

Chapter 7

Revelation 7:1 *And after THESE THINGS* {after the things concerning the visions and oracles written beneath six seals} *I* {Apostle John} *saw FOUR ANGELS* {four messages/angels that represent the revived/resurrected predictions of four riders} *standing on the FOUR CORNERS of the earth* {land}, *HOLDING the FOUR WINDS* {being the revived/resurrected messages of four horses} *of the earth, that the WIND* {white, red, black, and pale horse beneath six seals} *should NOT BLOW* {hence did not happen to end latter day Babylon's first reigning period} *on the EARTH* {referring to the USA's land/Earth}, *nor on the SEA* {referring to the kingdom/figurative sea of combined nations/figurative rivers of latter day Babylon}, *nor on any TREE* {representing leaders/spiritual trees ruling from within their capitals/spiritual gardens}.

At the end of latter day Babylon's first reigning period, the vision in Revelation 7:1 was happening. At that time, the ending of the visions and oracles written beneath the sixth seal were revealing the beginning visions and oracles of the first angel with trumpet written beneath the seventh seal, just as the ending of a day's sunlight reveals at even (dusk) the beginning of the next day's evening.

After the Apostle John was shown the visions and oracles

from beneath six seals, John saw four angels (that represent the four horsemen) holding back four winds (that represent the four horses of the four horsemen). The white horse, red horse, black horse, and pale horse (being referred to as four winds) were at the four corners of the USA's land standing ready to begin being fulfilled to end latter day Babylon's first reigning period. However, latter day Babylon's kingdom ends after its third reigning period. Then at that time the USA's land will be the first place within the kingdom (spiritual sea/kingdom of combined spiritual rivers/nations) of latter day Babylon to experience the four riders on a white, red, black and pale-colored horse. Accordingly, after latter day Babylon's first reigning period, there is a delay concerning the opening of the bottomless pit in the USA, as shown by the the four angels holding back the four winds from being fulfilled initially on the USA's land (Earth/land), or from being fulfilled on any nation's leader (spiritual tree) ruling from within their capital (spiritual garden).

The four riders are likened to four kings of Persia, according to the first witness'/spiritual moon's visions/light on the scroll of life's first side. According to the last witness'/spiritual sun's visions/light, the four riders are likened to kings of Media. In the past type, kings of Persia and Media united and overthrew and ruled over the kingdom of old Babylon.

It seemed the time of tribulation mentioned in the opening

of six seals should have begun at the ending of the sixth seal. At that time, the latter day living messenger (Moses type) and his initial church members (spiritual Israelites) were in spiritual Goshen (see Isaiah 27:8). Instead of the two witnesses' visions and oracles reviving to life had the bottomless pit exploded and erupted smoke and ash continually for five months, they instead revived to life to continue being revealed and proclaimed by the latter day messenger (Moses type), as shown by four angels holding back the time of trouble. This parallels a past type when after old Jerusalem rebelled the first time against serving King Nebuchadnezzar of old Babylon and was recaptured, King Nebuchadnezzar did not destroy the rebellious city old Jerusalem. The vision of four angels holding back the four winds shows that a delay was in effect, since the opening of the super volcano in the USA's land did not happen at that time. Accordingly, the four winds (four horses) of torment and tribulation are delayed from blowing on spiritual trees (representing nations' leaders in their capitals) and the grass (representing people, as stated in Isaiah 40:6.) around the trees (see Micah 7:11; Isaiah 10:33).

Isaiah 27:8 *In measure, when IT {budding rod of the latter day messenger's/Moses' progressively brighter message} shooteth forth, THOU {believers} wilt debate with it: he stayeth his ROUGH WIND {referring to the time of trouble that begins in the USA} in the day of the*

EAST WIND {representing the first witness'/spiritual moon's light/vision and oracle rising as moonlight from the eastern horizon at the ending of the scroll of life's sixth seal while the beginning of the seventh seal/spiritual Sabbath is beginning}.

Micah 7:11 *In the DAY* {when latter day Babylon's first reigning period ended} *That THY* {referring to new Jerusalem which represents the first group and second group of redeemed} *WALLS* {the walls represent the second group of redeemed} *are to be BUILT* {being finished at the super volcano's explosion}, *in that day shall the decree be far removed* {to the end of the remaining 70 weeks of the third reigning period of latter day Babylon}.

Isaiah 10:33 *Behold, the LORD* {risen seventh plagued angel, who represents the visions and oracles written by the first witness on the first small part and last small part of the scroll of life's first side}, *the LORD* {risen seventh plagued angel, who also represents the visions and oracles written by the last witness on the scroll of life's other side} *of HOSTS* {being the armies of coals of fire and great hailstones from heaven}, *shall LOP* {by the great earthquake when the lifted-up to heaven super volcano, full of a lake of fire, explodes coals of fire into the sky} *the BOUGH* {tree/leadership of latter day Babylon} *with terror: and the HIGH ONES* {great leaders of great nations} *of stature shall be hewn down, and the*

HAUGHTY shall be humbled.

Isaiah 40:6 The VOICE {voice of the first witness/Michael} said, Cry. And HE {voice of the last witness/Gabriel} said, What shall I cry? ALL FLESH is GRASS {equating people with grass}, and all the goodness thereof is as the flower of the field:

Revelation 7:2 And I saw another ANGEL {representing the message it is revealing} ascending from the EAST {as moonlight rising from the easterly horizon of the spiritual seventh evening that is equated with the scroll of life's seventh part/seventh seal}, having the SEAL {seventh seal} of the LIVING GOD {being the seventh plagued angel that lives forever}: and he cried with a LOUD VOICE {representing the dawning voice/thunder of the first angel with trumpet written on the scroll of life's seventh part/seventh seal} to the FOUR ANGELS {being the four riders on white, red, black, and pale-colored horse}, to whom it was given to hurt the EARTH {pertaining to the USA's land} and the SEA {being the figurative sea of rivers/nations of latter day Babylon's kingdom/sea}.

