

Chapter 6

Revelation 6:1 *And I saw when the LAMB* {the Lamb represents the message revealed from the seven-sealed scroll by the latter day living messenger} **OPENED** {opened the scroll of life with the Lamb's first horn} **ONE** {being the first of seven seals} **of the SEALS** {one of the bands/seals around the rolled-up seven-sealed scroll of life}, **and I heard, as it were the noise of THUNDER** {caused by the explosion of the huge stone from the bottomless pit/super volcano}, **ONE** {being the beast with the face of an eagle} **of the FOUR BEASTS saying, COME and SEE** {see what is written beneath the first seal}.

A sound of thunder was heard when the Lamb removed the first of seven seals with the first of his seven horns. The sound of thunder is created by the explosion of a huge stone from the super volcano. This huge stone falls like an arrow to the Earth burning as a great star, which happens at the end of the three and a half days of the sign of Jonah. After the Lamb removed the first seal with a horn, he could then see with his first of seven eyes the little written vision that was previously hidden beneath the first seal. The vision in Revelation 6:1 is being shown from the last small part (represented by the seventh plagued angel) of the last scroll (scroll of life) later in the judgment, which is replaying what happened at the end of the initial 1,000 years of the judgment when the scroll of

life began to be unsealed to replay what happened in the last generation, new Earth, and time of the judgment.

When the seventh plagued angel's visions and oracles revealed the Lamb removing the first seal in Revelation 6:1, it is equated with the time when the latter day living messenger's new Daily truth message dawned from beneath the first seal of the scroll of life at the beginning of the last generation. Some time thereafter, when latter day Babylon began to reign during its first of three reigning periods, the latter day living messenger began to reveal his message written beneath the first seal to the kingdom of latter day Babylon.

Revelation 6:2 And I {Apostle John} ***SAW*** {a vision}, ***and behold a WHITE HORSE*** {illustrating a written oracle that speaks of the glowing wind/white horse that carries the star/rider out of the bottomless pit and into the atmosphere to fall upon the land}: ***and HE*** {vision of a star written on the scroll of life} ***that sat on HIM*** {white horse} ***had a BOW*** {as the rider/star ascends from the super volcano to fall like an arrow on the land}; ***and a CROWN*** {a reigning crown of life to rule over the USA} ***was GIVEN*** {from the seventh plagued angel's visions and oracles} ***unto HIM*** {the impacted star}: ***and he went forth CONQUERING, and to CONQUER*** {the impacted star's effects go forth to conquer, whereby the star's final effect of erupting magma from the bottomless pit receives

all the crowns of all remaining heads/capitals and horns/nations of the world}.

The written vision beneath the scroll of life's first seal shows a rider on a white horse. The white horse represents the written oracle that speaks from the scroll of life's first seal. The rider represents the star exploding from the bottomless pit to fall as a burning star upon the USA's land. Its impact creates an earthquake. This earthquake is the key that causes the super volcano (bottomless pit) to open and erupt smoke and ash for five months in the USA. The rider has a bow because the burning stone explodes from the super volcano and falls to the land, just as arrow is shot into the sky to descend on its target. The rider (star) is riding a white horse that is equated with the brightly glowing wind (represented by the white horse) around the burning star.

In Revelation 6:2, the rider (star) is given an initial crown of the latter day ruling "great city" (USA's ruling capital) of confusion; thereby, becoming king over the USA. From that time, the effects of the rider (star's impact) on his white horse (brightly glowing wind) go forward and make the white horse red with blood. Thereafter, the blood covered white horse becomes black by the thick black smoke, and then the white, red, and black colors of the rider's horse mixed together create a pale-colored horse. The rider on his pale-colored horse rides to conquer all remaining nations and take their reigning crowns. He is

also king over all the armies of hailstones of ice and ejected coals of fire (lava).

Prior to the star's impact, the latter day messenger revealed his message of the rider on the white horse. The first latter day group of spiritual priests believed the message during latter day Babylon's first reigning period.

Revelation 6:3 And when HE {Lamb} had OPENED {with his second horn} the SECOND SEAL {band}, I heard the SECOND BEAST {whose face is of a lion} say, Come and see.

From around the outside (first side) of the rolled-up scroll of life, the Lamb removed the second seal (band) with its second horn. The Lamb was then be able to look, with his second eye, at the written second part beneath the second seal.

Revelation 6:4 And there WENT OUT {went out a vision from beneath the removed second seal} another HORSE {representing the impacted star's/rider's effect/horse} that was RED {hence the white horse is now covered in red blood}: and power was given to HIM {impacted star in the USA} that sat thereon to TAKE PEACE {that existed before the star's impact} from the EARTH {land of the

USA}, *and that THEY* {cities and states of the fallen USA} *should KILL ONE ANOTHER: and there was given unto HIM* {rider/impacted star} *a GREAT SWORD* {which refers to the two witnesses' visions of what they witnessed concerning a terrible time of anarchy}.

The written vision beneath the scroll of life's second seal shows a rider on a red horse. The red horse represents the written oracle that speaks from the scroll of life's second seal.

The white horse is now the color of red, having been made red by the sword of anarchy wielded in the hand of the rider with blood stained garments. This happens when a star (rider) falls upon the USA and causes the super volcano to erupt smoke and ash for five months. Darkness will slowly spread to cover the USA during five months of erupting smoke and ash. Throughout these five months, anarchy will progressively worsen. At the end of these five months of smoke and ash, there will then be a terrible time of anarchy. Lawlessness shall then prevail in the land, as the governmental infrastructure collapses.

A time of peace will have become a time of survival for the cities and states, as the rider's white garment and white horse become stained with the red blood of his slaying sword of anarchy, which he will have been given after impacting the USA and opening the super volcano. At the

end of five months of smoke and ash, neighbor will be against neighbor, brother against brother (see Isaiah 9:19). Full-blown anarchy will prevail in the fallen USA. One state (tribe/brother) shall plunder (consume) the provisions (flesh) of a brother state (see Isaiah 9:20, 21). Hence, many people who reject the present truth message of the everlasting gospel will instead remain in the USA to be literally slaying each other (see Revelation 6:4). Accordingly, they will be spilling each others' red blood (hence the red color of the horse) with the figurative sword of anarchy.

Isaiah 9:19 *Through the wrath of the LORD* {seventh plagued angel} *of HOSTS* {great hailstones} *is the LAND* {of the USA} *DARKENED* {by smoke and ash having issued for five months from the opened bottomless pit/super volcano}, *and the PEOPLE* {who refused to accept the everlasting gospel} *shall be as the FUEL OF THE FIRE* {flowing lava}: *no MAN* {representing a tribe/state} *shall SPARE* {hence a terrible time of anarchy} *his BROTHER* {representing a tribe/state within the same nation}.

9:20 *And HE* {representing a nation/people} *SHALL* {five months after the star's impact} *snatch on the right hand, and be hungry; and he shall eat on the left hand, and they shall not be satisfied: they shall eat every MAN* {referring to every nation} *the FLESH* {provisions} *of his OWN*

ARM {the spiritual arm/tribe/state in the same nation}:

9:21 *Manasseh, Ephraim; and Ephraim, Manasseh: and they together shall be against Judah. For all this HIS* {seventh plagues angel's visions and oracles} *anger is not turned away, but his HAND* {the right hand/first witness that also reveals the last witness} *is STRETCHED OUT STILL* {bringing plagues on the fallen USA, as old Moses summon plagues by continually stretching out his hand over the land of Egypt}.

