

## Chapter 2

**Revelation 2:1 Unto the ANGEL** {messenger/leadership} **of the church of Ephesus** {the meaning of the name Ephesus is similar to the type of message given to Ephesus} **write; These things saith HE** {seventh plagued angel} **that holdeth the SEVEN STARS** {the seven stars represent visions written on seven angels with trumpets on a book/scroll. On this scroll's seven stars/lights are recorded the things that happened during the time when the seven churches in Asia Minor existed} **in his RIGHT HAND** {the right hand is representing the first witness' written visions that mix with the last witness' written visions}, **who walketh in the midst of the SEVEN GOLDEN CANDLESTICKS** {gold represents the spiritual moon's silvery light/first witness' visions mixing with the spiritual sun's coppery-light/last witness' visions/lights on seven parts/seven candlesticks of a scroll. Each of seven stars is the light upon each of the seven candlesticks};

In Revelation 2:1, the ending of the sixth plagued angel (that reveals the seventh plagued angel) holds the seven stars/lights in its right hand. Accordingly, these seven stars/lights are written on seven parts of a scroll, which are being revealed during the judgment from the last small part of the scroll of life to the Apostle John in 90 AD. Hence, the ending of the sixth plagued angel with the seven stars/lights walks among the seven golden candlesticks when the seventh plagued angel is revealing them. Each of these seven stars is the light upon each of the seven golden candlesticks. Each star/light represents the visions written on each of the seven parts of a scroll. On these particular seven parts are written the things that existed and happened during the time when the seven churches of Asia Minor existed around 90 AD. The first star/light (vision) in the sixth plagued angel's right hand reveals the leadership (angel) of the

church (candlestick) in Ephesus. This written vision had recorded the things that existed and happened around the year 90 AD concerning the established church in Ephesus of Asia Minor.

Out of the many Christian churches in many cities, only seven churches in seven cities were chosen for Yahshua (Jesus) to give counsels to. The reason is that each name of the seven churches correlates with the council given to each church. Therefore, the seven names of the seven churches characterize all Christian believers. Every Christian church, leader, or church member is associated with any of the counsels to the seven churches. The meaning of the name Ephesus is reflected in the counsel that the ending of the sixth plagued angel replayed to the Apostle John of what Yahshua (Jesus) had originally said in Revelation 2:1-7.

\*\*\*\*\*

***Revelation 2:2 I {ending of the sixth plagued angel that reveals the seventh plagued angel} know thy works, and thy labour, and thy patience, and how thou canst not bear them which are evil: and thou hast tried them which say they are apostles, and are not, and hast found them liars:***

The ending of the sixth plagued angel knows the works of the leadership of the church of Ephesus. The leadership's works were of laboring, promoting Yahshua's message, and patience in waiting for the return of Yahshua/Jesus. Also the leadership had the works of not tolerating evil people among their congregation. Also the leader of Ephesus' Christian church was not fooled by people that claimed to be messengers/apostles of God but were not. When the messages/doctrines of false apostles were tested by the leadership of the church of Ephesus, the leader proved that their message was a lie.

\*\*\*\*\*

***Revelation 2:3 And hast borne, and hast patience, and for my***

*name's sake hast laboured, and hast not fainted.*

The leadership of Ephesus stood firm and had patience, while laboring for the name and cause of Yahshua/Jesus without giving up.

\*\*\*\*\*

***Revelation 2:4 Nevertheless I have somewhat against thee, because thou hast left thy FIRST LOVE*** {the first love refers to the love of receiving a new message from a true apostle}.

The leadership of the church of Ephesus had lost his first love of believing in a new present truth from a true living apostle. In every generation, the two witnesses' (Michael's and Gabriel's) living messenger reveals a new present truth and gathers apostles. These living apostles then reveal new present truth to the churches, which had been established by an old message given by former apostles of a former deceased messenger.

\*\*\*\*\*

***Revelation 2:5 Remember therefore from whence THOU*** {leader of the church of Ephesus} ***art FALLEN*** {not saved}, ***and repent, and do the FIRST WORKS*** {of loving to believe a new message from a living apostle}; ***or else I*** {ending of the sixth plagued angel that reveals the rising of the seventh plagued angel} ***will come unto thee quickly, and will remove thy CANDLESTICK*** {remove their church/candlestick from being written as a true church that believes the latest truth revealed by a living messenger or his apostles and disciples} ***out of his PLACE*** {the place in a scroll where visions and oracles were written concerning the leadership and church of Ephesus' attitude to the message that John the Apostle sent them in the Book of Revelation}, ***except thou repent.***

\*\*\*\*\*

***Revelation 2:6 But this thou hast, that thou hatest the DEEDS*** {the deeds of performing Moses' Levitical laws} ***of the Nicolaitans,***

*which I also hate.*

The leadership of Ephesus was counseled to remember how they were once fallen (lost) before they received the then new truth pertaining to old Yahshua's/Jesus' salvation from a true living apostle or disciple. In other words, unless the leadership of Ephesus repent from rejecting every new message as false, the leadership will have certainly rejected the new message of present truth in the Book of Revelation sent to them by the Apostle John. Around 90 AD the Apostle John sent the leadership of Ephesus the new message written in the Book of Revelation. Unless the leader accepted the written counsel of the new message spoken by Yahshua (Jesus) in the Book of Revelation, the leader and his church in Ephesus will have been lost. Thereby causing the whole church (candlestick) of Ephesus and its leadership (angel/light) to be removed from being written as a true leadership and church in a scroll that recorded in visions and oracles all things that existed and happened during the time when the seven churches of Asia Minor existed. The leadership's and church's works were of bearing and laboring for the cause of Yahshua/Jesus and patiently waiting for the return of Jesus. However, if the leadership and church failed the test of being true believers by accepting the then present new truth written in the Book of Revelation by the Apostle John, they are not saved even though they believe they are saved by Yahshua/Jesus.

Ephesus' leadership hated the deeds of the Nicolaitans. These deeds referred to Moses' Levitical laws (see Revelation 2:14, 15), which some people of Judea still performed and promoted in the nations they were removed to by the Romans. From the time old Babylon destroyed the temple in rebellious Jerusalem, Elohiym (seventh plagued angel) hated sacrificial rituals. Though from the days of old Moses, the Israelites were commanded by Elohiym (seventh plagued angel) to perform them.

\*\*\*\*\*

**Revelation 2:7** *He* {any person} *that hath an ear, let him hear what the Spirit* {memory of the seventh plagues angel speaking with the voice of Yahshua/Jesus} *saith unto the churches; To him that OVERCOMETH* {overcomes his or her old beliefs and believes present new truth for their generation} *will I* {ending of the sixth plagues angel speaking as Yahshua} *give to EAT* {partake} *of the TREE OF LIFE* {eternal life}, *which is in the midst of the PARADISE* {new Jerusalem} *of God* {God/seventh plagues angel is recreating each generation exactly the way the first witness/Michael and last witness/Gabriel saw, heard, and wrote on two sides of each scroll the things that existed and happened in each generation}.

During the judgment, the seventh plagues angel revealed from a scroll what the sixth plagues angel said with the voice of Yahshua (Jesus) to each person (who wants to be living for ever in a new body in the garden of Eden of the new heaven and new Earth) of the seven churches in Asia Minor. These sayings to the seven churches reveal the attitude that is needed to be saved, especially when you think you are saved.

Every person of every generation that overcame their old beliefs and believed and remained faithful to the then present truth of a true living messenger will resurrect at the time the super volcano opens with an earthquake in the USA. Thereafter they will proclaim the everlasting gospel, gather a great multitude of new overcomers, and enter the ensign of new Jerusalem to partake of the tree of life. All the overcomers that died in all generations and resurrect in the last generation will first spiritually eat (partake) of the scroll of life's visions and oracles and proclaim the everlasting gospel that speaks of a new heaven and new Earth that replaces the old heaven and old Earth.

All the apostles of all generations who overcame their old beliefs by

believing the new message of a living messenger total a rounded-off number of 12,000 (a rounded-off number of 12,000 being the first group of redeemed). All the disciples (second group of redeemed) of every generation who overcame their old beliefs by believing a new message from a true living apostle total a rounded-off number of 144,000. At the time when the earthquake causes the super volcano to erupt smoke and ash in the USA, these apostles (representing new Jerusalem's foundations) and disciples (representing new Jerusalem's walls) will then represent new Jerusalem, in which is the tree of life. From the time the earthquake descends down into the bottomless pit (super volcano) and causes it to continually erupt smoke and ash for five months, the apostles and disciples will place (spiritually eat) the scroll of life's visions and oracles on the front (forehead) of their mind, just as the tree of life will be within new Jerusalem. Then they will be ready to proclaim the everlasting gospel to all nations during the time when the super volcano is erupting smoke and ash in the USA. A great multitude (third group of redeemed) of latter day people will believe the everlasting gospel and enter the fiery ensign of new Jerusalem with the first group and second group of redeemed to eat the fruit (visions and oracles) of the tree of life (equated with the scroll of life) and live forever in the new heaven and new Earth.

