

Chapter 2

Revelation 2:1 Unto the ANGEL {messenger/leadership} ***of the church of Ephesus*** {the meaning of the name Ephesus is similar to the counsel given to Ephesus} ***write; These things saith HE*** {one like the son of man} ***that holdeth the SEVEN STARS*** {that reveal the seven leaders/messengers of the seven churches of Asia Minor} ***in his RIGHT HAND*** {the right hand represents what is written on the last small part of the seventh part of the scroll of life's first side}, ***who walketh in the midst of the SEVEN GOLDEN CANDLESTICKS*** {this gold represents the spiritual ending moon's silvery-blue light/visions written on the last small part of the seventh part of the scroll of life's first side that are also written by the spiritual dawning sun's coppery-red light on the first small part of the seventh part of the scroll of life's other side};

In Revelation 2:1, the one like the son of man holds the seven stars (lights/visions) in its right hand. Accordingly, these seven stars (lights) are written on the last small part (right hand) of the seventh part of the scroll of life's first side. The seven churches of Asia Minor are equated with the seven golden candlesticks. The gold of these candlesticks reveals that the generation of the seven churches was being replayed in 90AD according to the visions of the ending of the silvery-blue moon's light written on the last small part (equated with the ending of the seventh evening) of the seventh part (equated with the seventh evening) of the scroll of life's first side and according to the same visions but witnessed by the coppery-red dawning sun's light written on the first small part (equated with the dawning of the seventh day's sunlight) of the seventh part (equated with the seventh day's sunlight) of the scroll of life's other side. The one like the son of man is the first small part (beginning of the seventh day's sunlight at dawn) and the last small part (ending of the seventh evening's moonlight at the sun's dawn). Hence, the one like the son of man walks among the seven golden candlesticks.

When each leader of each of the the seven golden candlesticks is being revealed during the judgment by the one like the son of man, the seven stars are then the light upon each of them. The visions and oracles written on the one like the son of man replay the things that existed and happened in every generation, the swelled to heaven super volcano full of a lake of fire, the ending of the world by a spreading lake of fire, the new heaven and new Earth, and the replay of what has been happening during the time of the judgment.

Accordingly, from these visions and oracles written on the first small part (equated with the beginning of the seventh day's sunlight at dawn) and last small part (equated with the ending of the seventh evening at the sun's dawn) was replayed the time when each leader of the seven churches of Asia Minor lived around 90 AD.

Out of the many Christian churches in many cities, only seven churches in seven cities were chosen for the ending of the sixth plagued angel to counsel. The reason is that each name of the seven churches correlates with the council given to each church. Therefore, the seven names (equated with the counsel given to each leader) of the seven churches characterize all Christian believers. Every Christian leader, church, or church member can be associated with one of the counsels given to each of the seven churches of Asia Minor. The meaning of the name Ephesus is reflected in the counsel that was said to the angel (messenger/leader) of the church of Ephesus by the one like the son of man in Revelation 2:1-7.

Revelation 2:2 I {one like the son of man} know thy works, and thy labour, and thy patience, and how thou canst not bear them which are evil: and thou hast tried them which say they are apostles, and are not, and hast found them liars:

The one like the son of man knows the works of the leadership of the church of Ephesus. The leadership's works were of laboring,

promoting Yahshua's message, and patience in waiting for the return of Yahshua/Jesus. Also the leadership had the works of not tolerating evil people among their congregation. Also the leader of Ephesus' Christian church was not fooled by people that claimed to be messengers (apostles) of God but were not. When the messages (doctrines) of false apostles were tested by the leadership of the church of Ephesus, the leader proved that their message was a lie.

Revelation 2:3 And hast borne, and hast patience, and for my name's sake hast laboured, and hast not fainted.

The leadership of Ephesus stood firm and had patience, while laboring for the name and cause of Yahshua/Jesus without giving up.

Revelation 2:4 Nevertheless I have somewhat against thee, because thou hast left thy FIRST LOVE {the first love refers to the love of receiving a new message from a true apostle}.

The leader (angel/messenger) of the church of Ephesus had lost his first love of believing new present truth revealed by a true living apostle. In every replayed generation, the one like the son of man's living messenger reveals a new present truth message and gathers apostles. These living apostles then reveal new present truth to the churches, which had been established by an old message given by former apostles of a former deceased messenger.

Revelation 2:5 Remember therefore from whence THOU {leader of the church of Ephesus} ***art FALLEN*** {not saved}, ***and repent, and do the FIRST WORKS*** {of loving to believe a new message from a true living apostle}; ***or else I*** {one like the son of man} ***will come unto thee quickly, and will remove thy CANDLESTICK*** {remove their church (candlestick) from being written as a true church that

believes the latest truth revealed by a living messenger and by his apostles and disciples} ***out of his PLACE*** {the place in a scroll where visions and oracles were written concerning the leadership and church of Ephesus' being once a true leader and church of Yahshua/Jesus}, ***except thou REPENT*** {repent from the attitude of rejecting every message. This attitude will cause the leader and church to reject the message that John the Apostle sent them in the Book of Revelation}.

Revelation 2:6 But this thou hast, that thou hatest the DEEDS {the deeds of performing Moses' Levitical laws} ***of the Nicolaitans, which I*** {one like the son of man} ***also hate.***

The leadership of Ephesus was counseled to remember how they were once fallen (lost) before they received the then new truth pertaining to old Yahshua's/Jesus' salvation from a true living apostle or disciple. In other words, unless the leader (angel/messenger) of the church of Ephesus repents from rejecting every new message as false, the leader will have certainly rejected the new message of present truth in the Book of Revelation sent to them by the Apostle John around 90AD.

Unless the leader of the church of Ephesus accepted the written counsel of the new message spoken by the one like the son of man/Holy Spirit) in the Book of Revelation, the leader and his church in Ephesus will have been lost. Thereby causing the whole church (candlestick) of Ephesus and its leadership (angel/light/star) to be removed from being written as a true leader and church in a scroll that recorded in visions and oracles all things that existed and happened during the time when the seven churches of Asia Minor existed.

The leader and church's works were of bearing and laboring for the cause of Yahshua/Jesus and patiently waiting for the return of Jesus.

However, if the leader and members of the church of Ephesus failed the test of being true believers by accepting the then new present truth written in the Book of Revelation by the Apostle John, they are not saved even though they believe they are saved by Yahshua/Jesus. The leader of the church of Ephesus hated the deeds of the Nicolaitans. These deeds referred to Moses' Levitical laws (see Revelation 2:14, 15), which some people of Judea still performed and promoted in the nations they were removed to by the Romans. From the time old Babylon destroyed the temple in rebellious Jerusalem, Elohiym (one like the son of man) hated sacrificial rituals. Though from the days of old Moses, the Israelites were commanded by Elohiym (one like the son of man, who is the first and last, beginning and ending) to perform them. Had the Levitical written laws of Moses not been performed religiously and copied from generation to generation, there would not exist a copy in modern day Bibles. The Levitical laws and temple rituals assist the latter day messenger in understanding the visions and oracles written on the rolled-up seven-sealed scroll of life, which his message (Lamb) has prevailed to unseal, open (unroll), and reveal its first side (outside).

Revelation 2:7 He {any person} that hath an ear, let him hear what the Spirit {spirit/oracles spoken by the one like the son of man} saith unto the churches; To him that OVERCOMETH {overcomes his or her old beliefs and believes new present truth for their generation} will I {one like the son of man} give to EAT {partake} of the TREE OF LIFE {eternal life}, which is in the midst of the PARADISE {new Eden of the new heaven and new Earth} of God {God the father, who represents the visions and oracles written on the last small part of the seventh part of the scroll of life's first side}.
In Revelation 2:7, the one like the son of man is equated with the

visions and oracles written on the first small part (equated with the beginning of the seventh day's dawning sunlight) and last small part (equated with the ending of the seventh evening's moonlight at dawn}.

Every person of every generation that overcame their old beliefs and believed and remained faithful until death to the then present truth of a true living messenger (as also proclaimed by his apostles and disciples) will resurrect to be living in the last generation at the end of the three and a half days of the sign of Jonah. At the end of the sign of Jonah, a great earthquake is felt at the super volcano in the USA. The great earthquake marks the time of the latter day resurrection for the righteous dead adult overcomers of all generations. Also at the latter day resurrection, the rebellious adult males that rejected, or persecuted, or played a part in the deaths of the living messengers, apostles and disciples of all generations will resurrect to life. After the latter day resurrection, all overcomers living in the last generation will learn a new message of the everlasting gospel, which they proclaim to convert a great multitude of new overcomers. Thereafter all overcomers and the great multitude of overcomers will enter the the ensign of intense light radiating from new Jerusalem to eat of the tree of life in the new heaven and new Earth, that replaced the old heaven and old Earth covered in a lake of fire. All the adult male overcomers that died in all generations and resurrect in the last generation will first spiritually eat (partake) of the scroll of life's visions and oracles and proclaim the everlasting gospel, that speaks of a new heaven and new Earth replacing the old heaven and old Earth covered by a lake of fire.

All the apostles of all generations who overcame their old beliefs by believing the new message of a living messenger total (a rounded number of) 12,000 (a rounded number of 12,000 being the first group of redeemed). All the disciples (second group of redeemed) of

every generation who overcame their old beliefs by believing a new message from a true living apostle total (a rounded number of) 144,000. A massive eruption of coals of fire into the sky creates a great earthquake, that causes the super volcano to open and erupt smoke and ash for five months in the USA, as all three groups of redeemed travel to the rising ensign. After the five months of erupting smoke when the Rock/Abaddon has risen to sit on his throne of intense light, the latter day apostles (representing new Jerusalem's foundations), disciples (representing new Jerusalem's walls), and great multitude (representing new Jerusalem's twelve gates) will then be ready to enter the ensign of intense light radiating from new Jerusalem (that is equated with Eden, in which is the tree of life).

