

Chapter 7

Revelation 7:1 *And after THESE THINGS* {after the things concerning the visions and oracles written beneath six seals} *I* {Apostle John} *saw FOUR ANGELS* {four messages/angels that represent the revived/resurrected predictions of four riders} *standing on the FOUR CORNERS of the earth* {land}, *HOLDING the FOUR WINDS* {being the revived resurrected messages of four horses} *of the earth, that the WIND* {white, red, black, and pale horse beneath six seals} *should NOT BLOW* {hence did not happen to end latter day Babylon's first reigning period} *on the EARTH* {referring to the USA's land/Earth}, *nor on the SEA* {referring to the kingdom/figurative sea of combined nations/figurative rivers of latter day Babylon}, *nor on any TREE* {representing leaders/spiritual trees ruling from within their capitals/spiritual gardens}.

At the end of latter day Babylon's first reigning period, the vision in Revelation 7:1 was happening. At that time, the ending of the visions and oracles written beneath the sixth seal were revealing the beginning visions and oracles of the first angel with trumpet written beneath the seventh seal, just as the ending of a day's sunlight reveals at even (dusk) the beginning of the next day's evening.

After the Apostle John was shown the visions and oracles

from beneath six seals, John saw four angels (that represent the four horsemen) holding back four winds (that represent the four horses of the four horsemen). The white horse, red horse, black horse, and pale horse (being referred to as four winds) were at the four corners of the USA's land standing ready to begin being fulfilled to end latter day Babylon's first reigning period. At the end of latter day Babylon's third reigning period, the USA's land will be the first place within the kingdom (spiritual sea) of latter day Babylon to experience the four riders on a white, red, black and pale colored horse. However, the delay concerning the star's impact that opens the bottomless pit in the USA is holding back the four winds from being fulfilled on the USA's land (Earth/land), from being fulfilled on latter day Babylon's kingdom (spiritual sea/kingdom of combined spiritual rivers/nations), or from being fulfilled on any leader (spiritual tree) ruling from within their capital (spiritual garden).

The four riders are likened to four kings of Persia, according to the first witness'/spiritual moon's visions/light on the scroll of life's first side. According to the last witness'/spiritual sun's visions/light, the four riders are likened to kings of Media. In the past type, kings of Persia and Media united and overthrew and ruled over the kingdom of old Babylon.

It seemed the time of tribulation (plagues caused by the opening of the super volcano) should have begun at the

ending of the sixth seal. At that time, the latter day living messenger/Moses type and his initial church members/spiritual Israelites were in spiritual Goshen (see Isaiah 27:8). Instead of the two witnesses' visions and oracles reviving to life at a star's impact opening the bottomless pit, they revived to life to continue being revealed by the latter day messenger/Moses type, as shown by four angels holding back a time of trouble. This parallels a past type when after old Jerusalem rebelled the first time against serving King Nebuchadnezzar of old Babylon and was recaptured, King Nebuchadnezzar did not destroy the rebellious city old Jerusalem. The vision of four angels holding back the four winds shows that a delay was in effect, since the star had not impacted the USA's land to open the super volcano. Accordingly, the four winds (four horses) of torment and tribulation are delayed from blowing on spiritual trees (representing leaders in their capitals) and the grass (representing people, as stated in Isaiah 40:6.) around the trees (see Micah 7:11; Isaiah 10:33).

Isaiah 27:8 *In measure, when IT {budding rod of the latter day messenger's/Moses' progressively brighter message} shooteth forth, THOU {believers} wilt debate with it: he stayeth his ROUGH WIND {referring to the time of trouble that begins in the USA} in the day of the EAST WIND {representing the first witness'/spiritual moon's light/vision and oracle rising as moonlight from*

the eastern horizon at the ending of the scroll of life's sixth seal while the beginning of the seventh seal/spiritual Sabbath is beginning}.

Micah 7:11 *In the DAY* {when latter day Babylon's first reigning period ended} *That THY* {referring to new Jerusalem which represents the first group and second group of redeemed} *WALLS* {the walls represent the second group of redeemed} *are to be BUILT* {being finished at the star's impact}, *in that day shall the decree be far removed* {to the end of the remaining 70 weeks of the third reigning period of latter day Babylon}.

