

Chapter 3

Revelation 3:1 And unto the ANGEL {leadership} of the church in Sardis write; These things saith HE {seventh plagued angel replaying, during the judgment, what Yahshua/Jesus said to the church of Sardis around 90 AD} that hath the SEVEN SPIRITS {being the written visions and oracles regarding the seven churches} of God {seventh plagued angel/God sitting and reigning on the great white throne over the lava covered kingdom of latter day Babylon}, and the SEVEN STARS {when the seven spirits are revealed they are as seven burning flames/seven stars upon seven candlesticks}; I know thy works, that THOU {leadership/angel/messenger of Sardis} hast a name that thou livest, and art DEAD {is already dead when the seventh plagued angel is revealing Revelation 3:1 during the judgment}.

The verse in Revelation 3:1 was being replayed by the seventh plagued angel during the judgment. At that time, the seventh plagued angel revealed the seven spirits that pertain to the visions and oracles written on a scroll that reveal what happened during the time when seven churches of Asia Minor existed. The seventh plagued angel is God because he is recreating each generation according to the visions and oracles written on each scroll's first side, which is mixed with the visions and oracles written on each scroll's last side. When the seven

spirits are revealed from one of the scroll's first side, they are as the seven stars (seven flames/lights) upon the seven golden candlesticks. These seven stars burning upon the seven candlesticks reveal the works of the angels (messengers/leaderships) of the seven churches.

During the judgment, the seventh plagued angel revealed what Yahshua/Jesus said around 90 AD to the leadership (angel/messenger) of Sardis. At that time, the seventh plagued angel was replaying the time of what was already shown during the initial 1,000 years of the judgment when all the scrolls were consecutively opened and revealed, as recorded by Michael and Gabriel on the seventh plagued angel according to what these two witnesses had witnessed taking place during the judgment. From one of these scroll is revealed the things that existed and happened during the time when seven churches of Asia Minor existed around 90 AD. Therefore, the seventh plagued angel replayed what Yahshua/Jesus had counseled to the leader (angel/messenger) of the church of Sardis. Accordingly, the seventh plagued angel knows the works of the church of Sardis' leadership (angel/messenger).

The seventh plagued angel's written visions and oracles revealed the time when the leader (angel/messenger) of the church of Sardis was living and had a name that he was generally known by to his church members. However, that leader is told by the seventh plagued angel that he is already dead, since his former life is being replayed from

the future where the judgment is happening.

Revelation 3:2 Be watchful, and strengthen the things which remain, that are ready to die: for I {seventh plagues angel that is speaking of what Yahshua/Jesus had said to the leader of the church of Sardis around 90 AD} have not found thy works perfect before God {God\seventh plagues angel sitting on the great white throne during the judgment and ruling over the dissolved kingdom of latter day Babylon}.

The Apostle John first wrote and sent the counsels of what Yahshua/Jesus said to the seven churches of Asia minor around 90 AD. These counsels are written on a scroll that recorded the events that happened during the time the seven churches of Asia minor existed.

In our generation, the latter day messenger began to reveal the dawning light (light/visions of the two witnesses) from beneath the first seal, which was around the rolled-up seven-sealed scroll of life's first side. The visions and oracles written on the scroll of life were kept hidden while it remained rolled-up and sealed with seven seals/bands around it. From that time of the dawning light, all things that exist and happening are according to what is written by Michael on the scroll of life's first side and what is written by Gabriel on the scroll of life's last side.

According to the written visions and oracles on the scroll of life, the latter day messenger prophesies of things that will happen before the star's impact just as they have already happened.

During the judgment, the seventh plagues angel in Revelation 3:2 is revealing what Yahshua/Jesus said concerning the works of the leader of Sardis' church. Yahshua said that this leader's works were not perfect before God (God/seventh plagues angel sitting upon the high and lifted up lava erupting super volcano during the judgment). During the judgment, all things that existed and happened in each generation are recreated from the seventh plagues angel's written visions and oracles. This means that the seventh plagues angel is the God and father of all things that presently exist and happen.

Our life and our generation is being replayed by the seventh plagues angel of what has already happened. Everything has already happened and is being replayed again. What ever we do tomorrow, next week, next month, next year is what we have already done as written on the seventh plagues angel. We are all playing the part that we have already played. Some will believe this message before the star impacts the USA and opens the super volcano, just as they have already believed. Many others will not believe or be interested in this message, just as they have already not believed or been interested in this message. The latter day messenger continues to write this

message before the star's impact, just as he had already wrote this message.

The leader of the church of Sardis was counseled by Yahshua/Jesus to watch (be on constant search) for present new truth of a living messenger and his living apostles. Thereby if the leader accepted new present truth, the leader's dieing church will have been strengthened, instead of dieing (being lost) while claiming belief in Yahshua's/Jesus' and his apostles' old truth of salvation, which was only promised to people living in their generation. Yahshua revealed to the Apostle John on the Isle of Patmos a new message, which he wrote in the Book of Revelation. The seven churches and all living Christians from 90 AD had to believe what John the Apostle wrote in the Book of Revelation to be saved.

During the judgment, the seventh plagued angel has already revealed from a scroll that showed the Apostle John on the Isle of Patmos writing the Book of Revelation about 2000 years ago, just as the seventh plagued angel during the judgment is presently revealing from the last scroll/scroll of life what had existed and happened in our generation. Hence the things existing and happening presently during our lives are because the seventh plagued angel is presently revealing the scroll of life's visions and oracles that are replaying what happened in this last generation.

Revelation 3:3 Remember therefore how THOU
{leadership of the church of Sardis} ***HAST RECEIVED***
{how they received their present belief from a person
revealing salvation in Yahshua's/Jesus' name} ***and heard,***
and hold fast, and REPENT {repent and be watchful for
new present truth from a living messenger and his living
apostles}. ***If therefore thou shalt not watch, I*** {seventh
plagued angel revealing what Yahshua/Jesus had said to
the Apostle John/living messenger around 90 AD} ***will***
COME {at the latter day resurrection when all the dead of
all generations rise to life and health} ***on thee as a***
THIEF {to take away their hope of salvation that was
based on an old message of salvation}, ***and thou shalt not***
know what HOUR {in our day, this hour represents the
hour of temptation during latter day Babylon's second and
third reigning periods, which ends at the star's impact in
the USA} ***I will come upon thee.***

The leader of the church of Sardis (whose attitude reflects the members of Sardis) was counseled to remember how he became a Christian. His belief of salvation happened after hearing from someone of what is written in the gospels and letters of former apostles and disciples of Yahshua/Jesus. The leader of the church of Sardis was told that he must look for a new present truth message given by a new living messenger. Otherwise he will reject the living messenger's new message by believing there are no

more prophets with new messages.

In 90 AD, John the Apostle was the living messenger who revealed a new message from his Book of Revelation. All Christians in 90 AD who weren't interested in understanding the Book of Revelation and died without believing what the Apostle John wrote in the Book of Revelation were not saved, even though they thought they were saved because their faith was based on what Yahshua/Jesus had said and promised to others that lived in the previous generation. Therefore at the latter day resurrection when Yahshua/Jesus comes to proclaim the everlasting gospel with all resurrected overcomers, every person that claimed salvation by believing what Yahshua said and promised to others but rejected new present truth revealed by a living messenger will not resurrect as an overcomer. Accordingly, Yahshua at the latter day resurrection will be as a thief of the night that takes away the salvation that the leader and his church members presumptuously believed in.

At the end of latter day Babylon's one hour reign, a star will impact the USA's land opening the super volcano. On that day when the super volcano opens and erupts smoke and ash continually, the end of latter day Babylon's one hour reign over the latter day nations comes to an end. At the end of this hour is the latter day resurrection of all the dead of all generations. On the day of the latter day resurrection, Yahshua comes with his resurrected apostles

and disciples to learn a new song and proclaim the everlasting gospel to gather the great multitude. On the day of the latter day resurrection, every patriarch, prophet, or messiah resurrects (or comes) with their apostles and disciples to learn a new song and proclaim the everlasting gospel to gather the great multitude.

Any Christian leader or member of the seven churches that believed the message which the Apostle John (living messenger of 90 AD) sent them became Apostles and disciples of the new living messenger (Apostle John). The new Apostles that believed and promoted the new present truth written in the Book of Revelation gathered disciples and created new churches. After the death of the living messenger (Apostle John), one of John's followers would reveal a new message from the Book of Revelation (including other parts of scripture) to become the new living messenger, as witnessed by Michael and Gabriel and written on a scroll. The new messenger would then gather apostles who believed his message. These apostles would then gather disciples. At the death of the messenger, one of his followers would then become the next living messenger having a new message to reveal from the Book of Revelation, as witnessed by Michael and Gabriel and written on another scroll. The new living messenger proclaimed his message and gathered apostles and disciples. This scenario plays out the same way in each generation to the last generation. In the latter days,

the latter day messenger (being a follower of the former messenger) is revealing the purest and truest message from the Book of Revelation and other parts of scripture before the star impacts the USA and opens the super volcano.