From the time the massive eruption of coals of fire (from the top of the super volcano) descends down as a great earthquake into the bottomless pit (super volcano) and causes it to erupt smoke and ash for five months, all apostles, disciples, and great multitude will place (spiritually eat) the rising Rock's/Abaddon's visions and oracles on the front (forehead/seal of God) of their mind, as they travel to the rising Rock/Abaddon from the swelling bottomless pit. During the five months of erupting smoke and ash, six of the seven plagued angels are fulfilled while the Rock/Abaddon is rising from the swelling to heaven bottomless pit. At the end of the five months of smoke and ash, the Rock/Abaddon will have risen to be sitting on his throne of intense light above the swelled to heaven super volcano, full of a lake of fire. At that time, new Jerusalem (equated with a huge fiery whirlwind) will have manifested around the swelled to heaven super volcano. Then the three groups of redeemed can enter the intense light (ensign) emanating from new Jerusalem to, thereafter, eat the fruit of the tree of life in the midst of new Eden of the new heaven and new Earth and live forever.

Revelation 2:8 *And unto the ANGEL {leadership} of the church in Smyrna write; These things saith the FIRST {the first small part of the seventh part of the seventh part of the scroll of life's other side} and the LAST {the last small part of the scroll of life's first side}, which was DEAD {the Rock/Abaddon was dead while the super volcano was not opened}, and is ALIVE {is forever alive when the Rock/Abaddon rose as a lake of fire from the swelling to heaven bottomless pit and sat reigning on his throne of intense light upon the swelled to heaven super volcano, full of a lake of fire}.*

During the first timeline of all generations, the spirit is revealing what Michael had said with the voice of Yahshua (Jesus) to the church of Smyrna in 90AD. Yahshua was dead and then resurrected to life. However, when the generation of 90AD was being replayed by the visions and oracles written on the last small part (being equated with the ending of the seventh evening at dawn) and first small part (being equated with the beginning of the seventh day's sunlight at dawn), then the one that was dead and is alive is the one like the son of man (because he is the first and last, the beginning and the end, the bright star and morning star), who represents the two witnesses' visions and oracles (written on the first small part and last small part) that were dead during the sign of Jonah, but rose to life three and a half days later. see Rev.11:7.

Revelation 11:7 *And when THEY {first witness/last small part and last witness/first small part combined are referred to as the one like the son of man} shall have finished their testimony {for 1260 days during the third reigning period of latter day Babylon}, the BEAST {kingdom of latter day Babylon} that ascendeth out of the bottomless pit shall make war against them, and shall overcome them, and KILL THEM.*

11:11 *And after THREE DAYS AND AN HALF {of the sign of Jonah} the spirit of life from God {God/last small part of the seventh part of the scroll of life's first side} entered into THEM {visions and*

oracles written on the first small part and last small part, that mixed together are referred to as the one like the son of man}, *and they stood upon their feet; and great fear fell upon them which saw them.*

In Revelation 2:8, the one like the son of man was dead at the end of the 1260 days of the two witnesses prophesying to latter day Babylon. But became alive at the great eruption of the super volcano after the sign of Jonah. This eruption caused a great earthquake that marked the resurrection to life of the two witnesses written visions and oracles, while at the same time the latter day resurrection happened for the adult male overcomers of all generations and the rebellious adult males of all generations that rejected a living messenger's message, that was also proclaimed by his apostles and disciples.

In Revelation 2:8, the one like the son of man says that he is the first and last, which refers to the beginning of the seventh day's dawning sun (last witness) and the ending of the seventh evening's moonlight (first witness) at the sun's dawn. Accordingly, the one like the son of man represents the visions and oracles written on the first small part (equated with the first day's dawning sun/morning star just below the easterly horizon of the latter day land of spiritual Canaan) of the seventh part of the scroll of life's other side that witnessed the same visions and oracles that are written on the last small part (equated with the ending of the seventh evening when the moon/bright star has descended just below the westerly horizon at dawn in the latter day land of spiritual Canaan) of the seventh part of the scroll of life's first side.

Michael wrote the things that adult males were doing on seven parts of the scroll of life's first side. The feminine Gabriel wrote the things that adult females were doing on seven parts of the scroll of life's

other side. However, the masculine Gabriel (last witness) copied on the first small part of the seventh part of the scroll of life's other side the visions and oracles that are written on the last small part of the seventh part of the scroll of life's first side, just as the beginning of the seventh day's sunlight at dawn witnesses the ending moonlight of the ending seventh day's evening at dawn.

Micah 6:4 *For I {one like the son of man/Elohiym} brought thee up out of the land of Egypt, and redeemed thee out of the house of servants; and I sent before thee MOSES {a type of the masculine Gabriel}, AARON {a type of the masculine Michael}, and MIRIAM {a type of the feminine Gabriel}.*

The scroll of life's first side is divided into seven parts, which are equated with seven evenings. The scroll of life's last side is also divided into seven parts, which are equated with seven days of sunlight. The seventh part of the scroll of life's first side is equated with the seventh evening (Sabbath's evening), while the last small part of this seventh part is equated with the ending of the seventh evening at the time of dawning sunlight. The first part of the scroll of life's last side is equated with the first day's sunlight, while the first small part of this first part is equated with the beginning of the first day when the sun is dawning.

When the visions of moonlight (first witness) began being written at the ending (last small part) of the seventh part (equated with the Sabbath's evening) of the scroll of life's first side (outside), the beginning (first small part) of the Sabbath day's sunlight (last witness) at dawn began writing the visions of moonlight (as they were being written on the last small part) on the first small part of the seventh part of the scroll of life's other side (inside).

The meaning of the name Smyrna is reflected in the counsel that the one like the son of man said to the church of Smyrna in Revelation 2:8-11. However, the counsel to Smyrna is directed to any person

that has an ear to hear the counsel.

John 16:13 *Howbeit when HE {one like the son of man}, the SPIRIT OF TRUTH {being the first and last, beginning and end, bright star and morning star}, is come, he will guide you into all truth: for he shall not speak of himself; but whatsoever he shall hear, that shall he speak: and he will SHEW YOU THINGS TO COME {hence the things written from chapter 4 through to chapter 22 in the the Book of Revelation}.*

Revelation 2:9 *I {the one like the son of man} know **THY** {leader/messenger/angel of the church of Smyrna} **works, and tribulation, and poverty, (but thou art rich) and I know the blasphemy of them which say they are Jews** {in our day referring to spiritual Jews/Christians}, **and are not, but are the synagogue** {church/temple} **of Satan** {Satan/adversary against new present truth revealed by a living messenger to his apostles and disciples}.*

In Revelation 2:9 the one like the son of man is revealing the works of the leadership of Smyrna. After old Jerusalem (capital of Judea/Jewry) rebelled against serving Rome and was recaptured and destroyed by Rome around 70AD, Rome scattered the Judean people throughout many nations. Many of these Judeans (Jews) in captivity still held onto and promoted the old Levitical laws of old Moses. These old Levitical laws blasphemed against the then new present truth of Yahshua/Jesus and especially the Apostle Paul's teachings, which these teachings of Paul were promoted by the church of Smyrna. Accordingly, the Judeans, that dwelt in the city of Smyrna, were as the synagogue of Satan because the customary Levitical laws they held onto and promoted were adversaries (Satans) to the Christian precepts that established the Christian church in the city of Smyrna. In our day, the spiritual Jews refer to the Christians, whose churches promote the old customary beliefs pertaining to old

Jesus/Yahshua, making them adversaries against the latter day living messenger's new message, that reveals the visions and oracles written on the scroll of life's first side.

Revelation 2:10 Fear none of those things which thou shalt suffer: behold, the DEVIL {referring to traits in people who tempt/devil the faith of believers of a new message} ***shall cast SOME*** {the ones who believed the message that the one like the son of man revealed to the Apostle John on the isle of Patmos in 90AD} ***of you into prison, that ye may be tried*** {tried/tempted/deviled to forsake the then new present truth}; ***and ye shall have tribulation ten days: be thou faithful unto death, and I*** {one like the son of man} ***will give THEE*** {the overcomer of their old beliefs and customs by believing new present truth} ***a CROWN*** {representing a crown of the risen Rock's/Abaddon's visions and oracles placed, like a crown, around the forehead of a person's mind} ***OF LIFE*** {after they enter the ensign of new Jerusalem}.

The one like the son of man revealed during the replayed generation of 90AD that some of the church members of Smyrna would be cast into prison by the devil (being a trait of non-believers who tempted/deviled the faith of believers). The one like the son of man knew this would happen just as it happened in the first timeline of all generations. In those days, tribulation lasted usually 10 days in prison before being put to death for remaining faithful to the then new present truth of the one like the son of man, as proclaimed by the Apostle John and his apostles from the Book of Revelation.

All people of all generations that remained faithful to new present truth till death will receive a crown of life, according to the visions and oracles written on the last small part (being the ending of the seventh part of the scroll of life's first side) and first small part (being the beginning of the seventh part of the scroll of life's other

side) when they enter the ensign of new Jerusalem. Patriarchs, prophets, messiahs, apostles, and disciples of all past generations will be resurrected at the time when a great earthquake happens at the super volcano in the USA at the end of the sign of Jonah. At that time, the overcomers of all generations will resurrect to life and health, learn a new message that they proclaim as the everlasting gospel, and enter the ensign of intense light emanating from new Jerusalem to, thereafter, receive their golden crown of everlasting life in a new heaven and new Earth, according to the visions and oracles written on the last small part (ending) and first small part (beginning) of the one like the son of man.

