

Chapter 6

Revelation 6:1 *And I saw when the LAMB* {the Lamb represents the message revealed from the seven-sealed scroll by the latter day living messenger} **OPENED ONE** {being the first} *of the* {seven} **SEALS** {there are seven individual seals/bands around the rolled-up scroll of life}, *and I heard, as it were the noise of THUNDER* {caused by the explosion of the top of the swelled to heaven bottomless pit/super volcano full of a lake of fire}, **ONE** {being the beast with the face of an eagle} *of the FOUR BEASTS saying, COME and SEE* {see what is written beneath the first seal}.

After the Lamb removed the first seal with his first horn, he could then see with his first of seven eyes the little written vision that was previously hidden beneath the first seal. When the Apostle John was shown the opening of the first seal in 90AD, the opening of the first seal had already happened in the previous replay of the last generation, which had been replayed during the judgment from the visions and oracles written on the last small part (equated with the seventh plagued angel) of the scroll of life.

A sound of thunder was heard when the Lamb removed the first of seven seals with the first of his seven horns. The sound of thunder is created by a massive explosion of coals of fire into the sky from the top of the swelled to heaven super volcano, full of a lake of fire. The explosion creates a great earthquake such as never happened that travels down through the swelled to heaven super volcano (full of a lake of fire), causing the lake of fire to begin overflowing and spreading throughout the land.

When the seventh plagued angel's written visions and oracles revealed the Lamb removing the first seal in Revelation 6:1, it is equated with the time when the latter day living messenger's new Daily truth message dawned from beneath the first seal of the scroll

of life at the beginning of the last generation. Some time thereafter, when latter day Babylon began to reign during its first of three reigning periods, the latter day living messenger began to reveal his message to the kingdom of latter day Babylon, which is according to what is written beneath the first seal.

Revelation 6:2 *And I* {Apostle John} **SAW** {a vision}, *and behold a WHITE HORSE* {illustrating a written oracle that speaks with the sound of thunder when the glowing wind/white horse ascends as a bright light out of the swelled to heaven bottomless pit and into the atmosphere to descend upon the land}: *and HE* {risen seventh plagued angel} *that sat on HIM* {white horse of intense light} *had a BOW* {because the rider upon the swelled to heaven super volcano full of a lake of fire fires his arrows of fire, that explode out of the swelled to heaven super volcano upon the land below}; *and a CROWN* {a reigning crown to first rule over the USA} *was GIVEN* {from the seventh plagued angel's visions and oracles} *unto HIM* {risen seventh plagued angel}: *and HE* {risen seventh plagued angel exploding from the swelled to heaven super volcano} *went forth CONQUERING, and to CONQUER* {when the risen seventh plagued angel explodes from the swelled to heaven super volcano, the lake of lava will be spreading throughout the USA and then to all nations, kindreds, tongues, and people}.

After the sign of Jonah, the super volcano opens with an earthquake, which is the key that causes the super volcano (bottomless pit) to open and erupt smoke and ash for five months in the USA. Five months thereafter, the seventh plagued angel (rider) rises as a lake of fire (filling the immense mouth of the super volcano) to sit on his intense light (white horse that is equated with the seventh plagued angel's throne). The rider represents the risen seventh plagued angel from the swelled to heaven bottomless pit, which is in the USA's

land.

The written vision beneath the scroll of life's first seal shows a rider on a white horse. The white horse represents the written oracle that speaks from beneath the scroll of life's first seal. This oracle is the sound of thunder that is caused when the swelled to heaven super volcano (full of a lake of fire) explodes its lake of fire into the sky, causing a great earthquake such as never happened.

The rider is on his white horse because the lake of fire (equated with the risen seventh plagued angel) that has filled the immense mouth of the swelled to heaven super volcano is radiating an intense white light (white horse). The reason that the rider on his white horse has a bow is because the lake of fire with its intense white light explodes into the sky from the top of the swelled to heaven super volcano and falls upon the land, just as arrows are shot in the air from the top of a mountain to descend below.

In Revelation 6:2, the rider (risen seventh plagued angel) is given an initial crown of the latter day ruling "great city" (USA's ruling capital) of confusion; thereby, becoming king over the USA. From that time, the effects of the rider (risen seventh plagued angel) on his white horse (intense light) progress throughout the land to make the white horse red with blood. Thereafter, the blood covered white horse becomes black by the thick black smoke after it had issued for five months. Then the white, red, and black colors of the rider's horse mixed together create a pale-colored horse. The rider on his pale-colored horse rides to conquer all remaining nations and takes their reigning crowns. He is also king over all the armies of hailstones of ice and coals of fire (lava).

The visions and oracles written beneath the first seal are written on the first small part of the scroll of life's first side. This first small part of the scroll of life's first side mixes with the last small part of the

scroll of life's other side (last side). Hence the reason why beneath the first seal (that was around the rolled-up scroll of life's first side) is written what happens at the beginning of the last small part of the scroll of life's first side and last side (other side). Accordingly at the beginning of the scroll of life's first part is showing what is written at the ending of the scroll of life's last part.

Prior to the earthquake that opens the bottomless pit after the sign of Jonah, the latter day messenger reveals the message of the rider on his white horse to the kingdom of latter day Babylon.

Revelation 6:3 And when HE {Lamb} had OPENED {with his second horn} the SECOND SEAL {second band around the rolled-up scroll of life}, I heard the SECOND BEAST {whose face is of a lion} say, Come and see.

From around the outside (first side) of the rolled-up scroll of life, the Lamb removed the second seal (band) with its second horn. The Lamb was then be able to look, with his second eye, at the written second part beneath the second seal.

Revelation 6:4 And there WENT OUT {went out a vision from beneath the removed second seal} another HORSE that was RED {hence the white horse is now covered in red blood}: and power was given to HIM {risen seventh plagued angel that is walking through the land as a flowing and spreading lake of fire} that sat thereon to TAKE PEACE {that existed before the swelled to heaven super volcano full of a lake of fire exploded into the sky} from the EARTH {land of the USA}, and that THEY {cities and states of the fallen USA} should KILL ONE ANOTHER: and there was given

unto HIM {rider/risen seventh plagued moving as a spreading lake of fire through the land} *a GREAT SWORD* {two edge sword which is equated with the two witnesses' visions and oracles of what they witnessed and heard concerning a terrible time of anarchy}.

The written vision beneath the scroll of life's second seal shows a rider on a red horse. The red horse represents the written oracle that speaks from the scroll of life's second seal.

The white horse is now the color of red, having been made red by the sword of anarchy wielded in the hand of the rider (the rider is the risen, descending, and spreading seventh plagued angel) with blood stained garments. This happens when the lake of fire is flowing throughout the USA's land. At that time there will be a terrible time of anarchy. Lawlessness shall then prevail in the land, as the governmental infrastructure collapses.

A time of peace will have become a time of survival for the cities and states, as the rider's white garment and white horse become stained with the red blood of his slaying sword of anarchy, which he will have been given after he fired his arrows. During that time, neighbor will be against neighbor, brother against brother (see Isaiah 9:19). Full-blown anarchy will prevail in the fallen USA. One state (tribe/brother) shall plunder (consume) the provisions (flesh) of a brother state (see Isaiah 9:20, 21). Hence, many people in the USA who rejected the present truth message of the everlasting gospel will have instead remained in the USA to be literally slaying each other (see Revelation 6:4) when the lake of fire spreads throughout the land. Accordingly, the spreading lake of fire will cause them to be spilling each others' red blood (hence the red color of the rider on his horse) with the figurative sword of anarchy.

Isaiah 9:19 *Through the wrath of the LORD* {risen, descending, and spreading seventh plagued angel/Lord} *of HOSTS* {raining great

hailstones} *is the LAND* {of the USA} *DARKENED* {by smoke and ash that had issued for five months from the time the bottomless pit/super volcano was opened}, *and the PEOPLE* {people of nations who refused to accept the everlasting gospel} *shall be as the FUEL OF THE FIRE* {flowing lake of fire/lava}: *no MAN* {that also represents a tribe/state} *shall SPARE* {hence a terrible time of anarchy} *his BROTHER* {that also represents a tribe/state within the same nation}.

