

Chapter 20

Revelation 20:1 And I saw an ANGEL {this angel represents the vision of the risen seventh plagued angel} ***COME DOWN*** {as an overflowing and spreading lake of fire} ***from HEAVEN*** {being the top of the swelled to heaven super volcano}, ***HAVING THE KEY*** {the key/earthquake that opened the bottomless pit at the end of the sign of Jonah} ***of the BOTTOMLESS PIT*** {super volcano} ***and a GREAT CHAIN*** {representing the stream of lava descending from the high mountain of the super volcano} ***in his HAND.***

The Apostle John saw an angel come down from heaven having the key to the bottomless pit and a huge chain in his hand. This angel represents the vision of the risen seventh plagued angel descending from the super volcano's immense and high mountain as an extremely wide stream (chain) of lava. This wide stream of overflowing lava is referred to as the chain in the seventh plagued angel's hand.

The key that the angel has represents the earthquake that had already opened the bottomless pit at the end of the sign of Jonah. The seventh plagued angel has the key because that event of the earthquake (key) opening the bottomless pit, after the sign of Jonah, is written on the last small part (equated with the seventh plagued angel) of

the scroll of life. A vision and oracle written on the seventh plagues angel replayed the opening of the bottomless pit at the end of the sign of Jonah.

Accordingly, the seventh plagues angel (Abaddon/destroyer) gave the key (earthquake) to the falling star (exploding super volcano) so that he could open the bottomless pit in Revelation 9:1.

Revelation 20:2 *And HE* {risen seventh plagues angel as an intensely bright light with a lake of fire descending from the high super volcano's 40-mile wide mouth as an extremely wide river of flowing fire/lava} **laid HOLD** {hence the extremely wide stream of flowing lava takes hold of the nations} **on the DRAGON** {being the seven-headed latter day Babylonian beast/kingdom in spiritual Canaan}, **that OLD SERPENT** {deceiver/beguiler}, **which is the DEVIL** {tempter}, **and SATAN** {adversary}, **and BOUND HIM** {hence the kingdom of latter day Babylon has ended until the seventh plagues angel replays again the last generation} **a THOUSAND YEARS** {being the initial 1,000 years of the judgment that are being replayed over, and over, and over by the seventh plagues angel's written visions and oracles}

The verse in Revelation 20:2 is revealing the end of the seven-headed ten-horned latter day beast (kingdom) of Babylon. However, it states in Revelation 20:2 that the

latter day dragon (beast/kingdom)

is bound by chains of flowing fire for 1,000 years. The reason is that during the initial 1,000 years of the judgment, each scroll (except the last scroll/scroll of life) was opened to reveal what happened in each generation from Genesis to the beginning of the last generation. After the 1,000 years, the last scroll (scroll of life) replays what in the last generation when the latter day dragon (beast/kingdom) was living before he ended up in the lake of fire.

Babylon's kingdom will be, as it were, imprisoned for 1,000 years in a bottomless pit that overflowed and covered the world in a lake of fire. The USA is the mouth-piece of the latter day Babylonian dragon (union of nations), that deceives (as a serpent) with the USA's ideals that the USA and dragon envision for the world's future, tempts (as the devil) nations and peoples to accept its way of thinking, and is an adversary (Satan) that speaks against any nation that rejects the ideals (mark of the beast).

Revelation 20:3 And cast HIM {latter day Babylonian dragon/beast/kingdom} ***into the BOTTOMLESS PIT*** {the bottomless pit/super volcano had spread as a lake of lava to cover the world}, ***and shut him up, and set a*** {temporary} ***SEAL*** {first of seven seals around the seven

sealed scroll of life} **upon HIM** {beast/kingdom of latter day Babylon}, **that HE** {latter day Babylonian dragon that enforces the USA's ideals on rogue nations} **should DECEIVE** {with the false prophet/USA} **the nations no more, TILL the THOUSAND YEARS** {being the initial 1,000 years of the judgment} **should be fulfilled: and AFTER THAT he must be LOOSED** {loosed after 1,000 years when the last generation is replayed during the judgment according to the written visions and oracles on the last scroll/scroll of life} **a LITTLE SEASON.**

The latter day Babylonian dragon's kingdom and the world ends when the world is covered in a lake of fire. Accordingly the nations and peoples of the latter day dragon are no longer living to be playing a part in life. Accordingly a seal is set until the seal is removed. When the first seal around the rolled-up seven-sealed scroll of life began to be unsealed at the end of the 1,000 years, it began to replay the time when the latter day messenger began to reveal his new message from beneath the first seal. At that time of the opening of the first seal, the latter day dragon was living in the land, just as it had lived before it ended up in the lake of fire.

