

Chapter 6

Revelation 6:1 And I saw when the LAMB {the Lamb represents the new message of the latter day living messenger} ***OPENED*** {opened the scroll of life with the Lamb's first horn} ***ONE*** {being the first of seven seals} ***of the SEALS*** {one of the bands/seals around the rolled-up seven-sealed scroll of life}, ***and I heard, as it were the noise of THUNDER*** {caused by a star/meteor entering Earth's atmosphere}, ***ONE*** {being the beast with the face of an eagle} ***of the FOUR BEASTS saying, COME and SEE*** {see what is written beneath the first seal}.

A sound of thunder was heard when the Lamb removed the first of seven seals with the first of his seven horns. The sound of thunder is created by the star piercing Earth's atmosphere like an arrow. After the Lamb removed the first seal with a horn, he could then see with his first of seven eyes the little written vision that was previously hidden beneath the first seal. The vision in Revelation 6:1 is being shown from the last small part (represented by the seventh plagues angel) of the last scroll/scroll of life near the end of the 1,100 years of the judgment. The seventh plagues angel is showing what already happened earlier at the end of 1,000 years of the judgment.

When the seventh plagues angel revealed the Lamb removing the first seal in Revelation 6:1, it is equated with the time when the latter day living messenger's new

Daily truth message dawned from beneath the first seal of the scroll of life. Some time thereafter, when latter day Babylon began to reign during its first of three reigning periods, the latter day living messenger began to reveal his message written beneath the first seal to the kingdom of latter day Babylon.

Revelation 6:2 And I {Apostle John} ***SAW*** {a vision}, ***and behold a WHITE HORSE*** {illustrating a written oracle that speaks of the glowing wind/white horse that carries the star/rider}: ***and HE*** {vision of a star written on the scroll of life's first side} ***that sat on HIM*** {white horse} ***had a BOW*** {as the rider/star descends to the land like an arrow}; ***and a CROWN*** {the crown that he will have taken from the head/capital of the USA} ***was GIVEN*** {from the seventh plagued angel's visions and oracles} ***unto HIM*** {the impacted star/meteorite}: ***and he went forth CONQUERING, and to CONQUER*** {the impacted star's effects go forth to conquer, whereby the star receives all the crowns of all remaining heads/capitals and horns/nations of the world}.

The written vision beneath the scroll of life's first seal shows a rider on a white horse. The white horse represents the written oracle that speaks from the scroll of life's first seal. The rider represents the star entering Earth's atmosphere and glowing like a bright light as it travels speedily to impact the USA. Its impact creates an

earthquake. This earthquake is the key that causes the super volcano (bottomless pit) to open and erupt smoke and ash in the USA. The rider has a bow because this star descends from the sky like an arrow shot through Earth's atmosphere. The rider (star) is riding a white horse that is equated with the brightly glowing wind (represented by the white horse) around the star.

In Revelation 6:2, the rider (star) is given an initial crown of the latter day ruling "great city" (USA's ruling capital) of confusion; thereby, becoming king over the USA. From that time, the effects of the rider (star's impact) on his white horse (brightly glowing wind) go forward and make the white horse red with blood. Thereafter, the blood covered white horse becomes black by the thick black smoke, and then the white, red, and black colors of the rider's horse mixed together create a pale-colored horse. The rider on his pale-colored horse rides to conquer all remaining nations and take their reigning crowns. He is also king over all the armies of hailstones of ice and ejected coals of fire (lava).

Prior to the star's impact, the latter day messenger revealed his message of the rider on the white horse. The first latter day group of spiritual priests believed the message during latter day Babylon's first reigning period.

Revelation 6:3 And when HE {Lamb} had OPENED {with his second horn} the SECOND SEAL {band}, I heard the SECOND BEAST {whose face is of a lion} say, Come and see.

From around the outside (first side) of the rolled-up scroll of life, the Lamb removed the second seal (band) with its second horn. The Lamb was then be able to look, with his second eye, at the written second part beneath the second seal.

Revelation 6:4 And there WENT OUT {went out a vision from beneath the removed second seal} another HORSE {representing the impacted star's/rider's effect/horse} that was RED {hence the white horse is now covered in red blood}: and power was given to HIM {impacted star in the USA} that sat thereon to TAKE PEACE {that existed before the star's impact} from the EARTH {land of the USA}, and that THEY {cities and states of the fallen USA} should KILL ONE ANOTHER: and there was given unto HIM {rider/impacted star} a GREAT SWORD {which refers to the two witnesses' visions of what they witnessed concerning a terrible time of anarchy}.

The written vision beneath the scroll of life's second seal shows a rider on a red horse. The red horse represents the

written oracle that speaks from the scroll of life's second seal.

The white horse is now the color of red, having been made red by the sword of anarchy wielded in the hand of the rider with blood stained garments. When a star (rider) impacts the USA and causes the super volcano to erupt smoke and ash, a fight for survival will ensue during a terrible time of anarchy. Lawlessness shall prevail in the land, as the governmental infrastructure begins to collapse.

A time of peace will have become a time of survival for the cities and states, as the rider's white garment and white horse become stained with the red blood of his slaying sword of anarchy, which he will have been given after impacting the USA and opening the super volcano. During that time, neighbor will be against neighbor, brother against brother (see Isaiah 9:19). Full-blown anarchy will prevail in the USA. One state (tribe/brother) shall plunder (consume) the provisions (flesh) of a brother state (see Isaiah 9:20, 21). Hence, many people who rejected this new present truth message and remained in the USA will be literally slaying each other (see Revelation 6:4). Accordingly, they will be spilling each others' red blood (hence the red color of the horse) with the figurative sword of anarchy.

Isaiah 9:19 Through the wrath of the LORD {seventh

plagued angel} of *HOSTS* {great hailstones} is the *LAND* {of the USA} *DARKENED* {by smoke and ash having issued for five months from the opened bottomless pit/super volcano}, and the *PEOPLE* {who refused to accept the everlasting gospel} shall be as the *FUEL OF THE FIRE* {flowing lava}: no *MAN* {representing a tribe/state} shall *SPARE* {hence a time of anarchy} his *BROTHER* {representing a tribe/state within the same nation}.

9:20 And *HE* {representing a nation/people} *SHALL* {after the rock's impact} *snatch on the right hand, and be hungry; and he shall eat on the left hand, and they shall not be satisfied: they shall eat every MAN* {referring to every nation} *the FLESH* {provisions} *of his OWN ARM* {the spiritual arm/tribe/state in the same nation}:

9:21 *Manasseh, Ephraim; and Ephraim, Manasseh: and they together shall be against Judah. For all this HIS* {seventh plagued angel's visions and oracles} *anger is not turned away, but his HAND* {the right hand/first witness that also reveals the last witness} *is STRETCHED OUT STILL* {bringing plagues on the fallen USA, as old Moses summon plagues by continually stretching out his hand over the land of Egypt}.