In our day, the leaders of Christian churches are not watching for the two witnesses' new present truth revealed from a living messenger. Therefore, they will not know the hour of temptation that is happening during the time when the latter day living messenger is revealing the visions and oracles written on the last scroll/scroll of life before the star impacts the USA. The living messenger's new present truth message (that the leaders of Christendom were not watching for) will steal away their presumptuous hope of salvation. Their hope in salvation (which they had received, heard, and held fast) is based on what a person or persons had told them (before they became Christians keeping the faith) concerning old promises spoken by a former messiah/messenger. Though, these old written promises were only meant for people living in the living messenger's generation.

Revelation 3:4 Thou {leadership of the church of Sardis} ***hast a few names*** {of people} ***even in Sardis which have not defiled their GARMENTS*** {spiritual garments of light/new present truth}; ***and they SHALL*** {during the

judgment} **WALK** {among seven golden candlesticks} **with ME** {Yahshua/Jesus} **in WHITE** {wearing the same intensely bright garments of light/visions that is on the seventh plagued angel}: **for THEY** {the overcomers in the church of Sardis of their former beliefs} **are WORTHY** {having received, believed, and held fast to the new light/visions and oracles written in the Book of Revelation of a new living messenger/Apostle John at that time}.

There were a few names of people living in the city of Sardis around 90 AD that had not defiled (darkened) their garments of light (present new truth) by mixing the new bright truth with old faded beliefs. They had received the new light (present truth) that clothed them from the Apostle John's new message in the Book of Revelation. The replay of the Apostle John's new ministry around 90 AD was according to the seventh plagued angel's visions and oracles, which were written on a scroll by Michael and Gabriel of the things they witnessed happening around 90 AD. In that time, a new message was being revealed to Christendom's churches through the new living messenger (Apostle John) and his new apostles.

The time in Revelation 2:1 happened when the seventh plagued angel walked among seven golden candlesticks during the judgment to reveal the visions and oracles (written on a scroll) that replay the generation that began around 90 AD. During the judgment, the seventh plagued angel revealed what is written on a scroll concerning the

seven churches of Asia Minor. At that time, the names of people living in the city of Sardis that had overcome and not defiled their garments will be walking with the seventh plagues angel among the seven golden candlesticks. These overcomers will be wearing the same intensely bright white garments as the seventh plagues angel wears, who is holding and revealing the seven stars in his right hand during the judgment.

Revelation 3:5 He that OVERCOMETH {having overcome his/her old beliefs by accepting the living messenger's present new truth and resurrects in the latter days at the star's impact}, ***the same shall be clothed in WHITE RAIMENT*** {which is the same garment of light that clothes the seventh plagues angel in Revelation 15:6}; ***and I*** {seventh plagues angel replaying what Yahshua/Jesus had said to Sardis} ***will not blot out his name out of the BOOK OF LIFE*** {being the last scroll/scroll of life that contains what Michael's and Gabriel's written visions and oracles that reveal the things that existed and happened from the time the latter day living messenger's message began to dawn from beneath the first seal and through the judgment}, ***but I*** {Yahshua/Jesus during the judgment} ***will confess HIS*** {believer's} ***name before MY*** {Yahshua's/Jesus'} ***Father*** {being the seventh plagues angel}, ***and before HIS*** {seventh plagues angel's} ***ANGELS*** {referring to

patriarchs, prophets, messiahs, apostles, disciples, and great multitude of angels}.

Any person that overcomes their old beliefs and accepts new present truth proclaimed by a living messenger, these righteous people will be clothed with the seventh plagued angel's white garment during the judgment. Michael will have written the overcomers of each generation on the each scroll's first side, while Gabriel writes them on each scroll's last side. It is already written that all overcomers received and stayed faithful to new present truth revealed by a different living messenger in every generation. Each living messenger and his apostles and disciples (that overcame their old beliefs by accepting present new truth) are written as overcomers on a scroll. All the overcomers and non overcomers of all past generations had died and were blotted out from a scroll, which had recorded the things that happened in one generation. However, the overcomers and non overcomers who died in all generations will resurrect when the star's impact opens the bottomless pit in the USA. When all the dead resurrect to life and health, they will then be playing a living part in the last generation, as written on the scroll of life. The patriarchs, prophets, messiahs, and overcomers of all generations will learn a new song and proclaim the everlasting gospel to all nations, kindreds, tongues, and peoples to gather a great multitude. All who fail to accept the everlasting gospel will be blotted out of the scroll of

life by the plagues that issue from the opened super volcano.

During the initial 1,000 years of the judgment, Michael and Gabriel have continually written on the seventh plagued angel all the things that existed and happened during the judgment. In that time, the scrolls that recorded the things that existed and happened in all past generations were opened to reveal their visions and oracles. These visions and oracles reveal what Michael and Gabriel had seen and heard in every generation. After the initial 1,000 years of judgment, other visions and oracles were revealed from the last scroll/scroll of life. The scroll of life took 100 years (see Isaiah 65:20) to be revealed before its last small part began to be revealed. During these 100 years that actually happen quickly during the judgment, the scroll of life revealed all things that existed and happened from the time the latter day living messenger began to reveal his new present truth message (from beneath the first seal of the rolled-up seven-sealed scroll of life) through to the end of the 1,000 years of the judgment. These 1,000 years are equal to one day during the judgment (see Palms 90:4). Thereafter, the scroll of life's last small part (represented by the seventh plagued angel) began to be revealed, which replayed during a very short space of time everything that happened from the time the super volcano swelled to heaven and exploded magma into the sky, the redeemed

entering the ensign, the world covered in a lake of lava, the new heaven and new Earth, the initial 1,000 years of the judgment, and the time when the last small part of the scroll of life began to be revealed.

Visions and oracles written on all scrolls reveal the overcomers and non overcomers of all past generations that had all lived and all died. Hence they were blotted out (died) from playing a part in life, as recorded on each scroll. The seventh plagued angel will reveal from the last scroll's/scroll of life's visions and oracles how the overcomers of all generations resurrected to play a part in life of gathering a great multitude of people to enter new Jerusalem's ensign to remain alive forevermore. The seventh plagued angel will also reveal how all the people living after the resurrection that refused to accept the everlasting gospel were blotted out from the scroll of life by the plagues caused by the erupting super volcano.

God the father (seventh plagued angel) recreated all generations, according to what is written on the scrolls. Michael's messenger of each generation is a David/father type to Gabriel's messenger, who is a Solomon/son type. Gabriel's living messenger in each generation always fulfills what Michael's dead messenger failed to fulfill. During the judgment, the seventh plagued angel will reveal how Gabriel's messenger of each generation confessed (revealed) who the overcomers were in each generation. At that time, all overcomers of all generations

will be dressed in the same white garments (representing visions) of the seventh plagues angel.

Revelation 3:6 He that hath an ear, let him hear what the SPIRIT {Holy Spirit/seventh plagues angel} SAITH {replaying what Yahshua/Jesus said} unto the churches.

Any person who has an ear to hear and believe Yahshua's/Jesus' counsel to the seven churches, overcomes their old beliefs by accepting present new truth from a living messenger, these righteous people will not be blotted out of the scroll of life by plagues caused by the smoke, ash, and then the lake of lava overflowing and spreading from the high and lifted-up to heaven super volcano.

Revelation 3:7 And to the ANGEL {messenger/leadership} of the church in Philadelphia write; These things saith HE {the seventh plagues angel that is replaying what Yahshua/Jesus said to the Apostle John on Patmos regarding the leadership of the church in Philadelphia} that is HOLY {pure as an immense overflowing and spreading lake of lava and sacred as the temple of intense light upon it}, he that is true, HE that hath the KEY {that opens the door in heaven where the seventh plagues angel is seen during the judgment about

to reveal the last scroll's/scroll of life's visions and oracles} *of David* {equated with the first witness' written visions and oracles}, *he that OPENETH* {unseals the seven seals to unroll/open the rolled-up scroll of life}, *and no man SHUTTETH* {re-mystifies the visions and oracles written on the scroll of life}; *and SHUTTETH* {conceals the visions and oracles in the rolled-up scroll of life}, *and no man OPENETH* {no person is able to open the scroll of life to reveal the written visions and oracles with their erroneous interpretations};

During the judgment, the seventh plagued angel replayed in Revelation 3:7 what Yahshua/Jesus had said to the leadership of the church of Philadelphia (the meaning of the word Philadelphia is reflected in the counsel to Philadelphia). In Revelation 3:7, the seventh plagued angel says that he has the key (key to the door in heaven of Rev.4:1) of David (messenger/David type/Father of the son/Solomon type). Michael wrote of one of his messenger's (David). David failed to fulfill Michael's predictions to construct the temple in old Jerusalem. However, Gabriel's messenger (Solomon/son) was able to fulfill his father's (David's) failed prediction of building the temple of God on old Mount Zion in old Jerusalem. In our day, Michael's latter day dead messenger failed in constructing the spiritual temple in spiritual new Jerusalem. Instead, Gabriel's living messenger is given the key to open the door (see Rev.4:1) which the Apostle John

saw in heaven. Within this door is seen the time later in the judgment when the seventh plagued angel is about to show what happened earlier in the judgment when the rolled-up seven-sealed scroll of life was unsealed and revealed by Gabriel's latter day messenger.