Isaiah 10:33 *Behold, the LORD* {seventh plagued angel revealing what the first witness had written}, *the LORD* {seventh plagued angel revealing what the last witness had written} *of HOSTS* {being the armies of coals of fire and great hailstones from heaven}, *shall LOP* {by the great earthquake when the high and lifted-up super volcano explodes} *the BOUGH* {tree/leadership of latter day Babylon} *with terror: and the HIGH ONES* {great leaders of nations} *of stature shall be hewn down, and the HAUGHTY shall be humbled.*

Isaiah 40:6 *The VOICE* {voice of the first witness/Michael} *said, Cry. And HE* {voice of the last witness/Gabriel} *said, What shall I cry? ALL FLESH is GRASS* {referring to people}, *and all the goodliness thereof is as the flower of the field:*

Revelation 7:2 And I saw another ANGEL {representing the message it is revealing} ***ascending from the EAST*** {as moonlight rising from the easterly horizon of the spiritual seventh evening that is equated with the scroll of life's seventh part/seventh seal}, ***having the SEAL*** {seventh seal} ***of the LIVING GOD*** {seventh plagued angel that lives forever}: ***and he cried with a LOUD VOICE*** {representing the dawning voice/thunder of the first angel with trumpet written on the scroll of life's seventh part/seventh seal} ***to the FOUR ANGELS*** {being the four riders on white, red, black, and pale colored horse}, ***to whom it was given to hurt the EARTH*** {pertaining to the USA's land} ***and the SEA*** {being the figurative sea of rivers/nations of latter day Babylon's kingdom/sea}.

At the end of latter day Babylon's first reigning period, the ending of the sixth seal revealed the angel (vision and oracle) in Revelation 7:2 ascending from the east as the dawning vision and oracle of the first angel with trumpet, that is written on the seventh part/seventh seal of the scroll of life's first side. As moonlight dawns from the eastern horizon at the beginning of a seventh day, so the angel (vision and oracle) is dawning from the figurative eastern horizon equated with the beginning of the scroll of life's seventh part/seventh seal at the time of even.

In Revelation 7:2, the ending of the sixth seal is showing the beginning of the first angel with trumpet, where the first angel with trumpet is shown holding the seventh seal of the living God (seventh plagued angel that lives forever). This angel cries with a loud voice (oracle) saying to the resurrected four riders (four angels) holding the four winds (four horses) to not hurt the Earth (land of the USA) or the figurative sea (kingdom of latter day Babylon). The loud voice of this angel could have been of the exploding burning stone (star) from the bottomless pit, but instead the loud voice was speaking of a delay of that event.

The rolled-up scroll of life was shown having seven seals (bands) around its outside. The angel of the east has the seventh seal that belongs to the living God. Accordingly, the living God (seventh plagued angel) is revealing the scroll of life just as it was revealed earlier in the judgment.

Revelation 7:3 Saying, HURT NOT the EARTH {USA's land/Earth}, ***neither the SEA*** {combined nations/spiritual rivers of latter day Babylon's kingdom}, ***nor the TREES*** {leaders in their capitals}, ***till WE*** {the message of the angel from the east and the resurrected messages of the four riders and four horses/spiritual winds} ***have SEALED*** {sealed/marked during the sign of Jonah with the written predictions beneath the seventh seal which

repeat the messages beneath six seals} *the SERVANTS* {people who are of the 144,000} *of OUR* {messages beneath the scroll of life's six seals and messages beneath the seventh seal} *God* {seventh plagued angel} *in their FOREHEADS* {front of their minds/foreheads}.

During the remaining 1260 days of the 2300-day period (which end three and a half days before latter day Babylon's third reigning period ends), the two witnesses will be revealing to the latter day messenger things they have already witnessed happen during these 1260 days. In that time, the latter day messenger and his apostles will be prophesying of what the two witnesses have revealed to the latter day messenger to gather people living in the last generation. These people will be disciples who are of the second group of redeemed. After 1260 days of prophesying, the super volcano temporarily ejects smoke and ash and quickly returns to its previous dormant state. This causes the two witnesses' influence in the USA to be lying totally dead, having no more influence because of the failure of the super volcano to continually erupt with smoke and ash. The people that became disciples by believing what the two witnesses were revealing for 1260 days through the latter day messenger and his apostles will recognize the temporary ejection of smoke and ash as the beginning of the sign of Jonah, which lasts for three and a half days. During these three and a half days will be the time for sealing the latter day people (disciples) that

are of the first group of redeemed. Accordingly, these disciples will have placed the two witnesses written visions and oracles of the white, red, black, and pale horse rider on the front of their mind. Thereby being sealed (spiritually marked) with what is written beneath the seventh seal of the living God (seventh plagued angel).

