

Chapter 5

Revelation: 5:1 *And I* {Apostle John} *saw* {of what happened in the previous replay during the judgment} *in the RIGHT HAND* {representing the first side of the scroll of life} *of HIM* {seventh plagued angel's visions and oracles} *that SAT on the THRONE* {the great white throne of intense light sitting over the high and lifted-up super volcano, that spread to cover the world} **BOOK** {being the rolled-up seven-sealed scroll of life/last scroll} *written WITHIN* {inside/last side} *and on the BACKSIDE* {outside/first side}, **SEALED** {kept rolled-up and closed} *with SEVEN SEALS* {seven bands/seals each placed next to each other around the outside of the rolled-up scroll of life}.

This vision in Revelation 5:1 had already happened in the previous replay of all generations, new Earth, and time of the judgment. The Apostle John saw a rolled-up seven-sealed scroll in the right hand of the seventh plagued angel. The scroll mentioned in Revelation 5:1 is the scroll of life (last scroll), which was rolled-up and sealed with seven bands/seals around its outside (first side). Each band/seal is wrapped around each of the seven divided parts on the rolled-up scroll of life. Written on the outside (last evening-side) of this scroll of life are visions and oracles of things that existed and happened in the last generation from the time new light (new Daily present truth) dawned from beneath the first seal. At that time, the latter day living messenger began to prophesy of a new message.

All the visions and oracles written on the scroll of life's first side (first witness) are written by Michael, just as all the visions and oracles written on the last side (last witness) of the same scroll are written by Gabriel. However, the last small part on the scroll of life's first side mixes with the first small part of the scroll of life's last side, just as the last small part on the scroll of life's last side mixes with the first small part of the scroll of life's first side (first witness). The

last small part (equated with the time of dawn and dusk and equated with the seventh plagued angel) of the scroll of life's first side and last side contains all the visions and oracles written on all seven parts of the scroll of life's first side, just as everything that existed and happened in the initial seven days of Genesis were all visible at dawn and dusk of the seventh day. Accordingly, the seventh plagued angel has all the visions and oracles that are written on the first side (first witness) and last side (last witness) of the scroll of life.

The former messenger (latter day Elijah/Aaron/David type) failed to reveal and fulfill the written predictions on the scroll of life. Instead, the latter day living messenger (latter day Elisha/Moses/Solomon) reveals and fulfills the visions and oracles written on the last scroll/scroll of life. These visions written on the seventh plagued angel are illustrated in the Bible by a spiritual sun/morning star (representing the last witness' written visions) mixing at even with the spiritual moon's/bright star's light (representing the first witness' written visions and oracles). Accordingly, the latter day living messenger is the only messenger able to understand the first witness' and last witness' visions and oracles, which are mixed together on the last small part of the scroll of life.

The scroll of life is held in the right hand of the seventh plagued angel. This right hand refers to what is written on the scroll of life's first side. What is written on the first small part of the scroll of life's first side is also written on the last small part of the scroll of life's last side, just as the ending of daylight mixes with the beginning of the evening during even. Therefore the last small part of the scroll of life's last side contains all the visions and oracles that are written on seven parts (equated with seven days of sunlight) of the scroll of life's last side, just as the last small part of the scroll of life's first side contains all the visions and oracles that are written on seven parts (equated with seven evenings) of the scroll of life's first side. The visions and oracles on seven parts (equated with seven

evenings) of the scroll of life's first side (evening side) speak with the voice of the latter day messenger. The reason is that the latter day living messenger revealed the visions and oracles written on the scroll of life's first side. Had the scroll of life been held in the seventh plagued angel's left hand, then the latter day living messenger's message would be according to the visions and oracles written on seven parts of the scroll of life's last side.

The scroll of life's first side is divided into seven equal parts, which are equated with seven evenings of a week. Seven equal parts of its last side are equated with the same seven days but of daylight.

Around each of the seven parts on the scroll of life's first side was a seal/band. The two witnesses' visions and oracles on the scroll of life pertain to all the things that existed and happened during every evening and daylight from the time the new Daily present truth dawned from beneath the first seal and through the judgment.

From the time magma exploded into the atmosphere from the swelled to heaven super volcano, Michael and Gabriel have been writing continually all things that exist and happening on the last small part of the scroll of life. After 1,100 years of the judgment had passed, this last small part (referred to as the seventh plagued angel) of the scroll of life's first side has been revealing all the visions and oracles of things that existed and happened from the time magma erupted from the swelled to heaven super volcano, the new heaven and new Earth, the initial 1,100 years of the judgment when each scroll was opened including the last scroll/scroll of life. The life we are presently living is a replay of what has already happened, as being presently revealed by the seventh plagued angel from the scroll of life during the judgment.