The latter day living messenger has the spiritual key that opens the door to understand the prophecies written on the scroll of life. With this key of understanding the visions and oracles written on the scroll of life, the latter day living messenger constructs the spiritual temple when he gathers his apostles (representing foundations of the spiritual temple) and disciples (representing walls and pillars of the spiritual temple) and prophesies of the day when the resurrection happens to finish constructing the spiritual temple with the resurrected apostles and disciples of all generations. This key in the hand of Gabriel's latter day living messenger reveals that he can open the rolled-up seven-sealed scroll of life written in the Book of Revelation. Thereby he can reveal from the scroll of life how he prophesies during three reigning periods of latter day Babylon's rule to gather his apostles and disciples. He also reveals from the scroll of life the day of the star's impact in the USA, the opening of the super volcano when it erupts smoke and ash for five months, the resurrection of all apostles and disciples of all generations with the resurrection of all non believers at the star's impact, gathering of a great multitude from all nations when the super volcano is erupting smoke and ash, gathering all the

redeemed into the intensely bright ensign within new Jerusalem after the super volcano has swelled-up to the sky (heaven) and explodes with a great earthquake as it erupts magma and rains coals of fire and great hailstones from the sky, a new heaven and earth for the redeemed to dwell in, the initial 1,100 years of the judgment when each scroll is opened to replay each generation.

After 1,100 years of the judgment, the last small part of the scroll of life (represented by the seventh plagued angel) revealed what happened from the time the super volcano swelled to heaven and exploded magma into the sky, the gathering of the redeemed, the new heaven and new Earth, the initial 1,100 years of the judgment when all the scrolls were revealed, and the time when the last small part of the scroll of life began to be revealed.

Revelation 4:1 *After this I looked, and, behold, a DOOR was OPENED {with the key of latter day David in the latter day messenger's/Solomon's hand} in heaven: and the first voice which I heard was as it were of a trumpet talking with me; which said, Come up hither, and I will shew thee things which must be HEREAFTER {hereafter 90 AD when later in the judgment the scroll of life is being revealed by the seventh plagued angel to replay the last generation}.*

Revelation 5:1 *And I saw in the RIGHT HAND {hence written by the right hand/first witness that also has the*

writings of the last witness/left hand} of *HIM* {seventh plagued angel} *that sat on the THRONE* {great white throne of intense light reigning over the lava covered dissolved kingdom of latter day Babylon} *a BOOK* {rolled-up seven-sealed scroll of life} *written within* {written within/last side by Gabriel} *and on the backside* {written on the backside/first side by Michael}, *SEALED with SEVEN SEALS* {seven seals around the first side of the scroll of life, which only Gabriel's latter day living messenger can unseal the seven seals and unroll the scroll of life to reveal the hidden visions and oracles written on it}.

As old King David failed to construct the temple in old Jerusalem with the key of his kingdom, so latter day David (deceased former messenger) also failed to unseal and open the scroll of life's mysteries to finish constructing the latter day spiritual temple of overcomers. People are gathered in the latter days to be a part of the first group (apostles representing foundations) and second group (disciples representing pillars and walls) of redeemed. These latter day overcomers are gathered by the latter day messenger's (latter day Solomon's) message before the star's impact opens the super volcano in the USA. When the opened super volcano erupts smoke and ash, then the resurrection of all messengers and their dead apostles and disciples will happen to finish constructing the spiritual temple.

Instead of old King David constructing on old Mount Zion old Jerusalem's temple, his son Solomon received the key of the kingdom of Israel and was able to construct the temple in old Jerusalem. This reveals how Gabriel's latter day messenger (latter day Solomon) received the key/knowledge that Michael's latter day deceased former messenger (latter day David) wanted to reveal and fulfill by unsealing and revealing the scroll of life's written predictions to the latter day nations of Christendom. When latter day Solomon (latter day living messenger) opened the door in heaven with his figurative key and revealed the mysteriously written visions and oracles written on the scroll of life, thereafter no person is able to rebuttal his interpretation whereby the visions and oracles written on the scroll of life again become a mystery. However, if latter day Solomon does not reveal (keeps closed) the mysteriously written visions and oracles written on the scroll of life, no person (though many people have tried and failed) is able to truthfully reveal the meaning of the visions and oracles written on the scroll of life.

Revelation 3:8 I {seventh plagued angel replaying what Yahshua/Jesus had said to the leadership of the church of Philadelphia} ***know thy works: behold, I have set before thee an OPEN DOOR*** {opened with the key of David by latter day Solomon to view within the door what is happening during the judgment when the seventh plagued

angel is revealing the Lamb manifesting and taking the scroll and unsealing its seven seals around the rolled-up scroll of life}, **and no man can shut it: for THOU** {leadership of Philadelphia} **hast a little strength, and hast kept MY** {Yahshua's/Jesus'} **WORD** {as revealed by the Apostle John from the Book of Revelation, which the Apostle John wrote}, **and hast not denied MY NAME** {Yahshua/Jesus}.

The Apostle John had sent his writings (the Book of Revelation) of what Yahshua/Jesus said to the seven churches of Asia minor. An open door was revealed from the Apostle John's writings in the Book of Revelation. This door was opened with the the key of the first latter day messenger (latter day David) in the hand of the second latter day messenger (latter day Solomon). Within this door in heaven, the Apostle John was shown things that happen during the judgment. Within this door in heaven is shown the time when the visions and oracles written on the last scroll (scroll of life) are about to be replayed by the seventh plagued angel to show the things that happened in the last generation and the judgment period, see Revelation 4:1).

Revelation 4:1 *After this I looked, and, behold, A DOOR WAS OPENED* {opened by the latter day messenger/latter day Solomon with the key of the former deceased latter day messenger/latter day David to unseal and reveal the scroll of life's visions and oracles} *in HEAVEN* {heaven

represents the high and lifted-up super volcano that covered the world in a lake of fire. Above the immense mouth full of an overflowing lake of lava is sitting the seventh plagued angel's visions and oracles ruling over the lava covered dissolved kingdom of latter day Babylon}: *and the FIRST VOICE* {voice of the seventh plagued angel} *which I HEARD* {on the Isle of Patmos} *was as it were of a trumpet talking with me; which said, Come up hither, and I* {seventh plagued angel} *will SHEW* {what happens later in the judgment after the seventh plagued angel revealed all the other scrolls that replayed all past generations except the last generation} *THEE* {Apostle John who is equated with latter day John/latter day Solomon} *THINGS which MUST BE HEREAFTER* {later in the judgment when the seventh plagued angel replays the last generation by revealing the visions and oracles written on the last scroll/scroll of life}.

The leader of the church in Philadelphia faithfully kept Yahshua's/Jesus' counsels that were revealed by the Apostle John from his writings in the Book of Revelation. At that time, the Apostle John was the living messenger when the seven churches of Asia Minor existed in 90 AD. When the leader (messenger/angel) of the church of Philadelphia and his church members kept the present new truth revealed by the then living messenger (Apostle John), the leader and his church members will have not denied the name of Yahshua/Jesus, which is one of the

names of the seventh plagues angel.

Revelation 3:9 Behold, I {seventh plagues angel speaking as Yahshua/Jesus} ***will make them of the synagogue*** {temple/church} ***of Satan*** {the Satan/adversary against present new truth of a living messenger's message}, ***which say they are JEWS*** {in our day the spiritual Jews are the Christians in the USA}, ***and are not, but do lie; behold, I will make them TO COME*** {when standing unsaved outside new Jerusalem during the judgment} ***and WORSHIP*** {bow down while outside new Jerusalem}, ***before THY FEET*** {standing within new Jerusalem} ***and to know that I*** {seventh plagues angel revealing what Yahshua/Jesus said to the leadership of Philadelphia} ***have loved thee.***

The faithful church members of Philadelphia that believed the Apostle John's message are equated with latter day people who believe the latter day living messenger's message. In the past type, the Judeans (being Jews who continued to promote old Moses' laws and rituals) and the spiritual Judeans (being Christians who rejected the Apostle John's new message revealed from his writings/Book of Revelation) were labeled as the synagogue of Satan (Satan/adversary towards a new message revealed by a living messenger).

