

## Chapter 21

***Revelation 21:1 And I saw a NEW HEAVEN*** {the old heaven being the area above the swelled to heaven/sky super volcano, that overflowed and covered the world with a lake of lava, was replaced by the new heaven above Eden's mount} ***and a new Earth*** {the old Earth/land was replaced by the new Earth's/land of Eden}: ***for the FIRST HEAVEN*** {above and around the swelled to heaven super volcano, that covered the world in a lake of fire} ***and the first EARTH*** {Earth's land covered by a lake of fire and, thereafter, covered by a sea of waters} ***PASSED AWAY*** {no longer existed}; ***and there was NO MORE SEA*** {no more sea of waters covering the land when the new heaven and new Earth were re-created just as it was in Eden of Genesis}.

As stated in Revelation 20:15, all the unsaved nations and people were cast into a lake of lava, which covered the world. Thereafter when the intensity of the overflowing lake of fire had subsided, a sea of waters covered the world's land. However, the USA's land was still covered by the lake of fire overflowing from the swelled to heaven super volcano, that is within the dissolved USA. Then the first heaven above and around the swelled to heaven immense super volcano (overflowing with a lake of fire from within the dissolved USA) was replaced by Eden's immense mount, that is lower to the ground. At the same

time, there was no more sea of waters covering the land because the new Earth's land was re-created as the new Eden.

*Isaiah 65:17* For, behold, I {visions and oracles of the one like the son of man} create new heavens and a new earth {after the old heaven and old Earth ended in a lake of fire}: and the FORMER {everything concerning the first heaven and first Earth} shall NOT BE REMEMBERED, NOR COME INTO MIND {because all the redeemed will have new bodies and new minds when living in the new Earth}.

*65:18* But be ye glad and rejoice for ever in that which I create: for, behold, I create JERUSALEM {equated with Eden/new Earth} a rejoicing, and her people a joy.

*65:19* And I will rejoice in Jerusalem, and joy in my PEOPLE {three groups of redeemed}: and the voice of weeping shall be no more heard in her, nor the voice of crying.

*Isaiah 65:20* There shall be no more THENCE {being the day the new heaven and new Earth began just after the lake of fire covered the world} an INFANT {who did not enter the ensign to be within new Jerusalem} OF DAYS {instead will be an infant of 100 years. These particular 100 years of judgment began from the time the risen Abaddon/the Rock came down from heaven as an overflowing and spreading lake of fire. These particular 100 years of viewing the judgment ended when

the world was covered in a lake of fire}, *nor an OLD MAN* {that did not enter the ensign to be within new Jerusalem} *that hath not filled his days* {filled his days of 100 years of judgment}: *for the* {unsaved} *child shall die an HUNDRED YEARS OLD* {because it took a 100 years during the judgment to show the many things happening during the small amount of time it took for the lake of fire to spread throughout the world}; *but the SINNER* {referring to the unsaved people with their children that sinned against the everlasting gospel by not believing and proclaiming the everlasting gospel and, thereafter, entering the ensign to be within new Jerusalem to escape the death of nations by a lake of fire} *being an hundred years old* {before ending up in the lake of lava} *shall be accursed.*

***Psalms 90:4*** *For a THOUSAND YEARS* {of our years} *in THY* {one like the son of man's} *sight are but as YESTERDAY* *when it is past, and as a WATCH IN THE NIGHT* {hence a thousand years of our world are equal to one day of the real world}.

\*\*\*\*\*

***Revelation 21:2*** *And I John saw the HOLY CITY* {equated with new Jerusalem in which the three groups of redeemed had entered to escape the death by a lake of fire, that covered the world}, ***NEW JERUSALEM*** {new Jerusalem was sitting around the swelled to heaven super

volcano of the first heaven and first Earth}, **COMING DOWN** {hence the holy city came down to be the new Eden, that surrounds new Eden's lower mount. The lower mount replaced the swelled to heaven super volcano's mount} **from GOD** {visions and oracles written on the one like the son of man} **out of HEAVEN** {this first heaven refers to the area above the swelled to heaven super volcano, that overflowed with a lake of fire and covered the world}, **prepared as a BRIDE** {dressed in intense white light/garments} **adorned for her HUSBAND** {the written visions and oracles of the Lamb/new Israel}.

After the lake of fire covered the first Earth (land) of the old world. Then the written visions and oracles of the one like the son of man recreated the new heaven and new Earth of the new world, just as it happened in the first week of Genesis. Accordingly the high new Jerusalem came down from the heights of her God and father (being the visions and oracles written on the last small part/bright moon/first witness) to be dwelling in the new heaven and new Earth. New Jerusalem represents the new Eden that is dressed with intense white light, as a bride prepared for her husband (the Lamb/new Israel of the new world) is wearing her white wedding garments. This time, however, only the three groups of redeemed that entered new Jerusalem will be living with the new Adam (Michael) and new Eve (his bride) and their son (Lamb) and daughter

(new Jerusalem) in the new heaven and new Earth.

\*\*\*\*\*

**Revelation 21:3** *And I heard a GREAT VOICE* {equated with thunder} *out of HEAVEN* {where the judgment is taking place on the sea of glass above and around the swelled to heaven super volcano} *saying, Behold, the TABERNACLE* {being the immense mouth of the swelled to heaven super volcano/the rock, that becomes Eden's mount} *of GOD* {Abaddon/the Rock, equated with a lake of fire} *is with MEN* {men/spiritual tribes of the three groups of redeemed within new Jerusalem}, *and HE* {Abaddon/the Rock} *will DWELL* {dwells within the dormant super volcano/mount of Eden/the rock} *with them , and THEY* {three groups of redeemed} *shall be HIS people, and GOD* {Abaddon/the Rock/mount of Eden that is equated with the one like the son of man} *HIMSELF shall be with them, and be their God* {because according to the written visions and oracles of the one like the son of man/God is how the new heaven and new Earth are re-created/replayed over and over and over during the judgment}.

During the judgment, a written vision and oracle of the one like the son of man showed new Jerusalem having descended with the new lower heaven (top) of new Eden's mount (equated with the one like the son of man) to be in the new Earth. At that time during the judgment, a great

voice like thunder (from the top of the swelled to heaven super volcano of the first heaven and first Earth) declared that the former dwelling place of Abaddon/the Rock (lake of fire) is now in the tabernacle (covering) of new Eden's mount, that is of a new lower heaven. New Eden's mount of the new heaven and new Earth is the same location as the dwelling place of Abaddon/the Rock (super volcano in the USA) of the old heaven and old Earth. In the new heaven and new Earth, living waters flow from the top of Eden's mount, instead of an immense river of fire (lava) flowing down from the first heaven to the first Earth (land) below. Accordingly, Abaddon/the Rock (God) will then be in his tabernacle (covering) of the new mount (rock) of Eden, dwelling with the redeemed in the new paradise (garden of Eden) of the new Earth.

During the judgment, the visions and oracles written on the one like the son of man (being the visions and oracles written on the last small part/first witness and first small part/last witness mixed together) replay over and over and over all things that happened from the first generation of Genesis through to the last generation, the world ending in a lake of fire, the new heaven and new Earth, and the time of the judgment. Accordingly, certain visions and oracles written on the one like the son of man replay what already happened and also replay what has been happening during the new heaven and new Earth. At the beginning of the new heaven and new Earth, the tabernacle of God is the

covering of Eden's mount, where Abaddon/the Rock (God who dwells in the bottomless pit as a lake of fire) is with the redeemed in the new heaven and new Earth.