\*\*\*\*\*

***Revelation 2:8 And unto the ANGEL {leadership} of the church in Smyrna write; These things saith the FIRST {the first small part on each side of the scroll of life} and the LAST {the last small part on each side of the scroll of life}, which was DEAD {in the previous replay of the latter day sign of Jonah, the two witnesses' predictions were lying dead/totally rejected after they had prophesied through the latter day living messenger for 1260 days}, and is ALIVE {the two witnesses' written predictions/visions and oracles revived to forever be alive 3½ days after the 1260 days when another earthquake caused the super volcano to erupt smoke and ash for five***

months in the USA}.

During the judgment, the seventh plagues angel is revealing what Yahshua had originally said to the church of Smyrna in 90AD during the first timeline of all generations. At the same time, the seventh plagues angel is revealing during each replay of all generations what the sixth plagues angel said to the church of Smyrna in 90AD concerning things that had happened in the last generation. The meaning of the name Smyrna is reflected in the counsel that the sixth plagues angel is giving to the church of Smyrna in Revelation 2:8-11. However, the counsel to Smyrna is directed to any person that has an ear to hear the counsel.

In Revelation 2:8, the ending of the sixth plagues angel (that reveals the beginning of the seventh plagues angel) says that it is the first and last, which refers to the beginning and the end. What the sixth plagues angel is saying is that the seventh plagues angel is the first small part of the scroll of life's last side (other side) and also the last small part of the scroll of life's first side mixed together. The first witness (Michael) wrote the things that happened during the evenings of the last generation on the first side of the scroll of life. The last witness (Gabriel) wrote the things that happened during the daylights of the last generation on the other side (last side) of the scroll of life.

The scroll of life's first side is divided into seven parts, which are equated with seven evenings. The scroll of life's last side is also divided into seven parts, which are equated with seven days of daylight. The seventh part of the scroll of life's first side is equated with the seventh evening (Sabbath's evening), while the last small part of this seventh part is equated with the ending of the seventh evening at the time of even. The first part of the scroll of life's last side is equated with the first day's daylight (day's sunlight), while

first small part of this first part is equated with dawn at even. Since the the first side of the scroll of life is opened and revealed before its other side, it means when the ending of the scroll of life is being revealed, the beginning of the scroll of life's first side is also being revealed, just as the ending of an evening mixes with dawning sunlight at even.

In the previous replay of the latter day sign of Jonah, the two witnesses' visions and oracles written on the scroll of life were lying dead (totally rejected) after they had prophesied through the latter day living messenger for 1260 days. The reason was that at the end of these 1260 days, an earthquake of the super volcano caused it to temporarily erupt smoke and ash before going dormant. The failure of the super volcano to continually erupt smoke and ash for five months causes the message of the two witnesses to have lost all influence and credibility. Hence the message will be lying dead in the street, when previously the message was proclaimed with strength during the 1260 days of prophesying concerning the super volcano erupting smoke and ash for five months, followed by an overflowing lake of fire that covers the world.

\*\*\*\*\*

***Revelation 11:7*** *And when THEY* {two written witnesses of the scroll of life} *shall have FINISHED* {at the end of 1260 days of prophesying} *their TESTIMONY* {testimony to the USA and certain nations of Christendom concerning the explosion upon the super volcano's mountain descending as a great earthquake to open the super volcano in the USA}, *the* {lamb-like} *BEAST* {kingdom/USA} *that ascendeth out of the BOTTOMLESS PIT* {bottomless pit filled with an overflowing lake of fire, where it ended up in the previous replay} *shall make WAR against THEM* {two witnesses' written visions and oracles that prophesy of an earthquake opening the bottomless pit/super volcano}, *and shall*

*overcome them, and KILL {totally reject} them.*

\*\*\*\*\*

***Revelation 11:11*** *And after THREE DAYS AND AN HALF {of the sign of Jonah} the spirit of life from God {according to the visions and oracles written on the seventh plauged angel that is already reigning over the dissolved lava covered kingdom of latter day Babylon} entered into THEM {being two witnesses' written visions and oracles concerning the beginning of latter day Babylon's fall when the super volcano opens again and erupts smoke and ash for five months}, and THEY {two witnesses' writtrn visions and oracles} STOOD {resurrected and lived forever more} upon their feet; and great fear fell upon them WHICH SAW THEM {two witnesses' visions and oracles being fulfilled when the super volcano opens again with an earthquake and erupts smoke and ash in the USA for five months}.*

\*\*\*\*\*

***Revelation 2:9 I*** {ending of the sixth plauged angel that reveals the beginning of the seventh plauged angel} ***know THY*** {leadership of the church of Smyrna} ***works, and tribulation, and poverty, (but thou art rich) and I know the blasphemy of them which say they are Jews*** {in our day referring to spiritual Jews/Christians}, ***and are not, but are the synagogue*** {church/temple} ***of Satan*** {Satan/adversary against present new truth revealed by a living messenger to his apostles and disciples}.

In Revelation 2:9 the ending of the sixth plauged angel is revealing what Yahshua had said in 90 AD concerning the works of the leadership of Smyrna. After old Jerusalem (capital of Judea/Jewry) rebelled against serving Rome and was recaptured and destroyed by Rome around 70AD, Rome scattered the Judean people throughout many nations. Many of these Judeans (Jews) in captivity still held onto and promoted the old levitical laws of old Moses. These old

Levitical laws blasphemed against the then new present truth of Yahshua/Jesus and especially the Apostle Paul's teachings, which these teachings of Paul were promoted by the church of Smyrna. Accordingly, the Judeans, that dwelt in the city of Smyrna, were as the synagogue of Satan because the customary Levitical laws they held onto and promoted were adversaries (Satan) to the Christian precepts that established the Christian church in the city of Smyrna. In our day, the spiritual Jews refer to the Christians, whose churches promote the old customary beliefs pertaining to old Jesus/Yahshua, making them adversaries against the latter day living messenger's new message.

\*\*\*\*\*

***Revelation 2:10 Fear none of those things which thou shalt suffer: behold, the DEVIL*** {referring to traits in people who tempt/devil the faith of believers of a new truth} ***shall cast SOME*** {the ones who believed Yahshua's new message that he revealed to the Apostle John on the Isle of Patmos in 90AD} ***of you into prison, that ye may be tried*** {tried/tempted/deviled to forsake the new present truth}; ***and ye shall have tribulation ten days: be thou faithful unto death, and I*** {ending of the sixth plauged angel speaking with the voice of Yahshua} ***will give THEE*** {at the latter day resurrection} ***a CROWN*** {representing a crown of knowledge/new truth placed on the forehead of a person's mind} ***OF LIFE*** {a spiritual crown of life and new truth will be given the overcomers after they resurrect, proclaim the everlasting gospel, and enter the ensign of new Jerusalem, as latter day Babylon's kingdom ends}.

The ending of the sixth plauged angel revealed in 90AD, with the voice of Yahshua/Jesus, that some of the church members of Smyrna would be cast into prison by the devil (being a trait of non-believers who tempted/deviled the faith of believers). The ending of the sixth plauged angel knew this would happen just as it happened in the first

timeline of all generations. In those days, tribulation lasted usually 10 days in prison before being put to death for remaining faithful to the then new present truth of Yahshua, as proclaimed by the Apostle John and his apostles. All people of all generations that remained faithful to new present truth till death will receive a crown of life of the seventh plagued angel's written visions and oracles when they enter the ensign of new Jerusalem. The messengers and martyrs and all faithful believers of living messengers of all past generations will be resurrected at the time when the top of the super volcano explodes and causes an earthquake to descend and open this bottomless pit in the USA. At that time, the redeemed of all generations will receive a reigning golden crown of everlasting life and new truth during the time when the scroll of life's written visions and oracles are reigning over the fallen kingdom of latter day Babylon.

From the time the super volcano's explosion causes an earthquake to descend and open the super volcano in the USA, many people proclaiming the everlasting gospel will be imprisoned and martyred when they are laboring to gather the great multitude of all nations with the power of the Holy Spirit. However, they will be resurrected to enter the ensign having new bodies to live in a new heaven and new Earth while also partaking in the judgment while in the spirit of their former bodies (see Revelation 14:6, 13). These martyrs are of the spiritual temple's four beasts (priests) and of the 24 elders. In Revelation 4:4, the elders are seen during the judgment wearing their reigning crowns of life over the dissolved kingdom of latter day Babylon.

