

## Chapter 21

***Revelation 21:1 And I saw a NEW HEAVEN*** {the old heaven being the area of the top of the swelled to heaven/sky super volcano overflowing with lava was replaced by the new lower heaven of Eden's mount} ***and a new Earth*** {the old Earth was replaced by the new Earth's land of Eden}: ***for the FIRST HEAVEN*** {top of the swelled to heaven super volcano overflowing with a lake of fire} ***and the first EARTH*** {Earth's land covered in a lake of fire and then covered by a sea of waters} ***PASSED AWAY*** {no longer existed}; ***and there was NO MORE SEA*** {no more sea covering the land when the new heaven and new Earth were re-created}.

As stated in Revelation 20:15, the overflowing and spreading lake of fire covered the world while great hailstones rained upon all lands to which the lake of fire had spread. Thereafter when the intensity of the overflowing lake of fire had subsided, a sea of waters covered the world's land. However, the USA's land was still covered by the lake of fire overflowing from the swelled to heaven super volcano within the dissolved USA. Then the first heaven of the top of the swelled to heaven immense super volcano overflowing with a lake of fire within the dissolved USA was replaced by Eden's immense mount that is lower to the ground. At the same time, there was no more sea covering the land because the

new Earth's land was re-created as the new Eden.

*Isaiah 65:20 There shall be no more THENCE* {being the day the new heaven and new Earth began just after the lake of fire covered the world} *an INFANT* {who did not enter the ensign to be within new Jerusalem} *OF DAYS* {instead will be an infant of 100 years. The 100 years of judgment time began when the risen seventh plagued angel came down from heaven as an overflowing and spreading lake of fire. These 100 years ended when the world was covered in a lake of fire}, *nor an OLD MAN* {that did not enter the ensign to be within new Jerusalem} *that hath not filled his days* {filled his days of 100 years of the judgment period}: *for the child shall die an HUNDRED YEARS OLD* {because it took a 100 years during the judgment to show the many things happening during the small amount of time it took for the lake of fire to spread throughout the world}; *but the SINNER* {referring to the rebellious people with their children that sinned against the everlasting gospel by not following the message and entering the ensign to be within new Jerusalem and escape the lake of fire} *being an hundred years old shall be accursed.*

*Psalms 90:4 For a THOUSAND YEARS* {of our years} *in THY* {seventh plagued angel's} *sight are but as YESTERDAY when it is past, and as a WATCH IN THE NIGHT* {hence a thousand years of our world dreamed

into existence are equal to one day in the real world}.

\*\*\*\*\*

***Revelation 21:2 And I John saw the HOLY CITY*** {being new Jerusalem in which the three groups of redeemed had entered to escape death by a lake of fire that covered the world}, ***NEW JERUSALEM*** {new Jerusalem was sitting around the swelled to heaven super volcano of the first heaven and first Earth}, ***COMING DOWN*** {hence the holy city came down to be the new Eden that surrounds new Eden's lower mount that replaced the swelled to heaven super volcano's mount} ***from GOD*** {seventh plagued angel/God reigning on the top of the swelled to heaven lava-erupting super volcano of the first heaven and first Earth} ***out of HEAVEN*** {this first heaven refers to the top of the swelled to heaven super volcano that overflowed with a lake of fire}, ***prepared as a BRIDE*** {three groups of redeemed} ***adorned for her HUSBAND*** {the written visions and oracles of the Lamb/new Israel}.

After the lake of fire covered the first Earth (land) of the old world. Then the seventh plagued angel recreated the new heaven and new Earth of the new world, just as it happened in the first week of Genesis. Accordingly the high new Jerusalem came down from the heights of her God and father (seventh plagued angel reigning upon the swelled to heaven super volcano of the first heaven) to be dwelling in the new heaven and new Earth. New

Jerusalem represents the new Eden, that is as a dressed bride prepared for her husband (new Israel of the new world). This time, however, only the three groups of redeemed that entered new Jerusalem will be living with the new Adam (Michael) and new Eve (Gabriel) in the new heaven and new Earth.

\*\*\*\*\*

***Revelation 21:3 And I heard a GREAT VOICE*** {equated with thunder} ***out of HEAVEN*** {where the judgment is taking place on and around the lifted up to heaven super volcano} ***saying, Behold, the TABERNACLE*** {dwelling place within the bottomless pit/super volcano/Eden's mount/the rock} ***of GOD*** {seventh plagues angel} ***is with MEN*** {men/spiritual tribes of the three groups of redeemed within new Jerusalem}, ***and HE*** {seventh plagues angel} ***will DWELL*** {dwells within the dormant super volcano/mount of Eden/bottomless pit/the rock} ***with them , and THEY*** {three groups of redeemed} ***shall be HIS*** {seventh plagues angel's} ***people, and GOD HIMSELF*** {seventh plagues angel/the rock/mount of Eden} ***shall be with them, and be their God*** {because according to what is written on the last small part (referred to as the seventh plagues angel/God) of the scroll of life is how the new heaven and new Earth are re-created by God over and over and over during the judgment}.

During the judgment, a vision and oracle written on the

last small part (equated with the seventh plagued angel) of the scroll of life showed new Jerusalem having descended with the lower new heaven (top) of new Eden's mount (equated with the seventh plagued angel) to be in the new Earth. At that time during the judgment, a great voice like thunder (from the top of the swelled to heaven super volcano of the first heaven and first Earth) declared that the former dwelling place upon the swelled to heaven super volcano of the seventh plagued angel is now in a new lower heaven of new Eden's mount. New Eden's mount is the same location as the former dwelling place of the seventh plagued angel on the lifted-up to heaven erupting super volcano. In the new Earth, living waters will flow from the top of Eden's mount, instead of an overflowing lake of fire flowing down from the first heaven to the first Earth. Accordingly, the seventh plagued angel (God) will be the new mount (rock) of Eden dwelling with the redeemed in the new paradise (garden) of Eden in the new Earth.

During the judgment, the visions and oracles written on the last small part (referred to as the seventh plagued angel) of the scroll of life replay over and over and over all things that happened from the first generation of Genesis through to the last generation ending in a lake of fire, the new heaven and new Earth, and the time of the judgment. Accordingly, certain visions and oracles written on the last small part of the scroll of life show what

happened and has been happening during the new heaven and new Earth. At the beginning of the new heaven and new Earth, the tabernacle (being the covering/tabernacle of Eden's mount where the seventh plagues angel/God dwells therein as a lake of fire) of God (who recreates all things over and over and over during the judgment) is with the redeemed in the new heaven and new Earth.

