

Chapter 5

Revelation: 5:1 *And I* {Apostle John} *saw* {of what will be happening near the end of the 1,100 years of the judgment} *in the RIGHT HAND* {representing the first witness' written visions and oracles that also wrote of the second witness' visions and oracles} *of HIM* {seventh plagued angel's visions and oracles} *that SAT on the THRONE* {great white throne of intense light sitting over the high and lifted-up lava erupting super volcano} *BOOK* {being the rolled-up seven-sealed scroll of life/last scroll} *written WITHIN* {inside/last side} *and on the BACKSIDE* {outside/first side}, *SEALED* {kept rolled-up closed} *with SEVEN SEALS* {seven bands/seals each placed next to each other around the outside of the rolled-up scroll of life}.

This vision in Revelation 5:1 will take place near the end of the 1,100 years of the judgment. The Apostle John saw a rolled-up seven-sealed scroll in the right hand of the seventh plagued angel. The seventh plagued angel will have been sitting and reigning on the great white throne for nearly 1,100 years. Near the end of the 1,100 years, the seventh plagued angel had already revealed what happened earlier in the judgment when all the other scrolls were opened during 1,000 years of the judgment. Thereafter, the seventh plagued angel is about to reveal what happened earlier in the judgment when the last scroll/scroll of life was opened at the end of 1,000 years of the 1,100 years of the judgment.

The scroll of life was rolled-up and it had seven bands/seals around its outside (first side). Each band/seal is wrapped around each of the seven divided parts on the rolled-up scroll of life. Written on the outside (last evening-side) of this scroll of life are the things that existed and happened in the last generation from the time new light (new Daily present truth) dawned from beneath the first seal. At that time, the last witness' latter day living messenger began to prophesy

of a new message. All the visions and oracles written on the scroll of life's first side are written by the first witness (Michael) mixed with what the first witness also wrote of the last witness (Gabriel).

The first witness' former messenger (latter day Elijah/Aaron/David) failed to reveal and fulfill the written predictions that the first witness/Michael wrote on a scroll that recorded the ministry of the first witness' former messenger. This meant that the last witness' (Gabriel's) latter day living messenger (latter day Elisha/Moses/Solomon) had to reveal and fulfill the visions and oracles written by the first witness (Michael) from the last scroll/scroll of life. This is illustrated in the Bible by a spiritual sun/morning star (representing the last witness'/Gabriel's written visions/predictions) rising from the westerly horizon into each evening of seven spiritual evenings (equated with seven seals) of the scroll of life's first side to give life to the unfulfilled spiritual moon's/bright star's light (representing the first witness'/Michael's written visions and oracles). Accordingly, the latter day living messenger was the only messenger able to understand the first witness' visions and oracles (that are mixed with the last witness' visions and oracles) that recorded the things that existed and happened from the last generation through to the end of the judgment.

The scroll of life is held in the right hand of the seventh plagued angel. This right hand reveals that the visions and oracles written on the scroll of life's first side are according to what the first witness saw and heard taking place, that also wrote of what the last witness was seeing and hearing regarding the same things taking place. The visions and oracles on seven parts (equated with seven evenings) of the scroll of life's first side (evening side) speak with the voice of the last witness (Gabriel). The reason is that the last witness' latter day living messenger revealed the visions and oracles written on the scroll of life's first side. His message arose as spiritual sunlight into

the evening sky to reveal and fulfill the unfulfilled visions and oracles pertaining to the spiritual moon's light (first witness' written predictions/visions). Had the scroll of life been held in the seventh plagued angel's left hand, then the visions and oracles on the scroll of life's first side would be written by the first witness according to the last witness' point of view of what was happening in the last generation through to the end of the judgment.

The scroll of life's first side is divided into seven equal parts, which are equated with seven evenings of a week. Seven equal parts of its last side are equated with the same seven days but of daylight.