\*\*\*\*\*

***Revelation 2:11 He that hath an EAR {to listen}, let him hear what the Spirit {spirit/ending of the sixth plagued angel is revealing with the voice of Yahshua to the seven churches around 90 AD} saith***

*unto the CHURCHES; He that OVERCOMETH* {overcame his or her old beliefs and accepted new present truth and resurrects to live in the last generation} *shall not be hurt of the SECOND DEATH* {this second death by a lake of fire is the first replay of the first death by a lake of fire, that happened in the first timeline}.

All messengers, apostles, and disciples of all past generations were killed or died believing a new present truth message for their generation. When these messengers, apostles, and disciples resurrect to life and health in the last generation, they will learn a new song (message). The new message is the everlasting gospel, which they proclaim to all nations, kindreds, and tongues with the power of the Holy Spirit. While they are proclaiming the everlasting gospel to save a great multitude of people from ending up in a lake of fire, many of them will be condemned to death and killed by leaders and authorities that enact new laws of swift punishment of death for people preaching doom and gloom against a nation to create converts from the government's people.

All the redeemed that proclaim the everlasting gospel in the last generation and are martyred will resurrect to enter alive into the ensign emanating from new Jerusalem. All people that rejected the everlasting gospel and remained outside new Jerusalem's ensign will end up in the lake of fire. This lake of fire is the second death, which is an exact replay of the first death that ended in a lake of fire. All the redeemed entered into new Jerusalem's ensign (intense white light) in the first timeline to not be hurt by the lake of fire.

Accordingly, in the first replay of the lake of fire (being the second death), it showed the redeemed entering the lake of fire to not be hurt of the second death (first replay of the lake of fire).

\*\*\*\*\*

*Revelation 2:12 And to the ANGEL* {messenger/leadership} *of the church in Pergamos write; These things saith HE* {he refers to the

ending of the sixth plagued angel that reveals the beginning of the seventh plagued angel} *which hath the SHARP SWORD* {the one sword is equated with the seventh plagued angel} *with TWO EDGES* {first small part on the last side of the scroll of life mixing with the last small part on the first side of the scroll of life};

During a replay of the time around 90 AD, the ending of the sixth plagued angel said to the Apostle John things that Yahshua/Jesus had said to the seven churches in the first timeline of that generation. Yahshua's voice is of a scroll that recorded the things that existed and happened during the time the seven churches of Asia Minor existed in the first timeline.

The seventh plagued angel is equated with the sword. The sword has two edges, just as the seventh plagued angel is equated with the first small part of the scroll of life's last side that mixes with the last small part of the scroll of life's first side.

On the last small part (represented by the seventh plagued angel) of the scroll of life are written all the scrolls. These scrolls contain the visions and oracles of things that existed and happened in each generation, as witnessed by Michael and Gabriel. When the seventh plagued angel revealed the first scroll during the judgment, the visions and oracles written on the first scroll replayed the things that happened in the first generation of Genesis. When the seventh plagued angel is revealing the last scroll, the visions and oracles written on the last scroll (scroll of life) replay the things that happened in the last generation. Presently during the judgment, the seventh plagued angel is revealing our lives from the visions and oracles written on the scroll of life. We are reliving our lives in this replay just as we had lived our lives in all previous replays.

\*\*\*\*\*

*Revelation 2:13 I* {being the ending of the sixth plagued angel that is speaking of things that Yahshua/Jesus said} *know THY*

{Pergamos'} *works, and where thou dwellest, even where Satan's*  
{in our day, the USA's vision for the world is the greatest  
adversary/Satan against the two witnesses' visions of what they have  
already seen happen concerning the world's future} ***SEAT IS***  
{within the USA's ruling capital is the seat/headquarters of the latter  
day adversary that is against new present truth, from where the  
USA's leadership rules and promotes its democratic and capitalistic  
ideals that it envisions for the world's future, which are contrary to  
the two witnesses' visions and oracles}: ***and thou holdest fast MY  
NAME*** {Yahshua/Jesus}, ***and hast not denied my faith, even in  
those days wherein Antipas was my faithful martyr, who was slain  
among you, where Satan*** {Satan refers to an adversarial trait that is  
exercised by rulers against the two witnesses' predictions revealed by  
a living messenger and his apostles in each generation} ***dwelleth.***

The ending of the sixth plagued angel (that reveals the beginning of  
the seventh plagued angel) speaks of things that Yahshua/Jesus said  
to the seven churches of Asia minor in 90 AD during the first  
timeline of all generations. The seventh plagued angel knows the  
works of the church of Pergamos (the meaning of Pergamos' name is  
reflected in the counsel to Pergamos).

The rulers sitting in their headquarters (seat) in the city of Pergamos  
were an adversary (Satan) against the Christian church of Pergamos.  
The leadership (messenger/angel) and members of the church of  
Pergamos did not deny the name of Yahshua/Jesus and remained  
loyal to the faith they had received and held. One member called  
Antipas was martyred when the rulers of the city of Pergamos rose  
up as an adversary (Satan) against him and slew him.

In our day, the leadership ruling from its headquarters (seat) in the  
USA's capital is the adversary (Satan) against the two witnesses'  
visions and oracles written on the scroll of life, which predict with  
certainty the USA's and world's end. This seat of the rulers in the

USA's capital will be darkened by smoke and ash erupting from a huge opened super volcano in the USA (see Revelation 16:10; 9:2).

**Revelation 16:10** *And the fifth angel poured out his vial upon the SEAT {headquarters in the USA's ruling capital} of the BEAST {beast/kingdom of latter day Babylon/union of nations}; and his kingdom was full of DARKNESS {because of the smoke and ash that will be erupting from the huge super volcano beneath Yellowstone National Park}; and they gnawed their tongues for PAIN {hunger pains},*

**Revelation 9:2** *And HE {exploding super volcano} OPENED {with his key/earthquake} the BOTTOMLESS PIT {super volcano}; and there arose a SMOKE out of the pit, as the smoke of a great furnace; and the SUN and the AIR were {after several months of erupting smoke and ash} DARKENED {over the USA} by reason of the smoke of the pit.*

In the latter days, it is the leadership ruling from within the USA's capital that is an adversary (Satan) to nations and anyone that refuses to accept the USA's ideals that it envisions for the world's future. Also, the USA's leadership (false prophet) is an adversary against those that hold fast to the latter day messenger's message. His message reveals what the two witnesses have already seen concerning the opening of the bottomless pit that releases plagues of torment and destruction, which begin in the USA (see Revelation 13:7; 13:12; Daniel 7:25).

**Revelation 13:7** *And it was given unto HIM {lamb-like beast/USA/false prophet} to make WAR {with the two witnesses' written predictions concerning the USA's destruction, as proclaimed by the latter day saints} with the SAINTS {these saints of the spiritual temple are of the first latter day group of spiritual priests and second latter day group of elders that overcome the hour of temptation by believing the latter day messenger's message}, and to*

*overcome them: and power was given HIM {false prophet/USA} over all kindreds, and tongues, and nations.*

***Daniel 7:25*** *And HE {false prophet/USA's leadership} shall speak GREAT WORDS {great/big ideas that it envisions for the world's future} AGAINST {as an adversary/Satan} the MOST HIGH {being the message concerning the soon to happen most high seventh plagued angel when he rises as a star's light to sit and reign upon the swelled to heaven super volcano full of a lake of fire}, and shall wear out the SAINTS {believers} of the MOST HIGH {the message concerning the most high risen seventh plagued angel reigning on the great white throne of light upon the swelled to heaven super volcano's immense 40-mile wide mouth full of a lake of fire, that will overflow and fill the world}, and think to change TIMES {change the time we live in when the super volcano explodes in the USA, just as it had already happened in a previous replay} and LAWS {the written laws of visions and oracles that the two witnesses wrote concerning things that they have already seen happen}: and THEY {believers of the latter day messenger's message} shall be GIVEN into HIS {latter day Babylon's} HAND {to live under the rule of latter day Babylon} until a time and times and the dividing of time {being 1260 days, three and a half days after these remaining 1260 days of the 2300-day period, the super volcano will open with a great explosion that causes an earthquake}.*

\*\*\*\*\*

***Revelation 2:14*** *But I {ending of the sixth plagued angel, that reveals the beginning of the seventh plagued angel, is speaking of things Yahshua had said to the church of Pergamos in the first timeline} have a few things against THEE {leadership of the church of Pergamos}, because thou hast there them that hold the doctrine of Balaam, who taught Balac to cast a stumbling block before the children of Israel, to eat things sacrificed unto idols,*

*and to commit fornication.*

\*\*\*\*\*

***Revelation 2:15 So hast thou also them that hold the doctrine of the Nicolaitans, which thing I hate.***

In the past type, Balaam was hired by Balac, king of Moab, to curse Israel and cause them to commit fornication during Israel's journey to the old Promised Land of Canaan. Around 90AD, the leadership of the church of Pergamos allowed certain people to remain in the church while they still believed and practiced their old beliefs.