Revelation 7:4 And I HEARD {an oracle} ***the NUMBER of THEM*** {second group of overcomers of every generation} ***which were SEALED*** {with the visions and oracles written beneath the scroll of life's seventh seal}: ***and there were sealed an HUNDRED and FORTY and FOUR THOUSAND*** {144,000} ***of all the*** {spiritual} ***TRIBES of the CHILDREN*** {these spiritual children represent the 144,000 people of all generations that overcame their old beliefs} ***of ISRAEL*** {Israel here represents the first group of redeemed gathered in every generation by a living messenger's message}.

The vision in Revelation 7:4 is showing what happens at the ending of the sixth light of the seventh angel with trumpet, that is written on the last side of the scroll of life. The beginning (at even/dusk) of the first angel with trumpet (written beneath the seventh seal on the scroll of life's first side) is equated with the beginning of the seventh day's evening that mixes with the ending (at even/dusk) of the seventh day's daylight (written on the

scroll of life's last side). Accordingly, Revelation 7:4 is showing what happens at the end of the sixth light/vision of the seventh angel with trumpet. The seventh part of the scroll of life's first side is equated with the seventh evening, while the seventh part of the scroll of life's last side is equated with the seventh day's daylight. The seventh part on the scroll of life's first side is divided into seven parts (represented by seven angels with trumpets), just as the seventh part on the scroll of life's last side is divided into seven parts (represented by seven angels with trumpets).

The beginning (at even) of the seventh part on the scroll of life's first side is mixing with the ending (at even) of the scroll of life's last side. Hence the seventh plagued angel is the first and last, the beginning and the end. Accordingly, during the judgment, the seventh plagued angel reveals the vision in Revelation 7:4 of what is written at the beginning of the first angel with trumpet and what is written at the end of the seventh angel with trumpet. The 144,000 will have already been sealed when the seventh light of the seventh angel with trumpet is being revealed at the same time the first angel with trumpet is being revealed.

As the children of Israel (Israel is here equated with the first group of redeemed) became adults and were sealed (numbered) at the end of Israel's second wilderness journey to Canaan, so the 144,000 will have been sealed

with the seventh seal when the seventh light of the seventh angel with trumpet begins being revealed at the end of latter day Babylon's third reigning period. During the three and a half (3½) days before the star's impact opens the bottomless pit in the USA, the 144,000 will have been sealed. Then at the end of these three and a half days when the star's impact causes the super volcano to continually erupt smoke and ash, the resurrection to life and health of all the dead of every generation happens.

Revelation 7:5 Of the tribe of {spiritual} JUDA were sealed TWELVE THOUSAND. Of the tribe of {spiritual} REUBEN were sealed TWELVE THOUSAND. Of the tribe of {spiritual} GAD were sealed TWELVE THOUSAND.

Revelation 7:6 Of the tribe of {spiritual} ASER were sealed TWELVE THOUSAND. Of the tribe of {spiritual} NEPHTHALIM were sealed TWELVE THOUSAND. Of the tribe of {spiritual} MANASSES were sealed TWELVE THOUSAND.

Revelation 7:7 Of the tribe of {spiritual} SIMEON were sealed TWELVE THOUSAND. Of the tribe of {spiritual}

LEVI were sealed TWELVE THOUSAND. Of the tribe of {spiritual} ISSACHAR were sealed TWELVE THOUSAND.

Revelation 7:8 Of the tribe of {spiritual} ZABULON were sealed TWELVE THOUSAND. Of the tribe of {spiritual} JOSEPH were sealed TWELVE THOUSAND. Of the tribe of {spiritual} BENJAMIN were sealed TWELVE THOUSAND.

In the past type, Jeremiah's words of warning were as a spiritual seal/mark upon the foreheads (front of the minds) of the people who accepted his dire message before old Babylon overthrew rebellious old Jerusalem (see Jeremiah 15:11; Ezekiel 9:6). A similar sealing/marking takes place in our day during the 3½ days of the sign of Jonah before the star's impact causes the super volcano to continually erupt smoke and ash for five months.

Jeremiah 15:12 The LORD said, Verily it shall be well with THY {the messenger's} REMNANT {of believers}; verily I will cause the ENEMY {which in our day pertains to the erupting super volcano, being the enemy of latter day Babylon, but in the days of Jeremiah pertained to old Babylon} to entreat THEE {living messenger} well in the time of evil and in the time of affliction.

