

## Chapter 19

***Revelation 19:1 And after these things I heard a GREAT VOICE of MUCH PEOPLE*** {being the much rebellious people standing while as a spirit/ghost} ***in HEAVEN*** {heaven represents the lifted up to the sky super volcano where the judgment is happening}, ***saying, ALLELUIA*** {after the much people see the visions and oracles written on the scroll of life replay what is written in Chapter 18 concerning the destruction of the USA's capital and nation}; ***Salvation, and glory, and honor, and power, unto the Lord our God*** {God/seventh plagued angel who recreates/replays each generation according to the visions and oracles written on each scroll. Hence when the seventh plagued angel reveals what is written on the last scroll/scroll of life, all things that happened in the last generation, new Earth, and time of the judgment are recreated just as they had happened}:

The great voice of much people represents the rebellious creatures (rebellious people) who will be standing as a spirit (ghost) outside new Jerusalem around the lifted-up to heaven super volcano. After the world was covered in a flowing lake of lava, these rebellious people will have manifested as many spirits outside new Jerusalem at the beginning of the judgment. They will have be standing as spirits to view the events that happened in each generation, as recorded by the two witnesses (Michael and

Gabriel) on all the books (scrolls) and last book/scroll of life. These spiritual books represent the memory of Michael and Gabriel. When the seventh plagues angel reveals what is written on the scroll of life, the seventh plagues angel replays what happened in the last generation. including the destruction of the USA's capital and nation as written in Revelation Chapter 18. At the time Revelation, Chapter 18 is being recreated, the much rebellious people mentioned in Revelation 19:1 will be in agreement what the seventh plagues angel is replaying. The much rebellious people standing as spirits proclaim that the seventh plagues angel's (God/re-creator) written visions and oracles are of salvation, glory, honour, and power.

The seventh plagues angel is the God of the much rebellious people because they will have manifested as spirits according to the visions and oracles written on the seventh plagues angel (who represents the last small part of the scroll of life) by Michael (first witness) and Gabriel (last witness).

\*\*\*\*\*

***Revelation 19:2 For TRUE and RIGHTEOUS are HIS {seventh plagues angel's} JUDGMENTS {as witnessed and written on the last small part of the scroll of life by Michael and Gabriel}: for HE {seventh plagues angel} hath JUDGED the GREAT WHORE {USA's capital and***

nation}, *which did CORRUPT the EARTH* {spiritual Canaan where the union of nations are situated} *with HER FORNICATION* {business as usual by continuing to allow the union of nations to place their substance/merchandise within her wide open gates even though she was being warned of the super volcano's imminent explosion}, *and hath AVENGED the BLOOD of his SERVANTS* {two witnesses, messengers, and saints) *at her HAND* {the hand which killed the servants that warned her}.

The great voice of the much rebellious people viewing the judgment will agree that the seventh plagues exact replay of the destruction of the USA's capital and nation is true and righteous. The seventh plagues shows the judgment which the great whore (USA's capital) and her nation received after the super volcano exploded. The much rebellious people are shown how the great whore and her nation corrupted the union of nations with her ideals that she envisioned for the world's future. The rebellious people standing as spirits outside new Jerusalem during the judgment will see how the fulfilled written visions and oracles concerning the rising of the seventh plagues (which the great whore and her nation rejected before her destruction) will have avenged the death of the two witnesses (written on the scroll of life) and the servants, who were killed at the hand of the great whore (USA's capital). The servants of the seventh

plagued angel will have believed the visions and oracles (mark of God/seventh plagued angel) concerning the rising of the seventh plagued angel from the swelled to heaven bottomless pit over the visions and oracles (mark of the beast) that the USA envisions for the world's future.

\*\*\*\*\*

***Revelation 19:3 And again THEY*** {much rebellious people standing as spirits/ghosts} ***said, ALLELUIA. And HER*** {referring to the USA's capital and nation, which is here likened to the destruction of Sodom} ***SMOKE*** {of her burning by an overflowing and spreading lake of fire} ***rose up for ever and ever*** {as far as the eye can see}.

The much rebellious people will say alleluia to the visions and oracles of the seventh plagued angel (God's), who is showing the destruction of the great whore (USA's capital) and her nation. The smoke of the USA's ruling capital and her nation's burning by an overflowing and spreading lake of fire will rise up as far as the eye can see.

\*\*\*\*\*

***Revelation 19:4 And the FOUR and TWENTY ELDERS*** {representing the second group of redeemed} ***and the FOUR BEASTS*** {first group of redeemed} ***FELL DOWN and worshipped God*** {risen seventh plagued angel} ***that SAT on the THRONE*** {great white throne of intense white light above the swelled to heaven super

volcano reigning over the destroyed kingdom of latter day Babylon}, *saying, Amen; Alleluia.*

After the much rebellious people have praised the seventh plagues angel's written visions and oracles that showed the destruction of the USA's capital and nation, the 24 elders (representing the second group of redeemed) and the four beasts (representing the first group of redeemed) worship the seventh plagues angel (God). At that time, the seventh plagues angel is shown how he rose from the swelled to heaven bottomless pit to sit on the great white throne. The great white throne represents the intense light emanating from the overflowing and spreading lake of fire.

