

## Chapter 3

***Revelation 3:1 And unto the ANGEL {leadership} of the church in Sardis write; These things saith HE {ending of the sixth plagued angel that reveals the beginning of the seventh plagued angel, who is replaying, during the judgment, what Yahshua/Jesus said to the church of Sardis around 90 AD} that hath the SEVEN SPIRITS {being the written visions and oracles regarding the seven churches} of God {seventh plagued angel/God siting and reigning on the great white throne over the lava covered kingdom of latter day Babylon}, and the SEVEN STARS {when the seven spirits are revealed they are as seven burning flames/seven stars upon seven candlesticks}; I know thy works, that THOU {leadership/angel/messenger of Sardis} hast a name that thou livest, and art DEAD {is already dead when the seventh plagued angel is revealing Revelation 3:1 during the judgment}.***

The verse in Revelation 3:1 was being replayed by the seventh plagued angel during the judgment. At that time, the seventh plagued angel revealed the seven spirits that pertain to the visions and oracles written on a scroll that reveal what happened during the time when seven churches of Asia Minor existed in 90AD. The seventh plagued angel is God because he is recreating each generation according to the visions and oracles written on each scroll's first side, which is mixed on the last small

part of the scroll of life with the visions and oracles written on each scroll's last side. When the seven spirits are revealed from one of the scroll's first side, they are as the seven stars (seven flames/lights) upon the seven golden candlesticks. These seven stars burning upon the seven candlesticks reveal the works of the angels (messengers/leaderships) of the seven churches.

During the judgment, the seventh plagued angel revealed what Yahshua/Jesus said around 90AD to the leadership (angel/messenger) of Sardis. At that time, the seventh plagued angel was replaying the time of what was already shown during the initial 1,000 years of the judgment when all the scrolls were consecutively opened and revealed, as recorded by Michael and Gabriel on the seventh plagued angel according to what these two witnesses had witnessed taking place during the judgment. From one of these scroll is revealed the things that existed and happened during the time when seven churches of Asia Minor existed around 90AD. Therefore, the seventh plagued angel replayed what Yahshua/Jesus had counseled to the leader (angel/messenger) of the church of Sardis. Accordingly, the seventh plagued angel knows the works of the church of Sardis' leadership (angel/messenger).

The seventh plagued angel's written visions and oracles revealed the time when the leader (angel/messenger) of the church of Sardis was living and had a name that he was generally known by to his church members.

However, that leader is told by the ending of the sixth plagued angel (that reveals the beginning of the seventh plagued angel) that he is already dead, since his former life is being replayed from the future where the judgment is happening.

\*\*\*\*\*

***Revelation 3:2 Be watchful, and strengthen the things which remain, that are ready to die: for I*** {ending of the sixth plagued angel that is speaking of things Yahshua/Jesus had said to the leader of the church of Sardis around 90 AD in the first timeline} ***have not found thy works perfect before God*** {God\seventh plagued angel sitting on the great white throne during the judgment and ruling over the dissolved kingdom of latter day Babylon}.

In the first timeline of all generations, the Apostle John first wrote and sent the counsels of what Yahshua/Jesus counseled to the seven churches of Asia minor around 90AD. The things that happened in the generation of 90AD were written on a scroll and replayed during the judgment.

When the last scroll (scroll of life) began to be revealed during the judgment, it replayed the last generation from the time the latter day messenger began to reveal the dawning light (light/visions of the two witnesses) from

beneath the first seal, which was around the rolled-up seven-sealed scroll of life's first side. The visions and oracles written on the scroll of life were kept hidden while it remained rolled-up and sealed with seven seals/bands around it. From that time of the first dawning light of the scroll of life, all things that exist and happening in the last generation are according to what is written by Michael on the scroll of life's first side and what is written by Gabriel on the scroll of life's last side. According to the written visions and oracles on the scroll of life, the latter day messenger prophesies of things that will happen before the super volcano erupts smoke and ash just as they have already happened.

During the judgment, the seventh plagued angel in Revelation 3:2 is revealing what Yahshua/Jesus said concerning the works of the leader of Sardis' church. Yahshua said that this leader's works were not perfect before God (God/seventh plagued angel sitting and reigning as a bright light upon the swelled to heaven lava erupting super volcano during the judgment). Some time after the initial 1,000 years of the judgment, all things that existed and happened in each generation were and are being recreated (replayed) by the seventh plagued angel's written visions and oracles. This means that the seventh plagued angel is the God and father of all things that exist and happen.

Our life and our generation is being replayed by the

seventh plagued angel of what has already happened. Everything has already happened and is being replayed again. What ever we do or happens tomorrow, next week, next month, next year is what we has already been done and happened as written on the seventh plagued angel. We are all playing the part in this replay of all generations that we have already done in the first timeline. Some will believe this message before the super volcano opens in the USA, just as they have already believed in the first timeline. Many others will not believe or be interested in this message, just as they have already not believed or been interested in this message in the first timeline. The latter day messenger continues to write this message before the super volcano opens, just as he had already wrote this message in the first timeline.

The leader of the church of Sardis was counseled by Yahshua/Jesus to watch (be on constant search) for present new truth of a living messenger and his living apostles. Thereby if the leader accepted new present truth, the leader's dieing church will have been strengthened, instead of dieing (being lost) while claiming belief in Yahshua's/Jesus' and his apostles' old truth of salvation, which was only promised to people living in their generation. Yahshua revealed to the Apostle John on the Isle of Patmos a new message, which he wrote in the Book of Revelation. The seven churches and all living Christians from 90AD had to believe what John the

Apostle wrote in the Book of Revelation to be saved.

During the judgment, the seventh plagued angel has already revealed from a scroll that showed the Apostle John on the Isle of Patmos writing the Book of Revelation about 2000 years ago, just as the seventh plagued angel during the judgment is presently revealing from the last scroll (scroll of life) what had existed and happened in our generation. Hence the things existing and happening presently during our lives are because the seventh plagued angel is presently revealing the scroll of life's visions and oracles that are replaying what happened in this last generation.

\*\*\*\*\*

***Revelation 3:3 Remember therefore how THOU***  
{leadership of the church of Sardis} ***HAST RECEIVED***  
{how they received their present belief from a person  
revealing salvation in Yahshua's/Jesus' name} ***and heard,***  
***and hold fast, and REPENT*** {repent and be watchful for  
new present truth from a living messenger and his living  
apostles}. ***If therefore thou shalt not watch, I*** {seventh  
plagued angel revealing what Yahshua/Jesus had said to  
the Apostle John/living messenger of 90AD} ***will COME***  
{at the latter day resurrection when all the dead of all  
generations rise to life and health} ***on thee as a THIEF***  
{to take away their hope of salvation that was based on an  
old message of salvation}, ***and thou shalt not know what***

***HOUR*** {in our day, this hour represents the hour of temptation during latter day Babylon's second and third reigning periods, which begins to end at the opening of the super volcano in the USA} ***I will come upon thee.***

The leader of the church of Sardis (whose attitude reflects the members of Sardis) was counseled to remember how he became a Christian. His belief of salvation happened after hearing from someone of what is written in the gospels and letters of former apostles and disciples of Yahshua/Jesus. The leader of the church of Sardis was told that he must look for a new present truth message given by a new living messenger. Otherwise he will reject the living messenger's new message by believing there are no more prophets with new messages.

In 90AD, John the Apostle was the living messenger who revealed a new message from his Book of Revelation. All Christians in 90AD who weren't interested in understanding the Book of Revelation and died without believing what the Apostle John wrote in the Book of Revelation were not saved, even though they thought they were saved because their faith was based on what Yahshua/Jesus had said and promised to others that lived in the previous generation. Therefore at the latter day resurrection when Yahshua/Jesus comes to proclaim the everlasting gospel with all resurrected overcomers, every person that claimed salvation by believing what Yahshua said and promised to others but rejected new present truth

revealed by a living messenger will not resurrect as an overcomer. Accordingly, Yahshua at the latter day resurrection will be as a thief of the night that takes away the salvation that the leader and his church members presumptuously believed in.

At the ending of latter day Babylon's one hour reign, the top of the super volcano will explode and cause an earthquake to travel down and open the bottomless pit. On that day when the super volcano opens and erupts smoke and ash continually, the ending of latter day Babylon's one hour reign over the latter day nations begins. At the ending of this hour is the latter day resurrection of all the dead of all generations. On the day of the latter day resurrection, Yahshua comes with his resurrected apostles and disciples to learn a new song and proclaim the everlasting gospel to gather the great multitude. On the day of the latter day resurrection, every patriarch, prophet, and messiah resurrects (or comes) with their apostles and disciples to learn a new song and proclaim the everlasting gospel to gather the great multitude.