\*\*\*\*\*

***Revelation 21:4 And GOD*** {seventh plagues angel/last small part of the scroll of life} ***shall WIPE AWAY ALL TEARS from their eyes; and there shall be NO MORE DEATH, NEITHER SORROW, NOR CRYING, NEITHER shall there be ANY MORE PAIN: for the FORMER THINGS*** {that existed and happened in the first heaven being the top of the swelled to heaven erupting super volcano and the first Earth/land around it covered in a lake of fire} ***are PASSED AWAY*** {having been replaced with the new heaven and new Earth}.

During the judgment, written visions and oracles on the last small part (seventh plagues angel/God) of the scroll of life recreated the new heaven and new earth after the lake of fire (lava) descended from the first heaven to the first Earth (land) and covered the world. During the new heaven and new Earth, there is no more death, sorrow, crying, and pain that happened in the first heaven of the swelled to the sky super volcano overflowing and

descending to the first Earth (land), as the lake of fire spread to cover the first world. All things, animals, and the three groups of redeemed (re-saved) will be able to do only good in the new heaven (top of Eden's mount) and in the new Earth (land of Eden), as it was in Eden before Adam and Eve ate of the forbidden fruit. At that time, the redeemed dwelling in the new heaven and new Earth of the new world will have no memory of the first heaven and first Earth of the first world. In the new heaven and new Earth, they are made in the image and exact likeness of the righteous perfect people of the real world, whom they really are.

*Isaiah 65:17 For, behold, I {seventh plagued angel} create NEW HEAVENS and a NEW EARTH: and the FORMER {the ways and things that existed and happened in the old heaven and old Earth} shall NOT BE REMEMBERED, nor come into mind.*

\*\*\*\*\*

*Revelation 21:5 And HE {seventh plagued angel} that sat upon the THRONE {reigning upon the swelled to heaven super volcano that covered the world in a lake of fire} said, Behold, I {reigning seventh plagued angel} make ALL THINGS NEW {be recreating the old heaven and old Earth, covered in a lake of fire, into a new heaven and new Earth}. And HE {ending of the sixth plagued angel} said unto ME {said to the Apostle John who*

typifies latter day Yahshua/Moses}, ***WRITE: for these WORDS*** {that old John wrote in the Book of Revelation which illustrate what is written in the the scroll of life} ***are TRUE and FAITHFUL.***

The first Earth (land) and the world was covered in a lake of fire. Then the seventh plagued angel (that represents the last small part of the scroll) reigning on his white throne of light emanating from the lake of fire recreates all things of the first heaven and first world (that ended in a lake of fire) and makes them new. The new heaven and new Earth are recreated just as it happened in the first week of Genesis, except old Adam and old Eve and their rebellious children have been replaced with the new Adam (Michael) and new Eve (Gabriel) and the three groups of redeemed.

The old Apostle John on the Isle of Patmos was told to write the things he was seeing (visions) and hearing (oracles). He was told by the ending of the sixth plagued angel (who is revealing the seventh plagued angel) that the words of the visions and oracles he was writing in the Book of Revelation are true and faithful. This means that the overcomers that believe this message and the everlasting gospel can faithfully rely on these true visions and oracles written in the Book of Revelation, because the written visions and oracles will happen as revealed from the scroll of life by the two witnesses (Michael and Gabriel) to latter day Moses/Yahshua.

\*\*\*\*\*

**Revelation 21:6 And HE** {being the ending of the sixth plagued angel that reveals the reigning seventh plagued angel sitting on his throne of light emanating from the lake of fire of the swelled to heaven super volcano when the world was covered in a lake of fire} **said unto me, IT** {new heavens and new Earth} **IS DONE. I** {seventh plagued angel} **am ALPHA** {being the first letter of the first word on the first small part of the scroll of life's last side that mixes with the omega} **and OMEGA** {the last letter of the last word on the last small part of the scroll of life's first side}, **the BEGINNING** {the beginning dawning vision/light written on the first small part of the scroll of life's last side} **and the END** {the ending vision/light at dusk written on the last small part of the scroll of life's first side}. **I** {seventh plagued angel that represents the last small part of the scroll of life} **will give unto HIM** {any person} **that is ATHIRST** {to understand the written visions and oracles of God/seventh plagued angel} **of the FOUNTAIN** {equated with the visions and oracles written on the last small part of the scroll of life} **of the WATER** {equated with written words that prophesy of things that will happen} **OF LIFE** {salvation} **FREELY.**

It was done when the seventh plagued angel made all things new in the previous replay of the new heaven and new Earth. The seventh plagued angel's written visions

and oracles will again make all things new in the present replay of all generations. At present, the last generation in which we are reliving is being replayed. When the replay of the lake of fire covers the world and the replay of the new heaven and new Earth have replaced the old heaven and old Earth when all things were made new, then the replay reveals the seventh plagues angel when he declared "it is done."

The seventh plagues angel represents the first (alpha/beginning) letter of the alphabet written on the first small part of the scroll of life's last side, while at the same time the seventh plagues angel represents the last (omega) letter of the alphabet written on the last small part of the scroll of life's first side. Just as the end of a moonlight's evening mixes with the sun's daylight at dawn, so the seventh plagues angel represents the written visions and oracles of the first witness written on the last small part of the scroll of life's first side mixing with the visions and oracles written on the first small part of the scroll of life's other side.

When a person is thirsting to understand the visions and oracles written in the Bible concerning the seventh plagues angel. The seventh plagues angel will cause that person to find the message of the latter day messenger. The seventh plagues angel says "I will give unto him that is athirst (for the understanding of the written visions and oracles in the Bible) of the fountain (scroll of life) of the

water (written words in the scroll of life) of life  
(everlasting salvation) freely (no money required).”

*Isaiah 55:1* Ho, every one that **THIRSTETH** {to understand the Bible's written predictions}, *come ye to the WATERS* {words of life in the scroll of life}, *and he that hath no money; come ye, BUY* {by trading your old beliefs}, *and EAT* {of the spiritual hidden manna/seven angels' messages}; *yea, come, buy WINE* {referring to the sweetness/spiritual wine of knowing the meanings of written biblical prophecies} *and MILK* {referring to the bitterness/spiritual milk of being ridiculed by people because of the new belief} *without money and without price.*

\*\*\*\*\*

*Revelation 21:7* He that **OVERCOMETH** {latter day Babylon's way of thinking, which also pertains to their old beliefs, by accepting the latter day messenger's message and the everlasting gospel} *shall INHERIT* {in the new Earth} **ALL THINGS; and I** {seventh plagues angel} *will be his God, and he shall be my son* {in the new Earth}.