\*\*\*\*\*

***Revelation 21:4 And GOD {one like the son of man} shall WIPE AWAY ALL TEARS from their eyes; and there shall be NO MORE DEATH, NEITHER SORROW, NOR CRYING, NEITHER shall there be ANYMORE PAIN: for the FORMER THINGS {that existed and happened in the first heaven and first Earth/land, that ended in a lake of fire} are PASSED AWAY {having been replaced with the new heaven and new Earth}.***

During the judgment, written visions and oracles on the one like the son of man recreated the new heaven and new earth after the lake of fire (lava) descended from the first heaven to the first Earth (land) and covered the world. During the new heaven and new Earth, there are no more death, sorrow, crying, and pain that happened in the first heaven and first Earth (land). All things, animals, and the three groups of redeemed (re-saved) will be able to do only good in the new heaven (top of Eden's mount) and in the new Earth (land of Eden), as it was in Eden before Adam and Eve ate of the forbidden fruit. At that time, the redeemed dwelling in the new heaven and new Earth of the new world will have no memory of the first heaven

and first Earth of the first world. In the new heaven and new Earth, they are made in the image (exact likeness) of the righteous perfect people of the real world, whom they really are.

***Isaiah 65:17*** For, behold, I {one like the son of man} create **NEW HEAVENS** and a **NEW EARTH**: and the **FORMER** {the ways and things that existed and happened in the old heaven and old Earth} **shall NOT BE REMEMBERED**, nor come into mind.

\*\*\*\*\*

***Revelation 21:5*** And **HE** {visions and oracles of the one like the son of man} **that sat upon the THRONE** {reigning upon the swelled to heaven super volcano, that covered the world in a lake of fire} **said, Behold, I** {reigning visions and oracles of the one like the son of man/God the father/kid goat/bright moon/and son of God/Lamb/morning sun} **make ALL THINGS NEW** {be recreating Eden of Genesis}. And **HE** {one like the son of man} **said unto ME** {said to the Apostle John who typifies latter day Yahshua/Moses}, **WRITE** {John is writing the visions the oracles immediately as he sees and hears them} : **for these WORDS** {that old John wrote in the Book of Revelation that illustrate what is written on the the scroll of life's first side} **are TRUE and FAITHFUL.**

The first Earth (land) of the former world became covered in a lake of fire. Then the written visions and oracles of the one like the son of man reigned over all things on a great white throne of intense light, that radiated from off the world because the lake of fire had covered the world. Thereafter, the written visions and oracles of the one like the son of man makes all things new. The new heaven and new Earth are recreated by the visions and oracles written on the one like the son of man just as it happened in the first week of Genesis, except old Adam and old Eve and their rebellious children have been replaced with the new Adam (Michael) and new Eve (his twin bride), his son (Gabriel), his bride (new Jerusalem/first group and second group of redeemed), and their children (the third group/great multitude of redeemed).

The old Apostle John on the Isle of Patmos was told to write the things he was seeing (visions) and hearing (oracles). He Apostle John was told by the one like the son of man sitting on the throne that the words of the visions and oracles he was writing in the Book of Revelation are true and faithful. This means that the overcomers that believe this message and the everlasting gospel can faithfully rely on these true visions and oracles written in the Book of Revelation, because the written visions and oracles will happen as revealed from the scroll of life by the two witnesses (Michael and Gabriel) to latter day Moses/Yahshua.

\*\*\*\*\*

**Revelation 21:6** *And HE* {being the one like the son of man (two witnesses combined) sitting during the judgment on his throne of intense light, emanating from the lake of fire that covered the world} *said unto me, IT* {new heavens and new Earth} **IS DONE.** *I* {one like the son of man/written words on the last small part, God the father/and written words on the first small part/son of God} *am ALPHA* {being the first letter of the first word written on the first small part of the seventh part of the scroll of life's other side} *and OMEGA* {the last letter of the last word written on the last small part of the seventh part of the scroll of life's first side}, *the BEGINNING* {the seventh day's dawning/morning sun's light/visions written on the first small part of the seventh part of the scroll of life's other side} *and the END* {the ending (at the sun's dawn) of the seventh evening's moonlight/visions written on the last small part of the seventh part of the scroll of life's first side}. *I* {one like the son of man who is the visions and oracles of the bright moon/first witness and morning sun/last witness combined} *will give unto HIM* {any person} *that is ATHIRST* {to understand the written visions and oracles written in the Book of Revelation} *of the FOUNTAIN* {equated with the visions and oracles written on the first small part and last small part} *of the WATER OF LIFE* {equated with the written words/waters of salvation written on the one like the son

of man. These words are equated with the pure living waters that flow from Eden's mount} ***FREELY.***

It was done again some time after the initial 1,000 years of the judgment when the written visions and oracles written on the one like the son of man made all things new in the replay of the new heaven and new Earth. The written visions and oracles of the one like the son of man will make all things new again in the present replay after the last generation ends in a lake of fire. Presently, we are living in the last generation, that is being replayed during the judgment by the written visions and oracles of the one like the son of man. At the end of this replayed last generation, the lake of fire that covered the world in the previous replay will again happen. Then the time when the new heaven and new Earth replaced the old heaven and old Earth, all things were made new and then the one like the of man said "it is done."

The one like the son of man represents the first (alpha/beginning) letter of the alphabet written on the first small part of the seventh part of the scroll of life's other side, that mixes with the one like the son of man's last (omega) letter of the alphabet written on the last small part of the seventh part of the scroll of life's first side. This is equated with ending of the seventh evening's bright silvery-blue moonlight mixing with the beginning of the seventh day's morning sun's coppery-red light at dawn. Therefore, the one like the son of man represents the

written visions and oracles written on the last small part (first witness/bright moon) of the seventh part of the scroll of life's first side mixed (to create gold or the color purple) with the visions and oracles written on the first small part (last witness/morning sun) of the seventh part of the scroll of life's other side.

A person needs to be thirsting to understand the visions and oracles written in the Bible concerning the one like the son of man. Then the one like the son of man will cause that person to find the message of the latter day messenger. The one like the son of man says “I will give unto him that is athirst (for the understanding of the written visions and oracles in the Book of Revelation and other parts of the Bible) of the fountain (written visions and oracles) of the water (written words on the first small part and last small part) of life (everlasting salvation) freely (no money required).”

*Isaiah 55:1* Ho, every one that *THIRSTETH* {to understand the Book of Revelation's and Bible's written prophecies}, *come ye to the WATERS* {words of life written on the first small part and last small part}, *and he that hath no money; come ye, BUY* {by trading your old beliefs}, *and EAT* {of the spiritual hidden manna within the Ark of the testament/throne, on which sits the one like the son of man}; *yea, come, buy WINE* {referring to the sweetness/spiritual wine of knowing the meanings of written biblical prophecies} *and MILK* {referring to the

bitterness/spiritual fresh raw milk of being ridiculed by people because of the new belief} *without money and without price.*

\*\*\*\*\*

***Revelation 21:7 He that OVERCOMETH*** {overcometh latter day Babylon's way of thinking and their old religious beliefs by accepting the latter day messenger's message and the everlasting gospel} ***shall INHERIT*** {in the new heaven and new Earth} ***ALL THINGS; and I*** {visions and oracles of the one like the son of man} ***will be his God*** {creator}, ***and he shall be my son*** {born from the visions and oracles of the one like the son of man in the new Earth and new Earth}.