Any Christian leader or member of the seven churches that believed the message which the Apostle John (living messenger of 90AD) sent them became Apostles and disciples of the then new living messenger (Apostle John). The then new Apostles that believed and promoted the new present truth written in the Book of Revelation gathered disciples and created new churches. After the

death of the living messenger (Apostle John), one of John's followers would reveal a new message from the Book of Revelation (including other parts of scripture) to become the new living messenger, as witnessed by Michael and Gabriel and written on a scroll. The new messenger would then gather apostles who believed his message. These apostles would then gather disciples. At the death of the messenger, one of his followers would then become the next living messenger having a new message to reveal from the Book of Revelation, as witnessed by Michael and Gabriel and written on another scroll. The new living messenger proclaimed his message and gathered apostles and disciples. This scenario plays out the same way in each generation to the last generation. In the latter days, the latter day messenger (being a follower of the former messenger) is revealing the purest and truest message from the Book of Revelation and other parts of scripture before the super volcano opens in the USA.

In our day, the leaders of Christian churches are not watching for the two witnesses' new present truth revealed from a living messenger. Therefore, they will not know the hour of temptation that is happening during the time when the latter day living messenger is revealing the visions and oracles written on the last scroll (scroll of life) before the super volcano explodes in the USA. The living messenger's new present truth message (that the leaders of

Christendom were not watching for) will steal away their presumptuous hope of salvation. Their hope in salvation (which they had received, heard, and held fast) is based on what a person or persons had told them (before they became Christians keeping the faith) concerning old promises spoken by a former messiah/messenger. Though, these old written promises were only meant for people living in the living messenger's generation.

\*\*\*\*\*

***Revelation 3:4 Thou*** {leadership of the church of Sardis} ***hast a few names*** {of people} ***even in Sardis which have not defiled their GARMENTS*** {spiritual garments of light/new present truth}; ***and they SHALL*** {during the judgment} ***WALK*** {among seven golden candlesticks} ***with ME*** {Yahshua/Jesus} ***in WHITE*** {wearing the same intensely bright garments of light/visions that is on the seventh plagued angel}: ***for THEY*** {the overcomers in the church of Sardis of their former beliefs} ***are WORTHY*** {having received, believed, and held fast to the new light/visions and oracles written in the Book of Revelation of a new living messenger/Apostle John of that time}.

There were a few names of people living in the city of Sardis around 90AD that had not defiled (darkened) their garments of light (present new truth) by mixing the new bright truth with old faded beliefs. They had received the new light (present truth) that clothed them from the

Apostle John's new message in the Book of Revelation. The replay of the Apostle John's new ministry around 90AD was according to the seventh plagues angel's visions and oracles, which were written on a scroll by Michael and Gabriel of the things they witnessed happen around 90 AD. In that time, a new message was being revealed to Christendom's churches through the new living messenger (Apostle John) and his new apostles.

The time in Revelation 2:1 happened when the ending of the sixth plagues angel (that reveals the beginning of the seventh plagues angel) walked among seven golden candlesticks during the judgment to reveal the visions and oracles (written on a scroll) that replay the generation that began around 90AD. During the judgment, the seventh plagues angel revealed what is written on a scroll concerning the seven churches of Asia Minor. At that time, the names of people living in the city of Sardis that had overcome and not defiled their garments are already walking with the seventh plagues angel among the seven golden candlesticks. These overcomers are already wearing the same intensely bright white garments as the seventh plagues angel wears, who is holding and revealing the seven stars in his right hand during the judgment.

\*\*\*\*\*

***Revelation 3:5 He that OVERCOMETH*** {having

overcome his/her old beliefs by accepting the living messenger's present new truth and resurrects in the latter days at the opening of the super volcano}, ***the same shall be clothed in WHITE RAIMENT*** {which is the same garment of light that clothes the seventh plagued angel in Revelation 15:6}; ***and I*** {ending of the sixth plagued angel that reveals the beginning of the seventh plagued, that is replaying the things Yahshua/Jesus had said to Sardis in the first timeline of all generations} ***will not blot out his name out of the BOOK OF LIFE*** {being the last scroll/scroll of life, that contains the written visions and oracles that replay all things that existed and happened from the time the latter day living messenger's message began to dawn from beneath the first seal and through the judgment}, ***but I*** {Yahshua/Jesus during the judgment} ***will confess HIS*** {believer's} ***name before MY*** {Yahshua's/Jesus'} ***Father*** {being the seventh plagued angel}, ***and before HIS*** {seventh plagued angel's} ***ANGELS*** {referring to patriarchs, prophets, messiahs, apostles, disciples, and great multitude of angels}.

During the present replay of all generations, any person that overcomes their old beliefs and accepts new present truth proclaimed by a living messenger, these righteous people will be clothed with the seventh plagued angel's bright white garment, just as they were clothed with bright white garments in the first timeline. During the first timeline, Michael noted on each scroll's first side the

people of each generation that overcame their old beliefs by accepting new present truth, while Gabriel noted on each scroll's last side the people of each generation that overcame their old beliefs by accepting new present truth. Accordingly during each replay of each generation, it is already written who the overcomers are that had received and stayed faithful to new present truth revealed by a different living messenger in each generation. Each living messenger and his apostles and disciples (that overcame their old beliefs by accepting new present truth) are written as overcomers on a scroll.

During the replay of each generation when each scroll is being revealed during the judgment, all the overcomers and non overcomers are shown having died and being blotted out of life. However, the overcomers and non overcomers who died in all generations will resurrect when the bottomless pit explodes and erupts smoke and ash in the USA, just as they had resurrected in the first timeline. When the last scroll is replaying the last generation, it will show all the dead resurrecting to life and health. At that time, all the dead will then be playing a living part in the last generation, as written on the scroll of life.

The resurrected patriarchs, prophets, messiahs, and overcomers of all generations will learn a new song and proclaim the everlasting gospel to all nations, kindreds, tongues, and peoples living in the last generation to gather

a great multitude. All who fail to accept the everlasting gospel will be blotted out of the scroll of life by the plagues that issue from the opened super volcano, just as they were blotted out in the first timeline. Accordingly, all non overcomers that failed to accept the everlasting gospel and enter new Jerusalem's ensign will not have a part in the new heaven and new Earth, as written on the last scroll (scroll of life).

During the initial 1,000 years of the judgment, each scroll was being opened to replay each generation from Genesis through to the beginning of the last generation. At the end of the initial 1,000 years of the judgment, the last scroll (scroll of life) began to be opened to replay what happened in the last generation, the new heaven and new Earth, and what has happened and been happening during the judgment.

When the visions and oracles written on the last small part (represented by the seventh plagued angel) of the scroll of life began to be revealed some time after the initial 1,000 years of the judgment, these written visions and oracles began to reveal everything that existed and happened from the time the seventh plagued angel rose as a great light with a lake of fire in the immense mouth of the swelled to heaven super volcano through the continuing time of the judgment. The initial 1,000 years of the judgment are equal to one day of the real world (see

Palms 90:4).

Visions and oracles written on all scrolls reveal the overcomers and non overcomers of all past generations that had all lived and all died. Hence they were blotted out (died) from playing a part in life, as recorded on each scroll. The seventh plagues angel will reveal from the last scroll's (scroll of life's) written visions and oracles how the overcomers of all generations resurrected to play a part in life of gathering a great multitude of people to enter new Jerusalem's ensign to remain alive forevermore. The seventh plagues angel will also reveal how all the people living after the resurrection that refused to accept the everlasting gospel were blotted out from the scroll of life by the plagues caused by the erupting super volcano.

God the father (seventh plagues angel) recreated all generations, according to what is written on the scrolls. Michael's messenger of each generation is a David/father type to Gabriel's messenger, who is a Solomon/son type. Gabriel's living messenger in each generation always fulfills what Michael's dead messenger failed to fulfill. During the judgment, the seventh plagues angel will reveal how Gabriel's messenger of each generation confessed (revealed) who the overcomers were in each generation. At that time, all overcomers of all generations are dressed in the same white garments (representing visions) of the seventh plagues angel.

\*\*\*\*\*

***Revelation 3:6 He that hath an ear, let him hear what the SPIRIT*** {ending of the sixth plagues angel that reveals the Holy Spirit/seventh plagues angel} ***SAITH*** {replaying what Yahshua/Jesus said in the first timeline} ***unto the churches.***

Any person who has an ear to hear and believe Yahshua's/Jesus' counsel to the seven churches and overcomes their old beliefs by accepting present new truth from a living messenger, these righteous people will not be blotted out of the scroll of life by plagues caused by the smoke, ash, and then the lake of lava overflowing and spreading from the swelled to heaven super volcano.