In the latter days, the adversaries (Satan) of latter day John's message (concerning the salvation of people before the imminent star's impact opens the super volcano in the USA) are the spiritual Jews (being the leadership and non believers living in the USA). Any person that rejects this message is of the churches (synagogues) and cities of the adversary (Satan). Every faithful person who accepts latter day Solomon's new present truth message revealed from seven angels with trumpets written on the scroll of life's seventh part are loved by the seventh plagued angel. The visions and oracles of these seven angels with trumpets warn of the imminent arrival of the super volcano's woes. The believers of these warnings will be kept on a straight path to a new Earth during this hour of temptation.

During the judgment that is presently happening in heaven, the rebellious creatures (representing all the rebellious people who lived in every generation of the world) will be standing outside new Jerusalem (see Revelation 5:13). At the same time, the three groups of redeemed (1st group represented by four-winged and six-winged beasts, 2nd group represented by 24 elders, and 3rd group of redeemed represented by many righteous angels) will be within new Jerusalem.

When the last scroll/scroll of life is revealing its record during the judgment, the rebellious people (who will not have yet realized they were the rebellious people on Earth) outside new Jerusalem will bow down on bent

knees (see Isaiah 45:23) and worship before the three latter day groups of redeemed, that are closer to the reigning throne within new Jerusalem. The rebellious will realize that the seventh plagued angel loved the people that believed the present truth visions and oracles revealed in each generation by a living messenger. Accordingly, the two witnesses' predictions written on seven angels with trumpets on each scroll's seventh part kept the redeemed from falling into confusion during each generation's hour of temptation.

Revelation 5:13 *And EVERY CREATURE* {representing the rebellious dead people of every generation of the world} *which is in HEAVEN* {heaven represents the high and lifted-up lava erupting super volcano, on which the seventh plagued angel's visions and oracles are sitting and reigning over the lava covered dissolved kingdom of latter day Babylon}, *and* {these creatures representing rebellious dead people} *on the earth* {land}, *and* {had died} *under the earth* {land}, *and such as are* {dead} *in the SEA* {kingdom of latter day Babylon}, *and all that are in them, heard I saying, Blessing, and honour, and glory, and power, be unto HIM* {seventh plagued angel's visions and oracles sitting and reigning over the destroyed lava covered kingdom of latter day Babylon} *that sitteth upon the THRONE* {this huge throne of intense bright white light is reigning over all dissolved nations that ended in an overflowing lake of lava}, *and unto the LAMB* {this lamb

represents the visions and oracles revealed by the latter day living messenger} *for EVER AND EVER* {because according to what is continually written on the seventh plagued angel, the seventh plagued angel replays each generation of the world from the beginning through to the ending of the judgment. As the replay is happening, that replay is being written on the seventh plagued angel to again be revealed and so on}.

Isaiah 45:23 *I have sworn by myself, the word is gone out of MY* {seventh plagued angel} *mouth in righteousness, and shall not return, That unto ME* {seventh plagued angel's visions and oracles sitting on the great white throne} *EVERY KNEE* {of righteous and rebellious people} *SHALL BOW* {during the judgment}, *every TONGUE SHALL SWEAR* {confess that to allow the destruction of the rebellious and world is a righteous act}.

Revelation 3:10 *Because THOU* {leadership of the church of Philadelphia} *hast kept the word of MY* {seventh plagued angel replaying what Yahshua/Jesus had said to the leadership of the church of Philadelphia in 90 AD} *patience, I* {seventh plagued angel} *also will keep thee from the HOUR* {the first half hour of parallels the time when six angels with trumpets are being revealed. The second half hour of this one hour parallels the time when six lights of the seventh angel with trumpet are

being revealed} ***of TEMPTATION*** {when people who believe the living messenger's message are tempted by a different vision concerning salvation or the world's future}, ***which shall come upon all the world, to try them that dwell upon the earth*** (earth/land of the ruling nation).

In every generation when the last witness' (Gabriel's) living messenger was revealing a message, that time was the hour of temptation. The latter day living messenger's new Daily light was recorded on the scroll of life's six of seven seals. Then new Daily light dawned to life to be written on six of seven angels with trumpets. Thereafter, new Daily light dawned and is written on six of seven lights of the seventh angel with trumpet. During these seven angels with trumpets is the hour of temptation. The hour of temptation tests a person's faith in the living messenger's message. When the prophecy of latter day Babylon's fall is declared by the living messenger and failed to happen as predicted during the end of the sixth seal, the messenger then prophesied again of latter day Babylon's fall during the six angels with trumpets. When that prophecy failed to happen, the living messenger then prophesies again for 1260 days of latter day Babylon's fall during the six lights of the seventh angel with trumpet. During the time of prophesying of each renewed message, failure of the message, and revival to life of a new message by the living messenger, the believers of present

new truth are tempted to instead accept the vision for the world's future that is being promoted by others and by the ruling establishment.

Hosea 12:6 Therefore turn thou to thy GOD {seventh plagued angel}: keep mercy and judgment and WAIT {during the hour of temptation} on thy God {visions and oracles written on the seventh plagued angel} CONTINUALLY.

12:7 He {God/seventh plagued angel} is a MERCHANT {a trader of visions and oracles}, the BALANCES {representing the two witnesses' written predictions} of DECEIT {the fulfillment of predictions are seemingly delayed until the latter days when the seventh light of the seventh angel with trumpet is fulfilled, as written on the last scroll/scroll of life} are in HIS {seventh plagued angel's} hand: HE {seventh plagued angel's visions and oracles} LOVETH TO OPPRESS {oppresses with failed and renewed predictions made by living messengers in every generation}.

In the latter days, the hour of temptation had commenced when latter day Solomon began to reveal his message as the first angel with trumpet was beginning. At that time, the latter day spiritual seven-headed ten-horned Babylonian beast (representing the latter day kingdom/union of nations of Christendom uniting in agreement to enforce the USA's vision on non-complying

nations) had already begun its second reigning period (being the first half hour of temptation), but in the land of figurative Canaan. Its third/final reigning period of 1290 days during the 2300-day period is the second half hour of the one hour of temptation. It is the hour of temptation because while the union of nations is promoting and enforcing the vision that the USA has for the world's future, the believer's are tempted to forsake the latter day messenger's message when it dies unfulfilled and then a new message revives to life. His revived new message again proclaims the imminent fall of latter day Babylon's kingdom, prophesying of a falling star impacting the USA and opening a super volcano in the land.

Revelation 17:12 *And the TEN HORNS* {representing in our day the union of nations of Christendom uniting to enforce the USA's vision for the world} *which thou sawest are TEN KINGS* {the ten horns/ten kings are based on the old ten tribes of Israel situated in the two tribes of Judah and Joseph, but in our day the ten kings represent the many kingdoms/nations of Christendom}, *which have received NO KINGDOM AS YET; but receive power as kings ONE HOUR* {being the hour of temptation during latter day Babylon's second reigning period for 1290 days/half hour and latter day Babylon's third reigning period for 1290 days/half hour}, *with the BEAST* {beast/union of nations/kingdom of confusion}.

Revelation 3:11 Behold, I {seventh plagued angel replaying what Yahshua/Jesus said to the leadership of the church of Philadelphia} **COME QUICKLY** : {comes quickly at the latter day resurrection when the seventh plagued angel reveals again, but quickly, later in the judgment the time when the Apostle John sent his Book of Revelation to the seven churches of Asia minor} **hold that fast which THOU** {leadership of Philadelphia} **HAST** {as received from the then living messenger/Apostle John}, **that no man take thy CROWN** {the figurative crown of life is worn at the latter day resurrection when the scroll of life's predictions are reigning over latter day Babylon's fallen kingdom}.

The leadership and church members of Philadelphia were holding fast to their present new truth revealed by the Apostle John (living messenger) from his writings in the Book of Revelation. If the leadership and members of the church of Philadelphia overcame the hour of temptation and did not allow any person to take away their present new truth, they will figuratively wear their reigning crowns of life over confusion at the latter day resurrection. At that time of the latter day resurrection, the faithful believers of all generations that held fast to the message revealed by a living messenger in every generation will resurrect to life {hence will be wearing their reigning crowns of life) with the seventh plagued angel's fulfilled

visions and oracles arising to life to rule over the fallen kingdom of latter day Babylon. Latter day Babylon's reign ends on the day the star's impact opens the super volcano in the USA.