Many of the people proclaiming the everlasting gospel will be imprisoned and martyred when they are laboring to convert a great multitude of all nations, kindreds, tongues, and people with the power of the Holy Spirit. However, they will be raised from death to life so they can journey to the rising ensign and, thereafter, enter the risen ensign of new Jerusalem. Then after the world is covered by a lake of fire, a new heaven and new earth will be created for all the spirits (souls) of the redeemed to be placed in new bodies living naturally in the garden of Eden without having any memory of an old heaven and old Earth, while also partaking in the judgment as spirits (ghosts) of their former bodies (see Revelation 14:6,13). These martyrs that proclaimed the everlasting gospel are of the spiritual temple's four beasts (priests) and of the 24 elders. In Revelation 4:4, the elders are seen during the judgment wearing their reigning golden crowns of life over the lava-covered kingdom of latter day Babylon.

Isaiah 65:17 For, behold, I {the one like the son of man} create ***NEW HEAVENS*** and a ***NEW EARTH*** {that replaced the old heaven and old Earth/land of the old world covered by a lake of fire}: ***and the FORMER*** {past things of the old heaven and old Earth/land of the old world} ***shall NOT BE REMEMBERED, NOR COME INTO***

MIND.

Revelation 2:11 *He that hath an EAR* {to listen}, *let him hear what the Spirit* {what the spirit/words of the one like the son of man} *saith unto the CHURCHES; He that OVERCOMETH* {overcomes his or her old beliefs and accepts new present truth and resurrects to live in the last generation, and is martyred for proclaiming the everlasting gospel} **shall NOT BE HURT** {because the latter day martyrs that proclaimed the everlasting gospel resurrect to enter new Jerusalem's ensign before the lake of fire overflows and spreads to cover the world} **of the SECOND DEATH** {this second death by a lake of fire that covers the world is a replay of the first death by a lake of fire that covered the world in the first timeline}.

All patriarchs, prophets, messiahs, apostles, and disciples of all past generations were killed or died believing a new present truth message for their generation. When these patriarchs, prophets, messiahs, apostles, and disciples resurrect to life and health in the last generation, they will learn a new song (message). The new message is the everlasting gospel, which they proclaim to all nations, kindreds, and tongues with the power of the Holy Spirit from the new day of Pentecost. While they are proclaiming the everlasting gospel to all nations to save a great multitude of people from ending up in a lake of fire, they will be dividing people in each nation when many are converted from following the peace and safety vision that their government's political leaders and religious leaders are prognosticating concerning the world's future. Accordingly, when the overcomers prophesy of the super volcano erupting and destroying the USA and all nations and divide the people in every nation, they will be condemned to death by religious leaders and political authorities, that enact new laws of swift punishment of

imprisonment and death for people preaching the everlasting gospel. All the redeemed that proclaim the everlasting gospel in the last generation and are martyred will resurrect to enter alive into the ensign emanating from new Jerusalem. All people that rejected the everlasting gospel and remained outside new Jerusalem's ensign will end up in the spreading lake of fire. This lake of fire is the second death, which is an exact replay of the first death that ended in a lake of fire in the first timeline. All the redeemed entered into new Jerusalem's ensign (intense white light) in the first timeline to not be hurt by the lake of fire. Accordingly, in the first replay of the lake of fire (being the second death), it showed all the redeemed (including those that were martyred for proclaiming the everlasting gospel and resurrected to life) entering new Jerusalem's ensign to not be hurt of the second death (first replay of the lake of fire that covered the world).

Revelation 2:12 And to the ANGEL {messenger/leader} of the church in Pergamos write; These things saith HE {the one like the son of man} which hath the SHARP SWORD {the one sword is equated with the written oracles of the one like the son of man} with TWO EDGES {first edge of the sword is of the visions and oracles written on the last small part of the seventh part of the scroll of life's first side. These visions and oracles of the sword's first edge are also written on the same sword's other edge. This other edge represents the visions and oracles written on the first small part of the seventh part of the scroll of life's other side};

During a replay of the generation of the seven churches of Asia Minor, the one like the son of man spoke to the Apostle John. In the first timeline, Michael spoke with the voice of Yahshua to the seven churches of Asia Minor. When the generation of the seven churches was being replayed according to the visions and oracles written on

the one like unto the son of man (who represents the first small part and last small part), the one like the son of man was then speaking to the Apostle John of what Michael said with the voice of Yahshua in the first timeline while also speaking of more things that will happen in the latter days (last generation), end of the world, new heaven and new Earth, and time of the judgment.

The one like the son of man is equated with the sword. The sword has two edges, just as the the one like he son of man is equated with the first small part of the seventh part of the scroll of life's other side and with the last small part of the seventh part of the scroll of life's first side.

On the last small part of the seventh part of the scroll of life's first side are written all the visions and oracles of all scrolls' first sides. These scrolls' first sides contain the visions and oracles of things that male adults had done in each generation, as witnessed by Michael (equated with the bright moon's/star's light). During the judgment when the lamb (equated with the one like the son of man) revealed the written visions and oracles of the first scroll's first side from the visions and oracles written on the first small part (equated with the beginning of the seventh day's sunlight at dawn) and last small part (equated with the ending of the seventh evening's moonlight at the sun's dawn), the visions and oracles written on the first scroll's first side began replaying the things adult males had done in the first generation of Genesis. As all the visions and oracles of all other scrolls' first sides were revealed by the Lamb (one like the son of man) from the visions and oracles written on the first small part and last small part, all the other generations were replayed to show what adult males had done. Thereafter when the Lamb revealed the visions and oracles written on the last scroll's (scroll of life's) first side from the visions and oracles written on the first small part and last small part, the last generation was replayed to show the things that adult males had done in the last generation, the end of the world,

new heaven and new Earth, and the time of the judgment. Presently during the judgment, the Lamb (one like the son of man/first and last, beginning and end is revealing the visions and oracles written on the scroll of life's first side. Hence our lives are presently being replayed according to the visions and oracles written on the scroll of life's first side. We are reliving our lives in this replay just as we had lived our lives in all previous replays.

Revelation 2:13 I {one like the son of man} know THY {leader/angel of the church of Pergamos}' works, and where thou dwellest, even where Satan's {in our day, the USA's vision for the world is the greatest adversary/Satan against the two witnesses' visions of what they have already seen happen concerning the world's future} SEAT IS {within the USA's ruling capital is the seat/headquarters of the latter day adversary that is against new present truth, from where the USA's leadership rules and promotes its democratic and capitalistic ideals that it envisions for the world's future, which are contrary to the two witnesses' visions and oracles that prophesy of the world's future}: and thou holdest fast MY {one like the son of man's} NAME {being Yahshua/Jesus when the one like the son of man is replaying the generation of 90AD}, and hast not denied my faith, even in those days wherein Antipas was my faithful martyr, who was slain among you, where Satan {Satan refers to an adversarial trait that is exercised by rulers and authorities against the two witnesses' predictions revealed by a living messenger and his apostles in each generation} dwelleth.

The one like the son of man was replaying the generation of 90AD and speaking of things that Michael had said with the voice of Yahshua/Jesus to the seven churches of Asia minor in 90 AD during the first timeline of all generations, while also adding more things. The one like the son of man knows the works of the church of

Pergamos (the meaning of Pergamos' name is reflected in the counsel to Pergamos).

The rulers sitting in their headquarters (seat) in the city of Pergamos were an adversary (Satan) against the Christian church of Pergamos. The leader (messenger/angel) and members of the church of Pergamos did not deny the name of Yahshua (Jesus) and remained loyal to the faith they had received and held. One member called Antipas was martyred when the rulers of the city of Pergamos rose up as an adversary (Satan) against him and slew him.

In our day, the leadership ruling from its headquarters (seat) in the USA's capital is the adversary (Satan) against the two witnesses' visions and oracles written on the first small part (being the beginning of the seventh part of the scroll of life's other side) and last small part (being the ending of the seventh part of the scroll of life's first side), which prophesy with certainty the USA's and world's fated end. This seat of the rulers in the USA's capital will be darkened by smoke and ash erupting from a huge opened super volcano in the USA (see Revelation 16:10; 9:2).

Revelation 16:10 *And the fifth angel poured out his vial upon the SEAT {headquarters in the USA's ruling capital} of the BEAST {beast/kingdom of latter day Babylon/union of nations}; and his kingdom was full of DARKNESS {because of the smoke and ash that will be erupting from the huge swelling super volcano, as it fills with a lake of fire}; and they gnawed their tongues for PAIN {hunger pains},*

Revelation 9:2 *And HE {exploding super volcano} OPENED {with his key/great earthquake} the BOTTOMLESS PIT {super volcano}; and there arose a SMOKE out of the pit, as the smoke of a great furnace; and the SUN and the AIR were {during the five months of erupting smoke and ash} DARKENED {over the USA} by reason of the smoke of the pit.*

In the latter days, it is the leadership ruling from within the USA's capital that is an adversary (Satan) to nations and anyone that refuses to accept the USA's ideals that it envisions for the world's future. Also, the USA's leadership (false prophet) is an adversary against those that hold fast to the latter day messenger's message. His message reveals what the two witnesses have already seen concerning the opening of the bottomless pit that releases plagues of torment and destruction, which begin in the USA (see Revelation 13:7; Daniel 7:25).