\*\*\*\*\*

***Revelation 3:7 And to the ANGEL*** {messenger/leadership} ***of the church in Philadelphia write; These things saith HE*** {ending of the sixth plagues angel that reveals the seventh plagues angel, who is replaying what Yahshua/Jesus said to the Apostle John on Patmos regarding the leadership of the church in Philadelphia} ***that is HOLY*** {holy/pure as an immense lake of lava that has filled the 40-mile wide mouth/temple of the swelled to heaven super volcano}, ***he that is true, HE that hath the KEY*** {that opens the door in heaven where the seventh plagues angel is seen during the

judgment about to reveal the last scroll's/scroll of life's visions and oracles} *of David* {equated with the first witness' written visions and oracles}, *he that OPENETH* {unseals the seven seals to unroll/open the rolled-up scroll of life}, *and no man SHUTTETH* {re-mystifies the visions and oracles written on the scroll of life}; *and SHUTTETH* {conceals the visions and oracles written on the rolled-up scroll of life}, *and no man OPENETH* {no person is able to open the scroll of life to reveal the written visions and oracles with their erroneous interpretations};

During the judgment, the seventh plagued angel replayed in Revelation 3:7 what Yahshua/Jesus had said to the leadership of the church of Philadelphia (the meaning of the word Philadelphia is reflected in the counsel to Philadelphia). In Revelation 3:7, the ending of the sixth plagued angel (that reveals the beginning of the seventh plagued angel) says that he has the key (key to the door in heaven of Rev.4:1) of David (messenger/David type/Father of the son/Solomon type). Michael wrote of one of his messenger's (David). David failed to fulfill Michael's predictions to construct the temple in old Jerusalem. However, Gabriel's messenger (Solomon/son) was able to fulfill his father's (David's) failed prediction of building the temple of God on old Mount Zion in old Jerusalem. In our day, Michael's latter day dead messenger failed in constructing the spiritual temple in

spiritual new Jerusalem. Instead, Gabriel's living messenger is given the key to open the door (see Rev.4:1) which the Apostle John saw in heaven. Within this door is seen the time later in the judgment when the seventh plagues angel is about to show what happened earlier in the judgment when the rolled-up seven-sealed scroll of life was unsealed and revealed by Gabriel's latter day messenger.

The latter day living messenger has the spiritual key that opens the door to understand the prophecies written on the scroll of life. With this key of understanding the visions and oracles written on the scroll of life, the latter day living messenger constructs the spiritual temple when he gathers his apostles (representing foundations of the spiritual temple) and disciples (representing walls and pillars of the spiritual temple) and prophesies of the day when the resurrection happens to finish constructing the spiritual temple with the resurrected apostles and disciples of all generations. This key in the hand of Gabriel's latter day living messenger reveals that he can open the rolled-up seven-sealed scroll of life written in the Book of Revelation. Thereby he can reveal from the scroll of life how he prophesies during three reigning periods of latter day Babylon's rule to gather his apostles and disciples. He also reveals from the scroll of life the day of the opening of the super volcano when it explodes and erupts smoke and ash for five months, the resurrection of all apostles and disciples of all generations with the resurrection of all

non believers at the explosion of the super volcano, gathering of a great multitude from all nations when the super volcano is erupting smoke and ash, gathering all the redeemed into the intensely bright ensign within new Jerusalem after the super volcano has swelled-up to the sky (heaven) and explodes with a great earthquake as it fills its mouth with a lake of fire, a new heaven and earth for the redeemed to dwell in, the initial 1,000 years of the judgment when each scroll is opened to replay each generation.

After the initial 1,000 years of the judgment, the last scroll (scroll of life) was opened. Some time thereafter, the last small part of the scroll of life (represented by the seventh plagued angel) revealed what happened from the time the swelled to heaven super volcano filled its mouth with a lake of fire, the gathering of the redeemed into the ensign, the new heaven and new Earth, the replay of the initial 1,000 years of the judgment when all the scrolls were opened, and the replay of the time when the last small part of the scroll of life began to be revealed.

***Revelation 4:1** After this I looked, and, behold, a DOOR was OPENED {with the key of latter day David in the latter day messenger's/Solomon's hand} in HEAVEN {where the judgment is happening upon the swelled to heaven super volcano}: and the FIRST VOICE {of the seventh plagued angel} which I heard was as it were of a trumpet talking with me; which said, Come up hither, and*

*I will shew thee things which must be HEREAFTER* {hereafter 90AD when later in the judgment the scroll of life is being revealed by the seventh plagued angel to replay the last generation}.

***Revelation 5:1*** *And I saw in the RIGHT HAND* {hence written by the right hand/first witness that also has the writings of the last witness/left hand} *of HIM* {seventh plagued angel} *that sat on the THRONE* {great white throne of intense light reigning over the lava covered dissolved kingdom of latter day Babylon} *a BOOK* {rolled-up seven-sealed scroll of life} *written within* {written within/last side by Gabriel} *and on the backside* {written on the backside/first side by Michael}, *SEALED with SEVEN SEALS* {seven seals around the first side of the scroll of life, which only Gabriel's latter day living messenger can unseal the seven seals and unroll the scroll of life to reveal the hidden visions and oracles written on it}.

As old King David failed to construct the temple in old Jerusalem with the key of his kingdom, so latter day David (deceased former messenger) also failed to unseal and open the scroll of life's mysteries to finish constructing the latter day spiritual temple of overcomers. People are gathered in the latter days to be a part of the first group (apostles representing foundations) and second group (disciples representing pillars and walls) of redeemed. These latter day overcomers are gathered by

the latter day messenger's (latter day Solomon's) message before the super volcano opens in the USA. When the opened super volcano erupts smoke and ash, then the resurrection and of all messengers (including the return of Enoch, Moses, Yahshua/Jesus and others that were translated) and their dead apostles and disciples will happen to finish constructing the spiritual temple.

Instead of old King David constructing on old Mount Zion the temple of old Jerusalem, his son Solomon received the key of the kingdom of Israel and was able to construct the temple in old Jerusalem. This reveals how Gabriel's latter day messenger (latter day Solomon) received the key/knowledge that Michael's latter day deceased former messenger (latter day David) wanted to reveal and fulfill by unsealing and revealing the scroll of life's written predictions to the latter day nations of Christendom. When latter day Solomon (latter day living messenger) opened the door in heaven with his figurative key and revealed the mysteriously written visions and oracles written on the scroll of life, thereafter no person is able to rebuttal his interpretation whereby the visions and oracles written on the scroll of life again become a mystery. However, if latter day Solomon does not reveal (keeps closed) the mysteriously written visions and oracles written on the scroll of life, no person (though many people have tried and failed) is able to truthfully reveal the meaning of the visions and oracles written on

the scroll of life.

\*\*\*\*\*

**Revelation 3:8 I** {ending of the sixth plagued angel that reveals the seventh plagued angel, who is replaying what Yahshua/Jesus had said to the leadership of the church of Philadelphia} **know thy works: behold, I have set before thee an OPEN DOOR** {opened with the key of David by latter day Solomon to view within the door what is happening during the judgment when the seventh plagued angel is revealing the Lamb manifesting and taking the scroll and unsealing its seven seals around the rolled-up scroll of life}, **and no man can shut it: for THOU** {leadership of Philadelphia} **hast a little strength, and hast kept MY** {Yahshua's/Jesus'} **WORD** {as revealed by the Apostle John from the Book of Revelation, which the Apostle John wrote around 90AD}, **and hast not denied MY NAME** {Yahshua/Jesus}.

The Apostle John had sent his writings (the Book of Revelation) of what Yahshua/Jesus said to the seven churches of Asia minor. An open door was revealed from the Apostle John's writings in the Book of Revelation. This door was opened with the the key of the first latter day messenger (latter day David) in the hand of the second latter day messenger (latter day Solomon). Within this door in heaven, the Apostle John was shown things that happened during the judgment. Within this door in

heaven is shown the time when the visions and oracles written on the last scroll (scroll of life) are about to be replayed by the seventh plagued angel to show the things that happened in the last generation and the judgment period, see Revelation 4:1).

***Revelation 4:1*** *After this I looked, and, behold, A DOOR WAS OPENED* {opened by the latter day messenger/latter day Solomon with the key of the former deceased latter day messenger/latter day David to unseal and reveal the scroll of life's visions and oracles} *in HEAVEN* {heaven represents the swelled to heaven super volcano that covered the world in a lake of fire. Above the immense mouth full of a lake of lava is sitting the seventh plagued angel's written visions and oracles ruling over the lava covered dissolved kingdom of latter day Babylon}: *and the FIRST VOICE* {voice of the ending of the sixth plagued angel} *which I* {Apostle John} *HEARD* {while in the spirit on the Isle of Patmos} *was as it were of a trumpet talking with me; which said, Come up hither, and I* {ending of the sixth plagued angel that reveals the seventh plagued angel} *will SHEW* {what happens later in the judgment after the seventh plagued angel revealed all the other scrolls that replayed all past generations except the last generation} *THEE* {Apostle John who is equated with latter day John/latter day Solomon} *THINGS which MUST BE HEREAFTER* {later in the judgment when the seventh plagued angel replays the last generation by

revealing the visions and oracles written on the last scroll/scroll of life}.

The leader of the church in Philadelphia faithfully kept Yahshua's/Jesus' counsels that were revealed by the Apostle John from his writings in the Book of Revelation. At that time, the Apostle John was the living messenger that proclaimed his new message from the Book of Revelation to the seven churches of Asia Minor around 90AD. When the leader (messenger/angel) of the church of Philadelphia and his church members kept the new present truth revealed by the then living messenger (Apostle John), the leader and his church members will have not denied the name of Yahshua/Jesus, which is one of the names of the seventh plauged angel.