Accordingly, there were members of the church who incorporated their old beliefs with the then new truth, which Yahshua's apostles and disciples taught to establish the seven churches in Asia Minor. These particular members of the church were as fornicators, spiritually eating things (beliefs) that were of old Moses' laws and rituals that they idolized.

In our day, when a person accepts the latter day messenger's new message, if this person should still hold onto old beliefs – even though their old beliefs are of the Levitical laws of old Moses, or of old Yahshua's /Jesus' sayings, or of his apostles, or of writings of other messengers/prophets – they will be spiritually committing fornication and eating things sacrificed to idols (idols of past messages of prophets/messiahs). The 144,000 will have no guile (old beliefs) in their mouth when the super volcano opens in the USA (see Revelation 14:5). They are spiritual virgins (refraining from engaging with the figurative harlots in Revelation 17:5) after they have fully understood and totally accepted the two witnesses' predictions.

***Revelation 14:5 And in their mouth was found no GUILE {no guile/error when the 144,000 speak of the everlasting gospel from the time the exploded super volcano will have opened in the USA}: for they are without fault before the THRONE {representing the***

reigning seventh plagued angel's written visions and oracles sitting as intense white light emanating from the swelled to heaven super volcano's immense mouth full of a lake of fire} *of God* {God/seventh plagued angel, whose written visions and oracles replay each generation from the beginning of Genesis to the end of the world}.

**Revelation 17:5** *And upon HER* {USA's capital} **FOREHEAD** {way of thinking} *was a name written, MYSTERY, BABYLON* {confusion} **THE GREAT, THE MOTHER** {ruling capital} **OF HARLOTS** {cities} **AND ABOMINATIONS** {of continuing her fornicating, business as usual, according to what she envisions for the world's future} **OF THE EARTH** {Earth/land}.

\*\*\*\*\*

**Revelation 2:16** *Repent; or else I* {ending of the sixth plagued angel that is revealing the beginning of the seventh plagued angel} **will come unto THEE** {messenger/leadership of the church of Pergamos} **QUICKLY** {during the judgment the seventh plagued angel will be quickly, in a short space of time, replaying the time when the world ended in an overflowing lake of lava}, **and will fight against them with the SWORD** {plagues that issue from the swelled to heaven super volcano} **of MY** {seventh plagued angel's} **MOUTH** {representing the swelled to heaven super volcano's immense 40-mile wide mouth overflowing with a lake of fire, as spoken from the first small part and last small part of the scroll of life}.

All the dead people from every generation will resurrect to life and be of good health at the time the super volcano's mouth erupts smoke and ash. They will then have the opportunity to accept the everlasting gospel during the five months of erupting smoke and ash. All people that failed to overcome and accept the everlasting gospel will receive of the seventh plagued angel's plagues (sword), that

issue from the swelled to heaven super volcano's immense 40-mile wide mouth. This immense mouth full of a lake of fire is equated with the seventh plagues angel's mouth. Since the visions and oracles of erupting lava from the super volcano's mouth are written on the first small part (first edge of sword) and last small part (last edge of the sword) of the scroll of life, it means the plagues issuing from the swelled to heaven super volcano are replayed quickly, because the written visions and oracles that replay the plagues are written and condensed on a small part of the scroll. The quick replay of these plagues will be fighting against the nations of non believers that rejected the everlasting gospel.

***Revelation 2:17 He that hath an ear, let him hear what the {Holy} Spirit {ending of the sixth plagues angel that reveals the beginning of the seventh plagues angel} saith unto the churches; To him that OVERCOMETH {their old beliefs} will I {seventh plagues angel} give to EAT {understand} of the HIDDEN MANNA {representing the hidden written visions and oracles of the seventh plagues angel, that sat as a great light reigning on the old Ark of the testament. In the old golden Ark of the testament was placed the golden pot of hidden manna, which represents the visions and oracles written on the last small part of the scroll of life}, and will give him a WHITE {this white color is equated with the bright white light emanating above the swelled to heaven super volcano full of a lake of fire} STONE {representing white unleavened bread, that resembles a white stone, made with spiritual grains of hidden manna}, and in the STONE {being bread made with hidden grains of manna of the golden pot} a NEW NAME {of the latter day living messenger} WRITTEN {on the scroll of life}, which no man knoweth saving HE {overcomer} that receiveth IT {the dead overcomers of all past generations will resurrect at the opening of the super volcano and receive the hidden manna baked into spiritual bread; thereby***

knowing the new name, which is the name of the seventh plagued angel}.

The Holy Spirit refers to the seventh plagued angel. During the judgment that is presently happening, the seventh plagued angel has been revealing the visions and oracles written by the two witnesses (Michael and Gabriel) on the first small part and last small part of the scroll of life. The ending of the sixth plagued angel (that reveals the beginning of the seventh plagued angel) was speaking to the Apostle John in 90AD concerning the seven churches of Asia Minor.

The ending of the sixth plagued angel said that all who overcome their old beliefs will be able to partake of the hidden manna. As the Israelites were fed with manna baked into unleavened bread during their wilderness journeys to the Promised Land of old Canaan, so the people of every generation that overcame and believed new present truth from a living messenger or his apostles without mixing (spiritually fornicating) their old beliefs with their new belief in present truth will rise from death to everlasting life at the latter day resurrection. This resurrection happens when the super volcano explodes and erupts smoke and ash in the USA. After the overcomers of all generations have resurrected to life and health to be living in the last generation, they will spiritually eat {understand} the hidden manna (Bible's written prophetic words) baked into unleavened bread. Unleavened bread represents the understanding of the Bible's written prophetic words as revealed by the latter day messenger. From that time, they will have a new name written on the front (foreheads) of their minds, which is the new name. This new name is the name of the seventh plagued angel, who spoke to the old testament prophets with a "Thus saith the Lord."

The Bible's prophecies written with a "Thus saith the Lord" are according to the visions and oracles written on the first small part

and last small part of the scroll of life. These prophetic words are likened to spiritual manna. When these words are truly revealed, they are as hidden manna in the golden pot of manna baked into pure unleavened bread, which resembles a white stone. The latter day messenger is the only one that truly reveals the written visions (grains of manna) on the scroll of life so they can be understood (be eaten as white bread). When a person believes the latter day messenger's interpretation of the seventh plagued angel's visions and oracles, it is as if they ate of the hidden manna baked into bread that resembles a white stone, see Revelation 10:10.

***Revelation 10:10*** *And I {Apostle John} took the LITTLE BOOK {little scroll containing seven visions and seven thunders of the seventh angel with trumpet} out of the angel's HAND {hand of the sixth angel with trumpet as it was ending and revealing the beginning of the seventh angel with trumpet}, and ATE IT UP {as spiritual manna baked into unleavened bread/revealed visions and oracles}; and it was in my mouth SWEET AS HONEY {referring to the joy/sweetness of knowing new present truth}: and as soon as I had eaten it, my BELLY WAS BITTER {equated with the feeling of being rejected and ridiculed by loved ones, relatives, friends, and associates because of your new belief in the revealed seven visions and seven thunders of the seventh angel with trumpet}.*

The seventh plagued angel's visions and oracles written on the first small part and last small part of the scroll of life are as hidden (concealed) manna in the golden pot, which was hidden in the golden Ark of the covenant until the latter day messenger revealed the written visions and oracles. The true interpretation of the seventh plagued angel's written visions and oracles is likened to taking grains of manna (equated with the unrevealed written words of the two arch angels/two witnesses) from the golden pot hidden in the Ark of the covenant and baking them into unleavened bread (equated with revealing the visions and oracles) that resembles a white stone.