\*\*\*\*\*

***Revelation 19:5 And a VOICE*** {voice of the ending of the sixth plagues angel as the seventh plagues angel was beginning to be fulfilled} ***came out of the throne, saying, PRAISE OUR GOD*** {seventh plagues angel}, ***all ye his SERVANTS*** {referring to the first group and second group of redeemed}, ***and YE*** {great multitude being the third group of redeemed} ***that FEAR*** {by believing} ***HIM*** {seventh plagues angel}, ***both SMALL and GREAT.***

During the time of the judgment, the review of the scroll of life's visions and oracles, as written on the seventh plagues angel, replay the time when the scroll of life's

visions and oracles revealed the fall of the USA's capital and nation. At that time, the ending of the sixth plague's voice says to the servants (representing the first group and second group of redeemed) and the great multitude (third group of redeemed) to praise the risen seventh plagued angel, who caused the complete fall of the USA's capital and nation. The three groups of redeemed are the people who feared and believed the predictions concerning the rising of the seventh plagued angel, instead of accepting the ideals that the ruling nation of confusion (Babylon) envisioned for the world's future.

\*\*\*\*\*

***Revelation 19:6 And I heard as it were the VOICE of a GREAT MULTITUDE*** {representing the voice of the third group of redeemed within new Jerusalem}, ***and as the VOICE of MANY WATERS*** {representing the voice of 144,000 that are represented by twenty-four elders standing on the sea of glass within new Jerusalem}, ***and as the VOICE of MIGHTY THUNDERINGS*** {representing the voice of the first group of redeemed being illustrated by four four-winged beasts and four six-winged beasts}, ***saying, ALLELUIA: for the Lord God*** {risen seventh plagued angel as a great light with overflowing and spreading lake of fire from the swelled to heaven super volcano} ***OMNIPOTENT reigneth*** {over the complete fall of the ruling nation/USA of latter day

Babylon's kingdom}.

After the seventh plagued angel had risen from the swelled to heaven bottomless pit, the Apostle John heard (during the judgment) the praises of the people viewing the judgment that had entered the ensign because they feared and believed the visions and oracles concerning the rising of the seventh plagued angel. Accordingly, the first group and second group of redeemed will have learned the new song (everlasting gospel) during new Pentecost, which they proclaimed to save the great multitude before the seventh plagued angel had risen as a great light with a rising lake of fire. John heard the praising voice of a great multitude (third group of redeemed), the praising voice of many waters (representing the 144,000/second group of redeemed), and the praising voice of mighty thunderings (representing the first group of redeemed). After the three groups of redeemed (that have been viewing what has been revealed during the time of the judgment) saw the seventh plagued angel's written visions and oracles replay the fall of the USA's capital and nation when a lake of fire was overflowing and spreading throughout the land and world, the three groups of redeemed will say that the Lord God (seventh plagued angel) omnipotent is reigning over the destroyed kingdom of latter day Babylon.

\*\*\*\*\*

***Revelation 19:7 Let US*** {three groups of redeemed within

new Jerusalem that have been viewing the time of the judgment} *be glad and rejoice, and give honor to HIM* {seventh plagued angel}: *for the MARRIAGE of the LAMB* {latter day Moses' message} *is come, and his WIFE* {being new Jerusalem that is represented by the first group and second group of redeemed} *hath MADE HERSELF READY* {when the swelled to heaven super volcano's mouth was full of a lake of fire but not yet overflowing}.

The three groups of redeemed are to be glad and give honor to the risen seventh plagued angel (God) when the swelled to heaven super volcano's immense mouth is full of a lake of fire but not yet overflowing. At that time, the risen seventh plagued angel is equated with an intensely bright light above the swelled to heaven super volcano. When the swelled to heaven super volcano's mouth is full of a lake of fire but not yet overflowing throughout the land, a great whirlwind of fire (representing new Jerusalem) will materialize around the high mountain of the super volcano. At that time, new Jerusalem will be dressed in the intensely bright light (equated with white linen) emanating from the high and immense mountain full of a lake of fire. At that time, new Jerusalem will be ready to gather into her the great multitude (third group of redeemed).

The first group of redeemed is represented by new Jerusalem's foundations, while the second group of

redeemed is represented by the walls of new Jerusalem. Accordingly, new Jerusalem is the wife of the Lamb (message/Lamb of latter day new Yahshua/Moses/Solomon) because the message (Lamb) of the everlasting gospel that the first group and second group of redeemed proclaim for five months gives birth to a great multitude of their spiritual children.

\*\*\*\*\*

***Revelation 19:8 And to HER*** {new Jerusalem representing the first group of redeemed equaling 12000, and second group of redeemed equaling 144,000} ***was GRANTED*** {from the time the seventh plagues angel has risen when the swelled to heaven super volcano is full of a lake of fire} ***that she should be arrayed in FINE LINEN*** {being the seventh plagues angel's intensely bright light/ensign}, ***CLEAN and WHITE*** {the intensely bright light and tremendous heat emanating from the 40-mile wide mouth full of a lake of fire ensures the light is pure/holy and clean}: ***for the FINE LINEN is the righteousness of SAINTS*** {the believers of the seventh plagues angel's visions and oracles are righteous, hence they are clothed with the same pure and clean white light of the seventh plagues angel}.