Revelation 5:2 And I {Apostle John} ***saw a STRONG*** {mighty} ***ANGEL*** {representing the former messenger/a David type}

*proclaiming with a **LOUD VOICE** {like a trumpet/thunder}, **WHO IS WORTHY to OPEN the BOOK** {being the rolled-up seven-sealed scroll of life}, and to **LOOSE THE** {seven} **SEALS** {bands} thereof?*

The strong (mighty) angel proclaiming with a loud voice represents the former messenger when he was proclaiming his message to the nations of Christendom in an attempt to reveal and fulfill the visions and oracles written on the rolled-up seven-sealed scroll of life. However he died before he could reveal and fulfill the visions and oracles that are written on the scroll of life. As old King David tried to construct the temple in old Jerusalem but failed, so the former messenger (a David type) tried but failed in unsealing and opening the last scroll/scroll of life to reveal its visions and oracles and construct the spiritual temple. This spiritual temple represents the first group and second group of overcomers of all generations. At the latter day resurrection, the overcomers will rise to life to be a part of the spiritual temple.

***Revelation 5:3 And NO MAN** {none} **in HEAVEN** {where the judgment is happening before the high and lifted-up super volcano, which covered the world}, **nor IN EARTH** {referring to all people living before the latter day living messenger's message dawned from beneath the first seal}, **neither UNDER the EARTH** {people that had lived and died and are dead under the Earth/land from the first generation of Genesis to the last generation before the latter day living messenger's message dawned from beneath the first seal}, **WAS ABLE to open the BOOK** {last scroll/scroll of life}, **neither to LOOK THEREON** {because the scroll of life is rolled-up and kept rolled-up/sealed with seven seals/bands around its outside}.*

Before the latter day living messenger's message dawned from beneath the first seal, no one could open the scroll of life's visions

and oracles written in the Book of Revelation. No one in heaven during the judgment was found among the four six-winged beasts (that represent the first group of redeemed), twenty four elders (that represent the second group of redeemed), great multitude of righteous angels (that represent the third group of redeemed), or the many creatures (being the rebellious people around new Jerusalem viewing the seventh plagued angel replaying each generation from each scroll, the new earth, and the judgment over and over) to be worthy to open or even look upon the words written on the seven-sealed rolled-up scroll of life.

Before the latter day living messenger, no one living on Earth (land) was able to reveal the scroll of life's visions and oracles written on the Book of Revelation, even though many have tried. When the scrolls (except the last scroll) had revealed their visions and oracles during the initial 1,000 years of the judgment and replayed all past generations, no person that had lived and died throughout every past generation of the world was found able to unseal the seven seals and unroll (open) the last scroll (scroll of life) to reveal its visions and oracles of things that happen in the last generation, new Earth, and time of the judgment. Many people of the living and others that had died had attempted to reveal the visions and oracles in the Book of Revelation, but it is written that none of them were able to truly reveal the visions and oracles in the Book of Revelation.

Revelation 5:4 And I wept much, because NO MAN {before the latter day living messenger} was found worthy to OPEN and to READ the BOOK {scroll of life}, neither to LOOK THEREON.

The Apostle John wept because he thought no one, not even his Lord Yahshua/Jesus, was worthy to unseal, unroll, and open the scroll of life.

Revelation 5:5 *And ONE of the elders saith unto me, Weep not: behold, the LION* {symbolizing the latter day living messenger who is equated with old King Solomon} *of the tribe of* {spiritual} *Juda, the ROOT* {representing the father/seventh plagued angel} *of David* {David represents the former messenger equated with old King David}, *hath prevailed to open the BOOK* {scroll of life}, *and to LOOSE the SEVEN SEALS thereof* {correlating the time when latter day Solomon began to reveal his dawning new message from beneath the first seal}.

The 24 elders {representing the 144,000} will have already learned the new song of latter day Solomon's new gospel from the time the star's impact opened the super volcano in the USA. During each replay of the judgment shows one of these elders telling the Apostle John not to weep. The elder says to John that latter day King (lion) Solomon – when his message was spiritually born from the spiritual virgin woman/church group in spiritual Judah (representing the USA) – has prevailed to unseal each of the scroll of life's seven seals and unroll/open the scroll of life to reveal its visions and oracles.