Revelation 13:7 *And it was given unto HIM {lamb-like beast/USA/false prophet} to make WAR {with the two witnesses' written visions and oracles concerning the USA's destruction, as proclaimed by the latter day saints} with the SAINTS {these saints of the spiritual temple are of the first latter day group of spiritual priests and second latter day group of elders that overcome the hour of temptation by believing the latter day messenger's message}, and to overcome them: and power was given HIM {false prophet/USA} over all kindreds, and tongues, and nations.*

Daniel 7:25 *And HE {false prophet/USA's leadership} shall speak GREAT WORDS {great/big ideas that it envisions for the world's future} AGAINST {as an adversary/Satan} the MOST HIGH {being the message that heralds the soon to happen most high Rock/Abaddon when he rises as a star's light emanating from a lake of fire to sit and reign upon the swelled to heaven super volcano full of a lake of fire}, and shall wear out the SAINTS {believers} of the MOST HIGH {the message concerning the most high risen Rock/Abaddon reigning on the white throne of intense light upon the swelled to heaven super volcano's immense 40-mile wide mouth full of a lake of fire, that will overflow and fill the world}, and think to change TIMES {change the time we live in when the super volcano explodes with a great eruption in the USA, just as it had already happened in a previous replay} and LAWS {the written laws of*

visions and oracles that the two witnesses wrote concerning things that they have already seen happen}: *and THEY* {believers of the latter day messenger's message} *shall be GIVEN into HIS* {latter day Babylon's} *HAND* {to live under the rule of latter day Babylon} *until a time and times and the dividing of time* {being 1260 days. The next three and a half days after these 1260 days is the sign of Jonah. At the end of the sign of Jonah, a great eruption of the super volcano causes a great earthquake, that marks the time of the latter day resurrection for all dead adult male overcomers and all the dead adult rebellious males}.

Revelation 2:14 But I {one like the son of man) is speaking of things Michael said with the voice of Yahshua to the church of Pergamos in the first timeline of all generations while also speaking of other things} ***have a few things against THEE*** {leader of the church of Pergamos}, ***because thou hast there them that hold the doctrine of Balaam, who taught Balac to cast a stumbling block before the children of Israel, to eat things sacrificed unto idols, and to commit fornication.***

In the past type, Balaam was hired by Balac, king of Moab, to curse Israel and cause them to commit fornication during Israel's journey to the old promised land of Canaan. Around 90AD, the leadership of the church of Pergamos allowed certain people to remain in the church while they still believed and practiced their old beliefs. Accordingly, there were members of the church who incorporated their old beliefs with the then new truth, which Yahshua's apostles and disciples taught to establish the seven churches in Asia Minor. These particular members of the church were as fornicators, spiritually eating things (beliefs) that were of old Moses' laws and rituals that they idolized.

Revelation 2:15 So hast thou also them that hold the doctrine of the Nicolaitans, which thing I hate.

In our day, when a person accepts the latter day messenger's new message, if this person should still hold onto old beliefs – even though their old beliefs are of the Levitical laws of old Moses, or of old Yahshua's /Jesus' sayings, or of his apostles, or of writings of other messengers/prophets – they will be spiritually committing fornication and eating things sacrificed to idols (idols of past messages of prophets/messiahs). After the sign of Jonah, the 144,000 will have no guile (old beliefs) in their mouth when they proclaim the everlasting gospel (see Revelation 14:5). They are spiritual virgins (refraining from engaging with the figurative harlots in Revelation 17:5) after they have fully understood and totally accepted the two witnesses' predictions, as revealed by the latter day living messenger.

Revelation 14:5 And in their mouth was found no GUILE {no guile (error) when the 144,000 speak of the everlasting gospel from the day of new Pentecost}: for they are without fault before the THRONE {representing the reigning Rock's/Abaddon's written visions and oracles sitting as intense white light emanating from the swelled to heaven super volcano's immense mouth full of a lake of fire} of God {God/Rock/Abaddon, whose written visions and oracles replay each generation from the beginning of Genesis to the end of the world}.

Revelation 17:5 And upon HER {USA's ruling capital} FOREHEAD {way of thinking} was a name written, MYSTERY, BABYLON {confusion} THE GREAT, THE MOTHER {ruling capital} OF HARLOTS {cities} AND ABOMINATIONS {by rejecting the everlasting gospel to instead continue her fornicating with nations and merchants, business as usual, according to what she envisions for the world's future} OF THE EARTH {Earth/land}.

Revelation 2:16 Repent; or else I {one like the son of man} **will come unto THEE** {messenger/leader of the church of Pergamos} **QUICKLY** {during the judgment the one like the son of man quickly, in a short space of time, replays the time when the world began ending by an overflowing lake of lava/fire}, **and will fight against them with the SWORD** {representing visions and oracles pertaining to the plagues that issue from the swelled to heaven super volcano, full of a lake of fire} **of MY** {one like the son of man} **MOUTH** {representing the written visions and oracles that replay the time of the immense 40-mile wide mouth upon the swelled to heaven super volcano when it is filling with of a lake of fire, as spoken from the first small part of the seventh part of the scroll of life's other side and from the last small part of the seventh part of the scroll of life's first side}.

All the righteous dead adult males (that accepted a living messenger's message) and all the rebellious dead adult males (that rejected a living messenger's message) from every generation will resurrect to life and health at the time the super volcano explodes with a great earthquake at the end of the sign of Jonah. Thereafter when the overcomers of all generations are proclaiming the everlasting gospel to all nations, kindreds, tongues, and people, all the living will have an opportunity to accept the everlasting gospel. However, all people that failed to overcome and accept the everlasting gospel will receive of the plagues (sword) spoken from the mouth of the one like the son of man. These plagues issue from the swelling to heaven super volcano's immense 40-mile wide mouth, as it fills with a lake of fire. When the swelled to heaven super volcano's immense mouth is full of a lake of fire, it is equated with the ending of the sixth plagues angel's mouth and the beginning of the Rock's/Abaddon's mouth. The visions and oracles that reveal the plagues that issue from the swelling super volcano are written on

the first small part (other edge of sword) of the seventh part of the scroll of life's other side and on the last small part (first edge of the sword) of the seventh part of the scroll of life's first side. This reveals that the plagues issuing from the swelling to heaven super volcano (full of a lake of fire) are replayed quickly, because the written visions and oracles that replay the plagues are written and condensed on a small part of the scroll of life. The quick replay of these plagues will be fighting against the nations of non believers that rejected the everlasting gospel.

Revelation 2:17 *He that hath an ear, let him hear what the {Holy} Spirit {one like the son of man} saith unto the churches; To him that **OVERCOMETH** {their old beliefs} will I {one like the son of man} give to **EAT** {understand} of the **HIDDEN MANNA** {representing the hidden written visions and oracles of the one like the son of man, that sat within the intense light of the Shekinah glory upon the old Ark of the testament. In the old golden Ark of the testament was placed the golden pot of hidden manna, which represents the visions and oracles written on the first small part of the seventh part of the scroll of life's other side and with the same visions and oracles written on the last small part of the seventh part of the scroll of life's first side}, and will give him a **WHITE** {this white color is equated with the bright white light emanating above the swelled to heaven super volcano full of a lake of fire} **STONE** {representing white bread, that resembles a white stone, made with spiritual grains of hidden manna}, and in the **STONE** {being bread made with hidden grains of manna of the golden pot} a **NEW NAME** {of the latter day living messenger} **WRITTEN** {on the scroll of life}, which no man knoweth saving **HE** {overcomer} that receiveth **IT** {receives the hidden manna/visions and oracles that are written on the one like the son of man}.*

The Holy Spirit refers to the one like the son of man, who is equated with the visions and oracles written on the first small part of the seventh part of the scroll of life's other side and with the visions and oracles written on the last small part of the seventh part of the scroll of life's other side. The one like the son of man was speaking to the Apostle John in 90AD concerning the seven churches of Asia Minor. The Lamb that is mentioned in the book of Revelation represents the visions and oracles that are written on the first small part (equated with dawning sunlight) of the seventh part (equated with the Sabbath day's sunlight) of the scroll of life's other side.

The one like the son of man said that all who overcome their old beliefs will be able to partake of the hidden manna. As the Israelites were fed with manna baked into unleavened bread during their wilderness journeys to the old promised land of old Canaan, so the people of every generation that overcame and believed new present truth from a living messenger or his apostles without mixing (spiritually fornicating) their old beliefs with their new belief in present truth will rise from death to thereafter receive the white stone. The white stone is made with the grains of manna hidden in the old golden ark of the covenant, just as the latter day message of the everlasting gospel is of the visions and oracles written on the one like the son of man. This latter day resurrection happens when the super volcano explodes with a great earthquake at the end of the sign of Jonah. After the overcomers of all generations have resurrected to life and health to be living in the last generation, they will spiritually eat (understand) of the hidden manna (that is equated with the visions and oracles written on the first small part and last small part) baked into bread. This bread represents the understanding of the visions and oracles that are written on the one like the son of man. From the time they eat of this bread, they will have a new name written on the front (foreheads) of their minds. The new name is of

the latter day messenger, who reveals the written visions and oracles of the one like the son of man, that spoke to the old testament prophets with a “Thus saith the Lord.”

The Bible's prophecies written with a “Thus saith the Lord” are according to the visions and oracles written on the first small part of the seventh part of the scroll of life's other side and last small part of the seventh part of the scroll of life's first side. The visions and oracles written on the first small part and last small part are likened to spiritual grains of manna in the golden pot of manna. When these written visions and oracles are truly understood, they are as hidden manna in the golden pot of manna baked into pure bread, which resembles a white stone. The latter day messenger is the only one that truly reveals the visions and oracles (grains of manna) written on the first small part and last small part so they can be understood (be spiritually eaten as pure white bread).

Before the sign of Jonah, latter day apostles and disciples of the latter day messenger's message will first spiritually eat of the visions and oracles written on the seventh angel with trumpet. The visions and oracles written on the seventh angel with trumpet are as a little scroll, which is eaten as manna, just as the Israelites ate manna as they journeyed through the wilderness to the old promised land, see Revelation 10:10.

