

## Chapter 3

***Revelation 3:1 And unto the ANGEL*** {leadership} ***of the church in Sardis write; These things saith HE*** {seventh plagued angel speaking as the last witness of what happened around 90 A.D.} ***that hath the seven Spirits*** {being equated with the memory of Michael that witnessed the things being done by the church's leadership/angel and by the seven churches in Asia Minor} ***of God*** {Michael/God that wrote the visions and oracles on the seventh plagued angel/God sitting and reigning on the throne. These visions and oracles are mixed with the last witness' vision and oracles}, ***and the SEVEN STARS*** {when the seven spirits are revealed they are as seven burning flames/seven stars upon seven candlesticks}; ***I know thy works, that THOU*** {leadership/angel/messenger of Sardis} ***hast a name that thou livest, and art DEAD*** {will already be dead when the seventh plagued angel is revealing Revelation 3:1 near the end of the judgment}.

The verse in Revelation 3:1 is happening near the end of the 1,100 years of the judgment. At that time, the seventh plagued angel has the seven spirits that pertain to the memory of Michael, that witnessed and wrote on a scroll's first side what happened during the time when the seven churches of Asia Minor existed. The seventh plagued angel is God because he is recreating each generation

according to the visions and oracles written on each scroll's first side. When the seven spirits are revealed from one of the scroll's first side, they are as the seven stars (seven flames/lights) upon the seven golden candlesticks. These seven stars burning upon the seven candlesticks reveal the works of the angels (messengers/leaderships) of the seven churches.

Near the end of the 1,100 years of judgment, the seventh plagued angel reveals what the last witness said around 90 A.D. to the leadership (angel/messenger) of Sardis. At that time, the seventh plagued angel will be replaying the time of what already happened earlier in the judgment during 1,000 years when all the scrolls' first side were being opened and revealed, as recorded by Michael on the seventh plagued angel according to what the two witnesses had witnessed happening during the judgment. From one of these scroll's first side is revealed the things that existed and happened during the time when seven churches of Asia Minor existed around 90 A.D. Therefore at that time, the seventh plagued angel speaking as the last witness says in its counsel to the leader (angel/messenger) of the church of Sardis that it knows his works.

The seventh plagued angel's visions and oracles will reveal the time when the leader (angel/messenger) of the church of Sardis was living and had a name that he was generally known by to his members. However, that leader is told by the seventh plagued angel that he is already

dead. The reason is that the seventh plagued angel's visions and oracles are replaying the time of around 90 A.D. during the end part of the 1,100 years of the judgment.

\*\*\*\*\*

***Revelation 3:2 Be watchful, and strengthen the things which remain, that are ready to die: for I {seventh plagued angel that is speaking of what the last witness had said to the leader of the church of Sardis around 90 A.D.} have not found thy works perfect before God {God\seventh plagued angel sitting on the great white throne and ruling over the dissolved kingdom of latter day Babylon}.***

The Apostle John first wrote and sent the counsels of what the last witness said to the seven churches of Asia minor around 90 A.D. These counsels are written on a scroll that recorded the events that happened during the time the seven churches of Asia minor existed.

In the latter days, the latter day messenger began to reveal the dawning light (light/visions of the two witnesses) from beneath the first seal around the rolled-up seven-sealed scroll of life's first side. The visions and oracles written on the scroll of life's first side were kept hidden while it remained rolled-up and sealed with seven seals/bands around it. From that time of the dawning light, all things

that exist and happening are according to what is written by the first witness/Michael on the scroll of life's first side. According to the written visions and oracles on the scroll of life's first side, the latter day messenger prophesies of things that will happen before the rock's impact just as they have already happened.

Near the end of the 1,100 years of the judgment, the seventh plagued angel in Revelation 3:2 will be reiterating what the last witness had counseled around the time of 90 A.D. This counsel concerned the leadership of each of the seven churches that existed in Asia minor. The last witness (Gabriel) said in Revelation 3:2 that the works of the leader of Sardis' church were not perfect before God (God/seventh plagued angel sitting upon the high and lifted up lava erupting super volcano). Since all things that existed and happened in each generation are recreated near the end of the judgment from the seventh plagued angel's written visions and oracles (according to what the first witness/Michael wrote on each scroll's first side), it means that the seventh plagued angel is the God and father of all things that exist and happen.

The leader of the church of Sardis was counseled to watch (be on constant search) for present new truth of a living messenger and his living apostles. Thereby if the leader accepted new present truth, the leader's dieing church will have been strengthened, instead of dieing (being lost) with Yahshua's/Jesus' and his apostles' old truth of salvation

that was only promised to people living in their generation. The next generation had to accept and believe the message of salvation that the Apostle John wrote in the Book of Revelation to be saved. As clearly revealed by what the seventh plagued angel says with the voice of the last witness to the seven churches of Asia Minor.

\*\*\*\*\*

***Revelation 3:3 Remember therefore how THOU***  
{leadership of the church of Sardis} ***HAST RECEIVED***  
{how they received their present belief from a person revealing salvation in Yahshua's/Jesus' name} ***and heard, and hold fast, and REPENT*** {repent and be watchful for new present truth from a living messenger and his living apostles}. ***If therefore thou shalt not watch, I*** {seventh plagued angel revealing what the last witness proclaimed through the Apostle John/living messenger} ***will COME on thee as a THIEF*** {to take away their salvation that is based on an old message of salvation}, ***and thou shalt not know what HOUR*** {in our day, this hour represents the hour of temptation during latter day Babylon's second and third reigning periods before the rock comes and impacts the USA} ***I will come upon thee*** {as an impacted rock's effects}.

The leader of the church of Sardis (whose attitude reflects the members of Sardis) was counseled to remember how he became a Christian. His belief of salvation happened

after hearing from someone of what is written in the gospels and letters of former apostles and disciples of Yahshua/Jesus. The leader of the church of Sardis was told that he must look for a new present truth message given by the last witness' living messenger. Otherwise he will reject the living messenger's new message by believing there are no more prophets with new messages. The living messenger's new message is likened to a thief in the night that takes away the salvation that the leader and his church members believed in.

The hour arrived to the seven churches of Asia minor when the Apostle John sent a new message written in his Book of Revelation to the seven Christian churches of Asia minor. The members of these churches that believed the message that the Apostle John sent them became Apostles of the new living messenger (Apostle John). Thereafter, the new Apostles believed and promoted the new present truth written in the Book of Revelation and created new churches. After the death of the living messenger (Apostle John), one of John's followers would reveal a new message from the Book of Revelation (including other parts of scripture) to become the new living messenger, as witnessed by the two witnesses and written on another scroll's first. The new messenger would then gather apostles who believed his message. These apostles would then gather disciples. At the death of the messenger, one of his followers would then become the

next living messenger having a new message to reveal from the Book of Revelation, as witnessed by the two witnesses and written on another scroll's first side. The new living messenger proclaimed his message and gathered apostles and disciples. This scenario plays out the same way in each generation to the last generation. In the latter days, the latter day messenger (being a follower of the former messenger) is revealing the purest and truest message from the Book of Revelation and other parts of scripture before the rock impacts the USA and opens the super volcano.

In our day, the leaders of Christian churches are not watching for the two witnesses' new present truth revealed from a living messenger. Therefore, they will not know the hour of temptation that is happening during the time when the last witness' latter day living messenger is revealing the visions and oracles written in the last scroll/scroll of life before the rock impacts the USA. The last witness' new present truth message (that the leaders of Christendom were not watching for) will steal away their salvation. Their hope in salvation (which they had received, heard, and held fast) is based on what a person or persons had told them (before they became Christians keeping the faith) concerning old promises spoken by a former messiah/messenger that (the old promises) were only meant for people living in the living messenger's generation.

\*\*\*\*\*

**Revelation 3:4** *Thou* {leadership of the church of Sardis} *hast a few names* {of people} *even in Sardis which have not defiled their GARMENTS* {spiritual garments of light/new present truth}; *and they SHALL* {near the end of the 1,100 years of the judgment} *WALK* {among seven golden candlesticks} *with ME* {seventh plagued angel speaking as the last witness} *in WHITE* {wearing the same intensely bright garments of light/visions that is on the seventh plagued angel}: *for THEY* {the overcomers in the church of Sardis of their former beliefs} *are WORTHY* {having received, believed, and held fast to the new light/visions and oracles written in the Book of Revelation of a new living messenger/Apostle John at that time}.