Latter day Solomon/Moses began to understand the message written beneath the first seal. At that time, latter day Solomon began proclaiming his new dawning message. Latter day Solomon was spiritually born (when he began to reveal his message from beneath the first seal) from the church of latter day David (former messenger) of Ezekiel 37:25 and Hosea 3:5. Latter day David was born (replayed his generation) according to the seventh plagued angel's (the root's) written visions and oracles. This is based on the past type of old King David being born from his father (the root of David). King Solomon was born from the loins of his father, King David. It was King Solomon who succeeded in building the temple/house of God when he became king in place of his deceased father David, who thought to build God's house but he failed to receive God's blessing to build the house/temple.

***Ezekiel 37:25** And **THEY** {faithful believers} shall dwell in the **LAND** {representing the new Earth} that I have given unto Jacob my servant, wherein your fathers have dwelt; and they shall dwell therein, even **THEY** {representing the first group of redeemed/12,000}, and their **CHILDREN** {representing the second group of redeemed/144,000}, and their children's **CHILDREN** {representing the third group of redeemed/great multitude} for **EVER** {time of the new Earth}: and **MY** {seventh plagues angel's} servant **David** {representing the former messenger before the latter day living messenger unsealed and revealed the scroll of life, which the previous messenger attempted but failed to accomplish} shall be their prince for ever.*

***Hosea 3:5** Afterward shall the **CHILDREN** {representing the third group of redeemed gathered from all nations during the time when smoke and ash are erupting from the super volcano} of Israel return, and seek the **LORD** {seventh plagues angel according to the first witness} their **God** {seventh plagues angel according to the last witness}, and **David** {former messenger/David/Elijah type who was succeeded by the latter day messenger/Solomon/Moses} their king; and shall fear the **LORD** {seventh plagues angel} and his goodness in the **LATTER DAYS** {when the seventh plagues angel's visions and oracles are reigning on the high and lifted-up super volcano overflowing with a lake of fire}.*

***Revelation 5:6** And I beheld, and, lo, in the **MIDST** of the **THRONE** {the great white throne of intense light that is reigning during the judgment from the high and lifted-up super volcano over the lava covered kingdom of latter day Babylon} and of the **FOUR BEASTS** {representing the first group of redeemed that entered the ensign before the world was consumed in a spreading lake of lava}, and in the midst of the **ELDERS** {representing the second group of*

redeemed that entered the ensign before the world was consumed in a lake of fire}, ***STOOD A LAMB*** {representing the latter day living messenger's message when it was about to dawn from beneath the first seal} ***as it HAD BEEN SLAIN*** {during the judgment, the Lamb had been slain in the previous replay of the last generation, as written on the scroll of life}, ***having SEVEN HORNS*** {which refer to its ability/strength to open the seven seals/bands} ***and SEVEN EYES*** {each eye can see and understand each vision written beneath each of seven seals}, ***which are the SEVEN SPIRITS*** {seven spirits pertain to visions and oracles written on the last small part of the scroll of life} ***of God*** {seventh plagued angel} ***sent forth*** {as messages illustrated as beams of spiritual moonlight/visions, spiritual sunlight/visions, and spiritual thunders/oracles} ***into all the EARTH*** {proclaimed to the Earth/land from the time the latter day living messenger's message dawned from beneath the first seal}.

After 1,100 years when all the scrolls were revealed to replay all generations, the written visions and oracles on the last small part (represented by the seventh plagued angel) of the scroll of life began replaying all generations, the new Earth, and what had been happening. Whatever the seventh plagued angel reveals during the judgment is written by Michael and Gabriel on the last small part of the scroll of life. Also whatever Michael and Gabriel write must thereafter be revealed by the seventh plagued angel and so on. Revelation 5:6 reveals the seventh plagued angel during the judgment of what had already happened in the previous replay

A Lamb came from the throne to denote that the Lamb is written on the seventh plagued angel's visions and oracles. The manifestation of the Lamb from the throne is equated with the time when the latter day messenger's new message was about to dawn from beneath the scroll of life's first seal at the beginning of the last generation. This Lamb represents the spiritual birth (equated with a Lamb) of latter day Solomon's message from beneath the scroll of life's first seal,

which was spiritually born in latter day spiritual Judah (representing the USA). The Lamb that came from the throne had already been slain at the end of the 1260 days, which end three and a half days before the star impacts the land and opens the bottomless pit. The seventh plagues angel had already revealed the Lamb having been slain in the previous replay of the last generation.