The Apostle John on the isle of Patmos wrote that the one like the son of man said that the people that overcome will inherit all things of the old heaven and old Earth after it is covered by a lake of fire. The way people overcome (when living in the last generation of the first heaven and first Earth) to be, thereafter, living in the time of the new heaven and new Earth is by having received the mark (written visions and oracles) of God (one like the son of man) on their forehead (front of their mind) instead of some other belief concerning the world's future. The overcomers dwell in the new heaven and new Earth as sons of the visions and oracles of the one like the son of

man.

\*\*\*\*\*

**Revelation 21:8** *But the FEARFUL* {who are afraid to believe the latter day messenger's message and the everlasting gospel}, *and UNBELIEVING* {who outright reject this new message and the everlasting gospel}, *and the ABOMINABLE* {who spiritually eat/believe unclean/untrue beliefs}, *and MURDERERS* {of the two witnesses' written visions and oracles and murderers of the overcomers that proclaim the everlasting gospel}, *and WHOREMONGERS* {religious leaders and political leaders who earn/pimp money from their churches and cities}, *and SORCERERS* {false prophets and scientists}, *and IDOLATORS* {of influential people, famous people and powerful people, including past biblical prophets, messiahs, and God/Yahweh}, *and ALL LIARS* {who say the two witnesses' written visions and oracles as revealed by the latter day true messenger and the everlasting gospel are not true}, *shall have their PART* {as written on the scroll of life} *in the LAKE* {that covers the world} *which BURNETH WITH FIRE* {flame} *and BRIMSTONE* {molten rock/lava}: *which is the SECOND DEATH* {being the first replay of the first death by a lake of fire, that covered the world}.

The two witnesses' written visions and oracles (as revealed by the latter day true messenger from the scroll of life) and the everlasting gospel are the only means of

salvation for people living in the last generation, that will be covered again by a lake of fire. There are people who are afraid (fearful) to believe this message and, thereafter, the everlasting gospel. Other people are unbelieving by outright rejecting the possibility that what this message reveals will not happen. There are people who falsely interpret the two witnesses' visions and oracles written in the Bible, creating an abominable belief that others also believe (spiritually eat) and promote. The people who kill the two witnesses' written visions and oracles and the overcomers that proclaim the everlasting gospel are murderers. Political leaders and religious leaders who are not promoting what this message is proclaiming and, thereafter, the everlasting gospel but some other vision are as whoremongers, earning (pimping) money from the people that believe their words of deception regarding this world's future. The people (such as false prophets and scientists) who use all sorts of means to create their vision for the world's future that is contrary to this message and the everlasting gospel are as sorcerers. Many people idolize the words of leaders of nations, people of power, famous people, influential people, wealthy people, and religious leaders, including old testament prophets, messiahs, and God/Yahweh mentioned in the Bible over what the latter day messenger's message and, thereafter, the everlasting gospel. Any person that says this message is false and, thereafter, says the everlasting gospel is false

is a liar.

Accordingly, all the fearful people, unbelieving people, abominable people, murderers, whoremongers, sorcerers, idolators, and all liars are warned by this message and the everlasting gospel before they play their final part in life (as written on the scroll of life), which ends (second death) in the lake of fire that had already covered the world in a lake of lava (first death) in the first replay.

\*\*\*\*\*

***Revelation 21:9 And there came unto me ONE*** {being the seventh plagued angel} ***of the SEVEN ANGELS which HAD the seven VIALS*** {bowls} ***FULL of the SEVEN LAST PLAGUES, and talked with me, saying, Come hither, I will shew thee the BRIDE*** {being new Jerusalem, that represents the first group and second group of redeemed}, ***the LAMB'S*** {visions and oracles written on the first small part/Lamb of the seventh part of the scroll of life's other side} ***WIFE*** {new Jerusalem that is an immense whirlwind of fire}.

The Apostle John saw visions and heard the oracles that he wrote in Revelation 21:9. These written visions and oracles reveal the time after the five months of smoke and ash have ended erupting from the super volcano, along with the fulfillment of the initial six plagued angels. The great multitude of people that believed the everlasting

gospel will have traveled to the rising ensign during the five months of erupting smoke and ash. Thereafter when Abaddon/the Rock has risen as a swelled to heaven super volcano full of a lake of fire, then new Jerusalem will manifest around the swelled to heaven mountain (new Zion) of the super volcano, radiating an intense light (ensign). From that time, all three groups of redeemed will be entering the ensign of new Jerusalem (immense whirlwind/tornado of fire), having overcome the beliefs that the unsaved nations and people believed regarding the world's future and salvation. After the world is covered in a lake of fire, all the redeemed that enter the ensign inherit all things of the new heaven and new Earth. However, the fearful people, unbelieving people, abominable people, murderers, whoremongers, sorcerers, idolators, and all liars will have rejected the everlasting gospel, remained outside new Jerusalem's ensign, and ended up in the lake of fire.

The seventh plagued angel showed the Apostle John the Lamb's Bride. The Lamb (morning sun/last witness) represents the visions and oracles written on the first small part of the seventh part of the scroll of life's other side. These written visions and oracles revealed what was written on the scroll of life's first side to the first group of overcomers and to the second group of overcomers before the 50<sup>th</sup> evening of new Pentecost began. The first group (priests) and second group (elders) of redeemed were the

saints who proclaimed the everlasting gospel from the time of new Pentecost and during the five months when smoke and ash were erupting from the super volcano. These priests and elders are the bride (equated with new Jerusalem) of the Lamb (message/Lamb of the latter day messenger).

\*\*\*\*\*

***Revelation 21:10 And HE*** {seventh plagued angel} ***carried me away in the SPIRIT*** {as a ghost/spirit} ***to a GREAT and HIGH MOUNTAIN*** {representing the swelled to heaven mountain/new Zion/super volcano full of a lake of fire}, ***and shewed me that GREAT CITY, the HOLY JERUSALEM*** {equated with an immense whirlwind/tornado of fire that formed in the sky}, ***DESCENDING*** {as an immense tornado from the sky to surround the swelled to heaven mountain/furnace of the super volcano} ***out of heaven from God*** {one like the son of man sitting on his throne as a great star/light, emanating from the lake of fire in the immense 40-mile wide mouth of the swelled to heaven super volcano},

The seventh plagued angel carried the Apostle John in the spirit (as a ghost) to the top of the swelled to heaven super volcano's mountain, that reached to heaven (sky). John saw the great and holy city new Jerusalem descending from the sky (heaven) to the ground. This vision represents the time when an immense fiery whirlwind

(equated with new Jerusalem) was created in the sky by the extreme heat emanating from the lake of fire in the immense 40-mile wide mouth of the swelled to heaven super volcano. The swirling terrible rings of this immense whirlwind descended from the high mountain of God (risen Abaddon/the Rock) to surround the high mountain of the swelled to heaven super volcano.