New Jerusalem (representing the first group and second

group of redeemed) will be dressed in fine linen clean and white linen at the time the seventh plagues angel has risen as a great light with a lake of fire, that has filled the swelled to heaven super volcano. The fine linen clean and white linen represents the visions and oracles written on the seventh plagues angel and is also equated with the intensely bright light emanating from the swelled to heaven super volcano when it is full of a lake of fire but not overflowing throughout the land.

The latter day people who reject the USA's ideals (mark of the beast) that the USA envisions for the world's future will be righteous for fearing and believing the seventh plagues angel's visions and oracles (mark/seal of God) concerning this world's future.

\*\*\*\*\*

***Revelation 19:9 And HE*** {ending of the sixth plagues angel that also reveals the beginning of the seventh plagues angel} ***saith unto me, WRITE, BLESSED are THEY*** {great multitude/third latter day group of redeemed} ***which are CALLED unto the MARRIAGE SUPPER*** {new Feast of Tabernacles} ***of the LAMB*** {message/Lamb of the latter day messenger}. ***And he saith unto me, THESE*** {these written words in the Book of Revelation pertaining to the scroll of life's predictions} ***are the TRUE SAYINGS OF GOD*** {seventh plagues

angel}.

The ending of the sixth plagued angel tells the Apostle John to write that the people who are called unto the marriage supper (representing the Feast of Tabernacles) are blessed. From the time the swelled to heaven super volcano is full of a lake of fire but not yet overflowing, the Bride (new Jerusalem, representing the first group and second group of redeemed) will have become ready and becomes the Lamb's (message of the latter day messenger) bride. From that time, a great multitude (third group of redeemed) will be called out from all nations of the world to enter the fiery ensign and keep the new latter day Feast of Tabernacles.

In the past type, the barley harvest (representing the first group of redeemed) was commemorated in the first month during the old Passover feast. Seven weeks later was the old Feast of Weeks, which commemorated the wheat harvest (representing the second group of redeemed). In the seventh month was the old Day of Atonement (representing the earthquake that temporarily causes smoke and ash to erupt from the bottomless, which is the beginning of the three and a half days of the sign of Jonah.

Four days (equated with the 3½ days that the two witnesses' predictions are lying dead after the 2300-day period) after the old Day of Atonement was the old Feast of Tabernacles, equated with the time when the risen

seventh plagued angel with a lake of fire that is overflowing and spreading throughout the land and world and causing great hailstones and many thousands of whirlwinds of fire to feast on the seven-headed ten-horned beast of latter day Babylon's kingdom during the new Feast of Tabernacles. The old Israelite people would wave palm leaves during the old Feast of Tabernacles commemorating the fruit harvest (representing the third group of redeemed).

***Zecharia 14:20*** *And if the family of Egypt go not up, and come not, that have NO RAIN {time of famine}; there shall be THE PLAGUE, wherewith the Lord {risen seventh plagued angel} will smite the heathen that come not up to keep the {new} FEAST OF TABERNACLES {when the spreading lake of fire causes thousands of whirlwinds of fire and great hailstones to fall and devour the kingdom of latter day Babylon}.*

***Zecharia 14:19*** *This shall be the punishment of Egypt, and the punishment of ALL NATIONS that come NOT UP {to the fiery ensign of light over the swelled to heaven super volcano full of a lake of fire but not yet overflowing} to keep the {new} FEAST OF TABERNACLES {when the overflowing and spreading lake of fire causes thousands of whirlwinds of fire and great hailstones to devour the kingdom of latter day Babylon}.*

**Isaiah 66:10** *Rejoice ye with {new}Jerusalem {representing the first group and second group of redeemed from the time the swelled to heaven super volcano is full of a lake of fire} and be glad with her, all YE {representing the great multitude} that love her: rejoice for joy with her, all ye that mourn for her:*

**Isaiah 66:11** *That YE {great multitude} may suck, and be satisfied with the breasts of her consolations; that ye may MILK OUT {by accepting the everlasting gospel during the time when the super volcano is erupting smoke and ash for five months}, and be delighted with the abundance of her glory {intensely bright light}.*

**Isaiah 66:12** *For thus saith the LORD {seventh plagued angel that represents the two combined witnesses written on the last small part of the scroll of life}, Behold, I {seventh plagued angel} will extend peace to HER {representing the first group and second group of redeemed} like a river, and the glory of the GENTILES {third latter day group of redeemed} like a flowing stream: then shall ye suck, YE {spiritual gentiles/great multitude} shall be borne upon her sides, and be dandled upon her knees.*

**Isaiah 66:13** *As one whom his mother comforteth, so will I {risen seventh plagued angel reigning on the high new mount Zion full of a lake of fire within new Jerusalem} comfort you; and YE {great multitude} shall be comforted*

*in {new} Jerusalem.*

***Isaiah 66:14*** *And when YE {great multitude} see THIS {the ensign above new Jerusalem}, your heart shall rejoice, and your bones shall flourish like an herb: and the HAND {right hand/first witness and left hand/second witness} of the LORD {seventh plagues angel} shall be known toward HIS {seventh plagues angel's} SERVANTS {the first group and second group of redeemed that proclaimed the everlasting gospel and then were joined in proclaiming the everlasting gospel by the people of the third group of redeemed}, and his indignation toward HIS {seventh plagues angel's} ENEMIES {these enemies reject and hate the predictions concerning the rising of the seventh plagues angel}.*

