

## Chapter 2

**Revelation 2:1** *Unto the ANGEL* {leadership} *of the church of Ephesus* {the meaning of the name Ephesus is similar to the type of message given to Ephesus} *write; These things saith HE* {seventh plagued angel} *that holdeth the SEVEN STARS* {the seven stars represent visions written on seven angels with trumpets on a book/scroll. On this scroll's seven stars/lights are recorded the things that happened during the time when the seven churches in Asia Minor existed} *in his RIGHT HAND* {the right hand is representing the first witness' written visions that mix with the last witness' written visions}, *who walketh in the midst of the SEVEN GOLDEN CANDLESTICKS* {gold represents the spiritual moon's silvery light/first witness' visions mixing with the spiritual sun's coppery-light/last witness' visions/lights on seven parts/seven candlesticks of a scroll. Each of seven stars is the light upon each of the seven candlesticks};

In Revelation 2:1, the seventh plagued angel holds the seven stars/lights in its right hand. Accordingly, these seven stars/lights are written on the seven parts of a scroll, which are being revealed from the last small part of the scroll of life to the Apostle John in 90 AD . Hence, the seventh plagued angel with the seven stars/lights walks among the seven golden candlesticks when the seventh plagued angel was revealing them. Each of these seven stars is the light upon each of the seven golden candlesticks. Each star/light represents the visions written on each of the seven parts of a scroll. On these particular seven parts are written the things that existed and happened during the time when the seven churches of Asia Minor existed around 90 AD. The first star/light (vision) in the seventh plagued angel's right hand reveals the leadership (angel) of the church (candlestick) in Ephesus. This written vision had recorded the

things that existed and happened around the year 90 AD concerning the established church in Ephesus of Asia Minor.

Out of the many Christian churches in many cities, only seven churches in seven cities were chosen for Yahshua (Jesus) to give counsels to. The reason is that each name of the seven churches correlates with the council given to each church. Therefore, the seven names of the seven churches characterize all Christian believers. Every Christian church, leader, or member is associated with any of the counsels to the seven churches. The meaning of the name Ephesus is reflected in the counsel that the seventh plagues angel replayed to the Apostle John of what Yahshua (Jesus) had originally said in Revelation 2:1-7.

\*\*\*\*\*

***Revelation 2:2 I {seventh plagues angel} know thy works, and thy labour, and thy patience, and how thou canst not bear them which are evil: and thou hast tried them which say they are apostles, and are not, and hast found them liars:***

The seventh plagues angel knows the works of the leadership of the church of Ephesus. The leadership's works of labor in promoting Yahshua's message and patience in waiting for the return of Yahshua/Jesus. Also the leadership had the works of not tolerating evil people among their congregation. Also the leader of Ephesus' Christian church was not fooled by people that claimed to be messengers/apostles of God but were not. When the messages/doctrines of false apostles were tested by the leadership of the church of Ephesus, the leader proved that their message was a lie.

\*\*\*\*\*

***Revelation 2:3 And hast borne, and hast patience, and for my name's sake hast laboured, and hast not fainted.***

The leadership of Ephesus stood firm and had patience, while laboring for the name and cause of Yahshua/Jesus without giving up.

\*\*\*\*\*

***Revelation 2:4 Nevertheless I have somewhat against thee, because thou hast left thy FIRST LOVE*** {the first love refers to the love of receiving a new message from a true apostle}.

The leadership of the church of Ephesus had lost his first love of believing in a new present truth from a true living apostle. In every generation, the two witnesses' (Michael's and Gabriel's) living messenger reveals a new present truth and gathers apostles. These living apostles then reveal new present truth to the churches, that had been established by an old message given by former apostles of a former deceased messenger.

\*\*\*\*\*

***Revelation 2:5 Remember therefore from whence THOU*** {leader of the church of Ephesus} ***art FALLEN*** {not saved}, ***and repent, and do the FIRST WORKS*** {of loving to believe a new message from a living apostle}; ***or else I*** {seventh plauged angel} ***will come unto thee quickly, and will remove thy CANDLESTICK*** {remove their church/candlestick from being written as a true church that believes the latest truth revealed by a living messenger or his apostles and disciples} ***out of his PLACE*** {the place in a scroll where visions and oracles were written concerning the leadership and church of Ephesus' attitude to the message that John the Apostle sent them in the Book of Revelation}, ***except thou repent.***

\*\*\*\*\*

***Revelation 2:6 But this thou hast, that thou hatest the DEEDS*** {the deeds of performing Moses' sacrificial laws} ***of the Nicolaitans, which I also hate.***

The leadership of Ephesus was counseled to remember how they

were once fallen (lost) before they received the then new truth pertaining to old Yahshua's/Jesus' salvation from a true living apostle or disciple. In other words, unless the leadership of Ephesus repent from rejecting every new message as false, the leadership will have certainly rejected the new message of present truth in the Book of Revelation sent to them by the Apostle John. Around 90 AD the Apostle John sent the leadership of Ephesus the new message written in the Book of Revelation. Unless the leader accepted the written counsel of the new message spoken by Yahshua (Jesus) in the Book of Revelation, the leader and his church in Ephesus will have been lost. Thereby causing the whole church (candlestick) of Ephesus and its leadership (angel/light) to be removed from being written as a true leadership and church in a scroll that recorded in visions and oracles all things that existed and happened during the time when the seven churches of Asia Minor existed. The leadership's and church's works were of bearing and laboring for the cause of Yahshua/Jesus and patiently waiting for the return of Jesus. However, if the leadership and church failed the test of being true believers by accepting the then present new truth written in the Book of Revelation by the Apostle John, they are not saved even though they believe they are saved by Yahshua/Jesus.

Ephesus' leadership hated the deeds of the Nicolaitans. These deeds referred to Moses' sacrificial rituals (see Revelation 2:14, 15), which some people of Judea still performed and promoted in the nations they were removed to by the Romans. From the time old Babylon destroyed the temple in rebellious Jerusalem, Elohiym (seventh plagued angel) hated sacrificial rituals. Though from the days of old Moses, the Israelites were commanded by Elohiym (seventh plagued angel) to perform them.

\*\*\*\*\*

***Revelation 2:7 He {any person} that hath an ear, let him hear what***

*the Spirit* {memory of the seventh plagues angel speaking with the voice of Yahshua/Jesus} **saith unto the churches; To him that OVERCOMETH** {overcomes his or her old beliefs and believes present new truth for their generation} **will I** {Yahshua} **give to EAT** {partake} **of the TREE OF LIFE** {eternal life}, **which is in the midst of the PARADISE** {new Jerusalem} **of God** {God/seventh plagues angel is recreating each generation exactly the way the first witness/Michael and last witness/Gabriel saw, heard, and wrote the things that existed and happened in each generation on the two sides of each scroll}.

The seventh plagues angel reveals to each person who wants to be living for ever in a new body in the garden of Eden of the new Earth what Yahshua (Jesus) said to the seven churches in Asia minor, as revealed from a scroll by the seventh plagues angel. These sayings to the seven churches reveal the attitude that is needed to be saved, even when you think you are saved.

Every person of every generation that overcame their old beliefs and believed and remained faithful to the then present truth of a true living messenger will resurrect at the time the impacted star (stone cut out of the mountain/super volcano) opens the super volcano in the USA to thereafter partake of the tree of life. All the overcomers that died in all generations will then be living to spiritually eat (partake) of the scroll of life's visions and oracles pertaining to a new Earth. They will resurrect in the last generation, proclaim the everlasting gospel to gather a great multitude, and then enter the intense white light (ensign) emanating from new Jerusalem in the fallen USA.