As a lion's head devours its prey with its mouth, so the time of anarchy – as prophesied by the latter day messenger's message concerning the rider on his red horse

– will destroy one part of rebellious people in the USA. For five months (see Revelation 9:5), anarchy will be slaying many of the rebellious in the USA and then in all other nations. After these five months, lava will erupt from a huge super volcano's mouth – that will have been opened by the star's impact – as if it were issuing out of a lion's mouth and carried by the red horse (wind). When five months of smoke and hot ash are accomplished, lava erupts to spread throughout the world, bringing a sword of anarchy upon all remaining nations of the rebellious (see Ezekiel 38:21).

***Ezekiel 38:21** And I will call for a **SWORD** {pertaining to anarchy} *against HIM* {latter day Babylon/USA} *throughout all MY* {seventh plagues angel's} *MOUNTAINS* {in the fallen USA is where new Eden of the new Earth will be situated}, *saith the Lord GOD* {seventh plagues angel}: *every man's SWORD* {during a time of anarchy} *shall be against his brother.**

***Revelation 6:5** And when **HE** {Lamb} *had OPENED* {with his third horn} *the THIRD SEAL* {band}, *I heard the THIRD BEAST* {whose face was like a human/locust} *say, Come and see. And I beheld, and lo a BLACK HORSE* {representing darkness that brings hunger, caused by erupting black smoke and hot ash from the opened super volcano}; *and HE* {the rider*

representing the impacted star's effects} *that sat on HIM* {the blood covered white horse now made black by thick black smoke covering the land} *had a PAIR of BALANCES* {the right side of the balance is of the first witness' visions and oracles that reveal a time of hunger, while the left side of this same balance is of the last witness' visions and oracles that reveal the same time of hunger} *in HIS* {rider's} *HAND*.

The Lamb removed the third seal (band), from around the rolled-up scroll of life, with his third horn. This exposes more of the writings on the rolled-up scroll of life's outside. He was then able to see, with his third eye, another little part (dawning) written on the rolled-up scroll of life's third part. This little vision was previously hidden beneath the third band.

The written vision beneath the scroll of life's third seal shows a rider on a black horse. The black horse represents the written oracle that speaks from beneath the scroll of life's third seal. This third horse represents the message equated with the beast whose face resembled a man/locust. Its color of black refers to the dark days that cause famine of food in the land of the false prophet/USA (see the past type in Lamentations 4:7-10; Zechariah 14:16-19).

Lamentations 4:7 Her {old Jerusalem's} Nazarites were purer than snow, they were whiter than milk, they were

more ruddy in body than rubies, their polishing was of sapphire:

4:8 *Their visage {during the siege against old rebellious Jerusalem} is blacker than a coal; they are not known in the streets: their skin cleaveth to their bones; it is withered, it is become like a stick.*

4:9 *They that be slain with the SWORD {quick death} are better than they that be slain with hunger: for these pine away, stricken through for want of the fruits of the field.*

4:10 *The hands of the pitiful women have sodden their own {dead} children: they were their meat in the destruction of the daughter {referring to old rebellious Jerusalem} of my people*

Zechariah 14:16 *And it shall come to pass, that EVERY ONE {every person of the last group of redeemed} that is left of all the nations which came against {new} Jerusalem {representing the first group and second group of redeemed who after the star's impact proclaim the everlasting gospel to gather a great multitude of people} shall even GO UP {to the high and lifted-up super volcano} from year to year {in the time of judgment} to worship the King {seventh plagued angel revealing the first witness' visions and oracles}, the LORD {seventh plagued angel revealing the last witness' visions and oracles} of HOSTS {great hailstones}, and to keep the*

FEAST OF TABERNACLES {referring in our day to the time when the great hailstones/eagles have feasted on the kingdom of latter day Babylon}.

14:17 And it shall be, that whoso will not come up of all the families of the earth unto {new} Jerusalem {which represents the time when the intense light of the ensign is seen high above the high and lifted-up super volcano's lava erupting mouth within the USA and flowing throughout the land} to worship the King {the impacted star revealed by the seventh plagued angel according to the what the first witness had seen and heard happen}, the LORD {the impacted star revealed by the seventh plagued angel according to the what the last witness had seen and heard happen} of HOSTS {great hailstones raining in the fallen USA}, even upon THEM {other nations} shall be NO RAIN {which is equated with a time of famine in other nations when lava begins to erupt from the super volcano in the fallen USA}.

14:18 And if the family of Egypt go not up, and come not, that have no rain; there shall be the plague, wherewith the LORD {seventh plagued angel's visions and oracles} will smite the heathen that come not up to keep the feast of tabernacles.

14:19 This shall be the punishment of Egypt {referring to latter day spiritual Egypt/union of nations}, and the punishment of ALL NATIONS that come not up to keep

the FEAST OF TABERNACLES {which begins from the time the great hailstones have feasted on latter day Babylon's fallen kingdom}.

14:12 And this shall be the plague wherewith the LORD {seventh plagued angel} *will smite all the people that have FOUGHT* {with the final message/everlasting gospel} *against* {new} *Jerusalem* {representing all three groups of redeemed during the time lava is erupting from the super volcano}; *Their flesh shall consume away* {because of hunger} *while they stand upon their feet, and their eyes shall consume away in their holes* {because of hunger}, *and their tongue* {which spoke against the new message} *shall consume away in their mouth* {which takes place during a time of famine in all nations because of lava overflowing from the super volcano's mouth to flow throughout the world}.

The locust face that resembles a human with lion's teeth illustrates the plague of smoke and hot ash. Smoke and hot ash are released from a super volcano's mouth when it is opened by a star's impact in the USA. When this plague of smoke with hot sticky ash is being accomplished, the open mouth of the land shall destroy (eat) all agriculture (see Revelation 9:2, 3). Thick smoke will envelop the USA in thick darkness while hot ash descends to eat agriculture. Without sunlight, all other plant life will quickly die in the land. At that time, the sun, moon, and stars over the USA will be veiled with thick smoke (see

Ecclesiastes 12:2; Isaiah 60:2; Joel 2:31).

Ecclesiastes 12:2 *While the sun, or the light, or the moon, or the stars, BE NOT DARKENED* {by smoke and ash issuing out of the opened bottomless pit/super volcano by the star's impact}, *NOR THE CLOUDS RETURN* {time of drought/famine} *after the rain:*

Isaiah 60:2 *For, behold, the DARKNESS* {equated with the vision of the rider on his black horse that represent the black darkness in the fallen USA created by smoke and ash issuing from the opened super volcano} *shall cover the earth* {land}, *and gross darkness the people: but the LORD* {seventh plagues angel's visions} *shall arise upon thee, and HIS GLORY* {when prophesying of the intense white glorious light that will be emanating from the overflowing lava erupting from the mouth of the super volcano} *shall be SEEN UPON THEE* {when the overcomers of all generations proclaim the final message concerning the ensign and thereafter enter the glorious light of the ensign}.

Joel 2:31 *The SUN shall be turned into DARKNESS, and the MOON into BLOOD* {hence the literal moon's light is dead/figuratively blood when it is veiled by thick smoke and ash issuing from the opened super volcano}, *before the great and the terrible day come* {when magma explodes from the opened mouth of the bottomless pit/super volcano in the fallen USA} *of the LORD*

{seventh plagued angel's visions and oracles}.