As a lion's head devours its prey with its mouth, so the time of anarchy – as prophesied by the latter day messenger's message concerning the rider on his red horse – will destroy one part of rebellious people in the USA. From the time the risen seventh plagued angel descends and spreads throughout the land, full blown anarchy will be slaying one part of rebellious people in the USA and then in all other nations. The lake of fire will be overflowing and spreading from the immense 40-mile wide mouth of the swelled to heaven super volcano, as if it were issuing out of a lion's mouth and accompanied by the red horse (of intense light and heat). As the lake of fire overflows and spreads throughout the world, it will then bring a terrible time of the sword of anarchy upon all nations of the rebellious people, that rejected the everlasting gospel and remained in their nation instead of entering the ensign of new Jerusalem (see Ezekiel 38:21).

Ezekiel 38:21 *And I will call for a SWORD* {pertaining to anarchy} *against HIM* {latter day Babylon/USA} *throughout all MY* {risen, descending, and spreading seventh plagued angel} *MOUNTAINS* {within the fallen USA is where the mountain of new Eden is situated, while the lands of all nations are of the new Eden of the new Earth of one land mass having one sea}, *saith the Lord GOD* {seventh plagued angel}: *every man's SWORD* {during a time of anarchy} *shall be against his brother.*

Revelation 6:5 ***And when HE*** {Lamb} ***had OPENED*** {with his third horn} ***the THIRD SEAL*** {band}, ***I heard the THIRD BEAST*** {whose face was like a human/locust} ***say, Come and see. And I beheld, and lo a BLACK HORSE*** {representing hunger during a time of darkness}; ***and HE*** {the risen, descending, and spreading seventh plagued angel/rider on his white-colored blood-stained and darkened horse by smoke and ash} ***that sat on HIM*** {the blood-covered white horse that is made black by thick black smoke covering the darkened USA's land} ***had a PAIR of BALANCES*** {the right side of the balance is of the first witness' visions and oracles that reveal a terrible time of hunger, while the left side of this same balance is of the last witness' visions and oracles that reveal the same terrible time of hunger} ***in HIS*** {rider's} ***HAND.***

The Lamb removed the third seal (band), from around the rolled-up scroll of life, with his third horn. This exposes more of the writings on the rolled-up scroll of life's outside. He was then able to see, with his third eye, another little part (dawning) written on the rolled-up scroll of life's third part. This little vision was previously hidden beneath the third band.

The written vision beneath the rolled-up scroll of life's third seal shows a rider on a black horse. The black horse represents the written oracle that speaks from beneath the scroll of life's third seal. This third horse represents the message equated with the beast whose face resembled a man/locust. Its color of black refers to the dark days that cause famine of food, beginning with the land of the false prophet/USA (see the past type in Lamentations 4:7-10; Zechariah 14:16-19).

Lamentations 4:7 ***Her*** {old Jerusalem's} ***Nazarites were purer than snow, they were whiter than milk, they were more ruddy in body than***

rubies, their polishing was of sapphire:

4:8 *Their visage {during the siege against old rebellious Jerusalem} is blacker than a coal; they are not known in the streets: their skin cleaveth to their bones; it is withered, it is become like a stick.*

4:9 *They that be slain with the SWORD {quick death} are better than they that be slain with hunger: for these pine away, stricken through for want of the fruits of the field.*

4:10 *The hands of the pitiful women have sodden their own {dead} children: they were their meat in the destruction of the daughter {referring to old rebellious Jerusalem} of my people*

Zechariah 14:16 *And it shall come to pass, that EVERY ONE {every person of the third group of redeemed} that is left of all the nations which came against {new} Jerusalem {representing the first group and second group of redeemed who will have proclaimed the everlasting gospel to gather a great multitude of people} shall even GO UP {to the ensign of new Jerusalem} from year to year {in the time of judgment} to worship the King {reigning King of kings/seventh plagued angel revealing the visions and oracles written on the first small part and last small part of the scroll of life during the judgment}, the LORD {Lord of lords} of HOSTS {raining great hailstones}, and to keep the FEAST OF TABERNACLES {referring in our day to the time when the host of great hailstones/eagles are feasting on the fallen USA}.*

14:17 *And it shall be, that whoso will not come up of all the families of the earth unto {new} Jerusalem {which represents the time when the intense light of the ensign is seen emanating above the lifted-up to heaven super volcano's immense 40-mile wide mouth full of a lake of fire within the USA} to worship the King {seventh plagued angel according to what the first witness had seen and heard*

happen}, *the LORD* {the seventh plagued angel according to the what the last witness had seen and heard happen} *of HOSTS* {hosts of great hailstones raining on the USA}, *even upon THEM* {other nations} *shall be NO RAIN* {when the lake of fire bursts from the swelled to heaven super volcano and flows throughout the world}.

14:18 *And if the family of Egypt go not up, and come not, that have no rain; there shall be the plague, wherewith the LORD* {the risen, descending, and spreading seventh plagued angel} *will smite the heathen that come not up to keep the feast of tabernacles.*

14:19 *This shall be the punishment of Egypt* {referring to latter day spiritual Egypt/union of nations}, *and the punishment of ALL NATIONS that come not up to keep the FEAST OF TABERNACLES* {which begins from the time the lake of fire has filled the immense mouth of the swelled to heaven super volcano but has not yet erupted or overflowed}.

14:12 *And this shall be the plague wherewith the LORD* {the risen, descending, and spreading seventh plagued angel} *will smite all the people that have FOUGHT* {with the final message/everlasting gospel} *against* {new} *Jerusalem* {representing all three groups of redeemed during the time the lake of lava is filling the immense mouth of the lifted-up to heaven super volcano}; *Their flesh shall consume away* {because of hunger} *while they stand upon their feet, and their eyes shall consume away in their holes* {because of hunger}, *and their tongue* {which spoke against the new message} *shall consume away in their mouth* {which takes place during a time of famine in all nations because of the lake of fire overflowing and continually spreading from the immense mouth of the lifted-up to heaven super volcano}.

Isaiah 9:20 *And HE* {representing a nation/people} *SHALL* {when the seventh plagued angel has a great sword of anarchy and scales of

hunger} *snatch on the right hand, and be hungry; and he shall eat on the left hand, and they shall not be satisfied: they shall eat every MAN* {referring to every nation} *the FLESH* {provisions} *of his OWN ARM* {the spiritual arm/tribe/state in the same nation}:

9:21 *Manasseh, Ephraim; and Ephraim, Manasseh: and they together shall be against Judah. For all this HIS* {the risen, descending, and spreading seventh plagued angel} *anger is not turned away, but his HAND* {that holds the sword of anarchy and scales of hunger} *is STRETCHED OUT STILL* {bringing plagues on the fallen USA and all nations, as old Moses summon plagues by continually stretching out his hand over the land of old Egypt}.

The face of a locust that resembles a human with lion's teeth illustrates the plague of hunger, which first begins in the darkened land of the USA. At that time, the smoke and ash that erupted for five months will be completely covering the sky's illuminaries above the USA's land (see Revelation 9:2, 3). Thick smoke will envelop the USA in thick darkness while hot ash will have descended to eat agriculture. Without sunlight, all other plant life will quickly die in the land. At that time, the sun, moon, and stars over the USA will be veiled with thick smoke (see Ecclesiastes 12:2; Isaiah 60:2; Joel 2:31). When the lifted-up to heaven super volcano's immense mouth full of a lake of fire continually overflowing and spreads throughout the USA and world, a terrible time of hunger will be plaguing the USA and thereafter all other nations that the lake of fire spreads to.