\*\*\*\*\*

***Revelation 3:9 Behold, I*** {ending of the sixth plauged angel that reveals the beginning of the seventh plauged angel, who is replaying what Yahshua/Jesus said to the seven churches of Asia Minor} ***will make them of the synagogue*** {temple/church} ***of Satan*** {the Satan/adversary against new present truth of a living messenger's message}, ***which say they are JEWS*** {in our day the spiritual Jews are the Christians in the USA}, ***and are not, but do lie; behold, I will make them TO COME*** {when standing unsaved outside new Jerusalem during the judgment} ***and WORSHIP*** {bow down while outside

new Jerusalem}, *before THY FEET* {standing within new Jerusalem} *and to know that I* {seventh plagued angel who is replaying what Yahshua/Jesus said to the leadership of Philadelphia} *have loved thee.*

The faithful church members of Philadelphia that believed the Apostle John's message are equated with latter day people who believe the latter day living messenger's message. In the past type, the Judeans (being Jews who continued to promote old Moses' laws and rituals) and the spiritual Judeans (being Christians who rejected the Apostle John's new message revealed from his writings in the Book of Revelation) were labeled as the synagogue of Satan (Satan/adversary towards a new message revealed by a living messenger).

In the latter days, the adversaries (Satans) of latter day John's message (concerning the salvation of people before the super volcano opens in the USA) are the spiritual Jews (being the leadership and non believers living in the USA). Any person that rejects this message is of the churches (synagogues) and cities of the adversary (Satan). Every faithful person who accepts latter day Solomon's new present truth message revealed from seven angels with trumpets written on the scroll of life's seventh part are loved by the seventh plagued angel. The visions and oracles of these seven angels with trumpets warn of the imminent arrival of the super volcano's woes. The believers of these warnings will be kept on a straight path

to a new Earth during this hour of temptation.

During the judgment that is presently happening in heaven, the rebellious creatures (representing all the rebellious people who lived in every generation of the world) will be standing outside new Jerusalem (see Revelation 5:13). At the same time, the three groups of redeemed (1st group represented by four-winged and six-winged beasts, 2nd group represented by 24 elders, and 3rd group of redeemed represented by many righteous angels) will be within new Jerusalem.

When the seventh plagues angel opens the last scroll (scroll of life) to reveal its written visions and oracles during the judgment, the rebellious people (who will not have yet realized they were the rebellious people on Earth) standing outside new Jerusalem as spirits (ghosts) will bow down on bent knees (see Isaiah 45:23) and worship before the three latter day groups of redeemed, that are closer to the reigning throne within new Jerusalem. The rebellious will realize that the seventh plagues angel loved the people that believed the present truth visions and oracles revealed in each generation by a living messenger. Accordingly, the two witnesses' predictions written on seven angels with trumpets on each scroll's seventh part kept the redeemed from falling into confusion during each generation's hour of temptation.

***Revelation 5:13 And EVERY CREATURE*** {representing

the rebellious dead people of every generation of the world} *which is in HEAVEN* {heaven represents the area of the swelled to heaven super volcano, on which the seventh plagued angel's visions and oracles are sitting and reigning over the lava covered dissolved kingdom of latter day Babylon}, *and* {these creatures representing rebellious dead people} *on the earth* {land}, *and* {had died} *under the earth* {land}, *and such as are* {dead} *in the SEA* {the sea that covered the world after the lake of fire covered the world}, *and all that are in them, heard I saying, Blessing, and honour, and glory, and power, be unto HIM* {seventh plagued angel's visions and oracles sitting and reigning over the destroyed lava covered kingdom of latter day Babylon} *that sitteth upon the THRONE* {this huge throne of intense bright white light is reigning over all dissolved nations that ended in an overflowing lake of lava}, *and unto the LAMB* {this lamb represents the visions and oracles revealed by the latter day living messenger} *for EVER AND EVER* {because according to what is continually written on the seventh plagued angel, the seventh plagued angel replays each generation of the world from the beginning through to the ending of the judgment. As the replay is happening, that replay is being written on the seventh plagued angel to again be revealed and so on}.

***Isaiah 45:23*** *I have sworn by myself, the word is gone out of MY* {seventh plagued angel} *mouth in righteousness,*

*and shall not return, That unto ME {seventh plagued angel's visions and oracles sitting on the great white throne} EVERY KNEE {of righteous and rebellious people} SHALL BOW {during the judgment}, every TONGUE SHALL SWEAR {confess that to allow the destruction of the rebellious and world is a righteous act}.*

***Revelation 3:10 Because THOU*** {leadership of the church of Philadelphia} ***hast kept the word of MY*** {seventh plagued angel replaying what Yahshua/Jesus had said to the leadership of the church of Philadelphia in 90AD} ***patience, I*** {seventh plagued angel} ***also will keep thee from the HOUR*** {the first half hour parallels the time when six angels with trumpets are being revealed. The second half hour of this one hour parallels the time when six lights of the seventh angel with trumpet are being revealed} ***of TEMPTATION*** {when people who believe the living messenger's message are tempted by a different vision concerning salvation or the world's future}, ***which shall come upon all the world, to try them that dwell upon the earth*** {Earth/land of the ruling nation}.

In every generation when the last witness' (Gabriel's) living messenger was revealing a message, that time was the hour of temptation. The latter day living messenger's new Daily light was recorded on the scroll of life's six of

seven seals. Then new Daily light dawned to life to be written on six of seven angels with trumpets. Thereafter, new Daily light dawned and is written on six of seven lights of the seventh angel with trumpet. During these seven angels with trumpets is the hour of temptation. The hour of temptation tests a person's faith in the living messenger's message. When the prophecy of latter day Babylon's fall is declared by the living messenger and failed to happen as predicted during the end of the sixth seal, the messenger then prophesied again of latter day Babylon's fall during the six angels with trumpets. When that prophecy failed to happen, the living messenger then prophesies again for 1260 days of latter day Babylon's fall during the six lights of the seventh angel with trumpet. During the time of prophesying of each renewed message, failure of the message, and revival to life of a new message by the living messenger, the believers of present new truth are tempted to instead accept the vision for the world's future that is being promoted by others and by the ruling establishment.

***Hosea 12:6*** *Therefore turn thou to thy GOD {seventh plagued angel}: keep mercy and judgment and WAIT {during the hour of temptation} on thy God {visions and oracles written on the seventh plagued angel} CONTINUALLY.*

***12:7*** *He {God/seventh plagued angel} is a MERCHANT {a trader of visions and oracles}, the BALANCES*

{representing the two witnesses' written predictions} *of DECEIT* {the fulfillment of predictions are seemingly delayed until the latter days when the seventh light of the seventh angel with trumpet is fulfilled, as written on the last scroll/scroll of life} *are in HIS* {seventh plagued angel's} *hand: HE* {seventh plagued angel's visions and oracles} *LOVETH TO OPPRESS* {oppresses with failed and renewed predictions made by living messengers in every generation}.

In the latter days, the hour of temptation had commenced when the latter day messenger (latter day Solomon) began to reveal his message as the first angel with trumpet was beginning. At that time, the latter day spiritual seven-headed ten-horned Babylonian beast (representing the latter day kingdom/union of nations of Christendom uniting in agreement to enforce the USA's vision on non-complying nations) had already begun its second reigning period (being the first half hour of temptation), but in the land of figurative Canaan. Its third/final reigning period of 1290 days during the 2300-day period is of the second half hour of the one hour of temptation. It is the hour of temptation because while the union of nations is promoting and enforcing the vision that the USA has for the world's future, the believer's are tempted to forsake the latter day messenger's message when it dies unfulfilled and then a new message revives to life. His revived new message again proclaims the imminent fall of latter day

Babylon's kingdom, prophesying of the super volcano's top exploding and the earthquake of the explosion travels down and opens the bottomless pit in the USA's land.

***Revelation 17:12*** *And the TEN HORNS* {representing in our day the union of nations of Christendom uniting to enforce the USA's vision for the world} *which thou sawest are TEN KINGS* {the ten horns/ten kings are based on the old ten tribes of Israel situated in the two tribes/kingdoms of Judah and Joseph in the kingdom of old Israel, but in our day the ten kings represent the many kingdoms/nations of Christendom}, *which have received NO KINGDOM AS YET; but receive power as kings ONE HOUR* {being the hour of temptation during latter day Babylon's second reigning period/half hour and latter day Babylon's third reigning period/half hour}, *with the BEAST* {beast/union of nations/kingdom of confusion}.