Around each of the seven parts on the scroll of life's first side was a seal/band. The two witnesses will have recorded on the scroll of life all the events that took place from the time the new Daily present truth dawned from beneath the first seal through to the end of the judgment.

On the last small part (referred to as the seventh plagued angel) of the scroll of life's first side are written all the visions and oracles of things that existed and happened from the time magma erupted from the super volcano through to the end of the judgment. Near the end of the 1,100 years of the judgment, the last small part (represented by the seventh plagued angel) of the scroll of life's first side will reveal its visions and oracles of what the two witnesses had witnessed exist and happen from the time magma erupted from the super volcano through to the end of the judgment.

Revelation 5:2 And I {Apostle John} saw a STRONG {mighty} ANGEL {representing the first witness' messenger/a David type} proclaiming with a LOUD VOICE {like a trumpet/thunder}, WHO IS WORTHY to OPEN the BOOK {being the rolled-up seven-sealed scroll of life}, and to LOOSE THE {seven} SEALS {bands} thereof?

The strong (mighty) angel proclaiming with a loud voice represents the first witness' messenger when he was proclaiming his message to the nations of Christendon in an attempt to reveal and fulfill the visions and oracles written on the rolled-up seven-sealed scroll of life. However he died before he could reveal and fulfill the visions and oracles that the first witness had written on the scroll of life's first side. As old King David tried to construct the temple in old Jerusalem but failed, so the first witness' messenger (a David type) tried but failed in unsealing and opening the last scroll/scroll of life to reveal its visions and oracles and construct the spiritual temple. This spiritual temple represents the first group and second group of overcomers of all generations. At the resurrection, the overcomers will rise to life to be a part of the spiritual temple.

Revelation 5:3 And NO MAN {none} ***in HEAVEN*** {where the judgment will be happening above the high and lifted-up lava erupting super volcano}, ***nor IN EARTH*** {referring to all people living before the latter day living messenger's message dawned from beneath the first seal}, ***neither UNDER the EARTH*** {people that had lived and died and are dead under the Earth/land from the first generation of Genesis to the last generation before the latter day living messenger's message dawned from beneath the first seal}, ***WAS ABLE to open the BOOK*** {last scroll/scroll of life}, ***neither to LOOK THEREON*** {because the scroll of life is rolled-up and kept rolled-up/sealed with seven seals/bands around its outside}.

Before the latter day living messenger's message dawned from beneath the first seal, no one could open the scroll of life's visions and oracles written in the Book of Revelation. No one in heaven during the judgment was found among the 4 six-winged beasts (that represent the first group of redeemed), 24 elders (that represent the second group of redeemed), great multitude of righteous angels (that

represent the third group of redeemed), or the many creatures (being the resurrected rebellious people in heaven viewing the 1,100 years of the judgment) to be worthy to open or even look upon the words in the seven-sealed rolled-up scroll of life written on the seventh plagued angel.

Before the latter day living messenger, no one living on Earth (land) was able to reveal the scroll of life's visions and oracles written in the Book of Revelation, even though many had tried. When the scrolls had revealed their visions and oracles during 1,000 years of the judgment, no person that had lived and died throughout every generation of the world was found to be able to unseal the seven seals and unroll (open) the scroll of life to reveal its visions and oracles. Many people of the living and others that had died had attempted to reveal the visions and oracles in the Book of Revelation, but it is written that none of them were able to truly reveal the visions and oracles in the Book of Revelation.

Revelation 5:4 And I wept much, because NO MAN {before the latter day living messenger} was found worthy to OPEN and to READ the BOOK {scroll of life}, neither to LOOK THEREON.

The Apostle John wept because he thought no one, not even his Lord Yahshua/Jesus, was worthy to unseal, unroll, and open the scroll of life.

Revelation 5:5 And ONE of the elders saith unto me, Weep not: behold, the LION {symbolizing the last witness' latter day living messenger who is equated with old King Solomon} of the tribe of {spiritual} Juda, the ROOT {representing the seventh plagued angel} of David {first witness' former messenger equated with old King David}, hath prevailed to open the BOOK {scroll of life}, and to LOOSE the SEVEN SEALS thereof {correlating the time when

latter day Solomon began to reveal his dawning new message from beneath the first seal}.