There were a few names of people living in the city of Sardis around 90 A.D. that had not defiled (darkened) their garments of light (present new truth) by mixing the new bright truth with old faded beliefs. They had received the new light (present truth) that clothed them from the Apostle John's new message in the Book of Revelation. During the time of the Apostle John's new ministry, the two witnesses were witnessing what existed and happening around 90 A.D., which were written by the first witness (Michael) on a scroll's first side. In that time, a new message was being revealed to Christendom's churches through the last witness' (Gabriel's) living

messenger (Apostle John) and his apostles.

The time in Revelation 2:1 happens when the seventh plagued angel is walking among seven golden candlesticks near the end of the 1,100 years of the judgment. The seventh plagued angel is revealing what is written on a scroll's first side concerning the seven churches of Asia Minor. At that time, the names of people living in the city of Sardis that had overcome and not defiled their garments will be walking with the seventh plagued angel among the seven golden candlesticks. These overcomers will be wearing the same intensely bright white garments as the seventh plagued angel, who is holding and revealing the seven stars in its right hand near the end of the judgment.

\*\*\*\*\*

***Revelation 3:5 He that OVERCOMETH*** {having overcome his/her old beliefs by accepting the two witnesses' present new truth and resurrects in the latter days}, ***the same shall be clothed in WHITE RAIMENT*** {which is the same garment of light that clothes the seventh plagued angel in Revelation 15:6}; ***and I*** {seventh plagued angel speaking with the voice of the last witness'/Gabriel' living messenger} ***will not blot out his name out of the BOOK*** {scroll} ***OF LIFE*** {the last book/scroll of life will contain the two witnesses' written visions and oracles of all things that existed and happened

from the time the latter day living messenger's message began to dawn from beneath the first seal to the end of the 1,100 years of the judgment}, **but I** {seventh plagued angel speaking with the voice of the last witness' latter day living messenger near the end of the judgment} **will confess HIS** {believer's} **name before MY** {last witness' latter day messenger/latter day Solomon) **Father** {first witness' latter day messenger/latter day David}, **and before HIS** {first witness'} **ANGELS** {first witness' resurrected messengers/angels).

Any person that overcomes their old beliefs and accepts new present truth from the last witness' new message proclaimed by a living messenger, these righteous people will be clothed with the seventh plagued angel's white garment near the end of the judgment. The first witness (Michael) will have written the overcomers of each generation on the first side of each scroll's first side. It was written that these overcomers received and stayed faithful to the two witnesses' new present truth revealed by a different living messenger in every generation. Each living messenger and his apostles and disciples (that overcame their old beliefs by accepting present new truth) are written as overcomers on a scroll's first side. All the overcomers and the rebellious people of all past generations had died and were blotted out from a scroll's first side that had recorded the events of one generation. However, the overcomers who died in all generations will

resurrect at the time the impacted rock opens the bottomless pit in the USA to be written as playing a living part on the scroll of life's first side.

During the initial 1,000 years of the judgment, the first witness will continue writing on the seventh plagued angel all the events that will be happening in the judgment. In that time, the first side of all the scrolls that recorded the events that happened in all past generations are opened to reveal their visions and oracles. These visions and oracles reveal what the two witnesses had seen and heard in every generation. At the end of the 1,000 years of judgment, other visions and oracles are revealed from the first side of the last scroll/scroll of life during the remaining 100 years of the judgment. The scroll of life will reveal all things that existed and happened from the time the latter day living messenger began to reveal his new present truth message (from beneath the first seal of the rolled-up seven-sealed scroll of life) through to the end of the 1,100 years of the judgment. Accordingly, the scroll of life's last small part will contain all the visions and oracles revealed from the other scrolls during the initial 1,000 years of the judgment.

Visions and oracles were written by the first witness on the scroll of life's last small part (being represented by the seventh plagued angel). These visions and oracles written on the last small part are revealed near the end of the 1,100 years of the judgment. At that time, the seventh

plagued angel will be revealing the time earlier in the judgment when the scroll of life was opened to reveal events that happened from the time new light dawned from beneath the scroll of life's first seal until the lake of fire consumed the world, the time when the other scrolls were being opened earlier during the initial 1,000 years of the 1,100 years of the judgment, and the time when the last scroll/scroll of life was being opened from the beginning of the 100 years to the end of the last 100 years of the judgment.

Visions and oracles written on the first side of all scrolls also recorded the overcomers and rebellious people of all past generations that had all lived and all died. Hence they were blotted out (died) from playing a part in life, as recorded on each scroll. The seventh plagued angel will reveal from the last scroll's/scroll of life's visions and oracles how the overcomers of all generations resurrected to play a part in life and entered new Jerusalem's ensign to remain alive forevermore. Since the seventh plagued angel reveals from the last small part of the scroll of life's first side all the scrolls that showed the rebellious of all generations dieing, it means the rebellious of all generations will also be blotted out from the scroll of life.

God the father (first witness/Michael) wrote in each scroll concerning his messenger (being a David/father type) prophesying and preparing the path for the last witness' (Gabriel's) messenger (being a Solomon/son type) in each

generation. Michael had also recorded what the last witness (Gabriel/son) had witnessed. The last witness' living messenger in each generation always fulfills what the first witness' dead messenger failed to fulfill. Near the end of the judgment, the seventh plagued angel will reveal how the last witness' messenger confessed (revealed) who the overcomers were in each generation. At that time, all overcomers of all generations will be dressed in the same white garments (representing visions) of the seventh plagued angel.

\*\*\*\*\*

***Revelation 3:6 He that hath an ear, let him hear what the SPIRIT {spirit/mind of the seventh plagued angel} saith unto the churches.***

Any person who has an ear to hear and believe the last witness' counsel to the seven churches, overcomes their old beliefs by accepting present new truth from a living messenger, these righteous people will not be blotted out of the scroll of life.

\*\*\*\*\*

***Revelation 3:7 And to the ANGEL {leadership} of the church in Philadelphia write; These things saith HE {the seventh plagued angel that is speaking with the voice of the last witness to the leadership of the church in Philadelphia} that is HOLY {pure as a lake of lava and***

sacred as the temple upon it}, *he that is true, HE that hath the KEY* {that opens the door in heaven where the seventh plagues angel is about to reveal the scroll of life's visions and oracles} *of David* {equated with the first witness' written visions and oracles}, *he that OPENETH* {openeth the seven seals around the roll-up scroll of life}, *and no man SHUTTETH* {re-mystifies}; *and SHUTTETH* {conceals the visions and oracles}, *and no man OPENETH* {no person is able to open the scroll of life's understanding with their erroneous interpretations};

The seventh plagues angel is revealing what the last witness had said to the leadership of the church of Philadelphia (the meaning of the word Philadelphia is reflected in the counsel to Philadelphia). In Revelation 3:7, the last witness (Gabriel/son/Solomon) says that he has the key (key to the door in heaven of Rev.4:1) of David (first witness/David/Father of the son/Solomon). The first witness wrote of one of his messenger's (David). David failed to fulfill the first witness' predictions to construct the temple in old Jerusalem. However, the first witness then wrote how the last witness' messenger (Solomon/son) was able to fulfill his father's (David's) failed prediction of building the temple of God in old Jerusalem. In our day, the first witness' latter day dead messenger failed in constructing the spiritual temple in spiritual new Jerusalem. Instead, the last witness' living messenger is given the key to open the door (see Rev.4:1)

that the Apostle John saw in heaven. Within this door is seen the time near the end of the judgment when the seventh plagued angel is about to show how earlier in the judgment the first side of the rolled-up seven-sealed scroll of life was unsealed and revealed by the last witness' latter day messenger.

