

Chapter 20

Revelation 20:1 And I saw an ANGEL {this angel represents the vision of the risen Abaddon/the Rock} ***COME DOWN*** {as an overflowing and spreading lake of fire} ***from HEAVEN*** {being the top of the swelled to heaven super volcano, full of a lake of fire}, ***HAVING THE KEY*** {the key/great earthquake that opened the super volcano when it erupted smoke and ash} ***of the BOTTOMLESS PIT*** {super volcano} ***and a GREAT CHAIN*** {the great chain represents a river of lava descending from the swelled to heaven super volcano, full of a lake of fire} ***in his HAND.***

The Apostle John saw an angel come down from heaven having the key to the bottomless pit and a huge chain in his hand. This angel represents the vision of the risen Abaddon/the Rock descending as a river (chain) of lava from the top of the swelled to heaven super volcano, full of a lake of fire. This wide river of lava is as a chain in Abaddon's/the Rock's hand.

The key that the angel has represents the great earthquake, that had already opened the bottomless pit when the super volcano exploded and began erupting smoke and ash. In Revelation 20:1 Abaddon/the Rock has the key (that he was given in Rev. 9:1) because that event of the great earthquake (key) will have already happened when

Abaddon descends from heaven with a great chain in his hand.

Revelation 20:2 *And HE* {risen Abaddon/the Rock descends as an immense river of fire/lava from the high super volcano's 40-mile wide mouth, full of an overflowing lake of fire} **laid HOLD** {hence the extremely wide river of flowing lava takes hold of the nations} **on the DRAGON** {being the seven-headed latter day Babylonian beast/kingdom in spiritual Canaan}, **that OLD SERPENT** {deceiver/beguiler}, **which is the DEVIL** {tempter}, **and SATAN** {adversary}, **and BOUND HIM** {hence the kingdom of latter day Babylon has ends by being covered in a lake of fire until the visions and oracles written on the one like the son of man replays again the last generation} **a THOUSAND YEARS** {being the initial 1,000 years of the judgment that are being replayed over, and over, and over by written visions and oracles of the one like the son of man}

The verse in Revelation 20:2 is revealing the end of the seven-headed ten-horned latter day beast (kingdom) of Babylon, which ended by being covered in a lake of fire (lava). However, it states in Revelation 20:2 that the latter day dragon (beast/kingdom) is bound by chains of flowing fire (lava) for 1,000 years. The reason is that during the initial 1,000 years of the judgment, each scroll (except the

last scroll/scroll of life) was opened to reveal what happened in each generation from Genesis to the beginning of the last generation. After the 1,000 years, the last scroll (scroll of life) replays what happened in the last generation, being the time the latter day dragon (beast/kingdom) was living before he ended up in the lake of fire.

Babylon's kingdom will be, as it were, imprisoned for 1,000 years in a bottomless pit that overflowed and covered the world in a lake of fire. Before that happens, the USA is the mouth- piece of the latter day Babylonian dragon (kingdom/union of nations), that deceives (as a serpent) with the USA's ideals that the USA and dragon envision for the world's future, tempts (as a great devil) nations and peoples to accept its way of thinking for the world's future, and becomes an adversary (Satan) that speaks of harsh economic sanctions and/or military intervention against any nation that rejects the ideals (mark of the beast).

Revelation 20:3 And cast HIM {latter day Babylonian dragon/beast/kingdom} ***into the BOTTOMLESS PIT*** {the bottomless pit that rose as a lake of lava to cover the world}, ***and shut him up, and set a*** {temporary} ***SEAL*** {first of seven seals around the seven sealed scroll of life} ***upon HIM*** {beast/kingdom of latter day Babylon}, ***that***

HE {latter day Babylonian dragon that enforces the USA's ideals on rogue nations} *should DECEIVE* {with the false prophet/USA} *the nations no more, TILL the THOUSAND YEARS* {being the initial 1,000 years of the judgment} *should be fulfilled: and AFTER THAT* {when the first seal of the scroll of life is removed by the Lamb in heaven} *he must be LOOSED* {loosed after 1,000 years when the last generation is replayed during the judgment when the first seal around the rolled-up seven-sealed scroll of life/last scroll is removed to reveal the visions and oracles written beneath the first seal} *a LITTLE SEASON.*

The latter day Babylonian dragon's kingdom and the world ends when the world is covered in a lake of fire. Accordingly, the nations and peoples of the latter day dragon are no longer living to be playing a part in life. At that time, a seal is set until the seal is removed. When the first seal around the rolled-up seven-sealed scroll of life begins to be unsealed during the judgment at the end of the 1,000 years, the visions and oracles written on the scroll of life's first side will begin to replay the time when the latter day messenger (living in the last generation) begins to reveal his new message from beneath the first seal. At that time of the opening of the scroll of life's first seal by the Lamb during the judgment, the replay of the last generation begins, which causes the latter day dragon to be loosed from the bottomless pit that covered the

world in a lake of fire. Therefore when the visions and oracles written beneath the first seal of the scroll of life begin being revealed by the Lamb during the judgment on the sea of glass in heaven, then the replay of the last generation begins from the time the dragon (kingdom/union of nations) of latter day Babylon was in spiritual Goshen ruling during its first of three reigning periods.

Revelation 20:4 And I saw THRONES {after the world was covered by a lake of fire, the judgment began in heaven when the 24 elders sat on thrones, that are on the sea of glass in heaven}, ***and THEY*** {24 elders that represent the 144,000} ***that sat upon them, and JUDGMENT*** {the judgment began after the world was covered in a lake of fire} ***was given unto them: and I saw*** {on the sea of glass} ***the SOULS*** {ghosts/spirits} ***OF THEM*** {apostles of every generation that were martyred in the last generation for proclaiming the everlasting gospel to all nations, kindreds, tongues, and people} ***that were BEHEADED*** {martyred for causing division in the nations by continuing to prophesy of the everlasting gospel when the super volcano exploded and began erupting smoke and ash} ***for the WITNESS OF*** {latter day new} ***JESUS, and for the WORD*** {written visions and oracles} ***OF GOD*** {one like the son of man/two witnesses}, ***and which had not WORSHIPED the***

BEAST {kingdom of latter day Babylon/confusion}, **neither his IMAGE** {third reigning period of the latter day Babylonian beast}, **neither had received his MARK** {wine/ideals that the USA envisioned for the world's future} **upon their FOREHEADS** {minds}, **or in their HANDS** {receiving/accepting the spiritual wine cup full of ideals}; **and THEY lived and REIGNED** {reigned over the lava covered kingdom of latter day Babylon} **with CHRIST** {Lamb/God's son who represents the visions and oracles written on the first small part of the seventh part of the scroll of life's other side} **a THOUSAND YEARS** {being the initial 1,000 years of the judgment when the books/scrolls were revealed before the last book/scroll of life began to be revealed after the 1,000 years}.