The 24 elders {representing the 144,000} will have already learned the new song of latter day Solomon's new gospel from the time the impacted rock will have opened the super volcano in the USA. Near the end of the judgment one of these elders tells the Apostle John not to weep. This elder says to John that latter day King (lion) Solomon – when his message was spiritually born from the spiritual virgin woman/church group in spiritual Judah (representing the USA) – has prevailed to unseal each of the scroll of life's seven seals and unroll/open the scroll of life to reveal its visions and oracles.

Latter day Solomon/Moses understood the message written beneath the first seal. At that time, latter day Solomon began proclaiming his new dawning message. Latter day Solomon was spiritually born (when he began to reveal his message from beneath the first seal) from the church of latter day David (former messenger) of Ezekiel 37:25 and Hosea 3:5. Latter day David was born from the seventh plagued angel (the root). This is based on the past type of old King David being born from his father Jesse (the root of David). King Solomon was born from the loins of his father, King David. It was King Solomon who succeeded in building the temple/house of God when he became king in place of his deceased father David, who failed to receive God's blessing to build God's house/temple.

***Ezekiel 37:25** And **THEY** {faithful believers} shall dwell in the **LAND** {representing the new Earth} that I have given unto Jacob my servant, wherein your fathers have dwelt; and they shall dwell therein, even **THEY** {representing the first group of redeemed/12,000}, and their **CHILDREN** {representing the second group of redeemed/144,000}, and their children's **CHILDREN** {representing the third group of redeemed/great multitude} for **EVER** {time of the new Earth}: and **MY** {first witness'/Michael's}*

servant David {representing the former messenger before the last witness'/Gabriel's latter day living messenger unsealed and revealed the scroll of life, which the previous messenger attempted but failed to accomplish} *shall be their prince for ever.*

Hosea 3:5 *Afterward shall the CHILDREN* {representing the third group of redeemed gathered from all nations during the time when smoke and ash are erupting from the super volcano} *of Israel return, and seek the LORD* (seventh plagued angel) *their God, and David* {first witness' messenger/David/Elijah who was succeeded by the last witness' latter day messenger/Solomon/Moses} *their king; and shall fear the LORD* {seventh plagued angel} *and his goodness in the LATTER DAYS* {when the seventh plagued angel's visions and oracles are reigning on the high and lifted-up lava erupting super volcano}.

Revelation 5:6 *And I beheld, and, lo, in the MIDST of the THRONE* {the great white throne of intense light that is reigning over latter day Babylon's dissolved kingdom during the judgment} *and of the FOUR BEASTS* {representing the first group of redeemed that entered the ensign before the world was consumed in flowing lava}, *and in the midst of the ELDERS* {representing the second group of redeemed that entered the ensign before the world was consumed in flowing lava }, ***STOOD*** {this visions is showing near the end of 1,100 years of the judgment what had already been shown earlier during the remaining 100 years of the 1,100 years of the judgment} ***A LAMB*** {representing the latter day living messenger's message when it was about to dawn from beneath the first seal} ***as it HAD BEEN SLAIN*** {The Lamb had already been slain as revealed by the visions and oracles on the scroll of life when the scroll of life was opened earlier in the judgment}, ***having SEVEN HORNS*** {which refer to its ability/strength to open the

seven seals/bands} *and SEVEN EYES* {each eye can see and understand each vision written beneath each of seven seals}, *which are the SEVEN SPIRITS* {seven spirits written on the mind/spirit} *of God* {seventh plagued angel} *sent forth* {as messages illustrated as beams of spiritual moonlight/visions, spiritual sunlight/visions, and spiritual thunders/oracles} *into all the EARTH* {proclaimed to the Earth/land from the time the latter day living messenger's message dawned from beneath the first seal}.

