on his throne. The throne represents the intense light emanating from the lake of fire in the immense 40-mile wide mouth of the swelling to heaven super volcano.

Revelation 19:5 And a VOICE {of thunder} **CAME OUT** {during the judgment} **of the THRONE** {of intense light}, **saying, PRAISE OUR GOD** {one like the son of man/first and last/beginning and end/bright star and morning star/first witness and last witness/last small part

and first small part}, *all ye his SERVANTS* {referring to the first group and second group of redeemed}, *and YE* {great multitude being the third group of redeemed} *that FEAR* {by believing} *HIM* {one like the son of man}, *both SMALL and GREAT.*

During the time of the judgment when Revelation chapter 18 is happening according to what is written on the scroll of life's first side, the plagues of death, mourning, and famine will be tormenting the USA's capital and nation. When the plagues of torment are being replayed during the judgment, the voice of the God's son (morning star/last witness) says to the servants (representing the first group and second group of redeemed) and the great multitude (third group of redeemed) to praise God the father (bright star/last witness), whose visions and oracles replayed the fall of the USA's capital and nation. The three groups of redeemed standing within new Jerusalem during the judgment are the people who feared and believed the visions and oracles concerning the rising of Abaddon/the Rock (super volcano), instead of accepting the ideals that the USA's ruling capital city and nation of confusion (Babylon) envisioned for the world's future.

Revelation 19:6 And I heard as it were the VOICE of a GREAT MULTITUDE {representing the voice of the third group of redeemed standing within new Jerusalem during

the judgment}, *and as the VOICE of MANY WATERS* {representing the voice of 144,000 that are represented by twenty-four elders standing on the sea of glass, that is the top of new Jerusalem}, *and as the VOICE of MIGHTY THUNDERINGS* {representing the voice of the first group of redeemed being illustrated by four four-winged beasts and four six-winged beasts}, *saying, ALLELUIA: for the Lord God* {one like the son of man} *OMNIPOTENT reigneth* {at the fall of the USA's ruling capital city and ruling nation over latter day Babylon's kingdom}.

At the rising of Abaddon/the Rock from the bottomless pit, the Apostle John heard (during the judgment) the praises of the people viewing the judgment. These people had entered the ensign of new Jerusalem because they feared and believed the visions and oracles concerning the rising of Abaddon/the Rock (super volcano). Accordingly, the first group and second group of redeemed will have learned the new song (everlasting gospel) during the fifty days of new Pentecost, which they proclaimed to save the great multitude before Abaddon/the Rock had risen as a swelled to heaven super volcano, full of a lake of fire. John heard the praising voice of a great multitude (third group of redeemed standing within new Jerusalem during the judgment), the praising voice of many waters (representing the 144,000/second group of redeemed standing within new Jerusalem during the judgment), and

the praising voice of mighty thunderings (representing the first group of redeemed standing within new Jerusalem during the judgment). After the three groups of redeemed (that have been viewing what has been revealed during the time of the judgment) saw the one like the son of man's written visions and oracles replay the fall of the USA's capital and nation when the super volcano exploded with a massive earthquake-causing eruption (as smoke and ash began to erupt), the three groups of redeemed will say that the Lord God (one like the son of man) omnipotent is reigning over the destroyed kingdom of latter day Babylon.

Revelation 19:7 Let US {three groups of redeemed within new Jerusalem that have been viewing the things being revealed during the judgment for more than 1,000 years} ***be glad and rejoice, and give honor to HIM*** {one like the son of man}: ***for the MARRIAGE of the LAMB*** {representing visions and oracles written on the first small part of the seventh part of the scroll of life's other side} ***is come, and his WIFE*** {being new Jerusalem that is represented, at that time, by the first group of priests, second group of elders} ***hath MADE HERSELF READY*** {when the swelled to heaven super volcano's mouth was full of a lake of fire, but not yet overflowing, radiating an intense light}.

The three groups of redeemed that are in heaven viewing the judgment are to be glad and give honor to the risen Abaddon/the Rock (equated with God) when the swelled to heaven super volcano's immense mouth is full of a lake of fire but not yet overflowing. At that time, all the martyrs will have resurrected with Abaddon/the Rock. The risen Abaddon/the Rock (super volcano) is equated with a risen lake of fire in the immense mouth of the swelled to heaven super volcano. An intense light (ensign) will be radiating high above the swelled to heaven super volcano (Abaddon/the Rock).

When the swelled to heaven super volcano's mouth is full of a lake of fire but not yet overflowing throughout the USA's land, a great whirlwind of fire (representing new Jerusalem) will materialize around the high and immense mountain of the super volcano. At that time, new Jerusalem will be dressed in the intensely bright light (equated with white linen) radiating from the high and immense new mount Zion. From that time, new Jerusalem will be ready to gather into her the great multitude (third group of redeemed), that are the guests of the wedding.

The first group of redeemed is represented by new Jerusalem's foundations, while the second group of redeemed is represented by the walls of new Jerusalem. Accordingly, new Jerusalem is the wife of the Lamb (message/Lamb of latter day new Yahshua/Moses/Solomon) because the written words

(seeds) of the visions and oracles of the Lamb (first small part/God's son/husband) are proclaimed by the bride (first group and second group of redeemed), that gives birth to a great multitude of their spiritual children, who are also the guests of the wedding.