Revelation 20:4 And I saw THRONES {that reign over latter day Babylon's lava covered kingdom}, **and THEY** {three groups of redeemed} **that sat upon them, and**

JUDGMENT {the judgment began when the world was covered in a lake of fire} *was given unto them: and I saw the SOULS OF THEM* {of the patriarchs, messiahs, apostles, disciples, and overcomers} *that were BEHEADED* {for prophesying of the everlasting gospel when the super volcano was erupting smoke and ash} *for the WITNESS OF* {latter day new} **JESUS, and for the WORD** {written visions and oracles} **OF GOD** {seventh plagued angel}, *and which had not WORSHIPED the BEAST* {kingdom of latter day Babylon/confusion}, *neither his IMAGE* {third reigning period of the latter day Babylonian beast}, *neither had received his MARK* {wine/ideals that the USA envisioned for the world's future} *upon their FOREHEADS* {minds}, *or in their HANDS* {receiving the spiritual wine cup full of ideals}; *and THEY lived and REIGNED* {reigned over the lava covered kingdom of latter day Babylon} *with CHRIST* {Lamb/message of latter day Yahshua} **a THOUSAND YEARS** {being the initial 1,000 years of the judgment when the books/scrolls are being opened before the last book/scroll of life is opened/reviewed}.

All the redeemed that entered the ensign before the lake of fire overflowed and spread to cover the world are reigning on thrones during the judgment. The redeemed are reigning over the lava covered kingdom of latter day Babylon when the judgment began. Among the redeemed are people that were killed for proclaiming the everlasting

gospel, as they were witnesses to the message of latter day new Yahshua and for the word (written visions and oracles) of the seventh plagued angel (God). The redeemed will have not worshiped the ways and beliefs (mark) of the latter day Babylonian beast, that reigned as the sixth kingdom and seventh kingdom. Also the redeemed will have not worshiped the ways and beliefs (mark) of the beast's, image (exact likeness), that reigned as the eighth kingdom. When people accept the figurative wine cup full of visions of what the latter kingdom believes the world's future will be (having rejected the two witnesses' visions concerning the world's future), they have accepted into their hand the mark (wine cup) of the latter day reigning beast (kingdom). When people drink of the figurative wine cup full of visions, they then have the mark of the visions written on their forehead (front of the mind).

The redeemed that entered the ensign of new Jerusalem before the lake of lava overflowed and covered the world, accepted the two witnesses written visions and oracles, which prophesied of the rising of God (seventh plagued angel) from the swelled to heaven bottomless pit to rule over the world. Accordingly, the redeemed did not accept latter day Babylon's wine cup (full of their visions for the world's future) into their hand or drink the wine and have the mark of the visions written (believed) on their foreheads (front of their minds). From the time the world

was covered in a lake of fire, the three groups of redeemed have been within new Jerusalem and reigning with latter day Yahshua during the initial 1,000 years of the judgment and on.

Revelation 20:5 But the REST {rest of the latter day rebellious people that did not accept the everlasting gospel and enter new Jerusalem's ensign} ***of the DEAD*** {who are dead in a lake of fire that covered the world} ***lived NOT AGAIN UNTIL the THOUSAND YEARS*** {being the initial 1,000 years of the judgment} ***were FINISHED*** {because the scroll of life begins to be revealed when the 1,000 years are finished to replay the lives of everyone who was living in the last generation}. ***This is the FIRST RESURRECTION*** {the first resurrection for the people that were killed for proclaiming the everlasting gospel when the super volcano was erupting smoke and ash for five months}.

