

Chapter 3

Revelation 3:1 And unto the ANGEL {leadership} ***of the church in Sardis write; These things saith HE*** {son of God who represents the first small part of the seventh part of the scroll of life's other side} ***that hath the SEVEN SPIRITS*** {oracles of seven evenings written on the first small part, from which were revealed the things that were said concerning the seven leaders of the seven churches of Asia Minor} ***of God*** {God/father who represents the last small part of the seventh part of the scroll of life's first side}, ***and the SEVEN STARS*** {visions of seven evenings' of seven moons/seven stars written on the last small part, from which were revealed the visions that revealed the seven leaders of the seven churches of Asia Minor}; ***I know thy works, that THOU*** {leader/angel/messenger of Sardis} ***hast a name that thou livest*** {is living during the replay of the generation of the seven churches of Asia Minor}, ***and art DEAD*** {but is already dead when the son of God spoke to the apostle John regarding the seven churches of Asia Minor during the judgment}.

During a replay of the generation of the seven churches of Asia Minor, the son of God (equated with the first small part of the seventh part of the scroll of life's other side)

revealed to the Apostle John things that pertained to the seven churches of Asia Minor. At that time, the son (being equated with the beginning of the seventh day's morning sun at dawn) of God already has the seven spirits and seven stars of God (who is equated with the ending of the seventh evening's moonlight at the sun' dawn).

The seven spirits pertain to all the things that the first witness (Michael) heard happening in each generation, new heaven and new Earth, and what was heard happening during the time of the judgment (as written on seven parts of the scroll of life's first side) all written on the last small part of the seventh part of the scroll of life's first side.

The seven stars pertain to things that the first witness (Michael who is equated with moonlight) saw happening in each generation, new heaven and new Earth, and what was seen happening during the time of the judgment (as written on seven parts of the scroll of life's first side) all written on the last small part of the seventh part of the scroll of life's first side.

All things that were seen and heard in the initial six of seven evenings (equated with six of seven parts of the scroll of life's first side) of Genesis were all seen and heard throughout the seventh evening (equated with the seventh part of the scroll of life's first side). Then all things of the seven parts (equated with seven angels with

trumpets) of the seventh evening of Genesis were all seen and heard at the ending (last small part) of the seventh evening when the moon was just below the westerly horizon of Eden. As the moon (equated with the father/God) was just below the westerly horizon of Eden, the beginning sun's (equated with the son of God) light at dawn was just below Eden's easterly horizon of the seventh day's morning sun (first small part) witnessing (receiving) all that was heard and seen by the ending (last small part) of the seventh evening's moonlight.

Accordingly as stated in Revelation 3:1, the son of God (beginning/first small part) has witnessed (received) the seven spirits (seven evenings of oracles/things heard) and the seven stars (seven evenings of moonlight/visions of things seen) from God the father (ending/last small part). This son (first small part) looks exactly like his father (God/last small part), just as the same visions and oracles written on the last small part (father) became written (born) on the first small part (son/word of God).

The son of God revealed the time when the leader (angel/messenger) of the church of Sardis was living and had a name that he was generally known by to his church members. However, that leader is told by the son of God that he is already dead, since his former life is being replayed from the future where the judgment is happening.

Revelation 3:2 Be watchful, and strengthen the things which remain, that are ready to die: for I {son of God that represents the beginning/first small part} have not found thy works perfect before God {visions and oracles of God the father/ending last small part that gave birth to the same visions and oracles written on the beginning/first small part/son of God}.

The leader of the church of Sardis was counseled by the son of God to watch (be on constant search) for new present truth of a living messenger and his living apostles. Thereby if the leader accepted new present truth, the dieing leader and his dieing church will have been strengthened, instead of dieing (being lost) while claiming belief in Yahshua's/Jesus' and his apostles' old truth of salvation, which was only promised to people living in their generation. The son of God revealed to the Apostle John on the isle of Patmos a new message, which he wrote in the Book of Revelation. The seven churches and all living Christians from 90AD had to believe what John the Apostle wrote in the Book of Revelation to be saved. Accordingly after 90AD, every living messenger's message also incorporated the things written in the Book of Revelation.

During the judgment, the son of God (equated with the Lamb) has already revealed from a scroll that showed the Apostle John on the isle of Patmos writing the Book of Revelation about 2000 years ago, just as the son of God

during the judgment is presently revealing what had existed and happened in our generation (last generation). Hence the things existing and happening presently during our lives are because the son of God (who represents the visions and oracles written on the beginning/Lamb/first small part of the seventh part of the scroll of life's other side) is presently revealing the scroll of life's visions and oracles that are replaying what happened in this last generation.

Revelation 3:3 Remember therefore how THOU
{leader/messenger of the church of Sardis} ***HAST RECEIVED*** {how they received their present belief from a person revealing salvation in Yahshua's/Jesus' name} ***and heard, and hold fast, and REPENT*** {repent and be watchful for new present truth from a living messenger and his living apostles}. ***If therefore THOU***
{leader/messenger of Sardis} ***shalt NOT WATCH*** {the leader of Sardis will reject new present truth and be resurrected in the latter days with all rebellious adults that rejected new present truth}, ***I*** {son of God} ***will COME***
{at the rising of the Rock/Abaddon} ***on thee as a THIEF***
{to take away his hope of salvation that was based on an old message of salvation}, ***and thou shalt not know what HOUR*** {in the last generation, this hour expires when latter day Babylon's third reigning period ends at the opening of the super volcano} ***I will come upon thee***

{which happens at the opening of the super volcano when the Rock/Abaddon has risen from the swelled to heaven bottomless pit}.

The leader of the church of Sardis (whose attitude reflects the church members of Sardis) was counseled to remember how he became a Christian. His belief of salvation happened after hearing from someone who spoke of what is written in the gospels and letters of former apostles and disciples of Yahshua/Jesus. The leader of the church of Sardis was told that he must look for a new present truth message given by a new living messenger. Otherwise he will reject the living messenger's new message by believing there are no more prophets with new messages.

In 90AD, John the Apostle was the living messenger who revealed a new message from his Book of Revelation. All Christians in 90AD who weren't interested in understanding the Book of Revelation and died without believing what the Apostle John wrote in the Book of Revelation were not saved, even though they thought they were saved because their faith was based on what Yahshua/Jesus had said and promised to others that lived in the previous generation. Therefore at the end of the sign of Jonah when the latter day resurrection happens every person that claimed salvation by believing what Yahshua said and promised to others but were either lukewarm or an adversary against new present truth

revealed by a living messenger will resurrect to be of the rebellious of all generations.

The coming of the son of God will come as a thief at the rising Rock/Abaddon to steal away the salvation of the rebellious lukewarmers and rebellious adversaries of new present truth. The rebellious adult males of each generation (that resurrect to be living in the last generation) claimed belief in the old promises made by past prophets and messiahs while at the same time were either lukewarm or adversaries against the son of God's (equated with the first small part of the seventh part of the scroll of life's other side) new present truth revealed by a living messenger, his apostles, and disciples in every generation.

***Jeremiah 2:30** In vain have I {son of God} smitten YOUR {old Jerusalem's} CHILDREN {tribes and cities}; they received no correction: your own sword hath DEVoured YOUR PROPHETS {the living prophets of the son of God}, like a destroying lion.*

At the ending of latter day Babylon's one hour reign, the super volcano explodes with a massive eruption-causing earthquake. On that day when the swelling super volcano opens and erupts smoke and ash continually, the ending of latter day Babylon's one hour reign over the latter day nations begins. When the Rock/Abaddon has risen from the swelled to heaven bottomless pit to sit on his throne of

intense light emanating above the swelled to heaven super volcano (full of a lake of fire), then latter day Babylon's one hour reign ends. The people that accept the everlasting gospel will be watching for this hour when the son of God has risen as the Rock/Abaddon, instead of hoping in the erroneous interpretations of scripture that prophesy that Yahshua/Jesus will come from heaven and lead his angels who are armed with bows and swords while all riding white horses to save faithful Christians and kill the rest.

Every Christian leader or member of the seven churches of Asia Minor that believed the message (without being lukewarm to the things written in the Book of Revelation) which the Apostle John (living messenger of 90AD) sent them became Apostles and disciples of the then new living messenger (Apostle John). The then new Apostles that believed and promoted the new present truth written in the Book of Revelation gathered disciples and created new churches. After the death of the living messenger (Apostle John), one of John's followers would reveal a new message from the Book of Revelation (including other parts of scripture) to become the new living messenger, as witnessed by Michael and written on a scroll's first side. The new messenger would then gather apostles who believed his message. These apostles would then gather disciples. At the death of the messenger, one of his followers would then become the next living

messenger having a new message to reveal from the Book of Revelation, as witnessed by Michael and written on another scroll's first side. The new living messenger proclaimed his message and gathered apostles and disciples. This scenario plays out the same way in each generation to the last generation. In the latter days, the latter day messenger (being a follower of the former messenger) is revealing the purest and truest message from the Book of Revelation and other parts of scripture before the super volcano explodes at the end of the sign of Jonah.