It states in Revelation 5:6 that the Lamb has seven horns and seven eyes, which are the seven spirits of God (seventh plagues angel). This Lamb's seven horns illustrate that it has the spiritual strength (horn) to unseal each of the seven seals/bands around the rolled-up scroll of life with each of its seven horns. When each horn removes each seal, the Lamb is able to see and reveal the exposed written little vision beneath each seal with each of its seven eyes. The Lamb's seven eyes means that it can perceive (understand) the meaning of the seven little visions written beneath the seven seals/bands. The seven eyes are as lights that can read the written words beneath seven seals. These words are as seven spirits, written on the seventh plagues angel, that pertain to the written words on the scroll of life.

Revelation 5:7 And HE {being the Lamb that represents the latter day messenger's dawning message revealed from beneath each of seven seals} ***came and took the BOOK*** {scroll of life} ***out of the RIGHT HAND*** {the right hand represents the first witness' visions and oracles that also contain the last witness' visions and oracles} ***of HIM*** {seventh plagues angel} ***that SAT*** {during the judgment} ***upon the THRONE*** {the throne that spread to cover the world in a lake of fire}.

When the Lamb had taken the seven-sealed rolled-up scroll of life (which is the last scroll), the seventh plagues angel had already replayed all past generations according to all the visions and oracles

written on all the other scrolls. This scene of the Lamb in heaven is illustrating the beginning of the last generation of the old Earth when the latter day messenger's new Daily truth message was about to dawn from beneath the first seal of the seven-sealed rolled-up scroll of life.

The vision in Revelation 5:7 was shown to the Apostle John around 90 AD of what had already happened during the judgment in the previous replay. The replay shows the seventh plagued angel's visions and oracles sitting and reigning during the judgment on the great white throne of intense light emanating from the overflowing lake of lava that covered the world.

Revelation 5:8 And when HE {Lamb} had taken the BOOK {scroll of life}, the FOUR BEASTS {representing the first group of redeemed} and FOUR and TWENTY ELDERS {second group of redeemed/144,000} FELL DOWN before the LAMB {the Lamb represents the latter day messenger's message}, having every one of them HARPS {harps to sing the song/prophecy of David/former messenger that the latter day living messenger/latter day Solomon had revealed to them after the resurrection}, and GOLDEN VIALS {gold represents the first witness' spiritual silvery moonlight/visions mixed with the last witness' spiritual coppery sunlight/visions on the scroll of life's last small part} full of ODOURS {sweet fragrance ascending up with the smoke of the opened super volcano}, which are the PRAYERS {that prayed for the fulfillment of the two witnesses' visions and oracles} of SAINTS {four priests/beasts/apostles and 24 elders/disciples of the spiritual temple}.

The Lamb takes the last scroll (scroll of life), then four beasts and 24 elders fall down and worship the Lamb. This vision parallels the time when the people of the first group (represented by these four

beasts) of redeemed and the people of the second group (represented by these 24 elders) of redeemed had resurrected or were alive to learn (spiritually bowed down before) the new song (message/everlasting gospel) of the Lamb.

The four beasts and the 24 elders each have harps and golden censers (vials) full of burning odors of incense, which represent their prayers. When these four beasts and/or 24 elders sing a song on their golden harps during the judgment in heaven, it is equated with the time when after the resurrection they learned a new song (message) to proclaim the everlasting gospel. Latter day Solomon's message spiritually sang (revealed and fulfilled) the prophecies on the scroll of life's first side that latter day David/Elijah should have sung (proclaimed) with his figurative harp (representing the first witness' written predictions/song), just as old David sang his psalms with a harp but were fulfilled by his son King Solomon. Accordingly, after the latter day resurrection, the people of the first group and second group of overcomers sing of latter day Solomon's (latter day Yahshua's/Moses's) everlasting gospel. They will then be prophesying to all nations of the everlasting gospel for five months to ripen a great multitude. After five months, a great multitude will be ripe for harvesting into the ensign of light emanating from the high and lifted-up super volcano's mouth full of an overflowing lake of fire.