As a lion's head devours its prey with its mouth, so the time of anarchy – as prophesied by the latter day messenger's message concerning the rider on his red horse – will destroy one part of rebellious people in the USA. At the end of five months (see Revelation 9:5) of smoke and ash, full blown anarchy will be slaying many of the rebellious in the USA and then in all other nations. At the end of these five months, a lake of fire will fill the huge 40-mile wide mouth of the swelled to heaven super volcano, as if it were issuing out of a lion's mouth and carried by the red horse (hot wind). As the lake of fire overflows and spreads throughout the world, it will then bring a terrible time of the sword of anarchy upon all nations of the rebellious people that rejected the everlasting gospel and remained in their nation (see Ezekiel 38:21).

Ezekiel 38:21 *And I will call for a SWORD* {pertaining to

anarchy} *against HIM* {latter day Babylon/USA}
throughout all MY {seventh plagues angel's}
MOUNTAINS {in the fallen USA is where new Eden of
the new Earth will be situated}, *saith the Lord GOD*
{seventh plagues angel}: *every man's SWORD* {during a
time of anarchy} *shall be against his brother.*

Revelation 6:5 ***And when HE*** {Lamb} ***had OPENED***
{with his third horn} ***the THIRD SEAL*** {band}, ***I heard***
the THIRD BEAST {whose face was like a
human/locust} ***say, Come and see. And I beheld, and lo a***
BLACK HORSE {representing darkness that brings
hunger, caused by erupting black smoke and hot ash from
the opened super volcano}; ***and HE*** {the rider
representing the impacted star's effects} ***that sat on HIM***
{the blood covered white horse now made black by thick
black smoke covering the land} ***had a PAIR of***
BALANCES {the right side of the balance is of the first
witness' visions and oracles that reveal a time of hunger,
while the left side of this same balance is of the last
witness' visions and oracles that reveal the same time of
hunger} ***in HIS*** {rider's} ***HAND.***

The Lamb removed the third seal (band), from around the
rolled-up scroll of life, with his third horn. This exposes
more of the writings on the rolled-up scroll of life's
outside. He was then able to see, with his third eye,

another little part (dawning) written on the rolled-up scroll of life's third part. This little vision was previously hidden beneath the third band.

The written vision beneath the scroll of life's third seal shows a rider on a black horse. The black horse represents the written oracle that speaks from beneath the scroll of life's third seal. This third horse represents the message equated with the beast whose face resembled a man/locust. Its color of black refers to the dark days that cause famine of food in the land of the false prophet/USA (see the past type in Lamentations 4:7-10; Zechariah 14:16-19).

Lamentations 4:7 *Her {old Jerusalem's} Nazarites were purer than snow, they were whiter than milk, they were more ruddy in body than rubies, their polishing was of sapphire:*

4:8 *Their visage {during the siege against old rebellious Jerusalem} is blacker than a coal; they are not known in the streets: their skin cleaveth to their bones; it is withered, it is become like a stick.*

4:9 *They that be slain with the SWORD {quick death} are better than they that be slain with hunger: for these pine away, stricken through for want of the fruits of the field.*

4:10 *The hands of the pitiful women have sodden their own {dead} children: they were their meat in the*

destruction of the daughter {referring to old rebellious Jerusalem} *of my people*

Zechariah 14:16 *And it shall come to pass, that EVERY ONE* {every person of the third group of redeemed} *that is left of all the nations which came against* {new} *Jerusalem* {representing the first group and second group of redeemed who after the star's impact proclaim the everlasting gospel to gather a great multitude of people} *shall even GO UP* {to the lifted-up super volcano whose mouth is full of a lake of fire} *from year to year* {in the time of judgment} *to worship the King* {seventh plagued angel revealing the first witness' visions and oracles}, *the LORD* {seventh plagued angel revealing the last witness' visions and oracles} *of HOSTS* {great hailstones}, *and to keep the FEAST OF TABERNACLES* {referring in our day to the time when the great hailstones/eagles are feasting on the fallen USA}.

14:17 *And it shall be, that whoso will not come up of all the families of the earth unto* {new} *Jerusalem* {which represents the time when the intense light of the ensign is seen high above the lifted-up super volcano's immense 40-mile wide mouth full of an overflowing lake of fire within the fallen USA} *to worship the King* {seventh plagued angel according to what the first witness had seen and heard happen}, *the LORD* {the seventh plagued angel according to the what the last witness had seen and heard happen} *of HOSTS* {hosts of great hailstones}

raining on the fallen USA}, *even upon THEM* {other nations} *shall be NO RAIN* {which is equated with a time of famine in other nations when the lake of lava is overflowing from the immense mouth of the lifted-up to heaven super volcano in the fallen USA}.

14:18 *And if the family of Egypt go not up, and come not, that have no rain; there shall be the plague, wherewith the LORD* {seventh plagues angel's visions and oracles} *will smite the heathen that come not up to keep the feast of tabernacles.*

14:19 *This shall be the punishment of Egypt* {referring to latter day spiritual Egypt/union of nations}, *and the punishment of ALL NATIONS that come not up to keep the FEAST OF TABERNACLES* {which begins from the time great hailstones are feasting on the fallen USA}.

14:12 *And this shall be the plague wherewith the LORD* {seventh plagues angel} *will smite all the people that have FOUGHT* {with the final message/everlasting gospel} *against* {new} *Jerusalem* {representing all three groups of redeemed during the time the lake of lava is filling the immense mouth of the lifted-up super volcano}; *Their flesh shall consume away* {because of hunger} *while they stand upon their feet, and their eyes shall consume away in their holes* {because of hunger}, *and their tongue* {which spoke against the new message} *shall consume away in their mouth* {which takes place

during a time of famine in all nations because of the lake of fire overflowing and continually spreading from the immense mouth of the lifted-up to heaven super volcano}.

The face of a locust that resembles a human with lion's teeth illustrates the plague of smoke and hot ash. Smoke and hot ash are released from a super volcano's mouth when it is opened by a star's impact in the USA. When this plague of smoke with hot sticky ash is being accomplished, the open mouth of the land shall destroy (eat) all agriculture (see Revelation 9:2, 3). Thick smoke will envelop the USA in thick darkness while hot ash descends to eat agriculture. Without sunlight, all other plant life will quickly die in the land. At that time, the sun, moon, and stars over the USA will be veiled with thick smoke (see Ecclesiastes 12:2; Isaiah 60:2; Joel 2:31). Thereafter, when the lifted-up super volcano's immense mouth full of a continually overflowing and spreading lake of fire causes a huge whirlwind of fire, which spawns thousands of smaller whirlwinds (tornadoes) of fire. The whirlwinds of fire with the spreading lake of fire will draw-in all surrounding moisture, which causes a serious drought to spread throughout the world.

Ecclesiastes 12:2 *While the sun, or the light, or the moon, or the stars, BE NOT DARKENED {by smoke and ash issuing out of the opened bottomless pit/super volcano}, NOR THE CLOUDS RETURN {time of drought/famine*

because of the fiery whirlwinds and spreading lake of fire} *after the rain:*

Isaiah 60:2 *For, behold, the DARKNESS* {equated with the vision of the rider on his black horse that represent the black darkness in the fallen USA, created by smoke and ash issuing for five months from the opened super volcano} *shall cover the earth* {land}, *and gross darkness the people: but the LORD* {seventh plagued angel's visions} *shall arise upon thee, and HIS GLORY* {when prophesying of the intense white glorious light that will be emanating from the lake of lava in the immense mouth of the high super volcano} *shall be SEEN UPON THEE* {when the overcomers of all generations proclaim the final message concerning the ensign and thereafter enter the glorious light of the ensign}.