The people killed that were killed for proclaiming the everlasting gospel will have resurrected (referred to as the first resurrection in Revelation 20:5) to enter the ensign of new Jerusalem with all the redeemed. Thereafter, the lake of lava overflowed and spread to cover the world. All the people that had not accepted the everlasting gospel to enter the ensign of new Jerusalem will be dead in the lake of fire that covered the world. From that time when the

lake of fire had covered the world, the initial 1,000 years of the judgment had begun. During the judgment, the dead are as ghosts (hence in the spirit) around new Jerusalem to view the opening of each scroll that replays each generation. When the last scroll (scroll of life) is opened at the end of the initial 1,000 years, then the scroll of life's written visions and oracles replay all things that happened in the last generation. Accordingly, after the initial 1,000 years of the judgment, the dead in the lake of fire will be living again because their former lives in the last generation are being replayed according to the visions and oracles written on the scroll of life.

Revelation 20:6 BLESSED and HOLY is HE {the people that were killed for proclaiming the everlasting gospel} **that hath PART in the FIRST RESURRECTION** {this first resurrection happens when the seventh plagued angel has risen on the swelled to heaven super volcano full of a lake of fire but not yet overflowing}: **on SUCH** {latter day martyrs} **the SECOND DEATH** {which is a replay of the first death in a lake of fire that covers the world} **hath NO POWER** {because the blessed and holy martyrs will resurrect after their replayed martyred death, just as they resurrected in the first resurrection after they were martyred to enter the ensign before the lake of lava overflowed and spread to cover the world}, **but THEY** {latter day martyrs that proclaimed the everlasting gospel}

shall be PRIESTS {of the temple/high mountain of the super volcano, where the priests of four four-winged beasts, priests of elders, and priests of a great multitude} *of God* {seventh plagued angel} *and of* {latter day} *Christ* {Lamb/message of latter day Yahshua}, *and shall REIGN with him a THOUSAND YEARS* {these 1,000 years are a replay of the initial 1,000 years of the judgment}.

The Martyrs that rose to life and health in this first resurrection mentioned in Revelation 20:6 and entered the ensign of new Jerusalem are blessed and holy priests on the high mountain of the super volcano, as are all the redeemed that entered the ensign. When the world was covered in a lake of fire, these martyrs were reigning as priests over latter day Babylon's lava-covered kingdom when the initial 1,000 years of the judgment had begun.

After the initial 1,000 years ended and the last scroll (scroll of life) was opened, it replayed the things that happened in the last generation. Accordingly, the death and resurrection of the martyrs was again replayed, which is how they died in the last generation for proclaiming the everlasting gospel. However the second death (being an exact replay of the first death in a lake of fire that covered the world) has no power over them because in the replay of the first death in a lake of fire that covered the world, the martyrs will have already resurrected to enter the ensign before the lake of fire overflowed and spread to

cover the world. If the first death that happened just before the 1,000 years began had no power over the resurrected martyrs who entered the ensign of new Jerusalem to escape the first death, then the second death (being and exact replay of the first death) has no power over the same martyrs. The replay of the last generation and the time of the judgment after the initial 1,000 years of the judgment will again replay the martyrs resurrecting to enter the ensign of new Jerusalem to reign with latter day Christ for the initial 1,000 years of the judgment.

Revelation 20:7 And when the THOUSAND YEARS are EXPIRED {then the last scroll/scroll of life was unsealed and opened}, ***SATAN*** {adversary/latter day Babylon's union of nations} ***shall be LOOSED out of his PRISON*** {the prison of a lake of fire/lava that covered the world. The unsealing and opening of the scroll of life's written visions and oracles replayed the things that happened in the last generation, new heaven and new Earth, and the time of the judgment},

Before the initial 1,000 years of the judgment began, the latter day dragon was cast into a lake of fire after all the redeemed entered new Jerusalem's ensign. This dragon (beast/kingdom) of latter day Babylon in the lake of fire was the adversary (Satan) against the people that proclaimed the everlasting gospel. At the end of the initial

1,000 years of the judgment, the last scroll (that was rolled-up and sealed with seven seals) began to be unsealed and opened, which is equated with the time when the latter day messenger began to reveal his new message from beneath the first seal of the seven-sealed rolled-up scroll of life. As the last scroll (scroll of life) was being unsealed and opened in heaven (as revealed in Revelation 5:1; 6:1), the revealing of the scroll of life's written visions and oracles began to replay the things that happened in the last generation from the time the latter day messenger was revealing his new message from beneath the scroll of life's first seal. At that time, the union of nations of the latter day dragon (beast/kingdom) was living on the Earth. Accordingly the latter day dragon (the adversary of those that proclaimed the everlasting gospel) was loosed out of his prison (lake of fire) when the last generation began to be replayed.