The latter day messenger has the spiritual key that opens the door to understand the prophecies written on the scroll of life. With this key of understanding the scroll of life, the latter day living messenger constructs the spiritual temple when he gathers his apostles (representing foundations of the spiritual temple) and disciples (representing walls and pillars of the spiritual temple) and prophesies of the day when the resurrection happens to finish constructing the spiritual temple with the resurrected apostles and disciples of all generations. This key in the hand of the last witness' latter day living messenger reveals that he can open the rolled-up seven-sealed scroll of life written in the Book of Revelation. Thereby he can reveal from the scroll of life how he prophesies during three reigning periods of latter day Babylon's rule to gather his apostles and disciples. He also reveals from the scroll of life the day of the rock's impact in the USA. The opening of the super volcano when it erupts smoke and ash for five months, the resurrection of all apostles and disciples of all generations, gathering of a great multitude from all nations when the super volcano is erupting ash and smoke, gathering all the redeemed into

the intensely bright ensign within new Jerusalem after the super volcano has swelled up into the sky (heaven) and caused a great earthquake as it explodes and erupts magma and rains great hailstones, a new heaven and earth for the redeemed to dwell in, the time of the judgment when each scroll's first side is opened to replay each generation, and near the end of the judgment when the seventh plagued angel reveals the time when each scroll was opened and replayed each generation.

***Revelation 4:1*** *After this I looked, and, behold, a DOOR was OPENED {with the key of latter day David in the latter day messenger's/Solomon's hand} in heaven: and the first voice which I heard was as it were of a trumpet talking with me; which said, Come up hither, and I will shew thee things which must be hereafter.*

***Revelation 5:1*** *And I saw in the RIGHT HAND {hence written by the right hand/first witness that also wrote of the second witness/left hand} of HIM {representing the seventh plagued angel} that sat on the THRONE {reigning over the lava covered dissolved kingdom of latter day Babylon} a BOOK {rolled-up scroll of life} written within {written within/first side by the first witness} and on the backside {written on the backside by the last witness}, SEALED with SEVEN SEALS {which only the last witness' latter day living messenger can unseal and open to reveal the hidden visions and oracles written on the*

rolled-up seven-sealed scroll of life}.

As old King David failed to construct the temple in old Jerusalem with the key of his kingdom, so latter day David (former dead messenger) also failed to unseal and open the scroll of life's mysteries to finish constructing the latter day spiritual temple of overcomers. The first latter day group (apostles representing foundations) and second latter day group (disciples representing pillars and walls) of redeemed will have been gathered by the latter day messenger's (latter day Solomon's) message before the rock's impact opens the super volcano in the USA. When the opened super volcano erupts smoke and ash, then the resurrection of all messengers and their dead apostles and disciples will happen to finish constructing the spiritual temple.

Instead of old King David constructing on Mount Zion old Jerusalem's temple, his son Solomon received the key of the kingdom of Israel and was able to construct the temple in old Jerusalem. This reveals how the last witness' latter day messenger (latter day Solomon) received the key/knowledge that the first witness' latter day former dead messenger (latter day David) wanted to reveal and fulfill by unsealing and revealing the scroll of life's written predictions to the latter day nations of Christendom. When latter day Solomon (latter day living messenger) opened the door in heaven with his figurative key and revealed the mysteriously written visions and

oracles written on the scroll of life's first side, thereafter no person is able to rebuttal his interpretation whereby the visions and oracles written on the scroll of life again become a mystery. However, if latter day Solomon does not reveal (keep closed) the mysteriously written visions and oracles written on the scroll of life's first side, no person is able to truthfully reveal the meaning of the visions and oracles written on the scroll of life.

\*\*\*\*\*

**Revelation 3:8 I** {seventh plagued angel revealing what the last witness had said to the leadership of the church of Philadelphia} **know thy works: behold, I have set before thee an OPEN DOOR** {opened with the key of David by latter day Solomon to view within the door the time near the end of the judgment when the seventh plagued angel is revealing what happened earlier in the judgment when the seven seals around the rolled-up scroll of life were about to be unsealed during the judgment}, **and no man can shut it: for THOU** {leadership of Philadelphia} **hast a little strength, and hast kept MY** {last witness'} **word** {as revealed by the Apostle John from the Book of Revelation, which the Apostle John wrote}, **and hast not denied MY** {last witness'} **NAME** {the Apostle John's name was the name of the last witness' messenger written on a scroll, on which the first witness had recorded the things that existed and happened when the seven churches

of Asia minor existed}.

The Apostle John had sent his writings (the Book of Revelation) of what the first witness had written of what the last witness was saying to the seven churches of Asia minor. An open door was revealed from the Apostle John's writings in the Book of Revelation. This door was opened with the the key of the first latter day messenger (latter day David) in the hand of the second latter day messenger (latter day Solomon). Within this door in heaven, the Apostle John was shown things that the two witnesses had already seen and heard take place. Within this door can be seen the things that happen near the end of the 1,100 years of judgment. At that time, the seventh plagued angel will be revealing the time when earlier in the judgment the scroll of life was about to be unsealed and revealed, see Revelation 4:1).

***Revelation 4:1*** *After this I looked, and, behold, A DOOR WAS OPENED* {opened by the last witness' latter day messenger/latter day Solomon with the key of the first witness' latter day dead messenger/latter day David to unseal and reveal the scroll of life's visions and oracles} *in HEAVEN* {heaven represents the high and lifted-up lava erupting super volcano, on which will be sitting the seventh plagued angel's visions and oracles ruling over the lava covered dissolved kingdom of latter day Babylon}: *and the FIRST VOICE* {voice of the seventh plagued angel speaking as the last witness/Gabriel} *which I heard*

*was as it were of a trumpet talking with me; which said, Come up hither, and I {seventh plagued angel} will SHEW {what happens near the end of the judgment} THEE {Apostle John who is equated with latter day John/latter day Solomon} THINGS which MUST BE HEREAFTER {concerning the review that shows how the last scroll/scroll of life was unsealed earlier in the judgment; the seventh plagued angel had already reviewed what happened earlier in the judgment when all the other scrolls were opened}.*

The leader of the church in Philadelphia faithfully kept the last witness' counsels that were revealed by the Apostle John from his writings in the Book of Revelation. Accordingly, the Apostle John's name was then the name of the last witness' living messenger written on a scroll's first side by the first witness during the time when the seven churches of Asia minor existed. When the leader (messenger/angel) of the church of Philadelphia and his church members kept the present new truth of the last witness' living messenger (Apostle John), the leader and his church members will have not denied the name of the last witness' living messenger.

\*\*\*\*\*

***Revelation 3:9 Behold, I {seventh plagued angel speaking as the last witness} will make them of the synagogue {temple/church} of Satan {the Satan/adversary against***

present new truth of a living messenger's message},  
***which say they are JEWS*** {in our day the spiritual Jews  
are the Christians in the USA}, ***and are not, but do lie;***  
***behold, I will make them TO COME*** {when standing  
unsaved outside new Jerusalem during the judgment} ***and***  
***WORSHIP*** {bow down while outside new Jerusalem},  
***before THY FEET*** {standing within new Jerusalem} ***and***  
***to know that I*** {seventh plagues angel revealing what the  
last witness said to the leadership of Philadelphia} ***have***  
***loved thee.***

The faithful church members of Philadelphia are equated with latter day people who believe the latter day living messenger's message. In the past type, the Judeans (being Jews who continued to promote old Moses' laws and rituals) and the spiritual Judeans (being Christians who rejected the Apostle John's new message revealed from his writings/Book of Revelation) were labeled as the synagogue of Satan (Satan/adversary of a new message revealed by a living messenger).

In the latter days, the adversaries (Satans) of latter day John's message (concerning the salvation of people before the imminent rock's impact opens the super volcano in the USA) are the spiritual Jews (being the leadership and non believers living in the USA). Any person that rejects this message is of the churches (synagogues) and cities of the adversary (Satan). Every faithful person who accepts latter day Solomon's new present truth message revealed from

seven angels with trumpets written on the scroll of life's seventh part are loved by the two witnesses. The visions and oracles of these seven angels with trumpets warn of the imminent arrival of the rock's woes. The believers of these warnings will be kept on a straight path to a new Earth during this hour of temptation.

In the time of judgment, the rebellious creatures (representing all the rebellious people who lived in every generation of the world) will be standing outside new Jerusalem (see Revelation 5:13). At the same time, the three groups of redeemed (1st group represented by four-winged and six-winged beasts, 2nd group represented by 24 elders, and 3rd group of redeemed represented by many righteous angels) will be within new Jerusalem.