All the apostles of all generations who overcame their old beliefs by believing the new message of a living messenger total 12,000 (12,000 being the first group of redeemed). All the disciples (second group of redeemed) of every generation who overcame their old

beliefs by believing a new message from a true living apostle total 144,000. At the time when the impacted star causes the super volcano to erupt smoke and ash in the USA, these apostles (representing new Jerusalem's foundations) and disciples (representing new Jerusalem's walls) will then represent new Jerusalem, in which is the tree of life. From the time the impacted star opens the bottomless pit (super volcano), the apostles and disciples will place (spiritually eat) all the scroll of life's visions and oracles on the front (forehead) of their mind, just as the tree of life will be within new Jerusalem. Then they will be ready to proclaim the everlasting gospel to all nations during the time when the impacted star caused the super volcano to erupt with smoke and ash in the fallen USA. A great multitude (third group of redeemed) of latter day people will believe the everlasting gospel and enter the fiery ensign of new Jerusalem with the first group and second group of redeemed to eat the fruit (visions and oracles) of the tree of life (equated with the scroll of life) and live forever in the new Earth.

\*\*\*\*\*

***Revelation 2:8 And unto the ANGEL {leadership} of the church in Smyrna write; These things saith the FIRST {the first small part on each side of the scroll of life} and the LAST {the last small part on each side of the scroll of life}, which was DEAD {two witnesses' predictions will have been lying dead/totally rejected at the end of the 2300-day period during the latter day sign of Jonah}, and is ALIVE {the two witnesses' written predictions/visions and oracles revive to forever be alive 3½ days after the 2300-day period when an impacted star caused the super volcano to erupt with smoke and ash for five months in the USA};***

The seventh plagued angel is revealing what Yahshua said to the church of Smyrna. The meaning of the name Smyrna is reflected in

the counsel that the seventh plagued angel is giving to the church of Smyrna in Revelation 2:8-11. However, the counsel to Smyrna is directed to any person that has an ear to hear the counsel. In Revelation 2:8, the seventh plagued angel says that it is the scroll of life's first small part written on the scroll of life's first side. This first small part mixes with the last small part of the scroll of life's last side. The seventh plagued angel says that it is also the scroll of life's last small part written on the scroll of life's last side. This last small part also mixes with the first small part of the scroll of life's first side. These visions and oracles will be dead at the end of the 2300-day period during the 3½ days of the sign of Jonah. However, they will have revived to life forever more 3½ days later when a stone's impact causes the super volcano to continually erupt smoke and ash for five months in the USA.

\*\*\*\*\*

**Revelation 11:7** *And when THEY* {two written witnesses of the scroll of life} *shall have FINISHED* {at the end of 1260 days of prophesying} *their TESTIMONY* {testimony to the USA and certain nations of Christendom concerning the ejected stone from the super volcano's mountain descending as a great star to impact the USA and open the super volcano}, *the* {lamb-like} *BEAST* {kingdom/USA} *that ascendeth out of the BOTTOMLESS PIT* {bottomless pit filled with an overflowing lake of fire, where it ended up in the previous replay} *shall make WAR against THEM* {two witnesses' written visions and oracles that prophesy of a star impacting the USA and opening the bottomless pit/super volcano}, *and shall overcome them, and KILL* {totally reject} *them.*

\*\*\*\*\*

**Revelation 11:11** *And after THREE DAYS AND AN HALF* {of the sign of Jonah} *the spirit of life from God* {according to the visions and oracles written on the seventh plagued angel that is already

reigning over the dissolved lava covered kingdom of latter day Babylon} *entered into THEM* {being two witnesses' written visions and oracles concerning the fall of latter day Babylon when a huge ejected stone falls as a great burning star to open, on impact, the super volcano, as it erupts smoke and ash for five months}, *and THEY* {two witnesses' visions and oracles} *STOOD* {resurrected and lived forever more} *upon their feet; and great fear fell upon them WHICH SAW THEM* {two witnesses' visions and oracles being fulfilled when the super volcano erupts smoke and ash in the USA}.

\*\*\*\*\*

***Revelation 2:9 I*** {seventh plagued angel} ***know THY*** {leadership of the church of Smyrna} ***works, and tribulation, and poverty, (but thou art rich) and I know the blasphemy of them which say they are Jews*** {in our day referring to spiritual Jews/Christians}, ***and are not, but are the synagogue*** {church/temple} ***of Satan*** {Satan/adversary against present new truth revealed by a living messenger to his apostles and disciples}.

In Revelation 2:9 the seventh plagued angel is revealing what Yahshua had said in 90 AD concerning the works of the leadership of Smyrna. After old Jerusalem's fall around 70 AD, the Judean people were scattered abroad. Many of these Judeans (Jews) still held onto and promoted the old precepts of Moses. These old laws and truths blasphemed against the then new present truth of Yahshua/Jesus and especially the Apostle Paul's teachings, which these teachings of Paul were promoted by the church of Smyrna. Accordingly, the Judeans, that dwelt in the city of Smyrna, were as the synagogue of Satan because the customary beliefs they held onto and promoted were adversaries (Satans) to the Christian precepts that established the Christian church in the city of Smyrna. In our day, the spiritual Jews refer to the Christians, whose churches promote the old customary beliefs pertaining to old Jesus/Yahshua,

making them adversaries against the latter day living messenger's new message.

\*\*\*\*\*

***Revelation 2:10 Fear none of those things which thou shalt suffer: behold, the DEVIL*** {referring to traits in people who tempt/devil the faith of believers of a new truth} ***shall cast SOME*** {the ones who believed Yahsua's new message that he revealed to the Apostle John on the Isle of Patmos in 90 AD} ***of you into prison, that ye may be tried*** {tried/tempted/deviled to forsake the new present truth}; ***and ye shall have tribulation ten days: be thou faithful unto death, and I*** {seventh plagued angel speaking with the voice of Yahshua} ***will give THEE*** {at the latter day resurrection} ***a CROWN OF LIFE*** {a spiritual crown of life will be given the overcomers at the resurrection, when the ejected stone from the mountain falls as a great star and impacts the land; then the super volcano erupts smoke and ash to bring an end to the reign of latter day Babylon's kingdom}.

The seventh plagued angel reveals what Yahshua/Jesus said concerning some of the church members of Smyrna who would be cast into prison by the devil (being a trait of non-believers who tempted/deviled the faith of believers). In those days, tribulation lasted usually 10 days in prison before being put to death for remaining faithful to the then new present truth of Yahsua, as proclaimed by the Apostle John and his apostles. All people of all generations that remained faithful to new present truth till death will receive a crown of life when the latter day resurrection is fulfilled. The faithful martyrs and all faithful believers of living messengers of all past generations will be resurrected at the time when the star's impact in the USA opens the super volcano. At that time, the redeemed of all generations will receive a reigning crown of everlasting life during the time when the scroll of life's visions and

oracles are reigning over the fallen kingdom of latter day Babylon. From the time the star's impact has opened the super volcano in the USA, people may be imprisoned and martyred when they are laboring to gather the great multitude of all nations. However, they will be resurrected to enter the ensign to live in a new Earth while also partaking in the judgment (see Revelation 14:6, 13). These martyrs are of the spiritual temple's four beasts (priests) and of the 24 elders. In Revelation 4:4, the elders are seen during the judgment wearing their reigning crowns of life over the dissolved kingdom of latter day Babylon.

\*\*\*\*\*

***Revelation 2:11 He that hath an EAR*** {to listen}, ***let him hear what the Spirit*** {spirit/seventh plagues angel is revealing concerning what Yahshua said to the seven churches around 90 AD} ***saith unto the CHURCHES; He that OVERCOMETH*** {overcame his or her old beliefs and accepted new present truth and resurrects to live in the last generation} ***shall not be hurt of the SECOND DEATH*** {the second death is for the people that died in all generations having not overcome their old beliefs. At the star's impact, these people resurrect to life and health in the latter days and have an opportunity to accept the everlasting gospel. All who resurrect to life and reject the everlasting gospel will die again by plagues issuing from the super volcano, being their second death}.