Revelation 19:8 And to HER {new Jerusalem representing the first group of redeemed being a round number of 12000, and second group of redeemed being a round number of 144,000} ***was GRANTED*** {from the time Abaddon/the Rock had risen as a swelled to heaven super volcano, full of a lake of fire and radiating an intense light} ***that she should be arrayed in FINE LINEN*** {being Abaddon's/the Rock's intensely bright light/ensign}, ***CLEAN and WHITE*** {the intensely bright light and tremendous heat emanating from the 40-mile wide mouth, full of a lake of fire, ensures the light is pure/holy and clean}: ***for the FINE LINEN is the righteousness of SAINTS*** {the believers of the Lamb's written visions and oracles are righteous, hence they are clothed with the same pure and clean white light of Abaddon/the Rock}.

New Jerusalem (representing, at that time, the first group and second group of redeemed) will be dressed in fine linen clean and white at the time Abaddon/the Rock (has risen as a great light with a lake of fire, that has filled the

swelled to heaven super volcano. The fine linen clean and white represents the visions and oracles written on the one like the son of man/God the father and son of God). Also the fine white linen is equated with the intensely bright light emanating from the swelled to heaven super volcano when it is full of a lake of fire.

The latter day people who reject the USA's ideals (mark of the beast) that the USA envisions for the world's future will be righteous for fearing and believing the one like the son of man's written visions and oracles (mark/seal of God) concerning this world's future.

Revelation 19:9 And HE {seventh plagued angel} ***saith unto me, WRITE, BLESSED are THEY*** {great multitude/third latter day group of redeemed} ***which are CALLED unto the MARRIAGE SUPPER*** {new Feast of Tabernacles} ***of the LAMB*** {representing the written visions and oracles written on the first small part of the seventh part of the scroll of life's other side}. ***And he saith unto me, THESE*** {these written words in the Book of Revelation pertaining to the scroll of life's written visions and oracles} ***are the TRUE SAYINGS OF GOD*** {one like the son of man}.

The seventh plagued angel tells the Apostle John to write that the people who are called unto the marriage supper

(representing the new Feast of Tabernacles) are blessed. From the time the swelling to heaven super volcano is full of a lake of fire but not yet overflowing, the bride (new Jerusalem (representing the first group and second group of redeemed) will have become ready to receive the guests of the wedding. From that time, a great multitude (third group of redeemed) will be called out from all nations of the world to enter the fiery ensign and keep the new latter day Feast of Tabernacles.

In the past type, the barley harvest (representing the first group of redeemed) was commemorated in the first month during the old Passover feast. Seven weeks later was the old Feast of Weeks, which commemorated the wheat harvest (representing the second group of redeemed). In the seventh month was the old Day of Atonement, which in the latter days represents the time when the super volcano explodes and begins erupting smoke and ash, which last for five months. As smoke filled the old temple on the old Day of Atonement, so the erupting smoke and ash for five months will cover the immense mouth (equated with the old temple) of the swelling to heaven super volcano.

Four days after the old Day of Atonement was the old Feast of Tabernacles, which is equated with the time when after five months of erupting smoke and ash Abaddon/the Rock has risen as a lake of fire, that is then radiating an intense light, just as the Shekinah glory manifested on the

Ark of the testament between the Cherubim. The intense heat radiating from the swelled to heaven immense 40-mile wide mouth of the super volcano causes a massive whirlwind (equated with new Jerusalem manifesting) of fire to surround the swelled to heaven super volcano, full of a lake of fire. At that time, great hailstones will be raining from the top and around the super volcano. These great hailstones are equated with the walls of new Jerusalem. When great hailstones are falling from heaven above and around the swelled to heaven super volcano (full of a lake of fire), the Feast of Tabernacles will beginning. At the same time, the guests (great multitude/third group of redeemed) will be entering the ensign of new Jerusalem.

The old Israelite people would wave palm leaves during the old Feast of Tabernacles commemorating the fruit harvest (representing the third group of redeemed), just as the great multitude of messengers have palm leaves in their hand when they entered new Jerusalem's ensign of intense light.

Revelation 7:9 *After this I beheld, and, lo, a GREAT MULTITUDE* {after they entered the ensign of new Jerusalem}, *which no man could number, of all nations, and kindreds, and people, and tongues, stood before the throne, and before the Lamb, clothed with white robes, and PALMS IN THEIR HANDS* {because the great multitude represent the commemoration of the fruit

harvest during the new Feast of Tabernacles};

The ensign will be radiating from new Jerusalem before the lake of fire overflows and spreads throughout the USA and all nations, kindreds, tongues, and people. However when the lake of fire overflows and spreads throughout the USA and world, coals of fire and great hailstones will then be raining on the land that the rivers of fire (lava) are moving through. As anarchy and famine begin to plague all nations and people that remained outside the ensign of new Jerusalem.

Zecharia 14:20 *And if the family of Egypt go not up {to new Jerusalem}, and come not, that have NO RAIN {time of famine}; there shall be THE PLAGUE, wherewith the Lord {risen Abaddon/the Rock} will smite the heathen that come not up to keep the {new} FEAST OF TABERNACLES {thereafter the spreading lake of fire causes thousands of whirlwinds/chariots of fire to cast coals of fire while great hailstones are falling. These coals of fire and great hailstones will devour the kingdom of latter day Babylon}.*

Zecharia 14:19 *This shall be the punishment of Egypt, and the punishment of ALL NATIONS that come NOT UP {to the fiery ensign of light radiating from the swelled to heaven super volcano full of a lake of fire but not yet overflowing} to keep the {new} FEAST OF TABERNACLES {which begins when great hailstones*

begin raining from the top and around the swelled to heaven super volcano, full of a lake of fire}.