The Apostle John on the Isle of Patmos wrote that the seventh plagues angel said that the people that overcome will inherit all things of the old heaven and old Earth after it is covered by a lake of fire. The way a person overcame when they lived in the last generation of the first heaven

and first Earth to be, thereafter, living in the time of the new heaven and new Earth was by having received the mark (written visions and oracles) of God (seventh plagued angel) on their forehead (front of their mind) instead of the world's way of thinking. The overcomers dwelling in the new heaven and new Earth are the sons of the seventh plagued angel.

\*\*\*\*\*

***Revelation 21:8 But the FEARFUL*** {who are afraid to believe the latter day messenger's message and the everlasting gospel}, ***and UNBELIEVING*** {who outright reject this new message and the everlasting gospel}, ***and the ABOMINABLE*** {who spiritually eat/believe unclean/untrue beliefs}, ***and MURDERERS*** {of the two witnesses' written visions and oracles and murderers of the overcomers that proclaim the everlasting gospel}, ***and WHOREMONGERS*** {religious and political leaders who earn money from their converts}, ***and SORCERERS*** {false prophets}, ***and IDOLATORS*** {of respected people, famous people and powerful people, including past biblical prophets, messiahs, and God/Yahweh}, ***and ALL LIARS*** {who say the two witnesses' written visions and oracles as revealed by the latter day true messenger and the everlasting gospel are not true}, ***shall have their PART*** {as written in the scroll of life} ***in the LAKE*** {that will have covered the world} ***which BURNETH WITH FIRE*** {lava} ***and BRIMSTONE: which is the SECOND***

***DEATH*** {being an exact replay of the first death}.

The two witnesses' written visions and oracles (as revealed by the latter day true messenger from the scroll of life) and the everlasting gospel are the only means of salvation for people living in the last generation, that will be covered by a lake of fire. There are people who are afraid (fearful) to believe this message and, thereafter, the everlasting gospel. Other people are unbelieving, by outright rejecting the possibility that this message and, thereafter, the everlasting gospel will happen. There are people who falsely interpret the two witnesses' visions and oracles written in the Bible, creating an abominable belief that others also believe (spiritually eat) and promote. The people who kill the two witnesses' written visions and oracles and the overcomers that proclaim the everlasting gospel are murderers. Political and religious leaders who are not promoting what this message is proclaiming and, thereafter, the everlasting gospel but some other vision are as whoremongers. The people who use all sorts of means to promote their vision that is contrary to this message and the everlasting gospel are as sorcerers. Many people idolize the words of leaders of nations, people of power, famous people, wealthy people, and religious leaders, including old testament prophets, messiahs, and God/Yahweh mentioned in the Bible over what the latter day messenger's message and, thereafter, the everlasting gospel. Any person that says this message is false and,

thereafter, says the everlasting gospel is false is a liar.

Accordingly, all the fearful people, unbelieving people, abominable people, murderers, whoremongers, sorcerers, idolators, and all liars are warned by this message and the everlasting gospel before they play their final part in life (as written on the scroll of life), which ends (second death) in the lake of fire that had already covered the world in a lake of lava (first death) in the previous replay.

\*\*\*\*\*

***Revelation 21:9 And there came unto me ONE*** {being the ending of the sixth plagued angel} ***of the SEVEN ANGELS which HAD the SEVEN VIALS*** {not yet released at one time by the risen seventh plagued angel upon the swelled to heaven super volcano full of a lake of fire but not yet overflowing} ***FULL of the SEVEN LAST PLAGUES, and talked with me, saying, Come hither, I will shew thee the BRIDE*** {being new Jerusalem that represents the first group and second group of redeemed in which later was gathered the third group of redeemed into new Jerusalem}, ***the LAMB'S*** {representing the message of the latter day messenger} ***WIFE*** {new Jerusalem/new Eden}.

The Apostle John saw visions and heard the oracles which he wrote in Revelation 21:9. These visions and oracles reveal the time when the five months of smoke and ash

erupting from the super volcano had ended, along with the initial six plagued angels. In that time of five months, the everlasting gospel was proclaimed to all nations. The people that believed the everlasting gospel were ready to travel to the ensign of new Jerusalem at the end of the five months of smoke and ash. These people of a great multitude had overcome the beliefs of the world and inherited all things in the new heaven and new Earth when they entered new Jerusalem's ensign. However, the fearful people, unbelieving people, abominable people, murderers, whoremongers, sorcerers, idolators, and all liars rejected the everlasting gospel and instead chose to remain outside of new Jerusalem's ensign.

The ending of the sixth plagued angel showed the Apostle John the Lamb's Bride. The Lamb represents the message of the latter day messenger which revealed what was written on the scroll of life to the first group of overcomers and to the second group of overcomers. The first group (priests) and second group (elders) of redeemed were the saints who proclaimed the everlasting gospel during the five months when smoke and ash were erupting from the super volcano. These priests and elders are the bride (equated with new Jerusalem) of the Lamb (message/Lamb of the latter day messenger).

\*\*\*\*\*

***Revelation 21:10 And HE*** {ending of the sixth plagued

angel} *carried me away in the SPIRIT* {as a ghost/spirit} *to a GREAT and HIGH MOUNTAIN* {representing the swelled to heaven mountain of the super volcano full of a lake of fire}, *and shewed me that GREAT CITY, the HOLY JERUSALEM* {equated with an immense whirlwind that formed in the sky}, *DESCENDING* {from the sky where the immense whirlwind was created to surround the swelled to heaven mountain/furnace of the super volcano} *out of heaven from God* {the risen seventh plagued angel/God as a great light/star with a lake of fire upon the immense 40-mile wide mouth upon the swelled to heaven super volcano},

The sixth plagued angel carried the Apostle John in the spirit (as a ghost) to the top of the swelled to heaven super volcano's mountain, that reached to heaven (sky). John saw the great and holy city new Jerusalem descending from the sky (heaven) down to the ground. This vision represents the time when an immense fiery whirlwind (equated with new Jerusalem) was created in the sky by the extreme heat emanating from the lake of fire in the immense 40-mile wide mouth of the swelled to heaven super volcano. The swirling terrible rings of this immense whirlwind descended from the high mountain of God (risen seventh plagued angel) to surround the high mountain of the swelled to heaven super volcano.