After the initial 1,000 years of the judgment, all things that happened in each generation and the things happening during the new heaven and new Earth and the time of the judgment were all written on the last small part (represented by the seventh plagued angel) of the scroll of life. From this last small part, all things are revealed over and over quickly. Accordingly, Yahshua/Jesus has already come quickly at the latter day resurrection. He will come quickly again during the replay of the last generation when the latter day resurrection happens again. Before this last generation (that we are presently living in) began being replayed by the seventh plagued angel during the judgment, all past generations were first replayed by the seventh plagued angel.

Revelation 3:12 Him that overcometh {and believes the then new message revealed by the Apostle John} ***will I*** {seventh plagued angel replaying what Yahshua/Jesus had promised to the seven churches of Asia Minor around 90 AD} ***make a PILLAR*** {to be a part of the first group/priests and second group/elders of overcomers of all generations that stand as pillars} ***in the TEMPLE*** {the

spiritual temple represents the high and lifted-up mountain of the super volcano. Around the high and lifted-up super volcano's mouth will be a sea of glass/hailstones on the high mountain where the first group and second group of redeemed of all generations stand as pillars during the judgment} **of MY** {Yahshua's/Jesus'} **God** {seventh plagues angel}, **and HE** {person that lived in the generation of the seven churches of Asia Minor and overcame the hour of temptation by holding on to the Apostle John's new present truth message} **shall go NO MORE OUT** {from the time the seventh plagues angel replays the latter day resurrection, the overcomers become the permanent pillars and walls of the spiritual temple}: **and I** {Yahshua/Jesus} **will write upon HIM** {overcomer that lived during the generation of the seven churches of Asia Minor} **the NAME** {seventh plagues angel) **of MY** {Yahshua's/Jesus'} **GOD** {seventh plagues angel's visions and oracles reigning on the great white throne of intense light}, **and the name of the CITY** {that surrounds the erupting super volcano and its mountain} **of MY** {Yahshua's/Jesus'} **GOD** {seventh plagues angel), **which is NEW JERUSALEM** {being a huge whirlwind/tornado of fire representing at that time the new Eden and the three groups of redeemed}, **which COMETH DOWN** {to the new Earth} **out of HEAVEN** {heaven refers to the top of the high and lifted-up lava erupting super volcano} **FROM** {the height of the high mountain of the super volcano} **my GOD** {where the seventh plagues angel's

visions and oracles are sitting and reigning on a great white throne of intense light}: *and I will write UPON HIM* {upon the overcomer's that lived in the generation of the seven churches of Asia Minor} *MY* {seventh plagued angel speaking as Yahshua/Jesus} *NEW NAME* {being the new name of the latter day living messenger who reveals the scroll of life in the last generation}.

In every generation, a living messenger proclaimed a new message to the people that claimed salvation in the message of a deceased messenger. The Apostle John was the living messenger for the generation of the seven churches of Asia Minor. There were people that lived in the generation of the seven churches of Asia Minor that overcame their old beliefs, accepted the new present truth message revealed by the Apostle John, and remained faithful to their new belief till death. These people will resurrect in the latter days to be among the priests (first group/apostles of redeemed) and elders (second group/disciples of redeemed) that stand as pillars in the latter day spiritual temple.

When the falling star's impact causes the bottomless pit to continually erupt smoke and ash for five months from the opened super volcano, they will then be the spiritual pillars of the spiritual temple. On their minds will be written the new name pertaining to the latter day living messenger. Also they will know the name of God (seventh plagued angel), as they proclaim the everlasting gospel to

gather a great multitude.

The spiritual sanctuary/temple is equated with the top of the high mountain (new mount Zion) of the swelled to heaven super volcano. The top of the mountain around the immense mouth is likened to the inner court of the temple, where elders (disciples/second group of redeemed) stand. The immense mouth is as the temple's house, where priests (apostles/first group of redeemed and high priests/patriarchs, prophets, and messiahs) stand. Around the mountain of the lava erupting super volcano is an immense fiery whirlwind that is the walls of new Jerusalem. Within new Jerusalem (being as the outer court of the temple) stand the great multitude. All the redeemed will have entered the intense light emanating from around the mouth of the super volcano to be within new Jerusalem before the world is consumed by flowing lava.

New Jerusalem represents the Eden of the new world. Therefore when the redeemed are dwelling in the new heaven and new Earth, it is as if new Jerusalem (that represents the three groups of redeemed) came down from the high and lifted-up super volcano's mountain overflowing with lava to be in the new heaven and new Earth. In the new Earth and new heaven, the previously very high and lifted-up mountain overflowing with a river of lava from the old heaven will be dormant and lower in the new heaven and covered with plants, grass and animals. Instead of a river of fire overflowing from the

immense mountain that reached high-up into the old heaven will be an overflowing river of pure water flowing from the top of the new heaven of Eden's mountain down through the new garden of Eden.

From the time the seventh plagued angel replays the latter day resurrection, the saints (priests and elders) of the finished spiritual temple will not be removed from continuing to be pillars during each replay of the latter day resurrection. The reason is that their part as an overcomer is sure in every replay. At that time, in the minds of all resurrected overcomers and latter day living overcomers will be the name of God (seventh plagued angel that creates all things), the name of new Jerusalem (the walls of new Jerusalem are represented by an immense fiery tornado with great raining hailstones that surrounds a huge area around the high and lifted-up mountain of the lava erupting super volcano), and the latter day messenger's new name.

Revelation 3:13 He that hath an ear, let him hear what the Spirit {Holy Spirit/Ghost/seventh plagued angel}
SAITH UNTO THE CHURCHES {the seventh plagued angel replays what Yahshua/Jesus said to the Apostle John around 90 AD concerning the seven churches of Asia Minor} .

A person needs to have an ear to hear what Yahshua/Jesus said to the leadership and church of Philadelphia, as replayed in Revelation 3:13 by the seventh plagues angel during the judgment. All the people that heard what the Apostle John revealed during the generation of the seven churches, overcame their old beliefs by believing present new truth from the Apostle John. Thereby at the latter day resurrection, they became a pillar in the spiritual temple.

Every time the seventh plagues angel replays all generations, the overcomers are again shown as being out of the temple until the seventh plagues angel replays the spiritual temple being constructed at the latter day resurrection. When the seventh plagues angel replays the latter day resurrection from the last scroll's (scroll of life's) visions and oracles, all overcomers are again the foundations, pillars, and walls of the finished spiritual temple that happened in previous replays. Hence, no matter how many times each generation is replayed, the same overcomers will forever be priests and elders of the seventh plagues angel's temple.

Revelation 3:14 And unto the ANGEL {leadership} of the church of the Laodiceans write; These things SAITH {the seventh plagues angel is replaying during the judgment what Yahshua/Jesus said to the leadership of the church of Laodicea around 90 AD} the Amen, the

FAITHFUL {first witness} ***and TRUE WITNESS*** {last witness}, ***the BEGINNING*** {from the time of Genesis} ***of the CREATION of God*** {during the judgment, the creation is being replayed over and over by the seventh plagued angel/God from all the scrolls that are written on the last small part of the last scroll/scroll of life};

The vision in Revelation 3:14 was revealed by the seventh plagued angel during the judgment. This vision shows the seventh plagued angel replaying what Yahshua/Jesus had said to the Apostle John around 90 A.D. concerning the leadership (angel/messenger) of the Laodiceans (the meaning of Laodicea is reflected in the counsel to Laodicea).

The Amen is the combined faithful first witness and true last witness written on the last small part of the scroll of life. The seventh plagued angel replays what the faithful witness and true witness wrote concerning all things that happened in each generation, the new heaven and new Earth, and the time of the judgment. The seventh plagued angel is faithfully and truthfully revealing the visions and oracles written by the two witnesses (Michael and Gabriel) concerning the things that happened from the beginning of Genesis, through the end of the last generation, and the judgment period, just as Michael and Gabriel saw and heard all things that existed and happened. The visions and oracles written on each scroll's

first side are of the memory of Michael (first witness) concerning everything that existed and happened in the evening of each generation and the time of the judgment. On each scroll's last side are written the visions and oracles that are of the memory of Gabriel (last witness), who witnessed the things that existed and happened during daylight.

The two witnesses' (Michael's and Gabriel's) visions and oracles written on the last scroll/scroll of life reveal all things that will happen in this last generation, because they (two witnesses) have already seen/witnessed and heard the things taking place. Thereby, the two witnesses can speak to the latter day messenger from their written words in the Bible concerning the star's impact opening the bottomless pit (super volcano) in the USA, so that the latter day resurrection can happen and three groups of redeemed can be saved before the world ends in an overflowing and spreading lake of fire. Hence, there is nothing new taking place under the sun that has not already taken place in a previous replay of all generations (see Ecclesiastes 1:9, 10; 3:15).