Many people of all generations died having not believed the message of a living messenger or his apostles. These people's deaths are referred to as their first death. When the stone is ejected from the mountain and descends as a great star to open the super volcano on impact, that day of the impact is the day when the resurrection happens for all the dead overcomers and non overcomers of all generations. At the resurrection, the resurrected overcomers will proclaim for five months the everlasting gospel with the living

overcomers. All the resurrected dead non overcomers that do not accept the everlasting gospel to be saved will instead be hurt by the second death. The second death happens by earthquake, anarchy, famine, and burned by the overflowing lake of fire (lava). These plagues will be issuing from the opened super volcano.

\*\*\*\*\*

***Revelation 2:12 And to the ANGEL {messenger/leadership} of the church in Pergamos write; These things saith HE {seventh plagues angel} which hath the SHARP SWORD {the one sword is equated with the seventh plagues angel} with TWO EDGES {first small part on the last side of the scroll of life mixing with the last small part on the first side of the scroll of life};***

Around 90 AD, the seventh plagues angel replayed to the Apostle John what Yahshua/Jesus had said to the seven churches in a previous replay of that generation. Yahshua's voice is of a scroll that recorded the things that existed and happened during the time the seven churches of Asia Minor existed. The seventh plagues angel is equated with the sword. The sword has two edges, just as the seventh plagues angel is the first small part of the scroll of life's last side that mixes with the last small part of the scroll of life's first side.

On the last small part (represented by the seventh plagues angel) of the scroll of life are written all the scrolls. These scrolls contain the visions and oracles of things that existed and happened in each generation, as witnessed by Michael and Gabriel. The first scroll reveals what happened in the first generation of Genesis, while the last scroll reveals what happened in the last generation. Presently during the judgment, the seventh plagues angel is revealing our lives from the visions and oracles written on the scroll of life, which we are reliving in this replay just as we had lived our lives in the previous replays.

\*\*\*\*\*

**Revelation 2:13 I** {seventh plagued angel replaying what Yahshua/Jesus said} **know THY** {Pergamos'} **works, and where thou dwellest, even where Satan's** {in our day, the USA's vision for the world is the greatest adversary/Satan against the two witnesses' visions of what they have already seen happen concerning the world's future} **SEAT IS** {within the USA's ruling capital is the seat/headquarters of the latter day adversary of new present truth, from where the USA's leadership rules and promotes its democratic and capitalistic ideals that it envisions for the world's future, which are contrary to the two witnesses' visions and oracles}: **and thou holdest fast MY name** {Yahshua/Jesus}, **and hast not denied my faith, even in those days wherein Antipas was my faithful martyr, who was slain among you, where Satan** {Satan refers to an adversarial trait that is exercised by present rulers against the two witnesses' predictions revealed by a living messenger and his apostles in each generation} **dwelleth.**

The seventh plagued angel is replaying what Yahshua/Jesus said to the seven churches of Asia minor in 90 AD. The seventh plagued angel knows the works of the church of Pergamos (the meaning of its name is reflected in the counsel to Pergamos). The rulers sitting in their headquarters (seat) in the city of Pergamos were an adversary (Satan) against the Christian church of Pergamos. The leadership (messenger/angel) and members of the church of Pergamos did not deny the name of Yahshua/Jesus and remained loyal to the faith they had received and held. One member called Antipas was martyred when the rulers of the city of Pergamos rose up as an adversary (Satan) against him and slew him.

In our day, the leadership ruling from its headquarters (seat) in the USA's capital is the adversary (Satan) against the two witnesses' visions and oracles written on the scroll of life, which predict with

certainty the USA's and world's end. This seat of the rulers in the USA's capital will be darkened by smoke and ash erupting from a huge opened super volcano in the USA (see Revelation 16:10; 9:2).

**Revelation 16:10** *And the fifth angel poured out his vial upon the SEAT {headquarters in the USA's ruling capital} of the BEAST {beast/kingdom of latter day Babylon/union of nations}; and his kingdom was full of DARKNESS {because of the smoke and ash that will be erupting from the huge super volcano beneath Yellowstone National Park}; and they gnawed their tongues for PAIN {hunger pains},*

**Revelation 9:2** *And HE {ejected stone from the mountain that descends as a great star to impact the land} OPENED {with his key/impact/earthquake} the BOTTOMLESS PIT {super volcano}; and there arose a SMOKE out of the pit, as the smoke of a great furnace; and the SUN and the AIR were DARKENED {over the USA} by reason of the smoke of the pit.*

In the latter days, it is the leadership ruling from within the USA's capital that is an adversary (Satan) to nations and anyone that refuses to accept the USA's ideals that it envisions for the world's future. Also, the USA's leadership (false prophet) is an adversary against those that hold fast to the latter day messenger's message. His message reveals what the two witnesses have already seen concerning the impacted star that opens the bottomless pit that destroys the USA (see Revelation 13:7; 13:12; Daniel 7:25).

**Revelation 13:7** *And it was given unto HIM {lamb-like beast/USA/false prophet} to make WAR {with the two witnesses' written predictions concerning the USA's destruction, as proclaimed by the latter day saints} with the SAINTS {these saints of the spiritual temple are of the first latter day group of spiritual priests and second latter day group of elders that overcome the hour of temptation by believing the latter day messenger's message}, and to*

*overcome them: and power was given HIM {false prophet/USA} over all kindreds, and tongues, and nations.*

***Daniel 7:25*** *And HE {false prophet/USA's leadership} shall speak GREAT WORDS {great/big ideas that it envisions for the world's future} AGAINST {as an adversary/Satan} the MOST HIGH {being the message concerning the soon to happen most high seventh plagued angel sitting and reigning on the high and lifted-up super volcano's mouth overflowing with lava, which will happen again in the present replay}, and shall wear out the SAINTS {believers} of the MOST HIGH {the most high seventh plagued angel reigning on the great white throne of light on the high and lifted-up super volcano's immense 40-mile wide mouth overflowing with lava, that will fill the world in an overflowing lake of lava}, and think to change TIMES {change the time we live in that will be hit by a great star and open the super volcano in the USA, just as it had already happened in a previous replay} and LAWS {the written laws of visions and oracles that the two witnesses wrote concerning things that they have already seen happen}: and THEY {believers of the latter day messenger's message} shall be GIVEN into HIS {latter day Babylon's} HAND {to live under the rule of latter day Babylon} until a time and times and the dividing of time {after these remaining 1260 days of the 2300-day period, the ejected stone from the mountain falls as a great star to impact the USA's land and open the super volcano}.*

\*\*\*\*\*

***Revelation 2:14*** *But I {seventh plagued angel replaying what Yahshua had said to the church of Pergamos} have a few things against THEE {leadership of the church of Pergamos}, because thou hast there them that hold the doctrine of Balaam, who taught Balac to cast a stumbling block before the children of Israel, to eat things sacrificed unto idols, and to commit fornication.*

\*\*\*\*\*

***Revelation 2:15 So hast thou also them that hold the doctrine of the Nicolaitans, which thing I hate.***

In the past type, Balaam was hired by Balac, king of Moab, to curse Israel and cause them to commit fornication during Israel's journey to the Promised Land of Canaan. In 90 AD, the leadership of the church of Pergamos allowed certain people to remain in the church while they still believed and practiced their old beliefs. Accordingly, there were members of the church who incorporated their old beliefs with the then new truth, which Yahshua's apostles and disciples taught to establish the seven churches in Asia Minor. These particular members of the church were as fornicators, spiritually eating things (beliefs) that were of old Moses' laws and rituals that they idolized.

In our day, when a person accepts the latter day messenger's new message, if this person should still hold onto old beliefs – even though their old beliefs are of the commandments of old Moses, or of old Yahshua/Jesus sayings, or of his apostles, or of writings of other messengers/prophets – they will be spiritually committing fornication and eating things sacrificed to idols (idols of past messages of prophets/messiahs). The 144,000 will have no guile (old beliefs) in their mouth when the star impacts the USA (see Revelation 14:5). They are spiritual virgins (refraining from engaging with the figurative harlots in Revelation 17:5) after they have fully understood and totally accepted the two witnesses' predictions.