Isaiah 14:9 Hell {lake of fire} from beneath is moved for thee to meet THEE {kingdom of latter day Babylon} at thy COMING {when the last scroll/scroll of life replays the time when the dragon/Satan was living in the last generation before he ended up in the lake of fire}: it stirreth up the DEAD {the scroll of life replays the time when the rebellious dead who ended up in the lake of fire were living in the last generation} for THEE {latter day Babylon's kingdom}, even all the chief ones of the earth; it hath raised up from their thrones all the kings of the

nations.

Revelation 20:8 And {the latter day Babylonian dragon/Satan/union of nations was loosed from the lake of fire back to the time it existed in the latter day generation} ***shall go out to DECEIVE the NATIONS*** {to unite three separate times the union of nations that enforces the USA's ideals that it envisions for the world's future} ***which are in the four quarters of the EARTH*** {Earth/land of spiritual Canaan}, ***GOG*** {kingdom of the dragon – coalition – in spiritual Goshen of spiritual Egypt in the south/Gog} ***and MAGOG*** {kingdom of the beast of latter day Babylon in the north/Magog}, ***to gather THEM*** {union of nations} ***together to BATTLE*** {the replay of the battle of Armageddon between the latter day Babylonian beast/dragon/kingdom and the risen seventh plagued angel from the swelled to heaven super volcano who descends as an overflowing lake of fire with a host of great hailstones and many chariots/whirlwinds of fire}: ***the number of WHOM*** {rebellious people} ***is as the sand of the sea.***

In the past type, Gog (floor) referred to the kingdom of old Egypt in the south (floor), while Magog (ceiling) referred to the kingdom of Nebuchadnezzar's Babylon in

the north (ceiling). However, the southern kingdom of Egypt did not give its strength to the kingdom of old Babylon. Instead, the old Babylon city and nation united all nations in the four corners of the land (Gog and Magog) by force. No deception was employed by old Babylon to unite the nations as one kingdom. This past type is borrowed to construct written prophecy in the Book of Revelation, except latter day Babylon (initially the USA and its capital) deceives the nations with its awesome military capabilities to accept the ideals that the USA envisions for the world's future. The union of nations agree and unite to enforce the USA's ideals on any non complying nation. However, the USA's vision for the world's future blasphemes against the two witnesses' visions and oracles written on the seventh plagued angel (who is equated with the last small part of the scroll of life) concerning this world's future.

In our day, Gog (spiritual Egyptian dragon) represented the nations that ruled as the fifth reigning kingdom (in the time latter day Elijah was revealing his message) until they became divided and were no longer united to rule as the fifth kingdom. Thereafter the former coalition of spiritual Gog (spiritual Egyptian dragon kingdom of the south/Gog) was deceived by the USA's leadership (being the false prophet that proclaimed his false vision to the union of nations) to unite and become the union of nations ruling as latter day Babylon (Magog/north) to enforce

what the USA envisions for the world on a rogue nation (Iraq). That time represented latter day Babylon's first reigning period as the number six kingdom in spiritual Goshen in spiritual Egypt. At the end of latter day Babylon's first of three reigning periods, the union of nations were no longer united in enforcing the USA's ideals on rogue nations.

When the USA's leadership (false prophet) in the USA's ruling capital (false prophetess) healed its wound of division among its leaders, it then deceived (as a false prophet) the former union of nations of spiritual Gog (fifth reigning kingdom as spiritual Egypt) and Magog (sixth reigning kingdom as spiritual latter day Babylon) to again unite and enforce what the USA envisions for the world on a rogue nation (Libya). This is referred to as latter day Babylon's second reigning period as the number seven kingdom, but in spiritual Canaan (see Daniel 8:25; 11:6). At the end of this second reigning period, the leaderships of the union of nations became divided in enforcing the USA's ideals that the USA envisions for the world's future.