***Nahum 1:3*** *The Lord* {written visions and oracles of the one like the son of man} *is slow to anger, and great in power, and will not at all acquit the wicked* {that reject the everlasting gospel}: *the Lord hath his way in the WHIRLWIND* {that comes down from heaven/sky to surround the swelled to heaven mountain of the super volcano, full of a lake of fire} *and in the storm, and the clouds are the dust of HIS* {risen Abaddon's/the Rock's} *FEET.*

***Ezekiel 1:4*** *And I looked, and, behold, a WHIRLWIND* {immense tornado of fire equated with new Jerusalem} *came out of the NORTH* {latter day Babylon}, *a great cloud, and a FIRE INFOLDING ITSELF* {describing the fiery swirling rings of this immense tornado}, *and a BRIGHTNESS* {radiating from the lake of fire in the swelled to heaven super volcano} *was about it, and out of the MIDST* {middle of the tornado of fire} *thereof as the COLOUR OF AMBER* {being the color of the lake of lava in the immense mouth of the swelled to heaven super volcano}, *out of the midst of the FIRE* {the fire emanating

from the lava}.

**1:26** *And above the FIRMAMENT* {where an immense sheet of hail is created, that rains great hailstones from heaven/sky above and around the swelled to heaven super volcano, full of a lake of fire} *that was over their heads was the likeness of a THRONE* {throne of intense light above the firmament of the sheet of great hail in heaven. The intense light/ensign is emanating from the swelled to heaven super volcano's immense mouth, full of a lake of fire}, *as the appearance of a SAPPHIRE STONE* {reflecting the color of the blue sky}: *and upon the likeness of the THRONE* {of intense light} *was the likeness as the appearance of a MAN* {one like the son of man, that represents the visions and oracles written on the first small part and last small part} *above upon it.*

**1:27** *And I saw as the COLOUR OF AMBER* {color of the lake of lava}, *as the appearance of fire round about within it, from the appearance of HIS* {risen Abaddon/the Rock} *loins even upward, and from the appearance of his loins even downward, I saw as it were the appearance of fire* {lake of fire}, *and it had brightness round about.*

\*\*\*\*\*

**Revelation 21:11** {new Jerusalem equated with the first group and second group of redeemed} ***Having the***

**GLORY** {referring to the intense glorious light emanating from the lake of fire in the immense 40-mile wide mouth of the swelled to heaven super volcano} **OF GOD** {one like the son of man}: **and HER** {bride/new Jerusalem equated with the first group and second group of redeemed} **LIGHT** {white wedding garments equated with the intense white light emanating from the like of fire in the immense mouth of the swelled to heaven super volcano} *was like unto a stone most precious, even like a jasper stone, clear as crystal;*

New Jerusalem (huge whirlwind of fire) will be radiating an intense white light, emanating from the 40-mile wide mouth of the swelled to heaven super volcano, full of a lake of fire. This intense light is the ensign that will be lifted up to the nations. A great multitude of all nations that accepted the everlasting gospel will hear of and see the intensely bright light and quickly travel to it. Before the lake of fire overflows and descends from the swelled to heaven super volcano to spread throughout the world, three groups of redeemed will enter the intense light of the ensign to be within new Jerusalem before the judgment begins. In the middle of new Jerusalem (huge whirlwind of fire) is the high mountain (new Zion) of the super volcano, full of a lake of fire. Above this high mountain full of a lake of fire sit the visions and oracles of God (the one like the son of man). The one like the son of man represents the visions and oracles written on the last small

part (first witness/God the father). These combined visions and oracles replay (recreate) the things that happened in all generations, end of the world, new heaven and new Earth, and the time of the judgment. The glory (intense light/Shekinah glory) of God (one like the son of man) is the figurative white linen garments that all the redeemed are covered with when they enter the ensign of new Jerusalem.

\*\*\*\*\*

***Revelation 21:12 And*** {new Jerusalem representing a great whirlwind} ***had a WALL*** {created by raining great hailstones} ***great and high, and*** {upon the top of the wall of great hailstones} ***had TWELVE*** {pearly colored gates representing the white color of the ensign} ***GATES*** {symbolizing twelve spiritual tribes of the great multitude}, ***and at the gates TWELVE ANGELS*** {typified by the old twelve sons/twelve tribes of Jacob, being the new twelve sons/tribes}, ***and NAMES WRITTEN THEREON*** {which are the names of the great multitude on twelve pearly colored gates}, ***which are the NAMES of the TWELVE*** {spiritual} ***TRIBES of the CHILDREN*** {great multitude/third group of redeemed} ***of*** {new} ***ISRAEL*** {new Israel/the Lamb}:

The vision of Revelation 21:12 is of new Jerusalem. New Jerusalem represents an immense whirlwind that materializes because of the intense heat emanating from

the lake of fire in the immense 40-mile wide mouth of the swelled to heaven super volcano. New Jerusalem is also equated with the first group and second group of redeemed and, thereafter, the third group of redeemed. New Jerusalem's gates represent the third group of redeemed (great multitude). The twelve pearly gates (representing the great multitude) are built upon the wall (representing the second group of redeemed) of hailstones after the wall was built. New Jerusalem's wall of raining hailstones round about represents the second group (144,000) of redeemed. As a wall is built on a foundation, so the wall of hailstones is built on twelve layers of foundations of raining hailstones. As a foundation is built before a wall, so the first group (apostles of every generation) was gathered before the second group (disciples of every generation) of redeemed. Also, a wall is built before gates can be placed thereon, just as the second group (disciples of every generation) of redeemed was gathered before the third group of redeemed. New Jerusalem's twelve gates are equated with the great multitude (third group of redeemed), who are the spiritual children of the twelve spiritual tribes of the 144,000 (second group of redeemed). Each angel at each of the twelve gates is equated with a tribe of latter day new Israel.

First, 1,000 apostles in each of twelve tribes (equated with twelve foundations of raining hailstones) of the first group

were gathered. Then 12,000 disciples in each of the twelve tribes (wall of raining hailstones) was gathered.

Thereafter, a great multitude of children of the twelve tribes (twelve pearly gates) of the new nation of Israel.

*Jeremiah 31:22* How long wilt thou go about, O thou backsliding DAUGHTER {USA's ruling capital/daughter and her nation/husband that are about to begin being covered by the lake of fire, which has filled the immense mouth upon the high mountain/new Zion within new Jerusalem}? *for the Lord* {visions and oracles of the one like the son of man} *hath created a new thing in the earth* {land}, *A WOMAN* {new Jerusalem} *shall compass a MAN* {the man being the new nation of Israel that will be within the woman/new Jerusalem when the three groups of redeemed have entered new Jerusalem's ensign}.

\*\*\*\*\*

***Revelation 21:13* On the east three gates; on the north three gates; on the south three gates; and on the west three gates .**

There are three gates on each side of new Jerusalem. The reason is that when Abaddon/the Rock has risen as a lake of fire to sit on his throne of intense light, the great multitude of overcomers (that believed the everlasting gospel) will travel from the four corners of the world to enter into the ensign of new Jerusalem from any side. The

ensign is a glorious white light radiating from new Jerusalem before the lake of fire (within the immense 40-mile wide mouth of the swelled to heaven new mount Zion) overflows and spreads throughout the world.