At the end of latter day Babylon's first reigning period, the ending of the sixth seal revealed the angel (vision and oracle) in Revelation 7:2 ascending from the east as the

dawning vision and oracle of the first angel with trumpet, that is written beneath the seventh seal of the scroll of life's first side. As the scroll of life's figurative seventh evening begins with a rising moon's light from the eastern horizon, so the angel (representing a vision and oracle) is rising as moonlight from the figurative eastern horizon, which is equated with the beginning of the scroll of life's seventh part at the time of dusk.

In Revelation 7:2, the ending of the sixth seal is showing the beginning of the first angel with trumpet. The beginning of the first angel with trumpet is the beginning of the seventh part (equated with the seventh evening) of the scroll of life's first side. The first angel with trumpet is shown holding the seventh seal of the living God (seventh plagued angel) that lives forever. This angel cries with a loud voice (oracle) saying to the resurrected four riders, (four angels) holding the four winds (four horses), to not hurt the Earth (land of the USA) or the figurative sea (kingdom of latter day Babylon). The loud voice of this angel could have been of the exploding bottomless pit, but instead the loud voice was speaking of a delay of that event.

The rolled-up scroll of life was shown having seven seals (bands) around its outside. The angel of the east has the seventh seal that belongs to the living God. Accordingly, the living God (seventh plagued angel) is revealing the scroll of life from the visions and oracles that are written

on the first small part and last small part of the scroll of life's two sides. The first (beginning) small part and last (ending) small part of the scroll of life's two sides are equated with the seventh plagued angel.

Revelation 7:3 Saying, HURT NOT the EARTH {USA's land/Earth}, ***neither the SEA*** {combined nations/spiritual rivers of latter day Babylon's kingdom}, ***nor the TREES*** {leaders in their capitals}, ***till WE*** {the message of the angel from the east and the resurrected messages of the four riders and four horses/spiritual winds} ***have SEALED*** {sealed/marked at the end of the sign of Jonah} ***the SERVANTS*** {people who are of the 144,000} ***of OUR*** {messages beneath the scroll of life's six seals and messages beneath the seventh seal} ***God*** {seventh plagued angel} ***in their FOREHEADS*** {front of their minds/foreheads}.

During the remaining 1260 days of the 2300-day period (which end three and a half days before latter day Babylon's third reigning period ends), the two witnesses will be revealing to the latter day messenger things they have already witnessed happen during these 1260 days. In that time, the latter day messenger and his apostles will be prophesying of what the two witnesses have revealed to the latter day messenger to gather people living in the last generation. These people will be disciples who are of the

second group of redeemed. After 1260 days of prophesying, the super volcano temporarily ejects smoke and ash and quickly returns to its previous dormant state. This causes the two witnesses' influence in the USA to be lying totally dead, having no more influence because of the failure of the super volcano to continually erupt smoke and ash. The people that became disciples by believing what the two witnesses were revealing for 1260 days through the latter day messenger and his apostles will recognize the temporary ejection of smoke and ash as the beginning of the sign of Jonah, which lasts for three and a half days. At the end of these three and a half days is the time for sealing the latter day people (apostles and disciples) and all the resurrected apostles and disciples of all generations. Accordingly, all apostles and disciples will then place the two witnesses written visions and oracles of the white, red, black, and pale horse rider on the front of their mind. Thereby being sealed (spiritually marked) with what is written beneath the seventh seal of the living God (seventh plagued angel).

Revelation 7:4 And I HEARD {an oracle} ***the NUMBER of THEM*** {second group of overcomers of every generation} ***which were SEALED*** {with the visions and oracles written beneath the scroll of life's seventh seal}: ***and there were sealed an HUNDRED and FORTY and FOUR THOUSAND*** {144,000} ***of all the*** {spiritual}

TRIBES of the CHILDREN {these spiritual children represent the 144,000 people of all generations that overcame their old beliefs} ***of ISRAEL*** {Israel here represents the first group of redeemed gathered in every generation by a living messenger's message}.

The vision in Revelation 7:4 is showing what happens at the ending of the sixth light of the seventh angel with trumpet, that is written on the last side of the scroll of life. The beginning (at even/dusk) of the first angel with trumpet (written beneath the seventh seal on the scroll of life's first side) is equated with the beginning of the seventh day's evening that mixes with the ending (at even/dusk) of the seventh day's daylight (written on the scroll of life's last side). Accordingly, Revelation 7:4 is showing what happens at the end of the sixth light/vision of the seventh angel with trumpet. The seventh part of the scroll of life's first side is equated with the seventh evening, while the seventh part of the scroll of life's last side is equated with the seventh day's daylight. The seventh part on the scroll of life's first side is divided into seven parts (represented by seven angels with trumpets), just as the seventh part on the scroll of life's last side is divided into seven parts (represented by seven angels with trumpets).

The beginning (at even) of the seventh part (equated with the seventh evening) on the scroll of life's first side is mixing with the ending (at dusk) of the seventh part

(equated with the seventh day's daylight) of the scroll of life's last side. Accordingly, during the judgment, the seventh plagued angel reveals the vision in Revelation 7:4 of what is written at the beginning of the first angel with trumpet (of the seventh part of the scroll of life's first side) mixed with what is written on the ending of the seventh angel with trumpet written on the seventh part of the scroll of life's last side.

As the children of Israel (Israel is here equated with the first group of redeemed) became adults and were sealed (numbered) at the end of Israel's second wilderness journey to Canaan, so the 144,000 will have been sealed with the seventh seal when the seventh light of the seventh angel with trumpet begins being revealed at the end of latter day Babylon's third reigning period. At the end of the three and a half (3½) days when the super volcano's explosion opens the bottomless pit in the USA, the 144,000 (representing the second group of redeemed) disciples of all generations will have been sealed at the latter day resurrection when all the dead apostles and disciples of every generation rise to life and health to join the living apostles and disciples of the last generation.

Revelation 7:5 Of the tribe of {spiritual} JUDA were sealed TWELVE THOUSAND. Of the tribe of {spiritual} REUBEN were sealed TWELVE THOUSAND. Of the

tribe of {spiritual} GAD were sealed TWELVE THOUSAND.