Joel 2:31 *The SUN shall be turned into DARKNESS, and the MOON into BLOOD* {hence the literal moon's light is dead/figuratively blood when it is veiled by thick smoke and ash after having issued from the opened super volcano}, *before the great and the terrible day come* {when magma explodes and fills the immense mouth of the swelled to heaven bottomless pit/super volcano in the fallen USA} *of the LORD* {seventh plagued angel's visions and oracles}.

The rider with blackened face and clothing represents the black smoke and ash issuing from the opened super

volcano. The black horse represents the air/wind that carries the blackness and the ash from the super volcano's mouth. The “scales” in the rider’s hand refer to the two witnesses' combined written visions and oracles that reveal the same dark days of famine, as written beneath the third seal {third band} of the scroll of life.

Before the time the ejected stone falls as a great star to open on impact the super volcano, the latter day messenger's present truth message will have been revealed to the USA and other Christian nations from what is written beneath the scroll of life's six seals, then repeated by six angels with trumpets written on the scroll of life's seventh part, and finally repeated by six lights and six thunders written on the seventh angel with trumpet.

The present truth message states that the star (rider) will fly high into the sky from the super volcano. It will then descend on the land and open the gates of hell (super volcano) to resurrect (release) its armies (smoke and ash) to encompass in darkness the land of latter Babylon, which parallels the time of the latter day resurrection of all overcomers of every generation. All dead peoples of every generation will also resurrect to life and health when smoke and ash begin issuing from the super volcano.

The initial five months of torment (see Revelation 9:5) begin when the ejected star (rider on white horse) falls

upon the land. A tormenting time of famine will be brought to the land, as symbolized by the scales that weigh grains in the rider's hand. Before that time, the latter day messenger's message of the blackened rider on his black horse will have been sold as spiritual grains of barley and sold as spiritual grains of wheat. Spiritual grains of barley represent the scroll of life's words that will have written of the believers that became the first latter day group of redeemed before the star's impact. Spiritual grains of wheat represent the scroll of life's words that will have written of the believers that became the second latter day group of redeemed before the star's impact. All nations of Christendom that refuse to purchase (by selling their old beliefs) the new knowledge – grains of wheat and barley – pertaining to latter day Solomon's message are spiritually starving to death. After a huge ejected stone from the super volcano falls as a great star and opens the super volcano on impact, many in the land will begin being tormented by hunger.

Revelation 6:6 And I heard a VOICE {of the seventh plagued angel} ***in the midst of the four beasts say, A*** {one} ***MEASURE*** {measured/numbered/marked once during the 3½ days of the sign of Jonah at the ending of the sixth light of the seventh angel with trumpet} ***of WHEAT*** {symbolizing the scroll of life's words/spiritual wheat that write of the latter day believers who are of the

144,000 firstfruits/second group of redeemed} *for a PENNY* {referring to old beliefs}, *and THREE MEASURES* {the same true believers of the first group of redeemed are numbered/marked three times: marked once as a believer at the ending of the sixth seal, marked a second time as a believer at the ending of the sixth angel with trumpet, and will be marked a third third time at the ending of the sixth light of the seventh angel with trumpet during the sign of Jonah} *of BARLEY* {barley represents the scroll of life's words/spiritual barley that write of the latter day believers who are of the first group of redeemed} *for a PENNY* {representing old beliefs}; *and see thou HURT NOT* {before the harvest of fruits/great multitude is ripe} *the OIL and the WINE* {to attempt to gather the olives of the oil and the grapes of the wine of the spiritual fruit harvest/great multitude before the super volcano erupts smoke and ash would hurt this unripe harvest of a great multitude/third group of redeemed}.

The latter day living messenger weighs three separate times the first group of overcomers that are of the barley harvest. Each weighing happens 3½ days before each of latter day Babylon's three reigning periods end. The latter day living messenger also weighs the second group of overcomers of the wheat harvest one time. This weighing of the wheat harvest happens during the 3½ days of the sign of Jonah. Latter day Babylon' third reigning period ends at the end of these 3½ days. At the end of these 3½

days, the overcomers will have the spiritual mark, being the same day the super volcano erupts smoke and ash at the star's impact. Before that time, the first group and second group of overcomers will have bought the two witnesses' visions and oracles as revealed by the latter day living messenger. The cost is one penny (denarius), which represents a person's old beliefs.

The first weighing of the first measure of barley for one penny is equated with the adult Israelites that took a lamb (this lamb is equated with the ending part of the sixth seal on which is written the last witness' visions and oracles) or he-goat (this he-goat is also equated with the ending part of the sixth seal on which is written the first witness' visions and oracles) kept it for 3½ days and then killed it and placed its blood (representing the visions and oracles written on the ending part of the sixth seal) on the door's lintel (equated with a person's forehead) of their house (equated with the mind) before the Exodus out of Egypt at the end of these 3½ days. The adult Israelites that believed old Moses' message placed the blood on the lintel. This was done after they believed Aaron's four signs (likened to the first witness' visions written beneath four seals) shown to Pharaoh of old Egypt and after Moses' six signs (likened to the last witness' visions written beneath six seals) were shown to Pharaoh of old Egypt.

The second weighing of barley is equated with the time

when the Israelites were numbered before they entered Canaan after their first wilderness journey. The third weighing of Barley is equated with the time the Israelites were numbered again after they crossed the wilderness for a second time just before they entered Canaan (Promised Land). In the second numbering were the matured children (equated with the wheat harvest) of the Israelites (equated with the Barley harvest). These children became adults during Israel's second wilderness journey of 40 years to Canaan.

The latter day messenger is to not hurt the oil and wine that pertains to the fruit harvest of olives and grapes. Prior to the star's impact opening the bottomless pit, the fruit harvest (equated with the great multitude of all nations) is not ripe for harvesting. When the everlasting gospel is proclaimed to all nations during the time the super volcano is erupting smoke and ash, then the fruit harvest will be ripened with the everlasting gospel. The everlasting gospel will be proclaimed by all overcomers that are of the first group and second group of redeemed of every generation. All of these overcomers are of the barley harvest (representing the first group of redeemed) and wheat harvest (representing the second group of redeemed).

The weighing of the ripened oil and grapes happens at the end of the five months when smoke and ash have finished erupting from the super volcano in the fallen USA. At the

end of these five months, a great earthquake such as never happened will be felt around the world when the immense super volcano swells high-up into the sky and explodes. The explosion causes a deafening sound of thunder, which is referred to as the trumpet being blown to gather the redeemed. The great multitude will feel the massive earthquake in all nations as the trumpet (deafening sound of thunder is blown) and will travel to the intense light of the ensign, which will be emanating from the overflowing magma filled mouth of the lifted-up to heaven super volcano.

The weighing of the ripened olives (olive oil) and grapes (wine) is equated with the children of the Israelites that became adults after the Israelites fought and removed the Canaanites from the old Promised Land.

Revelation 6:7 And when HE {Lamb} had OPENED {with his fourth horn} the FOURTH SEAL {fourth band}, I heard the voice of the FOURTH BEAST {with the face of a calf/Seraph} say, Come and see.

The Lamb removes the fourth seal/band, from around the rolled-up scroll of life, with his fourth horn. This exposes more of the writings on the scroll of life's outside. He was then able to see, with his fourth eye, another little part (dawning) on the rolled-up scroll of life's fourth part. This

little vision was previously hidden beneath the fourth band.