Isaiah 66:10 *Rejoice ye with {new} Jerusalem {representing the first group and second group of redeemed from the time the swelled to heaven super volcano is full of a lake of fire} and be glad with her, all YE {representing the great multitude} that love her: rejoice for joy with her, all ye that mourn for her:*

Isaiah 66:11 *That YE {great multitude} may suck, and be satisfied with the breasts of her consolations; that ye may MILK OUT {by accepting the everlasting gospel and entering the ensign}, and be delighted with the abundance of her glory {intensely bright light}.*

Isaiah 66:12 *For thus saith the LORD {one like the son of man}, Behold, I {one like the son of man} will extend peace to HER {representing the first group and second group of redeemed} like a river, and the glory of the GENTILES {great multitude/third latter day group of redeemed} like a flowing stream: then shall ye suck, YE {spiritual gentiles/great multitude} shall be borne upon her sides, and be dandled upon her knees.*

Isaiah 66:13 *As one whom his mother comforteth, so will I {one like the son of man} comfort you; and YE {great multitude} shall be comforted in {new} Jerusalem.*

Isaiah 66:14 *And when YE {great multitude} see THIS*

{the ensign radiating from new Jerusalem}, *your heart shall rejoice, and your bones shall flourish like an herb: and the HAND* {right hand/first witness and left hand/last witness} *of the LORD* {one like the son of man} *shall be known toward HIS* {one like the son of man's} *SERVANTS* {the first group and second group of redeemed that proclaimed the everlasting gospel and then were joined in proclaiming the everlasting gospel by the people of the third group of redeemed}, *and his indignation toward HIS* {one like the son of man's} *ENEMIES* {these enemies reject and hate the visions and oracles of the one like the son of man concerning the rising of Abaddon/the Rock, that covers the world}.

Isaiah 66:15 *For, behold, the LORD* {written visions and oracles of the one like the son of man that replay the rising of Abaddon/the Rock/super volcano} *will come with FIRE* {rising lake of fire from the bottomless pit of hellfire}, *and with his CHARIOTS* {tornadoes/whirlwinds of fire} *like a whirlwind, to render his anger with fury, and his rebuke with flames of fire.*

Isaiah 66:16 *For by FIRE* {lake of fire} *and by his SWORD* {one sword with two edges/two witnesses' written visions and oracles} *will the LORD* {one like the son of man} *PLEAD* {when the first group and second group proclaim the everlasting gospel that warns of the lake of fire before it happens} *with ALL FLESH* {all nations, kindreds, tongues, and people}: *and the SLAIN*

{who rejected the message of the everlasting gospel and did not enter the ensign of new Jerusalem before the lake of fire overflowed and spread throughout the USA's land and world} *of the LORD* {written visions and oracles of the one like the son of man} *shall be many.*

Revelation 19:10 And I {Apostle John} ***fell at HIS*** {seventh plagued angel's} ***feet to worship him. And he said unto me, See thou DO IT NOT: I am THY FELLOWSERVANT, and of THY BRETHREN that have the TESTIMONY*** {message} ***OF*** {latter day new} ***JESUS*** {latter day Moses/Solomon}: ***worship God*** {written visions and oracles of the one like the son of man}: ***for the TESTIMONY*** {message} ***of*** {latter day new} ***JESUS*** {latter day Moses/Solomon} ***is the SPIRIT*** {mind/spirit that is full} ***of PROPHECY*** {true predictions of what will happen in the near future}.

The Apostle John fell down to worship before the seventh plagued angel's feet. He was admonished not to do this because the seventh plagued angel represents a vision and oracle written on the one like the son of man (being the first and last/beginning and end/bright star and morning star/God the father and God's son). The seventh plagued angel revealed many things to the Apostle John, which John wrote in the Book of Revelation as soon as he saw and heard what was being revealed. The seventh plagued angel

was able to reveal many things to the Apostle John because all things written beneath the initial six seals are written on the seventh seal, just all things that existed during the initial six evenings of Genesis were seen at the beginning of the seventh evening. All things written on six angels with trumpets of the seventh seal are written on the seventh angel with trumpet, just all things seen during the initial six parts of the seventh evening of Genesis were seen at the seventh part of the seventh evening. All things written on six plagued angels are all written on the seventh plagued angel, just as all things that happened near the end of the seventh evening of Genesis were all seen by the seventh evening's ending bright moon's (bright star's/first witness') light from just below the westerly horizon of Eden, while at that same time the morning sun (morning star/last witness') beginning from just below the easterly horizon of Eden at dawn of the seventh day's daylight witnessed during dawn everything that the moon's light had seen during seven evening's. These seven evenings are equated with the seven parts of the scroll of life's first side.