***Isaiah 66:15*** *For, behold, the LORD {rising of the seventh plagues angel} will come with FIRE {rising lake of fire from the swelled to heaven bottomless pit/super volcano}, and with his CHARIOTS {whirlwinds of fire} like a whirlwind, to render his anger with fury, and his rebuke with flames of fire.*

***Isaiah 66:16*** *For by FIRE {lake of fire} and by his SWORD {one sword with two edges/two witnesses' predictions} will the LORD {seventh plagues angel} PLEAD {when the first group and second group proclaim the everlasting gospel} with all flesh: and the SLAIN {who rejected the message of the everlasting gospel and*

did not enter new Jerusalem before the lake of fire overflowed and spread throughout the land and world} *of the LORD* {risen seventh plagues angel that is as a glorious light emanating from an immense lake of fire that overflows and spreads throughout the world} *shall be many.*

\*\*\*\*\*

***Revelation 19:10 And I*** {Apostle John} ***fell at HIS*** {ending of the sixth plagues angel that is revealing the seventh plagues angel} ***feet to worship him. And he said unto me, See thou DO IT NOT: I am THY FELLOWSERVANT, and of THY BRETHREN that have the TESTIMONY*** {message} ***OF*** {latter day new} ***JESUS*** {latter day Moses/Solomon}: ***worship God*** {seventh plagues angel}: ***for the TESTIMONY*** {message} ***of*** {latter day new} ***JESUS*** {latter day Moses/Solomon} ***is the SPIRIT*** {mind/spirit that is full} ***of PROPHECY*** {true predictions}.

The Apostle John fell down to worship before the ending of the sixth plagues angel's feet. He was admonished not to do this because the ending of this sixth plagues angel represents a vision and oracle written near the end of the last small part of the scroll of life. The ending of the sixth plagues angel reveals the beginning of the last small part (equated with the seventh plagues angel) of the scroll of

life.

The visions and oracles written on the sixth plagued angel are as a manservant to the brethren, who represent the first group (priests) of redeemed and the second group of 144,000 (elders) redeemed. It is latter day Moses (Solomon) who personally reveals his new message to these latter day brethren. John was told to worship God, that represents the seventh plagued angel. The latter day redeemed receive the testimony of who latter day new Jesus (latter day Moses) is when they believe the new law (four visions of the first witness and six visions of the last witness) and the testimony that is written on these four parts and six parts and revealed by latter day Moses' message. When the redeemed receive the testimony (message) of latter day new Jesus, they will then have the true spirit (mind) of prophecy (predictions) for our day.

In a past type, Yahshua (Jesus) prophesied for 1260 days (3½ years) and was crucified. While he was crucified but still alive, a volcano erupted causing an earthquake and temporary darkness by the erupted smoke and ash. Thereafter when sunlight shone as the smoke dissipated, he died while on the cross. His dead body was thereafter placed in a tomb during the 3½ days of the sign of Jonah. A bright angel descended from heaven and caused a great earthquake when its feet touched the ground. This great earthquake marked the resurrection of old Yahshua, John the Baptist, and many saints of Old Testament generations.

These things that happened reveal what happens in the latter days

The time we are living in is the latter days before the world ends. Latter day new Jesus' final 1260-day ministry, before the new sign of Jonah begins, parallels the ministry of old Yahshua. Latter day new Yahshua prophesies for 1260 days of what the two witnesses have already seen happen during these 1260 days (see Revelation 11:9). During that time, latter day Babylon is reigning during its third and final period.

After 3½ years of old Jesus' ministry, his ministry was dead and totally rejected when the earthquake of the erupted volcano only caused temporary darkness as sunlight shone when the darkness dissipated. Thereafter he died and lay in a tomb during the 3½ days of his death and the death of his ministry. Accordingly, latter day new Yahshua's ministry – pertaining to his message that also prophesies of the super volcano exploding after the latter day sign of Jonah – is totally rejected (lying dead) for 3½ days after 1260 days of prophesying of what the two witnesses have already seen happen (see Revelation 11:9). The reason why latter day new Yahshua's ministry will be lying dead and totally rejected is that the super volcano will erupt with an earthquake, as smoke and ash momentarily erupt and then the super volcano seemingly goes dormant. This will seem that the prophecy of the super volcano erupting smoke and ash for five months and

then erupting and filling with a lake of fire that overflows and covers the world has totally failed.

As Yahshua was dead with his ministry for 3½ days, so latter day new Yahshua's message of what the two witnesses had prophesied for 1260 days will be lying dead for 3½ days from the time the super volcano seemingly goes dormant after momentarily erupting smoke and ash in the USA (see Revelation 11:11).

In the past type at the end of the 3½ days of the sign of Jonah, a glorious angel caused an earthquake when it descended to Earth to resurrect old Yahshua. In the latter days after 3½ of the new sign of Jonah, the top of the super volcano explodes, as a great earthquake descends from the top of the super volcano's mount and causes smoke and ash to erupt for five months.