Ecclesiastes 12:2 *While the sun, or the light, or the moon, or the stars, BE NOT DARKENED* {by smoke and ash issuing out of the opened bottomless pit/super volcano}, *NOR THE CLOUDS RETURN* {time of drought/famine because of the fiery whirlwinds and spreading lake of fire} *after the RAIN* {of great hailstones}:

Isaiah 60:2 *For, behold, the DARKNESS* {equated with the rider on

his black horse that represent the black darkness covering the fallen USA, created by smoke and ash that issued for five months from the opened super volcano} *shall cover the EARTH* {land of the USA}, *and gross darkness the people: but the LORD* {risen seventh plagued angel representing a lake of fire that will have filled the immense mouth of the swelled to heaven super volcano} *shall arise upon thee, and HIS GLORY* {of intense light radiating from the lake of fire} *shall be SEEN UPON THEE* {when the overcomers of all generations, nations, kindreds, tongues, and people enter the ensign of new Jerusalem}.

Joel 2:31 *The SUN shall be turned into DARKNESS, and the MOON into BLOOD* {hence the literal moon's light is dead/figuratively blood when it is veiled by thick smoke and ash after having issued from the opened super volcano for five months}, *before the GREAT AND THE TERRIBLE DAY COME* {on the day the immense lake of fire erupts, descends, and spreads throughout the USA and world} *of the LORD* {the risen, descending, and spreading seventh plagued angel}.

The rider with blackened face, clothing, and horse takes happens during a time of darkness covering the USA's land. This darkness is caused by the black smoke and ash that will have erupted for five months from the super volcano. The “scales” in the rider's hand refer to the two witnesses' combined written visions and oracles that reveal the same dark days of famine, as written beneath the third seal {third band} of the scroll of life.

After the initial five months of erupting smoke and ash (see Revelation 9:5), the super volcano swells to heaven and explodes, as it begins filling with a lake of fire. When the swelled to heaven super volcano is full of a lake of fire, all the redeemed will travel from all nations, kindreds, tongues, and people to enter the ensign of new

Jerusalem. Thereafter the lake of fire erupts with a great explosion (that causes a great earthquake such as never happened), as fire rains upon the land. From that time, the lake of fire will begin overflowing and spreading through the land bringing a time of anarchy and famine.

Before the super volcano opens after the sign of Jonah, the latter day messenger's message of the blackened rider on his black horse will have been sold as spiritual grains of barley and sold as spiritual grains of wheat. Spiritual grains of barley represent the scroll of life's words that will have written of the believers that became the first latter day group of redeemed before the super volcano opens after the sign of Jonah. Spiritual grains of wheat represent the scroll of life's words that will have written of the believers that became the second latter day group of redeemed before the super volcano opens. All people that refuse to purchase (by selling their old beliefs) the new knowledge – grains of wheat and barley – pertaining to latter day Solomon's message are spiritually starving to death. After the super volcano opens and is erupting smoke and ash for five months, the people that refuse to purchase (by selling their old beliefs) the message of the everlasting gospel will thereafter be literally starving to death.

Prior to the time the when the super volcano opens after the sign of Jonah, the latter day messenger's progressive message (new present truth) is revealed to the USA and other Christian nations. The latter day messenger's message is initially revealed from what is written beneath the scroll of life's six seals. Then his message reveals the six angels with trumpets written on the scroll of life's seventh part. Thereafter his message reveals the six lights and six thunders written on the seventh angel with trumpet before the super volcano begins erupting smoke and ash for five months after the sign of Jonah.

Revelation 6:6 *And I heard a VOICE* {of the ending of the sixth plagues angel} *in the midst of the four beasts say, A* {one} **MEASURE** {measured/numbered/marked once at the end of the 3½ days of the sign of Jonah, that begins when the two witnesses have finished prophesying for 1260 days} *of WHEAT* {symbolizing the scroll of life's words/spiritual wheat that write of the latter day believers who are of the 144,000 firstfruits/second group of redeemed} *for a PENNY* {referring to old beliefs}, *and THREE MEASURES* {the same true believers of the first group of redeemed are numbered/marked three times: marked once as a believer at the ending of the sixth seal, marked a second time as a believer at the ending of the sixth angel with trumpet, and will be marked a third third time as a believer at the ending of the sixth light of the seventh angel with trumpet at the end of the sign of Jonah} *of BARLEY* {barley represents the scroll of life's words/spiritual barley that write of the believers who are of the first group of redeemed} *for a PENNY* {representing old beliefs}; *and see thou HURT NOT* {before the harvest of fruits/great multitude is ripe} *the OIL and the WINE* {to attempt to gather the olives of the oil and the grapes of the wine of the spiritual fruit harvest/great multitude before the super volcano erupts smoke and ash would hurt this unripe harvest of a great multitude/third group of redeemed}.

The latter day living messenger weighs three separate times the first group of overcomers that are of the barley harvest. Each weighing happens at the end of latter day Babylon's three reigning periods. The latter day living messenger also weighs the second group of overcomers of the wheat harvest one time. This weighing of the wheat harvest happens at the end of the 3½ days of the sign of Jonah. Latter day Babylon' third reigning period begins ending at the end of these 3½ days because the super volcano opens. At the

opening of the super volcano, the latter day resurrection happens. All the patriarchs, prophets, messiahs, and apostles of all generations will resurrect (some will manifest) to life and health to be measured as barley, while all the resurrected disciples of all generations are measured as wheat.

Before the latter day resurrection happens at the opening of the super volcano, the latter day living people of the first group and second group of overcomers will have bought the two witnesses' visions and oracles as revealed by the latter day living messenger. The cost is one penny (denarius), which represents a person's old beliefs.

The first weighing of the first measure of barley for one penny is equated with the adult Israelites that took a lamb (this lamb is equated with the ending part of the sixth seal on which is written the last witness' visions and oracles) or he-goat (this he-goat is also equated with the ending part of the sixth seal on which is written the first witness' visions and oracles) kept it for 3½ days and then killed it and placed its blood (representing the visions and oracles written on the ending part of the sixth seal) on the door's lintel (equated with a person's forehead) of their house (equated with the mind) before the Exodus out of Egypt at the end of these 3½ days. The adult Israelites that believed old Moses' message placed the blood on the lintel of the entrance to their house. This was done after they believed Aaron's four signs (likened to the first witness' visions written beneath four seals) shown to Pharaoh of old Egypt and after Moses' six signs (likened to the last witness' visions written beneath six seals) were shown to Pharaoh of old Egypt.

The second weighing of barley is equated with the time when the Israelites were numbered before they entered Canaan after their first wilderness journey. The third weighing of Barley is equated with the time the Israelites were numbered again after they crossed the

wilderness for a second time just before they entered Canaan (Promised Land). In the second numbering were the matured children (equated with the wheat harvest) of the Israelites (equated with the Barley harvest). These children became adults during Israel's second wilderness journey of 40 years to Canaan.

The latter day messenger is to not hurt the oil and wine that pertains to the fruit harvest of olives and grapes. Prior to the opening of the bottomless pit, the fruit harvest (equated with the great multitude of all nations) is not ripe for harvesting. When the everlasting gospel is proclaimed to all nations during the time the super volcano is erupting smoke and ash for five months, then the fruit harvest will be ripened with the everlasting gospel. The everlasting gospel will be proclaimed by all overcomers that are of the first group and second group of redeemed of every generation. All of these overcomers are of the barley harvest (representing the first group of redeemed) and wheat harvest (representing the second group of redeemed).