The replay of all generations is necessary so that the two witnesses (Michael's and Gabriel's written visions and oracles) can finish revealing the consequences of how people and animals act in a world where good and evil ways coexist. The ways of this world convey to the

faithful angels and unfaithful angels (being perfect humans in the real world who live forever without evil thoughts and acts) with which group (righteous or rebellious) of people in this world they are equated.

In the mind of Michael and Gabriel is where our world and any universe exist. In the latter days, their mind only accept logical things to happen in this world. Accordingly, Michael's mind can not communicate with the latter day messenger using apparitions or audible voice as in the past. Therefore it was necessary for Michael and Gabriel to replay all things that existed and happened in this world to create scriptures having a “thus saith the Lord” (written by Old Testament prophets and the Apostle John) so that many would survive in the last generation in a book called the Bible.

In the Bible are the written predictions of Michael and Gabriel (two witnesses). These predictions are truly understood by the latter day messenger. Accordingly, the Bible's scriptures that have a “Thus saith the lord” reveal to the latter day messenger the scroll of life's visions and oracles concerning the gathering of two groups of latter day overcomers before the 3½ days of the sign of Jonah begins. After 3½ days of the sign of Jonah, an ejected huge stone falls as a great star to open the super volcano, as it erupts smoke and ash continually. At that same time, the latter day resurrection of the faithful overcomers from

all generations will happen.

From the time the super volcano is erupting smoke and ash for five months, a final/third group of latter day people will overcome by believing the everlasting gospel, which is proclaimed during the time when the USA is being plagued by the effects issuing from an opened super volcano erupting smoke and ash. After five months of smoke and ash, the three groups of redeemed will enter the intense bright light of the ensign emanating around and above new Jerusalem before the world is consumed by an overflowing and spreading lake of lava. When the world is consumed, then is shown when the initial 1,000 years of the judgment began. At the beginning of the initial 1,000 years of the judgment, a new heaven and new Earth is also shown being created for the three groups of redeemed to live forever without evil, as it was in the garden of Eden before Adam and Eve ate the fruit of good and evil.

***Ecclesiastes 1:9** The thing that HATH BEEN {in a previous replay}, it is that WHICH SHALL BE {in the next replay when the same things happen again}; and that which IS DONE {in the present replay} is that which SHALL BE DONE {in the next replay}: and there is NO NEW THING UNDER THE SUN {because everything presently happening already happened in a previous replay, including the salvation of faithful believers of a*

living messenger's message}.

1:10 Is there any thing whereof it may be said, See, this is new? IT HATH BEEN ALREADY {in the previous replay} of old time, which was before us.

Ecclesiastes 3:15 That which HATH BEEN {in a previous replay of a generation} IS NOW {happening again in the same generation being replayed}; and that which IS TO BE hath ALREADY BEEN; and God {seventh plagues angel} requireth that WHICH IS PAST {which has happened}.

*Revelation 3:15 I {seventh plagues angel speaking of what Yahshua/Jesus said to the leadership of Laodicea around 90 AD} **know thy works, that thou art neither COLD** {cold illustrates a person who has no interest in the Apostle's John's message written in his Book of Revelation} **nor HOT** {hot illustrates a person who believes in the living messenger's new message}: **I** {Yahshua/Jesus} **would thou wert cold or hot.***

During the judgment, the seventh plagues angel said with the voice of Yahshua/Jesus that he knows the works of the leadership of the church of Laodicea. The members of the Laodicean church are like-minded in belief with the leadership of the church of Laodicea. When the Apostle John sent his new message written in the Book of

Revelation to the leadership of the church of Laodicea, the leadership did not reject (be cold to) the Apostle John's message, but showed little interest in the new present truth message. Also, the leadership had no enthusiasm (were not hot) to share with their church members the new present truth written by the Apostle John in the Book of Revelation. The leadership was neither hot (zealous) or cold (not interested) in regards to wanting to understand the prophetic mysteries written in the Book of Revelation by the then living messenger (Apostle John). Instead, they are lukewarm, being content with their current way of thinking in regards to salvation according to the dated message of what is written in the gospels and letters written by former apostles and disciples that were no longer alive in 90 AD.

Revelation 3:16 So then because THOU {leadership of the church of Laodicea} ***art lukewarm, and neither cold nor hot, I*** {seventh plauged angel speaking as Yahshua/Jesus} ***will spue thee out*** {reject} ***of MY*** {Yahshua's/Jesus'} ***MOUTH*** {Yahshua's mouth which spoke of promises to believers regarding salvation, as written in the gospels}.

The seventh plauged angel revealed during the judgment what Yahshua had said around 90 AD to the Apostle John on the Isle of Patmos regarding the leader and church of

Laodicea, as written on a scroll. On that scroll, Michael and Gabriel recorded the things that existed and happened during the time of the seven churches of Asia minor, including what Yahshua said to the Apostle John concerning the seven churches of Asia Minor. During the judgment, the seventh plagues angel replayed the generation of the seven churches of Asia Minor and revealed the lukewarm attitude that the leader and members of the Laodicean church had in regards to new present truth written in the Book of Revelation, which was sent to them by the Apostle John. This leader was lukewarm in his attitude to accept and reveal to his church members the new present truth message revealed by the then living messenger (Apostle John) from the Book of Revelation. This lukewarm attitude to new present truth caused the leader and his like-minded church members to not overcome their old beliefs in a former messenger's message, which they had accepted, remained faithful, and were still promoting, even though the then living messenger (Apostle John) had sent a new message to the seven churches written in the Book of Revelation. Accordingly, this leader and his church members of Laodicea will have died being lukewarm, as written on the scroll that recorded the things that existed and and happened in the generation of the Laodicean church. All lukewarm people will resurrect in the last generation having the same lukewarm attitude to new messages. Accordingly, most will not overcome and accept the

everlasting gospel proclaimed when the super volcano is erupting smoke and ash. All who die without accepting the everlasting gospel will have been blotted out from having a part in the scroll of life.

During the judgment, the seventh plagued angel is replaying the things that existed and happened in each generation just as they are written on each scroll. One of the scrolls will have recorded the things that existed and happened in the generation of the seven churches of Asia Minor. From that scroll, the seventh plagued angel will again show the Laodicean leadership's and church members' lukewarm attitude towards the message of the then living messenger (Apostle John). If the Laodicean leadership's and church members' lukewarm attitude didn't change, they will be rejected from partaking in the promises that were spoken from the mouth of Yahshua/Jesus. Accordingly, all lukewarmers will be spewed out (rejected) by the same mouth that offered everlasting life to the people living in Yahshua's/Jesus' generation that believed Yahshua/Jesus was the son of God.

Revelation 3:17 Because THOU {leadership of the church of Laodicea} ***sayest, I am RICH*** {believes he is rich/spiritually fat with having spiritually eaten of the old truth regarding Yahshua's/Jesus' salvation}, ***and increased***

with GOODS {goods/knowledge of the gospels that pertain to Yahshua's/Jesus' ministry and knowledge of the letters written by Yahshua's apostles and disciples}, *and have NEED OF NOTHING* {the leader of the church of Laodicea believes he and his church members need no new message from any person to be saved}; *and KNOWEST NOT* {because of his lukewarm state} *that THOU* {leader/angel/messenger of the church of Laodicea} *art WRETCHED* {spiritually malnourished on the old spiritual stale food of the old message that Yahshua/Jesus and his former apostles and former disciples proclaimed}, *and MISERABLE* {because the true state of the leader of the church of Laodicea is miserable}, *and POOR* {has no present truth/gold of a new message revealed by a living messenger}, *and BLIND* {the leader of the church of Laodicea was spiritually blind because he failed to place on his eyes the words/salve of a new message that the Apostle John/living messenger revealed from the Book of Revelation around 90 AD.}, *and NAKED* {the leadership of the church of Laodicea was not clothed with the spiritual light/new message of the first witness/bright star and last witness/morning star in the Book of Revelation}:

The seventh plagued angel reveals what Yahshua said regarding the leadership of the church of Laodicea. When the Apostle John sent his Book of Revelation to the leader of the church of Laodicea, the leader after reading it was

Lukewarm in regards to Michael's and Gabriel's new message written in the Book of Revelation. The leader of the Laodicean church believed that he and his church members did not need the two witnesses' new message revealed by the Apostle John from the Book of Revelation to be saved. He believed that he was rich (spiritually fat) with the old message of the two witnesses {Michael and Gabriel} that Yahshua/Jesus revealed during his ministry. This leader of the Laodicean church also believed he was increased with the goods (words) revealed in the writings of Yahshua's/Jesus' former apostles and his early disciples and didn't need to know anything else to be saved. However the leader of the church of Laodicea didn't know that he was spiritually malnourished (wretched) on the old stale message that the two witnesses revealed through Yahshua/Jesus. If the leader of the Laodicean church had known his true state, he would be miserable instead of happy in his erroneous belief of thinking he is saved. The leader of the Laodicean church was spiritually poor because he didn't buy (by trading his old beliefs) the two witnesses' new message (gold) revealed by the Apostle John from the Book of Revelation around 90 AD. The leader of the Laodicean church was blind because he didn't continually place before his eyes the words (eye salve) of the two witnesses' new message written in the Book of Revelation. The leader thought he could clearly see (understand) what the gospels and letters were saying in regards to his salvation and the salvation of his Laodicean

church members. The leader of the Laodicean church was spiritually naked because he was not clothed with the two witnesses' new light (new visions) written by the Apostle John in the Book of Revelation. The new visions revealed by the first witness and last witness are likened to the spiritual moon's/bright star's (first witness') light (visions) and spiritual sun's/morning star's (last witness') light (visions), which beam down from heaven (sky) and clothe the people that accept the two witnesses' new written visions when being revealed by a living messenger.