The wound of division will again heal when the USA's leadership (third/final ruling false prophet) deceives the same union of nations (that ruled as the fifth kingdom of the south/Gog and as the sixth kingdom of the north/Magog) to agree and unite and rule as the number eight kingdom being the latter day Babylonian beast's third reigning period, which lasts for 1290 days. In that

time, the union of nations will enforce the USA's ideals on any rogue nation for 1290 days. At the end of these 1290 days (when the sign of Jonah also ends), the super volcano explodes and erupts smoke and ash for five months. During these five months, the everlasting gospel is proclaimed to convert a great multitude. Then when the seventh plagues angel has risen when the swelled to heaven bottomless pit has filled with a lake of fire, all the redeemed will enter the ensign of new Jerusalem. Thereafter, the swelled to heaven super volcano explodes, with a great sound of thunder, and causes a great earthquake such as never happened. At that great earthquake such as never happened, the risen seventh plagues angel descends as a lake of fire from the high mountain of the swelled to heaven super volcano, as great hailstones rain on the land with whirlwinds of fire during the battle of Armageddon.

The latter day dragon will have deceived multitudes of people that are as the sand of the sea in number. These people rejected the everlasting gospel and remained outside the ensign of new Jerusalem to instead hope in the USA's vision of the world's future, that the latter day dragon (Satan/adversary) of Babylon had promoted and enforced with a quick punishment of death for anyone trying to cause a division among the people when the super volcano was erupting smoke and ash for five months in the USA.

Revelation 20:9 And **THEY** {rebellious people of the world that did not enter the ensign of new Jerusalem} **WENT UP** {in an attempt to implement something to somehow stop the swelled to heaven super volcano from overflowing with a lake of fire} **on the breadth of the EARTH** {Earth/land of the USA}, **and COMPASSED** {referring to the rebellious people compassed/around} **the CAMP** {new Jerusalem/huge whirlwind of fire that surrounds the high mountain of the super volcano full of a lake of fire} **of the SAINTS** {who are the three groups of redeemed that entered the fiery ensign to be within new Jerusalem before the lake of fire descends from the swelled to heaven super volcano} **about, and the BELOVED CITY** {new Jerusalem}: **and FIRE** {lake of fire/lava} **came DOWN from God** {risen seventh plagued angel} **OUT OF HEAVEN** {out of the swelled to the sky/heaven super volcano}, **and devoured THEM** {devoured the rebellious people outside round about the camp that had rejected the everlasting gospel to remain outside the fiery ensign of new Jerusalem and be devoured by an overflowing and spreading lake of fire}.

All the saints (three groups of redeemed that are re-saved/redeemed during each replay) will have entered the intense light of the ensign emanating around and above new Jerusalem. New Jerusalem represents a huge fiery whirlwind, which is the camp of the redeemed (re-saved)

that entered the camp. The rebellious people, that are as the sand of the sea, rejected the everlasting gospel and instead remained outside round about the camp of the saints. At that time, the swelled to heaven super volcano was full of a lake of fire and surrounded by an immense whirlwind of fire (new Jerusalem). The rebellious will be around the immense whirlwind of fire trying to implement their ideas and devices in an attempt to cause the immense whirlwind of fire and the swelled to heaven super volcano (full of a lake of fire) to die down. Instead, a massive explosion of the top of the swelled to heaven super volcano causes a deafening sound of thunder and a great earthquake such as never happened, as the lake of fire descends from the risen seventh plagues angel (God) to devour the rebellious round about the camp (new Jerusalem) of the saints (three groups of redeemed). The lake of fire continually flows from the immense mouth upon the high mountain of the super volcano to spread throughout the world and devour the sea of rebellious people. The death of the rebellious people, that happened after the initial 1,000 years of the judgment, was a replay of their death that happened just before the initial 1,000 years of the judgment had begun.