When the last scroll/scroll of life is revealing its record during the judgment, the rebellious people (who will not have yet realized they were the rebellious people on Earth) outside new Jerusalem will bow down on bended knees (see Isaiah 45:23) and worship before the three latter day groups of redeemed, that are closer to the reigning throne within new Jerusalem. The rebellious will realize that the two witnesses' predictions loved the people that believed their present truth visions and oracles revealed in each generation by a living messenger. Accordingly, the two witnesses' predictions written on seven angels with trumpets of each scroll's seventh part kept the redeemed

from falling into confusion during the hour of temptation.

**Revelation 5:13** *And EVERY CREATURE* {representing the rebellious dead people of every generation of the world} *which is in HEAVEN* {heaven represents the high and lifted-up lava erupting super volcano, on which the seventh plagued angel's visions and oracles are sitting and reigning over the lava covered destroyed kingdom of latter day Babylon}, *and* {these creatures representing rebellious dead people} *on the earth* {land}, *and* {had died} *under the earth* {land}, *and such as are* {dead} *in the sea, and all that are in them, heard I saying, Blessing, and honour, and glory, and power, be unto HIM* {seventh plagued angel's visions and oracles sitting and reigning over the destroyed lava covered kingdom of latter day Babylon} *that sitteth upon the THRONE* {this huge throne of intense bright light is reigning over all destroyed nations that ended in an overflowing lake of lava}, *and unto the LAMB* {this lamb represents the visions and oracles revealed by the last witness' living messenger} *for ever and ever.*

**Isaiah 45:23** *I have sworn by myself, the word is gone out of MY* {being the combined two witnesses' voice} *mouth in righteousness, and shall not return, That unto ME* {seventh plagued angel's visions and oracles sitting on the great white throne during the judgment} *EVERY KNEE* {of righteous and rebellious people} *SHALL BOW, every TONGUE SHALL SWEAR* {confess that the destruction of

the rebellious and world is a righteous act}.

\*\*\*\*\*

***Revelation 3:10 Because THOU*** {leadership of the church of Philadelphia} ***has kept the word of MY*** {seventh plagued angel revealing near the end of the judgment what the last witness had said to the leadership of the church of Philadelphia in 90 A.D.} ***patience, I*** {last witness' message revealed by a living messenger} ***also will keep thee from the HOUR*** {the first half hour parallels the time when six angels with trumpets are being revealed. The second half hour of this one hour parallels the time when six lights of the seventh angel with trumpet are being revealed} ***of TEMPTATION*** {when people who believe the living messenger's message are tempted by a different vision concerning the world's future}, ***which shall come upon all the world, to try them that dwell upon the earth*** (earth/land of the ruling nation).

In every generation when the last witness' (Gabriel's) living messenger was revealing a message, that time was the hour of temptation. The latter day living messenger's new Daily light was recorded by the first witness (Michael) on the scroll of life's six of seven seals. Then new Daily light dawned to life to be written on six of seven angels with trumpets. Thereafter, new Daily light dawned and is written on six of seven lights of the seventh angel with trumpet. During these seven angels with

trumpets is the hour of temptation. The hour of temptation tests a person's faith in the living messenger's message. When the prophecy of latter day Babylon's fall is declared by the living messenger and failed to happen as predicted during the end of the sixth seal, the messenger then prophesied again of latter day Babylon's fall during the six angels with trumpets. When that prophecy failed to happen, the living messenger then prophesies again for 1260 days of latter day Babylon's fall during the six lights of the seventh angel with trumpet. During the time of prophesying of each renewed message, failure of the message, and revival to life of a new message by the living messenger, the believers of present new truth are tempted to instead accept the vision for the world's future that is being promoted by others and by the ruling establishment.

***Hosea 12:6*** *Therefore turn thou to thy GOD* {two witnesses' predictions written on the seventh plagued angel}: *keep mercy and judgment and WAIT* {during the hour of temptation} *on thy God* {visions and oracles written on the seventh plagued angel} *CONTINUALLY*.

***12:7*** *He* {God/two witnesses' visions and oracles written on the seventh plagued angel} *is a MERCHANT* {a trader of visions and oracles}, *the BALANCES* {representing the two witnesses' written predictions} *of DECEIT* {the fulfillment of predictions are delayed until the latter days when the seventh light of the seventh angel with trumpet

is fulfilled as written on the last scroll/scroll of life} *are in HIS* {seventh plagued angel's} *hand: HE* {seventh plagued angel's visions and oracles} *LOVETH TO OPPRESS* {oppresses with failed and renewed predictions made by living messengers in every generation}.

In the latter days, the hour of temptation had commenced when latter day Solomon began to reveal the initial six of seven angels with trumpets from the scroll of life's first side. At that time, the latter day spiritual seven-headed ten-horned Babylonian beast (representing the latter day kingdom/union of nations of Christendom uniting in agreement to enforce the USA's vision on non-complying nations) had already begun its second reigning period (being the first half hour of temptation), but in the land of figurative Canaan. Its third/final reigning period of 1290 days during the 2300-day period is the second half hour of the one hour of temptation. It is the hour of temptation because while the union of nations is promoting and enforcing the vision that the USA has for the world's future, the believer's are tempted to forsake the latter day messenger's message that dies unfulfilled and then a new message revives to life. His revived new message again proclaims the imminent fall of latter day Babylon's kingdom, when a rock impacts the USA and opens a super volcano in the land.

***Revelation 17:12*** *And the TEN HORNS* {representing in our day the union of nations of Christendom uniting to

enforce the USA's vision for the world} *which thou sawest are TEN KINGS* {the ten horns/ten kings are based on the old ten tribes of Israel situated in the two tribes of Judah and Joseph, but in our day the ten kings represent the many kingdoms/nations of Christendom}, *which have received NO KINGDOM AS YET; but receive power as kings ONE HOUR* {being the hour of temptation during latter day Babylon's second reigning period for 1290 days/half hour and latter day Babylon's third reigning period for 1290 days/half hour}, *with the BEAST* {beast/union of nations/kingdom of confusion}.

***Revelation 3:11 Behold, I*** {seventh plagued angel revealing what the last witness said to the leadership of the church of Philadelphia} ***COME QUICKLY*** : {when the seventh plagued angel again reveals but quickly near the end of the judgment the time when the Apostle John sent his Book of Revelation to the seven churches of Asia minor} ***hold that fast which THOU*** {leadership of Philadelphia} ***HAST*** {as received from the then living messenger/Apostle John}, ***that no man take thy CROWN*** {the figurative crown of life is worn at the latter day resurrection when the scroll of life's predictions are reigning over latter day Babylon's fallen kingdom}.

The leadership and church members of Philadelphia were holding fast to their present new truth revealed by the

Apostle John (living messenger) from his writings in the Book of Revelation. If the leadership and members of the church of Philadelphia overcame the hour of temptation and did not allow any person to take away their present new truth, they will figuratively wear their reigning crowns over confusion at the latter day resurrection. At that time of the latter day resurrection, the faithful believers that held fast to the two witnesses' new message revealed by a living messenger in every generation will resurrect to reign {hence will be wearing their reigning crowns of life) with the seventh plagued angel's fulfilled visions and oracles over the fallen kingdom of latter day Babylon. Latter day Babylon falls on the day the rock's impact opens the super volcano in the USA.

During the initial 1,000 years of the 1,100 years of the judgment, the first witness will be recording on the first side of the last small part (represented by the seventh plagued angel) of the scroll of life the time when all the scrolls are being opened and revealed during the 1,000-year judgment period. Each of these scrolls had recorded the things that existed and happened in each generation of the world.