For nearly 1,100 years, the seventh plagued angel's visions and oracles have been sitting and reigning on the great white throne over the dissolved kingdom of latter day Babylon. At the time near the end of the 1,100 years of the judgment, a Lamb came from the throne to denote that the Lamb is written on the seventh plagued angel's visions. The manifestation of the Lamb from the throne is equated with the time when the latter day messenger's new message was about to dawn from beneath the first seal.

In Revelation 5:6 the seventh plagued angel is showing (replaying) near the end of the 1,100 years of the judgment what had already been shown when the scroll of life was about to be opened at the end of 1,000 years of the judgment. This Lamb represents the spiritual birth (equated with a Lamb) of latter day Solomon's message from beneath the scroll of life's first seal, which was spiritually born in latter day spiritual Judah (representing the USA).

The Lamb that came from the throne had already been slain. The reason is that the scroll of life had already been opened during the last 100 years of the judgment. Near the end of these 100 years, the scroll of life's last small part (represented by the seventh plagued angel) is being revealed. On this last small part are written the things that existed and happened from the time magma erupted from the super volcano, the 1,000 years of the judgment when the scrolls were being opened, and the remaining 100 years when the scroll of life is

being opened. Therefore, when the seventh plagued angel's visions and oracles reveal the Lamb (that had already been slain) appearing from the throne near the end of the 100 years, the seventh plagued angel's visions and oracles are showing what had already happened earlier at the beginning of the 100 years.

It states in Revelation 5:6 that the Lamb has seven horns and seven eyes, which are the seven spirits of God (seventh plagued angel). This Lamb's seven horns illustrate that it has the spiritual strength (horn) to unseal each of the seven seals/bands around the rolled-up scroll of life with each of its seven horns. When each horn removes each seal, the Lamb is able to see and reveal the exposed written little vision beneath each seal with each of its seven eyes. The Lamb's seven eyes means that it can perceive (understand) the meaning of the seven little visions beneath the seven seals/bands. The seven eyes are the seven spirits written on the mind (spirit) of the seventh plagued angel.

Revelation 5:7 And HE {being the Lamb that represents the latter day messenger's dawning message revealed from beneath each of seven seals} ***came and took the BOOK*** {scroll of life} ***out of the RIGHT HAND*** {the right hand represents the first witness' visions and oracles that also wrote of the last witness' visions and oracles} ***of HIM*** {seventh plagued angel} ***that SAT*** {near the end of the 1,100 years of the judgment} ***upon the THRONE*** {the seventh plagued angel has been sitting on the great white throne ruling for nearly 1,100 years over the dissolved kingdom of latter day Babylon}.

Near the end of the 1,100 years of the judgment, the seventh plagued angel's visions and oracles reveal the time earlier when the Lamb had taken the seven-sealed rolled-up scroll of life at the end of the initial 1,000 years of the judgment. This scene of the Lamb in

heaven is illustrating the time on Earth when the latter day messenger's new Daily truth message was about to dawn from beneath the first seal of the seven-sealed rolled-up scroll of life.

The vision in Revelation 5:7 is shown near the end of the 1,100 years of the judgment. At that time, the seventh plagued angel's visions and oracles will have been sitting and reigning for nearly 1,100 years on the great white throne of intense light emanating from the overflowing lake of lava in the super volcano's mouth.

Revelation 5:8 And when HE {Lamb} had taken the BOOK {scroll of life}, the FOUR BEASTS {representing the first group of redeemed} and FOUR and TWENTY ELDERS {second group of redeemed/144,000} FELL DOWN before the LAMB {the Lamb represents the latter day messenger's message}, having every one of them HARPS {harps to sing the song/prophecy of David/first witness' former messenger that the last witness' latter day living messenger/latter day Solomon will have revealed to them after the resurrection}, and GOLDEN VIALS {gold represents the first witness' spiritual silvery moonlight/visions mixed with the last witness' spiritual coppery sunlight/visions on the scroll of life's first side} full of ODOURS {sweet fragrance ascending up with the smoke of the opened super volcano}, which are the PRAYERS {that pray for the coming of God the rock that causes the resurrection and fulfillment of God's visions and oracles} of SAINTS {four priests/beasts/apostles and 24 elders/disciples of the spiritual temple}.