***Revelation 14:5 And in their mouth was found no GUILE {no guile/error when the 144,000 speak of the everlasting gospel from the time the impacted star has opened the super volcano in the USA}: for they are without fault before the THRONE {representing the reigning seventh plagued angel's visions and oracles sitting as***

the intense white light emanating from the super volcano's mouth overflowing with lava} of God {God/seventh plagues angel, whose written visions and oracles are recreating each generation}.

**Revelation 17:5** *And upon HER* {USA's capital} *FOREHEAD* {way of thinking} *was a name written, MYSTERY, BABYLON* {confusion} *THE GREAT, THE MOTHER* {ruling capital} *OF HARLOTS* {cities} *AND ABOMINATIONS* {of continuing her fornicating, business as usual, according to what she envisions for the world's future} *OF THE EARTH* {Earth/land}.

\*\*\*\*\*

**Revelation 2:16** *Repent; or else I* {seventh plagues angel} *will come unto THEE* {messenger/leadership of the church of Pergamos} *QUICKLY* {during the judgment the seventh plagues angel will be quickly, in a short space of time, replaying the time when the world ended in an overflowing lake of lava}, *and will fight against them with the SWORD* {plagues that issue from the super volcano} *of MY* {seventh plagues angel's} *MOUTH* {representing the high and lifted-up to heaven super volcano's immense 40-mile wide mouth overflowing with a lake of fire, as spoken from the first small part and last small part of the scroll of life}.

All the dead people from every generation will resurrect and be of good health at the time the super volcano's mouth erupts smoke and ash. They will then have the opportunity to accept the everlasting gospel during the five months of erupting smoke and ash. All people that failed to overcome will receive of the seventh plagues angel's plagues (sword) that issue from the high and lifted-up super volcano's immense 40-mile wide mouth, which is equated with the seventh plagues angel's mouth. Since the visions and oracles of erupting lava from the super volcano's mouth are written on the first small part (first edge of sword) and last small part (last edge of the

sword) of the scroll of life, it means the plagues issuing from the high and lifted-up super volcano are replayed quickly, because the written visions and oracles that replay the plagues are written and condensed on a small part of the scroll. The quick replay of these plagues will be fighting against the nations of non believers that rejected the everlasting gospel.

\*\*\*\*\*

***Revelation 2:17 He that hath an ear, let him hear what the {Holy} Spirit {seventh plagued angel} saith unto the churches; To him that OVERCOMETH {their old beliefs} will I {seventh plagued angel} give to EAT {understand} of the HIDDEN MANNA {representing the hidden meanings of the seven lights/visions and seven thunders/oracles of the seventh angel with trumpet}, and will give him a WHITE STONE {representing the little book/little scroll that is equated with white unleavened bread, that resembles a white stone, made with spiritual grains of manna}, and in the STONE {this stone represents a little scroll containing seven written visions and seven thunders/oracles of the seventh angel with trumpet} a NEW NAME {of the latter day living messenger} WRITTEN {on the scroll of life}, which no man knoweth saving HE {overcomer} that receiveth IT {the dead overcomers will resurrect at the star's impact and receive the hidden manna baked into spiritual bread; thereby knowing the new name of the latter day messenger. The latter day messenger is the latter day anointed that took the grains of manna/written biblical words and made unleavened bread/interpretation of the written biblical prophecies}.***

The Holy Spirit refers to the seventh plagued angel. The seventh plagued angel reveals the visions and oracles written by the two witnesses (Michael and Gabriel) on the first small part and last small part of the scroll of life. The seventh plagued angel was speaking to

the Apostle John in 90 AD concerning the seven churches of Asia Minor. The reason was that during the judgment the seventh plagued angel was replaying from a scroll what Yahshua had said to John on the Isle of Patmos concerning the seven churches that existed in 90 AD. What the Holy Spirit said to the leadership of the church of Pergamos applies to anyone who has an ear to hear.

The seventh plagued angel revealed that all who overcome their old beliefs will be able to partake of the hidden manna. As the Israelites were fed with manna baked into unleavened bread during their wilderness journeys to the Promised Land of old Canaan, so the people of every generation that overcame and believed new present truth from a living messenger or his apostles without mixing (spiritually fornicating) their old beliefs with their new belief in present truth will rise from death to everlasting life at the latter day resurrection. This resurrection happens when the star's impact causes the super volcano to erupt smoke and ash in the USA. After the overcomers of all generations have resurrected to life and health to be living in the last generation, they will spiritually eat {understand} the hidden manna (Bible's written prophetic words) baked into unleavened bread. Unleavened bread represents the understanding of the Bible's written prophetic words as revealed by the latter day messenger. From that time, they will have a new name written on the front (foreheads) of their minds, which is the name of the latter day messenger who truly revealed the Bible's prophecies that are written with a "Thus saith the Lord."

The Bible's prophecies written with a "Thus saith the Lord" are according to the visions and oracles written on the scroll of life. These prophetic words are likened to spiritual manna. When these words are truly revealed, they are as manna baked into pure unleavened bread, which resembles a white stone. The latter day messenger is the only one that truly reveals the written visions (grains of manna) so they can be understood. When a person

believes the latter day messenger's interpretation of these visions and oracles, it is as if they ate of the hidden manna baked into bread that resembles a white stone, see Revelation 10:10.

**Revelation 10:10** *And I {Apostle John} took the LITTLE BOOK {little scroll containing seven visions and seven thunders of the seventh angel with trumpet} out of the angel's HAND {hand of the sixth angel with trumpet as it was ending and revealing the beginning of the seventh angel with trumpet}, and ATE IT UP {as spiritual hidden manna baked into unleavened bread/revealed visions and oracles}; and it was in my mouth SWEET AS HONEY {referring to the joy/sweetness of knowing new present truth}: and as soon as I had eaten it, my BELLY WAS BITTER {equated with the feeling of being rejected and ridiculed by loved ones, relatives, friends, and associates because of your new belief in the seventh angel's revealed seven visions and seven thunders}.*

The written words concerning the seven visions and seven thunders of the seventh angel with trumpet in Revelation 10:4 are as hidden (concealed) manna in the golden pot hidden within the golden ark of the covenant until the latter day messenger reveals the written visions and oracles. The true interpretation of the seven written visions and seven thunders of the seventh angel with trumpet (which repeat the visions and oracles of seven angels with trumpets in Revelation 8:2) is likened to taking grains of manna (equated with the unrevealed written words of the two arch angels/two witnesses) from the golden pot hidden in the Ark of the Covenant and baking them into unleavened bread (equated with revealing the visions and oracles) that resembles a white stone.

**Revelation 10:4** *And when the SEVEN THUNDERS {these seven thunders sounded at the ending of the sixth angel with trumpet while revealing the dawning of the seventh angel with trumpet} had uttered their voices, I was about to write: and I heard a voice from*

*heaven saying unto me, SEAL UP {as sealed/hidden manna} those things which the SEVEN THUNDERS {that repeat the same predictions that are written by seven angels with trumpets} uttered, and write them not.*

**Revelation 8:2** *And I {Apostle John} saw the SEVEN ANGELS {these seven angels with trumpets represent seven parts of the scroll of life's seventh part/seventh seal. On these seven parts are written visions and oracles} which stood before God {seventh plagued angel}; and to them were given SEVEN TRUMPETS {these seven trumpets represent written oracles/thunders on these seven angels with trumpets. The seven trumpets are repeated by the seventh angel's trumpet that sounds as seven thunders}.*

**Isaiah 61:1** *The SPIRIT {mind} of the Lord GOD {seventh plagued angel} is upon ME {the latter day messenger}; because the LORD {according to the visions and oracles written by the two witnesses} hath ANOINTED ME {anointed the latter day messenger to be a bright light of new truth} to preach good tidings unto the meek; he hath sent me to bind up the brokenhearted, to proclaim LIBERTY {freedom} to the CAPTIVES {of latter day Babylon}, and the OPENING {resurrection} of the PRISON {of death} to THEM {overcomers of all generations} that are bound;*