The second group (144,000) of redeemed that entered the ensign of new Jerusalem are represented by the 24 elders. After the world was covered in a lake of fire, these elders are the ones that sat on thrones (see Revelation 4:4) when the judgment began. At that time, all the redeemed that had entered new Jerusalem's ensign are reigning over the lava covered kingdom of latter day Babylon. Among the redeemed that entered the ensign of new Jerusalem is the first group (apostles/priests) of redeemed. These people did not worship the ideals that the beast (being the union of nations in the last generation) envisioned for the world's future when it reigned during its second reigning period in spiritual Canaan. Neither did these priests worship the

ideals that the beast's image (being the same union of nations in the last generation) envisioned for the world's future when it reigned during its third reigning period, which ended at the end of the sign of Jonah. This also applies to all the apostles of every generation that followed a living prophet, just as in the last generation there are apostles that followed the latter day living prophet's message when the beast of latter day Babylon was ruling in spiritual Canaan during its second of three reigning periods. The same faithful apostles will continue following the latter day living prophet's message when the image of the latter day Babylonian beast is ruling during its third reigning period in spiritual Canaan. Other latter day people that begin following the message of the latter day living prophet during the time when the image of the beast is reigning during its third period (when the two witnesses are prophesying for 1260 days) will be of the second group (144,000 elders that sit on thrones during the judgment) of redeemed.

The apostles of all generations that were martyred or died while witnessing of a living messenger will resurrect with the disciples of all generations at the end of the sign of Jonah. Then all the apostles (first group/12,000 of redeemed) and all disciples (second group/144,000 of redeemed) will be living in the last generation to learn a new song (everlasting gospel) during the 50 days of new Pentecost. At the beginning of the 50th evening of new

Pentecost, the people that are of the first group of redeemed and second group of redeemed will receive the power of the Holy Spirit (one like the son of man), as they begin to proclaim the everlasting gospel to all nations, kindreds, tongues, and people. From that time, they will be witnesses to latter day new Yahshua and to the written word of God (one like the son of man).

The apostles are the ones that did not worship the ways and beliefs (mark) of the latter day Babylonian beast, that reigned as the sixth kingdom, seventh kingdom and again as the eighth kingdom. The eighth kingdom (union of nations) in spiritual Canaan is the image (exact likeness) of the seventh kingdom (union of nations) in spiritual Canaan. When people accept the figurative wine cup full of visions of what the latter day Babylonian kingdom believes the world's future will be (rejecting the two witnesses' written visions concerning the world's future), they have accepted into their hand the mark (wine cup) of the latter day reigning beast (kingdom). When people drink of the figurative wine cup full of ideals concerning the world's future, they then have the mark (way of thinking) of confused visions (ideals) written on their forehead (front of the mind).

The people of the three groups of redeemed will have traded their former beliefs to buy true beliefs, concerning this world's future, from the one like the son of man. The latter day people of the first group (12,000 priests/barley

harvest) of redeemed had traded their old beliefs during the first and second reigning periods of latter day Babylon's reign. The latter day people of the second group (144,000 elders/wheat harvest) of redeemed will have traded their old beliefs during the third reigning period of latter day Babylon's reign, which ends at the end of the sign of Jonah. The latter day people of the third group (great multitude/fruit harvest) of redeemed will have traded their old beliefs to accept the everlasting gospel before the ensign of new Jerusalem manifested. The everlasting gospel will have been proclaimed to all nations by all apostles (first group of redeemed) and all disciples (second group of redeemed) that in the latter days are witnessing of latter day new Yahshua and God (one like the son of man). This happens from the 50th evening of new Pentecost, when these apostles (priests) and disciples (elders) prophesy to all nations of Abaddon/the Rock (super volcano) rising from the bottomless pit to rule over the world, which is how a great multitude of people of all nations, kindreds, tongues, and people are converted to believe the written visions and oracles of the one like the son of man. Then when the super volcano explodes and begins erupting smoke and ash (that lasts for five months), most of the people proclaiming the everlasting gospel will be martyred. Then the great multitude will become messengers (angels), as they also begin proclaiming the everlasting gospel when smoke and ash are erupting from the super volcano in the USA. When new Jerusalem's

ensign is as an intense beacon of light radiating from above and around the swelled to heaven super volcano (full of a lake of fire), all martyrs that were killed while proclaiming the everlasting gospel will resurrect to enter into the ensign of new Jerusalem with all the living redeemed. Thereafter the swelled to heaven super volcano (full of a lake of fire) will explode with a massive earthquake-causing eruption such as never happened, as an immense river of lava begins to descend from the top of the 40-mile wide mouth of the swelled to heaven super volcano. The immense river of fire will separate into many rivers of lava, which travel throughout the USA and world. That ends by being covered in a lake of fire. From the time the replay of the last generation reveals the world being covered in a lake of fire, the first group of redeemed (represented by the four beasts/priests before the throne) and second group of redeemed (represented by the 24 elders before the throne), and great multitude of messengers (angels) will have been within new Jerusalem and reigning with latter day Yahshua for more than 1,000 years of the judgment. The judgment is happening in heaven on the sea of glass, which is the top sheet of hail/glass of the top of new Jerusalem's foundations.

Revelation 20:5 But the REST of the DEAD {being the the unsaved latter day nations that died in a lake of fire that covered the world} ***lived NOT AGAIN UNTIL the***

THOUSAND YEARS {being the initial 1,000 years of the judgment} ***were FINISHED*** {because the last scroll/scroll of life begins to be revealed when the 1,000 years are finished to replay the time when the nations were living in the last generation}. ***This is the FIRST RESURRECTION*** {the first resurrection for the people that were killed for proclaiming the everlasting gospel to all nations}.

The people that were killed for proclaiming the everlasting gospel will have resurrected (referred to as the first resurrection in Revelation 20:5) to enter the ensign of new Jerusalem with all the redeemed. Thereafter, immense rivers of lava spread throughout the world and became a lake of lava that covered the world. All the nations that did not accept the everlasting gospel to enter the ensign of new Jerusalem will have died in the lake of fire, that covered the world. From that time when the lake of fire had covered the world, the initial 1,000 years of the judgment had begun. During the judgment, the dead nations are outside and around new Jerusalem to view the opening of each scroll. Each scroll replays what happened in each generation. When the rolled-up seven-sealed last scroll (scroll of life) begins being unsealed (when its first seal is removed) after the end of the initial 1,000 years, then the scroll of life's visions and oracles written on its first side begin to replay all things that happened from the beginning of the last generation. Accordingly, after the

initial 1,000 years of the judgment, the dead nations in the lake of fire will be living again because their former existence in the last generation is being replayed according to the visions and oracles written on the scroll of life's first side.

Revelation 20:6 BLESSED and HOLY is HE {the people that were killed for proclaiming the everlasting gospel} **that hath PART in the FIRST RESURRECTION** {in the first timeline of all generations, this first resurrection happened when Abaddon/the Rock had risen as a swelled to heaven super volcano full of a lake of fire but not yet overflowing}: **on SUCH** {latter day martyrs that proclaimed the everlasting gospel} **the SECOND DEATH** {which is a replay of the first death of the nations that ended in a lake of fire that covered the world} **hath NO POWER** {because the replay of the first timeline of all generations, when the replay of the first resurrection and the replay of the first death of the nations by a lake of fire covers the world, the second death/replayed lake of fire has no power over those that resurrected with the risen Abaddon in the first timeline}, **but THEY** {of the first group of redeemed that proclaimed the everlasting gospel and were all martyred} **shall be PRIESTS** {of the temple/high mountain of the super volcano, as represented by the four beast before the throne of God on the sea of glass} **of God** {one like the son of man/two witnesses/God

the father and God's son/bright star and morning star} *and of Christ* {Lamb/God's son/last witness/morning star/visions and oracles written on the first small part of the seventh part of the scroll of life's other side}, *and shall REIGN* {reign over the lava covered kingdom of latter day Babylon when they are within new Jerusalem} *with HIM* {the Lamb's visions and oracles} *a THOUSAND YEARS* {these 1,000 years of the judgment began after the world was covered in a lake of fire in the first timeline}.