The Lamb takes the scroll of life, then four beasts and 24 elders fall down and worship the Lamb. This vision parallels the time when the people of the first group (represented by these four beasts) of redeemed and the people of the second group (represented by these 24 elders) of redeemed had resurrected or were alive to learn

(spiritually bowed down before) the new song (message/everlasting gospel) of the Lamb.

The four beasts and the 24 elders each have harps and golden censers (vials) full of burning odors of incense, which represent their prayers. When these four beasts and/or 24 elders sing a song on their golden harps during the judgment in heaven, it is equated with the time when after the resurrection they learned a new song (message) to proclaim the everlasting gospel. Latter day Solomon's message spiritually sang (revealed and fulfilled) the prophecies on the scroll of life's first side that latter day David/Elijah should have sung (proclaimed) with his figurative harp (representing the first witness' written predictions/song), just as old David sang his psalms with a harp but were fulfilled by his son King Solomon. Accordingly. After the resurrection, the people of the first group and second group of overcomers sing of latter day Solomon's (latter day Yahshua's/Moses's) everlasting gospel. They will then be prophesying to all nations of the everlasting gospel to gather a great multitude before the world ends by an overflowing lake of fire.

The prayers of the overcomers of all generations were answered when God the rock arrived and caused the super volcano to erupt smoke and ash, which marks the time of the overcomers' resurrection from death. The resurrection can not happen until the rock comes and opens the super volcano. As smoke and ash arise from the opened super volcano at the resurrection, it is equated with the sweet aroma rising with the smoke from their golden bowls as the prayers of the saints are fulfilled. Thereafter, the overcomers will have learned the new song of the latter day everlasting gospel, as witnessed by the two witnesses' visions and oracles written on the scroll of life's first side.

A "golden" vial (bowl) represents the spiritual silvery-blue moon's/bright star's (first witness'/Michael's) light (visions and

oracles) mixing (hence simultaneously proclaimed) with the spiritual coppery-red sun's/morning star's (last witness'/Gabriel's) light (written visions and oracles) to create the gold. The golden vials burning a sweet aroma represent the two witnesses' visions that witnessed the sweetness of the saints' resurrection from death to life.

Revelation 5:9 *And THEY* {4 beasts/first group and 24 elders/144,000 second group of redeemed} **SUNG a NEW SONG** {this new song/everlasting gospel was learned and sung by the two groups of redeemed after the latter day resurrection}, *saying, Thou art worthy to take the BOOK* {scroll of life}, *and to open the seals thereof: for THOU* {Lamb/message of the latter day living messenger} *wast SLAIN* {totally rejected during the sign of Jonah}, *and HAST REDEEMED* {at the latter day resurrection} *US* {being the 4 beasts/priests, 24 elders} *to God* {seventh plagued angel} *by thy BLOOD* {sacrifice of the message/Lamb} *OUT* {of all generations} *of EVERY KINDRED, and TONGUE, and PEOPLE, and NATION ;*

The vision in Revelation 5:9 is revealing the time when the super volcano had erupted smoke and ash after the 3½ days of the sign of Jonah. During these 3½ days, the Lamb (two witnesses' visions and oracles) was sacrificed and lying dead (totally rejected). After these 3½ days, the latter day resurrection will have happened when the overcomers of every kindred, tongue, people and nation rose from the dead where they were buried. They will have then learned a new song of the everlasting gospel to prophesy and gather a great multitude from all nations. The four beasts (priests/first group of redeemed) and 24 elders (second group of redeemed) will have been redeemed to God (hence written on the seventh plagued angel's visions and oracles as overcomers) because of the prophesying and sacrifice (blood) of the two witnesses' visions and oracles (Lamb).