The rider with blackened face and clothing represents the black smoke and ash issuing from the opened super volcano. The black horse represents the air/wind that carries the blackness and the ash from the super volcano's mouth. The “scales” in the rider’s hand refer to the two witnesses' combined written visions and oracles that reveal the same dark days of famine, as written beneath the third seal {third band} of the scroll of life. Before the time of a star's impact in the USA, the latter day messenger's present truth message is revealed to the USA and other Christian nations from what is written beneath the scroll of life's six seals, then repeated by six angels with trumpets written on the scroll of life's seventh part, and finally repeated by six lights and six thunders written on the seventh angel with trumpet.

The present truth message states that the star (rider) will descend to Earth and open the gates of hell (super volcano) to resurrect (release) its armies (smoke and ash) to encompass in darkness the land of latter Babylon, which parallels the time of the latter day resurrection of all overcomers of every generation. All peoples of every generations will also resurrect when smoke and ash begin issuing from the super volcano.

The initial five months of tribulation (see Revelation 9:5) will begin when the star (rider on white horse) hits the

USA. A terrible time of famine will be brought to the land, as symbolized by the scales that weigh grains in the rider's hand. Before that time, the latter day messenger's message of the blackened rider on his black horse will have been sold as spiritual grains of barley and sold as spiritual grains of wheat. Spiritual grains of barley represent the scroll of life's words that will have written of the believers that became the first latter day group of redeemed before the star's impact. Spiritual grains of wheat represent the scroll of life's words that will have written of the believers that became the second latter day group of redeemed before the star's impact. All nations of Christendom that refuse to purchase (by selling their old beliefs) the new knowledge – grains of wheat and barley – pertaining to latter day Solomon's message are spiritually starving to death. After a star hits the USA and opens the super volcano, many in the land will begin to literally die of hunger.

Revelation 6:6 And I heard a VOICE {of the seventh plagued angel} ***in the midst of the four beasts say, A*** {one} ***MEASURE*** {measured/numbered/marked once during the 3½ days of the sign of Jonah at the ending of the sixth light of the seventh angel with trumpet} ***of WHEAT*** {symbolizing the scroll of life's words/spiritual wheat that write of the latter day believers who are of the 144,000 firstfruits/second group of redeemed} ***for a***

PENNY {referring to old beliefs}, ***and THREE MEASURES*** {the same true believers of the first group of redeemed are numbered/marked three times: marked once as a believer at the ending of the sixth seal, marked a second time as a believer at the ending of the sixth angel with trumpet, and will be marked a third third time at the ending of the sixth light of the seventh angel with trumpet during the sign of Jonah} ***of BARLEY*** {barley represents the scroll of life's words/spiritual barley that write of the latter day believers who are of the first group of redeemed} ***for a PENNY*** {representing old beliefs}; ***and see thou HURT NOT*** {before the harvest of fruits/great multitude is ripe} ***the OIL and the WINE*** {to attempt to gather the olives of the oil and the grapes of the wine of the spiritual fruit harvest/great multitude before the super volcano erupts smoke and ash would hurt this unripe harvest of a great multitude/third group of redeemed}.

The latter day living messenger weighs three separate times to see who are the overcomers that are of the barley harvest. Each weighing happens 3½ days before each of latter day Babylon's three reigning periods end. The latter day living messenger also weighs the overcomers of the wheat harvest one time. This weighing of the wheat harvest happens when the star impacts the USA 3½ days before latter day Babylon' third reigning period ends. At the end of these 3½ days is when the overcomers have been spiritually marked, being the same day the super

volcano erupts smoke and ash. The overcomers will have bought the two witnesses' visions and oracles as revealed by the latter day living messenger. The cost is one penny (denarius) that represents a person's old beliefs.

The first weighing of the first measure of barley for one penny is equated with the adult Israelites that took a lamb (this lamb is equated with the ending part of the sixth seal on which is written the last witness' visions and oracles) or he-goat (this he-goat is also equated with the ending part of the sixth seal on which is written the first witness' visions and oracles) kept it for 3½ days and then killed it and placed its blood (representing the visions and oracles written on the ending part of the sixth seal) on the door's lintel (equated with a person's forehead) of their house (equated with the mind) before the Exodus out of Egypt at the end of these 3½ days. The adult Israelites that believed old Moses' message placed the blood on the lintel. This was done after they believed Aaron's four signs (likened to the first witness' visions written beneath four seals) shown to Pharaoh of old Egypt and after Moses' six signs (likened to the last witness' visions written beneath six seals) were shown to Pharaoh of old Egypt.

The second weighing of barley is equated with the time when the Israelites were numbered before they entered Canaan after their first wilderness journey. The third weighing of Barley is equated with the time the Israelites

were numbered again after they crossed the wilderness for a second time just before they entered Canaan (Promised Land). In the second numbering were the matured children (equated with the wheat harvest) of the Israelites (equated with the Barley harvest) who became adults during Israel's second wilderness journey of 40 years to Canaan.

The latter day messenger is to not hurt the oil and wine that pertains to the fruit harvest of olives and grapes. Prior to the impacted star opening the bottomless pit, the fruit harvest (equated with the great multitude of all nations) is not ripe for harvesting. When the everlasting gospel is proclaimed to all nations during the time the super volcano is erupting smoke and ash, then the fruit harvest will be ripened with the everlasting gospel. The everlasting gospel will be proclaimed by all overcomers of every generation. All of these overcomers are of the barley harvest and wheat harvest.

The weighing of the ripened oil and grapes happens at the end of the five months when smoke and ash have finished erupting from the super volcano in the fallen USA. At the end of these five months, a great earthquake such as never happened will be felt around the world when the immense super volcano swells high-up into the sky and explodes. The great multitude will feel the massive earthquake in all nations and will travel to the intense light of the ensign emanating from the overflowing magma filled mouth of

the high and lifted-up super volcano.

The weighing of the ripened olives (olive oil) and grapes (wine) is equated with the children of the Israelites that became adults after the Israelites removed the Canaanites from the old Promised Land.

Revelation 6:7 And when HE {Lamb} had OPENED {with his fourth horn} the FOURTH SEAL {fourth band}, I heard the voice of the FOURTH BEAST {with the face of a calf/Seraph} say, Come and see.

The Lamb removes the fourth seal/band, from around the rolled-up scroll of life, with his fourth horn. This exposes more of the writings on the scroll of life's outside. He was then able to see, with his fourth eye, another little part (dawning) on the rolled-up scroll of life's fourth part. This little vision was previously hidden beneath the fourth band.