The visions and oracles written on the seventh plagued angel are as a manservant to the brethren, who represent the first group (priests) of redeemed and the second group of 144,000 (elders) redeemed. It is latter day Moses (Solomon) who reveals the two witnesses' new message to the latter day brethren. John was told by the seventh

plagued angel to worship God, who represents the visions and oracles written on the one like the son of man. The latter day redeemed receive the testimony of who latter day new Jesus (latter day Moses) is when they believe the new law (four visions of the first witness and six visions of the last witness) and the testimony that is written on seven angels with trumpets, as revealed by latter day Moses' message. When the redeemed receive the testimony (message) of latter day new Jesus, they will then have the true spirit (mind) of prophecy (of what will happen in the near future) for our day.

In a past type, Yahshua (Jesus) prophesied for 1260 days (3½ years) and was crucified. While he was crucified but still alive, a volcano briefly erupted near old Jerusalem causing an earthquake and temporary darkness over old Jerusalem. Thereafter when sunlight shone as the smoke dissipated, Yahshua died while on the cross. His dead body was thereafter placed in a tomb during the 3½ days of the sign of Jonah. At the end of these 3½ days, a bright angel descended from heaven and caused a great earthquake when its feet touched the ground. The bright angel represents the flash of a volcano's eruption, that descends as a great earthquake. The great earthquake caused by the feet of the descended bright angel marked the resurrection of old Yahshua, John the Baptist, and many saints of old testament generations. These things that happened in old Yahshua's generation reveal what

happens in the latter days

The time we are living in is the latter days that lead to the world end in a lake of fire. Latter day new Jesus' final 1260-day ministry, before the new sign of Jonah begins, parallels the ministry of old Yahshua. Latter day new Yahshua prophesies for 1260 days of what the two witnesses have already seen happen during these 1260 days (see Revelation 11:9). During that time, latter day Babylon is reigning over the union of nations during its third and final period.

After 3½ years (1260 days) of old Jesus' ministry, his ministry was dead and totally rejected when the earthquake caused by the briefly erupted volcano only caused temporary darkness over and around Jerusalem, as sunlight shone when the erupted smoke dissipated. Thereafter he died on the cross and was taken down and placed in a tomb during the 3½ days of his death and the death of his ministry. Accordingly, latter day new Yahshua's ministry – pertaining to his message that prophesies for 1260 days of what the two witnesses have already seen happen (see Revelation 11:9) and of the super volcano exploding and destroying the world – is totally rejected (lying dead) when the super volcano briefly erupts at the end of the 1260 days. The reason why latter day new Yahshua's ministry will be lying dead and totally rejected is that the super volcano will erupt with an earthquake, as smoke and ash briefly erupt and then the

super volcano seemingly goes dormant. This will seem to the USA and nations that the prophecy of the super volcano erupting smoke and ash for five months and then erupting and filling with a lake of fire, that overflows and covers the world, has totally failed.

As old Yahshua was dead with his ministry for 3½ days, so latter day new Yahshua's message of what the two witnesses had prophesied for 1260 days will be lying dead for 3½ days from the time the super volcano seemingly goes dormant after briefly erupting smoke and ash in the USA (see Revelation 11:11).

In the past type at the end of the 3½ days of the old sign of Jonah, a glorious angel came down from the sky and caused an earthquake when its feet touched the ground to resurrect old Yahshua. In the latter days after 3½ of the new sign of Jonah, the top of the super volcano explodes again with a flash of light, as a great earthquake descends from the super volcano's mount.

In the past type when the descended bright angel from heaven (sky) caused a great earthquake when its feet touched the ground, old Yahshua, John the Baptist, and many saints resurrected from death to life and health. In our day when the great earthquake descends from the top of the exploded super volcano at the end of the sign of Jonah, the resurrection to life and health of all the righteous and rebellious dead that died in all generations

happens. The resurrected righteous people represent all patriarchs, prophets, messiah's, apostles, and disciples of all generations, including people that were translated without dying or people that died and were resurrected.

In the past type, during old Pentecost's 50 days (which began when Yahshua died on the cross), Yahshua's apostles and disciples learned a new song (gospel) pertaining to them prophesying to all nations to convert a multitude of people. Thereafter at the beginning of the 50th evening (counting from the day old Yahshua died) was the old day of Pentecost. At the beginning of the old Pentecost, the apostles and disciples of old Yahshua received power from the Holy Spirit (one like the son of man) to enable them in proclaiming the then new gospel to convert many people from all nations. In our day, during the 50 days of new Pentecost, all patriarchs, prophets, messiah's, apostles, and disciples of all generations learn a new song (the everlasting gospel) pertaining to them prophesying to all nations to convert and save a great multitude of people before the lake of fire overflows and spreads to cover the world. At the beginning of the 50th evening (counting from the day the super volcano temporarily erupted at the beginning of the latter day new sign of Jonah) is the new day of Pentecost, which is the same day the 1335th day mentioned in Daniel 12:12 happens. On the new day of Pentecost, all patriarchs, prophets, messiah's, apostles, and disciples of

all generations receive the power of the Holy Spirit, which gives them power to prophesy in all languages to make ready the third group (great multitude) of redeemed to enter the ensign of new Jerusalem when it manifests. New Jerusalem becomes ready to receive the great multitude when it manifests as a huge tornado of fire, that surrounds the swelled to heaven super volcano's immense 40-mile wide mount (new mount Zion full of a lake of fire), that radiates intense light (ensign) and heat above and around it.