In the past type when the descended angel from heaven caused an earthquake when its feet touched the ground, old Yahshua, John the Baptist, and many saints resurrected from death to life and health. In our day when the great earthquake descends from the top of the exploded super volcano and opens the bottomless pit (that begins erupting smoke and ash that lasts for five months), the resurrection to life and health of all the dead that died in all generations happens. Among these resurrected people are all patriarchs, prophets, messiah's, apostles, and disciples of all generations, including people that were translated

without dying or people that died and were resurrected.

In the past type, during the 50 days of the old Pentecost, Yahshua's apostles and disciples learned a new song (gospel) pertaining to them prophesying to all nations to convert a multitude of people. Thereafter at the beginning of the 50<sup>th</sup> day (counting from the day old Yahshua died) was the old day of Pentecost. On the day of the old Pentecost, the apostles and disciples of old Yahshua received power from the Holy Spirit to gather, from all nations, converts to old Yahshua's Gospel. In our day, during the 50 days of new Pentecost, all patriarchs, prophets, messiah's, apostles, and disciples of all generations learn a new song (the everlasting gospel) pertaining to them prophesying to all nations for five months to gather a great multitude of people before the lake of fire rises in the swelled to heaven super volcano and overflows and spreads to cover the world. On the 50<sup>th</sup> day (counting from the day the super volcano temporarily erupted at the beginning of the latter day new sign of Jonah) is the new day of Pentecost, which is the same day the 1335<sup>th</sup> day mentioned in Daniel 12:12 happens. On the day of new Pentecost, all patriarchs, prophets, messiah's, apostles, and disciples of all generations receive the power of the Holy Spirit, which gives them power to prophesy in all languages to make ready the third group (great multitude) of redeemed that enter the ensign when it manifests. New Jerusalem becomes ready to receive the

great multitude when it manifests as a huge tornado of fire, that surrounds the swelled to heaven super volcano full of an immense lake of fire that generates an intense light (ensign) above and around it.

\*\*\*\*\*

***Revelation 19:11 And I saw HEAVEN*** {being the sky above the swelled to heaven super volcano full of a lake of fire} ***OPENED*** {a great explosion that causes an earthquake such as never happened causes the lake of fire to overflow and spread from the swelled to heaven super volcano}, ***and behold a WHITE HORSE*** {representing the exploding swelled to heaven super volcano}; ***and HE*** {risen and spreading seventh plagued angel} ***that sat upon HIM*** {white horse} ***was called FAITHFUL and TRUE, and in RIGHTEOUSNESS he doth JUDGE and MAKE WAR*** {on the great day of Armageddon warring with the false prophet/USA and the kingdom of latter day Babylon}.

The Apostle John saw heaven opened and a rider on a white horse descending to make war. This vision is of the swelled to heaven super volcano full of a lake of fire that explodes (represented as a white horse), as the risen seventh plagued angel (rider) rises as an intensely bright white light with the overflowing lake of fire to war with the USA and the kingdom of latter day Babylon. At the explosion of the swelled to heaven super volcano full of a

lake of fire, the seventh plagues angel begins to overthrow all nations as a rider on white horse.

During the judgment, it is revealed that the vision and oracle of the rider on his white horse is faithful, true and righteous. The judgment will also show how the USA's ideals that the USA envisioned for the world's future blasphemed against the seventh plagues angel's vision as being unfaithful, untrue, and unrighteous. During the judgment, the rider on his white horse is faithfully, truly, and righteously replayed to happen just as it originally took place.

\*\*\*\*\*

***Revelation 19:12 His*** {risen seventh plagues angel} ***EYES*** {representing the first witness' light/right eye and second witness' light/left eye} ***were as a FLAME OF FIRE*** {representing the lake of fire}, ***and on HIS*** {risen seventh plagues angel} ***HEAD were MANY CROWNS*** {many crowns will have been removed from the seven heads and ten horns of the latter day Babylonian beast/kingdom}; ***and HE*** {risen seventh plagues angel} ***HAD a NAME WRITTEN*** {seventh plagues angel}, ***that NO MAN KNEW*** {until the message/Lamb of latter day Yahshua/Moses revealed it}, ***but HE*** {risen seventh plagues angel} ***HIMSELF.***

The risen seventh plagues angel will have overflowed and

spread to cover the whole world in a lake of fire (lava). At that time, his two eyes are as a flame of fire as they represent the lake of fire that spread to cover the world. The two eyes represent the two witnesses (Michael and Gabriel) that witnessed all things that happened, as written on the seventh plagues angel. At the time when the world is covered in a lake of fire, the seventh plagues angel is then wearing the crowns that were on the seven heads and ten horns of the latter day Babylonian beast (kingdom).

Only the message (Lamb) of latter day Yahshua could reveal the name (seventh plagues angel) that is written on the scroll of life of the rider on his white horse, which no man knew but the seventh plagues angel himself.

\*\*\*\*\*

**Revelation 19:13 And HE** {risen seventh plagues angel with a lake of fire that covered the world} **was CLOTHED with a** {white} **VESTURE DIPPED in BLOOD** {being dipped in the blood of anarchy as the lake of fire spread throughout the world}, **and HIS NAME** {seventh plagues angel} **is CALLED The WORD** {the word written on the last small part of the scroll of life} **of God** {seventh plagues angel is God because he recreates/ replays all things that happened in all generations, the new Earth, and the time of the judgment}.