Revelation 10:10 *And I {Apostle John} took the LITTLE BOOK {little scroll containing seven visions and seven thunders/oracles of the seventh angel with trumpet} out of the ANGEL'S {ending of the sixth angel with trumpet that is revealing the beginning of the seventh angel with trumpet} HAND, and ATE IT UP {as spiritual manna baked into unleavened bread/revealed visions and oracles}; and it was in my mouth SWEET AS HONEY {referring to the joy/sweetness of knowing new present truth}: and as soon as I had eaten it, my BELLY WAS BITTER {equated with the feeling of being*

rejected and ridiculed by loved ones, relatives, friends, and associates because of your new belief in the revealed seven visions and seven thunders of the seventh angel with trumpet}.

The visions and oracles written on the first small part of the seventh part of the scroll of life's other side and that are also on the last small part of the seventh part of the scroll of life first side are as hidden (concealed) manna in the golden pot, which was hidden in the golden Ark of the covenant until the latter day messenger revealed the written visions and oracles. The true interpretation of the written visions and oracles of the one like the son of man is likened to taking grains of manna (equated with the unrevealed written visions and oracles of the two arch angels/two witnesses/ending of the seventh evening's silvery-blue moon at the dawn of the beginning of the seventh day's coppery-red morning sun) from the golden pot hidden in the golden Ark of the covenant and baking them into bread (equated with revealing the visions and oracles) that resembles a white stone.

Isaiah 61:1 *The SPIRIT* {mind} *of the Lord* {equated with the first small part of the seventh part of the scroll of life's other side} *GOD* {last small part of the seventh part of the scroll of life's first side}; *because the LORD hath ANOINTED ME* {anointed the latter day messenger to be a bright light of new truth} *to preach good tidings unto the meek; he hath sent me to bind up the brokenhearted, to proclaim LIBERTY* {freedom} *to the CAPTIVES* {of latter day Babylon}, *and the OPENING of the PRISON to THEM* {the overcomers that had proclaimed the everlasting gospel} *that are BOUND* {in jails and prisons};

Isaiah 61:2 *To PROCLAIM* {from the visions and oracles written on the scroll of life's first side} *the acceptable year of the LORD* {the year the Rock/Abaddon rises as a lake of fire emanating an intense light when the swelling to heaven super volcano fills with a lake of

fire}, *and the DAY* {being a particular day which is revealed by the latter day messenger} *of VENGEANCE* {that begins on the day the lake of fire starts to overflow and spread throughout the world} *of our God* {one like the son of man}; *to comfort ALL* {all the overcomers} *that MOURN* {because of rejection and persecution for proclaiming the everlasting gospel};

Revelation 2:18 And unto the angel of the church in Thyatira write; These things saith the Son {representing what is written on the first small part/dawning/son of the scroll of life's other side, whose father is the last small part/ending of the seventh evening of the scroll of life's first side} ***of God*** {one like the son of man}, ***who hath his EYES*** {the right eye/first witness represents the silvery-blue moonlight/visions at the ending of the seventh evening, while the left eye/last witness represents the coppery-red dawning sunlight visions at the beginning of the seventh day's sunlight} ***like unto a flame of FIRE*** {because the figurative moon's light is seven times as bright, also the figurative sun's light is seven times as bright}, ***and HIS*** {son of God's} ***FEET*** {equated with the moon's rays and sun's rays on the horizon of the dawning seventh day's sunlight} ***are like fine brass*** {like the fine coppery-red color of the sun's dawning light};

In the first timeline, the son of God pertained to Michael speaking as Yahshua/Jesus. However since Revelation 2:18 is being revealed from the visions and oracles written on the last small part of the seventh part of the scroll of life's first side and from the same visions and oracles that are also written on the first small part of the seventh part of the scroll of life's other side, the son of God represents the visions written on the first small part of the seventh part of the scroll of life's other side. The last small part (being the ending of the figurative seventh evening when the seven times as bright moon is

just below the westerly horizon of the latter day land of Canaan) is the father of the first small part (being the beginning of the figurative seventh day's daylight at dawn when the seven times as bright sun is just below the easterly horizon of the latter day land of Canaan), which is likened to King David the father of his son (Solomon). As the morning is born from the ending of the evening, so the first small part (equated with the son/Solomon) of the seventh part of the scroll of life's other side was not written until the time of the ending of the last small part (equated with the father/David) of the seventh part of the scroll of life's first side.

Revelation 22:16 *I Jesus* {the one like the son of man is revealing what Michael said with the voice of Yahshua in the first timeline while adding more sayings} *have sent mine ANGEL* {the one like the son of man} *to testify unto you these things in the churches. I* {the one like the son of man} *am the ROOT* {father} *and the OFFSPRING* {son} *of David, and the BRIGHT* {bright moon at the ending of the seventh evening} *and MORNING STAR* {dawning sun/morning star of the seventh day's daylight}.

In Revelation 2:18 the description of God's son represents the visions and oracles that are written on the first small part (equated with the beginning of the seventh day's sunlight) of the seventh part (equated with the seventh day's daylight) of the scroll of life's other side (equated with seven days of sunlight). God (that replays/recreates each generation, the end of the world, the new heaven and new Earth and the replay of the continuing time of the judgment) represents the visions and oracles that are written on the last small part equated with the ending of the seventh evening) of the seventh part (equated with the seventh evening) of the scroll of life's first side (equated with seven evenings). At that time, the seven sons (equated with seven days of seven dawning suns which all became written on the first small part) of God (last small part) will shout for joy at the great eruption of the swelled to heaven bottomless pit, as

the Rock/Abaddon will have risen to reign on the Earth, see Job 38:7.

Job 38:1 Then the LORD {that represents the first small part of the seventh part of the scroll of life's other side and last small part of the seventh part of the scroll of life's first side} answered Job out of the WHIRLWIND {huge tornado of fire that surrounded the swelled to heaven super volcano's immense mouth when it was full of a lake of fire}, and said,

Job 38:7 When the MORNING STARS {being seven days of dawning spiritual suns while seven evenings of moonlight are ending at dawn} SANG TOGETHER {hence all revealed when the last small part of the scroll of life's first side is being revealed}, and all the SONS {being the morning stars} of GOD {being the last small part of the seventh part of the scroll of life's first side} shouted for joy {when the Rock/Abaddon had risen from the swelled to heaven bottomless pit to save the redeemed}?

For more than 1,000 years of the time of judgment, the Rock/Abaddon (equated with the one like the son of man) has been reigning over the lava covered world and dissolved kingdom of latter day Babylon. The Rock/Abaddon will again rise to sit on his throne of intense light and reign over the kingdom of latter day Babylon during the present replay of this last generation. In this present replay, the super volcano will erupt smoke and ash for five months as it swell to heaven filling with a lake of fire (radiating an intense light). At the end of the five months, the Rock/Abaddon will have risen as a great light above the swelled to heaven super volcano. Then the redeemed will be entering the ensign of intense light radiating from new Jerusalem. After all the redeemed have entered the ensign to be within new Jerusalem, a massive eruption of coals fire into the sky causes a great earthquake such as never happened,

as the lake of fire overflows and spreads to cover the world, just as it happened in previous replays.

The son of God has two eyes of intense white light. The right eye is equated with the light (visions) of the figurative ending seventh evening's moon (first witness) that is written on the last small part of the seventh part of the scroll of life's first side. The left eye (that is equated with the light/visions of the figurative seventh day's beginning sun at dawn) witnessed the same light (visions and oracles) as the right eye was witnessing but written on the first small part of the seventh part of the scroll of life's other side.

From the son of God's two eyes radiates very bright light, that covers as a garment his body and legs with intense light (visions). The visible feet of the son of God represent the color of the setting moon's light mixing with the dawning seventh day's sunlight standing on the horizon. Hence, the color of these feet are of the color of molten copper when burning in a furnace, which describes the morning sun's coppery-red light standing on the horizon at the ending of the evening.

Revelation 2:19 I {first small part/son of God/last small part} know **THY** {leader of the church of Thyatira} works, and charity, and service, and faith, and thy patience, and thy works; and the last to be more than the first.

The one like the son of man speaking as the son (who is the first small part of the seventh part of the scroll of life's first side) of God (who is the last small part of the seventh part of the scroll of life's first side) said that he knows the works of the leader (angel/messenger) of the church of Thyatira. The leader of the church of Thyatira had already performed his works in the first timeline of all generations. Therefore during the replay of the

generation of the seven churches of Asia Minor, the son of God already knew the works of the leader of the church of Ephesus. Accordingly, the son of God knows that the works of the church of Thyatira are of charity, service, faith, and patience. Also the son of God revealed that the leader of the church of Thyatira has more patience than any other of his works.

Revelation 2:20 Notwithstanding I {son of God} have a few things against THEE {leader of the church of Thyatira}, because thou sufferest that woman Jezebel {representing the ruling capital of Thyatira}, which calleth herself a PROPHETESS {because she has her own vision of what the future will be}, to teach and to seduce my servants to COMMIT FORNICATION {by mixing the then present truth revealed by a living messenger with the vision that the false prophetess Jezebel has for the future}, and to eat things sacrificed unto idols {such as the rituals written in the Levitical law, that the Judean people idolized}.

During the judgment, God (visions and oracles written on the last small part of the seventh part of the scroll of life's first side) replayed the generation of seven churches of Asia Minor. In that time, the son (representing the visions and oracles written on the first small part of the seventh part of the scroll of life's other side) of God revealed to the Apostle John on the isle of Patmos the works that were performed by the leader (angel/messenger) of the church of Thyatira. Accordingly, the son of God said that there were a few things that were keeping the leadership and church of Thyatira from being saved. One of these things was portrayed using the past type concerning the character of old Jezebel.