At the end of 1,000 years of the judgment, the rolled-up seven-sealed scroll of life's first side will begin being unsealed to reveal its written record of what the two witnesses saw take place in the world from the time the living messenger's light (message) began to dawn from

beneath the first seal through to the end of the judgment. When the scroll of life is being revealed for a 100 years, it will show what took place from the time the latter day witness' new Daily truth dawned from beneath the first seal through to the end of latter day Babylon's third reigning period, followed by the time of the plagues that were loosed from the opened super volcano by the rock impacting the USA, and the time when lava began to erupt from the high and lifted-up super volcano to consume the world. Then the scroll of life's last small part (referred to as the seventh plagued angel) will quickly (in a short time) show near the end of the 1,100 years of the judgment the time earlier when the scrolls of all past generations were consecutively opened during the initial 1,000-year period of the judgment, followed by the opening of the scroll of life. Accordingly, the seventh plagued angel will then be replaying quickly the time when the last witness (Gabriel) came and spoke to the leaders (angels/messengers) of seven churches in Asia Minor from the Book of Revelation, which the then living messenger (Apostle John) of that generation wrote while on the isle of Patmos. Thereby fulfilling the verse in Revelation 3:11 where it says behold I (seventh plagued angel revealing what the last witness said to the seven churches) come quickly.

\*\*\*\*\*

***Revelation 3:12 Him that overcometh*** {and believes the last witness' new message revealed by a living messenger}

*will I* {seventh plagued angel revealing what the last witness/Gabriel said to the leadership and church of Philadelphia} *make a PILLAR* {representing an overcomer} *in the TEMPLE* {representing the seven plagued angels when revealed by the seventh plagued angel from the first side of the scroll of life's seventh part. The temple is also equated with the opened mouth of the super volcano. around the high and lifted-up super volcano's mouth will be a sea of glass/hailstones where the first and second groups of redeemed stand during the judgment} *of MY* {last witness'/Gabriel's visions and oracles} *God* {seventh plagued angel}, *and HE* {person that overcame the hour of temptation in each generation} *shall go NO MORE OUT* {from the time the seventh plagued angel reveals the resurrection the overcomers become the permanent pillars and walls of the spiritual temple}: *and I* {seventh plagued angel speaking as the last witness} *will write upon HIM* {overcomer} *the NAME* {seventh plagued angel visions and oracles written by Michael) *of MY* {Gabriel's visions and oracles written by Michael on the seventh plagued angel} *GOD* {sitting on the great white throne of intense light}, *and the name of the CITY* {that surrounds the erupting super volcano and its mountain} *of MY* {Gabriel's/last witness' visions and oracles} *GOD* {Michael's/first witness' visions and oracles written on the seventh plagued angel), *which is NEW JERUSALEM* {representing at that time the three groups of redeemed}, *which COMETH DOWN* {to the

new Earth} *out of HEAVEN* {heaven refers to the high and lifted-up lava erupting super volcano} *FROM* {according to the visions and oracles} *my GOD* {seventh plagued angel revealing Michael's written visions and oracles}: *and I will write UPON HIM* {upon the overcomer's mind} *MY* {last witness'/Gabriel's} *NEW NAME* {the new name of the last witness' latter day living messenger}.

In every generation, the last witness (Gabriel) sent a living messenger to proclaim a new message to the people that claimed salvation in the message of a deceased messenger. The people that overcame their old beliefs had accepted the message of a living messenger or as proclaimed by his apostles. When the seventh plagued angel reveals the time when the overcomers resurrected at the eruption of smoke and ash from the super volcano, they will be as spiritual pillars in the spiritual temple. On their minds will be written the new name of the last witness' latter day living messenger. Also they will know the name of God being Michael's visions and oracles written on the seventh plagued angel. Near the end of the judgment, everything that existed and happened in each generation is created according to the visions and oracles that were written by the first witness (Michael) on the seventh plagued angel, including what the last witness (Gabriel) was witnessing in each generation.

As pillars and walls are built on a foundation, so the

144,000 (second group/pillars and walls) will have been gathered from all generations after the first group (foundation) of all generations was gathered. A person is written as an overcomer on the seventh plagues angel when the seventh plagues angel reveals the time when all seven plagues angels have been fulfilled

The spiritual sanctuary/temple is equated with the mouth that is upon the high and lifted up super volcano's mountain (new mount Zion). The top rim around the mouth is likened to the inner court of the temple. Around the mountain of the lava erupting super volcano represents new Jerusalem. All the redeemed will have entered the light emanating from around the mouth of the super volcano to be within new Jerusalem before the world is consumed by flowing lava. New Jerusalem represents the Eden of the new world. Therefore when the redeemed are dwelling in the new heaven and new Earth, it is as if new Jerusalem (representing the three groups of redeemed) came down from the high and lifted-up super volcano's mountain to be in the new heaven and new Earth.

From the time when the seventh plagues angel replays for the final time the latter day resurrection of overcomers, these saints (priests and elders) of the finished spiritual temple will not be removed again from continuing to be pillars and walls of the final replay of the finished temple. The reason is that the resurrection will not be replayed. The first group of overcomers (4 priests/beasts) represents

the spiritual foundations of the spiritual temple built on spiritual new mount Zion within spiritual new Jerusalem. The second group (24 elders) of overcomers represents the walls and pillars around the same spiritual temple that will be finished being built when the seventh light of the seventh angel with trumpet begins being revealed. At that time, in the minds of all resurrected overcomers and latter day living overcomers will be the name of God (first witness'/Michael' visions written on the seventh plagued angel), the name of new Jerusalem (representing the area below and around the lava erupting mouth of the super volcano's mountain), and the last witness' latter day messenger's new name.

**Revelation 3:13 He that hath an ear, let him hear what the Spirit** {spirit/mind of the first witness/Michael written on the seventh plagued angel revealing seven flames and seven golden candlesticks while speaking with the voice of the last witness/Gabriel} *saith unto the churches.*

A person needs to have an ear to hear what the seventh plagued angel said with the voice of the last witness to the leadership and church of Philadelphia. All who hear the voice will overcome their old beliefs by believing present new truth from a living messenger. Thereby becoming a pillar in the spiritual temple constructed by the last

witness' messenger.

Every time the seven-sealed rolled-up scroll of life is unsealed to reveal its visions and oracles, it means the overcomers are again shown as being out of the temple until the vision and oracle that reveals the spiritual temple being constructed at the latter day resurrection is revealed. When the seventh plagued angel replays the resurrection from the scroll of life's visions and oracles for the final time, all overcomers are again the pillars and walls of the finished spiritual temple for the final time and will go no more out. From the time of that final replay of the latter day resurrection, the overcomers of all generations will forever be priests and elders of the seventh plagued angel's temple.

***Revelation 3:14 And unto the ANGEL {leadership} of the church of the Laodiceans write; These things SAITH*** {saith the seventh plagued angel speaking with the voice of the last witness/Gabriel to the leadership of the church of Laodicea} ***the Amen, the FAITHFUL and TRUE WITNESS*** {Gabriel}, ***the BEGINNING*** {from the time of Genesis} ***of the CREATION of God*** {the creation is replayed by the seventh plagued angel/God from all the scrolls' first side when the seventh plagued angel is revealing near the end of the judgment what already happened earlier in the judgment when all the scrolls' first

side were opened and revealed};

The vision in Revelation 3:14 will be revealed by the seventh plagued angel near the end of the 1,100 years of the judgment. This vision shows the seventh plagued angel speaking with the voice of the last witness (Gabriel) revealing what the two witnesses witnessed in 90 A.D. concerning the leadership (angel/messenger) of the Laodiceans (the meaning of Laodicea is reflected in the counsel to Laodicea).

The seventh plagued angel reveals that the last witness is the Amen, being the faithful and true last witness. The last witness also knows that the first witness (Michael) wrote on the first scroll's first side the things (visions and oracles) that existed and happened in the first generation of Genesis. Accordingly when the seventh plagued angel (God/creator) reveals near the end of the judgment how the visions and oracles on the first side of the first scroll were revealed earlier in the judgment, these visions and oracles perfectly replay without error the first generation of Genesis, just as Michael had witnessed and recorded all things that existed and happened, including what the last witness (Gabriel) was witnessing. The visions and oracles written on each scroll's first side are of the memory of Michael concerning everything that existed and happened in every generation and the time of the judgment. On each scroll's first side, Michael (first witness) also recorded

what his messenger was prophesying and also what the last witness' (Gabriel's) messenger was prophesying in each generation.