***Isaiah 61:1*** *The SPIRIT* {mind} *of the Lord GOD* {seventh plagued angel} *is upon ME* {the latter day messenger}; *because the LORD* {according to the visions and oracles written by the two witnesses} *hath ANOINTED ME* {anointed the latter day messenger to be a bright light of new truth} *to preach good tidings unto the meek; he hath sent me to bind up the brokenhearted, to proclaim LIBERTY* {freedom} *to the CAPTIVES* {of latter day Babylon}, *and the OPENING* {resurrection} *of the PRISON* {of death} *to THEM* {overcomers of all generations} *that are bound;*

***Isaiah 61:2*** *To PROCLAIM* {from the scroll of life} *the acceptable year of the LORD* {the year the seventh plagued angel rises as an intense light when the swelled to heaven super volcano is full of a lake of fire}, *and the DAY* {being a particular day which is revealed by the latter day messenger} *of VENGEANCE* {that begins on the day the lake of fire overflows and spreads throughout the world} *of our God* {seventh plagued angel}; *to comfort ALL* {all the overcomers} *that MOURN* {because of rejection and persecution for proclaiming the everlasting gospel};

\*\*\*\*\*

***Revelation 2:18*** *And unto the angel of the church in Thyatira write; These things saith the Son* {being the seventh plagued angel speaking as Yahshua/Jesus, who is one of the seventh plagued angel's many sons} *of God* {seventh plagued angel}, *who hath his EYES* {the right eye of intense light above the immense mouth of the swelled to heaven super volcano represents the written visions of the first witness; the left eye of intense light above the immense mouth of the swelled to heaven super volcano represents the written visions of the last witness} *like unto a flame of FIRE* {lava}, *and HIS* {seventh plagued angel's} *FEET* {representing lava that has flowed down from the swelled to heaven magma-filled 40-mile wide mouth of the super volcano} *are like fine brass* {the color of

flowing lava throughout the land is equated with the color of burning copper in a furnace};

In Revelation 2:18 the ending of the sixth plagues angel (that reveals the beginning of the seventh plagues angel) is speaking as one (being Yahshua/Jesus) of his sons (patriarchs, prophets, and messiahs) that spoke to the seven churches of Asia Minor in the first timeline, which is being replayed from what is written on the first small part and last small part of the scroll of life. Accordingly, when each generation is being replayed (recreated) by the seventh plagues angel according to the visions and oracles written on each scroll, the seventh plagues angel is the (God/father) that reveals each son (being a patriarch, prophet, or messiah) when each scroll is being revealed by the seventh plagues angel during the judgment. After the latter day resurrection, all patriarchs, prophets, messiahs, apostles, and disciples from every generation will be living in the world from the time the super volcano continually erupts smoke and ash for five months. From that time, they will learn a new song (message of the everlasting gospel) to sing to all nations, kindreds, tongues, and peoples during the time smoke and ash are issuing for five months from the super volcano. At the time the seventh plagues angel rises as a great light upon the swelled to heaven super volcano, the sons of God will shout for joy because God (risen seventh plagues angel) will be reigning on the Earth, see Job 38:7.

**Job 38:1** *Then the LORD* {seventh plagues angel representing the first small part and last small part of the scroll of life} *answered Job out of the WHIRLWIND* {huge tornado of fire that will be surrounding the swelled to heaven super volcano's immense mouth full of a lake of fire}, *and said,*

**Job 38:7** *When the MORNING STARS* {being seven days of dawning spiritual suns with seven evenings of spiritual moons at even, that represent the scroll of life's seven seals/seven spiritual days, are all

written on the first small part and last small part of the scroll of life} *SANG TOGETHER* {hence all revealed when the last small part and first small part are mixed together during the time of the spiritual seventh evening's time of even}, and *all the SONS* {resurrected patriarchs, prophets, and messiahs living in the last generation} of *GOD* {seventh plagued angel} *shouted for joy* {at the seventh plagued angel's rising as a great light}?

The vision in Revelation 2:18 was revealed by the seventh plagued angel during the judgment. During the judgment, the seventh plagued angel revealed from a scroll what Yahshua/Jesus had said to the Apostle John in 90 AD concerning the seven churches in Asia Minor. The meaning of Thyatira is reflected in the counsel to Thyatira in Revelation 2:18-29.

For more than 1,000 years, the seventh plagued angel has been reigning over the lava covered world and dissolved kingdom of latter day Babylon. The seventh plagued angel will again rise as a great light to reign over the kingdom of latter day Babylon during the present replay of this last generation. This happens again when during the present replay of this last generation the super volcano swells to heaven and fills with a lake of fire that overflows and covers the world, just as it happened in previous replays.

The seventh plagued angel has two eyes of intense white light, which radiate from the lake of fire in the immense mouth of the swelled to heaven super volcano. These two eyes are equated with the visions and oracles that were written on the seventh plagued angel (who represents the first small part and last small part of the scroll of life) by the first witness (Michael) and last witness (Gabriel).

From the seventh plagued angel's two fiery eyes radiates light that

covers as a garment the body (high mountain) with intense light. Also, the seventh plagues angel's two legs of deep lava are also covered by the intense white light radiating from his two eyes of bright white light. The seventh plagues angel's visible feet represent lava that ascends from the bottomless pit to flow down the high mountain of the super volcano to stand and walk through the land. Hence, the color of these feet of lava moving through the land are likened to the color of molten copper when burning in a furnace.

The seventh plagues angel has a garment of intense light that is equated with the light that radiates from the magma filled immense mouth of the swelled to heaven super volcano in the USA. Certain visions and oracles written on the last small part of the scroll of life will replay again the time when a lake of fire filled the immense mouth of the swelled to heaven super volcano and then overflowed and traveled throughout the world. Hence the two fiery feet of the seventh plagues angel. These things are according to what the two witnesses saw and heard happen in the first timeline and wrote the visions and oracles on the scroll of life.

\*\*\*\*\*

***Revelation 2:19 I*** {ending of the sixth plagues angel, that reveals the beginning of the seventh plagues, reveals what the son of God (seventh plagues angel) said to the church of Thyatira during the first timeline around 90AD} ***know **THY** {Thyatira's} works, and charity, and service, and faith, and thy patience, and thy works; and the last to be more than the first.***

The seventh plagues angel knows the works of the church Thyatira, because the seventh plagues angel (God) is replaying the things that already happened in each generation during the first timeline. Accordingly, the seventh plagues angel knows that the works of the church Thyatira are of charity, service, faith, and patience. Also the church has more patience than any other of its works.

***Revelation 2:20 Notwithstanding I*** {ending of the sixth plagued angel that reveals the beginning of the seventh plagued angel} ***have a few things against THEE*** {church of Thyatira}, ***because thou sufferest that woman Jezebel*** {representing the ruling capital Thyatira}, ***which calleth herself a PROPHETESS*** {because she has her own vision of what the future will be}, ***to teach and to seduce my servants to COMMIT FORNICATION*** {by mixing the then present truth of a living messenger with the vision that the false prophetess Jezebel has for the future}, ***and to eat things sacrificed unto idols*** {such as the rituals written in the Levitical law, that the people idolized}.

During the judgment, the seventh plagued angel revealed what the ending of the sixth plagued angel said with the voice of the son (Yahshua/Jesus) of God (seventh plagued angel) to the Apostle John on the Isle of Patmos. The seventh plagued angel revealed that the son of God said he knows the works that were performed by the leadership of the church of Thyatira. Accordingly, the son of God said that there were a few things that were keeping the leadership and church of Thyatira from being saved. One of these things was portrayed using the past type concerning the character of Jezebel.

In the days of Yahshua and his apostles, spiritual Jezebel represented old Jerusalem's (Jezebel's) leadership, which attempted to seduce the converts of Yahshua to commit fornication – i.e. still pay homage to old Jerusalem's rituals of performing rituals according to Levitical laws – thereby eating things sacrificed unto idols.

During the time of the seven churches in Asia minor, many of Yahshua's/Jesus' converts would attend the temple in the capital city (equated with Jezebel's character) of their nation to perform customs and rituals. Accordingly, the former ways of a nation that were taught to the people living in the nation would be promoted by the leadership in the ruling capital (referred to as the spiritual prophetess

Jezebel). The leadership in the ruling capital or city would teach and seduce the servants of Yahshua/Jesus to keep them from following the new present truth revealed by a living messenger or his apostles.

In our day, the characteristics of old Jezebel are found in the leadership of the USA's ruling capital. In this last generation, the USA's ruling capital is the great whore in Revelation 17:5. This ruling capital promotes her own democratic and capitalistic vision for the world's future, while being the biggest trader (great whore) with many nations. She continues her extensive fornication (business as usual) according to her vision, which she deceives nations into accepting, while rejecting the two witnesses' visions and oracles as revealed by the latter day messenger. These visions and oracles of the two witnesses prophesy of the super volcano exploding and erupting smoke and ash for five months. Thereafter the swelled to heaven super volcano After five months of erupting smoke and ash, the super volcano swells to heaven and explodes magma into the sky, as it fills with a lake of fire, as death, anarchy, and famine plague her land. Thereafter, the lake of fire overflows and spreads to cover the world.

***Revelation 17:5*** *And upon HER {USA's ruling capital} FOREHEAD {being her leadership's way of thinking in her mind/forehead} was a name written, MYSTERY, BABYLON THE GREAT, THE MOTHER OF HARLOTS AND ABOMINATIONS OF THE EARTH {land}.*

***Revelations 17:2*** *With whom the KINGS {representing leaders of kingdoms/nations} of the earth have committed FORNICATION {by placing their substance/merchandise within her wide open welcoming gates/legs} and the inhabitants of the earth have been made {figuratively} DRUNK {in their minds} with the WINE {being her democratic and capitalistic ideals that she envisions for the world's future} of her FORNICATION {allowing the foreign leaders and merchants, once they are intoxicated on her wine/ideals, to*

impregnate her land with their substance/goods}.