The seventh plagues angel had risen with a great

explosion on the swelled to heaven super volcano full of a lake of fire, as it began to overflow and spread throughout the world. As the seventh plagued angel spread as a lake of fire, his white vesture and white horse were covered with the red blood of anarchy that was plaguing the nations because of the spreading lake of fire.

The seventh plagued angel is called the word of God because he represents the last small part of the scroll of life. On this last small part of the scroll of life, the two witnesses continually write the visions and oracles of all things that happen beginning from the time the seventh plagued angel had risen from the swelled to heaven bottomless pit and covered the world in a lake of fire, the new heaven and new Earth, the time of the judgment when each book (scroll) was opened to replay what had happened in each generation. When the last book (scroll of life) began to be revealed during the judgment, it replayed what happened in the last generation. When the last small part (equated with the seventh plagued angel) of the scroll of life began to be revealed during the judgment, it replayed what happened from the time the seventh plagued angel had risen from the swelled to heaven bottomless pit, the replay of what happened in the new heaven and new Earth, the replay of what happened during the judgment when all the books were opened, the replay of the opening of the last book (scroll of life), and the replay of the opening of the last small part of the scroll

of life that replayed the rising of the seventh plagued angel and so on.

\*\*\*\*\*

***Revelation 19:14 And the ARMIES*** {great hailstones} ***which were in HEAVEN followed HIM*** {risen seventh plagued angel that spread throughout the world as a lake of fire} ***upon WHITE HORSES*** {representing the bright white light around the falling great hailstones}, ***CLOTHED in FINE LINEN*** {being the intensely bright white light emanating from the spreading lake of fire generating intense heat}, ***WHITE*** {bright light} ***and CLEAN*** {the light is pure/holy as it is generated by the tremendous purifying heat of the immense lake of fire spreading throughout the world} .

When the risen seventh plagued angel is spreading throughout the world as an immense lake of fire, the tremendous heat generated by the lake of fire creates great hailstones to rain upon the place where the lake of fire (lava) has spread.

The falling great hailstones look white, as they fly from heaven (sky) to the Earth through the intense light generated by the lake of fire, as if they are riding on white horses. The spreading immense lake of fire creates tremendous heat that nothing unclean can defile it or its bright white pure light. This bright white clean light

clothes the great hailstones, just as the visions and oracles written on the last small part (equated with the seventh plagued angel) of the scroll of life clothes the redeemed with fine linen clean and white because they believed the visions of the seventh plagued angel and entered the ensign of new Jerusalem.

*Isaiah 30:26* Moreover the **LIGHT** {visions} of the {spiritual} **MOON** {representing the first witness' written visions on the last small part of the scroll of life's seventh part} shall be as the **LIGHT** {brightness of seven nights of moonlight} of the sun, and the **LIGHT** {visions} of the {spiritual} **SUN** {representing the last witness' visions written on the last small part of the scroll of life's seventh part} shall be **SEVENFOLD** {seven times as bright}, as the light of **SEVEN DAYS** {referring to seven parts/seven seals of the scroll of life}, in the day that the **LORD** {risen seventh plagued angel} bindeth up the breach of **HIS** {seventh plagued angel's} people, and healeth the stroke of their wound {when the kingdom of latter day Babylon falls}.

\*\*\*\*\*

*Revelation 19:15* And out of **HIS** {the written vision of the rider with blood-covered white garments riding his blood-covered white horse} **MOUTH** {representing the immense 40-mile wide mouth of the swelled to heaven super volcano overflowing with a spreading lake of fire}

*goeth a SHARP SWORD* {representing the sword of anarchy}, *that with it he should SMITE the NATIONS* {of latter day Babylon's kingdom}: *and HE* {vision of the rider with blood-stained garments on his blood-covered horse} *shall rule THEM* {all nations that refused to enter the ensign} *with a ROD OF IRON* {iron sword/rod of anarchy}: *and he TREADETH the WINEPRESS* {representing a terrible time of anarchy, making red the white garments of the rider/risen and spreading seventh plagues} *of the fierceness and wrath of Almighty God* {the immense seventh plagues angel that rose from the swelled to heaven super volcano to spread as a lake of fire throughout the world}.

The seventh plagues angel represents the last small part of the scroll of life, that is written by the two witnesses (Michael and Gabriel). During the judgment, the seventh plagues angel replays the time when the lake of lava is overflowing and spreading throughout the world, just as the two witnesses had originally witnessed that event happening. Accordingly, the replay of that event as written by two witnesses is as a two edge sword being revealed from the mouth (written visions and oracles) of the seventh plagues angel.

The mouth of the seventh plagues angel also represents the immense mouth of the swelled to heaven super volcano. From this immense mouth upon the high mountain of the super volcano flows the lake of fire

throughout the world. The sword is double edged to illustrate that the vision that replays the rider with red garments is according to what the two witnesses saw happening and wrote on the last small part of the scroll of life.

The sword refers to a terrible time of anarchy that plagues the nations that the lake of fire is moving through. As the seventh plagues angel {Almighty God} rises from the swelled to heaven bottomless pit and moves as an immense lake of fire throughout the world, he will rule the nations (that did not enter the ensign) with a rod of iron, bringing a terrible time of anarchy. The nations and peoples that are killed during a terrible time of anarchy will have been likened to bad grapes {full of the great whore's wine/ideals} trodden in a wine press by the rider with blood-covered garments on his blood-covered white horse.