The weighing of the ripened oil and grapes happens at the end of the five months when smoke and ash have finished erupting from the super volcano in the USA. At the end of these five months, a great earthquake will be felt around the world when the immense super volcano swells high-up into the sky and explodes. The explosion causes a deafening sound of thunder, which is referred to as the trumpet being blown to gather the redeemed. The great multitude will feel the massive earthquake in all nations as the trumpet (deafening sound of thunder) is blown and will travel to the high mountain of God (rising seventh plagued angel). When the immense mouth of the super volcano is full of a lake of fire and the intense light of the ensign of new Jerusalem is as a beacon on a high mountain, then all three groups of redeemed will be able to enter the intense light of the ensign to be within new Jerusalem. after all the redeemed are within new Jerusalem, then the swelled to heaven

super volcano explodes lava into the sky, as the lake of fire begins to overflow and spread throughout the world

The weighing of the ripened olives (olive oil) and grapes (wine) is equated with the children of the Israelites that became adults after the Israelites fought and removed the Canaanites from the old Promised Land.

Revelation 6:7 And when HE {Lamb} had OPENED {with his fourth horn} the FOURTH SEAL {fourth band}, I heard the voice of the FOURTH BEAST {with the face of a calf/Seraph} say, Come and see.

The Lamb removes the fourth seal/band, from around the rolled-up scroll of life, with his fourth horn. This exposes more of the writings on the scroll of life's outside. He was then able to see, with his fourth eye, another little part (dawning) on the rolled-up scroll of life's fourth part. This little vision was previously hidden beneath the fourth band.

Revelation 6:8 And I looked, and behold a PALE HORSE {the color of this pale horse is attained by mixing the white, red, and black colors of the same horse}: and HIS {the risen, descending, and spreading seventh plagued angel} NAME that sat on HIM {the pale colored horse} was DEATH {Abaddon}, and HELL {lake of lava/hellfire overflowing from the swelled to heaven bottomless pit/super volcano's immense mouth} FOLLOWED with HIM {the risen, descending, and spreading seventh plagued angel}. And power was given unto THEM {rider on his horse that now is the color of all three color of white, red, and black mixed together} over the

FOURTH PART {the fourth part of each state and city} ***of the EARTH*** {referring to the land of the USA}, ***to kill with SWORD*** {spiritual sword of anarchy in the hand of the rider on his blood-covered white horse}, ***and with HUNGER*** {spiritual scales in the hand of the blackened rider by darkness, as he rides his blackened and blood-covered white horse during darkness, caused by the erupted smoke and ash for five months}, ***and with DEATH*** {by the overflowing and spreading lake of lava from the immense mouth of the swelled to heaven super volcano}, ***and with the BEASTS*** {referring to the four beasts/four horses. One beast/horse had the face of an eagle equated with an arrow/explosion of fire/lava from the swelled to heaven super volcano; another beast/horse had a face of a lion equated with a sword/anarchy; another beast/horse had a face of a man/locust equated with scales/hunger; a fourth beast/horse had a face of a calf/Seraph equated with death by fiery whirlwinds/tornadoes during the overflowing and spreading lake of fire}, ***of the EARTH*** {USA's land/earth}.

A small vision of a pale horse and its pale rider is written beneath the fourth seal. This vision and oracle of the pale horse rider contains all the visions and oracles that are written beneath the first seal, second seal, and third seal. Accordingly, the fourth rider on the pale horse is named death because the pale rider and his pale horse bring death when many fiery whirlwinds that are spawned from the immense fiery whirlwind around the super volcano's high mountain, overflowing with a lake of fire. Therefore the pale rider and his pale horse bring death: by the rider now with many crowns with bow on the white horse that represent death by ejected coals of fire and great hailstones/arrows, by the same rider but with sword on the red horse that represent death by anarchy, and the same rider but with scales on the black horse that represent death by hunger. The pale horse in Revelation 6:8 is equated with the fourth beast whose face is of a calf/Seraph in Revelation 4:7. As a running bull or ox toss and turn

things in their path, so the many fiery whirlwinds will toss and turn and drive out the remaining unconverted Canaanites from the latter day Promised Land (fallen USA).

The vision and oracle of the rider on the white-colored, blood-stained, blackened, and paled horse has the name of Death, which is the same name as Abaddon/Destroyer (see Revelation 9:11). When the swelled to heaven super volcano explodes full of a lake of fire explodes into the sky, the rider on the white horse will have one crown as it rules over the fallen USA. However when the rider on his pale horse is being fulfilled, then the rider on the white horse will have many crowns of all nations.

The USA's cities and states that reject the revealed message of the pale horse and its rider will literally meet Death (pale rider on his pale horse) when the super volcano explodes coals of fire into the sky, causing a great earthquake such as never happened. An overflowing lake of fire from hell (bottomless pit) follows the pale rider and his pale horse. The rider of the pale horse is the same rider on the white-colored, blood-stained, darkened horse, that mixed together create the pale-colored rider and horse.

The pale rider on his pale horse represent fiery whirlwinds that are armed with bow to fire arrows of coals of fire and great hailstones, sword of anarchy, and scales of famine. These instruments in the pale rider's hand are prophesied to be fulfilled according to what the two witnesses have already seen happen and wrote on the scroll of life. As predicted, destruction will come upon rebellious people who failed to accept the everlasting gospel to overcome their old beliefs. Accordingly these figurative instruments of arrows, sword, scales, and death will be fulfilled upon nations, kindreds, tongues, and people that were warned of the seventh plagues angel's instruments but rejected the warnings of the everlasting gospel.

Beneath the fourth seal are all the messages written beneath the first seal, second seal, and third seal. Hence this fourth part, on which is written the rider of the pale horse, will effect all of the USA's states and cities that are afflicted as described by the visions and oracles written beneath four of seven seals on the scroll of life's first side. From the time the swelled to heaven super volcano full of a lake of fire has exploded arrows of fire into the sky, the lake of fire will be overflowing and spreading throughout the USA. In that time, the USA's states and cities begin being tormented with the great sword of anarchy and balances of famine. Then the pale-horse rider named death (Abaddon) is fulfilled. At that time, many whirlwinds of fire will manifest as the lake of fire spreads throughout the land, bringing coals of fire and great hailstones upon the fallen USA.

Psalm 68:17 The chariots {whirlwinds/tornadoes} of God {the risen, descending, and spreading seventh plagues angel} are twenty thousand, even thousands of angels {being messengers/angels that are of the first group of 12,000 redeemed and of the second group of 144,000 redeemed}: the Lord {the risen seventh plagues angel} is among them, as in Sinai, in the holy place {the holy place represents the immense mouth filled with an overflowing lake of fire from the swelled to heaven super volcano}.

At this time prior to the super volcano opening at the end of the sign of Jonah, the people in the USA and other nations are being warned of the imminent super volcano's opening by a great earthquake in the USA. Thereafter when the super volcano is erupting smoke and ash for five months, all nations will be warned (when the everlasting gospel is being proclaimed) of the lake of fire exploding into the sky, that brings a terrible time of anarchy, and a terrible time of famine. Following the pale horse rider (representing great fiery whirlwinds) is death by coals of fire and hailstones, anarchy, and famine.

Before the destined super volcano's explosion in the USA opens the bottomless pit, any person living in the last generation that has an ear to hear will believe what is being revealed, overcome their old beliefs, and be ready for the sign of Jonah that happens three and a half days before the super volcano opens and continually erupts smoke and ash for five months. At the time the super volcano begins to erupt smoke and ash continually, all overcomers of all generations will resurrect to be living in the last generation to learn a new song (everlasting gospel), which they begin proclaiming with the power of the holy Spirit to all nations after the new day of Pentecost.