In the days of Yahshua and his apostles, spiritual Jezebel represented old Jerusalem's (Jezebel's) leadership, which attempted to seduce the converts of Yahshua to commit fornication – i.e. still pay homage to old Jerusalem's customs of performing rituals according to Levitical

laws – thereby eating things sacrificed unto idols.

During the time of the seven churches in Asia minor, many of Yahshua's/Jesus' converts would attend the temple in the capital city (equated with Jezebel's character) of their nation to perform customs and rituals. Accordingly, the former ways of a nation that were taught to the people living in the nation would be promoted by the leadership in the ruling capital (referred to as the spiritual prophetess Jezebel). The leadership in the ruling capital or city would teach and seduce the servants of Yahshua/Jesus to keep them from following the new present truth revealed by a living messenger or his apostles.

In our day, the characteristics of old Jezebel are found in the leadership of the USA's ruling capital. In this last generation, the USA's ruling capital is the great whore in Revelation 17:5. This ruling capital promotes her own democratic and capitalistic vision for the world's future, while being the biggest trader (great whore) with many nations. She continues her extensive fornication (business as usual) according to her vision, which she deceives nations into accepting, while rejecting the two witnesses' visions and oracles as revealed by the latter day messenger. These visions and oracles of the two witnesses prophesy of the super volcano exploding and erupting smoke and ash, as it fills with a lake of fire for five months. During these five months six of seven plagued angels are fulfilled, which torment the USA with exploding coals of fire, anarchy, and famine, as darkness covers the land. At the end of five months when the risen Rock/Abaddon is sitting on his throne of intense light over the swelled to heaven super volcano full of a lake of fire, all the redeemed will be new Jerusalem's ensign of intense light. Thereafter the swelled to heaven super volcano (full of a lake of fire) explodes with a massive eruption of coals of fire into the sky, as the USA's ruling capital covered in darkness receives all her plagues in one day of erupting coals of fire with great hailstones, anarchy, famine, and death, as the lake of fire spreads to cover the USA and world.

Revelation 17:5 *And upon HER {USA's ruling capital} FOREHEAD {being her leadership's way of thinking in her mind/forehead} was a name written, MYSTERY, BABYLON {confusion} THE GREAT, THE MOTHER OF HARLOTS AND ABOMINATIONS OF THE EARTH {land}.*

Revelations 17:2 *With whom the KINGS {representing leaders of kingdoms/nations} of the earth have committed FORNICATION {by placing their substance/merchandise within her wide open welcoming gates/legs} and the inhabitants of the earth have been made {figuratively} DRUNK {in their minds} with the WINE {being her democratic and capitalistic ideals that she envisions for the world's future} of her FORNICATION {allowing the foreign leaders and merchants, once they are intoxicated on her wine/ideals, to impregnate her land with their substance/goods}.*

Revelation 2:21 *And I {son of God} gave HER {the ruling capital of the USA} SPACE {till the end of latter day Babylon's third/final reigning period} to REPENT {repent and believe the two witnesses' visions and oracles} of HER {the ruling capital of the USA} FORNICATION {of staying steadfast in continuing to fornicate/business as usual with her many foreign leaders and merchants drunk on her wine/ideals that impregnate/place deep within her land their substance/goods}; and she repented not.*

The son of God gives latter day spiritual Jezebel {leadership in the USA's ruling capital) the final space till the end of latter day Babylon's third reigning period of fornicating with leaders and merchants of nations. A similar scenario has taken place in every generation during a space of time. In our day, the final space of time ends when a massive explosion of the the super volcano in the USA causes it to open and begin erupting smoke and ash for five months, as six of seven plagued angels begin being fulfilled. Before that

happens, latter day Jezebel (leadership in the USA's capital) has time to repent of her fornicating (business as usual) with leaders and merchants of nations, according to what she envisions for the world's future.

The son of God knows that the great whore (USA's ruling capital) will not repent in the present replay of the last generation, just as she did not repent in previous replays of this last generation. Latter day Jezebel (USA's ruling capital/leadership) in spiritual Canaan will have been given two spaces of time to repent. The first half hour space of time refers to latter day Babylon's second reigning period as the seventh kingdom in spiritual Canaan. During that time, six angels with trumpets were being revealed. The second half hour space of time refers to latter day Babylon's third reigning period as the eighth kingdom. In that time, six lights (visions) and six thunders (oracles) of the seventh angel with trumpet will be revealed. On the seventh light (vision) and seventh thunder (oracle) of the seventh angel with trumpet are written seven plagued angels. Until the first plagued angel begins being fulfilled she is given the space of time to repent of her fornication and cease from continuing to follow her own ideals that she envisions for the world's future. At the end of the space of time, the super volcano explodes with a great eruption, as smoke and ash begin erupting for five months in the USA (see Revelation 17:12; 18:1).

Revelation 2:22 Behold, I {first small part/son of God/last small part} **will CAST** {by a great earthquake} **HER** {latter day Jezebel being the USA's ruling capital/leadership} **into a BED** {in which is poured the lake of fire}, **and THEM** {nations, merchants, states, and cities} **that commit ADULTERY with her into GREAT TRIBULATION** {that begins when each of the seven plagued angels begin being fulfilled}, **except they REPENT** {repent during the

space when the seven angels with trumpets are being revealed before the first plagued angel begins being fulfilled} *of their DEEDS* {of fornicating/business as usual and worshiping the many idols/ways of life that seduce the people into worshiping, instead of the leaderships and peoples worshiping the two witnesses' visions and oracles}.

The latter day messenger's message prophecies of the last witness' (son of God's) visions and oracles (written on the first small part of the seventh part of the scroll of life's other side) and the first witness' (god's) visions and oracles (written on the last small part of the seventh part of the scroll of life's first side) that reveal the destruction of latter day Babylon's kingdom. However, latter day Jezebel (USA's ruling capital) and the kings (leaders of nations) will have not repented of their deeds of fornicating (continuing in regular business) together. These leaders and nations continue to worship the many idols in their lands. These idols have seduced the leaders and peoples to reject the two witnesses' visions and oracles concerning this world's imminent demise.

During the judgment that is presently happening, the one like the son of man will reveal visions and oracles that replay the time when the USA's ruling capital (the latter day great whore/Jezebel) and nation (false prophet) ended up consumed by the overflowing immense lake of fire/lava that spread throughout the world. The nations that accepted the ideals (spiritual wine/mark of the beast) that latter day Jezebel (USA's leadership in the capital) envisioned for the world's future will also be cast into great tribulation. This great tribulation begins in the USA when the super volcano in the USA opens with a massive eruption, as smoke and ash erupt for five months while the redeemed are traveling to the rising ensign. At the end of five months when the Rock/Abaddon is sitting on his white throne of intense light above the swelled to heaven super volcano's mountain (new mount Zion full of a lake of fire), all the redeemed will be entering the risen ensign of intense light to be within new Jerusalem.

After all the redeemed have entered the ensign, the swelled to heaven super volcano explodes with a great eruption that causes an earthquake such as never happened. On that day, the Rock/Abaddon begins being fulfilled, as the lake of fire overflows and spreads throughout the USA and all nations. When the risen Rock/Abaddon begins being fulfilled, all the previous six plagued angels are also fulfilled at the same time on the great whore (USA's ruling capital) and her nation.

The leaders of nations were seduced by the great whore (USA's ruling capital) because they took the great whore's wine cup into their hand (mark of the beast) and were made drunk on her wine (spiritual wine/democratic and capitalistic ideals that she envisions for the world's future), causing them to fornicate (place their substance/goods) within her wide open welcoming legs (gates).

Revelation 18:8 *Therefore shall HER {USA's ruling capital} PLAGUES {darkness, anarchy, famine, and death} come in ONE DAY {the day when the swelled to heaven super volcano, full of a lake of fire, overflows and spreads throughout the USA and world}, death, and mourning, and famine; and SHE {USA's ruling capital/Jezebel and nation} shall be utterly burned with FIRE {by the lake of lava/fire overflowing and spreading from the immense mouth of the swelled to heaven super volcano, which lies beneath the USA's land}: for strong is the Lord {first small part/son} God {last small part of the seventh part of the scroll of life's first side} who judgeth her.*

Revelation 19:20 *And the BEAST {representing latter day Babylon's kingdom/union of nations} was taken, and with him the FALSE PROPHET {in the latter days, the leadership in the USA's nation is the false prophet that falsely prophesied of peace and safety for the foreseeable future according to the USA's vision for the world} that wrought MIRACLES {of the USA's technological and military*

firepower from the heavens/skies} *before HIM* {beast/kingdom of latter day Babylon/union of nations}, *with which he deceived THEM* {nations} *that had received the MARK* {figurative wine cup full of democratic and capitalistic ideals that the USA envisions for the foreseeable future} *of the BEAST* {being the union of nations agreeing to unite and enforce the vision of the USA on non-complying nations during the first half hour reign of the beast/union of nations in figurative Canaan}, *and them that worshipped HIS* {seven-headed ten-horned beast's/union of nations} *IMAGE* {the image represents the same union of nations/beast in figurative Canaan agreeing to unite again to enforce the USA's vision for the world on non-complying nations during its second half hour/third reigning period}. *THESE BOTH* {false prophet/USA and its kingdom of latter day Babylon} *were cast ALIVE* {hence the USA and its kingdom will have not been totally destroyed when being cast alive} *into a lake of FIRE* {lake of fire/lava overflowing from the high and immense mouth of the swelled to heaven super volcano in the fallen USA} *burning with BRIMSTONE* {molten stones/lava}.