\*\*\*\*\*

***Revelation 2:21 And I gave HER*** {the ruling capital of the USA} ***SPACE*** {the space/time covers the period of 1290 days before the super volcano explodes} ***to REPENT*** {repent and believe the two witnesses' visions and oracles} ***of HER*** {the ruling capital of the USA} ***FORNICATION*** {of staying steadfast in continuing to fornicate/business as usual with her many foreign merchants drunk on her wine/ideals that impregnate/place deep within her land their substance/goods until the super volcano opens in her land}; ***and she repented not.***

The seventh plagued angel gives latter day spiritual Jezebel {leadership in the USA's ruling capital) the final space of 1290 days to repent of her fornicating with leaders and merchants of nations. A similar scenario has taken place in every generation during a space of time. In our day, the final space of time is of 1290 days before the super volcano opens in the USA. In that time, the latter day messenger will be revealing what the two witnesses saw and heard as written on six visions and six thunders of the seventh angel with trumpet. During this time, latter day Jezebel (leadership in the USA's capital) has time to repent of her fornicating (business as usual) with the merchants of nations, according to what she envisions for the world's future.

The seventh plagued angel knows that the great whore (USA's ruling capital) will not repent in the present replay of the last generation, just as she did not repent in previous replay of this last generation. Latter day Jezebel (USA's ruling capital/leadership) will have been given two spaces of time to repent. The first half hour space of time refers to latter day Babylon's second reigning period as the seventh kingdom. During that time, six angels with trumpets were being revealed. The second half hour space of time refers to latter day

Babylon's third reigning period as the eighth kingdom. In that time, six lights and six thunders of the seventh angel with trumpet will be revealed for the remaining 1260 days of the 2300-day period. This is the space of time that she is given to repent of her fornication and cease from continuing to follow her own ideals that she envisions for the world's future. At the end of the final space of time, the super volcano explodes in the USA. The opening of the super volcano in her land begins the ending of her one hour reign over the nations (see Revelation 17:12; 18:1).

\*\*\*\*\*

**Revelation 2:22 Behold, I** {ending of the sixth plagued angel that reveals the beginning of the seventh plagued angel} **will cast HER** {in the last generation, latter day Jezebel refers to the USA's ruling capital/leadership} **into a BED** {being the bottomless pit full of an overflowing lake of fire/lava}, **and THEM** {nations and peoples} **that commit ADULTERY with her into GREAT TRIBULATION** {that begins when the swelled to heaven super volcano, full of a lake of fire, begins to overflow and travel throughout the land}, **except they REPENT** {repent during the space when the seven angels with trumpets are being revealed before the super volcano opens in the land} **of their DEEDS** {of fornicating/business as usual and worshiping the many idols/ways of life that seduce the people into worshiping, instead of the leaderships and peoples worshiping the two witnesses' visions and oracles}.

The two witnesses' visions and oracles prophesy of the destruction of latter day Babylon's kingdom. However, latter day Jezebel (USA's ruling capital) and the kings (leaders of nations) will have not repented of their deeds of fornicating (continuing in regular business) together. These leaders and nations continue to worship the many idols in their lands. These idols have seduced the leaders and peoples to reject the two witnesses' visions and oracles concerning

this world's imminent demise.

During the judgment that is presently happening, the seventh plagued angel will reveal visions and oracles that replays the time when the USA's ruling capital (the latter day great whore/Jezebel) and nation (false prophet) ended up consumed by the overflowing immense lake of fire/lava that spread throughout the world. The nations that accepted the ideals (spiritual wine/mark of the beast) that latter day Jezebel (USA's leadership in the capital) envisioned for the world's future will also be cast into great tribulation. This happens when a river of lava continually overflows from the super volcano's immense 40-mile wide mouth in the USA, as the lake of fire spreads to consume the world.

The leaders of nations were seduced by the great whore (USA's ruling capital) because they took the great whore's wine cup into their hand (mark of the beast) and were made drunk on her wine (spiritual wine/democratic and capitalistic ideals that she envisions for the world's future), causing them to fornicate (place their substance/goods) within her wide open welcoming legs (gates).

***Revelation 18:8*** *Therefore shall HER {USA's ruling capital} PLAGUES {darkness, anarchy, famine, and death} come in ONE DAY {the day when the swelled to heaven super volcano, full of a lake of fire, overflows and spreads throughout the USA and world}, death, and mourning, and famine; and SHE {USA's ruling capital/Jezebel and nation} shall be utterly burned with FIRE {by the lake of lava/fire overflowing from the immense mouth of the swelled to heaven super volcano, which lies beneath Yellowstone National Park}: for strong is the Lord God {Lord God/seventh plagued angel replaying during the judgment the things that happened to the great whore, as witnessed by the two witnesses and written on the scroll of life} who judgeth her.*

***Revelation 19:20*** *And the BEAST {representing latter day Babylon's*

kingdom/union of nations} *was taken, and with him the FALSE PROPHET* {in the latter days, the leadership in the USA's nation is the false prophet that falsely prophesied of peace and safety for the foreseeable future according to the USA's vision for the world} *that wrought MIRACLES* {of the USA's technological and military firepower from the heavens/skies} *before HIM* {beast/kingdom of latter day Babylon/union of nations}, *with which he deceived THEM* {nations} *that had received the MARK* {figurative wine cup full of democratic and capitalistic ideals that the USA envisions for the foreseeable future} *of the BEAST* {being the union of nations agreeing to unite and enforce the vision of the USA on non-complying nations during the first half hour reign of the beast/union of nations in figurative Canaan}, *and them that worshipped HIS* {seven-headed ten-horned beast's/union of nations} *IMAGE* {the image represents the same union of nations/beast in figurative Canaan agreeing to unite again to enforce the USA's vision for the world on non-complying nations during the second half hour/1290 day-reign}. *THESE BOTH* {false prophet/USA and its kingdom of latter day Babylon} *were cast ALIVE* {hence the USA and its kingdom will have not been totally destroyed when cast alive into the fiery pit} *into a lake of FIRE* {lake of fire/lava overflowing from the high and immense mouth of the super volcano in the fallen USA} *burning with BRIMSTONE* (molten stones).

**Revelation 19:21** *And the REMNANT* {what ever nation and islands are remaining} *were slain with the SWORD* {slain according to the two edge sword/two witnesses' written visions and oracles} *of HIM* {seventh plagued angel} *that sat upon the* {white} *HORSE* {representing a great whirlwind of light that surrounds the high swelled to heaven super volcano when it is full of a lake of fire}, *which SWORD proceeded out of HIS* {seventh plagued angel's} *MOUTH* {the intense heat emanating from the lake of fire in the immense mouth of the swelled to heaven super volcano causes great

hailstones and many fiery whirlwinds to fall upon the land}: *and all the FOWLS* {great hailstones} *were filled with their FLESH* {referring to buildings and infrastructure}.

\*\*\*\*\*

**Revelation 2:23** *And I* {ending of the sixth plagued angel that reveals the beginning of the seventh plagued angel} **will kill HER** {USA's ruling capital} **CHILDREN** {spiritual females/cities and spiritual males/states/tribes} **with DEATH** {caused by the overflowing lake of lava from the immense mouth of the swelled to heaven super volcano}; **and all the churches shall know that I am he which searcheth the reins and hearts: and I will give unto every one of you** {after they have all resurrected to be alive in the last generation} **according to your works** {the works of non-believing or believing the everlasting gospel of present new truth, which is revealed in the last generation by the overcomers of every generation}.

The great whore's (USA's ruling capital) figurative children (sons/states and daughters/cities) will be killed just as the two witnesses saw, heard, and wrote on the seventh plagued angel (who is equated with the last small part that mixes with the first small part of the scroll of life) the way the nation and cities were killed. The two witnesses (Michael and Gabriel) will have witnessed the role each nation and person chose to play in every generation of this world. If these nations, peoples, and tongues, accept the mark of the beast after they have resurrected in the last generation, they will be killed with death by great earthquake, great hailstones, anarchy, famine, and whirlwinds of fire, and finally being cast into an overflowing and spreading immense lake of lava.

During the judgment, the two witnesses' visions and oracles written on the seventh plagued angel replay each generation to reveal the motives (reigns) that directed a person to play the role which they

chose to fulfill in this world, according to his or her heart. From the replay of the first generation of Genesis through to the end of the world, every person's works will have been clearly revealed during the judgment. Hence all nations, kindreds, and peoples that rejected a living messenger's message revealed in every generation and also failed to accept the everlasting gospel revealed in the last generation will end up in the lake of fire.