Revelation 7:6 Of the tribe of {spiritual} ASER were sealed TWELVE THOUSAND. Of the tribe of {spiritual} NEPHTHALIM were sealed TWELVE THOUSAND. Of the tribe of {spiritual} MANASSES were sealed TWELVE THOUSAND.

Revelation 7:7 Of the tribe of {spiritual} SIMEON were sealed TWELVE THOUSAND. Of the tribe of {spiritual} LEVI were sealed TWELVE THOUSAND. Of the tribe of {spiritual} ISSACHAR were sealed TWELVE THOUSAND.

Revelation 7:8 Of the tribe of {spiritual} ZABULON were sealed TWELVE THOUSAND. Of the tribe of {spiritual} JOSEPH were sealed TWELVE THOUSAND. Of the tribe of {spiritual} BENJAMIN were sealed TWELVE THOUSAND.

In the past type, there were people who remained faithful to Jeremiah's message (that was prophesied to the people in Jerusalem and Judah concerning King Nebuchadnezzar

of Babylon destroying old Jerusalem and deporting the people of Judah to foreign lands) and were marked (sealed) with his message during three separate times that Babylon retook control of rebellious Jerusalem's autonomous rule. When old Jerusalem rebelled a third time from serving King Nebuchadnezzar, Jeremiah prophesied again of King Nebuchadnezzar retaking Jerusalem and destroying it and deporting the people of Judah to foreign lands. During the third rebellion of old Jerusalem, Jeremiah's message gathered new converts, that were his disciples among his faithful apostles. When the third rebellion of Jerusalem ended as king Nebuchadnezzar's Babylonian army entered and retook old Jerusalem, the apostles and disciples of Jeremiah were marked (sealed) with the message of Jeremiah. Accordingly Jeremiah with his apostles and disciples were freed by the Babylonians from the persecution they received from the people of Jerusalem and Judah because of the message they were proclaiming (see Jeremiah 15:11; Ezekiel 9:6). A similar sealing (marking) takes place in our day at the end of the 3½ days of the sign of Jonah. At that time, the super volcano explodes and continually erupts smoke and ash for five months, which happens as prophesied during the 1260 days (1260 days before the sign of Jonah) by the latter day messenger, his apostles, and disciples.

Jeremiah 15:12 The LORD said, Verily it shall be well

with THY {the messenger's} REMNANT {of believers/apostles and disciples}; verily I will cause the ENEMY {referring to old Babylon that was the enemy of old Jerusalem and Judah} to entreat THEE {Jeremiah} well in the time of evil and in the time of affliction.

Ezekiel 9:6 *SLAY {with plagues of darkness, anarchy, and famine, as the lake of lava overflows and spreads from the swelled to heaven super volcano} utterly old and young, both maids, and little children, and women: but come NOT NEAR any man UPON {on their foreheads/frontlets of their minds} WHOM {the overcomers} IS THE MARK {of the seventh plagued angel's written visions and oracles}; and BEGIN {slaying} at MY {seventh plagued angel's} SANCTUARY {being the immense mouth of the swelled to heaven super volcano full of a lake of fire}. Then THEY {old Babylon's armies in the past, but referring to the plagues caused by the overflowing and spreading lake of fire} began at the ANCIENT MEN {the old sanctuary's elders/ancients were first to be slain by the armies of old Babylon} which were BEFORE {in front, hence the ancients/elders officiated in the inner court only, not permitted to enter the house/temple} the HOUSE {within the old house/temple within old Jerusalem were the rebellious priests and high priest that were slain after the ancients were slain by old Babylon's army}.*

The tribes of Dan and Ephraim are not listed among the twelve spiritual tribes of the 144,000. According to a past

type, the spiritual tribe of Dan represents the first group of 12,000 redeemed, while the spiritual tribe of Ephraim represents the third group of a great multitude of redeemed.

One hundred and forty four thousand (144,000, being a number rounded to the nearest thousand) overcomers of all generations represent the second group of redeemed. Hence, there are 12,000 in each of the twelve spiritual tribes listed in Revelation 7:5-8. This reveals that from all generations there will also be 12,000 in the tribe of spiritual Dan, which represents the first group of redeemed. The 144,000 are the second group of redeemed gathered from every generation. The latter day people who are of the 144,000 will all be ripened with the messages written on six lights (visions) and six thunders (oracles) of the seventh angel with trumpet proclaimed for 1260 days before the sign of Jonah. The messages of six lights and six thunders of the seventh angel with trumpet repeat the visions and oracles of the six angels with trumpets. The six angels with trumpets repeat the messages of the white, red, black, and pale horses and riders written beneath six seals.

Revelation 7:9 After this I beheld, and, lo, a GREAT MULTITUDE {being the third/final latter day group of redeemed}, ***which no man*** {except the latter day

messenger's message/Lamb} ***could number, of ALL NATIONS, and KINDREDS, and PEOPLE, and TONGUES, STOOD*** {a great multitude who are shown when they had just entered the intense light of the ensign emanating from new Jerusalem, in which is the swelled to heaven super volcano's mountain full of a lake of fire} ***before the THRONE*** {this throne is showing the time when the seventh plagues angel had risen as a lake of fire to sit on his throne of intense light radiating from the immense 40-mile wide mouth of the swelled to heaven bottomless pit. At that time, the seventh plagues angel is reigning over the kingdom of latter day Babylon}, ***and before the LAMB*** {representing the message that is revealing the visions and oracles written on the scroll of life}, ***CLOTHED with WHITE ROBES*** {the white robes represent the intense light, equated with visions, of the risen seventh plagues angel}, ***and PALMS*** {these palm leaves represent the harvest of the great multitude, being the harvest of spiritual fruits of the spiritual Feast of Tabernacles} ***in their HANDS*** {according to one past type, the third latter day group of redeemed is referred to as the great multitude of latter day spiritual Ephraim, which is a multitude made-up of all nations, kindreds, people, and tongues. This great multitude of overcomers equals 10,000 times 10,000 plus thousands of thousands, as stated in Revelation 5:11; Daniel 7:10};