In our day, the leaders of Christian churches are not watching for the two witnesses' new present truth revealed from a living messenger. Therefore, they will not know the hour of temptation that is happening during the time when the latter day living messenger is revealing the visions and oracles written on the last scroll (scroll of life) before the super volcano explodes in the USA at the end of the sign of Jonah. The latter day living messenger's new present truth message (that the latter day leaders of Christendom were not watching for) will steal away their presumptuous hope of salvation that was said to others by past prophets and messiahs. Their hope in salvation (which they had received, heard, and held fast) is based on what a person or persons had told them (before they became Christians keeping the faith) concerning old promises spoken by a former messiah/messenger. Also, all

the promises written in the Gospels and letters by Apostles and disciples of Yahshua/Jesus pertain to the people the writings were addressing at that time only.

Revelation 3:4 Thou {leadership of the church of Sardis} ***hast a few names*** {of people} ***even in Sardis which have not defiled their GARMENTS*** {spiritual garments of light/new present truth}; ***and they SHALL*** {when the Rock/Abaddon has risen to reign upon the swelled to heaven super volcano, full of a lake of fire} ***WALK*** {into new Jerusalem's intense white light of the ensign} ***with ME*** {son of God} ***in WHITE*** {wearing the same intensely bright garments of light/visions that is worn by the son of God}: ***for THEY*** {the overcomers in the church of Sardis of their former beliefs} ***are WORTHY*** {having received, believed, and held fast to the new light/visions and oracles written in the Book of Revelation of a new living messenger/Apostle John of that time}.

There were a few names of people living in the city of Sardis around 90AD that had not defiled (darkened) their garments of light (new present truth) by mixing the new bright truth with old faded beliefs. They had received the new light (present truth) that clothed them from the Apostle John's new message in the Book of Revelation. The replay of the Apostle John's new ministry around 90AD was according to the son of God's visions and

oracles, which were of a scroll's first side that was written by Michael (equated with the bright moon's light) of the things he witnessed happening around 90AD in the first timeline. In that time, a new message was being revealed to Christendom's churches through the new living messenger (Apostle John) and his new apostles.

The time in Revelation 2:1 happened when the son of God walked among seven golden candlesticks during the judgment to reveal the visions and oracles (written on a scroll's first side) that replayed the generation that began around 90AD. During the judgment, the son (Lamb/word of God/morning star/sun) of God (kid Goat/Michael/bright star/moon) revealed from the last small part of the seventh part of the scroll of life's first side what is written on a scroll's first side concerning the seven churches of Asia Minor. At that time, the names of people living in the city of Sardis that had overcome their old beliefs and not defiled their garments are already walking with the son of God among the seven golden candlesticks. These overcomers are already wearing the same intensely bright white garments as the son of God wears, who is holding and revealing the seven stars in his right hand during the judgment.

Revelation 3:5 He that OVERCOMETH {by accepting new present truth revealed by a living messenger}, ***the***

same shall be clothed in WHITE RAIMENT {which is the same garment of light that clothes the son of God}; *and I* {son of God} *will not blot out his name out of the BOOK OF LIFE* {being the last scroll/scroll of life, that contains the written visions and oracles that replay all things that existed and happened from the time the latter day living messenger's message began to dawn from beneath the first seal and through the judgment}, *but I* {son of God} *will confess HIS* {believer's} *name before MY* {son's/first small part of the seventh part of the scroll of life's other side} *Father* {being the last small part of the seventh part of the scroll of life's fire side}, *and before HIS* {father's} *ANGELS* {seven angels with seven trumpets}.

During the present replay of all generations, any person that overcomes their old beliefs and accepts new present truth proclaimed by a living messenger, these righteous people will be clothed with the son of God's bright white garment, just as they were clothed with bright white garments in the first timeline. During the first timeline, Michael noted on each scroll's first side the adult males of each generation that overcame their old beliefs by accepting new present truth, while also noting the adult males that rejected and persecuted the overcomers. Accordingly during each replay of each generation, it is already written who the adult male overcomers are that had received and stayed faithful to new present truth

revealed by living messenger in each generation. Each living messenger and his apostles and disciples (that overcame their old beliefs by accepting new present truth) are written as overcomers on a scroll's first side.

During the replay of each generation when each scroll's first side is being revealed during the judgment, all the adult males that overcame and the rebellious adult males are shown having died and being blotted out of life. However, the adult males that overcame and the rebellious adult males who died in all generations will resurrect at the end of the sign of Jonah when the bottomless pit explodes, causing a great earthquake that marks the time of the latter day resurrection. When the last scroll's first side is replaying the last generation, it will show the adult males that overcame and the rebellious adult males resurrecting to life and health. At that time, all the adult males that overcame and the rebellious adult males will then be playing a living part in the last generation, as written on the scroll of life's first side.

The resurrected patriarchs, prophets, messiahs, and overcomers of all generations will learn a new song and proclaim the everlasting gospel to all nations, kindreds, tongues, and people living in the last generation to gather a great multitude. All who fail to accept the everlasting gospel will be blotted out of the scroll of life by the plagues that issue from the opened super volcano, just as they were blotted out in the first timeline. Accordingly, all

non overcomers that fail to accept the everlasting gospel and enter new Jerusalem's ensign will not have a part in the new heaven and new Earth, as written on the last scroll (scroll of life).

During the initial 1,000 years of the judgment, each scroll's first side was being opened to replay each generation from Genesis through to the beginning of the last generation. At the end of the initial 1,000 years of the judgment, the last scroll's (scroll of life's) first side began to be opened to replay what happened in the last generation, the new heaven and new Earth, and what has happened and been happening during the judgment.

When the visions and oracles written on the last small part (represented by the father) of the seventh part of the scroll of life's first side began to be revealed some time after the initial 1,000 years of the judgment, these written visions and oracles began to reveal everything that existed and happened from the time the Rock/Abaddon had risen through the continuing time of the judgment. The initial 1,000 years of the judgment are equal to one day of the real world (see Palms 90:4).

Psalm 90:4 For A THOUSAND YEARS {1,000 years of our world, that is dreamed into existence} *in THY* {Elohiym's/one like the son of man's} *sight are but as YESTERDAY* {one day of the real world} *when it is past, and as a watch in the night.*

Visions and oracles written on all scrolls' first sides reveal the adult males that overcame and the rebellious adult males of all past generations that had all lived and all died. Hence they were blotted out (died) from playing a part in life, as recorded on each scroll's first side. The son of God will reveal from the visions and oracles written on the last scroll's (scroll of life's) first side how the adult males that overcame in all generations resurrected to play a part in life of gathering a great multitude of people to enter new Jerusalem's ensign to remain alive forevermore. The son of God will also reveal how all the people living after the resurrection that refused to accept the everlasting gospel were blotted out from the scroll of life by the plagues caused by the erupting swelled to heaven super volcano.

God the father (representing the last small part of the seventh part of the scroll of life's first side) recreated each generation, according to the visions and oracles written on each scroll's first side. The father's messenger of each generation is a David/father type to the son of God's messenger, who is a Solomon/son type. The son of god's living messenger in each generation always fulfills what the father's dead messenger failed to fulfill. During the judgment, the son of God will confess from each scroll's first side the names of those that overcame their old beliefs by accepting present truth from a living messenger. At that time during the judgment, all overcomers of all

generations that entered new Jerusalem's ensign are dressed in the same white garments (representing visions written on each scroll's first side) of the son of God.

Revelation 3:6 He that hath an ear, let him hear what the SPIRIT {spoken oracles of the son of God} SAITH unto the churches.

Any person who has an ear to hear and believe the son of God's counsel to the seven churches and overcomes their old beliefs by accepting new present truth from a living messenger, these righteous people will not be blotted out of the scroll of life by plagues caused by erupting smoke and ash and by the overflowing and spreading lake of lava from the swelled to heaven super volcano.

Revelation 3:7 And to the ANGEL {messenger/leadership} of the church in Philadelphia write; These things saith HE {son of God} that is HOLY {holy/pure as an immense lake of lava that has filled the 40-mile wide mouth/temple of the swelled to heaven super volcano}, he that is true, HE that hath the KEY {that opens the door in heaven} of David {equated with the father's/God's written visions and oracles on the last small part of the seventh part of the scroll of life's first side}, HE {son of God} that OPENETH {opens the door

in heaven so the things that are said and shown within the door can be revealed by the latter day messenger}, **and no man SHUTTETH** {no man can re-mystify the revealed visions and oracles, that are seen and heard within the opened door in heaven}; **and SHUTTETH** {if the son of God does not open the door in heaven, then the things that are seen and heard within the door remain a mystery}, **and no man OPENETH** {no person is able to open the door in heaven and reveal the things that are seen and heard inside the door with their erroneous interpretations};

In Revelation 3:7, the son of God says that he has the key (key to the door in heaven of Rev.4:1) of David (David type/Father of the son/Solomon type). The father (God) wrote of one of his messenger's (David). David failed to fulfill Michael's predictions to construct the temple in old Jerusalem. However, the son of God's messenger (Solomon/son) was able to fulfill his father's (David's) failed prediction of building the temple of God on old mount Zion in old Jerusalem. In our day, God's (father's) latter day dead messenger failed in constructing the spiritual temple in spiritual new Jerusalem. Instead, the son of God's living messenger is given the key to open the door (see Rev.4:1), which the Apostle John saw in heaven. Within this door is seen the time when later in the judgment God (representing the last small part of the seventh part of the scroll of life's first side) is sitting on

the throne at the time when the rolled-up seven-sealed scroll of life's first side was about to be revealed by the son (Lamb/first small part of the seventh part of the scroll of life's other side) of God.