***Revelation 3:11*** *Behold, I* {seventh plagued angel replaying what Yahshua/Jesus said to the leadership of the church of Philadelphia} ***COME QUICKLY*** : {comes quickly at the latter day resurrection when the seventh plagued angel replays it again} ***hold that fast which THOU*** {leadership of Philadelphia} ***HAST*** {as received from the then living messenger/Apostle John}, ***that no man take thy CROWN*** {the figurative crown of life is worn after the latter day resurrection when the scroll of

life's predictions are reigning over latter day Babylon's fallen kingdom}.

The leadership and church members of Philadelphia were holding fast to their present new truth revealed by the Apostle John (living messenger) from his writings in the Book of Revelation. If the leadership and members of the church of Philadelphia overcame the hour of temptation and did not allow any person to take away their present new truth, they will figuratively wear their reigning crowns of life over confusion after the latter day resurrection. At that time of the latter day resurrection, the faithful believers of all generations that held fast to the message revealed by a living messenger in every generation will resurrect to life to learn a new sone and proclaim the everlasting gospel. Thereafter when the seventh plagued angel has risen as a great light and the redeemed have entered the ensign of new Jerusalem, they will then be given a a crown of life in the new heaven and new Earth, which reigns over the old lava covered kingdom of latter day Babylon.

Some time after the initial 1,000 years of the judgment, the last small part (represented by the seventh plagued angel) of the scroll of life began to be revealed. From this last small part, all things that happened from Genesis through the last generation, new heaven and new Earth, and time of the judgment are replayed over quickly. Before this last generation (that we are presently living in)

began being replayed by the seventh plagued angel during the judgment, all past generations (including what Yahshua/Jesus said in 90AD to the seven churches of Asia Minor) were first replayed by the seventh plagued angel. Yahshua/Jesus has already come quickly in the first replay of the latter day resurrection with his reward. He will come quickly again during the present replay of the last generation when the latter day resurrection happens again.

**MORE OUT** {from the time the latter day resurrection happened in the first timeline, the overcomers of all generations became the permanent pillars and walls of the spiritual temple}: **and I** {ending of the sixth plagued angel speaking as Yahshua/Jesus} **will write upon HIM** {overcomer that lived during the generation of the seven churches of Asia Minor} **the NAME** {seventh plagued angel) **of MY** {ending of the sixth plagued angel speaking as Yahshua/Jesus} **GOD** {seventh plagued angel's visions and oracles reigning on the great white throne of intense light}, **and the name of the CITY** {that surrounds the swelled to heaven super volcano full of a lake of fire} **of MY** {Yahshua's/Jesus'} **GOD** {seventh plagued angel), **which is NEW JERUSALEM** {being a huge whirlwind/tornado of light representing at that time the new Eden and the three groups of redeemed}, **which COMETH DOWN** {to the new Earth} **out of HEAVEN** {heaven refers to the top of the lifted-up to heaven super volcano full of an overflowing lake of fire} **FROM** {the height of the high mountain of the super volcano} **my GOD** {where the seventh plagued angel's visions and oracles are sitting and reigning on a great white throne of intense light}: **and I will write UPON HIM** {upon the overcomer's that lived in the generation of the seven churches of Asia Minor} **MY** {Yahshua's/Jesus'} **NEW NAME** {being the new name of the latter day messenger/latter day Yahshua}.

In every generation, a living messenger proclaimed a new message to the people that claimed salvation in the message of a deceased messenger. The Apostle John was the living messenger for the generation of the seven churches of Asia Minor. There were people that lived in the generation of the seven churches of Asia Minor that overcame their old beliefs, accepted the new present truth message revealed by the Apostle John, and remained faithful to their new belief till death. These people will resurrect in the latter days to be among the priests (first group/apostles of redeemed) and elders (second group/disciples of redeemed) that stand as pillars in the latter day spiritual temple.

After the sign of Jonah when the bottomless pit explodes and continually erupts smoke and ash for five months, they will then learn a new song and proclaim the everlasting gospel while smoke and ash are erupting for five months. At the end of these five months, the swelled to heaven super volcano exploded with a great earthquake, as the seventh plagued angel rises as a great light while the swelled to heaven super volcano's immense 40-mile wide mouth is filling with a lake of fire. When the high immense mouth is full of a lake of fire, then the seventh plagued angel will have risen as an intensely bright light above the swelled to heaven super volcano. The tremendous heat emanating from the immense mouth full of a lake of fire causes a massive

whirlwind of fire to manifest around the super volcano. This massive tornado represents new Jerusalem. When the redeemed enter the the intensely bright light (ensign) of new Jerusalem before the lake of fire overflows to spread throughout the world, they will thereafter receive their crowns of life in the new heaven and new Earth, where they become permanent pillars of the spiritual temple. The new heaven and new Earth replaces the old heaven and old Earth that became covered by the lake of fire, that overflowed and covered the world.

On the minds of the redeemed that enter the ensign will be written the new name of the latter day messenger (latter day Yahshua) and the new name of God (seventh plagued angel), which they will have proclaimed to the world during the five months of erupting smoke and ash.

The spiritual sanctuary/temple is equated with the top of the high mountain (new mount Zion) of the swelled to heaven super volcano. The top of the mountain around the immense mouth is likened to the inner court of the temple, where elders (disciples/second group of redeemed) stand. The immense mouth is as the temple's house, where priests (apostles/first group of redeemed and high priests/patriarchs, prophets, and messiahs) stand. Around the high mountain of the lava erupting super volcano is an immense fiery whirlwind that rains great hailstones, which are the walls of new Jerusalem. Within new Jerusalem (being as the outer court of the temple) stand

the great multitude. All the redeemed will have entered the intense light emanating from within new Jerusalem before the world is consumed by the overflowing and spreading lake of lava.

New Jerusalem represents the Eden of the new world. Therefore when the redeemed are dwelling in the new heaven and new Earth, it is as if new Jerusalem (that represents the three groups of redeemed) came down from the swelled to heaven super volcano's mountain overflowing with a lake of lava to be in the new heaven and new Earth. In the new Earth and new heaven, the previously very high mountain full of a lake of fire and overflowing with a river of lava from the old heaven will be dormant and lower in the new heaven and covered with plants, grass and animals. Instead of a river of fire (that overflowed from the swelled to heaven mountain of the super volcano) will be an overflowing river of pure water of life flowing from the top of the new heaven of Eden's mountain down through the new garden of Eden.

From the time the seventh plagued angel rises as a great light with a lake of fire upon the swelled to heaven bottomless pit, the saints (priests and elders) will enter the ensign of the finished spiritual temple and will not be removed from continuing to be pillars during each replay of the latter day resurrection. The reason is that their part as an overcomer is sure in every replay. At the time the overcomers enter the ensign, in their minds will be the

new name of God (seventh plagued angel that creates all things), the name of new Jerusalem (represented by an immense fiery tornado with great hailstones that form in heaven and rain down and surround the high mountain of the super volcano full of a lake of fire), and the new name of latter day Yahshua/Jesus.

***Revelation 3:13 He that hath an ear, let him hear what the Spirit*** {Holy Spirit/Ghost/seventh plagued angel}  
***SAITH UNTO THE CHURCHES*** {the seventh plagued angel replays what Yahshua/Jesus said to the Apostle John around 90AD concerning the seven churches of Asia Minor} .

A person needs to have an ear to hear what Yahshua/Jesus said to the leadership and church of Philadelphia in the first timeline, as replayed in Revelation 3:13 by the seventh plagued angel during the judgment. All the people that heard what the Apostle John revealed during the generation of the seven churches, overcame their old beliefs by believing present new truth revealed by the Apostle John. Thereby after the latter day resurrection, they became a pillar in the spiritual temple.

Every time the seventh plagued angel replays all generations, the overcomers are again shown as being out of the temple until the seventh plagued angel replays the

time when the spiritual temple is constructed when it is full of a lake of fire and the overcomers have entered the ensign of new Jerusalem. When the seventh plagued angel replays from the last scroll's (scroll of life's) written visions and oracles the time when the overcomers entered new Jerusalem to take their place in the temple, all overcomers are again the foundations, pillars, and walls of the finished spiritual temple, just as they were in previous replays. Hence, no matter how many times each generation is replayed, the same overcomers are forever priests and elders of the seventh plagued angel's temple.

***Revelation 3:14 And unto the ANGEL {leadership} of the church of the Laodiceans write; These things SAITH {the ending of the sixth plagued angel and beginning of the seventh plagued angel are replaying during the judgment what Yahshua/Jesus said to the leadership of the church of Laodicea around 90AD} the Amen, the FAITHFUL {first witness} and TRUE WITNESS {last witness}, the BEGINNING {from the time of Genesis} of the CREATION of God {during the judgment, the creation is being replayed over and over by the seventh plagued angel/God from all the scrolls that are written on the last small part of the last scroll/scroll of life};***

The vision in Revelation 3:14 was revealed by the ending

of the sixth plagued angel and beginning of the seventh plagued angel during the judgment. This vision shows the seventh plagued angel replaying what Yahshua/Jesus had said to the Apostle John around 90AD concerning the leadership (angel/messenger) of the Laodiceans (the meaning of Laodicea is reflected in the counsel to Laodicea).