The prayers of the overcomers of all generations were answered at the latter day resurrection. not only did they resurrect, but they also learned a new song (message) to proclaim to the great multitude while the super volcano was erupting smoke and ash for five months. The resurrection can not happen until the stone ejected (cut out) of the mountain descends as a great star and opens the bottomless pit. As smoke and ash arise from the opened super volcano at the latter day resurrection, it is equated with the sweet aroma rising with the smoke from their golden bowls as the prayers

of the saints are fulfilled. Thereafter, the overcomers will have learned the new song of the latter day everlasting gospel, as witnessed by the two witnesses' visions and oracles written on the scroll of life. The resurrected overcomers will realize at that time that the resurrection and them learning a new song of the everlasting gospel was because of the sacrifice of the Lamb (latter day message), which happened at the end of the 1260 days of prophesying. At the end of these 1260 days, the two witnesses visions and oracles written on each side (each witness) of the scroll of life were lying totally rejected (dead) because of the earthquake that caused the super volcano to temporarily erupt smoke and ash and then quickly going dormant. For three and a half days of the sign of Jonah, the latter day message (Lamb) of the two witnesses visions and oracles will be lying dead, having seemingly failed when the super volcano became quickly dormant. However, at the end of these three and a half days, the spirit of life enters the two witnesses written visions and oracles, as they rise to begin being fulfilled. The reason for the two witnesses' resurrection from death (total failure) to life is that a stone was ejected (with a great sound of thunder) that fell as a great star to open on impact (earthquake) the bottomless pit (super volcano). From the time of the star's impact, the super volcano will be erupting smoke and ash for five months.

A "golden" vial (bowl) represents the spiritual silvery-blue moon's/bright star's (first witness'/Michael's) light (visions and oracles) mixing (hence simultaneously proclaimed) with the spiritual coppery-red sun's/morning star's (last witness'/Gabriel's) light (written visions and oracles) to create the gold. A golden bowl (vials) having hot coals and burning sweet incense to create odors of sweet smoke represent the mouth of the super volcano when it is erupting smoke and ash for five months. The sweetness of the smoke is equated with the joy (sweetness) of the saints of all generations resurrecting from death to life and learning the everlasting gospel,

according to the latter day Lamb's revealed visions and oracles by the latter day messenger.

Revelation 5:9 *And THEY* {4 beasts/first group and 24 elders/144,000 second group of redeemed} **SUNG a NEW SONG** {this new song/everlasting gospel was learned and sung by the two groups of redeemed after the latter day resurrection}, *saying, Thou art worthy to take the BOOK* {scroll of life}, *and to open the seals thereof: for THOU* {Lamb/message of the latter day living messenger} *wast SLAIN* {totally rejected during the sign of Jonah}, *and HAST REDEEMED* {at the latter day resurrection} *US* {being the 4 beasts/priests, 24 elders} *to God* {seventh plagued angel} *by thy BLOOD* {sacrifice of the message/Lamb} *OUT* {of all generations} *of EVERY KINDRED, and TONGUE, and PEOPLE, and NATION ;*

The vision in Revelation 5:9 is revealing the time when the super volcano had erupted smoke and ash after the 3½ days of the sign of Jonah. During these 3½ days, the Lamb (message of the two witnesses' written visions and oracles) was sacrificed and lying dead (totally rejected). After these 3½ days, the latter day resurrection happened when the overcomers of every kindred, tongue, people and nation rose from the dead. They will have then learned a new song of the everlasting gospel to prophesy and gather a great multitude from all nations. The four beasts (priests/first group of redeemed) and 24 elders (second group of redeemed) will have been redeemed to God (hence written on the seventh plagued angel's visions and oracles as overcomers) because of the prophesying for 1260 days, which ended with the sacrifice (blood) of the message (slayed Lamb).

From the time of the latter day resurrection, all the resurrected and living overcomers of the first group of redeemed and second group of redeemed will have learned a new song (message) concerning the

everlasting gospel. This new song will have then been proclaimed throughout the world's nations to gather a great multitude when the super volcano's immense 40-mile wide mouth is erupting smoke and ash.

Revelation 5:10 *And hast made US* {the “us” being the 4 beasts/first group and 24 elders/second group of redeemed} **unto our God** {God/seventh plagues angel's written visions and oracles} **KINGS** {being the elders on thrones with crowns ruling over the lava covered dissolved kingdom of latter day Babylon} **and PRIESTS** {being the four beasts that are typified by the four sons/priests of Aaron}: **and we SHALL REIGN** {they shall reign in the next replay of all generations, just as they reigned in the previous replay of all generations} **on the EARTH** {land of the lava covered dissolved USA}.