**Isaiah 61:2** *To PROCLAIM {from the scroll of life} the acceptable year of the LORD {the year the seventh plagued angel rises as a light with magma when the super volcano swells to heaven and explodes magma into the sky}, and the DAY {being a particular day which is revealed by the latter day messenger} of VENGEANCE {that begins on the day the high and lifted-up super volcano's immense mouth is filling with magma} of our God {seventh plagued angel}; to comfort ALL {the overcomers} that MOURN {because of rejection and persecution before the super volcano erupts smoke and ash and also during the time the super volcano is erupting smoke and*

ash};

\*\*\*\*\*

**Revelation 2:18 And unto the angel of the church in Thyatira write; These things saith the Son** {being the seventh plagued angel speaking as Yahshua/Jesus, one of the seventh plagued angel's many sons} **of God** {seventh plagued angel}, **who hath his EYES** {the right eye of intense light above the immense mouth of the high and lifted-up super volcano represents the written visions of the first witness; the left eye of intense light above the immense mouth of the high and lifted-up super volcano represents the written visions of the last witness} **like unto a flame of FIRE** {lava}, **and HIS** {seventh plagued angel's} **FEET** {representing lava that has flowed down from the high and lifted-up immense magma-filled 40-mile wide mouth of the super volcano} **are like fine brass** {the color of flowing lava throughout the land is equated with the color of burning copper in a furnace};

In Revelation 2:18 the seventh plagued angel is revealing, near the end of the judgment, the time when one (being Yahshua/Jesus) of his sons (patriarchs, prophets, and messiahs) spoke to the seven churches of Asia Minor, according to what is written on the first small part and last small part of the scroll of life. Accordingly, when each generation is being replayed (recreated) by the seventh plagued angel according to the visions and oracles written on each scroll, the seventh plagued angel is the (God/father) that reveals each son (being a patriarch, prophet, or messiah) when each scroll is being revealed by the seventh plagued angel during the judgment. After the latter day resurrection, all patriarchs, prophets, messiahs, apostles, and disciples from every generation will be living in the world from the time the super volcano continually erupts smoke and ash for five months. From that time, they will learn a new song (message of the everlasting gospel) to sing to all nations, kindreds, tongues, and

peoples during the time smoke and ash are issuing for five months from the super volcano. At the time the swelled to heaven super volcano explodes magma into the sky, the sons of God will shout for joy because God (seventh plagued angel) will be reigning on the Earth, see Job 38:7.

**Job 38:1** *Then the LORD* {seventh plagued angel representing the first small part and last small part of the scroll of life} *answered Job out of the WHIRLWIND* {huge tornado of fire that will be surrounding the super volcano's high and lifted-up immense mouth overflowing with lava}, *and said,*

**Job 38:7** *When the MORNING STARS* {being seven days of dawning spiritual suns with seven evenings of spiritual moons at dusk all written on the first small part and last small part of the scroll of life's seven seals/seven spiritual days} *SANG TOGETHER* {hence all revealed when the last small part and first small part are mixed together during the time of spiritual even}, *and all the SONS* {resurrected patriarchs, prophets, and messiahs living in the last generation} *of GOD* {seventh plagued angel} *shouted for joy* {at the explosive rising of the seventh plagued angel as a great light with magma from the immense mouth of the swelled to heaven bottomless pit/super volcano}?

The vision in Revelation 2:18 was revealed by the seventh plagued angel during the judgment. During the judgment, the seventh plagued angel revealed from a scroll what Yahshua/Jesus had said to the Apostle John in 90 AD concerning the seven churches in Asia Minor. The meaning of Thyatira is reflected in the counsel to Thyatira in Revelation 2:18-29.

For more than 1,000 years, the seventh plagued angel has been reigning in the world over the lava covered dissolved kingdom of

latter day Babylon. The seventh plagues angel will again reign over the kingdom of latter day Babylon during the present replay of this last generation. This happens again when during the present replay of this last generation the super volcano swells to heaven and explodes magma into sky, just as it happened in previous replays.

The seventh plagues angel has two eyes of intense white light, which radiate from the overflowing lava in the immense mouth of the high and lifted-up to heaven super volcano. These two eyes are equated with the visions and oracles that were written on the seventh plagues angel (who represents the first small part and last small part of the scroll of life) by the first witness (Michael) and last witness (Gabriel).

From the seventh plagues angel's two fiery eyes radiates light that covers as a garment the body (high mountain) with intense light. Also, the seventh plagues angel's two legs of flowing lava are also covered by the intense white light radiating from his two eyes of bright white light. The seventh plagues angel's visible feet represent lava that has flowed down the high mountain of the super volcano to stand and walk through the land. Hence, the color of these feet of lava moving through the land are likened to the color of molten copper when burning in a furnace.

The seventh plagues angel has a garment of intense light that is equated with the light that radiates from the magma filled mouth of the super volcano in the fallen USA. As lava flows down from the high and lifted-up mountain of the super volcano, the seventh plagues angel's visible fiery feet represent flowing lava beneath the mountain of the super volcano. The visions and oracles of flowing lava beneath the mountain of the super volcano are according to what the two witnesses saw happen. Hence the two fiery feet of the seventh plagues angel.

\*\*\*\*\*

***Revelation 2:19 I {seventh plagues angel revealing during the judgment what was said by the son of God to the church of Thyatira around 90 AD} know THY {Thyatira's} works, and charity, and service, and faith, and thy patience, and thy works; and the last to be more than the first.***

***Revelation 2:20 Notwithstanding I have a few things against thee, because thou sufferest that woman Jezebel, which calleth herself a prophetess, to teach and to seduce my servants to commit fornication, and to eat things sacrificed unto idols.***

During the judgment, the seventh plagues angel revealed what the son (Yahshua/Jesus) of God (seventh plagues angel) had said to the Apostle John on the Isle of Patmos. The seventh plagues angel revealed that the son of God said that he knows the works that were performed by the leadership of the church of Thyatira. Accordingly, the son of God said that there were a few things that were keeping the leadership and church of Thyatira from being saved. One of these things was portrayed using the past type concerning the character of Jezebel. In the days of Yahshua and his apostles, spiritual Jezebel represented old Jerusalem's (Jezebel's) leadership, which attempted to seduce the converts of Yahshua to commit fornication – i.e. still pay homage to old Jerusalem's rituals of performing Moses' laws – thereby eating things sacrificed unto idols. During the time of the seven churches in Asia minor, many of Yahshua's/Jesus' converts would attend the temple in the capital city (equated with Jezebel's character) of their nation to perform customs and rituals.

Accordingly, the former ways of a nation that were taught to the people living in the nation would be promoted by the leadership in the ruling capital (referred to as the spiritual prophetess Jezebel). The leadership in the ruling capital or city would teach and seduce the servants of Yahshua/Jesus to keep them from following the new present truth revealed by a living messenger or his apostles.

In our day, the characteristics of old Jezebel are found in the leadership of the USA's ruling capital. In this last generation, the USA's ruling capital is the great whore in Revelation 17:5. This ruling capital promotes her own democratic and capitalistic vision for the world's future, while being the biggest trader (great whore) with many nations. She continues her extensive fornication (business as usual) according to her vision, which she deceives nations into accepting, while rejecting the two witnesses' visions and oracles as revealed by the latter day messenger. These visions and oracles of the two witnesses prophesy of her demise by a star impacting her land and causing a super volcano to erupt smoke and ash for five months, as death, anarchy, and famine plague her land. After five months of erupting smoke and ash, the super volcano swells to heaven and explodes magma into the sky. Thereafter, an overflowing lake of fire from the high and lifted-up to heaven super volcano spreads to cover the world.