***Revelation 19:16 And HE*** {seventh plagues angel} ***hath on his VESTURE*** {the vesture represents this vision written on the last small part of the scroll of life by the first witness} ***and on his THIGH*** {the thigh represents this same vision written on the last small part of the scroll of life by the last witness} ***A NAME WRITTEN*** {on the last small part of the scroll of life}, ***KING*** {King/rider with blood-covered white garments as written by the first

witness} *of KINGS* {the kings of the fallen kingdom of latter day Babylon}, *and LORD* {Lord/rider with blood-covered white garments as written by the last witness} *of LORDS* {the lords of the fallen latter day Babylonian kingdom}.

The vision of the rider with blood-covered white garments had one name written on the top part (vesture) of his clothing, and one name written on the bottom part (thigh) of his clothing. The name on the top part of his blood-covered clothing is King of kings. The reason is that this name written on the vesture represents the first witness' vision written on the last small part of the scroll of life concerning this rider with blood-stained white garments, that becomes King over all kings/kingdoms of latter day Babylon's kingdom with his rod of iron according to the first witness. The name on the bottom part of the blood-covered clothing of the rider on his blood-covered white horse is Lord of lords. The reason is that this name written on the thigh represents the last witness' vision written on the last small part of the scroll of life concerning the rider with blood-stained garments. This rider with blood-covered white garments on his blood-covered white horse becomes Lord of latter day Babylon's lords with his rod (two edged sword) of iron (representing a terrible time of anarchy), according to the last witness.

**Revelation 19:17** *And I saw an ANGEL* {this angel/star represents the vision of the risen seventh plagued angel} **STANDING** {as an intensely bright light above the swelled to heaven super volcano full of a lake of fire ready to overflow and spread} **in the SUN** {the intense light emanating from the lake of fire in the swelled to heaven immense 40-mile wide mouth of the super volcano is brighter than sunlight}; **and HE** {risen seventh plagued angel} **cried with a LOUD VOICE** {as the swelled to heaven super volcano explodes with a loud voice of thunder, causing a great earthquake such as never happened}, **saying to all the FOWLS** {great hailstones} **that fly in the midst of HEAVEN** {atmosphere}, **Come and gather yourselves together unto the SUPPER** {time of the new Feast of Tabernacles} **of the great God** {risen seventh plagued angel that overflows and spreads as a lake of fire};

The angel (star) standing in the sun represents a written vision that reveals the time when the seventh plagued angel has risen from the swelled to heaven bottomless pit. At that time, a lake of fire will have filled the immense 40-mile wide mouth of the super volcano (bottomless pit). The intense light emanating from the immense lake of fire is so bright that it is as a bright star above the swelled to heaven super volcano. This intensely bright light is brighter than the sun's sunlight in Earth's sky. At that time, all three groups of redeemed will have already entered the

ensign to be within new Jerusalem before the lake of fire overflows and spreads throughout the world.

The risen seventh plagues angel as a bright light above the swelled to heaven super volcano cries with a loud sound of thunder. This loud sound of thunder happens when the swelled to heaven super volcano full of a lake of fire explodes with a deafening sound of thunder. The massive explosion causes a great earthquake such as never happened, as the lake of lava overflows and spreads throughout the world. The loud sound of thunder is as the voice of the seventh plagues angel that tells the great hailstones (figurative fowls) to fall from the sky (heaven) and destroy the kingdom of latter day Babylon.

The destruction of latter day Babylon's kingdom represents the new Feast of Tabernacles, which is the marriage supper of the Lamb (message of latter day new Yahshua/Solomon) and Bride (new Jerusalem is represented by the first group and second group of redeemed) that the great multitude (third group of redeemed) were invited by the great God (seventh plagues angel) to attend.

***Revelation 19:18 That YE*** {spiritual fowls/great hailstones} ***may eat the FLESH*** {buildings and infrastructure} ***of KINGS*** {kingdoms/nations}, ***and the***

***FLESH*** {buildings and infrastructure} ***of CAPTAINS*** {leading nations}, ***and the FLESH*** {buildings and infrastructure} ***of MIGHTY MEN*** {mighty nations}, ***and the FLESH*** {buildings and infrastructure} ***of HORSES*** {cities}, ***and of THEM*** {leaderships} ***that sit on them, and the FLESH*** {buildings and infrastructure} ***of ALL MEN*** {all nations in the land of spiritual Canaan and world}, ***both free and bond, both small and great.***

As the lake of fire spreads from within the USA throughout the world, the tremendous heat will create great hailstones (spiritual fowls) that continually rain upon the nations of the world, beginning with the USA. These raining great hailstones will destroy the infrastructure and buildings (spiritual flesh) of kingdoms, destroy the infrastructure and buildings (spiritual flesh) of ruling nations (spiritual kings), destroy the infrastructure and buildings (spiritual flesh) of leading nations (spiritual captains), destroy the infrastructure and buildings (spiritual flesh) of strong nations (spiritual mighty men), destroy the infrastructure and buildings (spiritual flesh) of cities (spiritual horses) and leaderships (spiritual riders), whether these nations are small or big, free or captive.