*Nahum 1:3 The Lord* {seventh plagued angel} *is slow to anger, and great in power, and will not at all acquit the*

*wicked {that reject the everlasting gospel}: the Lord hath his way in the WHIRLWIND {that comes down from heaven to surround the swelled to heaven mountain of the super volcano} and in the storm, and the clouds are the dust of his feet.*

***Ezekiel 1:4*** *And I looked, and, behold, a WHIRLWIND {immense tornado equated with new Jerusalem} came out of the north, a great cloud, and a fire infolding itself, and a brightness was about it, and out of the midst thereof as the colour of amber, out of the midst of the fire.*

***1:26*** *And above the FIRMAMENT {where great hailstones are being created in heaven/sky} that was over their heads was the likeness of a THRONE {throne of intense light upon the firmament of hailstones in heaven. The intense light/ensign is emanating from the swelled to heaven super volcano's immense mouth full of a lake of fire}, as the appearance of a SAPPHIRE STONE {reflecting the color of the blue sky}: and upon the likeness of the throne was the likeness as the appearance of a MAN {risen seventh plagued angel as a great light/star} above upon it.*

***1:27*** *And I saw as the COLOUR OF AMBER {color of the lake of fire/lava}, as the appearance of fire round about within it, from the appearance of HIS {risen seventh plagued angel's} loins even upward, and from the*

*appearance of his loins even downward, I saw as it were the appearance of fire {lake of fire}, and it had brightness round about.*

\*\*\*\*\*

***Revelation 21:11*** {new Jerusalem equated with the first and second groups of redeemed} ***Having the GLORY*** {referring to the intense glorious light emanating from the lake of fire in swelled to heaven super volcano's 40-mile wide mouth} ***OF GOD*** {risen seventh plagued angel as a great light with fire}: ***and HER*** {bride/new Jerusalem equated with the first group and second group of redeemed} ***LIGHT*** {white garments equated with the intense white light emanating from the like of fire in the swelled to heaven super volcano's immense mouth} ***was like unto a stone most precious, even like a jasper stone, clear as crystal;***

New Jerusalem (huge whirlwind) will be radiating an intense white light emanating from the swelled to heaven super volcano's immense 40-mile wide mouth full of a lake of fire. This intense light is the ensign that will be lifted up to the nations. A great multitude of all nations that accepted the everlasting gospel will hear of and see the intensely bright light and quickly travel to it. Before the lake of fire overflows and descends down from the swelled to heaven super volcano to spread throughout the world, the redeemed will enter the intense light of the ensign to be within new Jerusalem before the judgment

begins. In the middle of new Jerusalem (huge whirlwind) is the high mountain of the super volcano full of a lake of fire. Above this high mountain full of a lake of fire is the risen God (seventh plagues angel). The seventh plagues angel (who is equated with the last small part of the scroll of life) is God because he is replaying (recreating) the things that happened in all generations, end of the world, new heaven and new Earth, and the time of the judgment. The glory (intense light/shekinah glory) of God (seventh plagues angel) is the figurative white linen garments that all the redeemed are covered with when they enter the ensign of new Jerusalem.

\*\*\*\*\*

***Revelation 21:12*** And {new Jerusalem representing a great whirlwind} ***had a WALL*** {created by raining hailstones} ***great and high, and had TWELVE GATES*** {symbolizing twelve spiritual tribes of the great multitude}, ***and at the gates TWELVE ANGELS*** {typified by the old twelve sons/twelve tribes of Jacob, being the new twelve sons/tribes}, ***and NAMES WRITTEN THEREON*** {which are the names of the great multitude on twelve gates}, ***which are the NAMES of the TWELVE*** {spiritual} ***TRIBES of the CHILDREN*** {great multitude/third group of redeemed} ***of*** {new} ***ISRAEL*** {new nation of Israel}:

The vision of Revelation 21:12 is of new Jerusalem. New

Jerusalem represents an immense whirlwind that materializes because of the intense heat emanating from the lake of fire in the immense 40-mile wide mouth of the swelled to heaven super volcano. New Jerusalem is also equated with the first group and second group of redeemed and, thereafter, the third group of redeemed. New Jerusalem's gates represent the third group of redeemed (great multitude), which are built upon the wall after the wall was built. New Jerusalem's wall represents the second group (144,000) of redeemed that covers new Jerusalem's foundations (representing the first group of redeemed). As a foundation is built before a wall, so the first group (apostles of every generation) was gathered before the second group (disciples of every generation) of redeemed. Also as a wall is built before gates can be placed thereon, just as the second group (disciples of every generation) of redeemed was gathered before the third group of redeemed. New Jerusalem's twelve gates are equated with the great multitude (third group of redeemed), who are the spiritual children of the twelve spiritual tribes of the 144,000 (second group of redeemed). Each angel at each of the twelve gates is equated with a tribe of Jacob. These twelve angels are equated with the vision concerning the fiery light (heat) of the lake of fire guarding each gate.

First there are 1,000 apostles in each of twelve tribes (twelve foundations) of the first group. Then there are also

12,000 disciples in each of the twelve tribes (walls).  
Thereafter, there are also a great multitude of children in  
the twelve tribes (gates) of the new nation of Israel.

*Jeremiah 31:22* *How long wilt thou go about, O thou  
backsliding DAUGHTER {USA's ruling capital/daughter  
and her nation/husband that are about to begin being  
covered by the lake of fire, which has filled the immense  
mouth upon the high mountain/new Zion within new  
Jerusalem}? for the Lord {risen seventh plagued angel}  
hath created a new thing in the earth, A WOMAN {new  
Jerusalem} shall compass a MAN {the man being the new  
nation of Israel that will be within the woman/new  
Jerusalem when the three groups of redeemed have  
entered new Jerusalem's ensign}.*

\*\*\*\*\*

*Revelation 21:13* *On the east three gates; on the north  
three gates; on the south three gates; and on the west  
three gates .*

There are three gates on each side of new Jerusalem. The  
reason is that when the seventh plagued angel has risen as  
a great light with a lake of fire, the great multitude of  
overcomers (that believed the everlasting gospel) will  
travel from the four corners of the world to enter into any  
of the four sides of the ensign. The ensign is a glorious  
white light emanating from new Jerusalem before the lake

of fire (within new mount Zion's swelled to heaven immense 40-mile wide mouth) overflows and spreads throughout the world.