When the apostles were martyred, they then rested from proclaiming the everlasting gospel to all nations. Though they rose to life with the risen Abaddon/the Rock in this first resurrection (mentioned in Revelation 20:6) of the first timeline of all generations and entered the ensign of new Jerusalem. When the elders (144,000) are martyred for proclaiming the everlasting gospel or people of the great multitude martyred for proclaiming the everlasting gospel, they will rise to life every time they are killed to continue proclaiming the everlasting gospel until the time they enter the ensign of new Jerusalem. This is typified by Paul (and others), who was killed often times for proclaiming the gospel of old Yahshua (Jesus), which was being proclaimed to all nations.

2 Corinthians 11:23 Are they ministers of Christ? (I speak as a fool) I {Paul} am more; in labours more abundant, in stripes above measure, in prisons more frequent, IN

DEATHS OFT {oft/often/frequently, hence Paul was killed many times and resurrected to life each time until he finished from proclaiming the gospel at his final martyrdom, whereas the Apostles were martyred one time and rested from their labors of proclaiming Yahshua's gospel}.

The martyred apostles are the blessed and holy priests (represented by the four beasts in Revelation 4:6) standing on the sea of glass close to God (one like the son of man) above the high mountain (new Zion) of the super volcano, just as the four priests of old were allowed to enter the temple and stand close to God, as God (one like the son of man) would dwell in the holy of holies between the Cherubim (two witnesses) on the Ark of the testament. The resurrected martyrs (apostles) were the first to enter within new Jerusalem to stand on new mount Zion (swelled to heaven super volcano full of a lake of fire). Then when the immense river of fire began flowing from the swelled to heaven super volcano (full of a lake of lava) and covered the world in a lake of fire, they reigned as priests over latter day Babylon's lava-covered kingdom at the beginning and during the initial 1,000 years of the judgment.

Isaiah 26:19 *Thy DEAD MEN* {all apostles living in the latter days that are martyred for proclaiming the everlasting gospel to all nations} *shall LIVE* {resurrect}, *together with MY* {Abaddon's/the Rock's/super volcano's} *DEAD BODY* {the dead

body of the super volcano before it erupts and begins rising to heaven. The dormant/dead super volcano is the carcass, as quoted in *Luke 17:37; Matt.24:28* } *shall they ARISE* {resurrect in the first resurrection of Revelation 29:6}. *Awake and sing, ye that dwell in dust: for thy dew is as the dew of herbs, and the earth shall cast out the dead.*

26:20 *Come, MY* {Abaddon's/the Rock's} *PEOPLE* {that are martyred in the latter days for proclaiming the everlasting gospel}, *enter thou into thy chambers, and shut thy doors about thee: hide thyself as it were for a little moment, until the indignation be overpast.*

20:21 *For, behold, the LORD* {one like the son of man equated with the super volcano/the Rock named Abaddon/Destroyer} *COMETH OUT OF HIS PLACE* {explodes from the bottomless pit and begins rising to heaven while smoke and ash are erupting for five months} *to punish the inhabitants of the earth for their iniquity: the earth also shall disclose her BLOOD* {the blood of the martyred saints that were killed for proclaiming the everlasting gospel to all nations}, *and shall no more cover her slain.*

Daniel 12:1 *And at that time shall MICHAEL* {representing the written visions and oracles of God the father/first witness/last small part of the seventh part of the scroll of life's first side that is here revealing the time when Abaddon/the Rock/super volcano/Michael rises up to life as a lake of fire from the bottomless pit of death} *STAND UP* {as a swelled to heaven super volcano full of a lake of lava}, *the great prince which standeth for the CHILDREN* {great multitude} *of THY* {latter day messenger who is equated with old Daniel} *PEOPLE*

{first group and second group of redeemed}: *and there shall be a time of trouble* {when all seven plagued angels are being fulfilled}, *such as never was since there was a nation even to that same time: and at that time thy people shall be delivered, every one that shall be found written in THE BOOK* {last scroll/scroll of life}.

After the initial 1,000 years ended and the last scroll's (scroll of life's) first of seven seals was unsealed (removed) from around one of its rolled-up parts, the visions and oracles written beneath the first seal were revealed to begin replaying the things that happened from the beginning of the last generation. The written visions and oracles written beneath the initial six seals replay the things that happened during the first reigning period of latter day Babylon and its wounded period. When the rolled-up scroll of life's seventh seal was removed from its outside (first side) and the scroll of life was unrolled to reveal what is written on the seventh part of the unrolled scroll of life's first side, the written visions and oracles written on six angels with trumpets then replay the things that happened during latter day Babylon's second reigning period and its wounded (divided) period. Then when six of seven parts of the seventh angel with trumpet began being revealed, the visions and oracles written on these seven parts began to replay the things that happened during latter day Babylon's third reigning period and its wounded period. When the initial six plagued angels

began to be revealed, the visions and oracles written on these six plagued angels replayed the things that happened from the time the super volcano exploded and began erupting smoke and ash, that erupt for five months. Then when the seventh plagued angel began being revealed, the visions and oracles written on the seventh plagued angel began to replay all things that happened from the time the ensign of new Jerusalem manifested through the continuing judgment. Accordingly, the visions and oracles written on the seventh plagued angel replayed the time when new Jerusalem manifested around the swelled to heaven super volcano (full of a lake of fire), replayed the first resurrection for the martyred apostles that proclaimed the everlasting gospel, replayed the time when all the redeemed entered the ensign of new Jerusalem, replayed the time when rivers of lava flowed through the world and covered the world in a lake of fire, the replay of the new heaven and new Earth, and the replay of what has happened during the continuing judgment.

The replay of the first death (that happened in the first timeline) of the nations in a lake of fire is referred to as the second death, which is an exact replay of what happened to the nations in the first death. Therefore, the replay of the martyrs' first resurrection (that happened in the first timeline so the resurrected martyrs could enter new Jerusalem's ensign) is referred to as the second resurrection, which is an exact replay of how the martyrs

resurrected in the first resurrection and entered the ensign of new Jerusalem. Accordingly, the second death (being an exact replay of the first death of the nations in a lake of fire that covered the world) has no power over the resurrected martyrs (apostles), that become priests of God's temple when they enter new Jerusalem's ensign. In the first timeline when the martyrs resurrected and entered new Jerusalem's ensign and, thereafter, the world became covered by a lake of fire (lava), then the resurrected martyrs reigned with Christ (the visions and oracles of the son of God/morning star/last witness) for one thousand years. After the end of the 1,000 years, the lives they once lived in the last generation began being replayed when the rolled-up seven-sealed scroll of life's first seal was unsealed (removed, see Revelation 5:1; 6:1) from being around the first of seven parts (equated with seven evenings) of the scroll of life's outside (first side).