Revelation 20:10 And the DEVIL {false prophet/USA and the latter day Babylonian beast/union of nations} ***that DECEIVED THEM*** {peoples, kindreds, and tongues}

was cast into the LAKE OF FIRE {being the lake of fiery lava flowing from the swelled to heaven super volcano from within the USA} *and BRIMSTONE* {molten rock/lava}, *where* {in the previous replay of the last generation} *the BEAST* {lava covered kingdom of latter day Babylon} *and the FALSE PROPHET* {lava covered USA} *ARE* {where the USA and the beast/kingdom of the union of nations ended up in the previous replay of the last generation}, *and shall be tormented DAY* {according to the last witness'/spiritual sun's light/visions written on the scroll of life's last side} *and NIGHT* {according to the first witness'/spiritual moon's light/visions written on the scroll of life's first side} *forever and ever* {revealing that the lake of fire covering the land of the false prophet (USA) and beast (latter day Babylon's kingdom) burns forever and ever}.

The USA (being the false prophet that is of the latter day Babylonian beast/kingdom) and the latter day Babylonian beast (kingdom of the union of nations) tempted (as the devil) peoples, kindreds, and tongues with the vision the devil (latter day Babylonian beast /kingdom) was promoting and enforcing. Accordingly, peoples, kindreds, and tongues were deceived into accepting latter day Babylon's vision for the world's future instead of accepting the everlasting gospel.

After the initial 1,000 years of the judgment when the lake of fire that spread to cover the world was replayed, the

devil (representing the tempting false prophet/USA with the latter day Babylonian beast/kingdom) was cast into the lake of fire, just as the beast (kingdom of latter day Babylon) and false prophet (USA) were cast into the lake of fire just before the initial 1,000 years of the judgment began. The false prophet (USA) and the latter day Babylonian beast (kingdom) are already in the lake of fire that covered the world. When the overflowing and spreading lake of fire was replayed, the devil (being the USA and beast/kingdom) ended up in the same place that the devil ended up in the previous replay. In the present replay of the last generation that we are presently reliving, the devil will again end up in the lake of fire with all the peoples, kindreds, and tongues that he tempted and deceived to accept what he envisioned for the world's future. The tormenting lake of fire that the false prophet (USA) and beast (kingdom) were cast into lasts forever and ever, which means there is no respite from that everlasting death.

Revelation 20:11 And I saw a GREAT WHITE THRONE {representing the intense light emanating from the immense lake of fire}, ***and HIM*** {risen seventh plagued angel} ***that sat on IT*** {the reigning great white throne covering the world}, ***from whose FACE*** {of covering lava} ***the EARTH and the HEAVEN*** {Earth's atmosphere} ***FLED AWAY*** {no longer exist}; ***and there***

was found NO PLACE {in the lava covered world that consumed the destroyed kingdom of latter day Babylon} *for THEM* {rebellious dead people}.

The great white throne refers to the intense white light emanating from lake of fire that covered the world. At that time when the lake of lava covered the whole world, the risen seventh plagued angel is sitting and reigning as a great light with the lake of fire upon the dissolved kingdom of latter day Babylon.

The intense white light with fire (lava) of the seventh plagued angel's face covering the world causes the land (Earth) and atmosphere (heaven) to no longer exist (flee away). At that time, there was no place in the world that was not covered by the lake of fire for the peoples, kindreds, and tongues to exist in. That time was the time after the initial 1,000 years when the world was covered in a lake of fire, which is a replay of the same dead that ended up in the lake of fire that covered the world just before the initial 1,000 years had begun.

Nahum 1:5 *The mountains quake at HIM* {risen seventh plagued angel}, *and the HILLS MELT* {by the spreading lake of fire}, *and the EARTH* {all lands} *is BURNED* {by the spreading lake of fire} *at HIS* {risen seventh plagued angel's} *presence, yea, THE WORLD, and ALL THAT DWELL THEREIN* {everything in the world was burned by the spreading lake of fire in the previous replay, just as

it will happen in the present replay of the last generation}.