From the time of the latter day resurrection, all the resurrected and living overcomers of the first group of redeemed and second group of redeemed will have learned a new song (message) concerning the everlasting gospel. This new song will have then been proclaimed throughout the world's nations to gather a great multitude when the super volcano's mouth is erupting smoke and ash.

Revelation 5:10 And hast made US {the us being the 4 beasts/first group and 24 elders/second group of redeemed} **unto our God** {God/seventh plagues angel's visions and oracles} **KINGS** {being the elders on thrones with crowns ruling over the dissolved kingdom of latter day Babylon} **and PRIESTS** {being the four beasts that are typified by the four sons/priests of Aaron}: **and we SHALL REIGN** {when the seventh plagues angel reveals from the scroll of life near the end of the judgment the priests and elders again coming to reign that was already revealed earlier in the judgment from the scroll of life} **on the EARTH** {land of the dissolved USA}.

At the end of the 2300-day period, the Lamb (two witnesses' message) will have been killed (totally rejected) when a meteor impacts the USA causing smoke to temporarily erupt from the super volcano, but this event fails to fulfill the predictions of the two witnesses concerning the fall of latter day Babylon's kingdom. Accordingly, it will seem to the leaders and kingdom of latter day Babylon that the two witnesses' predictions written on the scroll of life have totally failed. However, after 3½ days have passed of the sign of Jonah, the super volcano will suddenly erupt with smoke and ash, that lasts for five months. At the time of the eruption of smoke and ash, the two witnesses' seemingly failed visions and oracles (Lamb) revive to life as the latter day resurrection happens. From that time, the Lamb (message of the latter day living messenger) will have made all resurrected and living overcomers of every generation

priests (represented by the four beasts/first group of redeemed) and kings (represented by the 24 elders/second group of redeemed).

Near the end of the 1,100 years of the judgment, the seventh plagued angel will reveal what happened earlier in the judgment when the last scroll/scroll of life was being opened. Accordingly, the seventh plagued angel will show from the scroll of life's visions and oracles how the kings and priests had reigned over the fallen kingdom of latter day Babylon. Latter day Babylon's kingdom will have fell when the rock's impact opened the super volcano in the USA.

Revelation 5:11 And I BEHELD {visions/lightnings}, ***and I HEARD*** {oracles/thunders} ***the voice of MANY ANGELS*** {that represent the third group of redeemed/great multitude of messengers/angels of all nations standing within new Jerusalem's ensign} ***round about the THRONE*** {the great white throne of intense light emanating high above the lava erupting super volcano} ***and the BEASTS*** {priests/first group of redeemed} ***and the ELDERS*** {second group of redeemed}: ***and the NUMBER of THEM*** {many angels being the third group of redeemed/great multitude} ***was TEN THOUSAND TIMES TEN THOUSAND, and THOUSANDS of THOUSANDS;***

The Apostle John saw (vision) and heard (oracle) the voice of the many angels. These many angels in Revelation 5:11 represent the latter day people that are of all nations. The third group will have been redeemed from all nations from the time the impacted rock caused smoke and ash to erupt for five months from the super volcano in the fallen USA. These many angels (great multitude) will have accepted the everlasting gospel (new song) proclaimed by the first group (4 beasts/12,000) and second group (24 elders/144,000) during a time of great tribulation (when smoke and ash have darkened the USA's land). The great multitude of angles will be

standing within the intense light of new Jerusalem that surrounds the super volcano. They will have entered the intense light of the ensign emanating from the super volcano's mouth full of an overflowing lake of fire before the world is dissolved. During the time of the judgment, they will stand within new Jerusalem around the 24 elders, 4 beasts, and the great white throne.

The number of the third group of redeemed is ten thousand times ten thousand ($10,000 \times 10,000 = 100,000,000$) and thousands of thousands ($1,000s \times 1,000s = 99,844,000$). The scroll of life reveals that there will only be a total of 200,000,000 of all three groups of redeemed. Therefore deducting 12,000 of the first group and 144,000 of the second group from 200,000,000, leaves 199,844,000 of the third group of redeemed.