The son of God has the spiritual key that opens the door to understand the prophecies written on the scroll of life's first side. Within this door are visions and oracles of things that are happening during the judgment, which the latter day living messenger reveals to construct the spiritual temple when he gathers his apostles (representing foundations of the spiritual temple) and disciples (representing walls and pillars of the spiritual temple) and prophesies of the day when the resurrection happens to finish constructing the spiritual temple with the resurrected apostles and disciples of all generations.

The key in the hand of the son of God reveals that the door in heaven is opened so that the son of God's latter day messenger can be shown the visions and oracles that are written on the rolled-up seven-sealed scroll of life, just as the Apostle John was shown and wrote in the Book of Revelation the things he saw and heard happening within the door in heaven. The latter day messenger revealed and is revealing from within the door the scroll of life's written visions and oracles to latter day Babylon, by which he gathered his latter day apostles and will also gather his disciples before the latter day resurrection happens. He also reveals from the scroll of life the day of

the latter day resurrection, that happens when the super volcano explodes with a great earthquake at the end of the sign of Jonah. after the resurrection, all the overcomers of all generations will proclaim the everlasting gospel to convert a great multitude from all nations before the super volcano begins to erupt smoke and ash. At the end of five months of erupting smoke and ash, the Rock/Abaddon will be reigning upon his throne of intense light above the swelled to heaven super volcano, full of a lake of fire. At that time, all the redeemed will enter into the intensely bright ensign radiating from within new Jerusalem before the lake of fire overflows and spreads to cover the world. After the lake of fire has covered the world, a new heaven and new earth are created for the redeemed to dwell in. At that same time, the initial 1,000 years of the judgment begins when each scroll is opened to replay each generation.

After the initial 1,000 years of the judgment, the last scroll (scroll of life) was opened to replay the last generation. Some time thereafter, the last small part (represented by the father/God) of the seventh part of the scroll of life's first side began to be revealed by God's (father's/last small part's) son (who represents the first small part of the seventh part of the scroll of life's other side). When the last small part began to be revealed, it showed what happened from the time the swelled to heaven super volcano was full of a lake of fire, the

gathering of the redeemed into the ensign of new Jerusalem, the new heaven and new Earth, the replay of the initial 1,000 years of the judgment when all the scrolls were opened, and the replay of the time when the last small part (God/father) of the seventh part of the scroll of life's first side began to be revealed by the first small part (son of God) of the seventh part of the scroll of life's other side.

Revelation 4:1 *After this I looked, and, behold, a DOOR was OPENED {by the son of God} in HEAVEN {where the judgment is happening above the swelled to heaven super volcano}: and the FIRST VOICE {of the son of God} which I heard was as it were of a trumpet talking with me; which said, Come up hither, and I {God's son/first small part of the seventh part of the scroll of life's other side} will shew THEE {Apostle John, who is a type of the latter day messenger} things which must be HEREAFTER {hereafter 90AD when later in the judgment the scroll of life's first side is being opened and revealed by the son/Lamb/first small part/written word of God/father/kid goat/last small part}.*

Revelation 5:1 *And I saw in the RIGHT HAND {hence written on the first side by the right hand/father} of HIM {God/father} that sat on the THRONE {throne of intense light reigning over the lava covered dissolved kingdom of latter day Babylon} a BOOK {being the rolled-up seven-sealed scroll of life} written within {written within/other*

side} *and on the backside* {written on the backside/first side by Michael/God/father}, *SEALED with SEVEN SEALS* {which only the son of God's latter day living messenger can understand the visions and oracles written on the first side of the rolled-up scroll of life, sealed/kept closed with seven seals/bands}.

As old King David failed to construct the temple in old Jerusalem with the key of his kingdom, so latter day David (deceased former messenger) also failed to unseal and open the scroll of life's mysteries to finish constructing the latter day spiritual temple. In the latter days, people are converted with the latter day messenger's message to be of the first group (latter day apostles that are of the spiritual temple's foundations) and second group (latter day disciples that are of the spiritual temple's pillars and walls) of redeemed. These latter day overcomers are gathered by the latter day messenger's (latter day Solomon's) message before the super volcano opens in the USA after the sign of Jonah. When the super volcano explodes with a great earthquake at the end of the sign of Jonah, then the resurrection of all messengers (including the return of Enoch, Moses, Yahshua/Jesus and others that were translated) and their dead apostles and disciples will happen to finish constructing the spiritual temple.

Instead of old King David constructing on old mount Zion the temple within old Jerusalem, his son Solomon

received the key of the kingdom of Israel and was able to construct the temple in old Jerusalem. This reveals how the son of God's latter day messenger (latter day Solomon) received the key/knowledge that Michael's latter day deceased former messenger (latter day David) wanted to reveal and fulfill by unsealing and revealing the scroll of life's written predictions to the latter day nations of Christendom. When the son of God opened the door in heaven with his key, then latter day Solomon (latter day living messenger) could begin to reveal the mysteriously written visions and oracles written on the scroll of life. Thereafter no person is able to rebuttal his interpretation whereby the visions and oracles written on the scroll of life again become a mystery. However, if the son of God closes the door in heaven, then the mysteriously written visions and oracles written on the scroll of life remain a mystery. No person (though many people have tried and failed) is able to open the scroll of life and reveal its visions but the Lamb (son) of God, who reveals the scroll of life's visions and oracles to the latter day messenger, just as the Apostle John was shown the scroll of life's visions and oracles that he wrote in the Book of Revelation.

Revelation 3:8 I {son of God} know thy works: behold, I have set before thee an OPEN DOOR {opened with the key of David}, and no man can shut it: for THOU

{leader of the church in Philadelphia} ***hast a little strength, and hast kept MY*** {son of God's} ***WORD*** {as revealed by the Apostle John from the Book of Revelation, which the Apostle John wrote around 90AD}, ***and hast not denied MY NAME*** {son of God's name, which in 90AD was the Apostle John}.

The Apostle John had sent his writings (the Book of Revelation) of what the son of God said to the seven churches of Asia Minor. An open door was revealed from the Apostle John's writings in the Book of Revelation. This door was opened with the son's (who is the words written on the first small part of the seventh part of the scroll of life's other side) key, which he received from God the father (who is the words written on the first small part of the seventh part of the scroll of life's first side).

While the Apostle John was on the isle of Patmos, he was shown a door in heaven. Then he spiritually (as a ghost) went through the door in heaven while still physically on the isle of Patmos writing what his spirit is being shown within the door in heaven. Within this door in heaven is shown the time when the visions and oracles written on the last scroll's (scroll of life's) first side are about to be revealed by the son (Lamb/first small part) of God (see Revelation 4:1). The visions and oracles written on the scroll of life's first side show the things that happened in the last generation, end of the world, new heaven and new

Earth, and the judgment period.

Revelation 4:1 *After this I {Apostle John} looked, and, behold, A DOOR WAS OPENED {opened by the key of the son of God, which he received from his father/God} in HEAVEN {heaven represents the area above and around the swelled to heaven super volcano, that covered the world in a lake of fire}: and the FIRST VOICE {voice of the son of God} which I {Apostle John} HEARD {while in the spirit on the isle of Patmos} was as it were of a trumpet talking with me; which said, Come up hither, and I {son/Lamb of God} will SHEW {what happens later in the judgment after the son of God had revealed all the other scrolls that replayed all past generations except the last generation} THEE {Apostle John who is a type of latter day John/latter day Solomon} THINGS which MUST BE HEREAFTER {later in the judgment when the son of God replays the last generation by revealing the visions and oracles written on the last scroll/scroll of life}.*

The leader of the church in Philadelphia faithfully kept the son of God's counsels, that were revealed by the Apostle John from his writings in the Book of Revelation. At that time, the Apostle John was the living messenger that proclaimed his new message from the Book of Revelation to the seven churches of Asia Minor around 90AD. When the leader (messenger/angel) of the church of Philadelphia and his church members kept the new

present truth revealed by the then living messenger (Apostle John), the leader and his church members will have not denied the name of the son of God, which at that time was the name of the Apostle John.

Revelation 3:9 Behold, I {son of God} will make them of the synagogue {temple/church} of Satan {the Satan/adversary against new present truth of a living messenger's message}, which say they are JEWS {in our day the spiritual Jews are the Christians in the USA}, and are not, but do lie; behold, I will make them TO COME {when standing unsaved outside new Jerusalem during the judgment} and WORSHIP {bow down while outside new Jerusalem}, before THY FEET {standing within new Jerusalem} and to know that I {son of God} have loved thee.