In the past type, the adults (equated with apostles/first group of redeemed) of old Israel left Egypt with their children and also gave birth to other children while journeying from Egypt to Canaan through the wilderness. After the adult Israelites failed to take Canaan, they wandered the wilderness a second time, that lasted forty years. Their children became adults (equated with the elders/144,000/second group of redeemed) during Israel's second wilderness journey to Canaan. After forty years in the wilderness, all adults (equated with the first group and second group of redeemed) of Israel entered the promised land and began overthrowing the Canaanites. While old Canaan was being overthrown, the children of Israel (who became adults before entering Canaan) gave birth to a multitude of their children, just as the 144,000 (being the matured children of the Lamb and his apostles) give spiritual birth to a great multitude (third group of redeemed) of children, that accept the everlasting gospel and, thereafter, enter the ensign.

***Revelation 21:14 And the WALL*** {representing the second group/144,000 of redeemed} ***of the city*** {new Jerusalem}

***had TWELVE FOUNDATIONS*** {equated with apostles/first group of redeemed gathered in every generation before the disciples/second group were gathered in every generation. All the apostles and disciples will be living in the last generation to proclaim the everlasting gospel}, ***and in them the NAMES of the TWELVE APOSTLES*** {twelve apostles gathered in old Yahshua's/Jesus' generation, just as there are apostles gathered in every generation by a living messenger, that all resurrect to be living in the last generation to proclaim the everlasting gospel} ***of the LAMB*** {Lamb/visions and oracles written on the first small part}.

New Jerusalem's wall represents the second group (144,000 disciples of all generations) of redeemed. The wall is built on twelve foundations. These twelve foundations represent the first group (apostles) of redeemed gathered in every generation. In old Yahshua's/Jesus' generation, Yahshua first gathered twelve apostles and then he and his apostles gathered disciples during the 3½ year ministry of Yahshua before he was crucified and resurrected.

In the last generation, latter day new Yahshua/Moses gathered his apostles during latter day Babylon's first reigning period, just as old Moses brought the adult Israelite believers out of old Egypt. Old Moses and the adult Israelites that came out of Egypt failed to take the promised land and end the reign of the Canaanites after

their first wilderness journey from Egypt to Canaan. In our day, latter day Moses and his apostles failed in the prediction of the super volcano erupting smoke and ash to begin the ending of latter day Babylon's (spiritual Canaan's) reign. Old Moses and the adult Israelites wandered the wilderness for a second time, but for 40 years. They came out of Egypt with their children, while many other children were born during the 40 years in the wilderness. These children became adults during their 40-year wilderness journey.

In our day, latter day Moses with his apostles will gather disciples when the two witnesses are prophesying for 1260 days during latter day Babylon's third reigning period. At the end of the 1260 days, the sign of Jonah begins when the super volcano momentarily erupts and then dies. At the end of the sign of Jonah when the three and a half days end, the super volcano momentarily comes to life with another eruption. On that same day the super volcano momentarily erupts again is when the resurrection happens for the righteous and rebellious dead adult males of all generations. The righteous people that resurrect to life and health are patriarchs, prophets, messiah's, messengers, apostles, and disciples of all past generations. These resurrected overcomes of all generations will learn the new message (song) of the everlasting gospel during the 50 days of new Pentecost. Then at the beginning of the 50<sup>th</sup> evening, they will receive the power of the Holy Spirit

(one like the son of man) so they can begin proclaiming the everlasting gospel to all nations, kindreds, tongues, and people and convert a great multitude (third group of redeemed).

***Revelation 21:15 And HE*** {seventh plagued angel} ***that talked with ME*** {Apostle John} ***had a GOLDEN*** {this gold represents the first witness' spiritual silvery moonlight/visions mixed with the last witness' spiritual coppery sunlight/visions at the dawn of the seventh day's morning sun} ***REED to MEASURE*** {judge} ***the CITY*** {foundations that are equated with apostles}, ***and the GATES*** {that are equated with the great multitude} ***thereof, and the WALL*** {that is equated with the disciples/144,000} ***thereof.***

The vision of Revelation 12:15 is of the city new Jerusalem that is equated with the first group and second group of redeemed and, thereafter, the third group of redeemed. New Jerusalem also represents a huge whirlwind of fire that surrounds the high mountain of the super volcano when it is full of a lake of fire. The golden reed represents the two witnesses' combined lights (visions) of silvery moonlight (visions) mixed at dawn (morning sun) with coppery sunlight (visions) to create the gold. Since the city is being measured (judged) by the golden reed, it means the visions of this golden reed

pertain to new Jerusalem, which represents the three groups of redeemed.

When new Jerusalem manifests as an immense whirlwind of fire, all three groups of redeemed will have been measured (judged) as being worthy of their positions. The apostles of all generations that proclaim the everlasting gospel in the last generation are judged as being worthy of being equated with the foundations of new Jerusalem. The disciples of all generations that proclaim the everlasting gospel are also judged as being worthy of being equated with the wall of new Jerusalem. The great multitude that believe the everlasting gospel and also proclaim the everlasting gospel as messengers (angels) of Abaddon/the Rock and thereafter enter the ensign of new Jerusalem are then judged as being worthy to be equated with being the gates of new Jerusalem.

\*\*\*\*\*

***Revelation 21:16 And the city lieth {base} FOURSQUARE, and the LENGTH is as LARGE as the BREADTH: and HE {seventh plauged angel} MEASURED {judged} the CITY with the reed, TWELVE THOUSAND FURLONGS {hence each of the twelve foundations equals 1,000 furlongs}. The LENGTH {12,000 furlongs} and the BREADTH {12,000 furlongs} and the HEIGHT {12,000 furlongs} of IT {the***

foursquare base/twelve foundations} *are EQUAL.*

New Jerusalem's measurements reveal how far the light of the ensign is radiating from the swelled to heaven super volcano. The measurement of the base (foursquare) of new Jerusalem is 12,000 furlongs (being 1,500 miles) long, 12,000 furlongs wide, and twelve thousand furlongs high. The base (twelve foundations) of new Jerusalem represents the first group (apostles) of 12,000 redeemed. The length, breadth, and height of new Jerusalem (each being 12,000 furlongs/1,500 miles) reveals the general size of the glorious bright white light of the ensign radiating out from the immense 40-mile wide mouth upon the swelled to heaven super volcano, full of a lake of fire.

\*\*\*\*\*

***Revelation 21:17 And he MEASURED the*** {height of the} ***WALL*** {one wall that covers the whole top of the foundations} ***thereof, an HUNDRED and FORTY and FOUR CUBITS*** {to correlate the wall of 144 cubits with the 144,000/second group of redeemed}, ***according to the MEASURE*** {cubit} ***of a man, that is, of the angel*** {the seventh plagued angel that is doing the measuring}.

The 144 cubit-high wall completely covers the top of new Jerusalem's twelve foundations, that are 12,000 furlongs long, wide, and high. Therefore the wall represents the second group of redeemed gathered from all generations.

The wall is 144 cubits high to correlate the wall with the 144,000. Also the height of the wall is of the glorious white light emanating about 12,000 furlongs from the swelled to heaven super volcano's 40-mile wide mouth, full of a lake of fire.