During the judgment, the seventh plagued angel is presently replaying what happened prior to the opening of the bottomless pit (super volcano). The replay of the last generation reveals the people who heeded to the latter day messenger's message of seven angels with trumpets to play their part as an overcomer of his or her old ways and beliefs. These individuals became wise with the latter day messenger's message to play their role in the scroll of life as someone who believed this new present truth message before the super volcano opened in the USA. Accordingly, the replay of the last generation shows how they were marked on their forehead (front of the mind) with the seal (prophetic knowledge) of God (seventh plagued angel) at the opening of the super volcano, received the Holy Spirit's power on the new day of Pentecost, proclaimed the everlasting gospel to gather the great multitude during the time smoke and ash erupted for five months. Thereafter the replay of the last generation shows how all the redeemed entered the fiery ensign of new Jerusalem to escape death by the lake of fire, that spread to cover the world. After all the redeemed entered the ensign (light) of new Jerusalem, then the whole world became covered by the overflowing and spreading lake of fire. From the time all the redeemed entered the ensign of new Jerusalem, they were standing in the spirit (ghost) of their former selves ready to view the opening of the scrolls during the judgment. When the world was covered in a lake of fire as the judgment began, the redeemed were then living in a new heaven and new Earth having new bodies with no memory of

what happened in the first heaven and first Earth, while at the same time the redeemed were in the spirit standing during the judgment to view the opening of each scroll that replayed what happened in each generation, to replay what happened in the new heaven and new Earth, and to also replay what happened during the judgment.

\*\*\*\*\*

**Revelation 2:24** *But unto YOU* {leadership of Thyatira} **I** {ending of the sixth plagues angel that is speaking of things Yahshua/Jesus had said in the first timeline} *say, and unto the REST* {church members} **in Thyatira, as many as have not THIS DOCTRINE** {spiritual wine/doctrine of Jezebel who teaches and seduces the servants of present new truth to commit fornication with their old beliefs, and to eat/partake of things/beliefs sacrificed/customs unto idols of old prophets, messiah's, and former apostles}, **and which have not known the DEPTHS** {partaking of dated rituals} **of SATAN** {being the adversary/Satan and false prophet/nation/spiritual husband of Jezebel/false prophetess}, **as they speak; I will put upon you none other burden** {except the original burden where the leadership of the church of Thyatira needs to repent from allowing Jezebel to teach and seduce the servants of present truth}.

\*\*\*\*\*

**Revelation 2:25** *But that which YE* {faithful members of the church of Thyatira} **HAVE ALREADY** {the then present truth} **hold fast till I** {Yahshua/Jesus} **COME** {Yahshua/Jesus comes at the resurrection, as also all the resurrected patriarchs, prophets, and messiahs, apostles, and disciples of all generations will resurrect when the super volcano opens after the latter day sign of Jonah}.

During the judgment, the seventh plagues angel replayed what Yahshua/Jesus said to the leadership of the church of Thyatira, which pertains to anyone that has an ear to hear. Yahshua's counsel revealed that when a person believes present new truth, he or she needs to

hold fast and not be seduced by other visions of the world's future promoted by the ruling capital (Jezebel) and nation (adversary/Satan). Thereby committing fornication by mixing the present new truth with the visions promoted by Jezebel (leadership in the ruling capital) and her husband (nation's leadership).

Every overcomer in every generation will have remained faithful to present new truth till death. The new truth will have been revealed by a living messenger and his apostles, as written by the two witnesses on a scroll concerning the things that happened in the generation of the messenger and his apostles. In the last generation, after the seventh angel with trumpet has finished revealing its visions and oracles written on six of seven lights and six of seven oracles, the super volcano will open in the USA, as smoke and ash erupts continually for five months. At that time, the overcomers that died in all generations will have waited for the arrival of their salvation from death at the opening of the bottomless pit (super volcano) in the USA. From the day the super volcano continually erupts with smoke and ash marks the day of the resurrection for all the dead. The resurrected overcomers rise to life and health to learn a new song and the new name of God (seventh plagued angel). Thereafter on the new day of Pentecost, they will receive the Holy Spirit's power and join the latter day living overcomers in proclaiming the everlasting gospel to all nations, kindreds, tongues, and people during the time when smoke and ash are issuing for five months from the opened super volcano in the USA. The things that exist and happening during the time when smoke and ash are issuing from the super volcano's mouth are written on the beginning of the first plagued angel. When the super volcano swells to heaven and explodes magma into the sky, it will then begin to fill with a lake of fire. From that time, the things that happened are written on six plagued angels, as witnessed and written by the two witnesses. When the swelled to heaven super volcano is full of a lake of fire at the

ending of the sixth plagues angel (as the seventh plagues angel is beginning), the seventh plagues angel will have risen as a great light with a lake of fire upon the swelled to heaven super volcano. From that time, all things that happened are written on the last small part (equated with the seventh plagues angel) of the scroll of life.

All the overcomers of their old beliefs that lived in the time of the seven churches of Asia Minor will have held fast to their present new truth of salvation (revealed by the Apostle John from the Book of Revelation) to the day Yahshua/Jesus arrives when the super volcano explodes and opens with erupting smoke and ash.

### **Acts 1:11**

*Which also said, Ye men of Galilee, why stand ye gazing up into HEAVEN {where the judgment is happening upon the high mountain of God/seventh plagues angel within new Jerusalem}? this same Jesus, which is taken up from you into heaven, shall so COME {comes to proclaim the everlasting gospel at the latter day resurrection} in LIKE MANNER {will physically be the same as when he ascended to heaven} as ye have seen him go into heaven.*

\*\*\*\*\*

**Revelation 2:26** *And he that **OVERCOMETH** {overcomes his or her old beliefs by believing present new truth}, **and keepeth MY** {Yahsua's/Jesus'} **WORKS** {as revealed by the Apostle John to the seven churches from the Book of Revelation} **unto the END** {till death}, **to him will I GIVE** {after the latter day resurrection} **POWER** {to proclaim the everlasting gospel} **over the** {latter day} **NATIONS** {as a great multitude of all nations accept the everlasting gospel}:*

The two witnesses wrote what they saw existing and happening in each generation on each scroll. During the initial 1,000 years of the judgment, all the past scrolls were opened. At the end of these 1,000

years, the last scroll/scroll of life was opened and revealed, which replayed the things that happened in the last generation, new heaven and new Earth, and what happened during the judgment. Presently during the judgment, the last small part of the scroll of life is being continually revealed. On this last small part, the two witnesses write what is continually happening during the judgment. Whatever is written on the last small part of the scroll of life must be revealed, just as whatever is revealed must be written on the last small part of the scroll of life. Accordingly, all the visions and oracles written on each scroll are written on the last small part (represented by the seventh plagued angel) of the last scroll (scroll of life), which are continually revealed and continually written to be again revealed and again written and so on. Hence the seventh plagued angel (representing the last small part mixed with the first small part of the scroll of life) is the God (creator of each generation) that lives forever and ever.

The visions and oracles written on each scroll are being consecutively revealed by the seventh plagued angel during the judgment. As the seventh plagued angel reveals the first scroll through to the last scroll, the first scroll replays what happened from the beginning of genesis. As each scroll is consecutively revealed, each generation is being replayed to reveal what happened in each generation. Finally, the last scroll (scroll of life) is revealed, which replays what happened in the last generation through to the time the Earth is covered in a lake of fire. The scroll of life also reveals the new heaven and new Earth where the overcomers of all generations are living in new bodies with no memory of the past, while at the same time the judgment is happening where the overcomers and rebellious people are standing while in the spirit (ghosts) viewing the visions and oracles being revealed from each scroll.

In the first three chapters of the Book of Revelation, the seventh plagued angel is revealing what Yahshua/Jesus said to the Apostle

John around 90 AD concerning the seven churches in Asia Minor. The seventh plagues angel also reveals in different parts of the Book of Revelation things that are written on other scrolls and last scroll/scroll of life. Hence verses in the same chapter in the Book of Revelation may contain references to names, places, and events that existed and happened in the past but refer to different people, places, and events that are prophesied in the Bible to take place in the latter days.

In Revelation 2:26, the seventh plagues angel reveals from the last small part of the scroll of life what Yahshua had said to the Apostle John around 90 AD. The seventh plagues angel revealed that Yahshua/Jesus said that a person overcomes their old beliefs by believing new present truth of a living messenger without mixing it with their former beliefs. The works of the two witnesses pertains to their message proclaimed by a living messenger and his apostles, as written on each scroll that recorded the things that existed and happened in the living messenger's generation. When a person keeps the works of present new truth until death, these overcomers will resurrect in the last generation to have power over the nations by gathering a great multitude of people from all nations.