Revelation 20:7 And when the THOUSAND YEARS are EXPIRED {then the rolled-up seven-sealed last scroll/scroll of life began to be unsealed and revealed}, ***SATAN*** {adversary/latter day Babylon/USA} ***shall be LOOSED out of his PRISON*** {the prison of a lake of fire/lava that covered the world. The unsealing and revealing of the visions and oracles written on the scroll of life's first side replay the things that happened in the last generation, new heaven and new Earth, and the time of the

judgment},

Before the initial 1,000 years of the judgment began, all the redeemed entered new Jerusalem's ensign and, thereafter, the latter day dragon {USA and the union of nations) was cast into a lake of fire, that covered the world. This latter day Babylonian dragon (beast/kingdom) in the lake of fire was the adversary (Satan) against the people that proclaimed the everlasting gospel. At the end of the initial 1,000 years of the judgment, the last scroll (that was rolled-up and sealed with seven seals) began to be unsealed and revealed, which is equated with the time when the latter day messenger began to reveal his new message from the visions and oracles written beneath the first seal of the rolled-up seven-sealed scroll of life. As the last scroll (scroll of life) was being unsealed and revealed in heaven (as revealed in Revelation 6:1), the revealing of the scroll of life's written visions and oracles in heaven during the judgment began to replay the things that happened in the last generation from the time the latter day messenger was revealing his new message from beneath the scroll of life's first seal. At that time, the union of nations of the latter day dragon (beast/kingdom) were reliving their past lives, as all things that happened in the world and universe during the last generation began to be replayed. Accordingly the latter day dragon (the Satan/adversary of those that proclaimed the everlasting gospel) was loosed out of his prison (lake of fire) when

the last generation began to be replayed.

Isaiah 14:9 Hell {lake of fire} from beneath is moved for thee to meet **THEE** {kingdom of latter day Babylon} at thy **COMING** {at the unsealing/removing of the first of seven seals from around the rolled-up seven-sealed scroll of life/last scroll to replay the time when the dragon/Satan was living in the last generation at the time the latter day messenger began to reveal his message from the visions and oracles written beneath the first seal}: *it stirreth up the DEAD* {the revealing of the visions and oracles below the first seal of the scroll of life replay the time when the nations that died in the lake of fire were living in the last generation when the latter day messenger began to reveal his message from the visions and oracles that are written beneath the first seal} for **THEE** {latter day Babylon/USA's ruling capital city and nation}, *even all the chief ones of the earth; it hath raised up from their thrones all the kings of the nations {just as it was when the the union of nations were united and ruling as the sixth kingdom during the first reigning period of latter day Babylon}*.

Revelation 20:8 And {latter day Babylon/USA was loosed from the lake of fire to relive the life that it had from the beginning of the last generation} **shall go out to DECEIVE the NATIONS** {to unite three separate times

the union of nations that enforces the USA's ideals that it envisions for the world's future on rogue nations} ***which are in the four quarters of the EARTH*** {Earth/land of spiritual Canaan}, ***GOG*** {kingdom of the dragon – coalition – in spiritual Goshen of spiritual Egypt in the south/Gog} ***and MAGOG*** {kingdom of the beast of latter day Babylon in the north/Magog}, ***to gather THEM*** {union of nations} ***together to BATTLE*** {the replay of the battle of Armageddon between the latter day Babylonian beast/dragon/kingdom and the risen Abaddon/the Rock/swelled to heaven super volcano, full of a lake of fire, happens at the massive explosion of the swelled to heaven super volcano, as an immense river of fire/lava descends from heaven to fight the battle of Armageddon with a host of raining coals of fire and great hailstones and many chariots of fire, as the union of nations with their engineered weapons try to kill the swelled to heaven super volcano when an immense river of lava begins overflowing from its 40-mile wide mouth}: ***the number of WHOM*** {rebellious people of the deceived nations} ***is as the sand of the sea.***

In the past type, Gog (floor) referred to the kingdom of old Egypt in the south (floor), while Magog (ceiling) referred to the kingdom of Nebuchadnezzar's Babylon in the north (ceiling). However, the southern kingdom of Egypt did not give its strength to the kingdom of old Babylon. Instead, the old Babylon city and nation united

all nations in the four corners of the land (Gog and Magog) by force. No deception was employed by old Babylon to unite the nations as one kingdom. This past type is borrowed to construct written prophecy in the Book of Revelation, except latter day Babylon (initially the USA and its capital) deceives the nations with its awesome military wonders (capabilities) to accept the ideals that the USA envisions for the world's future. The union of nations agree and unite to enforce the USA's ideals on any non complying nation during the three reigning periods of the latter day Babylonian beast (kingdom/union of nations). However, the USA's vision for the world's future blasphemes against the two witnesses' visions and oracles written on the one like the son of man (who represents the two witnesses' visions and oracles mixed together, as blue and red create purple). The written visions and oracles of the two witnesses (blue light of the bright moon/star and red light of the morning sun/star that mix together at the seventh day's dawning sunlight) truthfully reveal how the world ends, just as they witnessed it ending in the first timeline.

In our day, Gog (spiritual Egyptian dragon) represented the nations that ruled as the fifth reigning kingdom during the time latter day Elijah was revealing his message through to the time the latter day messenger began to reveal his message from the visions and oracles written beneath the first seal of the scroll of life. From the time of

latter day Elijah's death, the coalition of nations reigning as the number five kingdom became divided over enforcing the USA's ideals on rogue nations. From that time, the latter day spiritual Egyptian dragon (kingdom/coalition of nations) was divided and no longer reigning as the fifth kingdom. Thereafter the former coalition of spiritual Gog (spiritual Egyptian dragon kingdom of the south/Gog) was deceived by the USA's leadership (being the false prophet that proclaimed his false vision to the coalition of nations) to unite and become the union (coalition) of nations ruling as latter day Babylon (Magog/north) to enforce what the USA envisions for the world on a rogue nation (Iraq). That time represented latter day Babylon's first reigning period as the number six kingdom in spiritual Goshen in spiritual Egypt. During that time, the latter day Elisha (messenger) was revealing his message from the visions and oracles written beneath the initial six seals of the last scroll (scroll of life). At the end of latter day Babylon's first of three reigning periods, the union of nations were no longer united in enforcing the USA's ideals on rogue nations.

When the USA's leadership (false prophet) in the USA's ruling capital (false prophetess) healed its wound of division among its leaders, it then deceived (as a false prophet) the former coalition of nations of spiritual Gog (fifth reigning kingdom as spiritual Egypt) and Magog (sixth reigning kingdom as spiritual latter day Babylon)

that unite again and enforce what the USA envisions for the world on a rogue nation (Libya). This is referred to as latter day Babylon's second reigning period as the number seven kingdom, but in spiritual Canaan (see Daniel 8:25; 11:6). At the end of this second reigning period, the leaderships of the union of nations became divided in enforcing the USA's ideals, that the USA envisions for the world's future.