Revelation 6:9 And when HE {Lamb} ***had OPENED*** {with his fifth horn and saw with his fifth eye} ***the FIFTH SEAL*** {band}, ***I*** {Apostle John} ***SAW UNDER THE ALTAR*** {being the golden altar of incense, situated in the old temple's holy place near the holy of holies, representing the super volcano's immense mouth when it is erupting smoke and ash for five months} ***the SOULS*** {spirits/ghosts} ***of THEM*** {the latter day people slain while proclaiming the everlasting gospel} ***that were SLAIN for the WORD*** {words written beneath four seals of the scroll of life} ***OF GOD*** {seventh plagued angel}, ***and for the TESTIMONY*** {pertaining to what they testified, as written beneath four seals of the scroll of life} ***which THEY HELD*** {they held and believed as they proclaimed the everlasting gospel to all nations}:

At the end of the sign of Jonah, the super volcano opens with a great explosion, as smoke and ash erupt for five months. At the opening of the super volcano, the latter day resurrection to life and health happens for all the dead of all generations. Among the resurrected dead people are the resurrected patriarchs, prophets, messiahs, apostles, and disciples of all generations. These overcomers of all

generations resurrect to become the brethren and fellowservants of the overcomers living in the last generation. During the new days of Pentecost, all brethren and fellowservants learn a new song of the everlasting gospel. At the beginning of the 50th day of new Pentecost, the brethren and fellowservants receive the power of the Holy Spirit. Then they proclaim the everlasting gospel to all nations, kindreds, tongues, and people while the super volcano is erupting smoke and ash for five months.

When the golden alter mentioned in Revelation 6:9 is burning coals of fire, it represents the super volcano when it is erupting smoke and ash for five months. In the old temple, the golden altar of incense was placed in the holy room of the temple very close to the curtain that led to the holiest room (holy of hollies) of the temple. The reason is that the super volcano erupts smoke and ash for five months and then the super volcano swells to heaven and explodes, as a lake of fire begins filling the immense mouth of the swelled to heaven super volcano. Then when the swelled to heaven super volcano is full of a lake of fire and radiating an intense light, it is equated with the time when the Shekinah glory would manifest on the mercy seat of the Ark of the testimony, that was in the Holy of Hollies

While the brethren (first group of redeemed) and fellowservants (second group of redeemed) are proclaiming the everlasting gospel when smoke and ash are erupting from the super volcano, the governments of all nations will make it illegal for any person to divide the people by proclaiming a message that states that the world will be destroyed by the super volcano. However, the brethren and fellowservants having the power of the Holy Spirit will be slain for doing the laws and testimony of the seventh plagued angel over the laws of any nation. Accordingly, they will continue proclaiming the everlasting gospel to save a great multitude of people before the

seventh plagues angel begins rising as a lake of fire and fills the immense mouth of the swelled to heaven bottomless pit. While they proclaim the everlasting gospel to all nations, they will be persecuted, imprisoned, and killed by the authorities and by the people that reject the seventh plagues angel's laws and testimony revealed by the everlasting gospel.

When the brethren and fellowservants are proclaiming the everlasting gospel during the five month that the super volcano is erupting smoke and ash, they will be persecuted and most will be killed before the seventh plagues angel begins to rise. These saints (priests and elders of the seventh plagues angel's temple) beneath the altar will have been martyred throughout the time they are proclaiming the everlasting gospel. Accordingly when they are killed, their souls (ghosts/spirits) will be beneath the golden altar of incense. The golden altar burning coals of fire represents the super volcano's immense mouth when it is erupting smoke and ash for five months.

Revelation 6:10 And THEY {slain brethren and fellowservants} ***cried with a loud voice, saying, HOW LONG, O Lord*** {seventh plagues angel who has not yet begun to rise from the bottomless pit} ***HOLY*** {first witness} ***and TRUE*** {last witness}, ***dost thou not JUDGE and AVENGE OUR*** {referring to the dead brethren and fellowservants} ***BLOOD*** {death} ***on THEM*** {rebellious nations and people that killed them} ***that dwell on the earth*** {land}?

The souls (ghosts/spirits) of the slain brethren and fellowservants cry out from beneath the golden altar. The golden altar with burning hot coals represents the super volcano when it is erupting smoke and ash for five months. During that time, the souls of the martyrs are crying out saying how long before the seventh plagues angel rises and

descends upon the rebellious nations and people to avenge the blood (death) of the slain brethren and fellowservants.

The reason the souls of the brethren and fellowservants are beneath the golden altar (which is equated with the super volcano) is that when the seventh plagued angel begins rising from the swelled to heaven super volcano (as it fills with a lake of fire), the slain brethren and fellowservants will also resurrect to life and health to travel to the rising ensign of intense light.

Revelation 6:11 And WHITE ROBES {representing the bright light of the risen seventh plagued angel} ***were GIVEN*** {to all martyrs} ***unto every one of them: and it was said unto them, that they should REST*** {rest from proclaiming the everlasting gospel to all nations} ***yet for a LITTLE SEASON*** {till the end of the five months of smoke and ash}, ***until their FELLOWSERVANTS*** {being disciples that are of the second group of redeemed still proclaiming the everlasting gospel} ***also and their BRETHERN*** {being apostles that are of the first group of redeemed still proclaiming the everlasting gospel}, ***that SHOULD BE KILLED*** {should all be killed but are not because the seventh plagued angel will begin to rise from the swelled to heaven super volcano at the end of five months of erupting smoke and ash} ***as THEY WERE*** {martyred}, ***SHOULD*** {would have all been martyred had the seventh plagued angel not began to rise from the swelled to heaven bottomless pit} ***BE FULFILLED.***

White robes are given to the martyrs that are killed for proclaiming the everlasting gospel. The reason the souls of the martyrs are given their white robes is that they will resurrect when the seventh plagued angel begins to rise as a lake of fire with an intense white light, which is equated with the white robes.

Brethren and fellowservants are killed as they proclaim the gospel throughout the five months of erupting smoke and ash. The martyred brethren and fellowservants rest from proclaiming the everlasting gospel to all nations. All brethren and all fellowseravants should be killed but the rising of the seventh plagued angel brings an end to the deaths of the brethren and fellowservants. At that time when the seventh plagued angel is rising, the brethren and fellowservants are no longer proclaiming the everlasting gospel. If the everlasting gospel was to be proclaimed for a longer period than to the end of the five months of erupting smoke and ash, then eventually all the brethren and fellowservants would be slain by the rebellious nations and people (see Psalms 116:15).

Psalms 116:15 Precious in the sight of the LORD {seventh plagued angel} is the DEATH {martyred for proclaiming the everlasting gospel to ripen a great multitude of people} of his SAINTS {of priests/brethren and elders/fellowservants}.

Revelation 6:12 And I beheld when HE {Lamb} had OPENED {with his sixth horn} the SIXTH SEAL {on this sixth seal is also written the visions and oracles beneath the previous five seals}, and, lo, there was a GREAT EARTHQUAKE {caused by the massive eruption of the swelled to heaven super volcano when it is full of a lake of fire}; and the SUN {over the USA} became BLACK as sackcloth of HAIR {sunlight over the USA is not visible after five months of erupting smoke and ash}, and the MOON {over the USA} became as BLOOD {hence the moon is dead/blood when covered by the smoke and ash};

The Lamb removes the sixth seal/band, from around the rolled-up scroll of life, with his sixth horn. This exposes more of the writings on the scroll of life's outside. He was then able to see, with his sixth

eye, another little part (dawning) on the rolled-up scroll of life's sixth part. This little vision was previously hidden beneath the sixth seal/band.

The vision beneath the sixth seal reveals the time when the swelled to heaven super volcano full of a lake of fire explodes with a massive eruption. The massive eruption is so immense that it causes the great earthquake mentioned in Revelation 6:12. This great earthquake is like no other earthquake that had happened before. Before this great earthquake happens, all the redeemed will have entered the ensign of new Jerusalem. The great earthquake causes the lake of fire (that filled the immense mouth of the swelled to heaven super volcano) to continually overflow and spread throughout the USA and to all remaining nations, kindreds, tongues, and people that had rejected the everlasting gospel. At that time when the lake of fire is overflowing and spreading throughout the land, the Lord God (risen seventh plagued angel) will be avenging the blood of his saints on all like-minded rebellious people. In that time, the sun's light and moon's light over the fallen USA will be dead (referred to as blood), being completely covered by the smoke and ash that had erupted for five months, see Psalms 18:7, Joel 2:10.