Revelation 19:21 *And the REMNANT* {what ever nation and islands are remaining} *were slain with the SWORD* {slain according to the two edge sword/two witnesses' written visions and oracles} *of HIM* {one like the son of man} *that sat upon the* {white} *HORSE* {representing the explosion of hot air on which the erupting coals of fire ride upon}, *which SWORD proceeded out of HIS* {one like the son of man's} *MOUTH* {according to what is written on the first small part and last small part that speak of the plagues that issue from the immense mouth of the swelled to heaven super volcano}: *and all the FOWLS* {coals of fire and great hailstones} *were filled with their FLESH* {referring to buildings and infrastructure}.

Revelation 2:23 *And I* {ending of the sixth plauged angel that

reveals the beginning of the Rock/Abaddon} ***will kill HER*** {USA's ruling capital} ***CHILDREN*** {spiritual females/cities and spiritual males/states/tribes} ***with DEATH*** {caused by the overflowing and spreading lake of fire from the immense mouth of the swelled to heaven super volcano full of a lake of fire}; ***and all the churches shall know that I am he which searcheth the reins and hearts: and I will give unto every one of you*** {after they have all resurrected to be alive in the last generation} ***according to your works*** {the works of rejecting or believing new present truth revealed by a living messenger}.

The great whore's (USA's ruling capital) figurative children (sons/states and daughters/cities) will be killed just as the two witnesses saw, heard, and wrote (on the one like the son of man who is equated with the ending/last small part and beginning/first small part) the way the great whore's nation and cities were killed in the first timeline. The two witnesses (Michael and Gabriel) have already witnessed and written the role that rebellious leaders and people chose to play in every generation of this world. The works of rebellious leaders and rebellious people were of rejecting the Holy Spirit's (one like the son of man's) new present truth and then persecuting and usually killing the messengers, their apostles, and disciples. At the latter day resurrection, these rebellious leaders and rebellious people will be living in the last generation to receive of their works. All the rebellious living in the last generation (that reject the everlasting gospel) will receive of their works, whereby they are worthy to receive the plagues of death from the time the super volcano explodes with a great earthquake-causing eruption with erupting coals of fire and raining great hailstones, anarchy, famine, and whirlwinds of fire, and finally being cast into an overflowing and spreading immense lake of lava.

During the judgment, the two witnesses' visions and oracles written on the one like the son of man replay each generation to reveal the

motives (reigns) that directed a person to play the role which they chose to fulfill in this world, according to his or her heart. From the replay of the first generation of Genesis through to the end of the world, every person's works will have been clearly revealed during the judgment. Hence the works of rebellious leaders and rebellious people was of rejecting the Holy Spirit's (one like the son of man's) new present truth message revealed by a living messenger, persecuted, and caused the deaths of messengers, apostles, and disciples of every generation. These rebellious leaders and people will resurrect in the last generation to receive of their works.

At this time during the judgment, the one like the son of man is presently replaying what happened prior to the opening of the bottomless pit (super volcano). During the replay of the last generation, it reveals the people who heeded to the latter day messenger's message of seven angels with trumpets to play their part as an overcomer of his or her old ways and beliefs. These individuals became wise with the latter day messenger's message to play their role in the scroll of life as someone who believed this new present truth message before the super volcano opened in the USA.

Accordingly, the replay of the last generation shows how the righteous believers were marked on their forehead (front of the mind) with the seal (visions and oracles) of God (last small part) at the eruption of the super volcano at the end of the sign of Jonah, learned a new song (everlasting gospel), received the Holy Spirit's power on the new day of Pentecost, proclaimed the everlasting gospel to gather the great multitude before the super volcano exploded with a great eruption of smoke and ash for five months. The replay of the last generation shows how all the redeemed traveled to the rising ensign during the five months of erupting smoke and ash. At the end of the five months of smoke and ash when the risen Rock/Abaddon was sitting on his throne of intense light, all the redeemed began entering the ensign of intense light radiating

from new Jerusalem to escape the death that the rebellious receive according to their works.

From the time all the redeemed entered the ensign of new Jerusalem, they were standing in the spirit (ghost) of their former selves ready to view the opening of the scrolls during the judgment. After the world was covered in a lake of fire as the judgment began, the redeemed were then living in a new heaven and new Earth having new bodies with no memory of what happened in the first heaven and first Earth, while at the same time the redeemed were in the spirit standing during the judgment to view the opening of each scroll that replays what happened in each generation, to replay what happened in the new heaven and new Earth, and to also replay what happened during the judgment.

Revelation 2:24 But unto YOU {leadership of Thyatira} ***I*** {son of God} ***say, and unto the REST*** {church members} ***in Thyatira, as many as have not THIS DOCTRINE*** {spiritual wine/doctrine of Jezebel who teaches and seduces the servants of present new truth to commit fornication with their old beliefs, and to eat/partake of things/beliefs sacrificed/customs unto idols of old prophets, messiah's, and former apostles}, ***and which have not known the DEPTHS*** {partaking of dated customs} ***of SATAN*** {being the adversary/Satan and false prophet/nation/spiritual husband of Jezebel/false prophetess}, ***as they speak; I will put upon you none other burden*** {except the original burden where the leadership of the church of Thyatira needs to repent from allowing Jezebel to teach and seduce the servants of new present truth}.

Revelation 2:25 But that which YE {faithful members of the church of Thyatira} ***HAVE ALREADY*** {the then present truth that the Apostle John sent to them in the Book of Revelation} ***hold fast till I***

{first small part/son of God} **COME** {when the Rock/Abaddon has risen}.

The son of God represents the first small part of the seventh part of the scroll of life's other side, while God represents the last small part of the seventh part of the scroll of life's first side. The son of God said that when a person believes new present truth, he or she needs to hold fast and not be seduced by other visions of the world's future promoted by the ruling capital (Jezebel) and nation (adversary/Satan). Thereby committing fornication by mixing the new present truth with the visions promoted by Jezebel (leadership in the ruling capital) and her husband (nation's leadership).

Every overcomer in every generation will have remained faithful to new present truth till death. The new truth will have been revealed by a living messenger and his apostles, as written by the two witnesses on a scroll concerning the things that happened in the generation of the messenger and his apostles. In the last generation, after the seventh angel with trumpet has finished revealing its visions written on six of seven lights and oracles written on six of seven thunders, the super volcano will explode with a great earthquake at the end of the sign of Jonah. At that time, the overcomers that died in all generations will resurrect to life and health. The resurrected overcomers rise to life and health to learn a new song and the new name of the latter day messenger. Thereafter on the new day of Pentecost, they will receive the Holy Spirit's power and join the latter day living overcomers in proclaiming the everlasting gospel to all nations, kindreds, tongues, and people. All overcomers will hold fast to the new present truth to the day that the son of God comes when the Rock/Abaddon has risen to sit on his throne of intense light above the swelled to heaven super volcano full of a lake of fire. In the first timeline when the Rock/Abaddon had risen from death to life from the swelled to heaven bottomless pit, all things that happened from that time were written on the first

small part (equated with the son of God) of the seventh part of the scroll of life's other side.

Daniel 12:1 *And AT THAT TIME* {when latter day Babylon's third reigning period comes to an end} *shall MICHAEL* {who represents the rising Rock/Abaddon according to the visions and oracles written on the last small part of the seventh part of the scroll of life's first side} *STAND UP* {from being dead within the bottomless pit}, *the great prince which standeth for the CHILDREN* {great multitude that accepted the everlasting gospel} *of thy PEOPLE* {that proclaimed the everlasting gospel}: *and there shall be a TIME OF TROUBLE* {when each of the six of seven plagued angels are being fulfilled}, *such as never was since there was a nation even to that same time: and at that time thy PEOPLE* {that proclaimed the everlasting gospel} *shall be DELIVERED* {from the kingdom of latter day Babylon to the rising ensign}, *every one that shall be found WRITTEN* {as an overcomer} *in the BOOK* {book/scroll of life}.

All the overcomers of their old beliefs that lived in the time of the seven churches of Asia Minor will have held fast to their new present truth of salvation (revealed by the Apostle John from the Book of Revelation) till death, risen to life in the latter day resurrection, learned a new song (everlasting gospel), proclaim the everlasting gospel to all nations to convert a great multitude, then travel to the rising ensign ready for the son of man to come as the risen Rock/Abaddon according to the visions and oracles written on the first small part of the seventh part of the scroll of life's other side.

Revelation 2:26 *And he that OVERCOMETH* {overcomes his or her old beliefs by believing new present truth}, *and keepeth MY* {son of God's} *WORKS* {as written in the Book of Revelation by the

Apostle John and sent to the seven churches of Asia Minor} **unto the END** {when the Rock/Abaddon has risen from the swelled to heaven bottomless pit}, **to him** {overcomer} **will I GIVE POWER over the** {latter day} **NATIONS** {during a time of tribulation such as never happened}:

The son of God represents the visions and oracles that are written on the first small part of the seventh part of the scroll of life's other side. The overcomers of all generations (that proclaimed the everlasting gospel that reveals the works/ways of the son of God coming as the risen Rock/Abaddon) and the great multitude of overcomers that except the son of God's works will enter the ensign of new Jerusalem to have power over the nations. After all the overcomers have kept the ways of the son of God to the end when they enter the ensign of new Jerusalem, they will then have power over the nations.

After all the redeemed have entered the ensign of intense light, the swelled to heaven super volcano (full of a lake of fire) will explode with a massive eruption that causes an earthquake such as never happened. Death by erupting coals of fire and raining great hailstones, anarchy, famine, and the flowing lake of fire will rule over the nations. These plagues that have power over the rebellious nations are equated with the redeemed.

Revelation 2:27 And HE {the overcomer of his/her former beliefs} **shall rule THEM** {rebellious nations} **with a ROD OF IRON** {representing the son of God's rod of iron, which is identical to God's rod of iron}; **as the vessels of a potter shall they be broken to shivers: even as I** {son of God who represents the first small part/morning star/beginning dawn of the seventh day's morning sunlight/offspring/Solomon type} **received of my FATHER** {last small part/bright star/ending of the seventh evening's moonlight/father/David type}.