The wound of division will again heal when the USA's leadership (third/final ruling false prophet) deceives the same union of nations (that ruled as the fifth kingdom of the south/Gog and as the sixth kingdom of the north/Magog) to agree and unite again and rule as the number eight kingdom (being the latter day Babylonian beast's third reigning period in spiritual Canaan), which lasts for 1290 days. In that time, the union of nations will enforce the USA's ideals on any rogue nation for 1290 days. At the end of these 1290 days (when the sign of Jonah also ends), the super volcano explodes momentarily with a great earthquake. At this earthquake, the resurrection happens for all the righteous and rebellious people of all generations. The righteous people learn a new song (everlasting gospel) during the 50 days of new Pentecost, which begin at the end of the 1260 days that the two witnesses are prophesying to many nations. Three and a half days after the 1260 days (when the three and a half days of the sign of Jonah end) is the latter day new time of

passover, being the new feast of unleavened bread. At the beginning of the 50th evening of new Pentecost (being the end of the latter day new feast of 7 weeks, that is equated with the old feast of weeks in *Deuteronomy 16:10*), the first group (12,000 apostles/priests) and second group (144,000 disciples/elders) of redeemed receive the power of the Holy Spirit so they can proclaim the everlasting gospel to every nation, kindred, tongue, and people. After seven months (that begin from the time of the new latter day passover at the end of the sign of Jonah) is the new Day of Atonement. The new Day of Atonement begins when the super volcano explodes with a massive earthquake-causing eruption, as smoke and ash erupt for five months (five moons). During these five months, all the apostles will be martyred. When they are killed, their souls (ghosts) will rest beneath the golden altar of incense (that represents the super volcano according to the first witness' written visions and oracles that also wrote of the last witness' visions and oracles). At the end of five months (*see Rev. 9:5*) when erupting smoke and ash have ended (being equated with the time when the new Feast of Tabernacles begins, Abaddon will have risen as a lake of fire that filled the immense mouth of the swelled to heaven super volcano. At that time, an intense light (ensign/Shekinah glory) radiates from the immense 40-mile wide mouth, full of a lake of fire. Also, new Jerusalem will have manifested to surround the swelled to heaven super volcano as a huge whirlwind of fire. Then all

the apostles (first group of redeemed that prophesied of the everlasting gospel to the USA's rulers in the capital city and nation) will resurrect to enter the ensign of new Jerusalem. Thereafter, the disciples (second group/144,000 of redeemed) and the guests (third group/great multitude of redeemed) of the wedding begin entering the ensign of new Jerusalem. All three groups of redeemed will enter new Jerusalem's (being an immense whirlwind/chariot of fire) ensign to be carried to the top floor (sea of glass) of new Jerusalem before an immense river of lava begins descending from the top of the swelled to heaven super volcano, full of a lake of fire. Thereafter when all the redeemed have entered the ensign of new Jerusalem, the swelled to heaven super volcano (full of a lake of fire) explodes with a deafening sound of thunder and a massive earthquake-causing eruption such as never happened, as Abaddon/the Rock descends as in immense river of fire from the top of the swelled to heaven super volcano. From that time when the immense river of lava descends rapidly from the top of the swelled to heaven super volcano, raining coals of fire and great hailstones with many whirlwinds of fire will be feasting (during the new feast of Tabernacles) on the buildings and infrastructure of the USA and, thereafter, on the buildings and infrastructures of the latter day Babylonian beast (kingdom).

The latter day dragon (union of nations) will have

deceived multitudes of people, that are as the sand of the sea in number. These people accepted into their hand and mind the latter day Babylonian beast's wine cup full of wine/visions of what the beast (union of nations) envisions for the world's future, which caused them to reject the everlasting gospel and remain outside the ensign of new Jerusalem. These unsaved people accepted the USA's (false prophet's) vision of the world's future, that the latter day dragon (Satan/adversary) of Babylon had promoted and enforced with a quick punishment of death for anyone trying to cause a division among the people when the super volcano was erupting smoke and ash for five months in the USA.

Revelation 20:9 And THEY {nations of the unsaved people of the world that did not enter the ensign of new Jerusalem} ***WENT UP*** {went up to the swelled to heaven super volcano when an immense whirlwind of fire surrounded the swelled to heaven super volcano, full of a lake of fire} ***on the breadth of the EARTH*** {Earth/land of spiritual Canaan, in which is the USA/spiritual Judah}, ***and COMPASSED*** {referring to the nations of rebellious people compassed/around} ***the CAMP*** {new Jerusalem/huge whirlwind of fire that surrounds the high mountain of the super volcano, full of a lake of fire} ***of the SAINTS*** {first group of priests, second group of elders and the great multitude of messengers (angels) that

entered the fiery ensign to be within new Jerusalem} ***about, and the BELOVED CITY*** {new Jerusalem}: ***and FIRE*** {immense river of lave} ***came DOWN from God*** {risen Abaddon/the Rock, as replayed by the visions and oracles of the one like the son of man/God} ***OUT OF HEAVEN*** {out of the swelled to the sky/heaven super volcano's immense 40-mile wide mouth}, ***and devoured THEM*** {devoured the rebellious nations and unsaved people that remained outside round about the camp/new Jerusalem to instead war with the swelled to heaven super volcano and be devoured by an overflowing and spreading immense river of fire}.

All the saints (three groups of redeemed that are re-saved/redeemed during each replay) will have entered the intense light of the ensign emanating around and above new Jerusalem. New Jerusalem represents a huge fiery whirlwind, which is the camp of the redeemed (re-saved), that entered the ensign. The rebellious people, that are as the sand of the sea, rejected the everlasting gospel and instead remained outside round about the camp of the saints. At that time, the swelled to heaven super volcano will be full of a lake of fire and surrounded by an immense whirlwind of fire (new Jerusalem). The rebellious will be around the immense whirlwind of fire trying to implement their ideas and engineered devices in an attempt to cause the immense whirlwind of fire and the swelled to heaven super volcano (full of a lake of fire) to

die down. Instead, Abaddon's anger of a massive explosion of the top of the swelled to heaven super volcano causes a deafening sound of thunder and a great earthquake such as never happened, as the lake of fire descends as an immense river of fire as the risen Abaddon/the Rock descends from heaven as an immense lake of fire to devour the rebellious round about the camp (new Jerusalem) of the saints (three groups of redeemed). The lake of fire continually flows from the immense mouth upon the high mountain of the super volcano to spread throughout the world and devour the sea of unsaved people. In the first timeline, the first death by a lake of fire happened to the unsaved nations just before the initial 1,000 years of the judgment began.

Ezekiel 38:14 Therefore, son of man, prophesy and say unto Gog {latter day Babylon}, Thus saith the Lord God; In that day when MY {one like the son of man equated with the risen Abaddon/the Rock} PEOPLE {three groups of redeemed} of {new} ISRAEL DWELLETH SAFELY {in new Jerusalem}, shalt thou not know it?

38:15 And THOU {latter day Babylon} shalt come from thy place out of the north parts {typified by old Babylon in the north parts}, thou, and many {unsaved} people with thee, all of them riding upon horses, a great company, and a mighty army:

38:16 And thou shalt come up against MY {Abaddon's/the Rock's} PEOPLE {three groups of redeemed within new

Jerusalem} of {new} Israel, as a cloud to cover the land; it shall be in the LATTER DAYS, and I {swelled to heaven super volcano full of a lake of fire and surrounded by an immense whirlwind of fire} will bring thee against my LAND {within the USA}, that the HEATHEN {unsaved} may know ME {risen Abaddon.the Rock}, when I shall be sanctified in thee, O Gog {latter day Babylon}, before their eyes.

38:17 Thus saith the Lord God; Art thou HE {latter day Babylon/USA} of whom I have spoken in old time by my servants the prophets of {old} Israel, which prophesied in those days many years that I would bring THEE {latter day Babylon} against THEM {three groups of redeemed within new Jerusalem}?

38:18 And it shall come to pass at the same time when Gog {latter day Babylon/USA and union of nations} shall come against the LAND {new Jerusalem} of {new} Israel, saith the Lord God, that MY {Abaddon's/the Rock's/super volcano's} fury shall come up in my FACE {lake of fire}.