The Amen is the combined faithful first witness and true last witness written on the last small part of the scroll of life. The seventh plagued angel replays what the faithful witness and true witness wrote concerning all things that happened in each generation, the new heaven and new Earth, and the time of the judgment. The seventh plagued angel is faithfully and truthfully revealing the visions and oracles written by the two witnesses (Michael and Gabriel). These visions and oracles replay all things that existed and happened from the beginning of Genesis through the end of the last generation and the judgment period, just as Michael and Gabriel saw and heard all things that existed and happened in the first timeline. The visions and oracles written on each scroll's first side are of the memory of Michael (first witness) concerning everything that existed and happened in the evening of each generation and the time of the judgment. On each scroll's last side are written the visions and oracles that are of the memory of Gabriel (last witness), who witnessed the things that existed and happened during daylight.

The two witnesses' (Michael's and Gabriel's) visions and oracles written on the last scroll (scroll of life) reveal all things that will happen in this last generation, because they (two witnesses) have already seen (witnessed) and heard the things that took place. Thereby, the two witnesses can speak to the latter day messenger from their written words in the Bible concerning the opening of the bottomless pit (super volcano) in the USA, so that the latter day resurrection can happen and three groups of redeemed can be saved before the world ends in an overflowing and spreading lake of fire. Hence, there is nothing new taking place under the sun that has not already happened in a previous replay of all generations (see Ecclesiastes 1:9, 10; 3:15).

The replay of all generations is necessary so that the two witnesses (Michael's and Gabriel's written visions and oracles) can finish revealing the consequences of how people and animals act in a world where good and evil ways coexist. Our world is dreamed into existence to convey telepathically to the faithful angels and unfaithful angels living in the real world with which group of people (righteous or rebellious) they are equated in this world. These faithful and unfaithful angels are perfect humans living in the real world who live forever without evil thoughts and acts.

In the mind of Michael and Gabriel is where our world and any universe exist. However, all the minds of the faithful and unfaithful angels of the real world can interact in our world dreamed into existence. Though in the latter days, the minds of Michael and Gabriel allow only logical things to happen in our world dreamed into existence. Accordingly, Michael's and Gabriel's minds can not communicate with the latter day messenger using apparitions or audible voice as in the past. Therefore in the first replay of all generations, it was necessary for Michael and Gabriel to have scriptures (written by Old Testament prophets and the Apostle John) having a “thus saith the Lord” so that they would be copied from generation to generation to the last generation. Many of these manuscripts have been compiled in a book called the Bible.

In the Bible are the written predictions of Michael and Gabriel (two witnesses). These predictions are truly understood by the latter day messenger. Accordingly, the Bible's scriptures that have a “Thus saith the lord” reveal to the latter day messenger the scroll of life's visions and oracles concerning the gathering of two groups of latter day overcomers before the 3½ days of the sign of Jonah begin. After 3½ days of the sign of Jonah, the super volcano's top explodes with a great earthquake, as it erupts smoke and ash continually. At that same time, the latter day resurrection of the faithful overcomers of all

generations happens. These overcomers are of the first group and second group of redeemed, who resurrect and learn a new song (message of the everlasting gospel).

From the time the super volcano is erupting smoke and ash continually for five months, a final (third) group of latter day people will overcome their old beliefs by believing the everlasting gospel, which is proclaimed during the time when the USA is being progressively tormented by the effects of smoke and ash issuing from an opened super volcano. After five months of smoke and ash, the super volcano swells to heaven and explodes, creating a great earthquake. As the swelled to heaven super volcano's immense mouth is filling with a lake of fire, the three groups of redeemed will travel from all parts of the world to the ensign. They will enter the intense bright light of the ensign when new Jerusalem (being a huge whirlwind of fire surrounding the high and immense mountain of the super volcano) manifests before the lake of fire overflows and spreads to cover the world. When the world is consumed, then the new heaven and new Earth is recreated to replace the old heaven and old Earth, that was consumed by a lake of fire. In the new heaven and new Earth, the three groups of redeemed manifest to live forever without evil, as it was in the garden of Eden before Adam and Eve ate the fruit of good and evil. At the beginning of new heaven and new Earth, the initial 1,000 years of the judgment begins.

***Ecclesiastes 1:9*** *The thing that HATH BEEN* {in a previous replay}, *it is that WHICH SHALL BE* {in the next replay when the same things happen again}; *and that which IS DONE* {in the present replay} *is that which SHALL BE DONE* {in the next replay}: *and there is NO NEW THING UNDER THE SUN* {because everything presently happening already happened in a previous replay, including the salvation of faithful believers of a living messenger's message}.

***1:10*** *Is there any thing whereof it may be said, See, this is new? IT HATH BEEN ALREADY* {in the previous replay} *of old time, which was before us.*

***Ecclesiastes 3:15*** *That which HATH BEEN* {in a previous replay of a generation} *IS NOW* {happening again in the same generation being replayed}; *and that which IS TO BE hath ALREADY BEEN; and God* {seventh plagues angel} *requireth that WHICH IS PAST* {which has happened}.

\*\*\*\*\*

***Revelation 3:15*** *I* {ending of the sixth plagues angel and beginning of the seventh plagues angel speaking replaying what Yahshua/Jesus said to the leadership of Laodicea around 90AD} ***know thy works, that thou art neither COLD*** {cold illustrates a person who has no interest in the Apostle's John's message written in his

Book of Revelation} *nor HOT* {hot illustrates a person who believes in the living messenger's new message}: *I* {Yahshua/Jesus} *would thou wert cold or hot.*

During the judgment that is presently happening, the seventh plagued angel replayed all generations. Accordingly in the replayed generation of the time when the seven churches of Asia Minor existed, the seventh plagued angel replayed what Yahshua/Jesus said to Laodicea. Yahshua said that he knows the works of the leadership of the church of Laodicea. The members of the Laodicean church are like-minded in belief with the leadership of the church of Laodicea. When the Apostle John sent his new message written in the Book of Revelation to the leadership of the church of Laodicea, the leadership did not reject (be cold to) the Apostle John's message, but showed little interest in the new present truth message. Also, the leadership had no enthusiasm (were not hot} to share with their church members the new present truth written by the Apostle John in the Book of Revelation. The leadership was neither hot (zealous) or cold (not interested) in regards to wanting to understand the prophetic mysteries written in the Book of Revelation by the then living messenger (Apostle John). Instead, they were lukewarm, being content with their current way of thinking in regards to salvation according to the dated message of what is written in the gospels and letters written by former

apostles and disciples that were no longer alive in 90AD.

\*\*\*\*\*

***Revelation 3:16 So then because THOU*** {leadership of the church of Laodicea} ***art lukewarm, and neither cold nor hot, I*** {ending of the sixth plauged angel and beginning of the seventh plauged angel speaking as Yahshua/Jesus} ***will spue thee out*** {reject} ***of MY*** {seventh plauged angel's} ***MOUTH*** {the mouth which speaks of what is written on the last small part of the scroll of life}.

The seventh plauged angel revealed during the judgment what Yahshua had said around 90AD to the Apostle John on the Isle of Patmos regarding the leader and church of Laodicea, as written on a scroll. On that scroll, Michael and Gabriel recorded the things that existed and happened during the time of the seven churches of Asia Minor, including what Yahshua said to the Apostle John concerning the seven churches of Asia Minor. During the judgment, the seventh plauged angel replayed the generation of the seven churches of Asia Minor and revealed the lukewarm attitude that the leader and members of the Laodicean church had in regards to new present truth written in the Book of Revelation, which was sent to them by the Apostle John around 90AD. This leader was lukewarm in his attitude to accept and reveal to his church members the new present truth message

revealed by the then living messenger (Apostle John) from the Book of Revelation. This lukewarm attitude to new present truth caused the leader and his like-minded church members to not overcome their old beliefs in a former messenger's message, which they had accepted, remained faithful, and were still promoting, even though the then living messenger (Apostle John) had sent a new message to the seven churches written in the Book of Revelation. Accordingly, this leader and his church members of Laodicea died being lukewarm, as written on the scroll that recorded the things that existed and happened in the generation of the Laodicean church. All lukewarm people will resurrect in the last generation having the same lukewarm attitude to new messages. Accordingly, most will not overcome and accept the everlasting gospel proclaimed when the super volcano is erupting smoke and ash. All who die without accepting the everlasting gospel will have been blotted out from having a part in the scroll of life.

During the judgment, the seventh plagued angel is replaying the things that existed and happened in each generation just as they are written on each scroll. One of the scrolls will have recorded the things that existed and happened in the generation of the seven churches of Asia Minor. From that scroll, the seventh plagued angel will again show the Laodicean leadership's and church

members' lukewarm attitude towards the message of the then living messenger (Apostle John). If the Laodicean leadership's and church members' lukewarm attitude didn't change after being counseled, they will be rejected from partaking in the promises that were spoken from the mouth of the seventh plagues angel. Accordingly, all lukewarmers will be spewed out (rejected) by the same mouth that offered everlasting life to the people living in Yahshua's/Jesus' generation that believed Yahshua/Jesus was the son of God.