At the end of the 1260 days (when the 2300-day period also ends), the Lamb (message revealed from the two witnesses' written visions and oracles) will have been killed (totally rejected). The reason for the two witnesses' death is that the super volcano temporarily erupts smoke and ash and then goes dormant. At that time, it seems that the written predictions of the two witnesses concerning the fall of latter day Babylon's kingdom end in total failure. Accordingly, it will seem to the leaders and kingdom of latter day Babylon that the two witnesses' predictions written on the scroll of life are to be given no more mind or respect. However, after 3½ days have passed of the sign of Jonah, the super volcano will suddenly eject a huge stone high into the atmosphere, which descends as a burning star to open the super volcano on impact. The star's impact causes smoke and ash to erupt for five months from the super volcano. At the time of the eruption of smoke and ash, the two witnesses' seemingly failed visions and oracles (Lamb) revive to life as the latter day

resurrection happens. From that time, the Lamb (message of the latter day living messenger) will have made all resurrected and living overcomers of every generation priests (represented by the four beasts/first group of redeemed) and kings (represented by the 24 elders/second group of redeemed).

During the judgment that is presently happening, the seventh plagued angel has been replaying all generations over and over. Accordingly, the seventh plagued angel has shown from the last scroll's (scroll of life's) written visions and oracles how the four beasts and twenty four elders became kings and priests and reigned over the lava covered kingdom of latter day Babylon.

Revelation 5:11 And I BEHELD {visions/lightnings}, ***and I HEARD*** {oracles/thunders} ***the voice of MANY ANGELS*** {that represent the third group of redeemed/great multitude of messengers/angels of all nations standing within new Jerusalem's ensign} ***round about the THRONE*** {the great white throne of intense light emanating from the lifted-up to heaven super volcano that spread to cover the world} ***and the BEASTS*** {priests/first group of redeemed} ***and the ELDERS*** {second group of redeemed}: ***and the NUMBER of THEM*** {many angels being the third group of redeemed/great multitude} ***was TEN THOUSAND TIMES TEN THOUSAND, and THOUSANDS of THOUSANDS;***

The Apostle John saw (vision) and heard (oracle) the voice of the many angels. These many angels in Revelation 5:11 represent latter day people that are of all nations and generations. The third group will have been redeemed from all nations and generations from the time the star's impact caused smoke and ash to erupt for five months from the super volcano in the fallen USA. At the time of the star's impact, the resurrection to life and health of all people that died in all generations will have happened. From all people living after the

latter day resurrection, many angels (messengers/third group of redeemed) will have accepted and also proclaimed the everlasting gospel (new song), after it was initially proclaimed by the first group (4 beasts/12,000) and second group (24 elders/144,000) during a time when smoke and ash are erupting for five months from the super volcano. After five months of smoke and ash, the great multitude of angels (messengers) will have traveled to the ensign to enter and stand within new Jerusalem's walls. New Jerusalem's walls are represented by an immense fiery whirlwind with great hailstones. Far off within these walls is the high mountain of the super volcano, overflowing with a spreading lake of fire. The great multitude will have entered the intense light of the ensign, which emanates from the super volcano's immense 40-mile wide mouth full of a lake of fire before it overflows and spreads to cover the world. During the time of the judgment, the third group of redeemed is standing in the outer court within new Jerusalem around the 24 elders, 4 beasts, and the great white throne.

The number of the third group of redeemed is ten thousand times ten thousand ($10,000 \times 10,000 = 100,000,000$) and thousands of thousands ($1,000s \times 1,000s = 99,844,000$). The scroll of life reveals in Revelation 9:16 that there is a total of only 200,000,000 of all three groups of redeemed. Therefore deducting 12,000 of the first group and 144,000 of the second group from 200,000,000, leaves 199,844,000 of the third group of redeemed.

Revelation 5:12 Saying with a LOUD VOICE {loud voice of the many angels/messengers saying}, ***WORTHY is the LAMB*** {representing the message/Lamb of the two witnesses' revealed by the latter day living messenger} ***that was SLAIN*** {during the sign of Jonah} ***to receive POWER, and RICHES, and WISDOM, and STRENGTH, and HONOR, and GLORY, and BLESSING.***

A great multitude of righteous angels is shown standing within new Jerusalem around the great white throne. This great multitude of righteous angels (messengers) is in agreement with the new song they heard the 4 beasts and 24 elders sing in Revelation 5:9 during the end part of the judgment, just as the great multitude were in agreement with the new song (everlasting gospel) that they will have heard and accepted during five months of erupting smoke and ash. Then when the time of great tribulation began, they journeyed quickly and entered the ensign emanating from within the fallen USA. The many angels (great multitude) will say, during the judgment, that the Lamb (message of the latter day living messenger) is worthy to receive power over latter day Babylon's nations, riches of latter day Babylon's fallen kingdom, wisdom of the two witnesses' written visions and oracles, strength to open the seven seals, honor of all peoples, the glory of the nations, and the blessing of the redeemed.