The faithful church members of Philadelphia that believed the Apostle John's message are equated with latter day people who believe the latter day living messenger's message. In the past type, the Judeans (being Jews who continued to promote old Moses' laws and rituals) and the spiritual Judeans (being Christians who rejected the Apostle John's new message revealed from his writings in the Book of Revelation) were labeled as the synagogue of Satan (Satan/adversary towards a new message revealed

by the son of God's living messenger).

In the latter days, the adversaries (Satans) of latter day John's message (concerning the salvation of people before the super volcano opens in the USA) are the spiritual Jews (being the leadership and non believers living in the USA). Any person that rejects this message is of the churches (synagogues) and cities of the adversary (Satan). Every faithful person who accepts latter day Solomon's new present truth message revealed from seven angels with trumpets written on the seventh part of the scroll of life's first side are loved by the son (the son is the words written on the first small part of the seventh part of the scroll of life's other side) of God (who is the words written on the last small part of the seventh part of the scroll of life's first side). The written visions and oracles of these seven angels with trumpets warn of the imminent arrival of the super volcano's woes. The believers of these warnings will be kept on a straight path to a new heaven and new Earth during this hour of temptation when latter day Babylon is reigning over the world.

During the judgment that is presently happening in heaven (heaven is the area above and around the swelled to heaven super volcano), the rebellious creatures (representing all the rebellious adult males who lived in every generation of the world) will be standing outside new Jerusalem (see Revelation 5:13). At the same time, the three groups of redeemed (1st group represented by

four-winged and six-winged beasts, 2nd group represented by 24 elders, and 3rd group of redeemed represented by many righteous angels) are within new Jerusalem.

When the son of God opens the last scroll's (scroll of life's) first side to reveal its written visions and oracles during the judgment, the rebellious adult males (who will not have yet realized they were the rebellious on Earth) standing outside new Jerusalem as spirits (ghosts) will bow down on bent knees (see Isaiah 45:23) and worship before the three latter day groups of redeemed, that are closer to the reigning throne within new Jerusalem. The rebellious adult males will realize that the son of God loved the people that believed the present truth message revealed in each generation by the son of God's living messenger. Accordingly, the two witnesses' (son and father/God) predictions written on seven angels with trumpets on the seventh part of each scroll's first side kept the redeemed from falling into confusion during each generation's hour of temptation.

Revelation 5:13 *And EVERY CREATURE* {representing the rebellious adult males of every generation of the world} *which is in HEAVEN* {heaven represents the area above and around the swelled to heaven super volcano, on which the God's written visions and oracles are sitting and reigning over the lava covered dissolved kingdom of latter day Babylon}, *and* {these creatures representing

rebellious dead adult males} *on the earth* {land}, *and*
{had died} *under the earth* {land}, *and such as are*
{dead} *in the SEA* {the sea that covered the world after
the lake of fire covered the world}, *and all that are in*
them, heard I saying, Blessing, and honour, and glory,
and power, be unto HIM {God/father/visions and oracles
written on the last small part of the seventh part of the
scroll of life's first side} *that sitteth upon the THRONE*
{this huge throne of intense bright white light is reigning
over all dissolved nations of the world that ended in an
overflowing lake of lava}, *and unto the LAMB* {son/Lamb
who represents the visions and oracles written on the first
small part of the seventh part of the scroll of life's other
side} *for EVER AND EVER* {because according to what is
continually written on the first small part/son and on the
last small part/God}.

Isaiah 45:23 *I* {one like the son of man who is the two
witnesses/son and father/bright star and morning
star/beginning and end/first and last} *have sworn by*
myself, the word is gone out of MY {one like the son of
man's} *mouth in righteousness, and shall not return, That*
unto ME EVERY KNEE {of righteous and rebellious adult
males} *SHALL BOW* {during the judgment}, *every*
TONGUE SHALL SWEAR {confess that to allow the
destruction of the rebellious and world is a righteous act}.

Revelation 3:10 Because THOU {leadership of the church of Philadelphia} ***hast kept the word of MY*** {son of God's} ***patience, I*** {visions and oracles written on the first small part of the seventh part of the scroll of life's other side} ***also will keep thee from the HOUR*** {being, in our day, the time during latter day Babylon reign in the figurative land of Canaan} ***of TEMPTATION*** {when people who believe the living messenger's message are tempted by a different vision concerning salvation or the world's future}, ***which shall come upon all the world, to try them that dwell upon the earth*** {Earth/land}.

In every generation when the last witness' (Gabriel's) living messenger was revealing a message, that time was the hour of temptation. The latter day living messenger's new daily light was recorded on six of seven parts of the scroll of life's first side. Then new daily light dawned to life to be written on six of seven angels with trumpets on the seventh part of the scroll of life's first side. Thereafter, new daily light dawned and is written on six of seven lights of the seventh angel with trumpet on the seventh part of the scroll of life's first side. During these seven angels with trumpets is the hour of temptation. The hour of temptation tests a person's faith in the living messenger's message.

When latter day Babylon's fall was prophesied by the living messenger and failed to happen as predicted during the end of the sixth of seven parts of the scroll of life's

first side, the messenger then prophesied again of latter day Babylon's fall during the six angels with trumpets. When that prophecy failed to happen, the living messenger then prophesies again for 1260 days of latter day Babylon's fall during six of seven lights and six of seven thunders of the seventh angel with trumpet. During the time each renewed message was prophesied, failure of the message, and revival to life of a new message by the living messenger, the believers of new present truth are tempted to instead accept the vision for the world's future that is being promoted by the ruling establishment's political leaders and religious leaders.

Hosea 12:6 Therefore turn thou to thy GOD

{Elohiym/one like the son of man/first and last beginning and end}: *keep mercy and judgment and WAIT* {during the hour of temptation} *on thy God* {visions and oracles written on the first small part and last small part} *CONTINUALLY.*

12:7 He {God/the first and last/beginning and end} *is a MERCHANT* {a trader of visions and oracles}, *the BALANCES* {representing the two witnesses' written predictions} *of DECEIT* {the fulfillment of predictions are seemingly delayed until the latter days when the seventh light of the seventh angel with trumpet is fulfilled, as written on the last scroll/scroll of life} *are in HIS* {the father's} *HAND* {that holds the scroll of life which the son of God takes and reveals}: *HE* {Elohim/father and son}

LOVETH TO OPPRESS {oppresses with failed and renewed predictions made by living messengers in every generation}.

In the latter days, the hour of temptation had commenced when the latter day messenger (latter day Solomon) began to reveal his message as the first angel with trumpet began to sound. At that time, the latter day spiritual seven-headed ten-horned Babylonian beast (representing the latter day kingdom/union of nations having united in agreement to enforce the USA's vision on non-complying nations) had already begun its second reigning period (being the first half hour of temptation), but in the land of figurative Canaan. Its third/final reigning period of 1290 days during the 2300-day period is of the second half hour of the one hour of temptation. It is the hour of temptation because while the union of nations is promoting and enforcing the ideals that the USA envisions for the world's future, the believer's are tempted to forsake the latter day messenger's message when it dies unfulfilled and then a new message revives to life. His revived new message again proclaims the imminent fall of latter day Babylon's kingdom, prophesying of the super volcano's top exploding and the earthquake of the explosion travels down and opens the bottomless pit in the USA's land.

Revelation 17:12 *And the TEN HORNS* {representing in our day the union of nations/horns uniting to enforce the USA's vision for the world} *which thou sawest are TEN*

KINGS {the ten horns/ten kings are based on the old ten tribes of Israel situated in the two tribes/kingdoms of Judah and Joseph in the kingdom of old Israel, but in our day the ten kings represent the many kingdoms/nations of Christendom}, *which have received NO KINGDOM AS YET; but receive power as kings ONE HOUR* {being the hour of temptation during latter day Babylon's second reigning period/half hour and latter day Babylon's third reigning period/half hour}, *with the BEAST* {beast/union of nations/kingdom of confusion}.

Revelation 3:11 Behold, I {son of God} ***COME QUICKLY*** {because all visions and oracles written on a very small part/Lamb/first small part of the seventh part of the scroll of life's first side happen quickly}: ***hold that fast which THOU*** {leader of Philadelphia} ***HAST*** {as received from the then living messenger/Apostle John}, ***that no man take thy CROWN*** {the figurative crown of life is worn after the latter day resurrection when the son of God's written visions and oracles are reigning over latter day Babylon's fallen kingdom}.

The leadership and church members of Philadelphia were holding fast to their new present truth revealed by the Apostle John (living messenger) from his writings in the Book of Revelation. If the leader (angel/messenger) and members of the church of Philadelphia overcame the hour

of temptation and did not allow any person to take away their new present truth, they will figuratively wear their reigning crowns of life over confusion after the latter day resurrection. At that time of the latter day resurrection, the faithful believers of all generations that held fast to the message revealed by a living messenger in every generation will resurrect to life to learn a new song and proclaim the everlasting gospel. Thereafter when the Rock/Abaddon has risen as a great light and the redeemed have entered the ensign of new Jerusalem, they will then have their crown of life in the new heaven and new Earth, which reigns over the old lava covered kingdom of latter day Babylon.