In the past type, the adults (equated with apostles/first group of redeemed) of old Israel left Egypt and gave birth to children (equated with the 144,000/second group of redeemed), who became adults during Israel's second wilderness journey to Canaan. Then the adults (equated with the first group and second group of redeemed) of Israel entered the promised land and began overthrowing the Canaanites. While old Canaan was being overthrown, the children of Israel (who became adults before entering Canaan) gave birth to a multitude of their children, just as the 144,000 (being the matured children of the Lamb and his apostles) give spiritual birth to a great multitude (third group of redeemed) of children, that accept the everlasting gospel and, thereafter, enter the ensign.

\*\*\*\*\*

***Revelation 21:14 And the WALL*** {representing the second group/144,000 of redeemed} ***of the city*** {new Jerusalem} ***had TWELVE FOUNDATIONS*** {equated with apostles/first group of redeemed gathered in every generation before the disciples/second group were gathered in every generation, that all resurrect to be living in the last generation to proclaim the everlasting gospel}, ***and in them the NAMES of the TWELVE APOSTLES***

{twelve apostles gathered in old Yahshua's/Jesus' generation, just as there are apostles gathered in every generation by a living messenger, that all resurrect to be living in the last generation to proclaim the everlasting gospel} *of the LAMB* {Lamb/message of latter day new Yahshua/Jesus}.

New Jerusalem's wall represents the second group (144,000 disciples of all generations) of redeemed. The wall is built on twelve foundations. These twelve foundations represent the first group (apostles) of redeemed gathered in every generation. In Yahshua's/Jesus' generation, Yahshua first gathered twelve apostles and then he and his apostles gathered disciples during the 3½ year ministry of Yahshua before he was crucified and resurrected.

In the last generation, latter day new Yahshua/Moses gathered his apostles during latter day Babylon's first reigning period, just as old Moses brought the adult Israelite believers out of old Egypt. Old Moses and the adult Israelites that came out of Egypt failed to take the promised land and end the reign of the Canaanites after their first wilderness journey from Egypt to Canaan. In our day, latter day Moses and his apostles failed in the prediction of the super volcano erupting smoke and ash to begin the ending of latter day Babylon's (spiritual Canaan's) reign. Old Moses and the adult Israelites wandered the wilderness for a second time, but for 40

years, and gave birth to children. These children became adults during their 40-year wilderness journey. In our day, latter day Moses with his apostles will gather disciples when the two witnesses are prophesying for 1260 days during latter day Babylon's third reigning period. Three and a half days after these 1260 days, the super volcano explodes and erupts smoke and ash for five months. On the same day the super volcano explodes is when the resurrection happens for the dead of all generations. Among these resurrected people to life and health are living and healthy patriarchs, prophets, messiah's, messengers, apostles, and disciples of all past generations. These resurrected overcomes of all generations will learn the new message (song) of the everlasting gospel during the 50 days of new Pentecost. Then at the beginning of the 50<sup>th</sup> day, they will receive the power of the Holy Spirit (seventh plagued angel) to proclaim the everlasting gospel and convert a great multitude while the super volcano is erupting smoke and ash for five months.

\*\*\*\*\*

***Revelation 21:15 And HE*** {ending of the sixth plagued angel revealing the seventh plagued angel} ***that talked with ME*** {Apostle John} ***had a GOLDEN*** {this gold represents the first witness' spiritual silvery moonlight/visions mixed with the last witness' spiritual coppery sunlight/visions} ***REED to MEASURE the CITY*** {foundations}, ***and the GATES thereof, and the WALL***

*thereof.*

The vision of Revelation 12:15 is of the city new Jerusalem that is equated with the first group and second group of redeemed and, thereafter, the third group of redeemed. New Jerusalem also represents a huge whirlwind that surrounds the high mountain of the super volcano when it is full of a lake of fire. The golden reed represents the two witnesses' combined lights (visions) of silvery moonlight (visions) mixed with coppery sunlight (visions) to create the gold. Since the city is being measured (judged) by the golden reed, it means the visions of this golden reed pertain to new Jerusalem, which represents the three groups of redeemed.

\*\*\*\*\*

***Revelation 21:16 And the city lieth {base} FOURSQUARE, and the LENGTH is as LARGE as the BREADTH: and HE {ending of the sixth plagued angel} measured the CITY with the reed, TWELVE THOUSAND FURLONGS {hence each of twelve foundations equals 1,000 furlongs}. The LENGTH {12,000 furlongs} and the BREADTH {12,000 furlongs} and the HEIGHT {12,000 furlongs} of IT {the foursquare base/twelve foundations} are EQUAL.***

New Jerusalem's measurements reveal how far the light of the ensign is radiating from the swelled to heaven super

volcano. The measurement of the base (foursquare) of new Jerusalem are 12,000 furlongs (being 1500 miles) long, 12,000 furlongs wide, and twelve thousand furlongs high. The base (twelve foundations) of new Jerusalem represents the first group of 12,000 redeemed. The length, breadth, and height of new Jerusalem (each being 12,000 furlongs/1,500 miles) reveals the general size of the glorious bright white light of the ensign radiating out from the immense 40-mile wide mouth upon the swelled to heaven super volcano.

\*\*\*\*\*

*Revelation 21:17 And he MEASURED the {height of the} WALL {one wall that covers the top of the foundations} thereof, an HUNDRED and FORTY and FOUR CUBITS {to correlate the wall of 144 cubits with the 144,000/second group of redeemed}, according to the MEASURE {cubit} of a man, that is, of the angel {the ending of the sixth plagued angel that is doing the measuring}. The 144 cubit-high wall completely covers the top of new Jerusalem's twelve foundations, that are 12,000 furlongs long, wide, and high. Therefore the wall represents the second group of redeemed gathered from all generations. The wall is 144 cubits high to correlate the wall with the 144,000. Also the height of the wall is of the glorious white light emanating about 12,000 furlongs from the swelled to heaven super volcano's 40-mile wide mouth, full of a lake of fire.*

***Revelation 21:18 And the building of the WALL***

{representing the second group of redeemed} ***of it was of JASPER*** {this particular Jasper wall of new Jerusalem has 12 colors. The wall of Jasper is equated with great hailstones that like prisms divide the intense white light into the many colors of Jasper stones}: ***and the*** {top of the} ***CITY was PURE GOLD*** {gold represents the yellow/gold color of the sky when a huge thunderstorm of great hailstones are raining upon the land}, ***like unto CLEAR GLASS*** {representing great hailstones}.