Revelation 6:8 And I looked, and behold a PALE HORSE {the color of this pale horse is attained by mixing the white, red, and black colors of the same horse}: ***and HIS*** {seventh plagues angel} ***NAME that sat on HIM*** {the pale colored horse} ***was DEATH*** {Abaddon}, ***and HELL*** {lake of lava overflowing from the bottomless pit of hell fire/super volcano's mouth} ***FOLLOWED*** {after the seventh angel rose as a great light with exploding magma from the swelled to heaven bottomless pit} ***with HIM*** {seventh plagues angel}. ***And power was given unto THEM*** {rider on his horse that now is the color of all three color of white, red, and black mixed together} ***over the FOURTH PART*** {the fourth part of each state and city} ***of the EARTH*** {referring to the land of the USA}, ***to kill with SWORD*** {spiritual sword of anarchy in the hand of the red-colored rider on his blood covered white horse}, ***and with HUNGER*** {spiritual scales in the hand of the blackened rider on his blackened and blood covered white horse during darkness}, ***and with DEATH*** {by the overflowing lake of lava from the immense mouth of the swelled to heaven super volcano}, ***and with the BEASTS*** {referring to the four beasts/four horses. One beast/horse had the face of an eagle equated with an arrow/burning star; another beast/horse had a face of a

lion equated with a sword/anarchy; another beast/horse had a face of a man/locust equated with scales/hunger; a fourth beast/horse had a face of a calf/Seraph equated with death by fiery whirlwinds/tornadoes during the overflowing lake of fire}, *of the EARTH* {USA's land/earth}.

A small vision of a pale horse and its pale rider is written beneath the fourth seal. This vision and oracle of the pale horse rider contains all the visions and oracles that are written beneath the first seal, second seal, and third seal. Accordingly, the fourth rider on the pale horse is named death because the pale rider and his pale horse bring death when many fiery whirlwinds are spawned from the immense fiery whirlwind around the super volcano's high mountain, overflowing with a lake of fire. Therefore the pale rider and his pale horse bring death: by the rider now with many crowns with bow on the white horse that represent death by ejected coals of fire and great hailstones/arrows, by the same rider but with sword on the red horse that represent death by anarchy, and the same rider but with scales on the black horse that represent death by hunger. The pale horse in Revelation 6:8 is equated with the fourth beast whose face is of a calf/Seraph in Revelation 4:7. As a running bull or ox toss and turn things in their path, so the many fiery whirlwinds will toss and turn and drive out the remaining unconverted Canaanites from the latter day Promised Land (dissolved

USA).

The vision and oracle of the rider on the white colored, blood stained, blackened, and paled horse has the name of Death, which is the same name as Abaddon/Destroyer (see Revelation 9:11). When the star impacts the USA, the rider on the white horse will have one crown as it rules over the fallen USA. When great hailstones are raining upon the fallen USA, the rider on the white horse will have many crowns of all nations.

The USA's cities and states that reject the revealed message of the pale horse and its rider will literally meet Death (pale rider on his pale horse) when the super volcano explodes coals of magma into the sky, causing a great earthquake such as never happened. An overflowing lake of fire from hell (bottomless pit) follows the pale rider and his pale horse. The pale rider is the same rider on the white light, blood stained, darkened, and paled horse.

The pale rider on his pale horse represent fiery whirlwinds that are armed with bow to fire arrows of coals of fire and great hailstones, sword of anarchy, and scales of famine. These instruments in the pale rider's hand are prophesied to be fulfilled according to what the two witnesses have already seen happen and wrote on the scroll of life. As predicted, destruction will come upon rebellious people who failed to overcome their old beliefs when these figurative instruments are initially fulfilled as plagues on the USA.

Beneath the fourth seal are all the messages written beneath the first seal, second seal, and third seal. Hence this fourth part, on which is written the pale horse rider, will effect all of the USA's states and cities that are afflicted as described by the visions and oracles written beneath four of seven seals on the scroll of life's first side. These states and cities start being tormented when the star (being a stone shot out of the mountain to fall on the land like an arrow fired from a bow) opens a super volcano, which then erupts smoke and ash for five months. In that time, the impacted star's great sword of anarchy and balances of famine will be loosed on the wounded states and cities. At the end of these five months, the pale rider named death (Abaddon) on his paled horse is fulfilled, as the super volcano swells to the sky and explodes coals of fire, causing a great earthquake such as never happened, followed by an overflowing lake of fire in the super

volcano's mouth. At that time, an immense whirlwind of fire materializes around the lifted-up super volcano and spawns many whirlwinds of fire, as coals of fire and great hailstones rain upon the ruined USA.

***Psalm 68:17** The chariots {whirlwinds/tornadoes} of God {seventh plagues angel} are twenty thousand, even thousands of angels {being messengers/angels that are of the first group of 12,000 redeemed and of the second group of 144,000 redeemed}: the Lord {seventh plagues angel reigning on the lifted-up immense mouth overflowing with a lake of fire from the super volcano} is among them, as in Sinai, in the holy place {the holy place represents the immense mouth filled with an overflowing lake of fire from the super volcano}.*

At this time prior to a star's impact in the USA, the people in the USA and surrounding nations are being warned of the imminent star's impact opening the super volcano in the USA, a terrible time of anarchy, and a terrible time of famine. Following the pale horse rider (representing great fiery whirlwinds) is death by an overflowing spreading lake of lava from hell (bottomless pit/super volcano).

Before the destined star impacts the USA and opens the bottomless pit, any person living in the last generation that has an ear to hear will believe what is being revealed, overcome their old beliefs, and be ready for the sign of Jonah that happens three and a half days before the super

volcano continually erupts smoke and ash for five months. Then after the super volcano erupts smoke and ash continually, all overcomers of all generations will be living in the last generation to learn a new song (everlasting gospel), which they begin proclaiming with the power of the holy Spirit to all nations after the new day of Pentecost.

Revelation 6:9 And when HE {Lamb} had OPENED {with his fifth horn and saw with his fifth eye} ***the FIFTH SEAL*** {band}, ***I*** {Apostle John} ***SAW UNDER THE ALTAR*** {golden altar of incense in the temple's holy place} ***the SOULS of THEM*** {the latter day dead overcomers are written on the initial four parts of the scroll of life's first side where the four riders and four horses of the first witness' visions and oracles are written} ***that were SLAIN for the WORD*** {written words beneath four seals} ***OF GOD*** {seventh plagued angel}, ***and for the TESTIMONY*** {pertaining to what is testified from beneath four seals} ***which they held:***

The Lamb removes the fifth seal/band, from around the rolled-up scroll of life, with his fifth horn. This exposes more of the writings on the rolled-up scroll of life's outside. He was then able to see, with his fifth eye, another little part (dawning) on the rolled-up scroll of life's fifth part. This little vision was previously hidden

beneath the fifth seal/band.

Beneath the fifth seal is written the visions and oracles that are written beneath the previous four seals, just as everything that was created in four days of Genesis could all be seen on the fifth day of Genesis. Beneath these four seals are the visions and oracles of what was witnessed by the first witness and last witness. The visions and oracles that are written by the first witness end on the fifth seal, just as there were only four evenings of the first week of Genesis when something was created. The reason for this is that the first witness' visions and oracles writes of the latter day people who believed the visions and oracles revealed from beneath four seals but died before they could be sealed at the ending of the sixth seal. This is what happened in every generation as written beneath each scroll's five seals.

Since the seventh plagued angel (representing the last small part of the scroll of life) contains all the visions and oracles written on all the scrolls, it means the seventh plagued angel borrowed from past events that are written on the scrolls to construct the visions and oracles that were shown and told to the Apostle John in 90 AD, which he wrote in the Book of Revelation. Accordingly, the vision in Revelation 6:9 is based on past types that happened to messengers and their apostles that were slain for believing and proclaiming the then present new truth of the two witnesses.