\*\*\*\*\*

***Revelation 21:18 And the building of the WALL***

{representing the second group of redeemed} ***of it was of JASPER*** {this particular Jasper wall of new Jerusalem has 12 colors. The wall of Jasper is equated with great raining hailstones that, like prisms, divide the intense white light into the many colors of a Jasper stone}: ***and the*** {top of the} ***CITY was PURE GOLD*** {gold represents the yellow/gold color of the sky during the huge storm that initially happens around the swelled to heaven super volcano, full of a lake of fire}, ***like unto CLEAR GLASS*** {representing an immense sheet of hail}.

New Jerusalem's has one wall that is 144 cubit-high and covers completely the top of the 12 foundations, that create the square base of new Jerusalem. The reason is that the 12 foundations and 144 cubit-high wall represent great hailstones that have rained from heaven (sky) when the swelled to heaven super volcano is full of a lake of fire but not yet overflowing. The wall is made of 12 layers/colors of Jasper stone. Each layer/color is 12 cubits high. These twelve layers/colors of the 144 cubit-high

wall represent the twelve tribes of the 144,000.

The vision in Revelation 21:18 reveals the time when a great whirlwind (equated with new Jerusalem) has materialized around the swelled to heaven super volcano, full of a lake of fire but not yet overflowing. At that time, great hailstones will be raining within and around the huge whirlwind. These raining great hailstones represent the transparent foundations and wall of new Jerusalem. The pure and transparent gold top part of new Jerusalem represents the yellow/gold color of the sky. The yellow/gold color of the sky is reflected upon the great sheet of hail, that formed high in the sky during the terrible storm taking place around the swelled to heaven super volcano, full of a lake of fire.

\*\*\*\*\*

***Revelation 21:19 And the {twelve} FOUNDATIONS of the WALL of the CITY were GARNISHED with all manner of PRECIOUS STONES. The FIRST foundation was JASPER; the SECOND, SAPPHIRE; the THIRD, a CHALCEDONY; the FOURTH, an EMERALD;***

***a CHRYSOPRASUS; the ELEVENTH, a JACINTH;  
the TWELFTH an AMETHYST.***

Each of the twelve foundations are of a different color gemstone to equate them with the twelve tribes of the apostles gathered from all generations. The gemstones are also equated with great hailstones that rain from heaven around the swelled to heaven super volcano, full of a lake of fire. The great hailstones act as prisms that divide the intense white light emanating from the immense lake of fire to create the many colors, that are associated with the twelve gem-stone foundations of new Jerusalem.

The twelve foundations have one wall covering the top foundation. These twelve foundations represent the twelve spiritual tribes, that are equated with the twelve apostles of old Yahshua/Jesus. In these twelve spiritual tribes are written the names of the first group of redeemed gathered from all generations. As the faithful adult Israelites of twelve tribes believed old Moses' message and left Goshen in old Egypt and traveled to Canaan (promised land), so the faithful apostles of all generations accepted the message of a living messenger (patriarch, prophet, or messiah) on their spiritual journey to a new Earth (the real promised land). The living messenger and apostles (apostles equated with the twelve foundations) gathered disciples. These disciples of all generations are represented by the wall that covers completely the top of the twelve foundations, just as apostles (foundations) are

gathered (built) before disciples (built wall) are gathered. Disciples of all generations are equated with the children that came out of Egypt in the Exodus or were born from the adult Israelites as they journeyed through the wilderness to Canaan.

***Malachi 3:17** And they shall be mine, saith the LORD {one like the son of man} of HOSTS {coals of fire and great hailstones}, in THAT DAY {the day when Abaddon/the Rock has risen as a lake of fire, radiating as a great star/light/ensign} when I make up my JEWELS {hence the figurative jewels with which new Jerusalem is constructed}; and I will SPARE THEM {from ending up in the lake of fire}, as a man spareth his own son that serveth him.*

\*\*\*\*\*

***Revelation 21:21** And the TWELVE GATES {in which enter the great multitude/third group of redeemed} were TWELVE PEARLS {these white pearls represent the bright light shining above the clouds from the swelled to heaven super volcano full of a lake of fire}; EVERY SEVERAL GATE {every three gates on each side of new Jerusalem} was of ONE PEARL {one bright white light that radiated upon the top of the wall}: And the STREET {upon the top of new Jerusalem} of the CITY was PURE GOLD {representing the yellow/gold color of the sky reflecting on the sheet of hail that formed in the sky above*

and around the top of the swelled to heaven super volcano, full of a lake of fire}, *as it were TRANSPARENT GLASS* {because it represents the sea of glass/sheet of hail in the sky}.

When new Jerusalem materializes around the swelled to heaven super volcano (full of a lake of fire but not yet overflowing), new Jerusalem's twelve foundations are first built and then the one wall with twelve colors/layers of a jasper stone is built covering the top of the 12 foundations, followed by the 12 gates of white pearl built thereon. This reveals that the first group (equated with 12 foundations) of redeemed was gathered. Then the second group (equated with 12 colors/layers of the wall) of redeemed was gathered. Thereafter, the third group (equated with 12 gates made of white pearl) was gathered.

Each gate is made of white pearl to equate the color of each gate with the intense white light emanating from the swelled to heaven super volcano, full of a lake of fire. The intense bright light is shining above the clouds over new Jerusalem. Three gates on each side are of one pearl to equate them with the intense light radiating from the swelled to heaven super volcano. On top of the wall of jasper is the street of gold, which represents the sea of glass/sheet of hail) that is reflecting the yellow/gold colored stormy sky upon.

\*\*\*\*\*

*Revelation 21:22 And I saw NO TEMPLE* {no physical structure} *THEREIN* {there is no temple structure built on the high mount Zion/super volcano, full of a lake of fire, within new Jerusalem}: *for the Lord God ALMIGHTY* {written visions and oracles of the one like the son of man/God the father and son of God combined, equated with the swelled to heaven super volcano full of a lake of fire} *and the LAMB* {last witness/God's son who represents the visions and oracles written on the first small part of the seventh part of the scroll of life's other side} *are the TEMPLE* {when the Shekinah glory, equated with the ensign of intense white light, has manifested} *of IT* {new Jerusalem}.

The temple represents the super volcano's mountain. It began opening when the super volcano exploded with a massive earthquake-causing eruption and then erupted smoke and ash, that erupt for five months. For five months, the opened temple was covered by the erupting smoke and ash, as the rising lake of fire (equated with the rising Abaddon/the Rock) is filling the immense mouth of the swelling to heaven super volcano.

By the time the immense high mouth is full of a lake of fire, the light of the ensign is then completely visible on top of the mountain, as the smoke and ash will have risen to the sky. At that time, there is no more covering of the

temple (top of the mountain), as Abaddon/the Rock has risen as a lake of fire, that is radiating an intense visible light like a bright star (Shekinah glory) with tremendous heat. Accordingly the glorious pure (holy) light (ensign that is equated with the visions of the two witnesses) of the one like the son of man (two witnesses/God the father and god's son/Lamb) is the temple upon the high mountain (new Zion) of the super volcano. During the judgment, the Lamb (God's son/last witness) is revealing the scroll of life's first side with the visions and oracles that are written on the first small part of the seventh part of the scroll of life's other side. The Lamb represents the visions and oracles written on the first small part, that have also witnessed all things that are written on the on the last small part (God the father/first witness) of the seventh part of the scroll of life's first side. The one like the son of man is the temple because the one like the son of man (being the two witnesses combined) is equated with the swelled to heaven super volcano (new Zion), full of a lake of fire.