New Jerusalem's has one 144 cubit-high wall that covers completely the 12 foundations that create the square base of new Jerusalem. The reason is that the 12 foundations and 144 cubit-high wall represent great hailstones that have rained from heaven (sky) when the swelled to heaven super volcano is full of a lake of fire but not yet overflowing. The wall is made of 12 layers/colors of Jasper stones. Each layer/color is 12 cubits high. These twelve layers/colors of the 144 cubit-high wall represent the twelve tribes of the 144,000.

The vision in Revelation 21:18 reveals the time when a great whirlwind has materialized around the swelled to heaven super volcano full of a lake of fire but not yet overflowing. At that time, great hailstones will be raining within and around the huge whirlwind. These raining great

hailstones represent the transparent foundations and wall of new Jerusalem. The pure and transparent gold of new Jerusalem represents the yellow/gold color of the sky. The yellow/gold color of the sky is reflected with the transparent great hailstones forming high in the sky during the terrible storm taking place around the swelled to heaven super volcano full of a lake of fire.

***Revelation 21:19 And the {twelve} FOUNDATIONS of the WALL of the CITY were GARNISHED with all manner of PRECIOUS STONES. The FIRST foundation was JASPER; the SECOND, SAPPHIRE; the THIRD, a CHALCEDONY; the FOURTH, an EMERALD;***

***Revelation 21:20 The FIFTH, SARADONYX; the SIXTH, SARDIUS; the SEVENTH, CHRYSOLYTE; the EIGHTH, BERYL; the NINTH, a TOPAZ; the TENTH, a CHRYSOPRASUS; the ELEVENTH, a JACINTH; the TWELFTH an AMETHYST.***

Each of the twelve foundations are of a different color gemstone to equate them with the twelve tribes of the apostles gathered from all generations. The gemstones are also equated with great hailstones that rain from heaven around the swelled to heaven super volcano full of a lake

of fire. The great hailstones act as prisms that divide the intense white light emanating from the immense lake of fire to create the many colors that are associated with the twelve gem-stone foundations of new Jerusalem.

The twelve foundations have one wall covering the top foundation. These twelve foundations represent the twelve spiritual tribes that are equated with the twelve apostles of old Yahshua/Jesus. In these twelve spiritual tribes are written the names of the first group of redeemed gathered from all generations. As the faithful adult Israelites of twelve tribes believed old Moses' message and left Goshen in old Egypt and traveled to Canaan (promised land), so the faithful apostles of all generations accepted the message of a living messenger (patriarch, prophet, or messiah) on their spiritual journey to a new Earth (the real promised land). The living messenger and apostles (apostles equated with the twelve foundations) gathered disciples. These disciples of all generations are represented by the wall that covers completely the top of the twelve foundations, just as apostles (foundations) are gathered before disciples (wall) are gathered. Disciples of all generations are equated with the children that were born from the adult Israelites as they journeyed through the wilderness to Canaan.

***Malachi 3:17*** *And they shall be mine, saith the LORD {seventh plagued angel} of HOSTS {great hailstones}, in THAT DAY {the day when the seventh plagued angel has*

risen as a great star/light/ensign} *when I make up my JEWELS* {hence the jewels with which new Jerusalem is constructed}; *and I will SPARE THEM, as a man spareth his own son that serveth him.*

***Revelation 21:21 And the TWELVE GATES*** {in which enter the great multitude/third group of redeemed} ***were TWELVE PEARLS*** {these white pearls represent the bright light shining above the clouds from the swelled to heaven super volcano full of a lake of fire}; ***every several GATE*** {every one of three/several gates on each side of new Jerusalem} ***was of ONE PEARL*** {that each sat upon the outer part of the wall}: ***And the STREET*** {upon the top of new Jerusalem} ***of the CITY was PURE GOLD*** {representing the yellow/gold color of the sky reflecting on the great hailstones forming in the sky}, ***as it were TRANSPARENT GLASS.***

When new Jerusalem materializes around the swelled to heaven super volcano full of a lake of fire but not yet overflowing, new Jerusalem's twelve foundations are first built and then the one wall with twelve colors/layers of a jasper stone is built covering the top of the 12 foundations, followed by the 12 gates of white pearl built thereon. This reveals that the first group (equated with 12 foundations) of redeemed was gathered. Then the second group (equated with 12 colors/layers of the wall) of redeemed

was gathered. Thereafter, the third group (equated with 12 gates made of white pearl) was gathered.

Each gate is made of white pearl to equate the color of each gate with the intense white light emanating from the risen seventh plagued angel above the swelled to heaven super volcano. The intense bright light is shining above the clouds over new Jerusalem. Each of the twelve gates is of one pearl to equate each gate with each separate tribe of the great multitude. On top of the wall of jasper is the street of gold, which represents the reflection of the yellow/gold colored cloudy sky upon the great hailstones forming in the clouds.

***Revelation 21:22 And I saw NO TEMPLE THEREIN***  
{there is no temple covering when the high mount Zion/super volcano within new Jerusalem is full of a lake of fire}: ***for the Lord God ALMIGHTY*** {risen seventh plagued angel as a great star/ensign} ***and the LAMB***  
{representing the message that reveals the written visions and oracles written on the last small part of the scroll of life} ***are the TEMPLE*** {of light} ***of IT*** {new Jerusalem}.

The temple represents the super volcano's mountain. It opened when the super volcano exploded and erupted smoke and ash for five months. During those five months, the opened temple was still covered by smoke and ash. At

the end of these five months, a great earthquake causes the immense mouth on top of the super volcano's swelled to heaven mountain to begin filling with a lake of fire. The rising light with the rising lake of fire (equated with the rising seventh plagues angel) is still covered by smoke and ash.

By the time the immense high mouth is full of a lake of fire, the light of the ensign is then completely visible on top of the mountain, as the smoke and ash will have dissipated. At that time, there is no more covering of the temple (top of the mountain), as the seventh plagues angel has risen as a visible bright star (shekinah glory) with tremendous heat of the lake of fire above the swelled to heaven super volcano. Accordingly the glorious pure (holy) light (ensign) of the seventh plagues angel is the temple upon the high mountain of the super volcano. The Lamb is revealing the visions and oracles written on the last small part of the scroll of life that show the time when the seventh plagues angel was the temple upon new mount Zion (high mountain of the super volcano) within new Jerusalem. Therefore the Lamb (message/revealed words) is also the temple.