38:19 For in my jealousy and in the FIRE {lake of fire} of MY {swelled to heaven super volcano full of a lake of fire} WRATH {massive eruption} have I SPOKEN {with an immense sound of thunder}, Surely in that DAY {great and dreadful day of the Lord/Abaddon} there shall be a GREAT SHAKING {caused by the massive explosion of the swelled to heaven super volcano, full of a lake of fire}

in the LAND {land of latter day spiritual Judah/USA where the super volcano is situated} of Israel {latter day spiritual Canaan};

38:20 *So that the fishes of the sea, and the fowls of the heaven, and the beasts of the field, and all creeping things that creep upon the earth, and all the men that are upon the face of the earth, shall shake at MY PRESENCE {at the massive explosion of the swelled to heaven super volcano, full of a lake of fire}, and the mountains shall be THROWN DOWN {by the massive earthquake-causing eruption such as never happened}, and the steep places shall fall, and every wall shall fall to the ground.*

38:21 *And I {being Abaddon/the Rock after the swelled to heaven super volcano's massive explosion when an immense river of fire is descending and spreading through the USA's land} will call for a SWORD {of anarchy} against HIM {latter day Babylon/USA} throughout all my MOUNTAINS {new land of latter day spiritual Isreal}, saith the Lord God {one like the son of man/two witnesses combined}: every man's sword shall be against his brother {during a terrible time of anarchy in the land}.*

38:22 *And I will plead against him with PESTILENCE {plagues of anarchy and famine} and with BLOOD {death}; and I will rain upon HIM {latter day Babylon/USA}, and upon his BANDS {states}, and upon the many {unsaved} people that are with HIM {USA}, an overflowing rain {rain of great hailstones and ejected*

coals of fire}, *and great hailstones, fire* {ejected coals of fire}, *and brimstone* {rivers of lava/brimstone}.

38:23 *Thus will I* {Abaddon/the Rock} **MAGNIFY** {spread as a lake of fire to cover the USA and world} *myself, and sanctify* {remain purified/holy by the intense heat radiating from the spreading lake of fire} **MYSELF** {being the spreading lake of fire from the immense mouth of the swelled to heaven super volcano}; *and I will be known in the eyes of many nations, and they shall know that I* {Abaddon/the Rock/super volcano} *am the Lord* {Lord of lords}.

During the initial 1,000 years of the judgment, the visions and oracles written on each scroll's first side were revealed to replay each past generation. At the end of the 1,000 years the visions and oracles written on the last scroll's (scroll of life's) first side began to be revealed to replay the things that happened in the last generation. Some time after the initial 1,000 years of the judgment, the scroll of life's written visions and oracles then replayed the time of the unsaved nations' death by a lake of fire, which was their second death, being an exact replay of their first death by a lake of fire that happened in the first timeline of all generations.

Revelation 20:10 And the DEVIL {false prophet/USA and the latter day Babylonian beast/union of nations} ***that***

DECEIVED THEM {nations, kindreds, tongues, and people} **was cast into the LAKE OF FIRE** {being the second death by the lake fiery lava, that flowed down from the top of the swelled to heaven super volcano within the USA} **and BRIMSTONE** {molten rock/lava}, **where** {in the previous replay of the first death by a lake of fire} **the BEAST** {lava covered kingdom of latter day Babylon} **and the FALSE PROPHET** {lava covered USA} **ARE** {where the USA and the beast/kingdom of the union of nations ended up in the first time line}, **and shall be tormented DAY** {according to the last witness'/spiritual bright morning sun's light/visions written on the first small part of the seventh part of the scroll of life's other side} **and NIGHT** {according to the first witness'/spiritual bright moon's light/visions written on the last small part of the seventh part of the scroll of life's first side} **forever and ever** {revealing that the lake of fire covering the land of the false prophet (USA) and beast (latter day Babylon's kingdom) burns forever and ever}.

The USA (being the false prophet that is of the latter day Babylonian beast/kingdom) and the latter day Babylonian beast (kingdom of the union of nations) tempted (as the devil) nations, kindreds, tongues, and people with the vision the devil (USA and the latter day Babylonian beast/kingdom) was promoting and enforcing.

Accordingly, nations, kindreds, tongues, and people were deceived into accepting latter day Babylon's vision for the

world's future instead of accepting the everlasting gospel, which proclaimed the written visions and oracles of the two witnesses regarding the world's future.

Some time after the initial 1,000 years of the judgment when the scroll of life's visions and oracles replayed the time when the lake of fire spread to cover the world, the devil (representing the tempting false prophet/USA with the latter day Babylonian beast/kingdom) was cast into the lake of fire being the second death), just as the beast (kingdom of latter day Babylon) and false prophet (USA) were cast into the lake of fire (being the first death that happened during the first timeline) just before the initial 1,000 years of the judgment began. The false prophet (USA) and the latter day Babylonian beast (kingdom) are already in the lake of fire that covered the world. When the overflowing and spreading lake of fire was replayed some time after the initial 1,000 years of the judgment, the devil (being the USA and beast/kingdom) ended up in the same place that the devil ended up in the first timeline. In the present replay of the last generation that we are presently reliving, the devil will again end up in the lake of fire with all the unsaved nations, kindreds, tongues, and people. The false prophet (USA and latter day Babylonian beast) had tempted (as a devil) and deceived them to accept what he envisioned for the world's future. The tormenting lake of fire that the false prophet (USA) and beast (kingdom of latter day Babylon) were cast into lasts

forever and ever, which means there is no respite from that everlasting death in the lake of fire.

***Isaiah 34:1** Come near, ye {unsaved} nations, to HEAR {the immense sound of thunder of the massive explosion of the swelled to heaven super volcano full of a lake of fire}; and hearken, ye people: let the earth hear, and all that is therein; the world, and all things that come forth of it.*

***34:2** For the indignation of the Lord {one like the son of man's visions and oracles revealing the time when the massive earthquake-causing eruption of Abaddon/the Rock happens} is upon all nations, and his fury upon all their armies: HE {the risen Abaddon/the Rock that moved through the USA and world as rivers of lava} hath utterly destroyed them, he hath delivered them to the slaughter.*

***34:3** Their slain also shall be cast out, and their stink shall come up out of their carcasses, and the mountains shall be melted with their BLOOD {because the unsaved nations and people are the fuel of the rivers of fire} .*

***34:4** And all the HOST {tall buildings} of HEAVEN {sky} shall be DISSOLVED {in the spreading lake of fire}, and the HEAVENS {skies} SHALL BE ROLLED TOGETHER AS A SCROLL {because of the tremendous heat of the spreading lake of fire that evaporated the moisture of clouds and atmospheres, stopping rain fall}: and all their HOST {tall buildings} shall fall down, as the leaf falleth*

off from the vine, and as a falling fig from the fig tree.