*Isaiah 31:1* Woe to *THEM* {living in the latter days} that go down to {latter day spiritual} *Egypt for help; and stay on horses, and trust in chariots, because they are many; and in horsemen, because they are very strong; but they look not unto the Holy One* {written visions and oracles pertaining to Abaddon/the Rock proclaimed by the everlasting gospel} *of {new} ISRAEL* {three groups of redeemed}, *neither seek the LORD* {written visions and

***Revelation 21:23 And the CITY*** {new Jerusalem equated  
with a huge whirlwind of fire surrounding the swelled to  
heaven super volcano, full of a lake of fire} ***had NO***  
***NEED of the SUN, neither of the MOON, to shine in it:***

part of the scroll of life's other side are then replaying the  
time when the swelled to heaven super volcano is full of a  
lake of fire and radiating an intense light/Shekinah glory}.

The city new Jerusalem does not require the light of the  
sun or moon to illuminate it. The reason is that new  
Jerusalem represents a huge whirlwind of fire that

materializes around the swelled to heaven super volcano, full of a lake of fire. At that time, the immense 40-mile wide mouth upon the swelled to heaven super volcano is full of a lake of fire, which is equated with the time when Abaddon/the Rock has risen as a lake of fire and is radiating above and around the top of the swelled to heaven super volcano like an intensely bright and glorious star. The glorious light emanating from the risen Abaddon/the Rock is so intense that it reaches 12,000 furlongs in all directions. This is the intense light (ensign) of God (one like the son of man) that shines out from within new Jerusalem. When the Lamb's visions and oracles (written on the first small part of the seventh part of the scroll of life's other side) replay the time when the risen Abaddon/the Rock (swelled to heaven super volcano full of a lake of fire} is radiating an intensely glorious light, then the Lamb is also equated as being the light (Shekinah glory) of new Jerusalem.

***Revelation 21:24 And the NATIONS of THEM*** {great multitude/third group of redeemed} ***which ARE SAVED*** {having accepted and, later, joined in proclaiming the everlasting gospel} ***shall WALK in the LIGHT*** {being the intensely bright light/ensign} ***of IT*** {new Jerusalem}: ***and the KINGS*** {saved kingdoms/nations} ***of the earth do BRING THEIR GLORY and HONOUR INTO IT*** {into

the ensign of new Jerusalem}.

The vision in Revelation 21:24 was revealed by the Lamb (last witness/morning star/son of God) from the visions and oracles written on the first small part of the seventh part of the scroll of life's other side. These visions and oracles written on the first small part (last witness/morning sun) incorporate the visions and oracles written on the last small part (first witness/bright moon) of the seventh part of the scroll of life's first side, just as the seventh day's morning sun just below the easterly horizon sees the light of the seventh evening's ending moon just below the westerly horizon. The vision and oracle mentioned in Revelation 21:24 replayed the time when the swelled to heaven super volcano was full of a lake of fire but not yet overflowing. At that time, new Jerusalem (representing an immense whirlwind of fire) will have manifested around the swelled to heaven super volcano's immense 40-mile wide mouth, full of a lake of fire. New Jerusalem will be radiating an intense light (ensign) through the sky (heaven) that is (a rounded number of) 12,000 furlongs high, 12,000 furlongs in length, and 12,000 furlongs wide. This intense white light is the ensign. The first group, second group, and third group (great multitude) of redeemed will enter the intense light radiating from new Jerusalem. Among the great multitude will be saved nations and leaders (kings), that bring their honor and glory into the ensign of new Jerusalem. All

three groups of redeemed will enter the ensign of intense light before the swelled to heaven super volcano (full of a lake of fire) explodes with a massive earthquake-causing eruption such as never happened, as an immense river of lava descends from the swelled to heaven super volcano to spread throughout the USA and world.

***Zechariah 8:23*** *Thus saith the Lord* {one like the son of man/God the father and son of God combined} *of HOSTS* {coals of fire and great hailstones}; *In THOSE DAYS* {from the time Abaddon/the Rock/super volcano has risen as a lake of fire, that is not yet overflowing, radiating an intense light like a bright star/ensign} *it shall come to pass, that TEN MEN* {representing in the past type the ten tribes of Israel's northern kingdom taken into captivity by the Assyrian and some time thereafter lost their Israelite identity, having become mixed with gentiles. In our day, these ten men/tribes are equated with the great multitude/spiritual gentiles} *shall take hold out of ALL LANGUAGES OF THE NATIONS, even shall take hold of the skirt of him that is a JEW* {representing in the past type the kingdom of Judah that returned from Babylonian captivity. In our day, the kingdom of Judah represents the first group and second group of redeemed}, *saying, WE* {great multitude of all nations} *will GO* {to the intense light of the ensign} *WITH YOU* {first group and second group of redeemed}: *for we have heard that God* {one like the son of man equated with the risen Abaddon/the Rock}

***Revelation 21:25 And the GATES*** {representing the bright white light of the ensign} ***of IT*** {new Jerusalem/great whirlwind of light/ensign} ***shall NOT BE SHUT at all by day: for there shall be NO NIGHT THERE*** {because of the intense light emanating from the lake of fire within the immense mouth of the swelled to heaven super volcano}.

Three joined gates of one white pearly light are 12,000 furlongs on top of each side of new Jerusalem. When the redeemed enter the lower light (ensign) of the great whirlwind, its revolving winds will take them up to these white pearly gates that are on top of the clouds of heaven to enter new Jerusalem. The same way that Elijah was taken into heaven is the same way the redeemed enter the gates of heaven (sky).

***2 Kings 2:11 And it came to pass, as they still went on, and talked, that, behold, there appeared a CHARIOT*** {whirlwind/tornado} ***of fire, and horses of fire, and parted them both asunder; and Elijah went up by a whirlwind into heaven*** {where he stands in heaven during the judgment}.

There will be no night in new Jerusalem. The reason is

that the intense light emanating from the swelled to heaven super volcano's immense mouth (full of a lake of fire) within new Jerusalem will give light constantly.

*Isaiah 60:1 Arise, shine; for thy light is come, and the GLORY {Shekinah glory/ensign} of the Lord {one like the son of man equated with the swelled to heaven super volcano full of a lake of fire} is RISEN {as a great light with a lake of fire from the bottomless pit} upon thee {new Jerusalem/great whirlwind of light}.*

***Revelation 21:26 And THEY*** {third latter day group/great multitude of redeemed} ***shall BRING the GLORY and HONOUR of the NATIONS*** {which previously was given to the latter day kingdom of Babylon} ***into it*** {into the light/ensign of new Jerusalem}.