All overcomers received the son of God's visions and oracles pertaining to latter day Babylon's destruction and entered the ensign of new Jerusalem. Thereafter when the Rock/Abaddon is being fulfilled according to the visions and oracles written on the son of God (who represents the first small part of the seventh part of the scroll of life's other side), these visions and oracles are likened to a rod of iron that breaks the nations of latter day Babylon as an iron rod smashes clay pots. All overcomers received the visions and oracles of the son of God pertaining to the rod of iron. Therefore when the son of God's rod of iron is smashing the nations to pieces, the rod of iron is equated with the overcomers that received the rod of iron.

The overcomers received the visions and oracles pertaining to the rod of iron from the son of God just as the son of God received the rod of iron from his father. God (creator who replays all generations, new heaven and new Earth, and the time of the judgment) represents the visions and oracles written on the last small part {being the ending of the seventh evening's moonlight) of the seventh part (equated with the seventh/Sabbath evening) of the scroll of life's first side (equated with seven evenings), whereas the son of God represents the visions and oracles written on the first small part (being the beginning of the seventh day's beginning sunlight at dawn) of the seventh part (seventh day's sunlight) of the scroll of life's other side (equated with seven days of sunlight).

In the first timeline of all generations, when the risen Rock/Abaddon was being fulfilled, the things happening to the rebellious adult males were being written as visions and oracles on the last small part of the seventh part of the scroll of life's first side, while also being received by the first small part of the seventh part of the scroll of life's other side. Accordingly, as the things happening during the ending (last small part) of the seventh evening's moonlight are witnessed (received) by the beginning (first small part) of the

morning sun's light at the seventh day's dawn, so the son of God (first small part) received the rod of iron from God (last small part). During the initial 1,000 years of the judgment, the opening of each scroll's first side revealed the male adults that accepted or rejected a living messenger's message in each replayed generation. When the visions and oracles written on the last small part of the seventh part of the last scroll's (scroll of life's) first side began to be opened, the son of God (beginning/first small part) began revealing the visions and oracles that he had received from God the father (ending/last small part).

Revelation 2:28 And I {son of God} ***will give HIM*** {the overcomer of his old beliefs} ***the MORNING STAR*** {spiritual morning star's/sun's light/visions of the seventh day's dawn that witnesses what the ending of the seventh evening's spiritual moon's/father's light is witnessing concerning the righteous and rebellious adult males}.

The scroll of life's first side is divided into seven parts, which are likened to seven evenings of moonlight. As a moon moves from east to west through each of these seven evenings and illuminates the things happening in seven evenings, so the first witness (Michael/father/God) wrote the things that happened to the righteous and rebellious adult males of the last generation on seven parts of the scroll of life's first side.

The scroll of life's other side (last side) is also divided into seven parts, which are likened to seven days of daylight. As a sun moves from east to west through each of seven days of daylight and illuminates the things happening during these seven days of daylight, so the feminine Gabriel wrote the things that happened to the righteous and rebellious females on seven parts of the scroll of life's

other side (last side).

The visions and oracles that were being written on the last small part (equated with the ending of the seventh evening) of the seventh part (equated with the seventh evening) of the scroll of life's first side (equated with seven evenings) were also being written on the first small part (equated with the beginning of the seventh day's sunlight) of the seventh part (equated with the seventh day's sunlight) of the scroll of life's other side (equated with seven days of sunlight), just as the ending (time of dawn) of the seventh evening's moonlight just below the westerly horizon is being witnessed by the beginning of the seventh day's morning sun when it is just below the easterly horizon of the figurative land of Canaan.

A person who overcame their old beliefs in each generation is given the light/visions of the spiritual morning star (equated with a bright morning sun/star) when they enter the ensign of new Jerusalem at the time the Rock/Abaddon has risen to sit on his throne of intense light. The morning star's/sun's (last witness') light is equated with the visions written by the son (masculine Gabriel) of God (Michael) on the first small part of the scroll of life's other side, which witnessed the evening star's (first witness') visions written by Michael on the last small part (represented by God) of the scroll of life's first side. Accordingly, the one like the son of man is both the evening star's (spiritual moon's/God's) light (visions) and morning star's (spiritual sun's/son of God's) light (visions), that dwell together at the ending of the seventh evening's moonlight with the beginning of the seventh day's morning sunlight at dawn.

The morning star is the Sun of Righteousness mentioned in Malachi 4:2. When the latter day living messenger began to understand the message beneath the first seal of the rolled-up scroll of life's first

side, the light (vision) of the Sun of Righteousness began to dawn as morning light into the first day which mixed with the Moon of Righteousness at even (ending) of the seventh evening. The seventh evening is equated with the seventh part of the scroll of life's first side (see Ezekiel 7:10).

Malachi 4:2 *But unto you that fear MY NAME* {Elohiym/one like the son of man} *shall the SUN OF RIGHTEOUSNESS* {being the seventh day's dawning light/visions of the son of God} *ARISE* {as the Rock/Abaddon from the swelling to heaven bottomless pit} *with HEALING* {to heal the martyrs and all persecuted overcomers that proclaimed and believed the everlasting gospel} *in his WINGS* {of spiritual light/visions that fly/move across the sky like the sun}; *and ye shall go forth, and GROW UP* {in the Eden of the new heaven and new Earth} *as calves of the stall.*

Ezekiel 7:10 *Behold the day, behold, it is come: the MORNING* {dawning visions/light of the Sun of Righteousness/last witness' written visions revealed by the latter day messenger from beneath the seventh seal of the scroll of life's first side} *is GONE FORTH* {being revealed to the nations of Christendom}; *the ROD* {representing the message/rod which the latter day messenger has received pertaining to the seven seals of the scroll of life} *hath blossomed, PRIDE HATH BUDDDED* {in the other rods/false messengers of Christendom}.

The visions and oracles written in the Book of Revelation and other parts of the Bible are sealed in mysterious symbolic language (see Daniel 12:4, 9). The reason is so that only the living anointed who manifests in the time of the end (last generation) can truly understand (see Revelation 13:18), reveal, and prophesy of these mysteriously written visions and oracles pertaining to the end of latter day Babylon's reign. The one like the son of man (Elohiym) replays each generation over and speaks to the prophets of old with

the phrase “Thus saith the Lord” (see Revelation 10:7).

Daniel 12:4 *But thou, O Daniel, shut up the words, and SEAL THE BOOK* {the meanings of the written prophecies in Daniel's book/scroll could not be understood just by reading Daniel's scroll}, *even to the TIME OF THE END* {when in the time of the end, the latter day messenger reveals the prophecies written in the Bible}: *many shall RUN TO AND FRO* {to proclaim the latter day messenger's message}, *and KNOWLEDGE* {of Daniel's book} *shall be INCREASED* {by the latter day messenger in the time of the end}.

Daniel 12:9 *And HE* {Gabriel} *said, Go thy way, Daniel: for the words are closed up and sealed till the TIME OF THE END* {when the latter day messenger reveals from the Bible the prophecies written in Daniel's sealed book}.

Revelation 13:18 *Here is wisdom. Let HIM* {the true latter day living messenger} *that HATH UNDERSTANDING* {only the true messenger has the wisdom to understand} *COUNT the NUMBER* {count how many number sixes there are} *of the BEAST* {beast/kingdom of latter day Babylon}: *for IT* {number six} *is the number of a MAN* {this figurative man represents the false prophet/USA's leadership}; *and HIS* {the beast and the false prophet's} *number is Six hundred threescore and six* {number 6, number 6, number 6. After counting how many number sixes are written in this verse, the answer is three numbers are counted. The reason is the three numbers {6,6,6} pertain to the latter day kingdom that has a name called Babylon, being the same number six kingdom that reigns three separate times. The latter day Babylonian kingdom/beast first reigns as the number 6 kingdom; thereafter the same number 6 kingdom reigns as the seventh kingdom, and thereafter the same number 6 kingdom reigns as the eighth kingdom of Revelation 17:10,11. Accordingly, it is the same kingdom that

reigns three separate times as the sixth kingdom, sixth kingdom, and again as the sixth kingdom. Hence the reason latter day Babylon's number is 6 and written three times as 6,6,6 because the same kingdom reigns three separate times until the seven plagued angels begin being fulfilled}.

Revelation 2:29 He {overcomer} that hath an ear, let him hear what the SPIRIT {Holy Spirit/one like the son of man said to the Apostle John on the Isle of Patmos} SAITH {around 90AD} unto the churches {in Asia Minor}.

Anyone who has an ear can read and hear the counsels to the seven churches of Asia Minor. These counsels are written on the one like the son of man, who revealed during the judgment what the son of God had counseled to the seven churches of Asia Minor in 90AD. These counsels reveal how a person is lost, even though a person sincerely believes with all of his or her heart that he or she is saved by the ministry and sacrifice of Yahshua/Jesus. The ministry, promises, and sacrifice of Yahshua/Jesus pertain only to the people of the world that were living in the apostles' generation. All the statements made in the gospels by Yahshua/Jesus and the statements made in letters written by apostles and disciples of Yahshua apply only to the living people of that time that heard or read the statements and overcame their old beliefs until death. The things Yahshua promised to his apostles and disciples (as written in the gospels) before he was crucified only applies to them. After Yahshua's apostles and disciples received the power of the Holy Spirit, the things Yahshua's apostles and disciples said and wrote in letters to people living in those days only applies to the people living at that time. In 90AD, the Apostle John (being the new living messenger) on the isle of Patmos sent a new message written in the Book of Revelation to the seven churches for the people living in

90AD to believe in and be saved.