Ezekiel 9:6 SLAY {with plagues of darkness, anarchy, and

famine caused by smoke and ash and thereafter an overflowing and spreading lake of lava issuing from the swelled to heaven super volcano} *utterly old and young, both maids, and little children, and women: but come NOT NEAR any man UPON* {on their foreheads/frontlets of their minds} *WHOM* {the overcomers} *IS THE MARK* {of the seventh plagued angel's written visions and oracles}; *and BEGIN* {slaying} *at MY SANCTUARY* {referring to false priests and false elders that rejected the latter day living messenger's message}. *Then THEY* {old Babylon's armies in the past, but referring to the plagues caused by the erupting super volcano in our day} *began at the ANCIENT MEN* {the sanctuary's elders/ancients were first to be slain by the armies of old Babylon} *which were BEFORE* {in front, hence the ancients/elders officiated only in the inner court, not permitted to enter the house/temple} *the HOUSE* {within the house were the priests and high priest that are slain after the ancients are slain}.

The tribes of Dan and Ephraim are not listed among the twelve tribes of the 144,00. The reason is spiritual Dan represents the first group of 12,000 redeemed, while the spiritual tribe of Ephraim represents the third group of a great multitude of redeemed. In the past type, half of the tribe of Dan settled in the northern kingdom of Joseph, while the other half of the tribe of Dan settled in the southern kingdom of Judah. In our day, the people of the

first latter day group of believers that have died or will die before the star's impact are written by the first witness on the scroll of life's first side and are of the spiritual tribe of Dan in the southern land of Judah. The people of the first latter day group of believers that remain alive when the star impacts the USA are written by the last witness on the scroll of life's last side and are represented by half the tribe of spiritual Dan situated in the northern kingdom of Joseph.

One hundred and forty four thousand (144,000) overcomers of all generations are the second group of redeemed. Hence, there are 12,000 people in each of the twelve spiritual tribes listed in Revelation 7:5-8. This reveals that from all generations there will also be a total of 12,000 righteous people in the whole tribe of spiritual Dan, which represents the first group of redeemed. The 144,000 are the second group of righteous people gathered from every generation. The latter day people who are of the 144,000 will all be ripened with the messages written on six lights (visions) and six thunders (oracles) of the seventh angel with trumpet proclaimed for 1260 days, which repeat the visions and oracles of the six angels with trumpets. The six angels with trumpets repeat the messages of the white, red, black, and pale horses and riders written beneath six seals.

Revelation 7:9 *After this I beheld, and, lo, a GREAT MULTITUDE* {being the third/final latter day group of redeemed}, *which no man* {except the latter day messenger's message/Lamb} *could number, of ALL NATIONS, and KINDREDS, and PEOPLE, and TONGUES, STOOD* {a great multitude who are shown when they had just entered the intense light of the ensign emanating from new Jerusalem, in which is the high super volcano's mountain overflowing with a spreading lake of fire} *before the THRONE* {this throne is showing the time when the seventh plagued angel had risen as a great light with magma from the swelled to heaven bottomless pit to reign on the great white throne of light after the sixth plagued angel was fulfilled. At that time, the seventh plagued angel's visions and oracles are reigning over the kingdom of latter day Babylon}, *and before the LAMB* {representing the revealed written visions and oracles of the scroll of life}, *CLOTHED with WHITE ROBES* {the white robes represent the light/visions of the seventh plagued angel}, *and PALMS* {these palm leaves represent the harvest of the great multitude, being the harvest of spiritual fruits of the spiritual Feast of Tabernacles} *in their HANDS* {the third latter day group of redeemed is referred to as the great multitude of latter day spiritual Ephraim, which is a multitude of all nations, kindreds, people, and tongues. This great multitude of overcomers equals 10,000 times 10,000 plus thousands of thousands, as stated in Revelation 5:11; Daniel 7:10};

Daniel 7:10 ***A FIERY STREAM*** {of lava} ***issued and CAME FORTH*** {from the swelled to heaven super volcano's mouth overflowing with a spreading lake of fire} ***from before HIM*** {risen seventh plagued angel}: ***THOUSAND THOUSANDS*** {of the great multitude} ***MINISTERED*** {after just entering the intense light of the ensign to stand in the spiritual outer court of the fiery temple within new Jerusalem, that will be then sitting over the lava covered dissolved USA} ***unto HIM*** {seventh plagued angel}, ***and TEN THOUSAND TIMES TEN THOUSAND*** {of the great multitude} ***STOOD*** {stood in the outer court within new Jerusalem having just entered the intense bright white light of the ensign after fleeing from all nations} ***before HIM*** {risen seventh plagued angel from the swelled to heaven bottomless pit}: ***the JUDGMENT was set, and the BOOKS*** {each of these figurative books/scrolls will have recorded all events that happened in each generation; hence the first scroll will have recorded the things that existed and happened in the first generation} ***were OPENED*** {the scrolls have been opened consecutively during the initial 1,100 years of the judgment to replay what happened from Genesis through the last generation, new Earth, and time of the judgment}.