6:8 And I looked, and behold a PALE HORSE {the color of this horse is attained by mixing the white, red, and black colors of the previous three colors of the same horse}: and HIS {impacted star's} NAME that sat on HIM {the pale colored horse} was DEATH {Abaddon}, and HELL {lava overflowing from the bottomless pit of

hell fire/super volcano's mouth} **FOLLOWED** {five months after the impacted star/rider opened the super volcano} **with HIM** {the rider/star}. **And power was given unto THEM** {rider on his horse that now is the color of all three color of white, red, and black mixed together} **over the FOURTH PART** {that also contains the other three parts of the USA, just as the visions and oracles beneath the fourth seal contain the visions and oracles written beneath the previous three seals} **of the EARTH** {referring to the land of the USA}, **to kill with SWORD** {spiritual sword of anarchy in the hand of the red-colored rider on his blood covered white horse}, **and with HUNGER** {spiritual scales in the hand of the blackened rider on his blackened and blood covered white horse during darkness}, **and with DEATH** {by overflowing lava from the super volcano}, **and with the BEASTS** {referring to the four beasts/four horses. One beast/horse had the face of an eagle equated with an arrow/meteor; another beast/horse had a face of a lion equated with a sword/anarchy; another beast/horse had a face of a man/locust equated with scales/hunger; a fourth beast/horse had a face of a calf/Seraph equated with death by fiery whirlwinds/tornadoes}, **of the EARTH** {USA's land/earth}.

A small vision of a pale horse and its pale rider is written beneath the fourth seal. This vision and oracle of the pale horse rider contains all the visions and oracles that are

written beneath the first seal, second seal, and third seal. Accordingly, the fourth rider on the pale horse is named death because the pale rider and his pale horse bring death when many fiery whirlwinds are spawned from the immense fiery whirlwind around the lava erupting super volcano. Therefore the pale rider and his pale horse bring death: by the rider now with many crowns with bow on the white horse that represent death by ejected coals of fire and great hailstones/arrows, by the same rider but with sword on the red horse that represent death by anarchy, and the same rider but with scales on the black horse that represent death by hunger. The pale horse in Revelation 6:8 is equated with the fourth beast whose face is of a calf/Seraph in Revelation 4:7. As a running bull or ox toss and turn things in their path, so the many fiery whirlwinds will toss and turn and drive out the remaining unconverted Canaanites from the latter day Promised Land (dissolved USA).

The vision and oracle of the rider on the white colored, blood stained, blackened, and paled horse has the name of Death, which is the same name as Abaddon/Destroyer (see Revelation 9:11). When the star impacts the USA, the rider on the white horse will have one crown as it rules over the fallen USA. When great hailstones are raining upon the fallen USA, the rider on the white horse will have many crowns of all nations.

The USA's cities and states that reject the revealed

message of the pale horse and its rider will literally meet Death (pale rider on his pale horse) when the super volcano explodes coals of magma into the sky, causing a great earthquake such as never happened. Overflowing magma of hell (bottomless pit) follows the pale rider and his pale horse. The pale rider is the same rider on the white light, blood stained, darkened, and paled horse.

The pale rider on his pale horse represent fiery whirlwinds that are armed with bow to fire arrows of hailstones, sword of anarchy, and scales of famine. These instruments in the pale rider's hand are prophesied to be fulfilled according to what the two witnesses have already seen and wrote on the scroll of life. As predicted, destruction will come upon rebellious people who failed to overcome their old beliefs when these figurative instruments are initially fulfilled as plagues on the USA.

Beneath the fourth seal are all the messages written beneath the first seal, second seal, and third seal. Hence this fourth part, on which is written the pale horse rider, will effect all of the USA's states and cities that are afflicted as described by the visions and oracles written beneath four of seven seals on the scroll of life's first side. These states and cities start being tormented when the star (coming to the USA like an arrow fired from a bow) opens a super volcano to erupt smoke and ash for five months. In that time, the impacted star's great sword of anarchy and balances of famine will be loosed on the

wounded states and cities. At the end of these five months, the pale rider named death (Abaddon) on his paled horse is fulfilled as the super volcano swelled-up into the sky and exploded coals of fire, causing a great earthquake such as never happened, followed by an overflowing lake of fire in the super volcano's mouth. At that time, an immense whirlwind materializes around the high and lifted-up super volcano and spawns many whirlwinds of fire, as great hailstones rain upon the ruined USA.

Psalm 68:17 The chariots {whirlwinds/tornadoes} of God {seventh plagued angel} are twenty thousand, even thousands of angels {being messengers/angels that are of the first group of 12,000 redeemed and of the second group of 144,000 redeemed}: the Lord {seventh plagued angel reigning on the high and lifted-up lava erupting mouth of the super volcano} is among them, as in Sinai, in the holy place {he holy place represents the lava erupting mouth of the super volcano}.

At this time prior to a star's impact in the USA, the people in the USA and surrounding nations are being warned of the imminent star's impact, a terrible time of anarchy, and a terrible time of famine. Followed by the death of the USA's cities and states by flowing lava of hell (bottomless pit/super volcano), which follow the pale rider and his horse.

Before the destined star impacts the USA, any person that has an ear to hear will believe what is being revealed, overcome their old beliefs, and be ready for the sign of Jonah three and a half days before the super volcano is opened. Then after the super volcano erupts smoke and ash continually, the overcomers will learn a new song (everlasting gospel) which they begin proclaiming with the power of the holy Spirit to all nations after the new day of Pentecost.

Revelation 6:9 And when HE {Lamb} had OPENED {with his fifth horn and saw with his fifth eye} the FIFTH SEAL {band}, I {Apostle John} SAW UNDER THE ALTAR {golden altar of incense in the temple's holy place} the SOULS of THEM {the latter day dead overcomers are written on the initial four parts of the scroll of life's first side where the four riders and four horses of the first witness' visions and oracles are written} that were SLAIN for the WORD {written words beneath four seals} OF GOD {seventh plagued angel}, and for the TESTIMONY {pertaining to what is testified from beneath four seals} which they held:

The Lamb removes the fifth seal/band, from around the rolled-up scroll of life, with his fifth horn. This exposes more of the writings on the rolled-up scroll of life's outside. He was then able to see, with his fifth eye,

another little part (dawning) on the rolled-up scroll of life's fifth part. This little vision was previously hidden beneath the fifth seal/band.

Beneath the fifth seal is written the visions and oracles that are written beneath the previous four seals, just as everything that was created in four days of Genesis could all be seen on the fifth day of Genesis. Beneath these four seals are the visions and oracles of what was witnessed by the first witness and last witness. The visions and oracles that are written by the first witness end on the fifth seal, just as there were only four evenings of the first week of Genesis when something was created. The reason for this is that the first witness' visions and oracles writes of the latter day people who believed the visions and oracles revealed from beneath four seals but died before they could be sealed at the ending of the sixth seal. This is what happened in every generation as written beneath each scroll's five seals.

Since the seventh plagued angel (representing the last small part of the scroll of life) contains all the visions and oracles on all the scrolls, it means the seventh plagued angel borrowed from past events written on the scrolls to construct the visions and oracles that were shown and told to the Apostle John in 90 A.D., which he wrote in the Book of Revelation. Accordingly, the vision in Revelation 6:9 is based on past types that happened to messengers and their apostles that were slain for believing and

proclaiming the then present new truth of the two witnesses.

The people who die and are written as believers among the visions and oracles beneath four seals are priests that will officiate in the temple after the resurrection. The reason they are under the altar is that they are dead. However, when the super volcano erupts smoke and ash, then they will resurrect at the same time of erupting smoke and ash. The latter day people that died believing the latter day messenger's message during latter day Babylon's first reigning period are among the souls under the golden altar of incense, which is located in the holy place of the temple where priests (equated with apostles) enter to officiate. These souls are equated with the four beasts (priests) that stand in the midst of the throne. They are written as overcomers on four parts of the scroll's first side, according to the first witness'/bright star's/spiritual moon's visions and oracles. Hence, they are of the four-winged Cherubs.