The people who die and are written as believers among the visions and oracles beneath four seals are priests that will officiate in the temple after the resurrection. The reason they are under the altar is that they are dead. however, when the super volcano erupts smoke and ash, then they will resurrect at the same time of erupting smoke and ash. The latter day people that died while believing the latter day messenger's message during latter day Babylon's first reigning period are among the souls under the golden altar of incense, which is located in the holy place of the temple where priests (equated with apostles) enter to officiate. These souls are equated with the four beasts (priests) that stand in the midst of the throne. They are written as overcomers on four parts of the scroll's first side, according to the first witness'/bright star's/spiritual moon's visions and oracles. Hence, they are of the four-winged Cherubs.

The four beasts (priests) with six wings are of Seraphs, written as apostles beneath all six seals (hence the six wings), according to the visions and oracles of the last witness/morning star/spiritual sun. These four six-winged beasts represent part of the temple's foundation. This part of the foundation is finished being built when the latter day resurrection happens. The first witness' messenger plus the apostles written beneath four seals and the last witness' messenger plus the overcomers written beneath six seals equals twelve parts of the foundation, on which

the names of all patriarchs, prophets, and overcomers are written when the star's impact opens the super volcano.

Revelation 6:10 And THEY {dead overcomers} ***cried with a loud voice, saying, HOW LONG, O Lord*** {seventh plagued angel} ***HOLY*** {first witness} ***and TRUE*** {last witness}, ***dost thou not JUDGE and AVENGE OUR*** {referring to the dead overcomers written among the visions and oracles of the four riders and four horses} ***BLOOD*** {death} ***on THEM*** {rebellious people} ***that dwell on the earth*** {land}?

In the latter days, any person that believed the two witnesses' new present truth message, as revealed from beneath four seals by the living messenger, and had died before the end of latter day Babylon's first reigning period ended are among the souls under the altar written on the visions and oracles of four riders and four horses, according to what the two witnesses had witnessed. These souls (spirits) are asking (oracles) how long before the seventh plagued angel judges and avenges the blood (literal and spiritual death) of all martyrs of all generations and the martyrdom of the two witnesses' visions and oracles concerning the rider on his white, red, black, and pale horse.

Revelation 6:11 And WHITE ROBES {representing the bright light of the visions written on the seventh plagued angel} **were GIVEN** {to all people who died in every generation while believing the living messenger's message} **unto every one of them: and it was said unto them, that they should REST** {wait} **yet for a LITTLE SEASON** {at the end of this little season, the star's impact opens the bottomless pit, which is the day of the resurrection for the souls under the altar}, **until their FELLOWSERVANTS** {being disciples written as overcomers on seven lights of the seventh angel with trumpet} **also and their BRETHREN** {being apostles written as overcomers beneath six seals, written as overcomers on six angels with trumpets, and written as overcomers on six lights of the seventh angel with trumpet}, **that should be KILLED as THEY WERE , SHOULD** {should happen before the end of latter day Babylon's first reigning period} **BE FULFILLED.**

The white robes represent the light (visions) written on the seventh plagued angel. When the star impacts the USA and opens the super volcano, the overcomers that died in all generations will resurrect and be spiritually wearing their white robes. These spiritual white robes reveal that their salvation is sure. Accordingly, until the latter day resurrection happens, that is how long the slain and dead overcomers in every generation have to wait until the seventh plagued angel's (God's) visions and

oracles avenge the blood of the dead overcomers on the kingdom of latter day Babylon (confusion).

All the priests (brethren) beneath the altar and all the elders (fellowservants/144,000) in every generation will resurrect to life spiritually wearing their white robes. As the high priest placed sweet smelling odors on the golden altar to create a lot of sweet smelling smoke rising and filling the temple, so when the super volcano erupts smoke and ash the sweet/joyous resurrection happens for the overcomers and all people of every generation. At the joyous resurrection, the works of all overcomers had followed them while they remained literally dead under the figurative golden altar of incense (see Psalms 116:15).

***Psalms 116:15** Precious in the sight of the LORD is the death of his saints.*

***Daniel 12:2** And MANY of THEM {the dead} that sleep in the dust of the earth shall awake, SOME TO EVERLASTING LIFE {overcomers that died believing in a living messenger's message}, and SOME {some of all people that resurrected will not overcome and believe the everlasting gospel} to shame and everlasting contempt.*

***Revelation 6:12** And I beheld when HE {Lamb} had OPENED {with his sixth horn} the SIXTH SEAL {on this sixth seal is also written the visions and oracles*

beneath the previous five seals}, *and, lo, there was a GREAT EARTHQUAKE* {equated with the fourth rider on his pale horse that represents the massive eruption of the super volcano when it swells high into the sky and explodes magma}; *and the SUN* {over the USA} *became BLACK as sackcloth of HAIR* {revealing how the first rider on his white horse opened the bottomless pit/super volcano in the USA, followed by the second rider on his red horse representing anarchy, and then followed by the third rider on his black horse that represents famine}, *and the MOON* {over the USA} *became as BLOOD* {hence the moon is dead/blood when covered by the smoke and ash during a time of anarchy and famine};

The Lamb removes the sixth seal/band, from around the rolled-up scroll of life, with his sixth horn. This exposes more of the writings on the scroll of life's outside. He was then able to see, with his sixth eye, another little part (dawning) on the rolled-up scroll of life's sixth part. This little vision was previously hidden beneath the sixth seal/band.

All the visions and oracles written beneath the previous five seals of the scroll of life are all revealed from beneath the sixth seal, according to what the two witnesses witnessed happening. The Lamb (message of the latter day living messenger) is opening each of the seven seals around the rolled-up scroll of life, which represents the time when the latter day living messenger was revealing

his message from beneath six seals during latter day Babylon's first reigning period.

The rider with one crown on the white horse first represents the star that rides on the glowing white wind (white horse) when shot out of the mountain and falls from heaven to open the bottomless pit. The star's impact in the USA's land opens the bottomless pit (super volcano). The torment of anarchy will begin from the time the super volcano is erupting smoke and ash. At the end of five months of smoke and ash, the rider with one crown on the white horse with bow will have then been given a great sword of anarchy, making his garments and horse red with blood. Smoke and ash will be erupting for five months from the opened super volcano tormenting the USA with famine. By the end of these five months, the sun, moon, and stars over the fallen USA will be totally covered. At the time when total darkness prevails over the fallen USA, the rider and his blood covered white horse will be totally darkened by the darkness of thick black smoke and ash, as death by famine takes hold of the land.

For five months, anarchy and famine and increasing darkness spreading over the land will have been tormenting the USA. Thereafter, when the super volcano swells to heaven and explodes magma into the sky, the rider named death on the pale horse begins being fulfilled. At that time, many whirlwinds of fire materialize while coals of fire and great hailstones with an overflowing lake

of fire brings death by arrows (coals of fire and great hailstones), sword (anarchy), and scales (famine) to the cities and states of the USA.

When the sixth seal (band) was removed by the Lamb in Revelation 6:12, a great earthquake is first described from beneath the sixth seal. This great earthquake, such as never experienced before, happens when the super volcano swells out and up into heaven and explodes (with a deafening sound of thunder) coals of magma into the sky. The massive explosion causes a great earthquake such as never happened. After the massive explosion, a lake of magma will fill the immense mouth of the most high super volcano, which is more than 40 miles wide and long. Thereafter, the lake of fire will continually overflow, as it moves throughout the USA's land as flowing rivers of lava, see Psalms 18:7, Joel 2:10.