Some time after the initial 1,000 years of the judgment, the last small part (represented by God/father) of the seventh part of the scroll of life's first side began to be revealed by the first small part (son of God) of the seventh part of the scroll of life's other side. From the visions and oracles written on this first small part (Lamb), all things that happened from Genesis through the last generation, new heaven and new Earth, and time of the judgment are replayed over quickly because all things are written on a small part (son of God) of the scroll of life.

Revelation 3:12 Him that overcometh {by believing the then new message revealed by the Apostle John in 90AD}

will I {son of God} *make a PILLAR* {to be a part of the first group/priests and second group/elders of overcomers of all generations that stand as pillars} *in the TEMPLE* {the spiritual temple represents the swelled to heaven mountain of the super volcano. Above the swelled to heaven super volcano's immense mouth is a sea of glass/hailstones where the first group and second group of redeemed of all generations stand as pillars during the judgment} *of MY* {son/first small part/beginning/morning star} *God* {father/last small part/ending/bright star}, *and HE* {person that lived in the generation of the seven churches of Asia Minor and overcame the hour of temptation by holding on to the Apostle John's new present truth message revealed from the Book of Revelation} *shall go NO MORE OUT* {from the time the latter day resurrection happened in the first timeline, the overcomers of all generations became the permanent pillars and walls of the spiritual temple}: *and I* {son of God} *will write upon HIM* {overcomer that lived during the generation of the seven churches of Asia Minor} *the NAME* {Rock/Abaddon/last small part of the seventh part of the scroll of life's first side} *of MY* {son/Lamb/first small part of the seventh part of the scroll of life's other side} *GOD* {father}, *and the name of the CITY* {that surrounds the swelled to heaven super volcano, full of a lake of fire} *of MY* {son/first small part/written words} *GOD* {father/last small part/written words), *which is NEW JERUSALEM* {being a huge whirlwind/tornado of

light representing at that time the new Eden and the three groups of redeemed}, **which COMETH DOWN** {from the swelled to heaven super volcano to the new Earth} **out of HEAVEN** {heaven refers to the top of the lifted-up to heaven super volcano full of an overflowing lake of fire} **FROM** {the height of the high mountain of the super volcano} **my GOD** {where the Rock/Abaddon's visions and oracles are sitting and reigning on a throne of intense light}: **and I** {son of God} **will write UPON HIM** {upon the overcomer's that lived in the generation of the seven churches of Asia Minor} **MY** {son of God's} **NEW NAME** {being the new name of the latter day messenger/latter day Yahshua}.

In every generation, a living messenger proclaimed a new message to the people that claimed salvation in the message of a deceased messenger. The Apostle John was the living messenger for the generation of the seven churches of Asia Minor. There were people that lived in the generation of the seven churches of Asia Minor that overcame their old beliefs, accepted the new present truth message revealed by the Apostle John from the Book of Revelation, and remained faithful to their new belief till death. These people will resurrect in the latter days to be among the priests (first group/apostles of redeemed) and elders (second group/disciples of redeemed) that stand as pillars in the latter day spiritual temple.

At the end of the sign of Jonah when the bottomless pit

explodes with an earthquake, they will then learn a new song and proclaim the everlasting gospel to convert a great multitude. Thereafter, the dormant super volcano will explode with a great sound of thunder (equated with the trumpet being blown), as smoke and ash erupt for five months while six of seven angels' plagues are being fulfilled. During these five months, the three groups of redeemed will travel to the rising ensign. When the Rock/Abaddon has risen to sit on his throne of intense light above the immense mouth of the swelled to heaven super volcano (full of a lake of fire), then all the redeemed will begin entering new Jerusalem's ensign. The tremendous heat emanating from the immense mouth full of a lake of fire causes a massive whirlwind of fire to manifest around the super volcano. This massive tornado represents new Jerusalem.

After all three groups of redeemed have entered the ensign of new Jerusalem, thereafter the swelled to heaven super volcano explodes with a massive eruption, which causes an earthquake such as never happened. From that time, the lake of fire in the immense mouth of the swelled to heaven super volcano begins to overflow and spread throughout the USA and world. However, the redeemed that entered the the intensely bright light (ensign) of new Jerusalem before the lake of fire overflowed and spread throughout the world will, thereafter, receive their crowns of life in the new heaven and new Earth, where they

become permanent pillars of the spiritual temple. The new heaven and new Earth replaces the old heaven and old Earth that became covered by the lake of fire, that overflowed and covered the world.

On the minds of the redeemed that enter the ensign will be written the new name of the son of God (which is the name of the latter day messenger/latter day Yahshua) and the name of God (destroyer/Abaddon/risen Rock/Abaddon), which they will have proclaimed to the world before the five months of erupting smoke and ash began.

The spiritual sanctuary (temple) is equated with the top of the high mountain (new mount Zion) of the swelled to heaven super volcano. The top of the mountain around the immense mouth is likened to the inner court of the temple, where elders (disciples/second group of redeemed) stand. The immense mouth is as the temple's house, where priests (apostles/first group of redeemed and high priest/latter day messenger) stand. Around the high mountain of the swelled to heaven super volcano (full of a lake of fire) is an immense fiery whirlwind that is accompanied by rains of great hailstones, which are the walls of new Jerusalem. Within new Jerusalem (being as the outer court of the temple) stand the great multitude. All the redeemed will have entered the intense light emanating throughout the sky and land from within new Jerusalem before the world is consumed by the

overflowing and spreading lake of lava.

New Jerusalem represents the Eden of the new world. Therefore when the redeemed are dwelling in the new heaven and new Earth, it is as if new Jerusalem (that represents the three groups of redeemed) came down from the swelled to heaven super volcano's mountain overflowing with a lake of lava to be in the new heaven and new Earth. In the new Earth and new heaven, the previously very high mountain full of a lake of fire and overflowing with a river of lava from the old heaven will be dormant and lower in the new heaven and covered with plants, grass and animals. Instead of a river of fire (that overflowed from the swelled to heaven mountain of the super volcano) will be an overflowing river of pure water of life flowing from the top of the new heaven of Eden's mountain down through the new garden of Eden.

From the time the Rock/Abaddon rises as a great light with a lake of fire upon the swelled to heaven bottomless pit, the saints (priests and elders) will enter the ensign of the finished spiritual temple and will not be removed from continuing to be pillars during each replay of the latter day resurrection. The reason is that their part as an overcomer is sure in every replay. At the time the overcomers enter the ensign, in their minds will be the name of God (Abaddon/ Rock/Abaddon who is the last small part of the seventh part of the scroll of life's first side), the name of new Jerusalem (represented by an

immense fiery tornado with great hailstones that form in heaven and rain down and surround the high mountain of the super volcano full of a lake of fire), and the new name of God's son (being the first small part of the seventh part of the scroll of life's other side), which is the name of latter day Yahshua/Jesus.

Revelation 3:13 He that hath an ear, let him hear what the Spirit {spoken oracles by the son of God} ***SAITH*** {as written/revealed by the son of God's messenger/Apostle John} ***UNTO THE CHURCHES*** {that existed in 90AD}.

A person needs to have an ear to hear the things that the Apostle John wrote concerning the counsels that were said by the son of God to the leader and church of Philadelphia. Every person that heard what the Apostle John revealed during the generation of the seven churches, overcame their old beliefs by believing new present truth revealed by the Apostle John in the Book of Revelation. Thereby after the latter day resurrection, they became a pillar in the spiritual temple.

Every time the son of God replays all generations, the overcomers are again shown as being out of the temple until the son of God replays the time when the spiritual temple is constructed when it is full of a lake of fire and the overcomers have entered the ensign of new Jerusalem.

When the son (being the written visions and oracles written on the first small part of the seventh part of the scroll of life's other side) of God replays the time when the overcomers entered new Jerusalem to take their place in the temple, all overcomers are again the foundations, pillars, and walls of the finished spiritual temple, just as they were in previous replays. Hence, no matter how many times each generation is replayed, the same overcomers are forever priests and elders of Abaddon's temple.

Revelation 3:14 And unto the ANGEL

{messenger/leader} of the church of the Laodiceans write; These things SAITH the Amen, the FAITHFUL and TRUE WITNESS {God's son who represents the first small part of the seventh part of the scroll of life's other side}, ***the BEGINNING*** {the first thing the father/last small part created was the son on the first small part of the seventh part of the scroll of life's other side} ***of the CREATION of God*** {the father who is the ending/last small part of the seventh part of the scroll of life's first side};

The vision in Revelation 3:14 was revealed by the son of God to the Apostle John around 90AD concerning the leader (angel/messenger) of the Laodiceans (the meaning of Laodicea is reflected in the counsel to Laodicea).