Revelation 19:11 And I saw HEAVEN {being the sky above the swelled to heaven super volcano full of a lake of fire} **OPENED** {by the swelled to heaven super volcano's massive explosion, that causes an earthquake such as never happened, as the lake of fire overflows and spreads from the swelled to heaven super volcano}, **and behold a WHITE HORSE** {representing the intense flash of light of the exploding swelled to heaven super volcano}; **and HE** {risen Abaddon/the Rock} **that sat upon HIM** {white horse} **was called FAITHFUL and TRUE, and in RIGHTEOUSNESS he doth JUDGE and MAKE WAR** {with the false prophet/USA and the kingdom of latter day Babylon}.

The Apostle John saw heaven opened and a rider on a white horse descending to make war. This vision is of the

swelled to heaven super volcano full of a lake of fire that explodes with an intense flash of light (represented by a white horse) and a massive earthquake such as never happened, as the risen Abaddon/the Rock (rider) descends as a lake of fire while riding his intensely bright white light (white horse) to war with the USA and the kingdom of latter day Babylon. At the explosion of the swelled to heaven super volcano (full of a lake of fire), Abaddon/the Rock (super volcano) begins to overthrow all nations as a king riding on his white horse.

During the judgment, the replay of the rider on his white horse is faithful, true and righteous. The judgment will also show how the USA's ideals that the USA envisioned for the world's future blasphemed against the one like the son of man's written visions and oracles. The USA's (false prophet's) vision for the future will be shown to be unfaithful, untrue, and unrighteous. During the judgment, the rider on his white horse is faithfully, truly, and righteously replayed to happen just as it originally took place in the first timeline.

Revelation 19:12 His {one like the son of man's} ***EYES*** {representing the first witness' light/right eye and second witness' light/left eye} ***were as a FLAME OF FIRE*** {representing the intense light radiating from the lake of fire}, ***and on HIS*** {one like the son of man's} ***HEAD***

were MANY CROWNS {many crowns will have been removed from the seven heads and ten horns of the latter day Babylonian beast/kingdom}; *and HE* {one like the son of man} *HAD a NAME WRITTEN* {Abaddon}, *that NO MAN KNEW* {until the message of latter day Yahshua/Moses revealed it}, *but HE* {written visions and oracles of the one like the son of man} *HIMSELF*.

The risen Abaddon/the Rock will have overflowed and spread to cover the world in a lake of fire (lava). At that time, his two eyes are as intense light emanating from the lake of fire, that spread to cover the world. The two eyes represent the two witnesses' (Michael's and Gabriel's) written visions, that witnessed all things that happened as written on the one like the son of man. At the time when the world is covered in a lake of fire, the one like the son of man (representing God the father/bright star and God's son/morning star combined) is then wearing the crowns that were on the seven heads and ten horns of the latter day Babylonian beast (kingdom).

Only the message of latter day new Yahshua could reveal the name (Abaddon) of the rider on his white horse. The name Abaddon is written on the scroll of life, which no man knew but the one like the son of man himself.

Revelation 9:11 *And THEY* {locusts/erupting smoke and ash} *had a KING* {who becomes King of kings and Lord of Lords} *over them, which is the angel of the bottomless*

pit, whose {written} name in the Hebrew tongue is ABADDON {destroyer}, but in the Greek tongue hath his name Apollyon.

***Exodus 12:12** For I {destroyer being Elohiym/one like the son of man} will pass through the land of Egypt this night, and will smite all the firstborn in the land of Egypt, both man and beast; and against all the gods of Egypt I will execute judgment: I am the LORD {the visions/light of God the father/bright star and God's son/morning star mixed together}.*

***12:23** For the LORD will pass through to smite the Egyptians; and when he seeth the BLOOD {equated with visions and oracles written on the first small part with Lamb's blood/God's son or visions and oracles written on the last small part with kid Goat's blood/God the father} upon the LINTEL, AND ON THE TWO SIDE POSTS {equated with the front of a person's forehead/mind}, the LORD {destroyer/Abaddon} will pass over the door, and will not suffer the DESTROYER {Abaddon} to come in unto your houses to smite you.*

***Revelation 19:13** And HE {Abaddon/destroyer} was CLOTHED with a {white} VESTURE DIPPED in BLOOD {being dipped in the blood of anarchy as the lake of fire spread throughout the world}, and HIS NAME*

{Abaddon/destroyer who is equated with the one like the son of man} **is CALLED The WORD** {the word written on the first small part and last small part} **of God** {the one like the son of man is God because he recreates/replays all things that happened in all generations, the new Earth, and the time of the judgment}.

As Abaddon exploded with a flash of intense light (white horse) from the top of the swelled to heaven super volcano (full of a lake of fire) and began descending as rivers of lava from the high mount throughout the USA and world, his white vesture and white horse were covered with the red blood of anarchy, that began killing the nations and people that remained outside new Jerusalem's ensign.

The one like the son of man (who is equated with Abaddon/the destroyer) is called the word of God because he represents the visions and oracles written on the last small part and first small part. On the one like the son of man, the two witnesses write continually visions and oracles of all things that happen beginning from the time Abaddon had risen from the bottomless pit, the world covered in a lake of fire, the new heaven and new Earth, the time of the judgment when each book (scroll) was opened to replay what had happened in each generation. When the last book (scroll of life) began to be revealed during the judgment, it replayed what happened in the last generation. When the last small part (God the father/bright star) of the seventh part of the scroll of life's first side

began to be revealed with the first small part (God's son/morning star) of the seventh part of the scroll of life's other side during the judgment, it replayed what happened from the time Abaddon had risen from the bottomless pit as a lake of fire, the replay of the end of the world in a lake of fire, the replay of what happened in the new heaven and new Earth, the replay of what happened during the judgment when all the books were opened, the replay of the opening of the last book (scroll of life), and the replay of the opening of the last small part and first small part that began replaying the rising of Abaddon as a lake of fire from the bottomless pit and so on.