34:5 *For MY* {risen Abaddon's/the Rock's/super volcano's} *SWORD* {being the swelled to heaven super volcano's massive earthquake-causing eruption such as never happened that causes the lake of fire in the swelled to heaven super volcano yo overflow} *shall be BATHED IN HEAVEN* {with the blood/death of tall buildings that reach to heaven/sky and fell to the Earth and were covered by the spreading lake of fire,}: *behold, IT* {the massive earthquake such as never happened} *shall come DOWN* {from the top of the immense 40-mile wide exploded mouth of the swelled to heaven super volcano in the USA and travel throughout the land, followed by an immense river of fire that separates into many rivers of lava} *upon Idumea* {latter day new Idumea, which is outside the USA/spiritual Judah in spiritual Canaan/Israel}, *and upon the* {unsaved} *people of my curse, to judgment.*

34:6 *The SWORD of the Lord* {risen/Abaddon/the Rock} *is filled with BLOOD* {death}, *it is made fat with fatness, and with the blood of LAMBS AND GOATS* {referring to cities and towns}, *with the fat of the kidneys of rams: for the Lord* {Abaddon/the Rock/super volcano} *hath a sacrifice* {burnt sacrifice by a spreading lake of fire} *in Bozrah, and a great slaughter in the land of Idumea.*

23:7 *And the UNICORNS* {huge buildings that reach to the sky like horns} *shall COME DOWN with them, and the BULLOCKS WITH THE BULLS* {strong

tribes/states}; *and their land shall be soaked with BLOOD* {death by a lake of fire}, *and their dust made fat with fatness.*

34:8 *For it is the day of the Lord's* {Abaddon/the Rock's/super volcano's vengeance as replayed by the one like the son of man}, *and the year of recompences for the controversy of ZION* {new mount Zion/super volcano within new Jerusalem/immense whirlwind of fire}.

34:9 *And the STREAMS* {of water} *thereof shall be turned into PITCH* {fuel for the spreading lake of fire}, *and the dust thereof into BRIMSTONE* {lava}, *and the land thereof shall BECOME BURNING PITCH* {becomes burning fuel of the spreading lake of lava}.

34:10 *IT* {spreading lake of lava} *shall not be quenched night nor day; the smoke thereof shall go up FOR EVER: from generation to generation it shall lie waste; none shall pass through it for EVER AND EVER.*

Revelation 20:11 *And I saw a GREAT WHITE THRONE* {the great white throne of intense light now covers the world because the lake of fire, radiating an intense light, has covered the world}, *and HIM* {Abaddon/the Rock/super volcano} *that sat on IT* {the reigning great white throne of intense light covering the

world}, *from whose FACE* {of the lake of fire/lava} *the EARTH* {land} *and the HEAVEN* {Earth's atmosphere} *FLED AWAY* {no longer exist}; *and there was found NO PLACE* {in the lava covered world that consumed the destroyed the kingdom of latter day Babylon} *for THEM* {unsaved nations, kindreds, tongues, and people}.

The great white throne refers to the intense white light emanating from the lake of fire that has covered the world. At that time when the lake of lava covered the whole world, Abaddon/the Rock (swelled to heaven super volcano) is sitting and reigning on his great white throne of intense over the dissolved kingdom of latter day Babylon.

The lake of fire covering the world is the face of Abaddon/the Rock. From this face of a lake of fire, the world's land (Earth) and atmosphere (heaven) no longer exist (flee away). At that time, there was no place in the world that was not covered by the lake of fire for the unsaved nations, kindreds, tongues and people to exist. The replayed lake of fire is the second death, that was replayed for the first time some time after the initial 1,000 years of the judgment by the written visions and oracles of the one like the son of man. At that time, the scroll of life's visions and oracles replayed the time when the world was covered by a lake of fire, which is a replay of the first death by a lake of fire that happened before the initial

1,000 years of the judgment had begun.

Nahum 1:5 *The mountains QUAKE* {because of the massive earthquake-causing eruption such as never happened} *at HIM* {Abaddon the Rock/super volcano}, *and the HILLS MELT* {by the spreading lake of fire}, *and the EARTH* {all lands} *is BURNED* {by the spreading lake of fire} *at HIS* {Abaddon's/the Rock's} *presence, yea, THE WORLD, and ALL* {the unsaved} *THAT DWELL THEREIN* {everything in the world was burned by the spreading lake of fire in the first timeline, just as it will happen in the present replay of the last generation, that we are reliving}.

Revelation 20:12 *And I SAW* {after the lake of fire covered the world when the initial 1,000 years of the judgment began} *the DEAD, SMALL and GREAT, STAND* {all unsaved dead people that ended up in the lake of fire standing outside round about new Jerusalem as spirits/ghosts} *before GOD* {one like the son of man}; *and the BOOKS* {being the books/scrolls containing the written visions and oracles that replay the things that happened in all past generations} *were opened* {opened during the initial 1,000 years of the judgment}: *and another* {last} *BOOK* {last scroll/scroll of life} *was OPENED* {at the end of the initial 1,000 years of judgment}, *which is the BOOK* {scroll} *OF LIFE* {the

scroll of life contains the written visions and oracles that replay the things that happened in the last generation, the world being covered in a lake of fire, the new heaven and new Earth, and the time of the judgment}: ***and the DEAD*** {referring to all the rebellious dead of all generations manifesting as spirits/ghosts to view the opening of all the scrolls} ***were judged out of those things which were WRITTEN in the BOOKS*** {on each book/scroll is recorded the things that happened in each generation}, ***according to their WORKS*** {the part the rebellious people played in life while they were alive, as written on a scroll that recorded the things that happened in their generation}.

The world being covered by a lake of fire sometime after the initial 1,000 years of the judgment is a replay of when the lake of fire covered the world just before the initial 1,000 years of the judgment began. Accordingly, when it mentions the rebellious dead (who ended up in the lake of fire that covered the world) standing as spirits (ghosts) before God (one like the son of man) some time after the the initial 1,000 years of the judgment, it is a replay of when the same rebellious dead stood before God at the beginning of the initial 1,000 years of the judgment. The dead are judged from the things that are written in all the books (scrolls), that are revealed over and over and over by the one like the son of man (bright star/moon/first witness/God the father/visions and oracles written on the

last small part mixed with the bright morning star/sun/last witness/God's son/visions and oracles written on the last small part). The works of the rebellious dead that they had done in each generation are written on each scroll. The last scroll (scroll of life) had witnessed what the rebellious dead had done in the last generation. The visions and oracles written on each scroll and scroll of life reveal the works of the dead, which caused them to end up in the lake of fire. The scroll of life's written visions and oracles reveal the works of the dead, that kept them from believing the everlasting gospel and entering the ensign of new Jerusalem to escape the death that ends in a lake of fire.

Everything that was and is happening and being revealed during the judgment were and are being written by Michael (first witness/God the father) on the last small part of the seventh part of the scroll of life's first side. At the same time, Gabriel {last witness/son of God) writes everything that was and is happening on the first small part of the seventh part of the scroll of life's other side.

Some time after the initial 1,000 years of the judgment, the visions and oracles written on the last small part (first witness, that is equated with the bright moon at the ending of the seventh spiritual evening) of the seventh part of the scroll of life's first side began to be revealed with the visions and oracles written on the first small part (last witness, that is equated with the bright morning sun at the

beginning/dawn of the seventh day's daylight) of the seventh part of the scroll of life's other side. The visions and oracles written on the last small part (first witness) and first small part mixed together are referred to as the one like the son of man. All the works that adult males did in the last generation are written on the scroll of life's first side. From the time Abaddon had risen from the bottomless pit as a swelled to heaven super volcano (full of a lake of fire) then all things happening from that time were being written as visions and oracles on the last small part (first witness) and first small part (last witness). These visions and oracles written on the last small part and first small part began to be revealed some time after the initial 1,000 years of the judgment after all the other visions and oracles written on the scroll of life's first side (that is divided into seven spiritual evenings) were revealed to replay all things that happened to the time when Abaddon had risen as a swelled to heaven super volcano full of a lake of fire. Then when the visions and oracles written on the last small part and first small part began being revealed during the judgment, these visions and oracles then replayed the things that happened from the time Abaddon had risen as a super volcano full of a lake of fire, the redeemed entering into the ensign of new Jerusalem, the massive earthquake-causing eruption such as never happened, rivers of fire moving throughout the world, the world ending in a lake of fire, the new heaven and Earth beginning, the initial 1,000 years when all the scrolls were

opened to replay all past generations, and at the end of the 1,000 years the last scroll (scroll of life) began to be opened to replay the things that happened in the last generation and on.