The son of God is the amen, which refers to the faithful and true witness of the father's visions and oracles written on the last small part of the seventh part of the scroll of life's first side. In the first timeline, when the visions and oracles began being written on the last small part (being God the father) of the seventh part of the scroll of life's first side, those visions and oracles began being written on the first small part (being the son of God the father) of the seventh part of the scroll of life's other side. Accordingly the son (visions and oracles written on the first small part) is the beginning of the creation of the last small part (God the father). This last small part is equated with the ending of the seventh evening. At the ending of the seventh evening's moonlight (bright star), the beginning of the seventh day's dawning sunlight (son/morning star) was witnessing the ending moon's (father's) light. Accordingly, the visions and oracles being written on the last small part (equated with the ending of the seventh evening) began to be also written on the first small part (equated with the seventh day's dawning sunlight) from the time the swelled to heaven super volcano was full of a lake of fire. Sometime after the initial 1,000 years of the judgment, the visions and oracles written on the first small part (last witness) and last small part (first witness) began being revealed to create (replay) the things that happened from Genesis through to the last generation, the replayed end of the world, the replayed new heaven and new Earth, and

the replayed time of the judgment (see Ecclesiastes 1:9, 10; 3:15).

The replay of all generations is necessary so that the two witnesses (first small part/son and last small part/father) can finish revealing the consequences of how people and animals act in a world where good and evil ways coexist. Our world is dreamed into existence to convey telepathically to the faithful angels and unfaithful angels living in the real world with which group of people (righteous or rebellious) they are equated in this world. These faithful and unfaithful angels are perfect humans living in the real world who live forever without evil thoughts and acts.

In the mind of Michael (first witness/last small part) and Gabriel (last witness/first small part) is where our world and any universe exist. However, all the minds of the faithful and unfaithful angels of the real world can interact in our world dreamed into existence. Though in the latter days, the minds of Michael and Gabriel allow only logical things to happen in our world dreamed into existence. Accordingly, Michael's and Gabriel's minds can not communicate with the latter day messenger using apparitions or audible voice as in the past. Therefore in the first replay of all generations, it was necessary for Michael and Gabriel to have scriptures (written by Old

Testament prophets and the Apostle John) written with a “thus saith the Lord” so that they would be copied from generation to generation to the last generation. Many of these manuscripts have been compiled in the Bible.

In the Bible are the written predictions of Michael and Gabriel (two witnesses). These predictions are truly understood by the latter day messenger. Accordingly, the Bible's scriptures that have a “Thus saith the lord” are understood by the latter day messenger, who reveals the scroll of life's written visions and oracles to gather from many nations (not all nations) two groups of latter day overcomers before the 3½ days of the sign of Jonah begin. After 3½ days of the sign of Jonah, the super volcano explodes with a great earthquake. At that same time, the latter day resurrection of the faithful overcomers of all generations happens. These overcomers are of the first group and second group of redeemed, who resurrect and learn a new song (message of the everlasting gospel) during the latter day time of Pentecost.

On the day of Pentecost (counting 50 days from the time the sign of Jonah began), the overcomers (first group and second group of redeemed) receive the power of the Holy Spirit so they can proclaim the everlasting gospel to all nations, kindreds, tongues, and people. A final (third) group of a great multitude of people will overcome their old beliefs by believing the everlasting gospel.

Ecclesiastes 1:9 *The thing that HATH BEEN* {in a previous replay}, *it is that WHICH SHALL BE* {in the next replay when the same things happen again}; *and that which IS DONE* {in the present replay} *is that which SHALL BE DONE* {in the next replay}: *and there is NO NEW THING UNDER THE SUN* {because everything presently happening had already happened in a previous replay, including the salvation of faithful believers of a living messenger's message}.

1:10 *Is there any thing whereof it may be said, See, this is new? IT HATH BEEN ALREADY* {in the previous replay} *of old time, which was before us.*

Ecclesiastes 3:15 *That which HATH BEEN* {in a previous replay of a generation} *IS NOW* {happening again in the same generation being replayed}; *and that which IS TO BE hath ALREADY BEEN; and God* {father/visions and oracles written on the last small part of the seventh part of the scroll of life's first side} *requireth that WHICH IS PAST* {which has happened}.

Revelation 3:15 I {son of God who is the visions and oracles written on the first small part of the seventh part of the scroll of life's other side} ***know thy works, that thou art neither COLD*** {cold illustrates a person who has no interest in the Apostle's John's message written in his

Book of Revelation} *nor HOT* {hot illustrates a person who believes in the living messenger's new message}: *I* {son of God} *would thou wert cold or hot.*

During the judgment that is presently happening, the son of God (Lamb/first small part) replayed all generations, according to the visions and oracles written on the first small part of the seventh part of the scroll of life's other side. Accordingly in a replay of the generation of the seven churches of Asia Minor, the son of God counseled the leader of Laodicea. The son of God said that he knows the works of the leader of the church of Laodicea. The members of the Laodicean church are like-minded in belief with their leader (messenger/angel). When the Apostle John sent his new message written in the Book of Revelation to the leader of the church of Laodicea, the leader did not outright reject (be cold to) the Apostle John's message, but showed little interest in the new present truth message written in the Book of Revelation. Also, the leader had no enthusiasm (was not hot} to diligently study and share with his church members the new present truth written by the Apostle John in the Book of Revelation. The leader of the Laodicean church members was neither hot (zealous) or cold (not interested) in regards to wanting to understand the prophetic mysteries written in the Book of Revelation by the then living messenger (Apostle John). Instead, the leader was lukewarm, being content with his current message of

salvation that he proclaimed to his church members, which was based on what is written in the gospels and letters written by former apostles and disciples that were no longer alive in 90AD.

Revelation 3:16 So then because THOU {leader of the church of Laodicea} ***art lukewarm, and neither cold nor hot, I*** {son of God} ***will spue thee out*** {reject} ***of MY*** {son of God's} ***MOUTH*** {the mouth which speaks of what is written on the first small part of the seventh part of the scroll of life's other side}.

The son of God spoke to the Apostle John on the isle of Patmos around 90AD regarding the leader and church members of Laodicea. During the judgment, the son of God replayed the generation of the seven churches of Asia Minor and revealed the lukewarm attitude that the leader and members of the Laodicean church had in regards to new present truth written in the Book of Revelation, which was sent to them by the Apostle John around 90AD. This leader was lukewarm in his attitude to accept and reveal to his church members the new present truth message revealed by the then living messenger (Apostle John) from the Book of Revelation. This lukewarm attitude to new present truth caused the leader and his like-minded church members to not overcome their old beliefs in a former messenger's message, which they had

accepted, remained faithful, and were still promoting, even though the then living messenger (Apostle John) had sent a new message of the son of God to the seven churches written in the Book of Revelation. Accordingly, this leader and his church members of Laodicea died being lukewarm, as written on the scroll that recorded the things that existed and and happened in the generation of the Laodicean church.

All the adult males that were lukewarm to a living messenger's message (revealed in each generation to the people that professed belief in the former message of a deceased messenger) will resurrect in the last generation having the same lukewarm attitude. Accordingly, they will not overcome and accept the everlasting gospel proclaimed when after the new day of Pentecost. All who die without accepting the everlasting gospel will have been blotted out of life by the plagues that issue from the opened super volcano. Thereby no longer being written (being spued out) among the living that entered new Jerusalem's ensign to thereafter be living in a new heaven and new Earth, as written on the first small part (son) and last small part (father).

During the judgment, the son of God is replaying the things that existed and happened in each generation just as they are written on each scroll's first side. One of the scrolls will have recorded the things that existed and

happened in the generation of the seven churches of Asia Minor. From that scroll, the son of God shows the Laodicean leader and church members their lukewarm attitude towards the message of the then living messenger (Apostle John). If the Laodicean leader and church members' lukewarm attitude didn't change after being counseled, they will be rejected from partaking in the promises that were spoken from the mouth of the son of God. Accordingly, all lukewarmers will be spewed out (rejected) from being written among the overcomers.

Revelation 3:17 Because THOU {leader of the church of Laodicea} ***sayest, I am RICH*** {the leader/angel/messenger believes he is rich/spiritually fat with having spiritually eaten of the old truth regarding Yahshua's/Jesus' salvation}, ***and increased with GOODS*** {goods/knowledge of the gospels that pertain to Yahshua's/Jesus' ministry and knowledge of the letters written by Yahshua's apostles and disciples}, ***and have NEED OF NOTHING*** {the leader of the church of Laodicea believes he and his church members need no new message from any person to be saved}; ***and KNOWEST NOT*** {because of his lukewarm state} ***that THOU*** {leader/angel/messenger of the church of Laodicea} ***art WRETCHED*** {spiritually malnourished on the old spiritual stale food of the old message that Yahshua/Jesus and his former apostles and former

disciples proclaimed}, *and MISERABLE* {because the true state of the leader of the church of Laodicea is miserable}, *and POOR* {has no present truth/gold of a new message revealed by a living messenger}, *and BLIND* {the leader of the church of Laodicea was spiritually blind because he failed to place on his eyes the words/salve of a new message that the then living messenger/Apostle John revealed from the Book of Revelation around 90 AD}, *and NAKED* {the leader of the church of Laodicea was not clothed with the spiritual light/new message of the first witness/bright star and last witness/morning star written in the Book of Revelation}:

When the Apostle John sent his Book of Revelation to the leader of the church of Laodicea, the leader after reading it was Lukewarm in regards to the son of God's new message written in the Book of Revelation. The leader of the Laodicean church believed that he and his church members did not need the son of God's new message written in the Book of Revelation by the Apostle John to be saved. He believed that he was rich (spiritually fat) with the son of God's old message revealed by Yahshua/Jesus for three and a half years before he was crucified.