***Revelation 19:19 And I saw the BEAST*** {kingdom of latter day Babylon}, ***and the KINGS*** {kingdoms} ***of the EARTH*** {land of spiritual Canaan}, ***and their ARMIES***

{peoples}, ***gathered together to make WAR*** {resist} ***against HIM*** {risen seventh plagues angel} ***that sat on the*** {white} ***HORSE*** {intense white light over the swelled to heaven super volcano filled with a lake of fire, as it begins to overflow and spread}, ***and against HIS*** {risen seventh plagues angel's} ***ARMY*** {army of great hailstones}.

The latter day seven-headed ten-horned beast of Babylon's kingdom (union of nations led by the USA) will be ready to war (resist) with the swelled to heaven super volcano in the latter day battle of Armageddon. Latter day Babylon's kingdom will be ready to use their resources in an attempt to overcome the swelled to heaven super volcano, as the lake of fire begins to overflow and spread from the immense mouth of the swelled to heaven super volcano.

\*\*\*\*\*

***Revelation 19:20 And the*** {seven-headed ten-horned in spiritual Canaan} ***BEAST*** {kingdom of the union of nations led by the USA} ***was TAKEN, and with him the FALSE PROPHET*** {being the USA/lamb-like beast that prophesied falsely to the nations concerning the ideals that the USA envisioned for the world's future} ***that WROUGHT MIRACLES*** {USA's technological military wonders} ***before HIM*** {seven-headed ten-horned beast/union of nations}, ***with which HE*** {false prophet/USA} ***DECEIVED THEM*** {union of nations

dwelling in spiritual Canaan} *that had RECEIVED the MARK* {spiritual wine cup full of the USA's ideals/spiritual wine that it envisions for the world's future} *of the BEAST* {union of nations that united and agreed to enforce the USA's ideals on a rogue nation, ruling as the number seven kingdom}, *and them that WORSHIPPED his IMAGE* {same union of nations that again united and agreed to enforce the USA's ideals on a rogue nation, ruling as the number eight kingdom}. *These both* {seven-headed ten-horned Babylonian beast/union of nations and false prophet/USA} *were cast ALIVE* {hence still functioning as a nation} *into a* {spreading} *LAKE OF FIRE* {overflowing and spreading from the swelled to heaven super volcano in the USA} *burning with brimstone* {lava}.

Before the super volcano opened and before the lake of fire overflows and spreads throughout the land, the USA is the false prophet that prophesies falsely of peace and safety for the foreseeable future (according to the USA's ideals that it envisions for the world's future), instead of accepting the two witnesses' written visions and oracles that have already witnessed how this world ends.

The USA enforces its vision (wine cup) for the world's future using its technological military wonders (miracles) on a non complying nation. This overwhelming show of force (fire from the heavens) deceives the union of nations to unite and accept (spiritually take the wine cup) and

think (having spiritually drunk the wine/ideals) like the USA's leadership by enforcing the USA's ideals on any non complying nation. After the union of nations united and agreed (took the spiritual wine cup) to think (spiritually drunk on the spiritual wine) like the USA's leadership and enforce the USA's ideals as the number seven kingdom, they then had the mark (way of thinking/spiritual wine) of the latter day Babylonian (confused) beast (kingdom/union of nations) written on their forehead (leadership's way of thinking). Before the super volcano is opened, the same union of nations are again deceived by the USA's military wonders to unite and rule as the number eight kingdom, enforcing the false prophet's (USA's) visions on any non complying nation until the super volcano explodes and erupts smoke and ash for five months. The number eight ruling kingdom (union of nations) is the image (exact likeness) of the number seven kingdom (union of nations).

The risen seventh plagued angel will be as a lake of fire overflowing and spreading from the swelled to heaven super volcano. At the same time the armies of great hailstones will be raining upon the land. The nations that received the mark (way of thinking that blasphemes against the two witnesses written visions and oracles) of the latter day Babylonian beast and worshiped its image (exact likeness), having been deceived by the false prophet's (USA's leadership's) vision for the world's

future, will end up in the spreading lake of fire that covers the world. These nations were still functioning (alive) as a nation when these living nations were immersed in a spreading lake of fire.

\*\*\*\*\*

***Revelation 19:21 And the REMNANT*** {pertaining to all remaining nations} ***were slain with the SWORD*** {of anarchy} ***of HIM*** {seventh plagued angel} ***that sat upon the HORSE*** {white horse of intensely bright light}, ***which SWORD proceeded out of HIS*** {risen seventh plagued angel's} ***MOUTH*** {equated with the immense mouth of the swelled to heaven super volcano overflowing and spreading with a lake of fire}: ***and all the FOWLS*** {great hailstones} ***were filled with THEIR*** {nations'} ***FLESH*** {referring to buildings and infrastructure}.

The remaining nations of latter day Babylon's kingdom not yet in the spreading lake of fire will be slain according to the written visions and oracles written on the last small part of the scroll of life, as witnessed by the two witnesses' (equated with two edges of one sword). These visions and oracles replay how the remnant of nations were killed by the risen seventh plagued angel's sword of anarchy, as it issued from the seventh plagued angel's immense 40-mile wide mouth upon the swelled to heaven super volcano. He is as a spreading lake of fire emanating an intensely bright white light, which he rides throughout the world. As the

lake of lava spreads throughout the nations, great  
hailstones (fowls) will be destroying the buildings and  
infrastructure (flesh) of nations.