Revelation 20:12 And I SAW {after the lake of fire covered the world} **the DEAD** {all rebellious people standing outside round about new Jerusalem as spirits/ghosts}, **SMALL and GREAT, STAND** {as spirits/ghosts after ending up in the lake of fire that covered the world} **before GOD** {reigning seventh plagues angel upon the high mountain of the super volcano within new Jerusalem}; **and the BOOKS** {being the books/scrolls containing the written visions and oracles that replay the things that happened in all past generations} **were opened** {opened during the initial 1,000 years of the judgment}: **and another** {last} **BOOK** {last scroll/scroll of life} **was OPENED** {at the end of the initial 1,000 years of judgment}, **which is the BOOK** {scroll} **OF LIFE** {the scroll of life contains the written visions and oracles that replay the things that happened in the last generation, the world being covered in a lake of fire, the new heaven and new Earth, and the time of the judgment}: **and the DEAD** {referring to all the rebellious dead of all generations manifesting as spirits/ghosts to view the opening of all the scrolls} **were judged out of those things which were WRITTEN in the BOOKS** {on each book/scroll is recorded the things that happened in each generation}, **according to their WORKS** {the part rebellious people played as written in a scroll that

recorded the things that happened in their generation}.

The world being covered in a lake of fire sometime after the initial 1,000 years is a replay of when the lake of fire covered the world just before the initial 1,000 years of the judgment began. Accordingly, when it mentions the rebellious dead (who ended up in the lake of fire that covered the world) standing as spirits (ghosts) before God (seventh plagues angel) sometime after the the initial 1,000 years of the judgment, it is a replay of when the same rebellious dead stood before God at the beginning of the initial 1,000 years of the judgment. The dead are judged from the things that are written in all the books (scrolls), that are revealed over and over and over by the seventh plagues angel (last small part of the scroll of life). The works of the rebellious dead refer to the things they did during their lives (as recorded in the scrolls and the scroll of life) which kept them from believing the everlasting gospel and entering the ensign of new Jerusalem to escape the death that ends in a spreading lake of fire.

Everything that was and is happening and being revealed during the judgment were and are being written by Michael and Gabriel on the last small part (equated with the seventh plagues angel) of the scroll of life. The opening of each scroll during the initial 1,000 years of the judgment replayed each past generation. At the end of the 1,000 years, the last book (scroll of life) replayed what

happened in the last generation.

Some time after the initial 1,000 years of the judgment, the last small part (equated with the seventh plagued angel/God) of the scroll of life began to be revealed. This last small part of the scroll of life began to replay the time when the risen seventh plagued angel had descended from the high mountain as a great light with an overflowing and spreading lake of fire that covered the world. Then the last small part of the scroll of life began to replay what happened during the initial 1,000 years of the judgment when the books (scrolls) were opened to replay all past generations, as stated in Revelation 20:12. Thereafter the last small part of the scroll of life then replayed what happened at the end of the initial 1,000 years when another book (book/scroll of life) was opened to replay what happened in the last generation that ended in a lake of fire, as stated in Revelation 20:12. Then the last small part of the scroll of life replays the time when the last small part of the scroll of life began to be revealed, etc.

Revelation 20:13 And the SEA {the lake of lava that covered the world instead becomes covered in a sea of water} ***gave up the dead which were in it; and DEATH*** {first death of rebellious people} ***and HELL*** {lake of fire still burning in the lava covered USA} ***delivered up the DEAD*** {rebellious people in the lava covered USA}

which were in them: and they were JUDGED {from the things written on all scrolls. From the opening of the first scroll that replayed the first generation of Genesis through to the opening of last scroll that replayed the last generation and the time of the judgment} *every man according to their WORKS* {the works they chose to do as recorded on all scrolls which kept them from accepting the everlasting gospel and escaping death by entering the ensign to be within new Jerusalem}.

The opening of the first book (scroll) during the judgment replays the time when the first generation of Genesis had begun. At that time when the first generation begun, the world was covered in darkness and by a sea of waters. Only the USA was still covered in a lake of fire. The light of that lake of fire was the morning of the first day of Genesis.

Genesis 1:2 And the EARTH {land} was without form, and void; and darkness was upon the face of the deep {sea covering the land}. And the Spirit of God {seventh plagued angel} moved upon the face of the waters.

Jeremiah 4:23 I {Jeremiah, who is being shown the replay of the beginning of Genesis when the first book/scroll was opened} beheld the EARTH {land}, and, lo, it was without form, and void; and the heavens, and they had no light.