***Revelation 21:23 And the CITY*** {new Jerusalem equated with a huge whirlwind surrounding the high and immense mountain full of a lake of fire} ***had NO NEED of the***

The city new Jerusalem does not require the light of the sun or moon to illuminate it. The reason is that new Jerusalem is equated with a huge whirlwind that materializes around the swelled to heaven super volcano. At that time, the immense 40-mile wide mouth upon the swelled to heaven super volcano is full of a lake of fire, which is equated with the seventh plagued angel having risen as an intensely bright and glorious star above the high mountain full of a lake of fire. The glorious light emanating from the risen seventh plagued angel is so intense that it reaches 12,000 furlongs in all directions. This is the intense light (ensign) of God (seventh plagued angel) that shines from within new Jerusalem. The Lamb that reveals the visions and oracles of the risen seventh plagued angel is also equated with the intense light emanating from within new Jerusalem.

***Revelation 21:24 And the NATIONS of THEM*** {great multitude/third group of redeemed} ***which ARE SAVED*** {having accepted the everlasting gospel} ***shall WALK in the LIGHT*** {being the intensely bright light/ensign} ***of IT*** {new Jerusalem}: ***and the KINGS*** {kingdoms/nations} ***of the earth do BRING THEIR GLORY and HONOUR INTO IT*** {into new Jerusalem}.

The vision in Revelation 21:24 was revealed by the Lamb (message) from the last small part of the scroll of life during the judgment. This vision and oracles replayed the time when the swelled to heaven super volcano was full of a lake of fire but not yet overflowing. At that time, the intensely bright light (emanating from the super volcano's immense 40-mile wide mouth full of a lake of fire within new Jerusalem) will be lifted up through the sky (heaven). This glorious light will be radiating 12,000 furlongs high above the swelled to heaven super volcano and 12,000 furlongs wide and 12,000 furlongs in length. To this intense white light (ensign), the first group and second group of redeemed will lead the nations of a great multitude. All three groups of redeemed will enter the fiery ensign before the swelled to heaven super volcano has a massive explosion that causes the lake of fire to overflow and spread throughout the world.

***Zechariah 8:23 Thus saith the Lord of hosts; In THOSE DAYS*** {from the time the seventh plagued angel has risen as a bright star/ensign} ***it shall come to pass, that TEN***

*MEN* {representing in the past type the ten tribes of Israel's northern kingdom taken into captivity by the Assyrian and thereafter lost their Israelite identity, having become mixed with gentiles. In our day, these ten men/tribes are equated with the great multitude/spiritual gentiles} *shall take hold out of ALL LANGUAGES OF THE NATIONS, even shall take hold of the skirt of him that is a JEW* {representing in the past type the kingdom of Judah that returned from Babylonian captivity. In our day, the kingdom of Judah represents the first group and second group of redeemed}, *saying, WE* {great multitude of all nations} *will GO* {to the light of the ensign} *WITH YOU* {first group and second group of redeemed}: *for we have heard that God* {risen seventh plagued angel} *is with you.*

***Revelation 21:25 And the GATES of IT*** {new Jerusalem/great whirlwind of light/ensign} ***shall NOT BE SHUT at all by day: for there shall be NO NIGHT THERE*** {because of the intense light emanating from the lake of fire within the immense mouth of the swelled to heaven super volcano}.

The gates of white pearly light are 12,000 furlongs on top of each side of new Jerusalem. When the redeemed enter the lower light (ensign) of the great whirlwind, its revolving winds will take them to these white pearly gates

that are on top of the clouds of heaven to enter new Jerusalem. The same way that Elijah was taken into heaven is the same way the redeemed enter the gates of heaven (sky).

*2 Kings 2:11 And it came to pass, as they still went on, and talked, that, behold, there appeared a CHARIOT {whirlwind/tornado} of fire, and horses of fire, and parted them both asunder; and Elijah went up by a whirlwind into heaven {where he stands in heaven during the judgment}.*

There will be no night in new Jerusalem. The reason is that the intense light emanating from the swelled to heaven super volcano's immense mouth (full of a lake of fire) within new Jerusalem will give light constantly.

*Isaiah 60:1 Arise, shine; for thy light is come, and the glory of the Lord {seventh plagued angel} is RISEN {as a great light with a lake of fire from the swelled to heaven bottomless pit} upon thee {new Jerusalem/great whirlwind of light}.*

*60:2 For, behold, the darkness shall cover the earth {USA's land/Earth}, and gross darkness the people: but the Lord {risen seventh plagued angel} shall arise upon THEE {new Jerusalem}, and his GLORY {intense light/Shekinah glory} shall be seen upon thee.*

*60:11 Therefore THY {new Jerusalem's} gates shall be*

*open continually; they shall not be shut day nor night; that men may bring unto thee the forces of the Gentiles, and that their kings may be brought.*

**60:19** *The sun shall be no more thy light by day; neither for brightness shall the moon give light unto thee: but the LORD {risen seventh plagued angel/Lord as a bright star upon the high mountain of new Zion within new Jerusalem} shall be unto THEE {new Jerusalem} an everlasting light, and thy God thy glory.*

\*\*\*\*\*

**Revelation 21:26** *And THEY {third latter day group/great multitude of redeemed} shall BRING the GLORY and HONOUR of the NATIONS {which previously was given to the latter day kingdom of Babylon} into it {into the light/ensign of new Jerusalem}.*

The everlasting gospel was proclaimed for five months when the super volcano was erupting smoke and ash. Thereafter the super volcano swelled to heaven and exploded magma into the sky, as it began to fill with a lake of fire. When the lake of fire had filled the swelled to heaven super volcano's immense mouth, it then began to emit an intense light reaching about 12,000 furlongs in all directions. At the same time, the intense heat emanating from the fiery furnace within the swelled to heaven super volcano's mouth caused a great whirlwind to manifest

around the high and immense mountain of the super volcano. This great whirlwind shining as a bright light is referred to as new Jerusalem. From the time the great whirlwind shining as a bright light, then the people that believed the everlasting gospel traveled quickly from all parts of the world to enter the new Jerusalem's light (ensign) before the lake of fire began to overflow and spread throughout the world.

*Isaiah 60:3 And the GENTILES {great multitude} shall come to THY {new Jerusalem's} light {after having heard the message of the everlasting gospel}, and kings to the brightness of THY {new Jerusalem's} rising.*

*Isaiah 60:5 Then thou shalt see, and flow together, and thine heart shall fear, and be enlarged; because the abundance of the SEA {referring to peoples} shall be converted unto THEE {new Jerusalem}, the forces of the GENTILES {third latter day group of redeemed} shall come unto thee.*

**Isaiah 66:19**

*And I will set a sign among them, and I will send THOSE {first group and second group of redeemed} that escape of them unto the NATIONS, to Tarshish, Pul, and Lud, that draw the bow, to Tubal, and Javan, to the isles afar off, that have not heard {great sound of thunder} MY {risen seventh plagued angel's} fame, neither have seen my GLORY {glorious light of the risen seventh plagued*

angel}; and they shall declare my glory among the Gentiles.