Revelation 19:14 And the ARMIES {coals of fire and great hailstones} ***which were in HEAVEN followed HIM*** {risen Abaddon spreading throughout the world as a lake of fire} ***upon WHITE HORSES*** {representing the bright white light around the falling coals of fire and great hailstones}, ***CLOTHED in FINE LINEN*** {being the intensely bright white light emanating from the spreading lake of fire, radiating an intense light and heat}, ***WHITE*** {bright light} ***and CLEAN*** {the light is pure/holy as it is generated by the tremendous purifying heat of the immense lake of fire spreading throughout the world} .

When Abaddon (super volcano) has risen and is spreading throughout the world as an immense lake of fire, the

tremendous heat generated by the lake of fire creates great hailstones to rain upon the place where the lake of fire (lava) has spread. Also many fiery whirlwinds will be carrying coals of fire, that are flung upon the land.

The coals of fire and falling great hailstones look white (as if they are riding on white horses), as they fly from heaven (sky) to the Earth through the darkness covering the USA's land,. The spreading immense lake of fire from within the USA creates tremendous heat that nothing unclean can defile it or its bright white light. This bright white clean light clothes the coals of fire and great hailstones, just as the visions and oracles written on the last small part and first small part clothe the redeemed with fine linen clean and white. The redeemed believed the visions of the one like the son of man and entered the intense light of the ensign of new Jerusalem before the lake of fire began to spread from the swelled to heaven super volcano.

Isaiah 30:26 Moreover the LIGHT {visions} of the {spiritual} MOON {representing the first witness' visions written on the last small part of the seventh part of the scroll of life's first side} shall be as the LIGHT {brightness of seven nights of moonlight} of the sun, and the LIGHT {visions} of the {spiritual} SUN {representing the last witness' visions written on the first small part of the seventh part of the scroll of life's other side} shall be SEVENFOLD {seven times as bright}, as the light of

SEVEN DAYS {referring to seven parts/seven seals of the scroll of life}, *in the day that the LORD* {one like the son of man} *bindeth up the breach of HIS people, and healeth the stroke* {inflicted by latter day Babylon} *of their wound* {when the kingdom of latter day Babylon falls and Abaddon is King of kings and Lord of lords}.

Revelation 19:15 And out of HIS {the one like the son of man's written vision of the rider with blood-covered white garments riding his blood-covered white horse} ***MOUTH*** {equated with the immense 40-mile wide mouth of the swelled to heaven super volcano overflowing with a spreading lake of fire} ***goeth a SHARP SWORD*** {representing the sword of anarchy}, ***that with it he should SMITE the NATIONS*** {of latter day Babylon's kingdom}: ***and HE*** {vision of the rider with blood-stained garments on his blood-covered horse} ***shall rule THEM*** {all nations that refused to enter the ensign of new Jerusalem} ***with a ROD OF IRON*** {iron rod of anarchy}: ***and he TREADETH the WINEPRESS*** {representing a terrible time of anarchy, making red the white garments of the rider/risen and spreading Abaddon/the Rock/super volcano} ***of the fierceness and wrath of Almighty God*** {visions and oracles written on the one like the son of man}.

The one like the son of man represents the visions and

oracles written on the last small part (first witness/ Michael) and first small part (last witness/Gabriel). During the judgment, the visions and oracles written on the one like the son of man replay the time when the lake of lava is overflowing and spreading throughout the world, just as the two witnesses had originally witnessed that event happening. Accordingly, the replay of that event as written by two witnesses is as a two edge sword being revealed from the mouth (written visions and oracles) of the one like the son of man.

The mouth of the one like the son of man also represents the immense mouth of the swelled to heaven super volcano. From this immense mouth upon the high mountain of the super volcano flows the lake of fire throughout the world. The sword is double edged to illustrate that the vision that replays the rider with red garments is according to what the two witnesses saw happening and wrote on the last small part and first small part.

The sword refers to a terrible time of anarchy that plagues the nations that the lake of fire is moving through. As the Abaddon {equated with the one like the son of man/Almighty God) rises from the swelled to heaven bottomless pit and moves as an immense lake of fire throughout the world, he will rule the nations (that did not enter the ensign) with a rod of iron, bringing a terrible time of anarchy. The nations and peoples that are killed

during a terrible time of anarchy will have been likened to bad grapes {full of the great whore's wine/ideals) trodden in a wine press by the rider with blood-covered garments on his blood-covered white horse.

Revelation 19:16 And HE {one like the son of man} **hath on his VESTURE** {the vesture represents the vision of anarchy written on the first small part by the last witness/morning star} **and on his THIGH** {the thigh represents the same vision of anarchy but written on the last small part by the first witness/bright star} **A NAME** {King of kings and Lord of lords} **WRITTEN, KING** {King/rider with blood-covered white garments as written by the first witness on his vesture, but the same name written by the last witness on his thigh} **of KINGS** {the kings of the fallen kingdom of latter day Babylon}, **and LORD** {Lord/rider with blood-covered white garments as written by the first witness on his vesture, but the same name written by the last witness on his thigh} **of LORDS** {the lords of the fallen latter day Babylonian kingdom}.