The everlasting gospel is proclaimed to all nations, kindreds, tongues, and people from the 50<sup>th</sup> evening of new Pentecost. In the same year, the super volcano explodes with a massive earthquake-causing eruption, as it erupts smoke and ash for five months. During that time, the lake of fire will be filling the swelling to heaven super volcano. When the lake of fire has filled the swelled to heaven super volcano's immense mouth, it then radiates an intense light, reaching about 12,000 furlongs in all directions. At the same time, the intense heat emanating from the fiery furnace within the swelled to heaven super volcano's mouth causes a great whirlwind of fire to manifest around the high and immense mountain of the super volcano. This great whirlwind shining as a bright light is referred to as new Jerusalem. From the time the great whirlwind of light has manifested, then the people that believed the everlasting gospel will be entering new Jerusalem's intense light (ensign) before the lake of fire overflows and spreads throughout the USA and world.

**Isaiah 60:3** *And the GENTILES {great multitude} shall COME {after having heard the message of the everlasting gospel} to THY {new Jerusalem's} LIGHT {ensign/Shekinah glory}, and kings to the brightness of THY {new Jerusalem's} rising.*

**Isaiah 60:5** *Then thou shalt see, and flow together, and thine heart shall fear, and be enlarged; because the abundance of the SEA {referring to peoples} shall be converted unto THEE {new Jerusalem}, the forces of the GENTILES {great multitude/third latter day group of redeemed} shall come unto thee.*

***Zechariah 2:5*** *For I, saith the LORD {written visions and oracles of the one like the son of man, who is equated with the swelled to heaven super volcano full of a lake of fire}, will be unto HER {new Jerusalem/great whirlwind of fire} a WALL OF FIRE {that radiates from the swelled to heaven new mount Zion's immense 40-mile wide mouth, full of a lake of fire} round about, and will be the GLORY {intense light/glory emanating from the lake of fire in the immense mouth of the swelled to heaven super volcano} in the midst of HER {new Jerusalem}.*

***Isaiah 2:2*** *And it shall come to pass in the LAST DAYS {before the world is covered by a lake of fire}, that the MOUNTAIN {new Zion/mountain of the swelled to heaven super volcano} of the LORD's {risen Abaddon/the Rock} HOUSE {spiritual house/temple that represents the super volcano's high mountain, full of a lake of fire} shall be established in the top of the mountains, and shall be EXALTED above the hills; and all NATIONS {of a great multitude of redeemed} shall flow unto it {when new*

Jerusalem/great whirlwind of light is surrounding the risen Abaddon's/the Rock's immense mouth, full of a lake of fire}.

***Micah 4:1*** *But in the LAST DAYS* {before the world is covered by a lake of fire} *it shall come to pass, that the MOUNTAIN* {new Zion representing the immense mouth of the swelled to heaven super volcano, full of a lake of lava} *of the LORD* {visions and oracles of the one like the son of man, who is equated with Abaddon.the Rock/super volcano} *shall be established in the top of the mountains, and it shall be exalted above the hills; and PEOPLE* {the great multitude/third group of redeemed that accepted the everlasting gospel} *shall flow* {from all parts of the world} *unto IT* {ensign/glorious light that radiates from new mount Zion}.

***Micah 4:2*** *And MANY NATIONS* {of the third group of redeemed after they are converted by the first group/12,000 and second group/144,000 of redeemed} *shall come, and say* {as they also proclaim the everlasting gospel}, *Come, and let us go up to the* {swelled to heaven} *MOUNTAIN* {new Zion full of a lake of fire} *of the LORD* {risen Abaddon/the Rock}, *and to the HOUSE* {spiritual temple/ immense mountain full of a lake of fire, that is surrounded by new Jerusalem} *of the God* {one like the son of man} *of* {latter day new} *Jacob; and he will teach us of his ways, and we will walk in his paths: for the*

*LAW* {written on the first small part/copper altar of burnt offerings and last small part/Ark of the testament} *shall go forth of* {new} *Zion* {the written law is revealed from new mount Zion during the judgment. Upon new mount Zion is the temple of the one like the son of man where the priests/first group and elders/second group of redeemed impart the new law/visions and oracles written on the one like the son of man during the judgment}, *and the word of the LORD* {one like the son of man} *from* {new} *Jerusalem* {representing a huge whirlwind of light}.

***Isaiah 60:12*** *For the nation and kingdom that will not serve THEE* {new Jerusalem} *shall PERISH* {by an overflowing and spreading lake of fire}; *yea, those nations shall be utterly wasted.*

***Joel 3:17*** *So shall ye know that I am the LORD your God* {visions and oracles of the one like the son of man} *dwelling in* {new} *ZION* {the high mount of the super volcano, full of a lake of fire}, *my HOLY MOUNTAIN* {new Zion full of a lake of fire}: *then shall* {new} *Jerusalem* {representing a huge whirlwind of fire} *be holy, and there shall NO STRANGERS* {that rejected the everlasting gospel} *pass through HER* {pass through the land of the USA where new Jerusalem appears as a huge whirlwind of fire in the USA} *any more.*

\*\*\*\*\*

*Revelation 21:27 And there shall in NO WISE enter into IT* {new Jerusalem's light/ensign} **ANYTHING THAT DEFILETH** {because the tremendous heat radiating from of the lake of fire keeps it pure/holy}, **neither whatsoever WORKETH ABOMINATION** {support and promote a false belief}, **or MAKETH A LIE** {false promises and predictions made by false prophets/messengers, leaders, and politicians}: **but they which are WRITTEN** {during the previous replays of all generations that showed the redeemed entering new Jerusalem's ensign to be living in the new heaven and new Earth while also partaking in the judgment} **in the LAMB'S** {Lamb/visions and oracles written on the last small part of the seventh part of the scroll of life's other side} **BOOK** {scroll} **OF LIFE** {the last book/scroll of life had already recorded the people that overcame and entered the ensign/light of new Jerusalem before the judgment began}.

During the judgment that has been taking place for more than 1,000 years, the visions and oracles written on the first small part (Lamb) of the seventh part of the scroll of life are presently revealing what happened in the last generation. Hence if you are reading this message, it is because this last generation is presently being replayed during the judgment and replaying what you did in the first timeline, which began from Genesis through the last

generation and time of the judgment. Accordingly when new Jerusalem manifests as a bright light (ensign) during the present replay of the last generation, none of the people that rejected the everlasting gospel in the previous replays will enter new Jerusalem's ensign in the present replay or following replays of all generations. The reason is that the rebellious people did not believe the everlasting gospel when it was proclaimed in the last generation during the first timeline. During the last generation of the first timeline, the rebellious people instead defiled themselves by partaking in unclean beliefs, or working abominations by supporting false beliefs, or making lies of false predictions and promises that were all contrary to what the everlasting gospel was prophesying before and during the five months of smoke and ash erupting from the super volcano.

In the present replay of the last generation, it will show the same rebellious people not accepting the everlasting gospel to enter new Jerusalem's ensign. Since these rebellious nations and people were blotted out of the scroll of life in the first timeline (when they were no longer playing a part in life because they ended up in the lake of fire that covered the world), they will be shown again in the present replay of the last generation how they were blotted out of the scroll of life when they ended up in the lake of fire.

The great multitude accepted the everlasting gospel and

entered the ensign of new Jerusalem in the first timeline of all generations. These people were thereafter living in the new heaven and new Earth as written on the scroll of life. Accordingly, each replay of the last generation shows the same three groups of redeemed entering the ensign of new Jerusalem to be living in the new heaven and new Earth, as already written on the scroll of life.