Daniel 7:10 A FIERY STREAM {of lava} *issued and*

CAME FORTH {from the swelled to heaven super volcano's immense mouth full of a lake of fire, that overflows and spreads throughout the USA and world} *from before HIM* {risen seventh plagued angel}: *THOUSAND THOUSANDS* {of the great multitude} *MINISTERED* {after having entered the intense light of the ensign to stand in the spiritual outer court of the fiery temple within new Jerusalem, that will be then sitting over the lava covered dissolved USA} *unto HIM* {seventh plagued angel}, *and TEN THOUSAND TIMES TEN THOUSAND* {of the great multitude} *STOOD* {stood in the outer court within new Jerusalem having just entered the intense bright white light of the ensign. The great multitude has accepted the everlasting gospel and fled from all nations, kindreds, tongues, and people while the seventh plagued angel was rising during the time each of the six plagued angels were being fulfilled} *before HIM* {the seventh plagued angel that had risen, overflowed, and spread from the swelled to heaven bottomless pit and covered the world}: *the JUDGMENT WAS SET* {after the world ended in a lake of fire}, *and the BOOKS* {each of these figurative books/scrolls will have recorded all events that happened in each generation; hence the first scroll will have recorded the things that existed and happened in the first generation} *were OPENED* {during the initial 1,000 years of the judgment each of the scrolls have been opened consecutively to replay each generation. At the end of the 1,000 years, the last scroll/scroll of life began

to be revealed to replay the last generation. The opening each scroll consecutively replayed what happened from the first generation of Genesis through the last generation, new Earth, and time of the judgment}.

A number (rounded to the nearest ten thousand) of two hundred million (200,000,000) horses is equated with all righteous spirits pertaining to the three groups of redeemed, that are of all generations, nations, kindreds, tongues, and people that enters the ensign of new Jerusalem (see Revelation 9:16). Since the first group of spiritual Dan equals 12,000 (rounded to the nearest thousand), and the second group of twelve spiritual tribes equals 144,000 (rounded to the nearest thousand), then the third group of spiritual Ephraim equals 199,844,000 (rounded to the nearest ten thousand). All the people of the three groups of redeemed (many of whom resurrected to be living in the last generation and overcame their old beliefs and became written on the last scroll/scroll of life as having entered the ensign of new Jerusalem) are equated with the number of 200,000,000 horses (righteous spirits). The number of 200,000,000 (equated to the three groups of redeemed) is equated with the faithful angels (perfect humans) in the garden of paradise of the real world that are of Michael's and Gabriel's lineage. There are no other righteous spirits (redeemed) outside this rounded number of 200,000,000.

The third latter day group of redeemed is referred to as the

great multitude of latter day spiritual Ephraim, which is a multitude of people of all generations, nations, kindreds, tongues, and people. When the latter day resurrection happens at the time the bottomless pit explodes and erupts smoke and ash, the overcomers of all generations resurrect to life and health to learn and proclaim a new message (everlasting gospel) to all nations, kindreds, tongues, and people. At the latter day resurrection, the people that died in every generation also resurrect to life and health. Many of these resurrected people will accept the everlasting gospel, which is proclaimed by the overcomers of all generations. These overcomers that proclaim the everlasting gospel are of the first group and second group of redeemed. Every person that accepts the everlasting gospel, proclaimed while the super volcano is erupting smoke and ash for five months from within the USA, will be of the great multitude (third group of redeemed). At the end of these five months of erupting smoke and ash, the super volcano expands and explodes with a massive eruption. The deafening sound of the massive explosion refers to the trumpet being blown for the three groups of redeemed to begin traveling from all parts of the world to the rising ensign. At that time, the lake of fire begins filling the swelling to heaven super volcano, while each of the six plagues are being fulfilled.

When the risen seventh plagues angel is sitting on his throne of intense light above the swelled to heaven super

volcano (full of a lake of fire) and new Jerusalem has manifested around the swelled to heaven super volcano, then the three groups of redeemed will begin entering new Jerusalem's ensign of intense light. Shortly after all the redeemed have entered the ensign of new Jerusalem, the swelled to heaven super volcano (full of a lake of fire) explodes with a massive eruption. This eruption is so immense that it causes a deafening sound of thunder and a great earthquake such as never happened. On that great (huge) and dreadful day, the risen seventh plagues angel sitting on his throne over the swelled to heaven super volcano will descend as a lake of fire throughout the USA's land and all the world, After all the world is covered by a lake of fire, then a new heaven and new Earth replaces the old heaven and old Earth, while at the same time the judgment begins.

Revelation 7:10 And {the great multitude that entered new Jerusalem/s ensign} ***cried with a loud voice, SAYING*** {at the time the judgment began}, ***Salvation to our GOD*** {God/risen seventh plagues angel} ***which sitteth upon the THRONE*** {the throne of intense light reigning over the destroyed lava-covered kingdom of latter day Babylon and the world}, ***and unto the LAMB*** {the Lamb represents the revealed visions and oracles written on the scroll of life}.

Prior to when the super volcano opens after the sign of Jonah, during the second spiritual wilderness journey (when the two witnesses are prophesying for 1260 days before the sign of Jonah begins), the latter day overcomers that are of the 144,000 will have been ripened with the saving messages of six of seven lights (visions) and six of seven thunders (oracles) of the seventh angel with trumpet, as proclaimed by the latter day messenger and his apostles. At the end of these 1260 days, the super volcano temporarily erupts smoke and ash and then returns to its former dormant state. From the day of the failure of the super volcano to continually erupt smoke and ash begins the 3½ days of the sign of Jonah. At the same time, the prophesying of the two witnesses' written visions and oracles for 1260 days will be lying dead in the streets of the USA's ruling capital and nation. Hence, their prophecies are totally rejected by the USA's leadership and nation as not being worthy of any more respect, as the leadership and nation continue their daily routines as usual. However, during these 3½ days, the latter day living people of the 144,000 will recognize the failure as being the sign of Jonah. Thereby having placed the knowledge written beneath the seventh seal of God (seventh plagued angel) on the front of their mind. After these three and a half (3½) days, the two witnesses' written visions and oracles revive to life when the top of the super volcano explodes and creates a great earthquake, which descends through the super volcano. This great

earthquake is the key that causes the super volcano to open and erupt smoke and ash continually for the next five months. At the opening of the super volcano, the two witnesses' written vision and oracle concerning the latter day resurrection happens as prophesied.