The vision of the rider with blood-covered white garments had one name (King of kings and Lord of lords) written on the top part (vesture) of his clothing, and one name (King of kings and Lord of lords) written on the bottom part (thigh) of his clothing. The name on the top part of his blood-covered clothing is King of kings and Lord of lords.

The reason is that this name written on the vesture represents the last witness' vision written on the first small part concerning this rider with blood-stained white garments, that becomes King and Lord over all kings (kingdoms) and lords of latter day Babylon's kingdom with his rod of iron, according to the visions and oracles written by the last witness. The name on the bottom part of the blood-covered clothing of the rider on his blood-covered white horse is also King of kings and Lord of lords. The reason is that this same name written on the thigh represents the first witness' vision written on the last small part concerning the rider with blood-stained garments. This rider with blood-covered white garments on his blood-covered white horse becomes King of kings and Lord of lords of latter day Babylon's kingdom with his rod of iron (representing a terrible time of anarchy), according to what the two witnesses (bright star and morning star) witnessed happen and wrote on the one like the son of man.

Revelation 19:17 And I saw an ANGEL {this angel/star represents the vision of the risen Abaddon} ***STANDING*** {as an intensely bright light above the swelled to heaven super volcano full of a lake of fire ready to overflow and spread} ***in the SUN*** {the intense light emanating from the lake of fire in the swelled to heaven immense 40-mile wide mouth of the super volcano is brighter than

sunlight}; **and HE** {risen Abaddon/the Rock/super volcano} **cried with a LOUD VOICE** {as the swelled to heaven super volcano, full of a lake of fire, explodes with a loud voice of thunder, causing a great earthquake such as never happened}, **saying to all the FOWLS** {coals of fire and great hailstones} **that fly in the midst of HEAVEN** {atmosphere}, **Come and gather yourselves together unto the SUPPER** {time of the new Feast of Tabernacles} **of the great God** {risen Abaddon that overflows and spreads as rivers of fire};

The angel (star) standing in the sun represents the intense light of the risen Abaddon/the Rock (super volcano). At that time, there will be a lake of fire that filled the immense 40-mile wide mouth of the swelled to heaven super volcano. The intense light emanating from the immense lake of fire is so bright that it is as a bright star above the swelled to heaven super volcano. This intensely bright light is brighter than the sun's sunlight in Earth's sky. At that time, all three groups of redeemed will have already entered the ensign to be within new Jerusalem before a massive eruption causes the lake of fire to overflow and spread throughout the world.

The risen Abaddon/the Rock will be radiating a bright light above the swelled to heaven super volcano. Some time thereafter, he cries with a loud sound of thunder, as the swelled to heaven super volcano (full of a lake of fire) explodes. The massive explosion causes an immense

earthquake-causing eruption such as never happened, as the lake of lava overflows and spreads throughout the USA and world. The loud sound of thunder is as the voice of the seventh plagued angel that tells the erupting coals of fire and great hailstones (figurative fowls) to fall from the sky (heaven) and destroy the kingdom of latter day Babylon.

The destruction of latter day Babylon's kingdom by falling coals of fire and great hailstones represents the new Feast of Tabernacles, which is the marriage supper of the Lamb (visions and oracles of the last witness/first small part/morning star) and his bride (new Jerusalem, which is represented by the first group and second group of redeemed) that the great multitude (third group of redeemed) were invited by the great God (one like the son of man) to attend.

Revelation 19:18 That YE {spiritual fowls/coals of fire and great hailstones} ***may eat the FLESH*** {buildings and infrastructure} ***of KINGS*** {kingdoms/nations}, ***and the FLESH*** {buildings and infrastructure} ***of CAPTAINS*** {leading nations}, ***and the FLESH*** {buildings and infrastructure} ***of MIGHTY MEN*** {mighty nations}, ***and the FLESH*** {buildings and infrastructure} ***of HORSES*** {cities}, ***and of THEM*** {leaderships} ***that sit on them, and the FLESH*** {buildings and infrastructure} ***of ALL***

MEN {all nations in the land of spiritual Canaan and world}, ***both free and bond, both small and great.***

Coals of fire (spiritual fowls) will be raining from the sky as the lake of fire spreads from within the USA and throughout the world. The tremendous heat of the overflowing and spreading lake of fire will create great hailstones (spiritual fowls), that continually rain upon the nations of the world, beginning with the USA. These raining great hailstones will destroy the infrastructure and buildings (spiritual flesh) of kingdoms, destroy the infrastructure and buildings (spiritual flesh) of ruling nations (spiritual kings), destroy the infrastructure and buildings (spiritual flesh) of leading nations (spiritual captains), destroy the infrastructure and buildings (spiritual flesh) of strong nations (spiritual mighty men), destroy the infrastructure and buildings (spiritual flesh) of cities (spiritual horses) and leaderships (spiritual riders), whether these nations are small or big, free or captive.