Revelation 5:12 Saying with a LOUD VOICE {the many angels speak saying}, ***WORTHY is the LAMB*** {representing the two witnesses' message revealed by the latter day living messenger} ***that was SLAIN*** {during the sign of Jonah} ***to receive POWER, and RICHES, and WISDOM, and STRENGTH, and HONOR, and GLORY, and BLESSING.***

A great multitude of righteous angels is shown standing within new Jerusalem around the great white throne. This great multitude of righteous angels (messengers) is in agreement with the new song they heard the 4 beasts and 24 elders sing in Revelation 5:9 during the end part of the judgment, just as the great multitude were in agreement with the new song (everlasting gospel) that they will have heard during a time of great tribulation and entered the ensign. The many angels (great multitude) will say, during the judgment, that the Lamb (message of the latter day living messenger) is worthy to receive power over latter day Babylon's nations, riches of latter day Babylon's fallen kingdom, wisdom of the two witnesses' visions and

oracles, strength to open the seven seals, honor of all peoples, the glory of the nations, and the blessing of the redeemed.

Revelation 5:13 And EVERY CREATURE {representing the rebellious people of all generations that had manifested at the beginning of the 1,100 years of the judgment to appear outside new Jerusalem to view the things being revealed and happening during the judgment} **which is in HEAVEN** {being the intense white light emanating high-up into the sky/heaven from the super volcano's mouth full of an overflowing lake of fire}, **and on the EARTH** {rebellious people in the USA living just before the latter day living messenger's new Daily truth dawned from beneath the first seal}, **and UNDER the EARTH** {rebellious people that died/buried under the USA's land during all past generations before the latter day living messenger's new Daily truth dawned from beneath the first seal}, **and such as ARE** {rebellious dead or rebellious living before the latter day living messenger's new Daily truth dawned from beneath the first seal} **in the SEA** {representing latter day Babylon's kingdom}, **and all that are in them, heard I SAYING** {will all be saying when the rebellious people appear to stand outside new Jerusalem as the many creatures during the judgment}, **Blessing, and honour, and glory, and power, be unto HIM** {when the seventh plagued angel is about to reveal near the end of the judgment what happened earlier in the judgment when the scroll of life was about to be opened} **that sitteth upon the THRONE** {the great white throne of intense light above the overflowing lake of fire in the mouth of the high and lifted-up super volcano and reigning over the fallen dissolved kingdom of latter day Babylon}, **and unto the LAMB** {message of the latter day living messenger} **for ever and ever.**

At the latter day resurrection, the people that lived in each generation will resurrect to be living during the time when smoke

and ash are erupting from the super volcano in the USA. During the five months of erupting smoke and ash, every living person will have an opportunity to accept the everlasting gospel and enter new Jerusalem before fire (lava) flows down from the high and lifted-up super volcano to consume all people that had not entered the ensign.

***Daniel 12:2** And many of them that sleep {being dead} in the dust of the earth shall AWAKE {latter day resurrection}, SOME {overcomers} to everlasting life, and SOME {that awoke but refused to believe the everlasting gospel} to shame and everlasting contempt {as revealed by the seventh plagues angel during the judgment}.*

During the 1,100 years of the judgment, a multitude of rebellious people (being referred to as creatures) will have appeared to stand round about outside new Jerusalem. These rebellious people are of all the generations. They will have appeared at the beginning of the judgment to review (judge) the two witnesses' visions and oracles written on each scroll and last scroll/scroll of life. Near the end of the judgment, the last small part (seventh plagues angel) of the scroll of life's first side will reveal what happened from the time the super volcano's mouth was full of a lake of fire, the new Earth, and what happened during 1,100 years of the judgment. Therefore when the scroll of life's last small part (seventh plagues angel) reveals near the end of the judgment what happened earlier in the judgment after the scrolls were opened, the seventh plagues angel will then reveal the time when the Lamb took the last scroll/scroll of life to unseal and reveal its visions and oracles written on its first side.