**Isaiah 66:20** And they shall bring all your brethren for an offering unto the Lord {risen seventh plagued angel as a great star} out of all nations upon horses, and in chariots, and in litters, and upon mules, and upon swift beasts, to my holy {new Zion} mountain {within new Jerusalem} Jerusalem, saith the Lord, as the children of Israel bring an offering in a clean vessel into the house of the Lord.

**Zechariah 2:5** For I, saith the LORD {risen seventh plagued angel/Lord as an intense light with a lake of fire}, will be unto HER {new Jerusalem/great whirlwind} a WALL OF FIRE {when the lake of fire begins to overflow} round about, and will be the GLORY {intense light/glory emanating from the lake of fire in the immense mouth of the swelled to heaven super volcano} in the midst of HER {new Jerusalem}.

**Isaiah 2:2** And it shall come to pass in the LAST DAYS {before the world is covered by a lake of fire}, that the MOUNTAIN {new Zion/mountain of the swelled to heaven super volcano} of the LORD's {risen seventh plagued angel's} HOUSE {spiritual temple representing the super volcano's immense mouth full of a lake of fire} shall be established in the top of the mountains, and shall be EXALTED above the hills; and all NATIONS {of the

redeemed} *shall flow unto it* {when new Jerusalem/great whirlwind of light is surrounding the risen seventh plagued angel's house/immense mouth of the swelled to heaven super volcano full of a lake of fire}.

***Micah 4:1*** *But in the LAST DAYS* {before the world is covered by a lake of fire} *it shall come to pass, that the MOUNTAIN* {new Zion representing the immense mouth of the swelled to heaven full of a lake of lava} *of the LORD* {risen seventh plagued angel as a bright star} *shall be established in the top of the mountains, and it shall be exalted above the hills; and PEOPLE* {the redeemed that accepted the everlasting gospel} *shall flow* {from all parts of the world} *unto IT* {ensign/glorious light}.

***Micah 4:2*** *And MANY NATIONS* {of the third group of redeemed after they are converted by the first group/12,000 and second group/144,000 of redeemed} *shall come, and say, Come, and let us go up to the MOUNTAIN* {super volcano's mouth issuing a glorious light} *of the LORD* {risen seventh plagued angel}, *and to the HOUSE* {spiritual temple/super volcano's immense mouth surrounded by new Jerusalem} *of the God* {seventh plagued angel} *of* {latter day new} *Jacob; and he will teach us of his ways, and we will walk in his paths: for the LAW* {written on the seventh plagued angel/last small part of the scroll of life} *shall go forth of Zion* {the written law is revealed from new mount Zion during the judgment.

Upon new mount Zion is the temple of the seventh plagues angel where the priests/first group and elders/second group of redeemed impart the new law during the judgment}, *and the word of the LORD* {risen seventh plagues angel} *from* {new} *Jerusalem* {representing a huge whirlwind of light}.

***Isaiah 60:12*** *For the nation and kingdom that will not serve THEE* {new Jerusalem} *shall PERISH* {by an overflowing and spreading lake of fire}; *yea, those nations shall be utterly wasted.*

***Joel 3:17*** *So shall ye know that I am the LORD* {risen seventh plagues angel} *your God* {seventh plagues angel} *dwelling in ZION* {the high mount of the super volcano full of a lake of fire}, *my HOLY MOUNTAIN* {new Zion}: *then shall* {new} *Jerusalem* {representing a huge whirlwind of light} *be holy, and there shall NO STRANGERS* {that rejected the everlasting gospel} *pass through HER* {pass through the land of the USA where new Jerusalem appears as a huge whirlwind of light in the USA} *any more.*

\*\*\*\*\*

***Revelation 21:27*** *And there shall in NO WISE enter into IT* {new Jerusalem's light/ensign} ***ANYTHING THAT***

**DEFILETH** {referring to people who eat and practice unclean beliefs while rejecting the everlasting gospel}, **neither whatsoever WORKETH ABOMINATION** {support and promote a false belief}, **or MAKETH A LIE** {false promises and predictions made by false prophets/messengers, leaders, and politicians}: **but they which are WRITTEN** {during the previous replays of all generations that showed the redeemed entering new Jerusalem's ensign and to be living in the new heaven and new Earth while also partaking in the judgment} **in the LAMB'S** {Lamb/message that is revealing the last small part of the scroll of life during the judgment} **BOOK** {scroll} **OF LIFE** {The book/scroll of life had already recorded the people that overcame and entered the ensign/light of new Jerusalem before the judgment began}.

During the judgment that has been taking place for more than 1,000 years, the last small part of the scroll of life is presently revealing what happened in the last generation. Hence if you are reading this message, it is because it is presently being replayed during the judgment of what you did in the last generation in the first timeline, which began from Genesis through the last generation and time of the judgment. Accordingly when new Jerusalem manifests as a bright light (ensign) during the present replay of the last generation, none of the people that rejected the everlasting gospel in the previous replays will enter new Jerusalem's

ensign in the present replay or following replays of all generations. The reason is that the rebellious people did not believe the everlasting gospel when it was proclaimed in the last generation of the first timeline. During the last generation of the first timeline, the rebellious people instead defiled themselves by partaking in unclean beliefs, or working abominations by supporting false beliefs, or making lies of false predictions and promises that were all contrary to what the everlasting gospel was prophesying during the five months of smoke and ash erupting from the super volcano.

In the present replay of the last generation, it will show the same rebellious people not accepting the everlasting gospel to enter new Jerusalem's ensign. Since these rebellious people were blotted out of the scroll of life in the first timeline (when they were no longer playing a part in life because they ended up in the lake of fire that covered the world), they will be shown again in the present replay of the last generation how they were blotted out of the scroll of life when they ended up in the lake of fire.

The great multitude accepted the everlasting gospel and entered the ensign of new Jerusalem in the first timeline of all generations. These people were thereafter living in the new heaven and new Earth as written on the scroll of life. Accordingly, each replay of the last generation shows the same redeemed entering the ensign of new Jerusalem to be

living in the new heaven and new Earth, as already written  
on the scroll of life.