From the first day of the sign of Jonah, begins the fifty days of the latter day new Pentecost. During these fifty days, the first group (12,000 apostles and all patriarchs, prophets, and messiahs of all past generations) of redeemed and second group (144,000 disciples) of redeemed will learn a new song (everlasting gospel). At the beginning of the fiftieth evening, these apostles and disciples receive the Holy Spirit's new latter day Pentecostal power, so they can proclaim in all languages the everlasting gospel and ripen a great multitude before the five months of smoke and ash end.

The people that become the great multitude of 10,000 times 10,000 and thousands of thousands of overcomers will have been saved by the last message (everlasting gospel), which the 12,000 apostles and 144,000 disciples of the latter day living messenger proclaim in all languages throughout the world.

According to one past type, the great multitude is as the return of the lost spiritual tribe of Ephraim. The people of the great multitude have figurative palms in their hands. These palm leaves reveal that they are the final harvest of

spiritual fruits that are the third group of redeemed, that follow the first group (barley) and second group (wheat) of redeemed. The great multitude will be ripened by the everlasting gospel during the time when smoke and ash are issuing from the super volcano's mouth in the USA. When the mouth of the swelled to heaven super volcano is full of an overflowing lake of fire emanating an intense white light, the great multitude will then be harvested into the light of the ensign, as they follow the first group and second group of redeemed into the ensign. From that time, the restoration of the kingdom of God (risen seventh plagued angel) will have been fulfilled (see Ezekiel 37:16, 17).

***Ezekiel 37:16** Moreover, thou son of man, take thee ONE STICK {a kingdom/one stick}, and write upon it, For JUDAH {being the kingdom of spiritual Judah, which represents the first group and second group of redeemed}, and for the CHILDREN {being the spiritual tribes of the first group and second group of redeemed} of Israel HIS COMPANIONS {referring to the old tribes situated in Judah/southern kingdom of Israel before the Assyrian and then the Babylonian took them into captivity}: then take ANOTHER STICK {a kingdom/one stick}, and write upon it, For JOSEPH {being the northern kingdom of Israel}, the stick of EPHRAIM {representing the third group of redeemed/great multitude} and for all the house of Israel his COMPANIONS {referring to the old tribes situated in*

Joseph/northern kingdom of Israel, that separated from the kingdom of Judah and, sometime thereafter, were taken into captivity by the Assyrian and lost their identity as Israelites when their descendants were born in foreign lands}:

Ezekiel 37:17 *And join THEM* {the two separate kingdoms} *one to another into ONE STICK* {to again become one kingdom}; *and they shall become one in THINE HAND* {representing the latter day messenger's hand that opens and reveals the scroll of life}.

In the past type, before the old day of atonement {equated with the day the sign of Jonah begins}, the harvest of barley (equated with the first group of redeemed) was already commemorated, as was the following commemoration of the wheat harvest (equated with the second group of redeemed/144,000). Four days after the old day of Atonement, on the following day began the observance of the Feast of Tabernacles {equated with the time from the day the swelled to heaven super volcano full of a lake of fire erupts coals of fire into the sky and begins to overflow and spread throughout the land} to commemorate the ripened fruit harvest (equated with the gathered third group of redeemed/great multitude) with a waving of palm leaves (see Leviticus 23:40).

Leviticus 23:40 *And ye shall take you on the FIRST DAY* {of the Feast of Tabernacles' seven days, which are

equated with the seven parts of the risen seventh plagued angel} *the boughs of goodly trees, BRANCHES OF PALM TREES* {just as the people of the great multitude are holding palm leaves in their hands while standing within new Jerusalem}, *and the boughs of thick trees, and willows of the brook; and ye shall REJOICE* {having entered new Jerusalem's ensign of intense light} *BEFORE the Lord your God* {risen seventh plagued angel reigning from the swelled to heaven super volcano's immense mouth full of an overflowing lake of fire} *SEVEN DAYS* {representing seven parts of the risen seventh plagued angel}.

In our day, the new Day of Atonement begins at the end of 1260 days when the super volcano momentarily erupts smoke and ash. On that day, the two witnesses (equated with the two sides of the scroll of life) will have finished prophesying for 1260 days to the USA and a few other nations while they are lying dead, being totally rejected. These 1260 days end on the same day the 2300-day period ends, that is mentioned in Daniel 8:14. At the end of the 1260 days, the 3½ days of the sign of Jonah begins, During these 3½ days, the latter day apostles and disciples (who are of the first group and second group of redeemed) are afflicting their souls before the super volcano begins to erupt with smoke and ash continually. At the end of these 3½ days, the super volcano erupts continually with smoke and ash for five months, as the latter day resurrection

happens. During the next five months of smoke and ash erupting from the opened mouth of the super volcano, a great multitude of people will accept the everlasting gospel proclaimed by the first group and second group of redeemed.

At the end of five months of erupting smoke and ash, the super volcano explodes with a massive earthquake, as its immense 40-mile wide mouth begins swelling to heaven, as a rising lake of fire is filling the immense mouth of the swelling to heaven super volcano. An overflowing lake of lava will fill the immense mouth of the super volcano as it radiates an intense white light high into the atmosphere from within the destroyed USA. During the time when the swelling to heaven super volcano is filling with a lake of fire, the great multitude (equated with the fruit harvest) will begin traveling to the rising light of the ensign. When the super volcano has swelled to heaven and is full of a lake of fire and new Jerusalem (representing an immense whirlwind of fire) has manifested around the swelled to heaven super volcano, then the great multitude will enter into new Jerusalem's ensign as they follow the first group of redeemed (equated with the barley harvest) and the 144,000 (second group of redeemed equated with the wheat harvest) into the ensign. All nations that refuse to join the great multitude and enter the fiery ensign – to keep the new time of the figurative Feast of Tabernacles – will begin dying by great hailstones, anarchy, famine, and

death by whirlwinds of fire, which are created by the spreading lake of fire that erupts from the swelled to heaven super volcano and travels throughout the USA and the world (see Zechariah 14:16-19).