***Revelation 17:5*** *And upon HER {USA's ruling capital} FOREHEAD {being her leadership's way of thinking in her mind/forehead} was a name written, MYSTERY, BABYLON THE GREAT, THE MOTHER OF HARLOTS AND ABOMINATIONS OF THE EARTH {land}.*

***Revelations 17:2*** *With whom the KINGS {representing leaders of kingdoms/nations} of the earth have committed FORNICATION {by placing their substance/merchandise within her wide open welcoming gates/legs} and the inhabitants of the earth have been made {figuratively} DRUNK {in their minds} with the WINE {being her ideals that she envisions for the world's future} of her FORNICATION {allowing the foreign leaders and merchants, once they are intoxicated on her wine/ideals, to impregnate her land with their substance/goods}.*

\*\*\*\*\*

***Revelation 2:21*** *And I gave HER {the ruling capital of the USA}*

**SPACE** {the space/time covers the period of 1290 days before the star's impact} **to REPENT** {repent and believe the two witnesses' visions and oracles} **of HER** {the ruling capital of the USA} **FORNICATION** {of staying steadfast in continuing to fornicate/business as usual with her many foreign merchants drunk on her wine/ideals that impregnate/place deep within her land their substance/goods until the impacted star opens the super volcano in her land}; **and she repented not.**

The seventh plagued angel gives latter day spiritual Jezebel {leadership in the USA's ruling capital) the final space of 1290 days to repent of her fornicating with leaders and merchants of nations. A similar scenario has taken place in every generation during a space of time. In our day, the final space of time is of 1290 days before the star impacts the USA. In that time, the latter day messenger will be revealing what the two witnesses saw and heard as written on six visions and six thunders of the seventh angel with trumpet. During this time, latter day Jezebel (leadership in the USA's capital) has time to repent of her fornicating (business as usual) with the merchants of nations, according to what she envisions for the world's future.

The seventh plagued angel knows that the great whore (USA's ruling capital) will not repent in the present replay of the last generation, just as she did not repent in the previous replay of this last generation. Latter day Jezebel (USA's ruling capital/leadership) will have been given two spaces of time to repent. The first half hour space of time refers to latter day Babylon's second reigning period as the seventh kingdom. During that time, six angels with trumpets were being revealed. The second half hour space of time refers to latter day Babylon's third reigning period as the eighth kingdom. In that time, six lights and six thunders of the seventh angel with trumpet will be revealed for the remaining 1260 days of the 2300-day period. This is the space of time that she is given to repent of her

fornication and cease from continuing to follow her own ideals that she envisions for the world's future. At the end of the final space of time, a stone will be ejected from the super volcano up into the outer regions of the atmosphere, that descends as a bright star to impact the USA. The star's impact with her land begins the ending of her one hour reign over the nations (see Revelation 17:12; 18:1).

\*\*\*\*\*

**Revelation 2:22 Behold, I** {seventh plagued angel} **will cast HER** {in the last generation, latter day Jezebel refers to the USA's ruling capital/leadership} **into a BED** {being the bottomless pit full of an overflowing lake of fire/lava}, **and THEM** {nations and peoples} **that commit ADULTERY with her into GREAT TRIBULATION** {caused by the lava erupting super volcano's continuing effects on the world}, **except they REPENT** {repent during the space when the seven angels with trumpets are being revealed before the star impacts the land} **of their DEEDS** {of fornicating/business as usual and worshiping the many idols/ways of life that seduce the people into worshiping, instead of the leaderships and peoples worshiping the two witnesses' visions and oracles}.

The two witnesses' visions and oracles prophesy of the destruction of latter day Babylon's kingdom. However, latter day Jezebel (USA's ruling capital) and the kings (leaders of nations) will have not repented of their deeds of fornicating (continuing in regular business) together. These leaders and nations continue to worship the many idols in their lands. These idols have seduced the leaders and peoples to reject the two witnesses' visions and oracles concerning this world's imminent demise.

During the judgment that is presently happening, the seventh plagued angel will reveal a vision showing the time when the USA's ruling capital (the latter day great whore/Jezebel) and nation (false prophet) end up consumed by the overflowing immense lake of

fire/lava spreading throughout the world. The nations that accepted the ideals (spiritual wine/mark of the beast) that latter day Jezebel (USA's leadership in the capital) envisioned for the world's future will also be cast into great tribulation. This happens when lava erupts and continually overflows from the super volcano's immense 40-mile wide mouth in the USA, as the lake of fire spreads to consume the world.

The leaders of nations were seduced by the great whore (USA's ruling capital) because they took the great whore's wine cup into their hand (mark of the beast) and were made drunk on her wine (spiritual wine/democratic and capitalistic ideals that she envisions for the world's future), causing them to fornicate (place their substance/goods) within her wide open welcoming legs (gates).

***Revelation 18:8*** *Therefore shall HER {USA's ruling capital} PLAGUES {erupting smoke and ash, darkness, anarchy, famine, and death} come in ONE DAY {the day when the impacted star causes the super volcano to erupt with smoke and ash in the USA}, death, and mourning, and famine; and SHE {USA's ruling capital/Jezebel and nation} SHALL {five months later} be utterly burned with FIRE {by the overflowing lake of lava/fire from the immense mouth of the super volcano, which lies beneath Yellowstone National Park}: for strong is the Lord God {seventh plagued angel revealing during the judgment what the two witnesses had already witnessed happen in the last generation as written on the scroll of life} who judgeth her.*

***Revelation 19:20*** *And the BEAST {representing latter day Babylon's kingdom/union of nations} was taken, and with him the FALSE PROPHET {in the latter days, the leadership in the USA's nation is the false prophet that falsely prophesied of peace and safety for the foreseeable future according to the USA's vision for the world} that wrought MIRACLES {of the USA's technological and military firepower from the heavens/skies} before HIM {beast/kingdom of*

latter day Babylon/union of nations}, *with which he deceived THEM* {nations} *that had received the MARK* {figurative wine cup full of democratic and capitalistic ideals that the USA envisions for the foreseeable future} *of the BEAST* {being the union of nations agreeing to unite and enforce the vision of the USA on non-complying nations during the first half hour reign of the beast/union of nations in figurative Canaan}, *and them that worshipped HIS* {seven-headed ten-horned beast's/union of nations} *IMAGE* {the image represents the same union of nations/beast in figurative Canaan agreeing to again unite to enforce the USA's vision for the world on non-complying nations during the second half hour/1290 day-reign}. *THESE BOTH* {false prophet/USA and its kingdom of latter day Babylon} *were cast ALIVE* {hence the USA and its kingdom will have not been totally destroyed when cast into the fiery pit} *into a lake of FIRE* {lake of fire/lava overflowing from the high and lifted-up immense mouth of the super volcano in the fallen USA} *burning with BRIMSTONE* (molten stones).

***Revelation 19:21*** *And the REMNANT* {what ever nation and islands are remaining} *were slain with the SWORD* {slain according to the two edge sword/two witnesses' written visions and oracles} *of HIM* {seventh plagued angel} *that sat upon the* {white} *HORSE* {great fiery whirlwind that surrounds the high mountain of the lava erupting super volcano}, *which SWORD proceeded out of HIS* {seventh plagued angel's} *MOUTH* {the intense heat emanating from the lava erupting immense mouth of the high and lifted-up to heaven super volcano, which causes great hailstones and many fiery whirlwinds to fall upon the land}: *and all the FOWLS* {great hailstones} *were filled with their FLESH* {referring to buildings and infrastructure}.

\*\*\*\*\*

***Revelation 2:23*** *And I* {seventh plagued angel} *will kill HER*

{USA's ruling capital} **CHILDREN** {spiritual females/cities and spiritual males/states/tribes} **with DEATH** {caused by the overflowing lake of lava from the immense mouth of the high and lifted-up super volcano}; **and all the churches shall know that I am he which searcheth the reins and hearts: and I will give unto every one of you** {after they have all resurrected to be alive in the last generation} **according to your works** {the works of non-believing or believing the everlasting gospel of present new truth, which is revealed in the last generation by the resurrected overcomers of every generation}.