Revelation 3:18 I {seventh plagued angel revealing what Yahshua/Jesus said to the leader of the church of Laodicea, as written by the Apostle John} **counsel THEE** {leader of the Laodicean church} **to buy of ME** {seventh plagued angel} **GOLD** {equated with the spiritual moon's/first witness' silver light/visions mixed with the spiritual sun's/last witness' coppery light/visions to create this gold that is revealed by a living messenger} **TRIED** {tested} **in the FIRE** {fire of temptation, during the hour of temptation}, **that THOU** {leader/angel/messenger} **mayest be RICH** {with the two witnesses' visions/gold of present truth}; **and WHITE RAIMENT** {representing the bright star's/spiritual moon's/first witness' white light/visions mixed with the morning star's/spiritual sun's/last witness' white light/visions of present new truth revealed by a living messenger}, **that THOU** {leader of

the Laodicean church} *mayest be CLOTHED* {with new light/new visions}, *and that the shame of thy NAKEDNESS* {of not receiving new truth/light as revealed by a living messenger} *do not appear; and anoint thine eyes with EYESALVE* {words/spiritual oil that pertain to visions written on seven angels with trumpets. When their written visions are revealed, they are as oil burning in the seven lights/stars upon seven candlesticks}, *that thou mayest SEE* {see what the two witnesses are saying in regards to new present truth revealed by a living messenger in every generation}.

The verse in Revelation 3:18 was being revealed by the seventh plagues angel during the judgment. At that time, the seventh plagues angel revealed what was written on a scroll concerning the things that happened during the time of the seven churches of Asia Minor. From that scroll, the seventh plagues angel replayed what Yahshua/Jesus said to the Apostle John on the Isle of Patmos concerning the leader of the church of Laodicea around 90 AD.

The leader of the Laodicean church was told to buy the spiritual gold of the two witnesses' present truth message from the living messenger (Apostle John), who was selling it in exchange for a person's old beliefs. Spiritual gold represents the mixing of the spiritual silvery moonlight visions of what the first witness had witnessed happening with the spiritual coppery sunlight visions of what the last witness had witnessed happening in each

generation. During the judgment when the last small part of the scroll of life began to be revealed, the visions and oracles of the two witnesses were mixed together, just as the evening moon at dusk mixes with the dawning sun (morning star) at dawn during the time of even.

Accordingly, when the generations of patriarchs, prophets, and messiahs were replayed, their message was according to the two witnesses' visions and oracles that were mixed together.

After a patriarch, prophet, or messiah died, the two witnesses sent a new patriarch, prophet, or messiah with a new message to test the people of the next generation that claimed they were saved by believing a former messenger's message that was proclaimed to a past generation. As a messenger proclaimed his (or her) message, the things happening during the evenings of the messenger's generation were written on the first side of a scroll by the first witness (Michael), while the last witness (Gabriel) wrote what was happening during daylight on the last side of the same scroll. Accordingly, on each scroll the two witnesses recorded the things that existed and happened in the world and universe during each living messenger's generation.

The gold mentioned in Revelation 3:18 represents the two witnesses' combined visions and oracles written on the last small part (represented by the seventh plagued angel) of the scroll of life, on which is written all the visions and

oracles of the two witnesses.

Latter day Solomon received his message from the first witness' and last witness' words written in the Bible. Thereby, the latter day messenger knows what is prophesied to happen in the world, according to what the two witnesses' visions and oracles had already witnessed as written on the scroll of life. As old Moses and the people with him were tested as they journeyed twice through the wilderness to the Promised Land, so latter day Moses (latter day living messenger) and the people with him are tested during two half hours of the hour of temptation. Latter day apostles and disciples have been tested with the spiritual fire of failed predictions concerning the time of the star's arrival to see if their faith in the spiritual gold {combined visions of two witnesses written on the scroll of life) would fail.

In the latter days, an overcomer buys (see Proverbs 23:23; Isaiah 55:1-3) the two witnesses' spiritual gold (representing visions written on the scroll of life) by selling their old customs and beliefs to obtain it. Thereby being truly rich with new life-saving knowledge that will redeem, at the resurrection, the latter day overcomers that died in this last generation. The spiritual gold (visions) will also preserve the latter day living overcomers from the super volcano's plagues released by the star's impact.

From the time of the super volcano's eruption of smoke and ash, all the overcomers that acquired the two witnesses' spiritual gold (spiritual moon's/first witness' silver light/visions mixed with the spiritual sun's/last witness' coppery light/visions) from a living messenger will resurrect to live and play a role in gathering a great multitude, a role within new Jerusalem during the judgment, and a role during a new life in the new heaven and new Earth. The new Earth will be as it was in the garden of Eden before the knowledge of evil was introduced into the world.

Proverbs 23:23 BUY {by trading your old customs and beliefs} *the TRUTH* {two witnesses' spiritual gold/visions revealed by a living messenger}, *and sell it not; also wisdom, and instruction, and understanding.*

Isaiah 55:1 Ho, every one that THIRSTETH {for the spiritual waters/new words of the two witnesses}, *come ye to the waters, and he that hath no money; come ye, BUY* {by trading your old customs and beliefs}, *and EAT* {spiritual food of the seventh angel with trumpet}; *yea, come, buy WINE* {being the spiritual sweet realization after drinking/knowing the two witnesses' written predictions} *and MILK* {drinking the bitter milk of present new truth makes a believer have a spiritual stomach pain caused by non-believers' attitudes to a person who claims to believe a new message} *without money and without price.*

55:2 Wherefore do ye spend money for that which is not bread? and your labour for that which satisfieth not? hearken diligently unto ME {seventh plagued angel}, and eat ye THAT {visions of the seventh angel with trumpet} which is good, and let your soul delight itself in fatness.

55:3 Incline your ear, and come unto ME {seventh plagued angel}: HEAR {the living messenger's message}, and your soul shall live; and I will make an everlasting covenant with you, even the SURE MERCIES {written predictions of salvation/mercies} of DAVID {David represents the first witness' messenger}.

The latter day people that believe the straight/right truth for today will be clothed with the spiritual white garments of righteousness. Accordingly, a person's prior nakedness pertaining to their dated beliefs will be covered with the spiritual moon's/first witness' light/visions and spiritual sun's/last witness' light/visions, as revealed by the latter day messenger. When a person pours spiritual oil of the latter day messenger's message upon their eyes, they will then see what the two witnesses' visions and oracles are saying on the scroll of life.

Revelation 3:19 As many as I {seventh plagued angel

revealing what Yahshua/Jesus said to the leadership of the church of Laodicea} **LOVE, I REBUKE** {with the words of a new message} **and CHASTEN** {with failed predictions of a previous message}: **be ZEALOUS** {hot/zealous for wanting to know what the two witnesses are saying in the Book of Revelation} **therefore, and REPENT** {repent from the leadership's lukewarm attitude of thinking he and his church have enough truth to be saved, but knows not that he lacks the two witnesses' new present truth message revealed by a living messenger}.

The people that accepted a dated message of a former deceased messenger are the people loved, as written on a scroll. These loved ones are rebuked with a new message revealed by a living messenger. The loved ones are also chastened with failed predictions to test the believers' faith during the hour of temptation. Accordingly, the leadership of the Laodicean church was told to repent from his lukewarm attitude of thinking he has all the truth needed to be saved, even though he didn't know that the opposite was true because he failed to truly accept the new message revealed by the Apostle John from the Book of Revelation.