The four beasts (priests) with six wings are of Seraphs, written as apostles beneath all six seals (hence the six wings), according to the visions and oracles of the last witness/morning star/spiritual sun. These four six-winged beasts represent part of the temple's foundation. This part of the foundation is finished being built when the latter day resurrection happens. The first witness' messenger plus the apostles written beneath four seals and the last

witness' messenger plus the overcomers written beneath six seals equals twelve parts of the foundation, on which the names of all messengers and overcomers are written when the star's impact opens the super volcano.

Revelation 6:10 And THEY {dead overcomers} ***cried with a loud voice, saying, HOW LONG, O Lord*** {seventh plagued angel} ***HOLY*** {first witness} ***and TRUE*** {last witness}, ***dost thou not JUDGE and AVENGE OUR*** {referring to the dead overcomers written among the visions and oracles of the four riders and four horses} ***BLOOD*** {death} ***on THEM*** {rebellious people} ***that dwell on the earth*** {land}?

In the latter days, any person that believed the two witnesses' new present truth message, as revealed from beneath four seals by the living messenger, and had died before the end of latter day Babylon's first reigning period ended are among the souls under the altar written on the visions and oracles of four riders and four horses, according to what the two witnesses had witnessed. These souls (spirits) are asking (oracles) how long before the seventh plagued angel judges and avenges the blood (literal and spiritual death) of all martyrs of all generations and the martyrdom of the two witnesses' visions and oracles concerning the rider on his white, red, black, and pale horse.

Revelation 6:11 And WHITE ROBES {representing the bright light of the visions written on the seventh plagued angel} ***were GIVEN*** {to all people who died in every generation while believing the living messenger's message} ***unto every one of them: and it was said unto them, that they should REST*** {wait} ***yet for a LITTLE SEASON*** {at the end of this little season, the star's impact opens the bottomless pit, which is the day of the resurrection for the souls under the altar}, ***until their FELLOWSERVANTS*** {being disciples written as overcomers on seven lights of the seventh angel with trumpet} ***also and their BRETHREN*** {being apostles written as overcomers beneath six seals, written as overcomers on six angels with trumpets, and written as overcomers on six lights of the seventh angel with trumpet}, ***that should be KILLED as THEY WERE , SHOULD*** {should happen before the end of latter day Babylon's first reigning period} ***BE FULFILLED.***

The white robes represent the light (visions) written on the seventh plagued angel. When the star (meteor) impacts the USA and opens the super volcano, the overcomers that died in all generations will resurrect and be spiritually wearing their white robes. These spiritual white robes reveal that their salvation is sure.

Accordingly, until the latter day resurrection happens, that is how long the slain and dead overcomers in every

generation have to wait until the seventh plagued angel's (God's) visions and oracles avenge the blood of the dead overcomers on the kingdom of latter day Babylon (confusion).

All the priests (brethren) beneath the altar and all the elders (fellowservants/144,000) in every generation will resurrect to life spiritually wearing their white robes. As the high priest placed sweet smelling odors on the golden altar to create a lot of sweet smelling smoke rising and filling the temple, so when the super volcano erupts smoke and ash the sweet/joyous resurrection happens for the overcomers and all people of every generation. At the joyous resurrection, the works of all overcomers had followed them while they remained literally dead under the figurative golden altar of incense (see Psalms 116:15).

***Psalms 116:15** Precious in the sight of the LORD is the death of his saints.*

***Daniel 12:2** And MANY of THEM {the dead} that sleep in the dust of the earth shall awake, SOME TO EVERLASTING LIFE {overcomers that died believing in a living messenger's message}, and SOME {some of all people that resurrected will not overcome and believe the everlasting gospel} to shame and everlasting contempt.*

***Revelation 6:12** And I beheld when HE {Lamb} had*

OPENED {with his sixth horn} **the SIXTH SEAL** {on this sixth seal is also written the visions and oracles beneath the previous five seals}, **and, lo, there was a GREAT EARTHQUAKE** {equated with the fourth rider on his pale horse that represents the massive eruption of the super volcano when it swells high-up into the sky and explodes magma}; **and the SUN** {over the USA} **became BLACK as sackcloth of HAIR** {revealing how the first rider on his white horse opened the bottomless pit/super volcano in the USA, followed by the second rider on his red horse representing anarchy, and then followed by the third rider on his black horse that represents famine}, **and the MOON** {over the USA} **became as BLOOD** {hence the moon is dead/blood when covered by the smoke and ash during a time of anarchy and famine};

The Lamb removes the sixth seal/band, from around the rolled-up scroll of life, with his sixth horn. This exposes more of the writings on the scroll of life's outside. He was then able to see, with his sixth eye, another little part (dawning) on the rolled-up scroll of life's sixth part. This little vision was previously hidden beneath the sixth seal/band.

All the visions and oracles written beneath the previous five seals of the scroll of life are all revealed from beneath the sixth seal, according to what the two witnesses witnessed happening. The Lamb (message of the latter day living messenger) is opening each of the seven seals

around the rolled-up scroll of life, which represents the time when the latter day living messenger was revealing his message from beneath six seals during latter day Babylon's first reigning period.

The rider with one crown on the white horse first represents the star that rides on the glowing white wind (white horse) from heaven to the land. The star's impact in the USA's land opens the bottomless pit (super volcano). Anarchy will begin from the time the super volcano is erupting smoke and ash. Accordingly, the rider with one crown on the white horse with bow will have then been given a great sword of anarchy, making his garments and horse red with blood. Smoke and ash will be erupting for five months from the opened super volcano to cover the sun, moon, and stars over the fallen USA. At the time when total darkness prevails over the fallen USA, the rider and his blood covered white horse will be darkened by thick black smoke and ash, which represents the time of famine in the land.

After five months of anarchy and famine in the darkened land of the USA, the rider named death on the pale horse begins being fulfilled as many whirlwinds of fire materialize with great hailstones to bring death to the cities and states of the USA. When the sixth seal (band) was removed by the Lamb in Revelation 6:12, a great earthquake is first described from beneath the sixth seal. This great earthquake, such as never experienced before,

happens when the super volcano swells out and high-up into the sky and explodes coals of magma. The massive explosion causes a great earthquake such as never happened. After the massive explosion, a lake of magma overflowing from the immense mouth, which is more than 40 miles wide and long, of the high and lifted-up super volcano will travel throughout the USA's land as flowing rivers of lava, see Psalms 18:7, Joel 2:10.

Psalms 18:7 *Then the EARTH SHOOK* {as the high and lifted-up immense super volcano explodes magma into the sky} *and trembled; the foundations also of the hills moved and were shaken, because HE* {seventh plagued angel/God} *was WROTH* .