Genesis 1:28 *And God blessed them {Adam and Eve}, and God said unto them, Be fruitful, and multiply, and REPLENISH {replenish/refill the Earth just as they had done in the previous replay of all generations} the earth, and subdue it: and have dominion over the fish of the sea, and over the fowl of the air, and over every living thing that moveth upon the earth.*

Isaiah 14:18 All the kings of the nations, even all of them, lie {dead} in glory, every one in his own house {as their land becomes covered by a sea instead of a lake of fire}.

14:19 But THOU {land of the USA/false prophet} art cast out of thy grave {to be continually tormented by the lake of fire erupting from swelled to heaven super volcano} like an abominable branch, and as the raiment of those that are slain, thrust through with a sword, that go down to the stones of the pit; as a carcase trodden under feet.

14:20 THOU {land of the USA} shalt not be joined with THEM {all other lands of nations} in BURIAL {the lands of other nations no longer being tormented by the lake of fire that covered them but are instead covered by the waters mentioned in Genesis}, because thou hast destroyed thy land, and SLAIN THY PEOPLE {with the vision that the USA/false prophet envisioned, promoted, and enforced for the world's future which caused the people to end up slain in a lake of fire}: the seed of evildoers shall never be renowned.

After the first scroll was opened to replay the first generation of Genesis, then the other scrolls were consecutively opened to replay the following generations through to the last generation. The opening of the last scroll (scroll of life) replays the things that happened in the last generation and the time of the judgment. The scroll of life's written visions and oracles also replay how the last generation ended in a lake of fire that covered the world. When each scroll is replaying what happened in each generation, the rebellious dead that ended up in the lake of fire are standing during the judgment as spirits (ghosts) to view the lives which they chose to live, that kept them from accepting the everlasting gospel and entering the ensign to escape death by a lake of fire.

Revelation 20:14 And DEATH {the replayed death of the all the rebellious} ***and HELL*** {replay of the hell fire/lake of fire that covered the world} ***were CAST into the LAKE OF FIRE*** {of the first death that happened just before the initial 1,000 years of the judgment began}. ***This is the SECOND DEATH*** {the second death, that happened some time after the initial 1,000 years, is an exact replay of the first death in a lake of fire that happened just before the initial 1,000 years of the judgment began}.

Some time after the initial 1,000 years of the judgment, the last small part of the scroll of life replayed the time

when all the scrolls were opened and the time when the last scroll was opened and replayed what happened in the last generation. Accordingly, the last small part of the scroll of life replayed the lives that the rebellious dead were re-living in the last generation. In the last generation, the re-living dead had rejected the everlasting gospel and did not enter the ensign to escape the death that befell them in the previous replay of the last generation. Accordingly the death of the re-living dead and the replayed hell fire they ended up in were again cast into the lake of fire when their death by hell fire was replayed. Hence it is the second death of the re-living dead, which their second death in a lake of fire is an exact replay of their first death by hell fire (lake of fire).

Revelation 20:15 And WHOSOEVER was NOT FOUND WRITTEN {as playing a living part} ***in the BOOK*** {scroll} ***OF LIFE*** {in which is written concerning the three groups of redeemed living in the new heaven and new Earth from the time they entered the ensign of new Jerusalem} ***was cast into the LAKE OF FIRE*** {the lake of fire that overflowed and spread from the swelled to heaven super volcano to cover the world}.

The rebellious people are the ones that rejected the everlasting gospel and did not enter the ensign to be within new Jerusalem to escape death by a lake of fire.

From the time the rebellious people had died and ended up in the lake of fire, they were no longer written in the scroll of life because they are not playing a living part in life. Written on the scroll of life (which represents part of the memory of Michael and Gabriel) are the things that already happened in the last generation, the things that are happening in the new heaven and new Earth, and the things that are happening during the judgment. Since the rebellious people were already blotted out of the scroll of life when they ended up in the lake of fire just before the initial 1,000 years of the judgment began, they were again cast into the lake of fire when it was replayed some time after the initial 1,000 years of the judgment.

In the scroll of life is written the three groups of redeemed entering the ensign while alive to be within new Jerusalem to escape death by the lake of fire that covers the world. The scroll of life also witnessed and wrote of the three groups of redeemed living in the new heaven and new Earth immediately after they entered the ensign. The three groups of redeemed are also standing as spirits (ghosts) within new Jerusalem before the throne of God (seventh plagues angel) during the judgment.