At the time the Lamb took the rolled-up seven-sealed scroll from the hand of the seventh plagues angel, it represents the time when the latter day living messenger was about to reveal the Daily new truth from beneath the first seal. All the rebellious creatures in heaven will have been the ones that were living on the Earth (USA's land) and dead under the Earth (USA's land) and in the sea (representing latter

day Babylon's kingdom) just before the latter day messenger's message (Lamb) began to be revealed from beneath the first seal.

The creatures (rebellious people) around new Jerusalem hear the praises sung by the 4 beasts, 24 elders, and great multitude of righteous angels/messengers concerning the Lamb. These creatures will also agree and say that the seventh plagues angel sitting on the throne and Lamb are worthy to receive blessing, honor, glory, and power for ever and ever.

Revelation 5:14 And the FOUR BEASTS {representing the first group of redeemed} ***said, Amen. And the FOUR and TWENTY ELDERS*** {second group of redeemed} ***FELL DOWN and WORSHIPPED HIM*** {seventh plagues angel's visions and oracles} ***that liveth for ever and ever.***

The four beasts say Amen (meaning it is true/amen) to the praises which the creatures declared concerning the seventh plagues angel sitting on the throne and the Lamb. When the 4 beasts said amen, the 24 elders fell down on bended knees and worshiped the seventh plagues angel's visions reigning over latter day Babylon's dissolved kingdom. The seventh plagues angel's visions and oracles live forever and ever. The reason is as the seventh plagues angel reveals its visions and oracles of what happened earlier, the first witness continually records on the seventh plagues angel what the seventh plagues angel is revealing, which is also revealed by the seventh plagues angel and recorded by the first witness on the seventh plagues angel, and so on. The 24 elders bow down to educate the creatures what to do when they are in agreement with the praises that are sung to the Lamb and the seventh plagues angel sitting and reigning on the great white throne over latter day Babylon's dissolved kingdom.

The creatures standing outside round about new Jerusalem will bow

down on bended knees that God's (seventh plagued angel's) judgment was just (as a straight line), true, and right (straight up and down). The righteous people in every generation overcame and were saved because they believed the living messenger's warnings. In contrast, the rebellious leaders and their nation's people (that were in agreement with their leaders that rejected, persecuted, punished, imprisoned, and most times killed the messenger's and many of their followers) had the messenger's warnings fulfilled upon them. In the last generation, the latter day living messenger's message warns of the imminent arrival of a rock that will impact the USA and open a super volcano, bringing plagues of darkness, anarchy, famine, and death by an overflowing lake of fire. The people that believe his message will be saved from these plagues and will be within new Jerusalem as overcomers of this world's many deceptions. The latter day rebellious people that reject the latter day messenger's message will end up in a flowing lake of lava that spreads from the opened super volcano in the USA to cover the world. These rebellious people will have been adversaries against the latter day living messenger's message and against those who believe his message. In the time of the judgment when the seventh plagued angel's visions and oracles are reigning over the dissolved kingdom of latter day Babylon, the rebellious people will be outside new Jerusalem and agreeing on bent knees (fulfilling Isaiah 45:23) that the rebellious people that died by the plagues released by a rock's impact in the USA chose their outcome by rejecting the new gospel, which tried to save them from the plagues.

Isaiah 45:23 *I {seventh plagued angel} have sworn by myself {because Michael and Gabriel speak simultaneously as one person from the visions and oracles written on the seventh plagued angel}, the word is gone out of MY mouth in righteousness, and shall not return {unfulfilled}, That unto ME {seventh plagued angel's visions and oracles as witnessed by the two witnesses} every knee shall*

bow, EVERY TONGUE SHALL SWEAR { during the 1,100 years of the judgment, every tongue will say with an oath while on bended knees that the seventh plagued angel's visions and oracles are just and true}.