Zechariah 14:16 *And it shall come to pass, that EVERY ONE* {of the great multitude} *that is left of all the nations which came against* {new} *Jerusalem* {representing the first group and second group of redeemed when they proclaimed the everlasting gospel} *shall even go UP* {to enter the ensign of new Jerusalem} *FROM YEAR* {during a replay} *TO YEAR* {and the next replay} *to worship the King* {risen seventh plagued angel's visions and oracles of what the first witness saw and heard happen}, *the Lord* {seventh plagued angel's visions and oracles of what the last witness saw and heard happen} *of HOSTS* {great hailstones and coals of fire}, *and to keep the FEAST OF TABERNACLES* {representing the spiritual feast of the spiritual eagles/great hailstones on the USA's destroyed cities and states}.

Zechariah 14:17 *And it shall be, that whoso will not come up of all the families of the earth unto* {new} *Jerusalem* {representing a huge whirlwind/tornado of fire that encompasses the swelled to heaven super volcano full of a lake of fire but not yet overflowing from within the USA} *to worship the King* {risen seventh plagued angel according to the written visions and oracles of what the first witness saw and heard happen}, *the Lord* {risen

seventh plagued angel according to the visions and oracles of what the last witness saw and heard happen} *of HOSTS* {great hailstones and coals of fire}, *even upon THEM* {that rejected the everlasting gospel} *shall be NO RAIN* {when the immense lake of fire overflows and spreads to all nations, kindreds, tongues, and people}.

Zechariah 14:18 *And if the family of Egypt go not up, and come not, that have no rain; there shall be the plague, wherewith the Lord* {risen seventh plagued angel descending as a spreading lake of fire} *will smite the heathen that come NOT UP* {to the ensign of new Jerusalem/huge fiery whirlwind encompassing the swelled to heaven super volcano's mountain when it is full of a lake of fire but not yet overflowing} *to keep the FEAST OF TABERNACLES* {when coals of fire and great hailstones feast on the nations. Coals of fire, great hailstones, terrible anarchy, terrible famine, and fiery whirlwinds accompany the lake of fire where ever it spreads throughout the world}.

Zechariah 14:19 *This shall be the punishment of Egypt, and the PUNISHMENT OF ALL NATIONS that come NOT UP* {that come not up to the intense light of the ensign emanating above and around new Jerusalem/huge fiery whirlwind before the lake of fire in the immense mouth of the swelled to heaven super volcano begins overflowing} *to keep the feast of tabernacles.*

When a great multitude enters into the fiery light of new Jerusalem's ensign of intense light emanating from within the USA, they will then be the many angels (messengers) before the reigning throne ready for the Feast of Tabernacles to happen. When the lake of fire has covered the world, then new heaven and new Earth and the judgment begins. During that time, these righteous angels (third group of redeemed) will have been standing within new Jerusalem around the twenty-four elders (second group of redeemed), the four beasts (priests), and the reigning throne of the risen seventh plagued angel, whose great white throne of intense light sits reigning upon sheets of great hailstones (sea of glass) that form in heaven (sky) above the swelled to heaven super volcano (full of a lake of fire) and rain upon the land.

Isaiah 31:9 And he shall pass over to his strong hold for fear, and his princes shall be afraid of the ENSIGN {intense white light emanating from new Jerusalem/great whirlwind of fire}, saith the Lord {risen seventh plagued angel}, whose FIRE {lake of fire} is in {new} Zion {swelled to heaven mountain of the super volcano}, and his FURNACE {40-mile wide immense mouth filled with a lake of fire} in JERUSALEM {new Jerusalem represents the immense whirlwind/tornado of fire surrounding the swelled to heaven super volcano in the USA}.

Isaiah 5:26 And HE {risen seventh plagued angel that begins being fulfilled after the sixth plagued angel has

happened} *will LIFT UP* {an intense light from the swelled to heaven super volcano's immense mouth when it is full of a lake of fire} *an ENSIGN* {of an intensely bright light emanating from the 40 mile-wide immense mouth full of a lake of fire} *to the nations from far, and will HISS* {hissing sound of raining great hailstones} *unto them from the end of the earth: and, behold, THEY* {first group, second group, and third group/great multitude of redeemed} *shall come with SPEED SWIFTLY* {to quickly enter the ensign before the swelled to heaven super volcano explodes with a massive eruption, that causes the lake of fire to overflow and spread throughout the USA and world}:

Revelation 7:11 And all the ANGELS

{angels/messengers/great multitude have been standing around the throne from the time they entered the ensign to then view the initial 1000 years of the judgment when all the scrolls were opened, and thereafter have been viewing the seventh plagued angel replaying all generations over and over} ***stood round about the THRONE*** {on this reigning throne of intense light sits the risen seventh plagued angel over the dissolved kingdom of latter day Babylon}, ***and about the ELDERS*** {second group of redeemed that entered the ensign to be standing around the throne during the judgment} ***and the FOUR BEASTS*** {representing the first group of redeemed that entered the

ensign to be standing around the throne during the judgment}, *and* {all the angels/great multitude} ***FELL BEFORE THE THRONE on THEIR FACES*** {fell on their faces after the scroll of life's visions and oracles revealed to the angels/great multitude from the scroll of life the time when they entered to stand within new Jerusalem just before the lake of fire began to overflow and cover the world}, *and worshipped God* {risen seventh plagued angel},

In Revelation 7:11, the Lamb (message) is revealing (sometime after more than 1,000 years of the judgment had passed) certain visions and oracles written on the scroll of life's first small part and last small part (equated with the seventh plagued angel) that show the time when the great multitude had entered new Jerusalem's *ensign* to be standing within new Jerusalem's outer court in front of the risen seventh plagued angel just before the judgment had begun.