***Psalms 18:7** Then the EARTH SHOOK {as the swelled to heaven super volcano explodes magma into the sky} and trembled; the foundations also of the hills moved and were shaken {because of the great earthquake caused by the explosion}, because HE {risen seventh plagued angel from the bottomless pit/super volcano} was WROTH .*

***Joel 2:10** The EARTH {USA's land} shall QUAKE {quakes at the explosion of the swelled to heaven super volcano} before THEM {rivers of lava from the expanding lake of fire}; the HEAVENS {skies above and*

around the super volcano} *shall TREMBLE* {shock waves in the atmosphere/heavens caused by the deafening sound of thunder}: *the SUN and the MOON shall be DARK* {when, after five months, smoke and hot ash have finished erupting from the opened bottomless pit/super volcano}, *and the STARS* {being veiled by smoke and hot ash veiling the sky} *shall withdraw their shining*:

From the first timeline from Genesis through the last generation, the two witnesses had already seen and heard (witnessed) what caused the massive earthquake such as never before happened. The super volcano sits beneath Yellowstone (sulfur-stone) National Park. It is the biggest and most active super volcano in the USA and world. The mouth of the super volcano is more than 40 miles in diameter. During the judgment, the seventh plagued angel's written visions and oracles have shown during each replay of the last generation how the swelled to heaven super volcano exploded coals of fire with tremendous force, which caused the massive earthquake. The deafening sound (thunder) of the explosion of coals of magma high into the atmosphere caused shock waves in the skies.

Each time the first generation is replayed by the visions and oracles written on the seventh plagued angel, Elohiym {seventh plagued angel} is seen telling Adam and Eve to “replenish” the land, as they had done in a previous replay of their generation (see Genesis 1:28). During the replay

of all generations, Elohiym revealed to the prophets what would take place in their generation and the last generation. Hence, from the replay of the first/beginning generation, Elohiym was able to reveal the things that had already happened at the end of this world (see Isaiah 42:9; 46:10). Cain killed Abel in the first timeline. In the replay of that generation, Abel's blood figuratively cried out to Elohiym from the record of what took place in the previous replay of that generation (see Genesis 4:10). Elohiym knew when the flood was going to take place in Noah's replayed generation, since the flood had happened in a previous replay. After the flood, Noah and his sons were also told to replenish the land (see Genesis 9:1). Elisha was able to warn the king of Israel of an ambush made by the Syrians, since the ambush already happened in a previous replay (see 2 Kings 6:8-12). Daniel revealed future events to King Nebuchadnezzar (see Daniel 2:29). The Psalmist wrote of Yahshua's crucifixion – as directed by the seventh plagues angel's spirit – since that event had already happened in Yahshua's generation in a previous replay (see Psalms 22:18; Luke 23:34). Yahshua stated to Peter that in that same night Peter would deny him three times before sunrise (cock-crows). The spirit revealed to Yahshua what Peter was about to do in that night because Peter had already done it in a previous replay of that generation (see Matthew 26:33-35).

Genesis 1:28 *And God* {Elohiym/Michael and Gabriel}

blessed THEM {Adam and Eve}, and God said unto them, Be fruitful, and multiply, and REPLENISH {replenish the Earth, just as they had repopulated the Earth in a previous replay} the earth {land}, and subdue it: and have dominion over the fish of the sea, and over the fowl of the air, and over every living thing that moveth upon the earth.

***Isaiah 42:9** Behold, the former things are come to pass, and NEW THINGS do I DECLARE {future predictions}: BEFORE they spring forth I tell you of them.*

***Isaiah 46:10** DECLARING {hence what God said to the prophets as written in the Bible} THE END {when the overflowing and spreading lake of lava has covered the world} from THE BEGINNING {first generation of Genesis}, and {predicting} from ancient times the things that are not yet done, saying, My counsel shall stand, and I {seventh plagues angel} will do all my pleasure:*

***2 Kings 6:12** And one of his servants said, None, my lord, O king: but Elisha, the prophet that is in Israel, telleth the king of Israel the words that thou speakest in thy bedchamber.*

***Psalms 22:18** THEY {Roman soldiers} PART MY {Yahshua's/Jesus'} GARMENTS among them, and CAST LOTS upon my vesture.*

***Daniel 2:29** As for thee, O king {Nebuchadnezzar), thy*

thoughts came into thy mind upon thy bed, what should COME TO PASS HEREAFTER {future predictions}: and HE {Gabriel} that revealeth secrets maketh known to thee what shall come to pass.

Luke 23:34 *Then said Jesus, Father, forgive them; for they know not what they do. And THEY PARTED HIS RAIMENT, and CAST LOTS.*

Matthew 26:34 *Jesus said unto HIM {Peter}, Verily I say unto thee, That THIS NIGHT, before the cock crow {before sunrise}, thou shalt DENY ME THRICE {since Peter had denied Yahshua/Jesus three times in that same night in a previous replay of his generation}.*

Everything that is happening and will happen have already happened. Our lives are being replayed. There is nothing new that has not been done in a previous replay of the same generation (see Ecclesiastes 1:9, 10; 3:15). The reason for the many replays is to convince the perfect people of the real world that a world where evil and good exists will become like this world. What happened in Eden as written in the Book of Genesis when Adam and Eve partook of the forbidden fruit is a reenactment of what happened in the real world. Just as people in this world of good and evil need to watch a complex movie several times to understand it, so our world is replayed many times so the people of the real world (viewing telepathically each replay in their mind) understand the

repercussions of a world where good and evil co-exist.

In an early replay of all generations, Elohiym spoke to prophets of past generations of things that will happen in the future. These prophets wrote in scrolls Elohiym's words that prophesy of the future. Many of these scrolls are now compiled in our modern-day Bibles. The latter day living messenger's message is the only saving truth for people living in this last generation when the super volcano in the USA is opened by a star's impact, just as it happened in a previous replay of this last generation.

Ecclesiastes 1:9 *The THING* {that exists and is happening} *that HATH BEEN* {in a previous replay}, *it is that which SHALL BE* {happens again in the next replay of the same generation}; *and that which IS DONE* {presently} *is that which SHALL BE DONE* {in the next replay}: *and there is NO NEW THING* {that did not already happen in the previous replay of the same generation} *under the sun.*

1:10 *Is there any thing whereof it may be said, See, this is new? IT HATH BEEN ALREADY* of old time, which was before us.

Ecclesiastes 3:15 *That which HATH BEEN* {in a previous replay} *is NOW* {happening again in the present replay}; *and that which IS TO BE* {future event} *hath ALREADY BEEN* {already happened}; *and God* {seventh plagued

angel} *requireth that which is PAST* {happened}.

4 Ezra 4:5 *And I said, Tell on, my lord. Then said he unto me, Go thy way, weigh me the weight of the fire, or measure me the blast of the wind, or CALL ME AGAIN* {replay} *THE DAY THAT IS PAST* {as Elohiym/seventh plague angel does}.

Daniel 2:45 *Forasmuch as thou sawest that the STONE* {hot fragment} *was CUT OUT* {ejected} *of the MOUNTAIN* {of the super volcano} *WITHOUT HANDS* {natural event}, *and that it brake in pieces the iron, the brass, the clay, the silver, and the gold; the GREAT God* {seventh plagued angel} *hath made known to the king what shall come to pass HEREAFTER* {future}: *and the dream is CERTAIN* {because the future events have already happened and are being replayed}, *and the interpretation thereof sure.*

The stone cut out of the mountain falls as a burning star. Its impact causes a great earthquake that opens the super volcano in the USA. Then the super volcano will erupt thick black smoke with burning ash and debris for five months moons. During the five months, sunlight and moonlight will become progressively darkened over the USA. At the end of five months of erupting smoke and ash, the sun, moon, and stars over the seat (USA's ruling capital and ruling nation) of the latter day seven-headed ten-horned beast (illustrating the kingdom of latter day

Babylon/confusion) will be totally veiled (see Revelation 6:12). At that time, the sky and stars of heaven will seem as if they had departed, as illustrated by a scroll being rolled-up (see Revelation 6:14) to hide its words. Thick darkness will be covering the USA (see Isaiah 13:10; Zephaniah 1:15). The USA's leader reigns over the USA from the ruling seat in the capital, from which the leadership also reigns over the latter day seven-headed Babylonian beast (kingdom/union of nations).