The great whore's (USA's ruling capital) figurative children (sons/states and daughters/cities) will be killed just as the two witnesses' saw, heard, and wrote on the seventh plagues angel the way the nation and cities were killed. The two witnesses (Michael and Gabriel) will have witnessed the role each nation and person chose to play in every generation of this world. If these nations, peoples, and tongues, accept the mark of the beast after they have resurrected in the last generation, they will be killed with death by great earthquake, great hailstones, anarchy, famine, and whirlwinds of fire, and finally being cast into an overflowing and spreading immense lake of lava.

During the judgment, the two witnesses' visions and oracles written on the seventh plagues angel will reveal the motives (reigns) that directed a person to play the role which they chose to fulfill in this world, according to his or her heart. At that time, every person's works will be clearly revealed. All nations, kindreds, and peoples that rejected a living messenger's message revealed in every generation and also failed to accept the everlasting gospel revealed in the last generation will end up in the lake of fire. When the seventh plagues angel reveals during the judgment the time when the immense overflowing and spreading lake of fire was happening, the rebellious dead that resurrected in the last generation will again

be killed, which is their second death.

Prior to the star's impact that opens the bottomless pit, the people who heed to the latter day messenger's message of the seven angels with trumpets will play their part as an overcomer of his or her old ways and beliefs. These wise individuals will play their role in the scroll of life as someone who believed this new present truth message before the star's impact opened the super volcano in the USA. Accordingly, they will have escaped the impacted star's plagues, received the Holy Spirit's power, proclaimed the everlasting gospel to gather the great multitude during a terrible time of trouble taking place in the fallen USA, and will have entered the fiery ensign of new Jerusalem to play a prominent part in the judgment while also living forever in the new Earth, according to the works of overcoming their old beliefs which they chose to fulfill, as written in the scroll of life.

\*\*\*\*\*

***Revelation 2:24 But unto YOU*** {leadership of Thyatira} ***I*** {seventh plagued angel replaying what Yahshua/Jesus had said} ***say, and unto the REST*** {church members} ***in Thyatira, as many as have not THIS DOCTRINE*** {spiritual wine/doctrine of Jezebel who teaches and seduces the servants of present new truth to commit fornication with their old beliefs, and to eat/partake of things/beliefs sacrificed/customs unto idols of old prophets, messiah's, and former apostles}, ***and which have not known the DEPTHS*** {partaking of dated rituals} ***of SATAN*** {being the adversary/Satan and false prophet/nation/spiritual husband of Jezebel/false prophetess}, ***as they speak; I will put upon you none other burden*** {except the original burden where the leadership of the church of Thyatira needs to repent from allowing Jezebel to teach and seduce the servants of present truth}.

\*\*\*\*\*

**Revelation 2:25** *But that which YE* {faithful members of the church of Thyatira} **HAVE ALREADY** {the then present truth} **hold fast till I** {Yahshua/Jesus} **COME** {Yahshua/Jesus comes at the resurrection, as also all the resurrected patriarchs, prophets, and messiahs, apostles, and disciples of all generations will resurrect when the star impacts the USA and opens the super volcano}.

The seventh plagued angel replayed what Yahshua/Jesus said to the leadership of the church of Thyatira, which pertains to anyone that has an ear to hear. Yahshua's counsel revealed that when a person believes present new truth, he or she needs to hold fast and not be seduced by other visions of the world's future promoted by the ruling capital (Jezebel) and nation (adversary/Satan). Thereby committing fornication by mixing the present new truth with the visions promoted by Jezebel (leadership in the ruling capital) and her husband (nation's leadership).

Every overcomer in every generation will have remained faithful to present new truth till death. The new truth will have been revealed by a living messenger and his apostles, as written by the two witnesses on a scroll concerning the things that happened in the generation of the messenger and his apostles. In the last generation, after the seventh angel with trumpet has finished revealing its visions and oracles written on six of seven lights and six of seven oracles, the star will impact the USA opening the super volcano, as smoke and ash erupts continually for five months. At that time, the overcomers that died in all generations will have waited for the arrival of the impacted star to open the bottomless pit (super volcano) in the USA. From the day the super volcano continually erupts with smoke and ash marks the day of the resurrection for all the dead. The resurrected overcomers rise to life and health to learn a new song and the new name of the latter day messenger. Thereafter, they will receive the Holy Spirit to join the latter day living overcomers in proclaiming the everlasting gospel to all nations,

kindreds, tongues, and people during the time when smoke and ash are issuing for five months from the opened super volcano in the USA. The things that exist and happening during the time when smoke and ash are issuing from the super volcano's mouth will be written on six plagued angels. When the super volcano swells to heaven and explodes magma into the sky, all things happening from that time were witnessed by the two witnesses and written on the seventh plagued angel, who represents the last small part of the scroll of life. All the overcomers of their old beliefs that lived in the time of the seven churches of Asia Minor will have held fast to their present new truth of salvation (revealed by the Apostle John from the Book of Revelation) to the day Yahshua/Jesus arrives at the time the star impacts the land and open the super volcano.

### **Acts 1:11**

*Which also said, Ye men of Galilee, why stand ye gazing up into HEAVEN {where the judgment is happening upon the high and lifted-up mountain of God/seventh plagued angel}? this same Jesus, which is taken up from you into heaven, shall so COME {comes to proclaim the everlasting gospel at the star's impact when the latter day resurrection happens} in LIKE MANNER {will look the same as he looked at his ascension to heaven} as ye have seen him go into heaven.*

\*\*\*\*\*

**Revelation 2:26** *And he that **OVERCOMETH** {overcomes his or her old beliefs by believing present new truth}, **and keepeth MY** {Yahsua's/Jesus'} **WORKS** {as revealed by the Apostle John to the seven churches from the Book of Revelation} **unto the END** {till death}, **to him will I GIVE** {after the latter day resurrection} **POWER** {to proclaim the everlasting gospel} **over the** {latter day} **NATIONS** {as a great multitude of all nations accept the everlasting*

gospel}:

The two witnesses wrote what they saw existing and happening in each generation on each scroll. During the initial 1,000 years of the judgment, all the scrolls and last scroll/scroll of life have been opened and revealed. At present in the scroll of life, the last small part of the scroll of life is being continually revealed. On this last small part, the two witnesses write what is continually happening during the judgment. Whatever is written on the last small part of the scroll of life must be revealed, just as whatever is revealed must be written on the last small part of the scroll of life. Accordingly, all the visions and oracles written on each scroll are written on the last small part (represented by the seventh plagued angel) of the last scroll (scroll of life), which are continually revealed and continually written to be again revealed and again written and so on. Hence the seventh plagued angel (representing the last small part of the scroll of life) is the God that lives forever and ever.

The visions and oracles written on each scroll are being consecutively revealed by the seventh plagued angel during the judgment. As the seventh plagued angel reveals the first scroll through to the last scroll, the first scroll replays what happened from the beginning of genesis. As each scroll is consecutively revealed, each generation is being replayed to reveal what happened in each generation. Finally, the last scroll (scroll of life) is revealed, which replays what happened in the last generation through to the time the Earth is covered in a lake of fire. The scroll of life also reveals the new heaven and new Earth where the overcomers of all generations are living in new bodies with no memory of the past, while at the same time the judgment is happening where the overcomers and rebellious people are viewing the visions and oracles being revealed from each scroll.

In the first three chapters of the Book of Revelation, the seventh

plagued angel is revealing what Yahshua/Jesus said to the Apostle John around 90 AD concerning the seven churches in Asia Minor. The seventh plagued angel also reveals in different parts of the Book of Revelation things that are written on other scrolls and last scroll/scroll of life. Hence verses in the same chapter in the Book of Revelation may contain references to names, places, and events that existed and happened in the past but refer to different people, places, and events that are prophesied in the Bible to take place in the latter days.