Psalms 18:7 *Then the EARTH SHOOK* {as the swelled to heaven super volcano explodes magma into the sky} *and trembled; the foundations also of the hills moved and were shaken* {because of the great earthquake caused by the massive explosion}, *because HE* {risen seventh plagued angel from the swelled to heaven bottomless pit/super volcano} *was WROTH* .

Joel 2:10 *The EARTH* {land} *shall QUAKE* {quakes at the massive explosion of the swelled to heaven super volcano full of a lake of fire} *before THEM* {rivers of flowing lava from the overflowing and expanding lake of fire}; *the HEAVENS* {skies above and around the

swelled to heaven super volcano full of a lake of fire} *shall TREMBLE* {shock waves in the atmosphere/heavens caused by the deafening sound of the thunderous explosion}: *the SUN and the MOON shall be DARK* {when, after five months, smoke and hot ash have finished erupting from the opened bottomless pit/super volcano}, *and the STARS* {being veiled by smoke and hot ash veiling the sky} *shall withdraw their shining*:

Isaiah 13:10 *For the STARS of heaven and the CONSTELLATIONS thereof shall NOT GIVE THEIR LIGHT: the SUN shall be DARKENED in his going forth, and the MOON shall NOT cause her light to SHINE* {because all these luminaries will have been veiled by five months of erupting smoke and ash in the USA}.

Zephaniah 1:15 *That DAY* {after five months of erupting smoke and ash when the seventh plagues angel has risen and is descending as a lake of fire from the swelled to heaven bottomless pit} *is a day of wrath, a day of trouble and distress, a day of wasteness and desolation, a day of DARKNESS and gloominess, a day of clouds and THICK DARKNESS,*

From the first timeline from Genesis through the last generation, the two witnesses (Michael and Gabriel) had already seen and heard (witnessed) what caused the massive earthquake such as never happened. The super volcano sits in the USA. It is the biggest and most active super volcano in the USA and world. The mouth of the super volcano is more than 40 miles in diameter. During the judgment, the seventh plagues angel's written visions and oracles have shown during each replay of the last generation how the swelled to heaven super volcano exploded with tremendous force coals of fire into the sky, which caused a great sound of thunder and the massive earthquake. The deafening sound (thunder) of the explosion of coals of magma high into the atmosphere caused shock

waves in the skies.

Each time the first generation is replayed by the visions and oracles written on the seventh plagues angel, Elohiym {seventh plagues angel} is seen telling Adam and Eve to “replenish” the land, as they had done in a previous replay of their generation (see Genesis 1:28). During the replay of all generations, Elohiym revealed to the prophets what would take place in their generation and the last generation. Hence, from the replay of the first/beginning generation, Elohiym was able to reveal the things that had already happened at the end of this world (see Isaiah 42:9; 46:10). Cain killed Abel in the first timeline. In the replay of that generation, Abel’s blood figuratively cried out to Elohiym from the record of what took place in the previous replay of that generation (see Genesis 4:10). Elohiym knew when the flood was going to take place in Noah’s replayed generation, since the flood had happened in the first timeline. After the flood, Noah and his sons were also told to replenish the land (see Genesis 9:1). Elisha was able to warn the king of Israel of an ambush made by the Syrians, since the ambush already happened in a previous replay (see 2 Kings 6:8-12). Daniel revealed future events to King Nebuchadnezzar (see Daniel 2:29). The Psalmist wrote of Yahshua’s crucifixion – as directed by the seventh plagues angel's spirit – since that event had already happened in Yahshua’s generation in the first timeline (see Psalms 22:18; Luke 23:34). During each replay of Yahshua's/Jesus' generation, Yahshua stated to Peter that in that same night Peter would deny him three times before sunrise (cock-crows). The spirit revealed to Yahshua what Peter was about to do in that night because Peter had already done it in the first timeline of that generation (see Matthew 26:33-35).

Genesis 1:28 *And God {Elohiym/seventh plagues angel} blessed THEM {Adam and Eve}, and God said unto them, Be fruitful, and multiply, and REPLENISH {replenish the Earth, just as they had*

repopulated the Earth in the first timeline} *the earth* {land}, and subdue it: and have dominion over the fish of the sea, and over the fowl of the air, and over every living thing that moveth upon the earth.

Isaiah 42:9 Behold, the former things are come to pass, and NEW THINGS do I DECLARE {future predictions}: BEFORE they spring forth I {seventh plagued angel who represents the first small part and last small part of the scroll of life's two sides} tell you of them.

Isaiah 46:10 DECLARING {hence what God said to the prophets as written in the Bible} THE END {when the overflowing and spreading lake of lava has covered the world} from THE BEGINNING {prophesying of the end from the beginning/first generation of Genesis}, and {prophesying} from ancient times the things that are not yet done, saying, My counsel shall stand, and I {seventh plagued angel} will do all my pleasure:

2 Kings 6:12 And one of his servants said, None, my lord, O king: but Elisha, the prophet that is in Israel, telleth the king of Israel the words that thou speakest in thy bedchamber.

Psalms 22:18 THEY {Roman soldiers} PART MY {Yahshua's/Jesus'} GARMENTS among them, and CAST LOTS upon my vesture.

Daniel 2:29 As for thee, O king {Nebuchadnezzar}, thy thoughts came into thy mind upon thy bed, what should COME TO PASS HEREAFTER {future prophecies}: and HE {Gabriel} that revealeth secrets maketh known to thee what shall come to pass.

Luke 23:34 Then said Jesus, Father, forgive them; for they know not what they do. And THEY PARTED HIS RAIMENT, and CAST LOTS.

Matthew 26:34 *Jesus said unto HIM {Peter}, Verily I say unto thee, That THIS NIGHT, before the cock crow {before sunrise}, thou shalt DENY ME THRICE {since Peter had denied Yahshua/Jesus three times in that same night in the first timeline of his generation}.*

Everything that is happening and will happen has already happened. Our lives are being replayed. There is nothing new that has not been done in a previous replay of the same generation (see Ecclesiastes 1:9, 10; 3:15). The reason for the many replays is to educate the perfect people (that live eternally and naturally with no man made things in the real perfect world) about the ways of a world where people and animals can think and do evil and good. What happened in Eden as written in the Book of Genesis when Adam and Eve partook of the forbidden fruit is a reenactment of what happened in the real world. Just as people in this world of good and evil need to watch a complex movie several times to understand it, so our world is replayed many times so the people of the real world (viewing telepathically each replay in their mind) understand the repercussions of a world where good and evil co-exist.

In the first replay of all generations, Elohiym spoke to prophets of past generations of things that will happen in the future. These prophets wrote in scrolls Elohiym's words that prophesy of the future. Many of these scrolls are now compiled in our modern-day Bibles. The latter day living messenger's message is the only saving truth for people living in this last generation when the super volcano in the USA is opened, just as it happened in a previous replay of this last generation.

Ecclesiastes 1:9 *The THING {that exists and is happening} that HATH BEEN {in a previous replay}, it is that which SHALL BE {happens again in the next replay of the same generation}; and that which IS DONE {presently} is that which SHALL BE DONE {in the*

next replay}: *and there is NO NEW THING* {that did not already happen in the previous replay of the same generation} *under the sun.*

1:10 *Is there any thing whereof it may be said, See, this is new? IT HATH BEEN ALREADY of old time, which was before us.*

Ecclesiastes 3:15 *That which HATH BEEN* {in a previous replay} *is NOW* {happening again in the present replay}; *and that which IS TO BE* {future event} *hath ALREADY BEEN* {already happened}; *and God* {seventh plagued angel who represents the first small part and last small part of the scroll of life's two sides} *requireth that which is PAST* {already happened}.

4 Ezra 4:5 *And I said, Tell on, my lord. Then said he unto me, Go thy way, weigh me the weight of the fire, or measure me the blast of the wind, or CALL ME AGAIN* {replay} *THE DAY THAT IS PAST* {as Elohiym/seventh plague angel does}.