The Apostle John was instructed by Yahshua/Jesus to write that the church leadership needed to be zealous (hot) in wanting to know the new message revealed by a living messenger, instead of relying on old messages concerning Yahshua/Jesus as written in the gospels and letters by deceased apostles and disciples. The promises and counsels written in the gospels and letters by apostles and disciples of Yahshua/Jesus applied only to the people the counsels were addressing in the generation of Yahshua/Jesus.

Revelation 3:20 Behold, I {seventh plagues angel revealing during the judgment what Yahshua/Jesus said to the leadership of Laodicea around 90 A.D.} ***stand at the DOOR*** {forehead/door to the mind}, ***and knock: if any man*** {person} ***hear MY*** {seventh plagues angel's} ***VOICE*** {voice of Yahshua/Jesus that revealed a new message to the Apostle John, as written in the Book of Revelation}, ***and open the door, I*** {new message revealed by the living messenger} ***will come in to HIM*** {person's mind}, ***and will sup*** {hence, share the same new present truth message} ***with him , and he*** {new believer will partake of the new present truth message that is as spiritual manna/written words baked into white unleavened bread/understanding of the words} ***with me .***

When a person of the seven churches of Asia Minor read Yahshua's/Jesus' new message revealed by the Apostle John in the Book of Revelation, then Yahshua's/Jesus' new message will have been figuratively standing at the door (forehead) to his or her mind. Some people living in the generation when the seven churches of Asia Minor existed had a certain spirit (character) that could hear and open their mind to allow Yahshua's/Jesus' voice (as written to the seven churches in the Book of Revelation) to enter and sup therein. Thereby, the written things in the Book of Revelation and the promises will then be shared with the believer. The believer will then partake (spiritually eat) of the same new promises, just as the Apostle John ate it in Revelation 10:10.

Revelation 10:2 *And HE* {ending part of the sixth angel with trumpet as the seventh angel with trumpet is beginning} *had in his hand a LITTLE BOOK* {being a little scroll containing the seven lights and seven thunders of the seventh angel with trumpet} *open: and he set his RIGHT FOOT* {equated with the first witness' light/written visions} *upon the SEA* {representing the union/spiritual sea of rivers/nations of Christendom}, *and his LEFT FOOT* {representing the last witness' light/visions} *on the EARTH* {representing the land of the USA}.

Revelation 10:10 *And I* {Apostle John} *took the LITTLE BOOK* {on which is written the seven visions and seven

thunders of the seventh angel with trumpet} *out of the angel's hand* {hand of the sixth angel with trumpet as it is ending}, *and ATE IT UP* {as grains/written words of manna baked into unleavened bread/message resembling a white stone}; *and it was in my mouth SWEET* {equated with spiritual sweet wine} *as honey: and as soon as I had eaten it, my belly was BITTER* {equated with bitter milk}.

Malachi 3:16 *Then THEY* {overcomers} *that FEARED* {were zealous to know the two witnesses' new written message, which was revealed by a living messenger in each generation} *the LORD* {seventh plagued angel} *spoke often one to another: and the LORD* {seventh plagued angel} *hearkened, and heard it, and a BOOK OF REMEMBRANCE* {the memories of Michael and Gabriel have recorded, as it were in a book/scroll, the people that feared their words as spoken by a living messenger} *was written before him for them that feared the LORD* {seventh plagued angel's visions and oracles}, *and that thought upon HIS NAME* {seventh plagued angel}.

Daniel 12:1 *And AT THAT TIME* {when the reign of latter day Babylon comes to end when a falling star impacts the USA and opens the super volcano} *shall MICHAEL* {Michael's/first witness' written visions and oracles written on the last small part of the scroll of life's first side, which also mixes with the last witness'/Gabriel's visions and oracles written on the last side of the scroll of life} *STAND UP* {the visions and oracles resurrect from

having/died/failed to overthrow latter day Babylon during the sign of Jonah. As the two witnesses' visions and oracles rise to life when smoke and ash erupt from the super volcano, the overcomers of all generations will also resurrect}, *the GREAT PRINCE* {Michael's written predictions/visions and oracles represented by the spiritual bright star/spiritual moon} *which standeth for the CHILDREN* {these spiritual children represent the third group of redeemed} *of THY* {latter day Daniel's/living messenger's} *PEOPLE* {these people represent the first group and second group of redeemed}: *and there shall be a TIME OF TROUBLE* {during the time when the super volcano is erupting with smoke and ash for five months}, *such as never was since there was a nation even to that same time: and at that time thy people shall be delivered, every one that shall be found written* {as a believer of the everlasting gospel} *in THE BOOK* {last book/scroll of life}.

Revelation 3:21 To HIM {person living around 90 AD} ***that OVERCOMETH*** {their old beliefs by believing present new truth revealed by the Apostle John} ***will I*** {Yahshua/Jesus} ***GRANT to sit with ME*** {Yahshua/Jesus} ***in MY THRONE*** {great white throne of intense light sitting and reigning over the dissolved kingdom of latter day Babylon}, ***even as I*** {Yahshua/Jesus} ***also OVERCAME*** {overcame the temptation to capitulate to

the ways and ideals of the world}, *and am set down with my Father* {seventh plagues angel} *in HIS THRONE* {seventh plagues angel written on the last small part of the scroll of life reigning over latter day Babylon's dissolved kingdom}.

In Revelation 3:21 the seventh plagues angel (written on the last small part of the scroll of life) is revealing during the judgment what Yahshua/Jesus had said to the Apostle John on the Isle of Patmos around 90 AD concerning the leader of the Laodicean church. At that time, the scroll of life's last small part (represented by the seventh plagues angel) contains all the visions and oracles revealed from the scrolls and scroll of life during the initial 1,100 years of the judgment, when all scrolls will have been opened. Accordingly, each generation's messenger and the overcomers of each generation are being revealed from the last small part of the scroll of life, which replays the time when they overcame their old beliefs by accepting a new message from a living messenger or his apostles. Accordingly, when the seventh plagues angel revealed the visions and oracles written in a scroll that revealed the time when Yahshua/Jesus spoke to the Apostle John on the Isle of Patmos around 90 AD, the seventh plagues angel replayed from that scroll what Yahshua had said and what the Apostle John had written concerning the seven churches of Asia Minor.

Yahshua/Jesus said to the seven churches of Asia Minor, if anyone in that generation overcomes and believes what the Apostle John wrote in the Book of Revelation, the overcomers will sit with Yahshua on his throne just as Yahshua sat on his father's throne having overcome the temptation to capitulate to the ways and ideals of the world.

Yahshua's father is the seventh plagued angel, who is written on the scroll of life's last small part. The seventh plagued angel is the father of all his sons (patriarchs, prophets, and messiahs), because the seventh plagued angel recreates (hence is God) everything that existed and happened in each generation of a patriarch, prophet, and messiah.

The throne of the seventh plagued angel is a great white throne of intense light sitting and reigning on the top of the super volcano's high and lifted-up mountain, which overflowed and spread to cover the kingdom of latter day Babylon and the world in a lake of fire. All overcomers are also written in the visions and oracles of the seventh plagued angel that are reigning over the dissolved kingdom of latter day Babylon.

Revelation 3:22 He that hath an ear, let him hear what the Spirit {Holy Ghost/seventh plagued angel} saith unto

the churches.

Only the people that possessed a certain mind were able to hear (accept) what Yahshua/Jesus said to the seven Christian churches of Asia Minor around 90 AD. The people of that time that overcome their old customs and beliefs by accepting what the Apostle John wrote in the Book of Revelation concerning the seven churches are promised

(a) access to the tree of life in the middle of the garden of paradise of new Jerusalem [see Revelation 2:7]

(b) will not be hurt of the second death, after they resurrect from their first death [see Revelation 2:11]

(c) he or she will eat of the hidden manna (sealed little scroll of the seventh angel with trumpet) baked into spiritual bread (resembling a white stone); thereby, he or she will have been given at the resurrection the new name of the latter day living messenger [see Revelation 2:17]

(d) have power to rule over all nations of latter day Babylon's kingdom with a rod of iron [see Revelation 2:26, 27]

(e) be clothed with the figurative white garments of light/righteousness, and he or she will not have his or her name blotted from the last scroll/scroll of life, on which

the two witnesses also recorded the things that happened in a new Earth [see Revelation 3:5]

(f) become a permanent spiritual pillar in the temple of God (seventh plagues angel), having the name of God (seventh plagues angel), name of new Jerusalem, and a new name to put their faith in, being the name of the latter day living messenger [see Revelation 3:12]

(g) will sit on the father's/seventh plagues angel's great white throne of intense light reigning from above the super volcano's high and lifted-up mountain of erupting lava over latter day Babylon's dissolved kingdom [see Revelation 3:21]