The two witnesses' (Michael's and Gabriel's) visions and oracles written on the last scroll's/scroll of life's first side by the first witness know the events that will happen in this last generation, because they (two witnesses) have already seen/witnessed and heard the events taking place. Thereby, the two witnesses can speak to the latter day messenger from their written words in the Bible concerning the rock's impact opening the bottomless pit (super volcano) in the USA, so that the resurrection can happen and three groups of redeemed can be saved before the world's destruction. Hence, there is nothing new taking place under the sun that has not already taken place in a previous time-line (see Ecclesiastes 1:9, 10; 3:15).

The replay of a generation is necessary so that the two witnesses (Michael and Gabriel) can finish revealing the consequences of how people and animals act in a world where good and evil ways coexist. This world's ways will convey to the faithful angels and unfaithful angels (being perfect humans in the real world who live forever without evil thoughts and acts) with which group (righteous or rebellious) of people in this world they are equated.

In the mind of Michael is where our world exists. In the latter days, his mind only accepts logical things to happen in this world. Accordingly, Michael's mind can not

communicate with the latter day messenger using apparitions or audible voice as in the past. Therefore it was necessary for Michael to replay all things that existed and happened in this world to create scriptures having a “thus saith the Lord” (written by Old Testament prophets and the Apostle John) that would survive in the last generation in a book called the Bible. In the Bible are the written predictions of Michael and Gabriel (two witnesses). These predictions are completely understood by the latter day messenger. Accordingly, the Bible's scriptures that have a “Thus saith the lord” reveal to the latter day messenger the scroll of life's visions and oracles concerning the gathering of two groups of people before a meteor's impact in the USA begins the sign of Jonah. After 3½ days of the sign of Jonah, the super volcano will erupt smoke and ash. At that same time, the latter day resurrection of the faithful overcomers from all generations will happen. From the time the super volcano is erupting with smoke and ash, a final group of latter day people will overcome by believing the everlasting gospel during the time when the USA is being plagued by the effects issuing from an opened super volcano erupting smoke and ash. After five months of smoke and ash, the three groups of redeemed will enter the intense bright light of the fiery ensign emanating around new Jerusalem before the world is consumed by an overflowing lake of lava. When the world is consumed, then the judgment will begin. A new Earth will be created for the three groups of

redeemed to live forever without evil, as it was in the garden of Eden before Adam and Eve ate the fruit of good and evil.

***Ecclesiastes 1:9** The thing that HATH BEEN {in a previous replay}, it is that WHICH SHALL BE {in the next replay when the same events happen again}; and that which IS DONE is that which SHALL BE DONE: and there is NO NEW THING UNDER THE SUN {because everything already took place in the previous replay, except in subsequent replays there will be the salvation of faithful believers of a living messenger's message}.*

***1:10** Is there any thing whereof it may be said, See, this is new? IT HATH BEEN ALREADY of old time, which was before us.*

***Ecclesiastes 3:15** That which HATH BEEN {in a previous replay} IS NOW {happening again in the same replayed generation}; and that which IS TO BE hath ALREADY BEEN; and God requireth that which is past.*

\*\*\*\*\*

***Revelation 3:15** I {seventh plagued angel speaking of what the last witness said to the leadership of Laodicea around 90 A.D.} **know thy works, that thou art neither COLD** {cold illustrates a person who has no interest in the Apostle's John's message written in his Book of Revelation} **nor HOT** {hot illustrates a person who*

believes in the living messenger's new message}: ***I*** {last witness} ***would thou wert cold or hot.***

The seventh plagued angel reveals that the last witness knows the works of the leadership of the church of Laodicea. The members of the Laodicean church are like-minded in belief with the leadership of the church of Laodicea. When the Apostle John sent his new message of the last witness' new message written in the Book of Revelation to the leadership of the church of Laodicea, the leadership did not reject (be cold to) the Apostle John's message, but showed little interest in the new present truth message. Also, the leadership had no enthusiasm (were not hot) to share with their church members the new present truth written by the Apostle John in the Book of Revelation. The leadership was neither hot (zealous) or cold (not interested) in regards to wanting to understand the prophetic mysteries written in the Book of Revelation by the then living messenger (Apostle John). Instead, they are lukewarm, being content with their current way of thinking in regards to salvation according to the dated message of a past messenger/messiah or apostle.

\*\*\*\*\*

***Revelation 3:16 So then because THOU*** {leadership of the church of Laodicea} ***art lukewarm, and neither cold nor hot, I*** {seventh plagued angel speaking as the last witness} ***will spue thee out*** {blot out near the end of the

1,100 years of the judgment} *of MY MOUTH* {from the mouth of the last witness/Gabriel that speaks of visions and oracles as witnessed and written by the first witness/Michael on the first side of the scroll of life's last small part/seventh plagued angel}.

The seventh plagued angel reveals with the voice of the last witness what is written on the first side of a scroll. On this scroll the first witness recorded the things that existed and happened during the time of the seven churches of Asia minor, including what the last witness' messenger (Apostle John) was revealing to the seven churches of Asia Minor. Near the end of the judgment, the seventh plagued angel reveals the lukewarm attitude of the leader and members of the Laodicean church in regards to new present truth in the Book of Revelation sent to them from the Apostle John. This leader was lukewarm in his attitude to accept and reveal to his church members the new present truth message revealed by the then living messenger (Apostle John) from the Book of Revelation. This lukewarm attitude to new present truth caused the leader and his like-minded church members to not overcome their old beliefs in a former messenger's message, which they had accepted, remained faithful, and were still promoting even though the last witness' living messenger (Apostle John) had revealed a new message in the Book of Revelation. Accordingly, this leader and his church members of Laodicea will have died being

lukewarm and blotted out of the scroll that recorded the things that existed and and happened in the generation of the Laodicean church. Since these lukewarm people died without being overcomers of their old beliefs, they will not have been written on the scroll of life as being a part of the latter day resurrection.

Near the end of the judgment, the seventh plagued angel replays the time of earlier in the judgment when all the scrolls were revealed. One of the scrolls will have recorded the things that existed and events that happened in the generation of the seven churches of Asia minor. From that scroll, the seventh plagued angel will again show the lukewarm attitude of the leadership and church members of Laodicea towards the last witness' messenger (Apostle John). The seventh plagued angel speaks with the voice of the last witness of what is written on the last small part of the scroll of life. Accordingly, when the seventh plagued angel's mouth speaks of what happened earlier in the judgment when the review of a scroll's record showed how the leader and church members of Laodicea were blotted (replay of their death) out of life while being lukewarm, they will have again been spewed out of having a part in life as revealed by the seventh plagued angel from the last small part of the scroll of life's first side.

\*\*\*\*\*

**Revelation 3:17** *Because THOU* {leadership of the church of Laodicea} *sayest, I am RICH* {believes he is rich/spiritually fat with having spiritually eaten of the the old truth regarding Yahshua's/Jesus' salvation}, *and increased with GOODS* {goods/knowledge of the gospels that pertain to Yahshua's/Jesus' ministry and knowledge of the letters written by Yahshua's/Jesus' apostles and disciples}, *and have NEED OF NOTHING* {the leader of the church of Laodicea believes he and his church members need no new message from any person to be saved}; *and KNOWEST NOT* {because of his lukewarm state} *that THOU* {leader/angel/messenger of the church of Laodicea} *art WRETCHED* {spiritually malnourished on the old spiritual stale food of the old message that Yahshua/Jesus and his apostles and disciples proclaimed}, *and MISERABLE* {because the true state of the leader of the church of Laodicea is miserable}, *and POOR* {has no present truth/gold of the two witnesses' new message revealed by a living messenger}, *and BLIND* {the leader of the church of Laodicea was spiritually blind because he failed to place on his eyes the words/salve of a new message that the Apostle John/living messenger revealed from the Book of Revelation around 90 A.D.}, *and NAKED* {the leadership of the church of Laodicea was not clothed with the spiritual light/new message of the first witness/bright star and last witness/morning star in the Book of Revelation}:

The seventh plagued angel reveals what the last witness said regarding the leadership of the church of Laodicea. When the Apostle John sent his Book of Revelation to the leader of the church of Laodicea, the leader after reading it was Lukewarm in regards to the two witnesses' new message written in the Book of Revelation. The leader of the Laodicean church believed that he and his church members didn't need the two witnesses' new message revealed by the Apostle John from the Book of Revelation to be saved. He believed that he was rich (spiritually fat) with the old message of the two witnesses {Michael and Gabriel} that Yahshua/Jesus revealed. This leader of the Laodicean church also believed he was increased with the goods (words) revealed in the writings of Yahshua's/Jesus' apostles and his early disciples and didn't need to know anything else to be saved. However the leader of the church of Laodicea didn't know that he was spiritually malnourished (wretched) on the old stale message that the two witnesses revealed through Yahshua/Jesus. If the leader of the Laodicean church had known his true state, he would be miserable instead of happy in his erroneous belief of thinking he is saved. The leader of the Laodicean church was spiritually poor because he didn't buy (by trading his old beliefs) the two witnesses' new message (gold) revealed by the Apostle John from the Book of Revelation around 90 A.D. The leader of the Laodicean church was blind because he didn't continually place before his eyes the words (eye salve) of the two witnesses'

new message written in the Book of Revelation, because the leader thought he could clearly see (understand) what the gospels and letters were saying in regards to his salvation and the salvation of his Laodicean church members. The leader of the Laodicean church was spiritually naked because he was not clothed with the two witnesses new light (new visions) revealed from the Book of Revelation. The new visions revealed by the first witness and second witness are likened to the spiritual moon's/bright star's (first witness') light and spiritual sun's/morning star's (last witness') light, which beam down from heaven (sky) and clothe the people that accept the two witnesses' new written visions when being revealed by a living messenger.

\*\*\*\*\*

**Revelation 3:18 I** {seventh plagued angel revealing what the last witness said to the leader of the church of Laodicea} **counsel THEE** {leader of the Laodicean church} **to buy of ME** {last witness} **GOLD** {equated with the spiritual moon's/first witness' silver light/visions mixed with the spiritual sun's/last witness' coppery light/visions to create this gold that is revealed by a living messenger} **TRIED** {tested} **in the FIRE** {fire of temptation, during the hour of temptation}, **that THOU** {leader/angel/messenger} **mayest be RICH** {with the two witnesses visions/gold of present truth}; **and WHITE RAIMENT** {representing the bright star's/spiritual

moon's/first witness' white light/visions mixed with the morning star's/spiritual sun's/last witness' white light/visions of present new truth revealed by a living messenger}, *that THOU* {leader of the Laodicean church} *mayest be CLOTHED* {with new light/new visions}, *and that the shame of thy NAKEDNESS* {of not receiving new truth/light as revealed by a living messenger} *do not appear; and anoint thine eyes with EYESALVE* {words/spiritual oil that pertain to visions written on seven angels with trumpets. When their written visions are revealed, they are as oil burning in the seven lights/stars upon seven candlesticks}, *that thou mayest SEE* {see what the two witnesses are saying in regards to new present truth revealed by a living messenger in every generation}.

The verse in Revelation 3:18 is happening near the end of the judgment. At that time, the seventh plagued angel is revealing what the two witnesses' said to the leader of the church of Laodicea in 90 A.D. The leader was told to buy the spiritual gold of the two witnesses' present truth message from a living messenger. Spiritual gold represents the mixing of the spiritual silvery moonlight visions of what the first witness had witnessed with the spiritual coppery sunlight visions of what the second witness had witnessed, as written by the first witness on the first side of each scroll. On each scroll was recorded the things that existed and happened in the world during a

living messenger's generation. This gold represents the two witnesses' combined visions and oracles written on the first side of each scroll of the same things that they both saw existing and happening in each generation. The two witnesses sent their living messengers with a new message to prophesy and test the people that believed they were saved by claiming to believe a former messenger's message of a past generation.

Latter day Solomon received his message from the last witness' words in the Bible. The last witness' words reveal the two witnesses' visions and oracles written in the Book of Revelation. Thereby, the latter day messenger knows what is prophesied to happen to the world, according to the two witnesses' visions and oracles written on the scroll of life's first side. As old Moses and the people with him were tested as they journeyed twice through the wilderness to the Promised Land, so latter day Moses (living messenger) and the people with him are tested during two half hours of the hour of temptation. Latter day apostles and disciples have been tested with the spiritual fire of failed predictions concerning the time of the rock's impact to see if their faith in the spiritual gold {combined visions of two witnesses written on the scroll of life} would fail.

In the latter days, an overcomer buys (see Proverbs 23:23; Isaiah 55:1-3) the two witnesses' spiritual gold (visions in the scroll of life) by selling their old customs and beliefs

to obtain it. Thereby being truly rich with new life-saving knowledge that will redeem at the resurrection the latter day overcomers that died in the last generation. The spiritual gold (visions) will preserve the latter day living overcomers from the super volcano's plagues released by the rock's impact. From the time of the super volcano's eruption of smoke and ash, all the overcomers that acquired the two witnesses' spiritual gold (spiritual moon's/first witness' silver light/visions mixed with the spiritual sun's/second witness' coppery light/visions) from a living messenger will live to play a role in gathering a great multitude, a role within new Jerusalem during the judgment, and a role during a new life in the new heaven and new Earth. The new Earth will be as it was in the garden of Eden before the knowledge of evil was introduced into the world.

***Proverbs 23:23*** *BUY* {by trading your old customs and beliefs} *the TRUTH* {two witnesses' spiritual gold/visions revealed by a living messenger}, *and sell it not; also wisdom, and instruction, and understanding.*

***Isaiah 55:1*** *Ho, every one that THIRSTETH* {for the spiritual waters/new words of the two witnesses}, *come ye to the waters, and he that hath no money; come ye, BUY* {by trading your old customs and beliefs}, *and EAT* {spiritual food of the seventh angel with trumpet}; *yea, come, buy WINE* {being the spiritual sweet realization after drinking/knowing the two witnesses' written

predictions} *and MILK* {drinking the bitter milk of present new truth makes a believer have a spiritual stomach pain caused by non-believers' attitudes to a person who claims to believe a new message} *without money and without price.*

*55:2 Wherefore do ye spend money for that which is not bread? and your labour for that which satisfieth not? hearken diligently unto ME* {combined two witnesses' visions and oracles revealed by a living messenger}, *and eat ye THAT* {visions of the seventh angel with trumpet} *which is good, and let your soul delight itself in fatness.*

*55:3 Incline your ear, and come unto ME* {combined two witnesses' new message}: *HEAR* {the living messenger's message}, *and your soul shall live; and I will make an everlasting covenant with you, even the SURE MERCIES* {written predictions of salvation/mercies} *of DAVID* {David is the first witness' messenger}.

The latter day people that believe the straight/right truth for today will be clothed with the spiritual white garments of righteousness. Accordingly, a person's prior nakedness pertaining to their dated beliefs will be covered with the spiritual moon's/first witness' light/visions and spiritual sun's/second witness' light/visions, as revealed by the latter day messenger. When a person pours spiritual oil of the latter day messenger's message upon their eyes, they will then see what the two witnesses' visions and oracles

are saying on the scroll of life.

\*\*\*\*\*

**Revelation 3:19** *As many as I* {seventh plagued angel revealing what the last witness said to the leadership of the church of Laodicea} **LOVE, I REBUKE** {with the words of a new message} **and CHASTEN** {with failed predictions of a previous message}: **be ZEALOUS** {hot/zealous for wanting to know what the two witnesses are saying in the Book of Revelation} **therefore, and REPENT** {repent from the leadership's lukewarm attitude of thinking he and his church have enough truth to be saved, but knows not that he lacks the two witnesses' new present truth message revealed by a living messenger}.

The people that accepted the last witness' living messenger are the people that are loved, as written in a scroll. The loved ones are rebuked with the last witness' message revealed by a living messenger. These loved ones are also chastened with failed predictions to test the believers' faith during the hour of temptation. Accordingly, the leadership of the Laodicean church was told to repent from his lukewarm attitude of thinking he has all the truth needed to be saved, even though he didn't know that the opposite was true because he failed to truly accept the last witness' new message revealed by the Apostle John from the Book of Revelation. This leadership was also told to be zealous (hot) in wanting to know the last witness' new

message revealed by a living messenger, instead of relying on old messages concerning Yahshua/Jesus as written in the gospels and letters by deceased apostles and disciples. The promises and counsels written in the gospels and letters by apostles and disciples of Yahshua/Jesus applied only to the people the counsels were addressing in the generation of Yahshua/Jesus.