Revelation 6:13 *And the STARS* {representing great hailstones and coals of fire} *of heaven* {Sky} *FELL* {as a terrible shower} *unto the EARTH* {USA's land}, *even as a fig tree casteth her untimely figs, when she is shaken of a MIGHTY WIND* {deafening blast of thunder caused by the massive eruption}.

The stars falling to earth represent great hailstones and coals of fire raining down from above and around the swelled to heaven super volcano, as the lake of fire is overflowing and spreading through the land. The intense heat emanating from the immense 40-mile wide mouth of the swelled to heaven super volcano overflowing with a lake of lava created a huge fiery whirlwind around it, as many smaller fiery whirlwinds are created when the lake of fire is spreading through the land. Great hailstones will rain down, while

coals of fire will be falling from the sky on the USA's land (see Psalms 18:13, 14). These armies of spiritual Persians (representing great hailstones) and spiritual Medes (representing falling coals of fire) will violently rain upon latter day Babylon's kingdom, beginning with the USA. A shower of bright/illuminating great hailstones of ice and falling coals of fire will give the impression in the darkened land that the stars of heaven are falling to Earth (land). In the Book of Revelation, the shower of great hailstones and coals of fire are illustrated as figs being blown from a fig tree by a mighty wind (see Revelation 6:13). The mighty wind is equated with the great sound of thunder caused by the immense explosion of the swelled to heaven super volcano full of a lake of fire.

Psalms 18:13 *The LORD* {risen seventh plagued angel is as a lake of fire that has filled the immense mouth of the swelled to heaven super volcano} *also THUNDERED* {being the deafening sound of thunder made by the immense explosion of the swelled to heaven super volcano full of a lake of fire, as coals of magma rain upon the land} *in the heavens* {the sky above the swelled to heaven super volcano}, *and the Highest* {being the risen seventh plagued angel's intense light radiating high into the sky from the immense super volcano, as the lake of fire begins overflowing} *gave his VOICE* {of a deafening sound of thunder}; *HAIL STONES* {voices of great hailstones} *and COALS OF FIRE* {massive eruption of coals of magma falling upon the land}.

18:14 *Yea, HE* {seventh plagued angel} *sent out his ARROWS* {great hailstones and coals of fire}, *and scattered them; and he shot out LIGHTNINGS* {from the top of the swelled to heaven super volcano}, *and discomfited THEM* {initially discomfits the people in the USA that rejected the everlasting gospel and chose to remain outside the ensign of new Jerusalem}.

Revelation 6:14 *And the HEAVEN* {starry sky} **DEPARTED AS A SCROLL** {since the starry sky will have been veiled by the smoke and ash that had issued for five months from the super volcano} **when it is rolled together; and EVERY MOUNTAIN** {representing cities} **and ISLAND** {representing states} **were MOVED out of their PLACES** {by the swelled to heaven super volcano's massive explosion of coals of magma into the sky. This massive explosion creates a great earthquake such as never happened}.

After five months of smoke and ash have issued from the super volcano in the USA, thick darkness will be veiling the sky and stars. At that time, the sky over the USA will have, as it were, disappeared like rolling up a scroll. When the swelled to heaven super volcano (full of a lake of fire) explodes coals of fire (magma) into the sky. The explosion is so massive that it creates a great earthquake such as never happened. This great earthquake in the USA moves mountains (representing cities) and islands (representing states) from their foundations. Every building in cities and states will be ruined by the great earthquake.

Prior to the opening of the super volcano, the USA built huge towers rising up to heaven to be like the most high (risen seventh plagued angel) reigning on his throne of intense light in the fallen USA.

Isaiah 14:12 *How art thou fallen from heaven, O Lucifer* {referring to the USA's\latter day Babylon's ruling nation that is the light/Lucifer for the nations of its kingdom}, *son of the MORNING* {being the USA's vision for the world's future, which is likened to the sun's morning light for the land}! *how art THOU* {USA} *cut down to the ground* {by the great earthquake such as never happened}, which *didst weaken the nations* {according to what the USA had envisioned for the nations and the world's future}!

Isaiah 14:13 For **THOU** {USA} hast said in thine heart, I will ascend into heaven {by continually building many high structures to the sky/heaven}, I will exalt **MY** {USA's} **THRONE** {the ruling seat/throne in the USA's capital ruling over the latter day Babylonian beast/kingdom} above the **STARS** {above the stars of great hailstones and coals of fire} of God {seventh plagued angel}: I {USA's ruling throne} will sit also upon the **MOUNT** {super volcano, which lies beneath the USA} of the **CONGREGATION** {being new Jerusalem where the judgment is happening}, in the sides of the **NORTH** {equated with old Babylon in the north but fulfilled by latter day Babylon/USA}:

14:14 I {USA} will ascend above the heights of the **CLOUDS** {where clouds of smoke, ash, and then hailstones will be}; I will be like the **MOST HIGH** {the USA wants to continually reign over all nations, just as the prophecy states that seventh plagued angel will rise to sit on his throne of intense light and reign over the USA and all nations}.

14:15 Yet **THOU** {USA's buildings} shalt be **BROUGHT DOWN** {by the great earthquake such as never happened} to **HELL** {to be covered by hellfire/flowing lake of lava}, to the **SIDES** {hence, round about} of the **PIT** {the immense mouth/bottomless pit upon the swelled to heaven super volcano, that fills with a lake of fire that overflows and covers the world}.

Revelation 6:15 And the {rebellious} **KINGS** {leaders} of the **EARTH** {land of latter day Babylon, beginning with the USA}, and the **GREAT MEN** {of large states}, and the **RICH MEN** {of wealthy states}, and the **CHIEF CAPTAINS** {of ruling states}, and the **MIGHTY MEN** {of strong states}, and **EVERY BONDMAN** {of enslaved states}, and **EVERY FREE MAN** {of regular states}, **HID THEMSELVES** {after the great earthquake such as never

happened} *in the dens and in the rocks of the mountains;*

Every person in the fallen USA that rejected the everlasting gospel will have remained outside of new Jerusalem's ensign. At that time, the seventh plagued angel's visions and oracles are revealing the time when the face and mouth upon the swelled to heaven super volcano are no longer covered by smoke and ash but by an intense light. Upon the swelled to heaven super volcano is seen the risen light of the seventh plagued angel with his face of magma. At the great earthquake such as never happened, the lake of fire continually overflows and spreads from the opened mouth (spiritual temple) throughout the USA and world. The immense mouth (full of an overflowing and spreading lake of fire) of the swelled to heaven super volcano is a bottomless pit that reaches to the fiery hell deep within the planet. At the time when the risen seventh plagued angel descends with a great eruption of coals of fire from the swelled to heaven super volcano, all people in the USA will flee to the dens and rocks of mountains hoping they will be hidden from the overflowing and spreading lake of fire, raining great hailstones, and many tornadoes.

Revelation 6:16 And said to the mountains and rocks, Fall on us, and hide us from the FACE {face of the lake of fire, that is overflowing and spreading from the swelled to heaven super volcano full of a lake of fire} ***of HIM*** {risen seventh plagued angel} ***that sitteth on the THRONE*** {reigning on his throne of intense light}, ***and from the WRATH of the LAMB*** {the Lamb represents the message that revealed the scroll of life's visions and oracles. From these visions and oracles is revealed the anger of the swelled to heaven exploded super volcano when it is full of a lake of fire, which is also the Lamb's wrath}:

In Revelation 6:16, it is as if the fallen USA's states themselves are asking the mountains and rocks to fall on their land and cover the states from the seventh plagues angel's risen face of a lake of fire, that had filled and began overflowing from the immense mouth of the swelled to heaven super volcano. From the time the super volcano has filled with a lake of fire and thereafter explodes coals of fire into the sky, the seventh plagues angel's visions and oracles will be sitting and reigning on the ruling throne (within the fallen USA) of later day Babylon's kingdom.