The leader of the Laodicean church also believed he was increased with the goods (words) revealed in the writings of Yahshua's/Jesus' former apostles and his early disciples and didn't need to know anything else to be saved.

However the leader of the church of Laodicea didn't know that he was spiritually malnourished (wretched) on the old stale message that the son of God had previously revealed through Yahshua/Jesus. If the leader of the Laodicean church had known his true state, he would be miserable instead of happy in his erroneous belief of thinking he is saved.

The leader of the Laodicean church was spiritually poor because he didn't buy (by trading his old beliefs) the son's (who is the last witness/beginning of the seventh day's coppery-red dawning sunlight/visions and oracles written on the first small part of the seventh part of the scroll of life's other side) and God's (who is the first witness/ending of the seventh evening's silvery-blue moonlight/visions and oracles written on the last small part of the seventh part of the scroll of life's first side) new message (gold) revealed by the Apostle John from the Book of Revelation around 90AD. The leader of the Laodicean church was blind because he didn't continually place before his eyes the words (eye salve) of the two witnesses' (son and God's) new message written in the Book of Revelation. The leader thought he could clearly see (understand) what the gospels and letters were saying in regards to his salvation and the salvation of his Laodicean church members.

The leader of the Laodicean church was spiritually naked because he was not clothed with the two witnesses' new

light (new message) written by the Apostle John in the Book of Revelation. The new visions revealed by the first witness and last witness are likened to the spiritual moon's/bright star's (first witness') light (visions) and spiritual sun's/morning star's (last witness') light (visions), which spiritually beam from heaven (sky) and clothe the people that accept the two witnesses' new written visions when being revealed by a living messenger.

Revelation 3:18 *I* {son of God} *counsel THEE* {leader of the Laodicean church} *to buy of ME* {the visions and oracles written on the first small part and last small part} **GOLD** {equated with the spiritual moon's/first witness' silver-blue light/visions mixed with the spiritual morning sun's/last witness' coppery-red light/visions to create this gold that is revealed by a living messenger} **TRIED** {tested} *in the FIRE* {fire of temptation, during the hour of temptation}, *that THOU* {leader/angel/messenger} *mayest be RICH* {with the two witnesses' visions/gold of present truth}; *and WHITE RAIMENT* {representing the bright star's/spiritual moon's/first witness' white light/visions mixed with the morning star's/spiritual sun's/last witness' white light/visions of present new truth revealed by a living messenger}, *that THOU* {leader of the Laodicean church} *mayest be CLOTHED* {with new light/new visions}, *and that the shame of thy NAKEDNESS* {of not receiving new truth/light as

revealed by a living messenger} *do not appear; and anoint thine eyes with EYESALVE* {spiritual oil/words that pertain to visions written on seven angels with trumpets. When the written visions of the seven angels with trumpets are revealed, they are as oil burning in the seven lights/stars upon seven candlesticks}, *that thou mayest SEE* {see what the two witnesses are saying in regards to new present truth revealed by a living messenger in every generation}.

The son of God told the leader of the Laodicean church that he needed to buy the spiritual gold of the two witnesses' present truth message from the living messenger (Apostle John), who was selling it in exchange for the leader's old beliefs. Spiritual gold represents the bright star's (silvery-blue moonlight visions) light that is witnessed by the dawning star's (coppery-red morning sun's) light when they mix (hence silvery-blue light mixes with coppery-red light) together at the seventh day's dawning sunlight, just as the visions written on the last small part (father/equated with the ending of the seventh evening's moonlight at the sun's dawn) also became written (witnessed) on the first small part (son/equated with the beginning of the seventh day's morning sunlight at dawn). During the judgment when the last small part (God/father/first witness) of the seventh part of the scroll of life's first side began to be revealed by the first small part (last witness/son of God) of the seventh part of the

scroll of life's other side, the visions and oracles of the two witnesses are mixed together, just as the ending of the seventh evening's moonlight at dawn mixes with the beginning sun's (morning star's) light at dawn.

Accordingly, when the generations of patriarchs, prophets, and messiahs were replayed by the son (first small part) of God according to what is also written on the last small part (God/father) of the seventh part of the scroll of life's first side, their message was according to the two witnesses' written visions and oracles that are mixed together as silver mixed with copper create this gold.

After a patriarch, prophet, or messiah died, the two witnesses sent a new patriarch, prophet, or messiah with a new message to test the people of the next generation that claimed they were saved by believing a former messenger's message, which was proclaimed to a past generation.

Latter day Solomon received his message from the first witness' (last small part) and last witness' (first small part) words written in the Bible with a "Thus saith the Lord". Thereby, the latter day messenger knows what is prophesied to happen in the world, according to what the two witnesses' visions and oracles have already witnessed as written on the first small part and last small part. As old Moses and the people with him were tested as they journeyed twice through the wilderness to the old Promised Land, so latter day Moses (latter day living

messenger) and the people with him are tested during two half hours of the hour of temptation. Latter day apostles are tested with the spiritual fire of failed predictions concerning the time when the super volcano erupts to see if their faith in the spiritual gold {combined visions of two witnesses written on the scroll of life) would fail.

In the latter days, an overcomer buys (see Proverbs 23:23; Isaiah 55:1-3) the two witnesses' spiritual gold by selling their old customs and beliefs to obtain it. Thereby being truly rich with new life-saving knowledge. The spiritual gold (mixed visions of the two witnesses) will preserve the overcomers from the plagues that will be released from the opened super volcano. From the new day of Pentecost, all the overcomers that acquired the two witnesses' spiritual gold (spiritual moon's/first witness' silver light/visions mixed with the spiritual dawning sun's/last witness' coppery light/visions) from a living messenger will gather a great multitude, enter the ensign of new Jerusalem, be living a new life in the new heaven and new Earth, and also play a role during the judgment. The new heaven and new Earth will be as it was in the garden of Eden before the knowledge of evil was introduced into the world.

Proverbs 23:23 BUY {by trading your old customs and beliefs} ***the TRUTH*** {two witnesses' spiritual gold/visions revealed by a living messenger}, ***and sell it not; also***

wisdom, and instruction, and understanding.

Isaiah 55:1 *Ho, every one that THIRSTETH {for the spiritual waters/new words of the two witnesses}, come ye to the waters, and he that hath no money; come ye, BUY {by trading your old customs and beliefs}, and EAT {spiritual food/little scroll of Rev.10:10}; yea, come, buy WINE {being the spiritual sweet realization after drinking/knowing the two witnesses' written predictions} and MILK {drinking the bitter milk of new present truth makes a believer have a spiritual stomach pain caused by non-believers' attitudes to a person who claims to believe a new message} without money and without price.*

55:2 *Wherefore do ye spend money for that which is not bread? and your labour for that which satisfieth not? hearken diligently unto ME {one like the son of man/first and last/beginning and end}, and eat ye THAT {visions written on the little scroll of Rev.10:10} which is good, and let your soul delight itself in fatness.*

55:3 *Incline your ear, and come unto ME {one like the son of man/first and last/beginning and end}: HEAR {the living messenger's message}, and your soul shall live; and I will make an everlasting covenant with you, even the SURE MERCIES {written predictions of salvation/mercies} of DAVID {David/father is equated with the visions written on the last small part of the*

seventh part of the scroll of life's first side}.

The latter day people that believe the straight (righteous) truth of the two witnesses' new message revealed by a living messenger are clothed with the spiritual white garments of righteousness. Accordingly, a person's prior nakedness pertaining to their dated beliefs will be covered with the spiritual moon's (first witness') light (visions) and spiritual morning sun's (last witness') light (visions), as revealed by the living messenger. When a person pours spiritual oil (written words/oil of the two witnesses) of the latter day messenger's message upon their eyes, they will then see what the two witnesses' visions and oracles are revealing.

Revelation 3:19 As many as I {son of God} LOVE, I REBUKE {with the words of a new message} and CHASTEN {with failed predictions of a previous message}: be ZEALOUS {hot/zealous for wanting to know what the two witnesses are saying in the Book of Revelation} therefore, and REPENT {repent from the leader's lukewarm attitude of thinking he and his church members have enough truth to be saved, but knows not that he lacks the two witnesses' new present truth message revealed by a living messenger}.

The adult males that accepted a dated message of a former

deceased messenger are the people loved, as written on a scroll's first side. These loved ones are rebuked with a new message revealed by a living messenger. The loved ones are also chastened with failed predictions to test the believers' faith during the hour of temptation.

Accordingly, the leader of the Laodicean church was told to repent from his lukewarm attitude of thinking he has all the truth needed to be saved, even though he didn't know that the opposite was true because he failed to truly accept the new message revealed by the Apostle John from the Book of Revelation.

The Apostle John was instructed by the son of God to write that the church' leader needed to be zealous (hot) in wanting to know the new message revealed by a living messenger, instead of relying on old messages concerning Yahshua/Jesus as written in the gospels and letters by deceased apostles and disciples. The promises and counsels written in the gospels and letters by apostles and disciples of Yahshua/Jesus applied only to the people the counsels were addressing in the generation of Yahshua/Jesus.