\*\*\*\*\*

***Revelation 3:20 Behold, I*** {seventh plagued angel revealing near the end of the judgment what the last witness had said to the leadership of Laodicea around 90 A.D.} ***stand at the DOOR*** {forehead/door to the mind}, ***and knock: if any man*** {person} ***hear MY*** {last witness'} ***VOICE*** {message of present truth revealed by a living messenger}, ***and open the door, I*** {new message of the living messenger} ***will come in to HIM*** {person's mind}, ***and will sup with him*** {hence, remove a person's old customs and beliefs}, ***and he with me*** {when a person spiritually eats the living messenger's new message, which is as spiritual manna/written words baked into white unleavened bread/understanding of the words}.

When a person reads a new message of the last witness' living messenger, then the last witness' message will be figuratively standing at the door (forehead) to his or her mind. A person of a certain spirit (character) that hears and opens their mind to allow the last witness' voice (as

revealed by a living messenger) to enter and sup therein, the last witness' written predictions will then remove (sup on) a person's old beliefs. At the same time, the person will be spiritually eating the last witness' new message, just as the Apostle John ate it in Revelation 10:10.

**Revelation 10:2** *And HE* {ending part of the sixth angel with trumpet as the seventh angel with trumpet is beginning} *had in his hand a LITTLE BOOK* {being a little scroll containing the seven lights and seven thunders of the seventh angel with trumpet} *open: and he set his RIGHT FOOT* {equated with the first witness' light/written visions} *upon the SEA* {representing the union/sea of rivers/nations of Christendom}, *and his LEFT FOOT* {representing the last witness' light/visions} *on the EARTH* {representing the land of the USA}.

**Revelation 10:10** *And I* {Apostle John} *took the LITTLE BOOK* {in which is written the seven visions and seven thunders of the seventh angel with trumpet} *out of the angel's hand* {hand of the sixth angel with trumpet as it is ending}, *and ATE IT UP* {as grains/written words of manna baked into unleavened bread/message resembling a white stone}; *and it was in my mouth SWEET* {equated with spiritual sweet wine} *as honey: and as soon as I had eaten it, my belly was BITTER* {equated with bitter milk}.

**Malachi 3:16** *Then THEY* {overcomers} *that FEARED* {were zealous to know the two witnesses' new written

message revealed by a living messenger in each generation} *the LORD* {seventh plagues angel} *spoke often one to another: and the LORD* {seventh plagues angel} *hearkened, and heard it, and a BOOK OF REMEMBRANCE* {the memories of Michael and Gabriel have recorded, as it were in a book/scroll, the people that feared their words as spoken by a living messenger} *was written before him for them that feared the LORD* {seventh plagues angel}, *and that thought upon HIS NAME* {the name of the two witnesses' living messengers in each generation}.

***Daniel 12:1*** *And AT THAT TIME* {when the reign of latter day Babylon comes to end when a rock impacts the USA and opens the super volcano} *shall MICHAEL* {Michael's/first witness' written visions and oracles that also wrote of the last witness'/Gabriel's visions and oracles on the first side of the scroll of life} *STAND UP* {the visions and oracles resurrect from having /died/failed to overthrow latter day Babylon during the sign of Jonah. As Michael's visions and oracles rise to life when smoke and ash erupt from the super volcano, the overcomers of all generations will also resurrect}, *the GREAT PRINCE* {Michael's written predictions/visions and oracles represented by the spiritual bright star/moon} *which standeth for the CHILDREN* {these spiritual children represent the third group of redeemed} *of THY* {latter day Daniel's/living messenger's} *PEOPLE* {these people

represent the first and second groups of redeemed}: *and there shall be a TIME OF TROUBLE* {during the time when the super volcano is erupting with smoke and ash for five months}, *such as never was since there was a nation even to that same time: and at that time thy people shall be delivered, every one that shall be found written* {as a believer of latter day Daniel's/living messenger's message} *in THE BOOK* {scroll of life}.

***Revelation 3:21 To HIM*** {person} ***that OVERCOMETH*** {their old beliefs by believing present new truth from a living messenger} ***will I*** {seventh plagued angel speaking with the voice of the last witness} ***GRANT*** {allow during the ending part of the judgment} ***to sit with ME*** {when the seventh plagued angel representing the last small part of the scroll of life is being revealed} ***in MY*** {last witness'} ***THRONE*** {visions and oracles of the last witness sitting and reigning over the dissolved kingdom of latter day Babylon}, ***even as I*** {last witness' visions and oracles} ***also OVERCAME*** {latter day Babylon's kingdom}, ***and am set down with my Father*** {first witness'/Michael's visions and oracles written on the first side of the scroll of life's last small part/seventh plagued angel} ***in HIS*** {seventh plagued angel's visions and oracles written by Michael} ***THRONE*** {seventh plagued angel's visions and oracles that reveal a great white throne of intense light

sitting over the dissolved kingdom of latter day Babylon}.

The seventh plagued angel reveals near the end of the 1,100 years of the judgment what the last witness had said to the leader of the Laodicean church around 90 A.D. At that time, the scroll of life's last small part (represented by the seventh plagued angel) will contain all the visions and oracles revealed from the scrolls and scroll of life during 1,100 years of the judgment when these books will have been opened. Accordingly, every messenger and overcomer of all generations will also be written on the last small part of the scroll of life as overcoming their old beliefs. This means the seventh plagued angel can speak with the written voice of the first witness and last witness and with the voice of their written messengers from any scroll that had recorded the things that existed and happened in a generation.

When the seventh plagued angel is revealing what the last witness had said to the seven churches of Asia minor, the last witness' fulfilled visions and oracles on the scroll of life will have been sitting and reigning on the high and lifted-up throne over latter day Babylon's dissolved kingdom for almost 1,100 years of the judgment. This is according to what the first witness saw and wrote that also contain what the last witness was seeing and hearing. Accordingly, when all things are being replayed according to what was written by Michael on the seventh plagued angel, it means the seventh plagued angel is the father of

all things that are being recreated according to the visions and oracles of the two witnesses. The seventh plagued angel will reveal the visions and oracles that Michael witnessed sitting and reigning on the great white throne. At the same time, the seventh plagued angel will reveal the visions and oracles of the last witness also overcoming and sitting and reigning on the same throne of God the father. The event of the reigning great white throne is recreated according to the visions and oracles of the two witnesses, as revealed by the seventh plagued angel near the end of the judgment. Every person that was written as an overcomer in the same visions and oracles of the two witnesses will also be reigning with them on the same throne.

**Revelation 3:22 He that hath an ear, let him hear what the Spirit {mind/spirit of the seventh plagued angel} saith unto the churches.**

Only the people that possess a certain mind can hear (accept) what the seventh plagued angel is saying with the voice of the last witness to the Christian churches of Asia minor. The people that overcome their old customs and beliefs by accepting a living messenger's message are promised

(a) access to the tree of life in the middle of the garden of

paradise of new Jerusalem [see Revelation 2:7]

(b) will not be hurt of the second death, which is a replay of the first death [see Revelation 2:11]

(c) he or she will eat of the hidden manna (sealed little scroll of the seventh angel with trumpet) baked into spiritual bread (resembling a white stone); thereby, he or she will have been given the new name of the last witness' living messenger [see Revelation 2:17]

(d) have power to rule over all nations of latter day Babylon's kingdom with a rod of iron [see Revelation 2:26, 27]

(e) be clothed with the figurative white garments of light/righteousness, and he or she will not have his or her name blotted from the last scroll/scroll of life, on which the two witnesses also record the things that happen in a new Earth [see Revelation 3:5]

(f) become a permanent spiritual pillar in the temple of God (seventh plagues angel), having the name of God (seventh plagues angel), name of new Jerusalem, and the last witness' latter day living messenger's new name [see Revelation 3:12]

(g) will sit with the last witness on the father's/seventh plagues angel's reigning throne as written by the last witness concerning the two witnesses' fulfilled visions and

oracles reigning over latter day Babylon's dissolved  
kingdom [see Revelation 3:21]