The angels (messengers) mentioned in Revelation 7:11 are the great multitude, who are the third group of redeemed. These angels are viewing during the judgment the Lamb reveal from the scroll of life's first small part and last small part the time earlier in the judgment when the scroll of life's written visions and oracles were revealing the great multitude having just entered new Jerusalem's *ensign* and holding palm leaves. Accordingly, when the angels (that have been standing as spirits/ghosts within

new Jerusalem for more than 1,000 years) see themselves when they entered the ensign to stand within new Jerusalem holding palms, the angels fall on their faces and worship the risen seventh plagues angel {God} that sat and ruled over latter day Babylon's lava covered dissolved kingdom.

Revelation 7:12 Saying, Amen: BLESSING, and GLORY, and WISDOM and THANKSGIVING, and HONOUR, and POWER, and MIGHT, be unto our God {risen seventh plagues angel} for ever and ever. Amen.

When the angels (great multitude) hear from the scroll of life's oracles the worshipping praises that the great multitude gave to God (risen seventh plagues angel) when the great multitude had just entered the ensign of new Jerusalem, the angels (great multitude) that have been viewing the judgment for over 1000 years say amen, as they worship God (risen seventh plagues angel) with seven praises of worship: (1) blessing, (2) glory, (3) wisdom, (4) thanksgiving, (5) honor, (6) power, and (7) might. These seven praises are equated with the seven parts of the seventh plagues angel.

Revelation 7:13 And one of the {twenty four} ELDERS {representing the second group/144,000 of redeemed that

proclaimed the everlasting gospel to all nations}
answered, saying unto ME {apostle John}, **WHAT ARE THESE** {vision being revealed from the scroll of life by the Lamb showing a great multitude when they had entered new Jerusalem's ensign} **which are ARRAYED in WHITE ROBES** {white robes are equated with the risen seventh plagued angel's intense light, emanating from huge lake of fire in the swelled to heaven super volcano's immense mouth} **? And WHENCE CAME THEY?**

Revelation 7:14 *And I* {Apostle John} *said unto him, Sir, thou knowest. And he said to me, THESE* {great multitude/third group of redeemed} **are they which CAME OUT** {were saved} **of GREAT TRIBULATION** {referring to the time when each of six plagued angels were being fulfilled from the swelling to heaven super volcano, as it filled with a lake of fire}, **and have WASHED** {with the spiritual rain/everlasting gospel} **their robes, and made them WHITE** {by believing the seventh plagued angel's written visions and oracles and entering into the risen seventh plagued angel's intense light of the ensign emanating from new Jerusalem} **in the BLOOD** {being the death of the message/everlasting gospel when most of the first group and second group of redeemed were being martyred for proclaiming the everlasting gospel} **of the LAMB** {representing the message that revealed the written visions and oracles of

the scroll of life}.

The blood (death) of the message (Lamb) of the everlasting gospel was shed so that the great multitude could be saved during a time of great tribulation. During the time when smoke and ash were erupting for five months, the people of the first group and second group of redeemed were proclaiming the everlasting gospel to ripen a great multitude before the first of seven plagued angels begins being fulfilled, which happens as the seventh plagued angel is rising from the bottomless pit. However, most of the saints (priests/apostles/first group of redeemed and elders/disciples/second group of redeemed) that proclaimed the everlasting gospel were martyred for proclaiming the everlasting gospel. Then because of that event, a great multitude were able to wash their robes because of the sacrifice (death) of the Lamb (message).

When the great multitude accept the everlasting gospel, they will have washed their spiritual clothing that was stained with their old beliefs and customs. Thereafter each of six plagued angel's begin being fulfilled, while the seventh plagued angel is rising as a lake of fire radiating as an intense light from within the swelling to heaven super volcano. At the ending of the sixth plagued angel is the time of the beginning of the seventh plagued angel. At that time, the seventh plagued angel has risen as a lake of fire to sit on his throne of intense light above the swelled to heaven super volcano, full of a lake of fire. When the

great multitude follow the first group and second group of redeemed into the ensign of intense light (radiating from new Jerusalem), then they will have made their figurative robes white with the risen seventh plagued angel's intense light. These white robes represent the seventh plagued angel's visions and oracles reigning upon the swelled to heaven super volcano over the kingdom of latter day Babylon.

Revelation 7:15 *Therefore are THEY* {great multitude/third group of redeemed when they entered the ensign just before the initial 1000 years of the judgment had begun} **before the THRONE** {the throne of intense light reigning over the dissolved kingdom of latter day Babylon before the initial 1000 years of the judgment had begun} **of GOD** {God/seventh plagued angel}, **and serve HIM** {seventh plagued angel's visions and oracles} **DAY** {pertaining to the spiritual sunlight/visions of the last witness/morning star/sun} **and NIGHT** {pertaining to spiritual moonlight/visions of the first witness/bright star/moon} **in HIS** {seventh plagued angel's} **TEMPLE** {being the swelled to heaven super volcano's immense mouth full of a lake of fire, that overflowed and spread to cover the world}: **and HE** {risen seventh plagued angel} **that sitteth** {before the initial 1000 years of the judgment had begun when the opened mouth of the super volcano is full of a lake of fire} **on the THRONE** {great white

throne of intense light emanating high above from the swelled to heaven super volcano's mouth full of a lake of lava} *shall dwell AMONG THEM* {which happens when the seventh plagues angel's visions and oracles reveal new Jerusalem and new mount Zion descending to the new garden of Eden in the new heaven and Earth at the beginning of the 1000 years of the judgment}.

The vision in Revelation 7:15 is showing the time when the great multitude had just entered the intense white light of the ensign emanating from new Jerusalem. At that time, the risen seventh plagues angel was as a lake of fire that filled the immense mouth of the swelled to heaven super volcano.