***Revelation 2:27 And HE*** {the overcomer of his/her former beliefs} ***shall rule THEM*** {nations} ***with a ROD OF IRON*** {representing the two witnesses' written visions and oracles revealing the destruction of latter day Babylon's kingdom, which the overcomers prophesy of as they proclaim the everlasting gospel}; ***as the vessels of a potter shall they be broken to shivers: even as I*** {Yahshua/Jesus equated with Solomon/offspring} ***received of my FATHER*** {being the seventh plagues angel because he replays/recreates what his son/Yahshua said to the seven churches in Asia Minor around 90 AD}.

The people of all generations, that overcame their old beliefs by believing present new truth, will have resurrected to proclaim the everlasting gospel while warning of the imminent plagues of death, mourning, and famine. Their words of warning are fulfilled on rebellious nations, kindreds, tongues, and people that reject the everlasting gospel, which the overcomers proclaim while the super volcano is erupting smoke and ash for five months. When the swelled to heaven super volcano's immense 40-mile wide mouth is filling with a lake of fire, six plagued angels will begin to plague the latter day kingdom of Babylon. When the seventh plagued angel begins being fulfilled when the lake of fire overflows and begins spreading throughout the world, then the nations will be ruled with a rod of iron. As a rod of iron easily breaks clay pots to pieces, so the nations will easily be overthrown by the risen and reigning seventh plagued angel.

**Revelation 2:28 And I** {seventh plagued angel replaying what Yahshua had said} **will give HIM** {the person who overcomes their old beliefs} **the MORNING STAR** {spiritual morning star's/sun's light/visions at dawn mixing with the ending spiritual moon of the seventh evening. The ending of the seventh evening's spiritual moonlight that mixes with spiritual dawning daylight represents the two witnesses' visions and oracles mixing together on the last small part (even) written on the scroll of life's first side with the first small part (dawn) written on the scroll of life's other side/last side}.

The scroll of life's first side is divided into seven parts, which are likened to seven evenings of moonlight. As a moon moves from east to west through each of these seven evenings and illuminates the things happening in seven evenings, so the first witness (Michael) wrote the things that happened during the evenings of the last generation, and thereafter, on seven parts of the scroll of life's first

side.

The scroll of life's other side (last side) is also divided into seven parts, which are likened to seven days of daylight. As a sun moves from east to west through each of seven days of daylight and illuminates the things happening during these seven days of daylight, so the last witness (Gabriel) wrote the things that happened during the daylights of the last generation, and continuing thereafter, on seven parts of the scroll of life's other side (last side).

The last small part of the seventh part (this seventh part is equated with the seventh evening) of the scroll of life represents the time of even at the ending of the seventh evening. This ending (time of even) of the seventh evening on the first side of the scroll of life is mixing with the beginning of the first day's dawning sun's light on the other side of the scroll of life.

A person who overcame their old beliefs in each generation is given the light/visions of the spiritual morning star (equated with a bright morning sun/star) at the latter day resurrection. The morning star's/sun's (last witness') light is equated with the visions written by Gabriel on the first small part of the scroll of life's last side, which mix with the evening star's (first witness') visions written by Michael on the last small part (represented by the seventh plagued angel) of the scroll of life's first side. Accordingly, the seventh plagued angel is both the evening star's (spiritual moon's) light (visions) and a morning star's (spiritual sun's) light (visions) dwelling together at dawn/even. The morning star is the Sun of Righteousness mentioned in Malachi 4:2. When the latter day living messenger began to understand the message beneath the first seal of the rolled-up scroll of life's first side, the light (vision) of the Sun of Righteousness

began to dawn as morning light into the first day which mixed with the Moon of Righteousness at even (ending) of the seventh evening. The seventh evening is equated with the seventh part of the scroll of life's first side (see Ezekiel 7:10).

***Malachi 4:2*** *But unto you that fear MY NAME* {seventh plagued angel} *shall the SUN OF RIGHTEOUSNESS* {being the dawning light/visions of the latter day living messenger's message} *ARISE* {from failure during three reigning periods of latter day Babylon's reign} *with HEALING* {to heal the overcomers of all generations at the resurrection and to heal a great multitude of overcomers} *in his WINGS* {of spiritual light/visions that fly/move across the sky like the sun}; *and ye shall go forth, and GROW UP* {as the light progresses} *as calves of the stall.*

***Ezekiel 7:10*** *Behold the day, behold, it is come: the MORNING* {dawning visions/light of the Sun of Righteousness/last witness' written visions revealed by the latter day messenger from beneath the seventh seal of the scroll of life's first side} *is GONE FORTH* {being revealed to the nations of Christendom}; *the ROD* {representing the message/rod which the latter day messenger has received pertaining to the seven seals of the scroll of life} *hath blossomed, PRIDE HATH BUDDDED* {in the other rods/false messengers of Christendom}.

The visions and oracles written in the Book of Revelation and other parts of the Bible are sealed in mysterious symbolic language (see Daniel 12:4, 9). The reason is so that only the living anointed who manifests in the time of the end (last generation) can truly understand (see Revelation 13:18), reveal, and prophesy of these mysteriously written visions and oracles pertaining to the end of latter day Babylon's reign. The seventh plagued angel (Elohiym) replays each generation over and speaks to the prophets of old the things that Michael and Gabriel said to the prophets with the phrase

“Thus saith the Lord” (see Revelation 10:7).

**Daniel 12:4** *But thou, O Daniel, shut up the words, and SEAL THE BOOK* {the meanings of the written prophecies in Daniel's book/scroll could not be understood just by reading Daniel's scroll}, *even to the TIME OF THE END* {when in the time of the end the latter day messenger reveals the prophecies written in the Bible}: *many shall RUN TO AND FRO* {to proclaim the latter day messenger's message during the remaining 1260 days. Then three and a half days later, the super volcano's top explodes. The great earthquake caused by the explosion travels down and opens the super volcano}, *and KNOWLEDGE* {of Daniel's book} *shall be INCREASED* {by the latter day messenger in the time of the end}.

**Daniel 12:9** *And HE* {Gabriel} *said, Go thy way, Daniel: for the words are closed up and sealed till the TIME OF THE END* {when the latter day messenger reveals from the Bible the prophecies written in Daniel's sealed book}.

**Revelation 13:18** *Here is wisdom. Let HIM* {the true latter day living messenger} *that HATH UNDERSTANDING* {only the true messenger has the wisdom to understand} *COUNT the NUMBER* {count how many number sixes there are} *of the BEAST* {latter day Babylonian kingdom/beast}: *for IT* {number six} *is the number of a MAN* {this figurative man represents the false prophet/USA's leadership}; *and HIS* {the beast and the false prophet's} *number is Six hundred threescore and six* {number 6, number 6, number 6. After counting how many number sixes are written in this verse, the answer is three numbers are counted. The reason is the three numbers {6,6,6} pertain to the latter day kingdom that has a name called Babylon, being the same number six kingdom that reigns three separate times. The latter day Babylonian kingdom/beast first reigns as the number 6 kingdom; thereafter the same number 6 kingdom reigns as the seventh kingdom, and thereafter the same

number 6 kingdom reigns as the eighth kingdom of Revelation 17:10,11. Accordingly, it is the same kingdom that reigns three separate times as the sixth kingdom, sixth kingdom, and again as the sixth kingdom. Hence the reason latter day Babylon's number is 6 and written three times as 6,6,6 because the same kingdom reigns three separate times}.

**Revelation 2:29** *He* {any person} **that hath an ear, let him hear what the SPIRIT** {Holy Spirit/seventh plauged angel that is replaying what Yahshua had said to the Apostle John on the Isle of Patmos} **SAITH** {around 90AD} *unto the churches* {in Asia minor}.

Prior to the opening of the super volcano in the USA, anyone who has an ear can read and hear Yahshua's counsels to the seven churches of Asia Minor. These written counsels are written on the seventh plauged angel, who revealed during the judgment what Yahshua/Jesus had counseled to the seven churches of Asia Minor in 90AD. These counsels reveal how a person is lost, even though a person sincerely believes with all of his or her heart that he or she is saved by the ministry and sacrifice of Yahshua/Jesus. The ministry, promises, and sacrifice of Yahshua/Jesus pertain only to the people of the world that were living in the apostles' generation. All the statements made in the gospels by Yahshua/Jesus and the statements made in letters written by apostles and disciples of Yahshua apply only to the living people of that time that heard or read the statements and overcame their old beliefs until death. What Yahshua promised to his apostles and disciples (as written in the gospels) before he was crucified only applies to them. After Yahshua's apostles and disciples received the power of the Holy Spirit, the things Yahshua's apostles and disciples said and wrote in letters to people living in those days only applies to the people living at that time. In 90AD, the Apostle John (being the new living messenger)

on the isle of Patmos sent a new message written in the Book of Revelation to the seven churches for the people living in 90AD to believe in and be saved.