Revelation 5:13 And EVERY CREATURE {representing the rebellious people of all generations that had manifested at the beginning of the judgment to appear outside new Jerusalem to view the things being revealed and happening during the judgment} ***which is in HEAVEN*** {being the area of the high and lifted-up to the sky super volcano that spread to cover the world in a lake of lava}, ***and on the EARTH*** {rebellious people in the USA living just before the latter day living messenger's new Daily truth dawned from beneath the first seal}, ***and UNDER the EARTH*** {rebellious people that died/buried under the USA's land during all past generations before the latter day living messenger's new Daily truth dawned from beneath the first seal}, ***and such as ARE*** {rebellious dead or rebellious living before the latter day living messenger's new Daily truth dawned from beneath the first seal} ***in the SEA*** {representing latter day Babylon's kingdom}, ***and all that are in them, heard I***

SAYING {are saying as the rebellious people are outside new Jerusalem as the many creatures during the judgment}, **Blessing, and honour, and glory, and power, be unto HIM** {seventh plagued angel, who during the judgment has been replaying over and over all generations, time of the new Earth, and what has been happening during the judgment} **that sitteth upon the THRONE** {the great white throne of intense light above the overflowing lake of fire from the immense mouth of the high and lifted-up super volcano, which covered the dissolved kingdom of latter day Babylon and world in a lake of fire}, **and unto the LAMB** {message of the latter day living messenger} **for ever and ever.**

At the latter day resurrection, the people that lived in each generation will resurrect to life and health to be living when smoke and ash begin erupting from the super volcano in the USA. During the five months of erupting smoke and ash, every living person will have an opportunity to accept the everlasting gospel and later enter new Jerusalem before fire (lava) flows down from the high and lifted-up super volcano to consume all people that had not entered the ensign.

Daniel 12:2 *And many of them that sleep* {being dead} *in the dust of the earth shall AWAKE* {latter day resurrection}, **SOME** {overcomers} *to everlasting life, and SOME* {that awoke but refused to believe the everlasting gospel} *to shame and everlasting contempt* {according to a person's works, as revealed by the seventh plagued angel during the judgment}.

During the judgment, a multitude of rebellious people (being referred to as creatures) have appeared to stand round about outside new Jerusalem. These rebellious people are of all generations. They had appeared at the beginning of the judgment to review (judge) the two witnesses' visions and oracles written on each scroll and last scroll (scroll of life). Near the end of the judgment, the last small

part (represented by the seventh plagued angel) of the scroll of life will reveal what happened from the time the swelled to heaven super volcano's immense mouth was filling with a lake of fire, the new Earth, and what happened during the initial 1,100 years of the judgment when all scrolls were revealed consecutively to replay the first generation through the last generation and the judgment. Whatever is being revealed during the judgment is being written continually on the last small part of the scroll of life. Also whatever is written on the last small part of the scroll of life must be revealed continually. Therefore each time when each scroll is revealed consecutively each generation is being replayed from Genesis through the last generation. Accordingly, when the Lamb takes the seven-sealed scroll (last scroll) and is about to open it to reveal what happened in the last generation, the new Earth, and what happened through the judgment, all the other scrolls had already been opened and replayed all past generations.

The Lamb took the rolled-up seven-sealed scroll from the hand of the seventh plagued angel. This is equated with the time when the last generation is about to be replayed. The Lamb is ready to open the scroll, just as the latter day living messenger was about to reveal the dawning of the Daily new truth from beneath the first seal.

All the rebellious creatures in heaven will have been the ones that were living on the Earth (USA's land) and dead under the Earth (USA's land) and in the sea (representing latter day Babylon's kingdom) just before the latter day messenger's message (Lamb) of light began to dawn from beneath the first seal.