Isaiah 13:10 *For the STARS of heaven and the CONSTELLATIONS thereof shall NOT GIVE THEIR LIGHT: the SUN shall be DARKENED in his going forth, and the MOON shall NOT cause her light to SHINE* {because all these luminaries will have been veiled by five months of smoke and ash having erupting from the opened super volcano in the USA}.

Zephaniah 1:15 *That DAY* {at the end of five months when the seventh plagued angel rises from the bottomless pit} *is a day of wrath, a day of trouble and distress, a day of wasteness and desolation, a day of DARKNESS and gloominess, a day of clouds and THICK DARKNESS,*

Revelation 6:13 *And the STARS* {representing great hailstones and coals of fire} *of heaven* {Sky} ***FELL*** {as a terrible shower} ***unto the EARTH*** {USA's land}, ***even as***

a fig tree casteth her untimely figs, when she is shaken of a MIGHTY WIND {deafening blast of thunder}.

The stars falling to earth represent great hailstones and coals of fire raining down from above and around the swelled to heaven super volcano. After five months of smoke and ash, the super volcano will swell high into the sky and explode (with a deafening sound of thunder and a great earthquake) coals of fire into the skies (heavens). The intense heat emanating from the high 40-mile wide immense mouth of the super volcano overflowing with a lake of lava creates a huge fiery whirlwind around it, which spawns many smaller fiery whirlwinds and great hailstones. These great hailstones will rain down, while coals of fire will be falling from the sky on the USA's land (see Psalms 18:13, 14). Therefore, these armies of spiritual Persians (representing great hailstones) and spiritual Medes (representing falling coals of fire) will violently rain upon the USA. A shower of bright/illuminating great hailstones of ice and falling coals of fire will give the impression in the darkened land that the stars of heaven are falling to Earth/land. In the Book of Revelation, the shower of great hailstones and coals of fire are illustrated as figs being blown from a fig tree by a mighty wind (see Revelation 6:13).

Psalms 18:13 The LORD {seventh plagued angel's written visions and oracles reigning on the overflowing lake of lava in the mouth of the super volcano} *also*

THUNDERED {being the deafening sound of thunder made by the immense explosion of the swelled to heaven super volcano, as coals of magma rain upon the land}, *and the Highest* {seventh plagues angel rising from the bottomless pit to reign from above the lifted-up to heaven super volcano as a lake of fire fills its immense mouth} *gave his VOICE* {of a deafening sound of thunder}; *HAIL STONES* {voices of great hailstones} *and COALS OF FIRE* {ejected coals of magma falling upon the land}.

18:14 *Yea, HE* {seventh plagues angel} *sent out his ARROWS* {great hailstones}, *and scattered them; and he shot out LIGHTNINGS* {ejected coals of fire/magma}, *and discomfited THEM* {discomfited the people that rejected the everlasting gospel and instead remained in the fallen USA}.

Revelation 6:14 *And the HEAVEN* {starry sky} *DEPARTED AS A SCROLL* {since the starry sky will have been veiled by the smoke and ash that had issued for five months from the super volcano} *when it is rolled together; and EVERY MOUNTAIN* {representing cities} *and ISLAND* {representing states} *were MOVED out of their PLACES* {by the super volcano's massive explosion of coals of magma that creates a great earthquake such as never happened}.

After five months of smoke and ash have issued from the super volcano, thick darkness will be veiling over all the sky and stars. At that time, the sky over the USA will have, as it were, disappeared like rolling up a scroll. At the end of five months of smoke and ash, the super volcano swells to heaven and explodes coals of fire (magma) into the sky. The explosion is so massive that it creates a great earthquake such as never happened. This great earthquake in the fallen USA moves mountains (representing cities) and islands (representing states) from their foundations. Every building in cities and states will be ruined by the great earthquake.

Prior to the opening of the super volcano, the USA built huge towers rising up to heaven to be like the most high (seventh plagued angel) reigning on the high and lifted-up lava erupting super volcano in the fallen USA.

Isaiah 14:12 *How art thou fallen from heaven, O Lucifer* {referring to the USA's\latter day Babylon's ruling nation that is the light/Lucifer for the nations of its kingdom}, *son of the MORNING* {being the USA's vision for the world's future, which is likened to the sun's morning light for the land}! *how art THOU* {USA} *cut down to the ground* {by the great earthquake such as never happened}, which *didst weaken the nations* {according to what the USA had envisioned for the nations and the world's

future}!

Isaiah 14:13 For THOU {USA} hast said in thine heart, I will ascend into heaven {by continually building many high structures to the sky/heaven}, I will exalt MY {USA's} THRONE {the ruling seat/throne in the USA's capital ruling over the latter day Babylonian beast/kingdom} above the STARS {above the stars of great hailstones and coals of fire} of God {seventh plagued angel}: I {USA's ruling throne} will sit also upon the MOUNT {super volcano, which lies beneath Yellowstone National Park} of the CONGREGATION {being new Jerusalem where the judgment is happening}, in the sides of the NORTH {equated with old Babylon in the north but fulfilled by latter day Babylon/USA}:

14:14 I {USA} will ascend above the heights of the CLOUDS {where clouds of smoke, ash, and then hailstones will be}; I will be like the MOST HIGH {the USA wants to continually reign over all nations, just as the seventh plagued angel's visions and oracles are reigning over all nations on the super volcano's most high mountain when it swelled to heaven and filled the world with a lake of fire}.

14:15 Yet THOU {USA's buildings} shalt be BROUGHT DOWN {by the great earthquake such as never happened} to HELL {to be covered by hell fire/flowing lake of lava}, to the SIDES {hence, round about} of the PIT {the immense open mouth/bottomless pit upon the high super

volcano that overflowed and filled the world in a lake of fire/lava}.

Revelation 6:15 And the {rebellious} **KINGS** {leaders} of the **EARTH** {land of latter day Babylon, beginning with the USA}, and the **GREAT MEN** {of large states}, and the **RICH MEN** {of wealthy states}, and the **CHIEF CAPTAINS** {of ruling states}, and the **MIGHTY MEN** {of strong states}, and **EVERY BONDMAN** {of enslaved states}, and **EVERY FREE MAN** {of regular states}, **HID THEMSELVES** {after the great earthquake such as never happened} *in the dens and in the rocks of the mountains ;*

Every person in the fallen USA that rejected the everlasting gospel and remained during the five months of tormenting increasing darkness (by smoke and ash), anarchy, and famine will then be running from their cities and states in the fallen USA. At that time, the seventh plagued angel's visions and oracles are revealing the time when the face and mouth upon the swelled to heaven super volcano is no longer covered by smoke and ash. Upon the swelled to heaven super volcano will then be seen the rising light of the seventh plagued angel with his revealed face of magma, filling the immense opened mouth (spiritual temple) of the bottomless pit that descends into the fiery hell of the world.