The fallen USA's states want to hide from the seventh plagues angel's face of an overflowing and spreading lake of fire, which happens because the lamb (message) is revealing the scroll of life during the judgment. When the scroll of life is being revealed by the Lamb, the scroll of life's revealed visions and oracles replay the things that happened in the last generation, time of the new heaven and new Earth, and the things that are happening during the judgment. Hence when the Lamb is revealing the visions and oracles that replay the time when the risen seventh plagues angel face of a lake of fire becomes visible, it is also equated with the wrath (anger) of the Lamb.

Revelation 6:17 For the GREAT {huge} DAY {the day when the immense 40-mile wide mouth of the swelled to heaven super volcano full of a lake of fire explodes coals of fire into the sky} of HIS {risen seventh plagues angel} wrath is come; and WHO SHALL BE ABLE TO STAND {only the overcomers/three groups of redeemed that will have already entered the fiery ensign will be standing safely within new Jerusalem}?

After the immense mouth of the swelled to heaven super volcano is full of a lake of fire, a massive explosion of coals of fire will erupt into the sky from the top of the immense 40-mile wide mouth. On

that huge and dreadful day of the massive explosion, the lake of fire will begin to overflow and spread throughout the USA. On that great and dreadful day, latter day Babylon's kings/leaders, great men, rich men, chief captains, mighty men, bondmen, and free men will all be wanting to be hidden beneath rocks and mountains to survive. The reason is that from that day, the immense lake of fire within the 40-mile wide mouth of the swelled to heaven super volcano will begin to overflow and spread to consume and cover the USA (see Joel 2:3).

Joel 2:3 *A FIRE* {referring to armies/rivers of flowing lava from the lake of fire in the immense mouth of the swelled to heaven super volcano} *devoureth before them; and behind them a flame burneth: the land is as the garden of Eden before them, and behind them a desolate wilderness; yea, and nothing shall escape them.*

Nahum 1:6 *Who can stand before HIS* {risen seventh plagued angel's} *indignation? and who can abide in the fierceness of his anger* {when he explodes out of the top of the swelled to heaven super volcano full of a lake of fire}? *his fury is poured out like FIRE* {lava}, *and the ROCKS* {during a great earthquake such as never happened} *are thrown down by HIM* {when the risen seventh plagued angel erupts from the top of the swelled to heaven super volcano full of a lake of fire}.

Joel 2:6 *Before THEIR FACE* {of flowing armies/rivers of lava, equated with the redeemed, from the overflowing and spreading lake of lava} *the* {rebellious} *PEOPLE* {who rejected the everlasting gospel and remained outside new Jerusalem's ensign} *shall be much pained: all faces shall gather blackness* {being the look of doom and gloom/spiritual blackness on people's faces}.

Jeremiah 25:30 *Therefore prophesy thou against THEM* {referring in the latter days to people living in the USA} *all these words, and say unto them, The LORD* {risen the seventh plagued angel} *shall*

ROAR {as a massive explosion/eruption} *from ON HIGH* {of the high/swelled to heaven super volcano full of a lake of fire}, *and utter his VOICE* {of deafening thunder caused by the massive explosion of the swelled to heaven super volcano} *from his HOLY HABITATION* {being the swelled to heaven super volcano's immense mouth, which is equated with the seventh plagued angel's temple}; *HE* {risen seventh plagued angel} *shall mightily roar upon his habitation; he shall give a shout, as they that tread the grapes, against ALL the inhabitants of the earth.*

25:31 *A NOISE* {of the massive explosion/eruption of coals of fire from the swelled to heaven super volcano full of a lake of fire} *shall come even to the ends of the earth; for the LORD* {risen seventh plagued angel} *hath a controversy with the nations, he will plead with all flesh* {when the everlasting gospel is proclaimed during the five months of smoke and ash erupting from the super volcano}; *he will give them that are wicked to the SWORD* {being, at that time, death by an overflowing and spreading lake of fire}, *saith the LORD.*

25:32 *Thus saith the LORD* {seventh plagued angel} *of HOSTS* {great hailstones and coals of fire}, *Behold, evil shall go forth from nation to nation, and a GREAT WHIRLWIND* {being a huge tornado with fiery rings, above which will be raining great hailstones that represent the foundations and walls of new Jerusalem. This immense fiery whirlwind, equated with new Jerusalem, is around the immense mountain of the swelled to heaven super volcano full of a lake of fire} *shall be raised up from the coasts of the earth* (land).

25:33 *And the slain of the LORD* {risen, overflowing and spreading seventh plagued angel from the swelled to heaven bottomless pit full of a lake of fire} *shall be at that day from one end of the earth* {land} *even unto the other end of the earth: they shall not be*

lamented, neither gathered, nor buried; they shall be dung upon the ground {as they had done to the two witnesses and the martyrs that were killed and left in the streets of latter day Babylon's kingdom}.

Joel 2:11 *And the LORD {risen seventh plagued angel} shall utter his VOICE {great voice of thunder caused by the massive explosion/eruption of the swelled to heaven super volcano full of a lake of fire} before his ARMY {of rivers of fire and great hailstones}: for his CAMP {the immense mouth/temple of the swelled to heaven super volcano full of a lake of fire} is very great: for HE {risen seventh plagued angel} is strong that executeth his WORD {as written on the first small part and last small part of the scroll of life according to what the first witness and last witness saw and heard happening}: for the DAY {the day when the swelled to heaven super volcano, full of a lake of fire, explodes with a massive eruption of coals of fire into the sky} of the LORD {risen seventh plagued angel/Lord as a lake of fire sitting on his throne of intense light light above the swelled to heaven bottomless pit} is great and very terrible; and WHO CAN ABIDE IT {only the three groups of redeemed can abide it because they will have entered the ensign of new Jerusalem before the great and dreadful day of God's wrath}?*

Isaiah 13:8 *And THEY {rebellious people that rejected the everlasting gospel and remained outside new Jerusalem's ensign} shall be AFRAID {on the day when the swelled to heaven super volcano, full of a lake of fire, explodes with a massive eruption of coals of fire into the sky, as the lake of fire begins to overflow and spread throughout the land}: pangs and sorrows shall take hold of them; they shall be in pain as a woman that travaileth: they shall be amazed one at another; their faces shall be as flames.*

13:9 *Behold, the DAY {on the day when the swelled to heaven super volcano, full of a lake of fire, explodes with a massive eruption of*

coals of fire into the sky} *of the LORD* {risen seventh plagued angel who overflows and spreads as a lake of fire} *cometh, cruel both with wrath and fierce anger, to lay the land desolate* {with flowing rivers of lava from the overflowing lake of fire}: *and he shall destroy the SINNERS* {that sinned against the laws and testimony of the seventh plagued angel that were proclaimed by the everlasting gospel} *thereof out of IT* {out of the fallen USA and all nations, kindreds, tongues, and people of the world}.

13:10 *For the stars of heaven and the constellations thereof shall not give their light: the sun shall be darkened in his going forth, and the moon shall not cause her light to shine* {the stars, sun, and moon over the USA will have been totally veiled after smoke and ash have issued for five months from an opened super volcano in the USA}.

13:11 *And I* {risen seventh plagued angel from the swelled to heaven bottomless pit} *will punish the world for their evil, and the wicked for their iniquity; and I will cause the arrogancy of the proud to cease, and will lay LOW* {by a great earthquake caused by the massive explosion of the swelled to heaven super volcano full of a lake of fire} *the haughtiness of the terrible.*

Isaiah 32:2 *And a MAN* {latter day messenger's message of a new everlasting gospel proclaimed to all nations before the great and dreadful day of the Lord happens} *shall be as an hiding place from the WIND* {of a huge fiery tornado and many smaller whirlwinds}, *and a covert from the TEMPEST* {of hailstones and coals of fire}; *as rivers of water in a dry place* {within new Jerusalem}, *as the shadow of a great rock in a weary land.*