Revelation 19:19 And I saw the BEAST {kingdom of latter day Babylon}, ***and the KINGS*** {kingdoms} ***of the EARTH*** {land of spiritual Canaan}, ***and their ARMIES*** {peoples}, ***gathered together to make WAR*** {using various means to try and kill the swelled to heaven super volcano, full of a lake of fire} ***against HIM*** {risen Abaddon} ***that sat on the*** {white} ***HORSE*** {intense white light over the

swelled to heaven super volcano, filled with a lake of fire, as it begins to overflow and spread}, **and against HIS** {risen Abaddon's} **ARMY** {army of coals of fire and great hailstones}.

The latter day seven-headed ten-horned beast of Babylon's kingdom (union of nations led by the USA) will be ready to war (use what ever means possible) with the swelled to heaven super volcano in the latter day battle of Armageddon. Latter day Babylon's kingdom will be ready to use all their resources in an attempt to force the swelled to heaven super volcano, full of a lake of fire, to return to its prior dormant state when the lake of fire begins to overflow and spread from its immense mouth.

Revelation 19:20 And the {latter day Babylonian} **BEAST** {seven-headed ten-horned beast/kingdom in spiritual Canaan} **was TAKEN, and with him the FALSE PROPHET** {being the leadership of the USA/lamb-like beast that prophesied falsely to the nations concerning the ideals that the USA envisioned for the world's future} **that WROUGHT MIRACLES** {USA's technological military wonders} **before HIM** {seven-headed ten-horned beast/union of nations}, **with which HE** {false prophet/USA} **DECEIVED THEM** {union of nations dwelling in spiritual Canaan} **that had RECEIVED the MARK** {spiritual wine cup full of the USA's

ideals/spiritual wine that it envisions for the world's future} *of the BEAST* {union of nations that united and agreed to enforce the USA's ideals on rogue nations while ruling as the number seven kingdom}, *and them that WORSHIPPED his IMAGE* {same union of nations that again united and agreed to enforce the USA's ideals on rogue nations while ruling as the number eight kingdom}. *These both* {seven-headed ten-horned Babylonian beast/union of nations and false prophet/USA} *were cast ALIVE* {hence still barely functioning as a nation} *into a* {spreading} *LAKE OF FIRE* {overflowing and spreading from the swelled to heaven super volcano in the USA} *burning with brimstone* {lava}.

Before the swelled to heaven super volcano (full of a lake of lava) erupts and overflows as rivers of fire throughout the land, the USA is the false prophet that prophesies falsely of peace and safety for the foreseeable future (according to the USA's ideals that it envisions for the world's future), instead of accepting the two witnesses' written visions and oracles that have already witnessed how this world ends.

The USA enforces its vision (wine cup) for the world's future using its technological military wonders (miracles) on non complying nations. This overwhelming show of force (fire from the heavens) will deceive the union of nations to unite and accept (spiritually take the wine cup) and think (having spiritually drunk the wine/ideals) just

like the USA's leadership by enforcing the USA's ideals on any non complying nation. After the union of nations united and agreed (took the spiritual wine cup) to think (spiritually drunk on the spiritual wine) just like the USA's leadership and enforce the USA's ideals as the number seven kingdom, they then had the mark (way of thinking/spiritual wine) of the latter day Babylonian (confused) beast (kingdom/union of nations) written on their forehead (leadership's way of thinking). Before the super volcano opens, the same union of nations are again deceived by the USA's military wonders to unite and rule as the number eight kingdom, enforcing the false prophet's (USA's) visions on any non complying nation until the super volcano explodes and erupts smoke and ash for five months. The number eight ruling kingdom (union of nations) is the image (exact likeness) of the number seven kingdom (union of nations).

The risen Abaddon will explode into heaven (sky) and descend as a lake of fire overflowing and spreading from the immense mouth of the swelled to heaven super volcano. At the same time, the armies of falling coals of fire and great hailstones will be raining upon the land. The nations that received the mark (way of thinking that blasphemes against the two witnesses written visions and oracles) of the latter day Babylonian beast and worshiped its image (exact likeness), having been deceived by the false prophet's (USA's leadership's) vision for the world's

future, will end up in the spreading lake of fire that covers the world. They will still be functioning (alive) as a nation when these living nations are immersed in a spreading lake of fire.

Revelation 19:21 And the REMNANT {pertaining to all remaining nations} ***were slain with the SWORD*** {of anarchy} ***of HIM*** {one like the son of man who is here equated with Abaddon/the Rock}} ***that sat upon the HORSE*** {white horse of intensely bright light}, ***which SWORD proceeded out of HIS*** {risen Abaddon's} ***MOUTH*** {equated with the immense mouth of the swelled to heaven super volcano overflowing and spreading its lake of fire}: ***and all the FOWLS*** {coals of fire and great hailstones} ***were filled with THEIR*** {nations'} ***FLESH*** {referring to buildings and infrastructure}.

The remaining nations of latter day Babylon's kingdom not yet in the spreading lake of fire will be slain according to the written visions and oracles written on the last small part and first small part, as witnessed by the two witnesses' (equated with two edges of one sword). These visions and oracles replay how the remnant of nations were killed by the risen Abaddon's sword of anarchy, as it issued from Abaddon's immense 40-mile wide mouth upon the swelled to heaven super volcano. He is as a

spreading lake of fire emanating an intensely bright white light, which ride on chariots (tornadoes) of fire throughout the world. As the lake of lava spreads throughout the nations and carried by many thousands of whirlwinds of fire, coals of fire and great hailstones (fowls) will be destroying the buildings and infrastructure (flesh) of nations.