Revelation 20:13 And the SEA {after the world is covered by a lake of lava, it thereafter becomes covered in a sea of water except in the USA, where the swelled to heaven super volcano is still full of a lake of fire} ***gave up the dead which were in it; and DEATH*** {death of the unsaved nations and people} ***and HELL*** {lake of fire still burning in the lava-covered USA} ***DELIVERED UP*** {when the first generation/Genesis began to be replayed through to the last generation and on} ***the DEAD*** {unsaved dead people in the USA covered by the lake of fire} ***which were in them: and they were JUDGED*** {be the visions and oracles written on each scroll's first side, that replayed each generation} ***every man according to their WORKS*** {the works they chose to do as witnessed and written on each scroll's first side. The works of the unsaved caused them to be outside new Jerusalem}.

The opening of the first book (scroll) during the judgment replays the time when the first generation of Genesis had begun. At that time when the first generation begun, the world was covered in darkness and by a sea of waters. Only the USA was still covered by a lake of fire. The light

of that lake of fire was the morning of the first day of Genesis.

Genesis 1:2 *And the EARTH {land} was without form, and void; and darkness was upon the face of the deep {deep sea covering the land}. And the Spirit of God {one like the son of man} moved upon the face of the waters.*

Jeremiah 4:23 *I {Jeremiah, who is being shown the replay of the beginning of Genesis when the first book/scroll was opened} beheld the EARTH {land}, and, lo, it was without form, and void; and the heavens, and they had no light.*

Genesis 1:28 *And God blessed them {Adam and Eve}, and God said unto them, Be fruitful, and multiply, and REPLENISH {replenish/refill the Earth just as they had done in the previous replay of the first generation} the earth, and subdue it: and have dominion over the fish of the sea, and over the fowl of the air, and over every living thing that moveth upon the earth.*

Isaiah 14:18 *All the kings of the nations, even all of them, LIE {dead} in glory, every one in his own house {as their land becomes covered by a sea of waters instead of a lake of fire}.*

14:19 *But THOU {land of the USA/false prophet} art cast out of thy grave {to be continually tormented by the lake*

of fire erupting from swelled to heaven super volcano}
*like an abominable branch, and as the raiment of those
that are slain, thrust through with a sword, that go down
to the stones of the pit; as a carcass trodden under feet.*

14:20 *THOU* {land of the USA} *shalt not be joined with
THEM* {all other lands of unsaved nations} *in BURIAL*
{the lands of other nations no longer being tormented by
the lake of fire that covered them, but are instead covered
by the waters mentioned in Genesis}, *because thou hast
destroyed thy land, and SLAIN THY PEOPLE* {with the
ideals that the USA/false prophet envisioned for the
world's future, causing the unsaved deceived people to end
up in a lake of fire}: *the seed of evildoers shall never be
renowned.*

After the visions and oracles written on the first scroll's
first side began to be revealed during the judgment, the
visions and oracles began to replay the first generation
(Genesis), then the visions and oracles written on the other
scrolls' first side were consecutively revealed to replay the
following generations through to the last generation. The
revealing of the visions and oracles written on the last
scroll's (scroll of life's) first side during the judgment
replayed the things that happened in the last generation.
The visions and oracles written on the scroll of life's first
side also replay how the last generation ended in a lake of
fire, that covered the world. When each scroll is replaying
what happened in each generation, the rebellious dead that
ended up in the lake of fire are standing during the

judgment as spirits (ghosts) to view the decisions they chose to follow, that kept them from accepting the everlasting gospel and entering the ensign to escape death by a lake of fire.

Revelation 20:14 And DEATH {the replayed death of the all the unsaved nations and people} ***and HELL*** {replay of the hell fire/lake of fire that covered the world} ***were CAST into the LAKE OF FIRE*** {lake of fire of the first death, that happened in the first timeline just before the initial 1,000 years of the judgment began}. ***This is the SECOND DEATH*** {the second death, that happened some time after the initial 1,000 years, is an exact replay of the first death in a lake of fire that happened just before the initial 1,000 years of the judgment began}.

The first timeline of all generations ended when the world was covered by a lake of fire. Then during the initial 1,000 years of the judgment, each scroll's first side was revealed to replay each generation. At the end of the 1,000 years of the judgment, the last scroll's (scroll of life's) first side was revealed to replay the last generation. Some time after the initial 1,000 years of the judgment, the scroll of life's visions and oracles written on its last small part (bright moon/first witness) and first small part (morning sun/last witness) began to be revealed to replay all things that happened from the time Abaddon/the Rock had risen as a

swelled to heaven super volcano, full of a lake of fire, and all the redeemed entering the ensign of new Jerusalem, the world ending in a lake of fire (second death), the new heaven and new Earth, the replay of the initial 1,000 years of the judgment when each scroll was revealed, the replay of the time when the last scroll (scroll of life) began to be revealed to replay the last generation, and the replay of the time when the visions and oracles written on last small part and first small part began to be revealed and on. Accordingly the second death of the re-living dead (that died in the first death in the first timeline) is an exact replay of the hell fire (lake of fire) they were already cast into during their first death, as written in Revelation 20:14.

Revelation 20:15 And WHOSOEVER was NOT FOUND WRITTEN {as playing a living part} ***in the BOOK*** {scroll} ***OF LIFE*** {in which is still written the three groups of redeemed that entered alive into new Jerusalem to be living in the new heaven and new Earth} ***was cast into the LAKE OF FIRE*** {the lake of fire that overflowed and spread from the swelled to heaven super volcano and cover the world}.

The unsaved nations and people are the ones that rejected the everlasting gospel and did not enter the ensign to be within new Jerusalem to not end up in the lake of fire.

From the time the unsaved nations and people had died and ended up in the lake of fire, they were no longer written on the scroll of life because they no longer had a living part in life. Written on the scroll of life are the things that already happened in the last generation, the things that are happening in the new heaven and new Earth, and the things that are happening during the judgment. Since the rebellious people were already blotted out of the scroll of life when they ended up in the lake of fire in the first timeline just before the initial 1,000 years of the judgment began, they were again cast into the lake of fire when it was replayed some time after the initial 1,000 years of the judgment.

On the scroll of life are written the three groups of redeemed entering the ensign while alive to be within new Jerusalem to escape death by the lake of fire, that covered the world. The scroll of life's written visions and oracles had also witnessed the three groups of redeemed living in the new heaven and new Earth after the old heaven and old Earth ended in a lake of fire. At the same time when the old world became covered by a lake of fire, the three groups of redeemed were standing as spirits (ghosts) within new Jerusalem in front of the throne of God (some like the son of man) from the beginning of the initial 1,000 years of the judgment.