Joel 2:10 *The EARTH* {USA's land} *shall QUAKE* {as the high and lifted-up immense super volcano explodes magma into the sky} *before THEM* {rivers of lava}; *the HEAVENS* {skies above and around the super volcano} *shall TREMBLE* {shock waves in the atmosphere/heavens}: *the SUN and the MOON shall be DARK* {when, after five months, smoke and hot ash have finished erupting from the opened bottomless pit/super volcano}, *and the STARS* {being veiled by smoke and hot ash veiling the sky} *shall withdraw their shining*:

In a previous replay of this last generation, the two witnesses had already seen and heard (witnessed) what caused the massive earthquake such as never happened

before. Part of the super volcano sits beneath Yellowstone (sulfur-stone) National Park. It is the biggest and most active super volcano in the USA and world. The mouth of the super volcano is more than 40 miles in diameter. During a previous replay of our world, the seventh plagued angel's visions and oracles had seen how the high and lifted-up super volcano exploded coals of fire with tremendous force, which caused the massive earthquake. The ejection of coals of magma high into the atmosphere caused shock waves in the skies.

When the first generation was replayed by the visions and oracles written on the seventh plagued angel, Elohiym {seventh plagued angel} told Adam and Eve to “replenish” the land, as they had done in a previous replay of their generation (see Genesis 1:28). During the replay of all generations, Elohiym revealed to the prophets what would take place in their generation and the last generation. Hence, from the replay of the first/beginning generation, Elohiym was able to reveal the things that had already happened at the end of this world (see Isaiah 42:9; 46:10). Cain killed Abel in the first timeline. In the replay of that generation, Abel’s blood figuratively cried out to Elohiym from the record of what took place in the previous replay of that generation (see Genesis 4:10). Elohiym knew when the flood was going to take place in Noah’s replayed generation, since the flood had happened in a previous replay. After the flood, Noah and his sons

were also told to replenish the land (see Genesis 9:1). Elisha was able to warn the king of Israel of an ambush made by the Syrians, since the ambush already happened in a previous replay (see 2 Kings 6:8-12). Daniel revealed future events to King Nebuchadnezzar (see Daniel 2:29). The Psalmist wrote of Yahshua's crucifixion – as directed by the seventh plagues angel's spirit – since that event had already happened in Yahshua's generation in a previous replay (see Psalms 22:18; Luke 23:34). Yahshua stated to Peter that in that same night Peter would deny him three times before sunrise (cock-crows). The spirit revealed to Yahshua what Peter was about to do in that night because Peter had already done it in a previous replay of that generation (see Matthew 26:33-35).

Genesis 1:28 *And God {Elohiym/Michael and Gabriel} blessed THEM {Adam and Eve}, and God said unto them, Be fruitful, and multiply, and REPLENISH {replenish the Earth, just as they had repopulated the Earth in a previous replay} the earth {land}, and subdue it: and have dominion over the fish of the sea, and over the fowl of the air, and over every living thing that moveth upon the earth.*

Isaiah 42:9 *Behold, the former things are come to pass, and NEW THINGS do I DECLARE {future predictions}: BEFORE they spring forth I tell you of them.*

Isaiah 46:10 *DECLARING {hence what God said to the*

prophets as written in the Bible} *THE END* {from the time a star's impact opens the bottomless pit} *from THE BEGINNING* {first generation}, *and* {predicting} *from ancient times the things that are not yet done, saying, My counsel shall stand, and I* {seventh plagued angel} *will do all my pleasure:*

2 Kings 6:12 *And one of his servants said, None, my lord, O king: but Elisha, the prophet that is in Israel, telleth the king of Israel the words that thou speakest in thy bedchamber.*

Psalms 22:18 *THEY* {Roman soldiers} *PART MY* {Yahshua's/Jesus'} *GARMENTS among them, and CAST LOTS upon my vesture.*

Daniel 2:29 *As for thee, O king* {Nebuchadnezzar}, *thy thoughts came into thy mind upon thy bed, what should COME TO PASS HEREAFTER* {future predictions}: *and HE* {Gabriel} *that revealeth secrets maketh known to thee what shall come to passs.*

Luke 23:34 *Then said Jesus, Father, forgive them; for they know not what they do. And THEY PARTED HIS RAIMENT, and CAST LOTS.*

Matthew 26:34 *Jesus said unto HIM* {Peter}, *Verily I say unto thee, That THIS NIGHT, before the cock crow* {before sunrise}, *thou shalt DENY ME THRICE* {since Peter had denied Yahshua/Jesus three times in that same

night in a previous replay of his generation}.

Everything that is happening and will happen had already happened. Our lives are being replayed. There is nothing new that has not been done in a previous replay of the same generation (see Ecclesiastes 1:9, 10; 3:15). The reason for the many replays is to convince the perfect people of the real world that a world where evil and good exists will become like this world. What happened in Eden as written in the Book of Genesis when Adam and Eve partook of the forbidden fruit is a reenactment of what happened in the real world. Just as people in this world of good and evil need to watch a complex movie several times to understand it, so our world is replayed many times so the people of the real world viewing each replay in their mind understand the repercussions of a world where good and evil co-exist.

Elohiym replayed a past generation to reveal and speak to prophets of past generations of what will happen in the future. These prophets wrote in scrolls Elohiym's words that prophesy of the future. Many of these scrolls are now compiled in our modern-day Bibles. The latter day living messenger's message is the only saving truth for people living in this last generation when the super volcano in the USA is opened by a star's impact, just as it happened in a previous replay of this last generation.

Ecclesiastes 1:9 The THING {that exist and are

happening} *that HATH BEEN* {in a previous replay}, *it is that which SHALL BE* {happens again in the next replay of the same generation}; *and that which IS DONE is that which SHALL BE DONE* {in the next replay}: *and there is NO NEW THING* {that did not already happen in the previous replay of the same generation} *under the sun.*

1:10 *Is there any thing whereof it may be said, See, this is new? IT HATH BEEN ALREADY of old time, which was before us.*

Ecclesiastes 3:15 *That which HATH BEEN* {in a previous replay} *is NOW* {happening again in the present replay}; *and that which IS TO BE* {future event} *hath ALREADY BEEN* {already happened}; *and God* {seventh plagued angel} *requireth that which is PAST* {happened}.

4 Ezra 4:5 *And I said, Tell on, my lord. Then said he unto me, Go thy way, weigh me the weight of the fire, or measure me the blast of the wind, or CALL ME AGAIN* {replay} *THE DAY THAT IS PAST* {as Elohiym/seventh plague angel does}.

Daniel 2:45 *Forasmuch as thou sawest that the STONE* {star/meteor fragment} *was cut out of the MOUNTAIN* {of the high and lifted-up super volcano, where it had impacted in the previous replay} *WITHOUT HANDS* {natural event}, *and that it brake in pieces the iron, the brass, the clay, the silver, and the gold; the GREAT God*

{seventh plagued angel} *hath made known to the king what shall come to pass HEREAFTER* {future}: *and the dream is CERTAIN* {because the future events have already happened and are to be replayed}, *and the interpretation thereof sure.*

The star's impact will violently awaken a huge super volcano in the USA. From this super volcano will erupt thick black smoke with burning ash and debris for five months moons. This will cause the sun, moon, and stars over the seat (USA's ruling capital and ruling nation) of the latter day seven-headed ten-horned beast (illustrating the kingdom of latter day Babylon/confusion) to be veiled (see Revelation 6:12). Hence, the sky and stars of heaven will seem as if they had departed, as illustrated by a scroll being rolled-up (see Revelation 6:14) to hide its words. At that time, darkness will be over the USA (see Isaiah 13:10; Zephaniah 1:15). The USA's leader reigns over the USA from the ruling seat of the capital, from which he also reigns over the latter day seven-headed Babylonian beast (kingdom/union of nations).