The creatures (rebellious people) around new Jerusalem during the judgment hear the praises sung by the 4 beasts, 24 elders, and great multitude of righteous angels (messengers) concerning the Lamb. During the initial 1,000 years of the judgment, all these creatures first witnessed the Lamb opening each scroll as each past generation

was revealed from Genesis to the beginning of the last generation. Then at the end of the initial 1,000 years of the judgment, these creatures see the Lamb taking the last scroll (scroll of life) from the hand of the seventh plagues angel ready to replay the last generation. When the Lamb took the last scroll, these creatures had at that time also agreed with the praises said by the 4 beasts, 24 elders, and many righteous angels concerning the seventh plagues angel sitting on the throne and the Lamb. Accordingly, the creatures said that the seventh plagues angel sitting on the throne and the Lamb are worthy to receive blessing, honor, glory, and power for ever and ever. During each replay when the Lamb is shown taking the last scroll (scroll of life) to replay the last generation, the creatures are also shown each time saying the blessings that they originally said at the end of the 1,000 years of the judgment.

Revelation 5:14 And the FOUR BEASTS {representing the first group of redeemed} ***said, Amen. And the FOUR and TWENTY ELDERS*** {second group of redeemed} ***FELL DOWN and WORSHIPPED HIM*** {seventh plagues angel's visions and oracles} ***that liveth for ever and ever.***

The four beasts say Amen (meaning it is true/amen) to the praises which the creatures declared concerning the seventh plagues angel sitting on the throne and the Lamb. When the 4 beasts said amen, the 24 elders fell down on bent knees and worshiped the seventh plagues angel's visions reigning over latter day Babylon's dissolved kingdom. The seventh plagues angel's visions and oracles live forever and ever. The reason is as the seventh plagues angel reveals its visions and oracles that replay all generations, new Earth, and time of the judgment, Michael and Gabriel write continually on the last small part of the scroll of life what the seventh plagues angel is revealing. Also what ever is being written must thereafter be

revealed by the seventh plagues angel, just as whatever is revealed by the seventh plagues angel is continually written by Michael and Gabriel to be thereafter revealed by the seventh plagues angel and so on. Hence the seventh plagues angel lives for ever and ever.

The 24 elders bowed down to educate the creatures what to do when they are in agreement with the praises that are sung to the Lamb and the seventh plagues angel, sitting and reigning on the great white throne over latter day Babylon's lava covered dissolved kingdom. The Lamb took the scroll of life during the judgment, ready to unseal its written visions and oracles to replay what happened in the last generation. At that time during the judgment, the creatures standing outside round about new Jerusalem bowed down on bent knees while declaring that God's (seventh plagues angel's) judgment was just (as a straight line), true, and right (straight up and down).

The righteous people in every generation overcame and were saved because they believed the living messenger's warnings. In contrast, the rebellious leaders and their nation's people (that were in agreement with their leaders that rejected, persecuted, punished, imprisoned, and most times killed the messenger's and many of their followers) had the messenger's warnings fulfilled upon them. In the last generation, the latter day living messenger's message warns of the imminent arrival of a falling star's impact opening the super volcano in the USA, releasing plagues of darkness, anarchy, famine, and then death by an overflowing lake of fire on the land. The people that believe his message will be saved from these plagues and will be within new Jerusalem as overcomers of this world's many deceptions. The latter day rebellious people that reject the latter day messenger's message will end up in a flowing lake of lava that spreads from the high and lifted-up super volcano's immense 40-mile wide mouth in the USA to cover the world. These rebellious people will have been adversaries against the latter day living messenger's message and against those who believe his message.

Presently during the judgment, the seventh plagues angel's written visions and oracles are reigning over the lava covered dissolved kingdom of latter day Babylon, while the rebellious people are outside new Jerusalem agreeing on bent knees (fulfilling Isaiah 45:23) that the seventh plagues angel and Lamb are worthy of receiving praises of blessing, honor, glory, and power.

Isaiah 45:23 *I* {seventh plagues angel} *have sworn by MYSELF* {because Michael and Gabriel speak simultaneously as one person from the visions and oracles written on the seventh plagues angel}, *the word is gone out of MY* {seventh plagues angel's} *mouth in righteousness, and shall not return* {unfulfilled}, *That unto ME* {seventh plagues angel's written visions and oracles as witnessed by the two witnesses} *every knee shall bow, EVERY TONGUE SHALL SWEAR* {during the judgment, every tongue will say/swear with an oath while on bent knees that the seventh plagues angel's revealed visions and oracles are just and true}.