\*\*\*\*\*

***Revelation 3:17*** ***Because THOU*** {leadership of the church of Laodicea} ***sayest, I am RICH*** {believes he is rich/spiritually fat with having spiritually eaten of the old truth regarding Yahshua's/Jesus' salvation}, ***and increased with GOODS*** {goods/knowledge of the gospels that pertain to Yahshua's/Jesus' ministry and knowledge of the letters written by Yahshua's apostles and disciples}, ***and have NEED OF NOTHING*** {the leader of the church of Laodicea believes he and his church members need no new message from any person to be saved}; ***and KNOWEST NOT*** {because of his lukewarm state} ***that THOU*** {leader/angel/messenger of the church of Laodicea} ***art WRETCHED*** {spiritually malnourished on the old spiritual stale food of the old message that Yahshua/Jesus and his former apostles and former disciples proclaimed}, ***and MISERABLE*** {because the

true state of the leader of the church of Laodicea is miserable}, **and POOR** {has no present truth/gold of a new message revealed by a living messenger}, **and BLIND** {the leader of the church of Laodicea was spiritually blind because he failed to place on his eyes the words/salve of a new message that the then living messenger/Apostle John revealed from the Book of Revelation around 90 AD.}, **and NAKED** {the leadership of the church of Laodicea was not clothed with the spiritual light/new message of the first witness/bright star and last witness/morning star written in the Book of Revelation}:

The seventh plagued angel reveals what Yahshua said regarding the leadership of the church of Laodicea. When the Apostle John sent his Book of Revelation to the leader of the church of Laodicea, the leader after reading it was Lukewarm in regards to Michael's and Gabriel's new message written in the Book of Revelation. The leader of the Laodicean church believed that he and his church members did not need the two witnesses' new message revealed by the Apostle John from the Book of Revelation to be saved. He believed that he was rich (spiritually fat) with the old message of the two witnesses {Michael and Gabriel} that Yahshua/Jesus revealed during his ministry.

The leader of the Laodicean church also believed he was increased with the goods (words) revealed in the writings of Yahshua's/Jesus' former apostles and his early disciples

and didn't need to know anything else to be saved. However the leader of the church of Laodicea didn't know that he was spiritually malnourished (wretched) on the old stale message that the two witnesses revealed through Yahshua/Jesus. If the leader of the Laodicean church had known his true state, he would be miserable instead of happy in his erroneous belief of thinking he is saved.

The leader of the Laodicean church was spiritually poor because he didn't buy (by trading his old beliefs) the two witnesses' new message (gold) revealed by the Apostle John from the Book of Revelation around 90AD. The leader of the Laodicean church was blind because he didn't continually place before his eyes the words (eye salve) of the two witnesses' new message written in the Book of Revelation. The leader thought he could clearly see (understand) what the gospels and letters were saying in regards to his salvation and the salvation of his Laodicean church members.

The leader of the Laodicean church was spiritually naked because he was not clothed with the two witnesses' new light (new visions) written by the Apostle John in the Book of Revelation. The new visions revealed by the first witness and last witness are likened to the spiritual moon's/bright star's (first witness') light (visions) and spiritual sun's/morning star's (last witness') light (visions), which spiritually beam down from heaven (sky) and clothe the people that accept the two witnesses' new

written visions when being revealed by a living messenger.

**Revelation 3:18 I** {ending of the sixth plagued angel that reveals the beginning of the seventh plagued angel replayed what Yahshua/Jesus said to the leader of the church of Laodicea, as written by the Apostle John} **counsel THEE** {leader of the Laodicean church} **to buy of ME** {seventh plagued angel} **GOLD** {equated with the spiritual moon's/first witness' silver light/visions mixed with the spiritual sun's/last witness' coppery light/visions to create this gold that is revealed by a living messenger} **TRIED** {tested} **in the FIRE** {fire of temptation, during the hour of temptation}, **that THOU** {leader/angel/messenger} **mayest be RICH** {with the two witnesses' visions/gold of present truth}; **and WHITE RAIMENT** {representing the bright star's/spiritual moon's/first witness' white light/visions mixed with the morning star's/spiritual sun's/last witness' white light/visions of present new truth revealed by a living messenger}, **that THOU** {leader of the Laodicean church} **mayest be CLOTHED** {with new light/new visions}, **and that the shame of thy NAKEDNESS** {of not receiving new truth/light as revealed by a living messenger} **do not appear; and anoint thine eyes with EYESALVE** {words/spiritual oil that pertain to visions written on seven angels with trumpets. When their written

visions are revealed, they are as oil burning in the seven lights/stars upon seven candlesticks}, *that thou mayest SEE* {see what the two witnesses are saying in regards to new present truth revealed by a living messenger in every generation}.

The verse in Revelation 3:18 was being revealed by the seventh plagues angel during the judgment. At that time, the seventh plagues angel revealed what was written on a scroll concerning the things that happened during the time of the seven churches of Asia Minor. From that scroll, the seventh plagues angel replayed what Yahshua/Jesus said to the Apostle John on the Isle of Patmos concerning the leader of the church of Laodicea around 90 AD.

The leader of the Laodicean church was told to buy the spiritual gold of the two witnesses' present truth message from the living messenger (Apostle John), who was selling it in exchange for a person's old beliefs. Spiritual gold represents the mixing of the spiritual silvery moonlight visions of what the first witness had witnessed happening with the spiritual coppery sunlight visions of what the last witness had witnessed happening in each generation. During the judgment when the last small part of the scroll of life began to be revealed, the visions and oracles of the two witnesses were mixed together, just as the evening moon at even mixes with the dawning sun (morning star) at dawn. Accordingly, when the generations of patriarchs, prophets, and messiahs were

replayed according to what is written on the last small part of the scroll of life, there message was according to the two witnesses' written visions and oracles that were mixed together.

After a patriarch, prophet, or messiah died, the two witnesses sent a new patriarch, prophet, or messiah with a new message to test the people of the next generation that claimed they were saved by believing a former messenger's message, which was proclaimed to a past generation. As a messenger proclaimed his (or her) message, the things happening during the evenings of the messenger's generation were written on the first side of a scroll by the first witness (Michael), while the last witness (Gabriel) wrote what was happening during daylight on the last side of the same scroll. Accordingly, on each scroll the two witnesses recorded the things that existed and happened in the world and universe during each living messenger's generation.

The gold mentioned in Revelation 3:18 represents the two witnesses' combined visions and oracles written on the last small part (represented by the seventh plagued angel) of the scroll of life, on which is written all the visions and oracles of the two witnesses.

Latter day Solomon received his message from the first

witness' and last witness' words written in the Bible. Thereby, the latter day messenger knows what is prophesied to happen in the world, according to what the two witnesses' visions and oracles had already witnessed as written on the scroll of life. As old Moses and the people with him were tested as they journeyed twice through the wilderness to the old Promised Land, so latter day Moses (latter day living messenger) and the people with him are tested during two half hours of the hour of temptation. Latter day apostles and disciples have been tested with the spiritual fire of failed predictions concerning the time when the super volcano erupts to see if their faith in the spiritual gold {combined visions of two witnesses written on the scroll of life) would fail.

In the latter days, an overcomer buys (see Proverbs 23:23; Isaiah 55:1-3) the two witnesses' spiritual gold (representing visions written on the scroll of life) by selling their old customs and beliefs to obtain it. Thereby being truly rich with new life-saving knowledge that will redeem, at the resurrection, the latter day overcomers that died in this last generation. The spiritual gold (visions) will also preserve the latter day living overcomers from the plagues released from the opened super volcano. From the time of the super volcano's eruption of smoke and ash, all the overcomers that acquired the two witnesses' spiritual gold (spiritual moon's/first witness' silver light/visions mixed with the spiritual sun's/last witness'

coppery light/visions) from a living messenger will resurrect to live and play a role in gathering a great multitude, a role during a new life in the new heaven and new Earth, and a role within new Jerusalem during the judgment. The new Earth will be as it was in the garden of Eden before the knowledge of evil was introduced into the world.

***Proverbs 23:23*** *BUY* {by trading your old customs and beliefs} *the TRUTH* {two witnesses' spiritual gold/visions revealed by a living messenger}, *and sell it not; also wisdom, and instruction, and understanding.*

***Isaiah 55:1*** *Ho, every one that THIRSTETH* {for the spiritual waters/new words of the two witnesses}, *come ye to the waters, and he that hath no money; come ye, BUY* {by trading your old customs and beliefs}, *and EAT* {spiritual food of the seventh angel with trumpet}; *yea, come, buy WINE* {being the spiritual sweet realization after drinking/knowing the two witnesses' written predictions} *and MILK* {drinking the bitter milk of present new truth makes a believer have a spiritual stomach pain caused by non-believers' attitudes to a person who claims to believe a new message} *without money and without price.*

***55:2*** *Wherefore do ye spend money for that which is not bread? and your labour for that which satisfieth not? hearken diligently unto ME* {seventh plagued angel}, *and*

*eat ye THAT* {visions of the seventh angel with trumpet} *which is good, and let your soul delight itself in fatness.*

**55:3** *Incline your ear, and come unto ME* {seventh plagued angel}: *HEAR* {the living messenger's message}, *and your soul shall live; and I will make an everlasting covenant with you, even the SURE MERCIES* {written predictions of salvation/mercies} *of DAVID* {David represents the first witness' messenger}.