Isaiah 13:10 *For the STARS of heaven and the CONSTELLATIONS thereof shall NOT GIVE THEIR LIGHT: the SUN shall be DARKENED in his going forth, and the MOON shall NOT cause her light to SHINE* {because all these luminaries will have been veiled by smoke and ash erupting from the opened super volcano in the USA}.

Zephaniah 1:15 *That DAY is a day of wrath, a day of trouble and distress, a day of wasteness and desolation, a day of DARKNESS and gloominess, a day of clouds and THICK DARKNESS,*

Revelation 6:13 *And the STARS {representing great hailstones and coals of fire} of heaven {Sky} FELL {as a terrible shower} unto the EARTH {USA's land}, even as {allegorized by} a fig tree casteth her untimely figs, when she is shaken of a mighty wind.*

The stars falling to earth represent great hailstones and coals of fire raining down from above and around the high and lifted-up super volcano. After five months of smoke and ash, the super volcano will swell high-up into the sky and explode (with a great sound of thunder and a great earthquake) coals of fire into the skies (heavens). The intense heat emanating from the high and lifted-up 40-mile wide mouth of the super volcano overflowing with lava creates a huge fiery whirlwind around it, which spawns many smaller fiery whirlwinds and great hailstones. These great hailstones will rain down, while coals of fire will be falling from the sky on the USA's land (see Psalms 18:13, 14). Therefore, these armies of spiritual Persians (representing great hailstones) and spiritual Medes (representing falling coals of fire) will violently rain upon the USA. A shower of

bright/illuminating great hailstones of ice and falling coals of fire will give the impression in the darkened land that the stars of heaven are falling to Earth/land. In the Book of Revelation, the shower of great hailstones and coals of fire are illustrated as figs being blown from a fig tree by a mighty wind (see Revelation 6:13).

Psalms 18:13 *The LORD* {seventh plagued angel's visions and oracles reigning on the lava erupting super volcano} *also THUNDERED* {being the thundering sound made by the immense explosion, as coals of magma rain from above the super volcano when it swelled up to the sky}, *and the Highest* {seventh plagued angel sitting and reigning above the high and lifted-up lava erupting super volcano} *gave his VOICE* {of thunder}; *HAIL STONES* {voices of great hailstones} *and COALS OF FIRE* {ejected coals of magma falling upon the land}.

18:14 *Yea, HE* {seventh plagued angel} *sent out his ARROWS* {great hailstones}, *and scattered them; and he shot out LIGHTNINGS* {ejected coals of fire/magma}, *and discomfited THEM* {discomfited the people that remained in the fallen USA during five months of smoke and ash issuing from the super volcano}.

Revelation 6:14 *And the HEAVEN* {starry sky} *DEPARTED AS A SCROLL* {since the starry sky will

have been veiled by the smoke and ash that had issued for five months from the super volcano} ***when it is rolled together; and EVERY MOUNTAIN*** {representing cities} ***and ISLAND*** {representing states} ***were MOVED out of their PLACES*** {by the super volcano's massive explosion of coals of magma that creates a great earthquake such as never happened}.

After five months of smoke and ash issuing from the super volcano, thick darkness will have veiled the sky and stars. The sky over the USA will have, as it were, disappeared like rolling up a scroll. At the end of five months of smoke and ash, the super volcano will have swelled up to heaven and exploded coals of fire/magma into the sky. The explosion is so massive that it creates a great earthquake such as never happened. This great earthquake in the fallen USA moves mountains (representing cities) and islands (representing states) from their foundations. Every building in cities and states will be ruined by the great earthquake.

Prior to the opening of the super volcano, the USA built huge towers rising up to heaven to be like the most high (seventh plagued angel) reigning on the high and lifted-up lava erupting super volcano in the fallen USA.

Isaiah 14:12 *How art thou fallen from heaven, O Lucifer*

{referring to the USA's\latter day Babylon's ruling nation that is the light/Lucifer for the nations of its kingdom}, *son of the MORNING* {being the USA's vision for the world's future, which is likened to the sun's morning light prior to the super volcano being opened by the star's impact}! *how art THOU* {USA} *cut down to the ground* {by the great earthquake such as never happened}, which *didst weaken the nations* {according to what the USA envisioned for the nations and the world's future prior to the star's impact}!

Isaiah 14:13 *For THOU* {USA} *hast said in thine heart, I will ascend into heaven* {by continually building many high structures to the sky/heaven}, *I will exalt MY* {USA's} *THRONE* {the ruling seat/throne in the USA's capital ruling over the latter day Babylonian beast/kingdom} *above the STARS* {above the stars of great hailstones and coals of fire} *of God* {seventh plagued angel}: *I* {USA's ruling throne} *will sit also upon the MOUNT* {super volcano, part of which lies beneath Yellowstone National Park} *of the CONGREGATION* {being new Jerusalem where the judgment is happening}, in the sides of the NORTH {equated with old Babylon in the north but fulfilled by latter day Babylon/USA}:

14:14 *I* {USA} *will ascend above the heights of the CLOUDS* {where clouds of smoke,ash, and then hailstones will be}; *I will be like the MOST HIGH* {seventh plagued angel's visions and oracles sitting and

reigning on the high and lifted-up lava erupting super volcano}.

14:15 Yet *THOU* {USA's buildings} *shalt be BROUGHT DOWN* {by the great earthquake such as never happened} *to HELL* {to be covered by hell fire/flowing lava}, *to the SIDES* {hence, round about} *of the PIT* {the immense open mouth/bottomless pit upon the high and lifted-up super volcano full of an overflowing lake of fire/lava}.

Revelation 6:15 *And the* {rebellious} **KINGS** {leaders} *of the EARTH* {land of latter day Babylon beginning with the USA}, *and the GREAT MEN* {of large states}, *and the RICH MEN* {of wealthy states}, *and the CHIEF CAPTAINS* {of ruling states}, *and the MIGHTY MEN* {of strong states}, *and EVERY BONDMAN* {of enslaved states}, *and EVERY FREE MAN* {of regular states}, **HID THEMSELVES** {after the great earthquake such as never happened} *in the dens and in the rocks of the mountains ;*

Every person in the fallen USA that remained during the five months of darkness (by smoke and ash), anarchy, and famine will then be running from their cities and states in the fallen USA. At that time, the seventh plagued angel's visions and oracles are revealing the time when the face and mouth upon the high and lifted-up super volcano is no longer covered by smoke and ash. Upon the high and

lifted-up super volcano is then seen the seventh plagued angel's vision that reveals his face of magma, overflowing from the immense opened spiritual temple/bottomless pit that descends into the fiery hell of the world.