Revelation 6:16 And said to the mountains and rocks, Fall on us, and hide us from the FACE {of magma filling the immense 40-mile wide mouth of the swelled to heaven super volcano} ***of HIM*** {rising seventh plagued angel with magma from the swelled to heaven bottomless pit/super volcano} ***that SITTETH*** {being the reigning visions and oracles of the seventh plagued angel} ***on the THRONE*** {the throne of light upon the immense mouth full of a lake of fire, that reigns over latter day Babylon's fallen kingdom}, ***and from the WRATH of the LAMB*** {the Lamb/message that revealed the scroll of life's visions and oracles, from these visions and oracles is revealed the anger of the swelled to heaven exploded super volcano}:

In Revelation 6:16, it is as if the fallen USA's states themselves are asking the mountains and rocks to fall on their land and cover the states from the seventh plagued angel's rising face of magma, as if fills and overflows from the immense mouth of the swelled to heaven super volcano. From the time the super volcano explodes magma and fills the immense mouth with lava, the seventh plagued angel's visions and oracles will be sitting and reigning on the ruling throne (within the fallen USA) of later day Babylon's kingdom.

The fallen USA's states want to hide from the seventh

plagued angel's face of magma, which is being revealed by the seventh plagued angel's written visions and oracles. These visions and oracles are of the scroll of life that are revealed by the latter day messenger's message, which is represented as a Lamb. Hence a vision of anger of the Lamb will also be as the face of magma.

Revelation 6:17 For the GREAT {big} DAY of HIS {seventh plagued angel's rising as magma that fills and then continually overflows from the swelled to heaven super volcano's immense mouth} wrath is come; and WHO SHALL BE ABLE TO STAND {only the overcomers/three groups of redeemed will enter the fiery ensign to stand within new Jerusalem}?

After the five months of smoke and ash mentioned in Revelation 9:5, the remaining rebellious states – kings/leaders, great men, rich men, chief captains, mighty men, bondmen, and free men – will all be wanting to be hidden beneath rocks and mountains to survive. The reason is the big day will have come when magma continually fills the immense mouth of the swelled to heaven super volcano. A great lake of fire in the super volcano's immense mouth will overflow from the high mountain as it spreads to cover the land (see Joel 2:3). That day is the great (huge) and terrible day of God Almighty (the seventh plagued angel). From that day, an intense white light (being the ensign) is seen emanating from above and around the high super volcano's 40-mile

wide mouth, full of an overflowing lake of lava. When the overcomers (three groups of redeemed) of all nations feel the great earthquake, or hear the deafening sound of thunder, or see the ensign of intense light manifest above and around the high super volcano, they will then travel from all parts of the world to enter the ensign surrounding new Jerusalem. Within new Jerusalem is where the swelled to heaven super volcano is situated.

Joel 2:3 *A FIRE* {referring to armies/rivers of flowing lava from the lake of fire} *devoureth before them; and behind them a flame burneth: the land is as the garden of Eden before them, and behind them a desolate wilderness; yea, and nothing shall escape them.*

Nahum 1:6 *Who can stand before HIS* {seventh plagued angel's} *indignation? and who can abide in the fierceness of his anger? his fury is poured out like FIRE* {lava}, *and the ROCKS* {during a great earthquake such as never happened} *are thrown down by HIM* {the rising of the seventh plagued angel from the swelled to heaven bottomless pit}.

Joel 2:6 *Before THEIR FACE* {of flowing armies, equated with the redeemed, from the spreading lake of lava} *the* {rebellious} *PEOPLE* {who rejected the everlasting gospel} *shall be much pained: all faces shall gather blackness* {being the look of doom and gloom/spiritual blackness on people's faces}.

Jeremiah 25:30 *Therefore prophesy thou against THEM {referring in the latter days to people living in the USA} all these words, and say unto them, The LORD {rising of the seventh plagued angel from the swelled to heaven bottomless pit} shall ROAR {massive explosion} from ON HIGH {of the high/swelled to heaven super volcano}, and utter his VOICE {of deafening thunder caused by the massive explosion of the high to heaven super volcano} from his HOLY HABITATION {being the immense mouth of the high super volcano equated with the temple}; he shall mightily roar upon his habitation; he shall give a shout, as they that tread the grapes, against ALL the inhabitants of the earth.*

25:31 *A NOISE {of the massive explosion of coals of fire from the high super volcano} shall come even to the ends of the earth; for the LORD {seventh plagued angel} hath a controversy with the nations, he will plead with all flesh {when the everlasting gospel is proclaimed during the five months of smoke and ash erupting from the super volcano}; he will give them that are wicked to the SWORD {being, at that time, death by flowing lava}, saith the LORD.*

25:32 *Thus saith the LORD {seventh plagued angel} of HOSTS {great hailstones and coals of fire}, Behold, evil shall go forth from nation to nation, and a GREAT WHIRLWIND {being a huge tornado with fiery rings, above which will be raining great hailstones representing*

the walls of new Jerusalem. This immense fiery whirlwind is around the high mouth of the super volcano overflowing with a lake of fire} *shall be raised up from the coasts of the earth* (land).

25:33 *And the slain of the LORD* {rising and overflowing of the seventh plagued angel from the swelled to heaven bottomless pit} *shall be at that day from one end of the earth* {land} *even unto the other end of the earth: they shall not be lamented, neither gathered, nor buried; they shall be dung upon the ground.*

Joel 2:11 *And the LORD* {rising of the seventh plagued angel} *shall utter his VOICE* {great voice of thunder caused by the massive explosion of the swelled to heaven super volcano} *before his ARMY* {of flowing lava from the lake of fire}: *for his camp is very great: for HE* {seventh plagued angel} *is strong that executeth his WORD* {as written on the seventh plagued angel according to what the first witness and last witness saw and heard happening}: *for the DAY* {the day when the super volcano swells to heaven and explodes coals of magma into the sky} *of the LORD* {the rising of the seventh plagued angel/Lord as a great light with magma from the swelled to heaven bottomless pit} *is great and very terrible; and WHO CAN ABIDE IT* {only the overcomers can enter the fiery ensign and abide with the fiery furnace}?

Isaiah 13:8 *And THEY {rebellious} shall be AFRAID {on the day when magma rises and overflows from the immense 40-mile wide mouth of the swelled to heaven super volcano}: pangs and sorrows shall take hold of them; they shall be in pain as a woman that travaileth: they shall be amazed one at another; their faces shall be as flames.*

13:9 *Behold, the DAY {on the day when the swelled to heaven super volcano explodes and fills its mouth with an overflowing lake of fire} of the LORD {rising of the seventh plagued angel from the swelled to heaven super volcano} cometh, cruel both with wrath and fierce anger, to lay the land desolate {with flowing rivers of lava from the lake of fire}: and he shall destroy the sinners thereof out of IT {out of the fallen USA, where new Jerusalem will be located}.*

13:10 *For the stars of heaven and the constellations thereof shall not give their light: the sun shall be darkened in his going forth, and the moon shall not cause her light to shine {the stars, sun, and moon over the USA will have been totally veiled after smoke and ash have issued for five months from an opened super volcano in the USA}.*

13:11 *And I {rising of the seventh plagued angel from the swelled to heaven bottomless pit} will punish the world for their evil, and the wicked for their iniquity; and I will*

cause the arrogancy of the proud to cease, and will lay LOW {by a great earthquake caused by the massive explosion of the swelled to heaven super volcano} the haughtiness of the terrible.

Isaiah 32:2 *And a MAN {latter day messenger's message of a new everlasting gospel proclaimed to all nations} shall be as an hiding place from the wind {of a huge fiery tornado, surrounding new Jerusalem, that spawns many smaller whirlwinds}, and a covert from the TEMPEST {of hailstones and coals of fire}; as rivers of water in a dry place {within new Jerusalem}, as the shadow of a great rock in a weary land.*