Revelation 3:20 Behold, I {son of God} stand at the DOOR {forehead/door to the front of the mind}, and knock: if any man {person} hear MY {son of God's} VOICE {voice of the son of God that is revealed by a

living messenger's message}, *and open the door, I* {new message revealed by the living messenger} *will come in to HIM* {person's mind}, *and will sup* {hence, share the same new present truth message} *with him , and he* {new believer will partake of the new present truth message that is as spiritual manna/written words baked into white bread/understanding of the written words} *with me.*

When a leader or member of the seven churches of Asia Minor read the son of God's new message revealed by the Apostle John in the Book of Revelation, then the son of God's new message will have been figuratively standing at the door (forehead/front) of his or her mind. Some people living in the generation when the seven churches of Asia Minor existed were able to hear and open the door to their mind to allow the son of God's voice (as written to the seven churches in the Book of Revelation) to enter and sup therein. Thereby, the written things in the Book of Revelation and the promises will then be shared with the believer. The believer will then partake (spiritually eat) of the same new promises of the son of God, just as the Apostle John ate it in Revelation 10:10.

Revelation 10:2 *And HE* {ending part of the sixth angel with trumpet as the seventh angel with trumpet is beginning} *had in his hand a LITTLE BOOK* {being a little scroll containing the seven lights and seven thunders of the seventh angel with trumpet} *open: and he set his RIGHT FOOT* {equated with the first witness}

light/written visions} *upon the SEA* {representing the union/spiritual sea of combined rivers/union of nations}, *and his LEFT FOOT* {representing the last witness' light/visions} *on the EARTH* {representing the land of the USA}.

Revelation 10:10 *And I* {Apostle John} *took the LITTLE BOOK* {on which is written the seven visions and seven thunders of the seventh angel with trumpet} *out of the angel's hand* {hand of the sixth angel with trumpet as it is ending}, *and ATE IT UP* {as grains/written words of manna baked into unleavened bread/message resembling a white stone}; *and it was in my mouth SWEET AS HONEY* {equated with spiritual sweet wine}: *and as soon as I had eaten it, my belly was BITTER* {equated with bitter milk}.

Malachi 3:16 *Then THEY* {overcomers} *that FEARED* {were zealous to know the two witnesses' new written message, which was revealed by a living messenger in each generation} *the LORD* {visions and oracles written on the the first and last/beginning and end/bright star and morning} *spake often one to another: and the LORD* {one like the son of man/two witnesses} *hearkened, and heard it, and a BOOK OF REMEMBRANCE* {the memories of Michael and Gabriel have recorded, as it were in a book/scroll, the people that feared their words as spoken by a living messenger} *was written before him for them that feared the LORD* {one like the son of man}, *and that*

thought upon HIS NAME {his name in the latter days is Abaddon/destroyer/risen Rock/Abaddon}.

Daniel 12:1 And AT THAT TIME {when the reign of latter day Babylon ends when the super volcano explodes and erupts smoke and ash for five months} *shall MICHAEL* {Michael's/first witness' written visions and oracles written on the last small part of the seventh part of the scroll of life's first side, which also mixes with the last witness'/Gabriel's visions and oracles written on the first part of the seventh part of the scroll of life's other side} ***STAND UP*** {as the rising Rock/Abaddon}, *the GREAT PRINCE* {Michael's written predictions/visions and oracles represented by the spiritual bright star/spiritual moon} *which standeth for the CHILDREN* {these spiritual children represent the third group of redeemed} *of THY* {latter day Daniel's/living messenger's} ***PEOPLE*** {these people represent the first group and second group of redeemed}: *and there shall be a TIME OF TROUBLE* {during the time when the the initial six of seven plagued angels are being fulfilled from the swelling to heaven super volcano}, *such as never was since there was a nation even to that same time: and at that time thy people shall be delivered, every one that shall be found written* {as a believer of the everlasting gospel} *in THE BOOK* {last book/scroll of life}.

Revelation 3:21 To HIM {person living around 90AD}

that OVERCOMETH {their old beliefs by believing new present truth revealed by the Apostle John} *will I* {son of God} *GRANT to sit with ME* {God's son/last witness who represents the first small part of the seventh part of the scroll of life's other side} *in MY THRONE* {great throne of intense that represents the visions and oracles written on the first small part of the seventh part of the scroll of life's other side}, *even as I* {Lamb/son of God} *also OVERCAME* {overcame the kingdom of latter day Babylon}, *and am set down with my Father* {God/first witness} visions and oracles written on the last small part of the seventh part } *in HIS THRONE* {great throne of intense that represents the visions and oracles written on the last small part of the seventh part of the scroll of life's first side}.

In Revelation 3:21 the son of God said that the person that overcomes will sit with him on his throne, just as the son of God overcame and sat down on his father's throne. Hence two (son and father) are sitting on one throne reigning over latter day Babylon's kingdom. This throne is equated with the Ark of the covenant. The covering Cherub (father/God) attached upon the right side of the Ark represents the visions and oracles written on the last small part of the seventh part of the scroll of life's first side. Whereas the covering Cherub (son of God/father) attached to the left side of the Ark of the testament represents the visions and oracles written on the first

small part of the seventh part of the scroll of life's other side. The right hand covering Cherub (first witness/Father/bright star) is also equated with the ending of the seventh evening's moonlight at the sun's dawn, while the left hand covering Cherub (last witness/morning star/son of God/father) is equated with the beginning of the seventh day's morning sunlight at dawn. The visions and oracles written on the last small part also became written on the first small part, just as the seventh evening's ending moonlight is witnessed by the beginning of the seventh day's morning sunlight at dawn. Accordingly the written visions and oracles of the son (first small part/beginning) and the written visions and oracles of the father dwell together, just as the wings (equated with light/visions) of the two covering Cherubs join above and cover the mercy seat where the intense light of the Shekinah glory (representing the mixing of the two Cherubs' lights/visions) manifests.

When the visions and oracles that reign over latter day Babylon are revealed by the son (first small part/last witness), then the son of God is sitting on the throne (equated with visions written on the first small part of the seventh part of the scroll of life's other side) ruling over latter day Babylon's kingdom. When the visions and oracles written on the last small part of the seventh part of the scroll of life's first side are being revealed, then God the father is sitting on his throne (equated with the visions

and oracles written on the last small part of the seventh part of the scroll of life's first side) ruling over the kingdom of latter day Babylon.

When Abaddon rises from the swelling to heaven bottomless pit, it is according to what the two witnesses' written visions and oracles were prophesying throughout the last generation. At the rising of Abaddon, the visions and oracles of the son of God will have overcome the visions that latter day Babylon was prophesying for the world's future. Accordingly at the rising of the Rock/Abaddon, the visions of the son of God overcame the visions promoted during latter day Babylon's reign over the world and sat on his throne and reigned over the fallen kingdom of latter day Babylon, just as the father's (last small part's) visions also overcame the visions that latter day Babylon was proclaiming for the world's future and sat on his throne and reigned over the fallen kingdom of latter day Babylon.

Every person that accepts the son of God's written visions and oracles revealed by a living messenger will overcome the visions promoted by the world's political leaders and religious leaders. Then during the replay of Abaddon's rising from the swelling to heaven bottomless pit, the overcomers will sit on the son of God's throne (representing the visions and oracles written on the first small part that reigned over the fallen kingdom of latter day Babylon) just as the son of God's written visions

overcame and sat on his own throne and on his father's throne.

Revelation 3:22 He that hath an ear, let him hear what the Spirit {oracles/spoken words of the son of God} saith unto the churches.

Only the people that possessed a certain mind were able to hear (accept) what the son of God said to the seven Christian churches of Asia Minor around 90AD. The people of that time that overcome their old customs and beliefs by accepting what the Apostle John wrote in the Book of Revelation concerning the seven churches are promised

(a) access to the tree of life in the middle of the garden of paradise of new Jerusalem [see Revelation 2:7]

(b) will not be hurt of the second death by a lake of fire, after they resurrect to be living in the last generation [see Revelation 2:11]

(c) will eat of the hidden manna (sealed little scroll of the seventh angel with trumpet) baked into spiritual bread (resembling a white stone); thereby, he or she will have been given at the latter day resurrection the son of God's new name, which is the name of the latter day messenger

[see Revelation 2:17]

(d) have power to rule over all nations of latter day Babylon's kingdom with a rod of iron [see Revelation 2:26, 27]

(e) be clothed with the figurative white garments of light/righteousness, and will not have their name blotted from the last scroll/scroll of life, on which the two witnesses also recorded the things that happened (and are happening) in the new heaven and new Earth [see Revelation 3:5]

(f) become a permanent spiritual pillar in the temple of God (father/last small part), having the name of God (Abaddon), name of new Jerusalem, and a new name to put their faith in, being the name of the latter day living messenger [see Revelation 3:12]

(g) will sit on the son of God's throne of intense light reigning from above the super volcano's high and lifted-up mountain of erupting lava over latter day Babylon's dissolved kingdom [see Revelation 3:21]