Revelation 6:16 And said to the mountains and rocks, Fall on us, and hide us from the FACE {of magma overflowing from the high and lifted-up super volcano's immense mouth} ***of HIM*** {seventh plagued angel's vision and oracle of the magma erupting super volcano} ***that SITTETH*** {being the reigning visions and oracles of the seventh plagued angel} ***on the THRONE*** {reigning over latter day Babylon's fallen kingdom}, ***and from the WRATH of the LAMB*** {the Lamb/message that revealed the scroll of life's visions and oracles, from these visions and oracles is revealed the anger of the erupting super volcano}:

In Revelation 6:16, it is as if the fallen USA's states themselves are asking the mountains and rocks to fall on their land and cover the states from the magma erupting face that is revealed by the visions and oracles of the seventh plagued angel. From the time the super volcano explodes magma, the seventh plagued angel's visions and oracles will be sitting and reigning on the ruling throne (within the fallen USA) of later day Babylon's kingdom.

The fallen USA's states want to hide from the face of magma, which is being revealed by the seventh plagued angel's visions and oracles. These visions and oracles are of the scroll of life that are revealed by the latter day messenger's message, which is represented as a Lamb. Hence a vision of anger of the Lamb will also be as the face of magma.

Revelation 6:17 For the GREAT {awesome} DAY of HIS {seventh plagued angel's visions and oracles revealing flowing lava from the high and lifted-up super volcano's mouth} wrath is come; and WHO SHALL BE ABLE TO STAND {only the overcomers/three groups of redeemed will enter the fiery ensign to stand within new Jerusalem}?

After the five months of smoke and ash mentioned in Revelation 9:5, the remaining rebellious states – kings/leaders, great men, rich men, chief captains, mighty men, bondmen, and free men – will all be wanting to be hidden beneath rocks and mountains to survive. The reason is the day will have come when an overflowing lake of fire/lava will flow down from the high and lifted-up super volcano's mouth to spread and cover the land (see Joel 2:3). That day is the great (huge) and terrible day of God Almighty (the seventh plagued angel). From that day, an intense white light (being the ensign) is seen emanating from above and around the high and lifted-up super volcano's 40-mile wide mouth, full of an

overflowing lake of lava. When the overcomers (three groups of redeemed) of all nations feel the great earthquake and see the ensign, they will then travel from all parts of the world to enter the ensign surrounding new Jerusalem. Within new Jerusalem is the high and lifted-up super volcano.

Joel 2:3 *A FIRE* {referring to armies/rivers of flowing lava} *devoureth before them; and behind them a flame burneth: the land is as the garden of Eden before them, and behind them a desolate wilderness; yea, and nothing shall escape them.*

Nahum 1:6 *Who can stand before HIS* {seventh plagued angel's} *indignation? and who can abide in the fierceness of his anger? his fury is poured out like FIRE* {lava}, *and the ROCKS* {during a great earthquake such as never happened} *are thrown down by HIM* {the seventh plagued angel, who's visions and oracles are ruling from above the high and lifted-up lava erupting immense mouth of the super volcano}.

Joel 2:6 *Before THEIR FACE* {of flowing armies of lava equated with the redeemed} *the* {rebellious} *people shall be much pained: all faces shall gather blackness* {being the look of doom and gloom/spiritual blackness on people's faces}.

Jeremiah 25:30 *Therefore prophesy thou against THEM*

{referring in the latter days to people living in the USA} *all these words, and say unto them, The LORD* {according to the seventh plagued angel's visions and oracles} *shall ROAR* {massive explosion} *from ON HIGH* {of the high and lifted-up super volcano}, *and utter his VOICE* {of great thunder caused by the massive explosion of coals of fire} *from his HOLY HABITATION* {being the high and lifted-up lava erupting super volcano equated with the temple}; *he shall mightily roar upon his habitation; he shall give a shout, as they that tread the grapes, against ALL the inhabitants of the earth.*

25:31 *A NOISE* {of the massive explosion of coals of fire from the high and lifted-up super volcano} *shall come even to the ends of the earth; for the LORD* {seventh plagued angel} *hath a controversy with the nations, he will plead with all flesh* {when the everlasting gospel is proclaimed during the five months of smoke and ash erupting from the super volcano}; *he will give them that are wicked to the SWORD* {being, at that time, death by flowing lava}, *saith the LORD.*

25:32 *Thus saith the LORD* {seventh plagued angel} *of HOSTS* {great hailstones and coals of fire}, *Behold, evil shall go forth from nation to nation, and a GREAT WHIRLWIND* {being a huge tornado with fiery rings, above which will be raining great hailstones representing the walls of new Jerusalem. This immense fiery whirlwind is around the high and lifted-up lava erupting

super volcano} *shall be raised up from the coasts of the earth (land).*

25:33 *And the slain of the LORD {according to the seventh plagues angel's visions and oracles} shall be at that day from one end of the earth {land} even unto the other end of the earth: they shall not be lamented, neither gathered, nor buried; they shall be dung upon the ground.*

Joel 2:11 *And the LORD {seventh plagues angel's visions and oracles} shall utter his VOICE {great voice of thunder caused by a great explosion of coals of magma upon the high and lifted-up super volcano} before his ARMY {of flowing lava}: for his camp is very great: for HE {seventh plagues angel} is strong that executeth his WORD {as written on the seventh plagues angel according to what the first witness and last witness saw and heard happening}: for the DAY {the day the super volcano explodes coals of magma} of the LORD {according to the seventh plagues angel's visions and oracles} is great and very terrible; and WHO CAN ABIDE IT {only the overcomers can enter the fiery ensign and abide with the fiery furnace}?*

Isaiah 13:8 *And THEY {rebellious} shall be AFRAID {on the day when the super volcano explodes coals of magma into the sky}: pangs and sorrows shall take hold of them; they shall be in pain as a woman that travaileth: they shall be amazed one at another; their faces shall be as*

flames.

13:9 *Behold, the DAY {on the day when the super volcano explodes coals of magma into the sky} of the LORD {according to the seventh plagues angel's visions and oracles} cometh, cruel both with wrath and fierce anger, to lay the land desolate {with flowing rivers of lava}: and he shall destroy the sinners thereof out of IT {out of the fallen USA, where new Jerusalem will be located}.*

13:10 *For the stars of heaven and the constellations thereof shall not give their light: the sun shall be darkened in his going forth, and the moon shall not cause her light to shine {the stars, sun, and moon over the USA will have been veiled by smoke and ash issuing for five months from an opened super volcano in the USA}.*

13:11 *And I {according to the seventh plagues angel's visions and oracles} will punish the world for their evil, and the wicked for their iniquity; and I will cause the arrogancy of the proud to cease, and will lay LOW {by a great earthquake caused by the massive explosion of coals of magma upon the high and lifted-up super volcano} the haughtiness of the terrible.*

Isaiah 32:2 *And a MAN {latter day messenger's message of a new everlasting gospel proclaimed to all nations} shall be as an hiding place from the wind {of a huge fiery tornado, surrounding new Jerusalem, that spawns many*

smaller whirlwinds}, *and a covert from the TEMPEST* {of hailstones}; *as rivers of water in a dry place* {within new Jerusalem}, *as the shadow of a great rock in a weary land.*