In the past type, within old Jerusalem was old mount Zion. On old mount Zion was situated the inner court and temple of God. In the holiest room of the temple was situated the Ark (throne) of God's covenant (testament). Hence, within new Jerusalem (being an immense whirlwind/tornado of fire) is new mount Zion, which is the high mountain of the swelled to heaven super volcano full of a lake of fire. On new mount Zion's mount is the inner court and the temple (house). This inner court represents the mountain that is around the seventh plagues angel's temple. The super volcano's immense mouth (full of a lake of fire) is the temple of the seventh plagues angel. In the center of the lake of fire is the Holy of Holies. Above which the seventh plagues angel's visions

and oracles are reigning on the throne of intense light. Sitting above the immense mouth full of a lake of fire (lava) is the risen seventh plagued angel's glorious throne of light, which is equated with the Shekinah glory that manifested on the old Ark of the testament within the Holy of Hollies of the old temple.

The visions and oracles of the risen seventh plagued angel are reigning above the swelled to heaven super volcano's immense mouth full of a lake of fire. On the sea of glass (equated with sheets of great hailstones that form in the sky above the lake of fire) above the mountain (equated with the inner court) of the swelled to heaven super volcano are the 24 elders. Above the lake of fire (equated with the temple) on the sea of glass are the four beasts that are the priests of the temple, while the Lamb is the high priest able to stand in the center (equated with the Holy of Hollies) of the immense mouth of the super volcano, full of a lake of fire. Upon the sea of glass (sheets of great hailstones that formed in the sky) in the middle of the lake of fire is the risen seventh plagued angel's throne of intense light, which is equated with Shekinah glory on the mercy seat of the Ark of the covenant (testament).

Between two cherubs (representing the two witnesses) on the mercy seat of the Ark of the covenant (representing the throne) sits the seventh plagued angel's written visions and oracles reigning over the kingdom of latter day Babylon. Below and around (equated with the outer court

of the temple) the high mountain (inner court of the temple) of the super volcano is where the great multitude is standing within new Jerusalem when they entered the ensign of new Jerusalem.

When the lake of fire overflows and spreads to cover the world, thereafter a new heaven and new Earth are created for the the groups of redeemed to live therein. The new heaven and new Earth happens when the swelled to heaven super volcano and new Jerusalem, as it were, descend to the new Earth below, as the judgment begins. From that time, the previously risen seventh plagued angel will have, as it were, descended back into the bottomless pit, as the super volcano returns to its dormant state in the new Eden of the new world. The lower seventh plagued angel will then represent Eden's mount, flowing with pure water from within the new garden of Eden. At that time, the great multitude will be round about new Eden's mount overflowing with a pure river of life. Whereas after the great multitude entered the ensign of new Jerusalem, the great multitude are round about the swelled to heaven super volcano full of an overflowing lake of fire that spread to cover the world.

Revelation 7:16 THEY {great multitude} ***shall HUNGER NO MORE*** {having an abundance of food naturally growing in the garden of Eden}, ***neither***

THIRST ANY MORE {because of the fountains of pure water in the new garden of Eden}; ***neither shall the SUN LIGHT ON THEM*** {because they will be shaded from sunlight by the many trees in the new garden of Eden}, ***nor any HEAT*** {while dwelling naturally with no man-made things in the perfect climate of the new garden of Eden}.

From the time the great multitude (third group of redeemed entered the ensign, they have been living in the new heaven and new Earth with new perfect bodies, knowing only good without any memory of an old heaven and old Earth that ended in a lake of fire. This is also the case for the first group and second group of redeemed. From the time the three groups of redeemed entered the ensign, they have been standing within new Jerusalem during the continuing judgment, which presently the seventh plagued angel (representing the first small part and last small part of the scroll of life's first side and last side) is replaying the last generation. Hence the things presently happening and the lives we are presently living are happening because the seventh plagued angel's visions and oracles are replaying what happened in the last generation.

In the garden of Eden there is an abundance of food growing naturally for people to eat. Also in the new garden of Eden, there are natural fountains of pure water flowing as rivers for the people to drink. Many trees in

Eden create a natural shade for people. The climate in new Eden is ideal for people to dwell naturally, just as it was in the Eden of Genesis before Adam and Eve ate of the fruit of good and evil.

Revelation 7:17 For the LAMB {representing the message that reveals the visions and oracles written on the scroll of life} ***which is in the midst of the THRONE*** {on which is reigning the risen seventh plagued angel} ***shall FEED THEM*** {in the new garden of Eden}, ***and shall lead them unto LIVING FOUNTAINS OF WATERS*** {fountains of waters flowing into rivers throughout the new promised land with a new heaven and new Earth} ***and God*** {risen seventh plagued angel} ***shall wipe away all tears from their eyes*** {from the time the redeemed began dwelling in the garden of Eden of a new heaven and Earth}.

The old Earth was dissolved by the overflowing and spreading lake of fire. Immediately thereafter, the initial 1000-years of the judgment began. The three groups of redeemed have been participating in the judgment while within new Jerusalem for more than 1000 years. At the same time when the judgment began, the three groups of redeemed have been living in new perfect bodies in the new Eden of the new heaven and new Earth. The new Earth has been created by Michael and Gabriel (as written

on the seventh plagues angel) for the redeemed to live therein without having any memory of what happened in the old heaven and old Earth or that there was an old heaven and old Earth. Accordingly, all tears will have been wiped from the eyes of the redeemed. The new world is as Eden of Genesis before Adam and Eve ate the fruit of good and evil. In the new Earth, the Lamb (representing the revealed visions and oracles of the scroll of life) reveals naturally growing food and pure waters for the people to eat and drink in the paradise of the new Earth forever.

As the seventh plagues angel's (God's) visions and oracles are revealed by the Lamb to replay (recreates) all generations, the replay of the last generation will show the redeemed when they entered new Jerusalem's ensign to be living in a new heaven and new Earth after the lake of fire descended from the old heaven and covered the old Earth (land) and the old world. When the replay of the last generation shows the three groups of redeemed entering the bright light of new Jerusalem's ensign to stand before the throne of intense light (radiating from the super volcano's high mountain within new Jerusalem), they will be there to view the time of the judgment, which begins when the world has ended in a lake of fire. Upon this great white throne of intense light is shown the risen seventh plagues angel reigning over the lava-covered kingdom of latter day Babylon.