In Revelation 2:26, the seventh plagued angel reveals from the last small part of the scroll of life what Yahshua had said to the Apostle John around 90 AD. The seventh plagued angel revealed that Yahshua/Jesus said that a person overcomes their old beliefs by believing new present truth of a living messenger without mixing it with their former beliefs. The works of the two witnesses pertains to their message proclaimed by a living messenger and his apostles, as written on each scroll that recorded the things that existed and happened in the living messenger's generation. When a person keeps the works of present new truth until the death, these overcomers will resurrect in the last generation to have power over the nations by gathering a great multitude of people from all nations.

\*\*\*\*\*

***Revelation 2:27 And HE*** {the overcomer of his/her former beliefs} ***shall rule THEM*** {nations} ***with a ROD OF IRON*** {representing the two witnesses' written visions and oracles revealing the destruction of latter day Babylon's kingdom, which the overcomers prophesy of as they proclaim the everlasting gospel}; ***as the vessels of a potter shall they be broken to shivers: even as I*** {Yahshua/Jesus equated with Solomon/offspring} ***received of my FATHER*** {being the seventh plagued angel because he replays/recreates what his son/Yahshua said to the seven churches in

Asia Minor around 90 AD}.

The people of all generations, that overcame their old beliefs by believing present new truth, will have resurrected to proclaim the everlasting gospel while warning of the plagues of death, mourning, and famine. Their words of warning are fulfilled on rebellious nations, kindreds, tongues, and people that reject the everlasting gospel, which the overcomers proclaim while the super volcano is erupting smoke and ash for five months. When the super volcano swells to heaven and erupts magma into the sky, the plagues that are loosed will destroy the latter day kingdom of Babylon, just as a rod of iron breaks clay pots to pieces.

\*\*\*\*\*

**Revelation 2:28 And I** {seventh plagued angel replaying what Yahshua had said} **will give HIM** {the person who overcomes their old beliefs} **the MORNING STAR** {spiritual morning star's/sun's light/visions at dawn mixing with the spiritual evening moon at dusk. The spiritual evening at dusk mixing with spiritual dawning daylight represents the two witnesses' visions and oracles mixing together on the last small part/dusk written on the scroll of life's first side with the first small part/dawn written on the scroll of life's last side}.

A person who overcame their old beliefs in each generation will have been given the light/visions of the spiritual morning star (equated with a bright morning sun/star) at the latter day resurrection. The morning star's/sun's (last witness') light is equated with the visions written by Michael on the first small part of the scroll of life's last side, which mix with the evening star's (first witness') visions written by Gabriel on the last small part (represented by the seventh plagued angel) of the scroll of life's first side. Accordingly, the seventh plagued angel is both the evening star's (spiritual moon's) light (visions) and a morning star's (spiritual

sun's) light (visions) dwelling together at dawn and dusk. The morning star is the Sun of Righteousness mentioned in Malachi 4:2. When the latter day living messenger began to understand the message beneath the first seal of the rolled-up scroll of life's first side, the light (vision) of the Sun of Righteousness began to dawn as morning light into the first day with the Moon of Righteousness (see Ezekiel 7:10).

**Malachi 4:2** *But unto you that fear MY NAME* {seventh plagued angel} *shall the SUN OF RIGHTEOUSNESS* {being the dawning light/visions of the latter day living messenger's message} *ARISE* {from failure during three reigning periods of latter day Babylon's reign} *with HEALING* {to heal the overcomers of all generations at the resurrection and to heal a great multitude of overcomers} *in his WINGS* {of spiritual light/visions that fly/move across the sky like the sun}; *and ye shall go forth, and GROW UP* {as the light progresses} *as calves of the stall*.

**Ezekiel 7:10** *Behold the day, behold, it is come: the MORNING* {dawning visions/light of the Sun of Righteousness/last witness' written visions revealed by the latter day messenger from beneath the seventh seal of the scroll of life's first side} *is GONE FORTH* {being revealed to the nations of Christendom}; *the ROD* {representing the message/rod which the latter day messenger has received pertaining to the seven seals of the scroll of life} *hath blossomed, PRIDE HATH BUDDDED* {in the other rods/false messengers of Christendom}.

The visions and oracles written in the Book of Revelation and other parts of the Bible are sealed in mysterious symbolic language (see Daniel 12:4, 9). The reason is so that only the living anointed who manifests in the time of the end (last generation) can truly understand (see Revelation 13:18), reveal, and prophesy of these mysteriously written visions and oracles pertaining to the end of

latter day Babylon's reign. The seventh plagued angel (Elohiym) replays each generation over and speaks to the prophets of old the things that Michael and Gabriel said to the prophets with the phrase "Thus saith the Lord" (see Revelation 10:7).

***Daniel 12:4*** *But thou, O Daniel, shut up the words, and SEAL THE BOOK* {the meanings of the written prophecies in Daniel's book/scroll could not be understood just by reading Daniel's scroll}, *even to the TIME OF THE END* {when in the time of the end the latter day messenger reveals the prophecies written in the Bible}: *many shall RUN TO AND FRO* {to proclaim the latter day messenger's message during the remaining 1260 days. Then three and a half days later, the ejected stone from the super volcano falls as a bright star to impact the USA and open the super volcano}, *and KNOWLEDGE* {of Daniel's book} *shall be INCREASED* {by the latter day messenger in the time of the end}.

***Daniel 12:9*** *And HE* {Gabriel} *said, Go thy way, Daniel: for the words are closed up and sealed till the TIME OF THE END* {when the latter day messenger reveals from the Bible the prophecies written in Daniel's sealed book}.

***Revelation 13:18*** *Here is wisdom. Let HIM* {the true latter day living messenger} *that HATH UNDERSTANDING* {only the true messenger has the wisdom to understand} *COUNT the NUMBER* {count how many number sixes there are} *of the BEAST* {latter day Babylonian kingdom/beast}: *for IT* {number six} *is the number of a MAN* {this figurative man represents the false prophet/USA's leadership}; *and HIS* {the beast and the false prophet's} *number is Six hundred threescore and six* {number 6, number 6, number 6. After counting how many number sixes are written in this verse, the answer is three numbers are counted. The reason is the three numbers {6,6,6} pertain to the latter day kingdom that has a name called Babylon, being the same number six kingdom that reigns

three separate times. The latter day Babylonian kingdom/beast first reigns as the number 6 kingdom; thereafter the same number 6 kingdom reigns as the seventh kingdom, and thereafter the same number 6 kingdom reigns as the eighth kingdom of Revelation 17:10,11. Accordingly, it is the same kingdom that reigns three separate times as the sixth kingdom, sixth kingdom, and again as the sixth kingdom. Hence the reason latter day Babylon's number is 6 and written three times as 6,6,6 because the same kingdom reigns three separate times}.

\*\*\*\*\*

**Revelation 2:29** *He* {any person} **that hath an ear, let him hear what the SPIRIT** {Holy Spirit/seventh plagues angel that is replaying to the Apostle John on the Isle of Patmos what Yahshua had said to the Apostle John} **SAITH** {around 90 AD} *unto the churches* {in Asia minor}.

Prior to the falling star impacting the USA and opening the super volcano, anyone who has an ear can read and hear Yahshua's counsels to the seven churches of Asia Minor, as replayed to the Apostle John by the seventh plagues angel. These written counsels are written on the seventh plagues angel, who revealed during the judgment what Yahshua/Jesus had counseled to the seven churches of Asia Minor in 90 AD. These counsels reveal how a person is lost, even though a person sincerely believes with all of his or her heart that he or she is saved by the ministry and sacrifice of Yahshua/Jesus. The ministry, promises, and sacrifice of Yahshua/Jesus pertain only to the people of the world that were living in the apostles' generation. All the statements made in the gospels by Yahshua/Jesus and the statements made in letters written by apostles and disciples of Yahshua apply only to the living people of that time that heard or read the statements and overcame their old beliefs until death.