The latter day people that believe the straight (right) truth for today will be clothed with the spiritual white garments of righteousness. Accordingly, a person's prior nakedness pertaining to their dated beliefs will be covered with the spiritual moon's/first witness' light/visions and spiritual sun's/last witness' light/visions, as revealed by the latter day messenger. When a person pours spiritual oil of the latter day messenger's message upon their eyes, they will then see what the two witnesses' visions and oracles are revealing on the scroll of life.

**Revelation 3:19** *As many as I* {seventh plagued angel revealing what Yahshua/Jesus said to the leadership of the church of Laodicea} **LOVE, I REBUKE** {with the words of a new message} **and CHASTEN** {with failed predictions of a previous message}: **be ZEALOUS** {hot/zealous for wanting to know what the two witnesses

are saying in the Book of Revelation} *therefore, and REPENT* {repent from the leadership's lukewarm attitude of thinking he and his church have enough truth to be saved, but knows not that he lacks the two witnesses' new present truth message revealed by a living messenger}.

The people that accepted a dated message of a former deceased messenger are the people loved, as written on a scroll. These loved ones are rebuked with a new message revealed by a living messenger. The loved ones are also chastened with failed predictions to test the believers' faith during the hour of temptation. Accordingly, the leadership of the Laodicean church was told to repent from his lukewarm attitude of thinking he has all the truth needed to be saved, even though he didn't know that the opposite was true because he failed to truly accept the new message revealed by the Apostle John from the Book of Revelation.

The Apostle John was instructed by Yahshua/Jesus to write that the church leadership needed to be zealous (hot) in wanting to know the new message revealed by a living messenger, instead of relying on old messages concerning Yahshua/Jesus as written in the gospels and letters by deceased apostles and disciples. The promises and counsels written in the gospels and letters by apostles and disciples of Yahshua/Jesus applied only to the people the counsels were addressing in the generation of Yahshua/Jesus.

**Revelation 3:20 Behold, I** {seventh plagued angel revealing during the judgment what Yahshua/Jesus said to the leadership of Laodicea around 90AD} **stand at the DOOR** {forehead/door to the front of the mind}, **and knock: if any man** {person} **hear MY** {seventh plagued angel's} **VOICE** {voice of Yahshua/Jesus that revealed a new message to the Apostle John, as written in the Book of Revelation}, **and open the door, I** {new message revealed by the living messenger} **will come in to HIM** {person's mind}, **and will sup** {hence, share the same new present truth message} **with him , and he** {new believer will partake of the new present truth message that is as spiritual manna/written words baked into white unleavened bread/understanding of the words} **with me .**

When a person of the seven churches of Asia Minor read Yahshua's/Jesus' new message revealed by the Apostle John in the Book of Revelation, then Yahshua's/Jesus' new message will have been figuratively standing at the door (forehead) to his or her mind. Some people living in the generation when the seven churches of Asia Minor existed had a certain spirit (character) that could hear and open their mind to allow Yahshua's/Jesus' voice (as written to the seven churches in the Book of Revelation) to enter and sup therein. Thereby, the written things in the Book of Revelation and the promises will then be shared with the believer. The believer will then partake (spiritually eat) of

the same new promises, just as the Apostle John ate it in Revelation 10:10.

**Revelation 10:2** *And HE* {ending part of the sixth angel with trumpet as the seventh angel with trumpet is beginning} *had in his hand a LITTLE BOOK* {being a little scroll containing the seven lights and seven thunders of the seventh angel with trumpet} *open: and he set his RIGHT FOOT* {equated with the first witness' light/written visions} *upon the SEA* {representing the union/spiritual sea of combined rivers/nations of Christendom}, *and his LEFT FOOT* {representing the last witness' light/visions} *on the EARTH* {representing the land of the USA}.

**Revelation 10:10** *And I* {Apostle John} *took the LITTLE BOOK* {on which is written the seven visions and seven thunders of the seventh angel with trumpet} *out of the angel's hand* {hand of the sixth angel with trumpet as it is ending}, *and ATE IT UP* {as grains/written words of manna baked into unleavened bread/message resembling a white stone}; *and it was in my mouth SWEET* {equated with spiritual sweet wine} *as honey: and as soon as I had eaten it, my belly was BITTER* {equated with bitter milk}.

***Revelation 3:21 To HIM*** {person living around 90AD} ***that OVERCOMETH*** {their old beliefs by believing present new truth revealed by the Apostle John} ***will I*** {Yahshua/Jesus} ***GRANT to sit with ME*** {Yahshua/Jesus} ***in MY THRONE*** {great white throne of intense light sitting and reigning over the dissolved kingdom of latter day Babylon}, ***even as I*** {Yahshua/Jesus} ***also OVERCAME*** {overcame the temptation to capitulate to the ways and ideals of the world}, ***and am set down with my Father*** {seventh plagued angel} ***in HIS THRONE*** {seventh plagued angel written on the last small part of the scroll of life reigning over latter day Babylon's dissolved kingdom}.

In Revelation 3:21 the seventh plagued angel (written on the last small part of the scroll of life) is revealing during the judgment what Yahshua/Jesus had said to the Apostle John on the Isle of Patmos around 90AD concerning the leader of the Laodicean church. At that time, the scroll of life's last small part (represented by the seventh plagued angel) contains all the visions and oracles revealed from the scrolls and scroll of life that were all opened during the initial 1,000 years of the judgment. Accordingly, each generation's messenger and the overcomers of each generation are being revealed from the last small part of the scroll of life, which replays the time when they overcame their old beliefs by accepting a new message from a living messenger or his apostles. Therefore, when the seventh plagued angel revealed the visions and oracles written on a scroll that revealed the time when Yahshua/Jesus spoke to the Apostle John on the Isle of Patmos around 90AD, the seventh plagued angel replayed from that scroll what Yahshua had said and what the Apostle John had written concerning the seven churches of Asia Minor.

Yahshua/Jesus said to the seven churches of Asia Minor, if anyone in that generation overcomes and believes what the Apostle John wrote in the Book of Revelation, the overcomers will sit with Yahshua on his throne just as Yahshua sat on his father's throne having overcome the temptation to capitulate to the ways and ideals of the

world.

Yahshua's father is the seventh plagued angel, who is written on the scroll of life's last small part. The seventh plagued angel is the father of all his sons (patriarchs, prophets, and messiahs), because the seventh plagued angel recreates (hence is God) everything that existed and happened in each generation of a patriarch, prophet, and messiah.

The throne of the seventh plagued angel is a great white throne of intense light sitting and reigning on the top of the super volcano's high mountain, which overflowed and spread to cover the kingdom of latter day Babylon and the world in a lake of fire. All overcomers are also written in the visions and oracles of the seventh plagued angel that are reigning over the dissolved kingdom of latter day Babylon.

***Revelation 3:22 He that hath an ear, let him hear what the Spirit {Holy Ghost/seventh plagued angel} saith unto the churches.***

Only the people that possessed a certain mind were able to hear (accept) what Yahshua/Jesus said to the seven Christian churches of Asia Minor around 90AD. The people of that time that overcome their old customs and

beliefs by accepting what the Apostle John wrote in the Book of Revelation concerning the seven churches are promised

(a) access to the tree of life in the middle of the garden of paradise of new Jerusalem [see Revelation 2:7]

(b) will not be hurt of the second death by a lake of fire, after they resurrect from their first death [see Revelation 2:11]

(c) he or she will eat of the hidden manna (sealed little scroll of the seventh angel with trumpet) baked into spiritual bread (resembling a white stone); thereby, he or she will have been given at the resurrection the new name/seventh plagued angel and the new name of the latter day messenger [see Revelation 2:17]

(d) have power to rule over all nations of latter day Babylon's kingdom with a rod of iron [see Revelation 2:26, 27]

(e) be clothed with the figurative white garments of light/righteousness, and he or she will not have his or her name blotted from the last scroll/scroll of life, on which the two witnesses also recorded the things that happened (and are happening) in the new heaven and new Earth [see Revelation 3:5]

(f) become a permanent spiritual pillar in the temple of

God (seventh plagued angel), having the name of God (seventh plagued angel), name of new Jerusalem, and a new name to put their faith in, being the name of the latter day living messenger [see Revelation 3:12]

(g) will sit on the father's/seventh plagued angel's great white throne of intense light reigning from above the super volcano's high and lifted-up mountain of erupting lava over latter day Babylon's dissolved kingdom [see Revelation 3:21]