Two hundred million (200,000,000) horses are the total number of all righteous spirits pertaining to the three groups of redeemed gathered from all generations (see Revelation 9:16). Since the first group of spiritual Dan

equals 12,000, and the second group of twelve spiritual tribes equals 144,000, then the third group of spiritual Ephraim equals 199,844,000. All the people of the three groups of redeemed (who are written as overcomers in one of the many scrolls/books and last scroll/scroll of life) total 200,000,000 horses (righteous spirits). These 200,000,000 righteous people are equated with the faithful angels (perfect humans) in the garden of paradise of the real world. There are no other righteous spirits (redeemed) outside this number of 200,000,000.

The third latter day group of redeemed is referred to as the great multitude of latter day spiritual Ephraim, which is a multitude of people of all nationalities, including the nationalities of all generations. When the resurrection happens at the time the star's impact causes the bottomless pit to erupt smoke and ash, the overcomers of all generations resurrect. At the same time, the people that had died in every generation also resurrect. Many of these resurrected people will accept the everlasting gospel, which is proclaimed by the overcomers of all generations. These overcomers that proclaim the everlasting gospel are of the first group and second group of redeemed. Every person that accepts the everlasting gospel, proclaimed while the super volcano is erupting smoke and ash for five months from within the USA, will be of the great multitude (third group of redeemed).

Revelation 7:10 And {the great multitude} ***cried with a loud voice, SAYING*** {at the time the judgment began}, ***Salvation to our GOD*** {God/seventh plagued angel} ***which sitteth upon the THRONE*** {the throne reigning over the destroyed lava-covered kingdom of latter day Babylon and the world}, ***and unto the LAMB*** {the Lamb represents the revealed visions and oracles written on the scroll of life}.

During the second spiritual wilderness journey, the latter day overcomers of the 144,000 will have been ripened with the saving messages of six of seven lights (visions) and six of seven thunders (oracles) of the seventh angel with trumpet. At the end of these 1260 days, the super volcano temporary erupts smoke and ash. The failure begins the 3½ days of the sign of Jonah. At the same time, the prophesying of the two witnesses' written visions and oracles will be lying dead in the street of the USA's ruling capital and nation. Hence, totally rejected by the USA's leadership and nation. During these 3½ days, the latter day living people of the 144,000 will recognize the failure as being the sign of Jonah. Thereby having placed the knowledge written beneath the seventh seal of God (seventh plagued angel) on the front of their mind. After these three and a half (3½) days, the two witnesses' written visions and oracles revive to life when an ejected burning stone high into the sky from the super volcano falls as a great star. Its impact is the key (great earthquake)

that causes the super volcano to erupt smoke and ash continually for the next five months. At the opening of the super volcano, the two witnesses' written vision and oracle concerning the resurrection happens as prophesied.

From the day smoke and ash erupt continually from the super volcano begins the time of torment in the USA. During that time, tormenting plagues are loosed from the bottomless pit by the star's impact, which initially affect the false prophet's (USA's) land, because what the USA's leadership envisioned for the world's future is proving to be false. During fifty days from the time of the star's impact, the first group (12,000 apostles, among whom are all Patriarchs, prophets, and messiahs of all past generations) of redeemed and second group (144,000 disciples) of redeemed will have learned a new song (everlasting gospel). At the beginning of the fiftieth evening, these apostles and disciples receive the Holy Spirit's new latter day Pentecostal power, so they can proclaim in all languages the everlasting gospel and gather a great multitude before the lake of fire spreads and covers the world.

The people that become the great multitude of 10,000 times 10,000 and thousands of thousands of overcomers will have been saved by the last message (everlasting gospel), which the 12,000 apostles and 144,000 disciples of the latter day living messenger proclaim in all languages throughout the world.

According to one past type, the great multitude is as the return of the lost spiritual tribe of Ephraim. The people of the great multitude have figurative palms in their hands. These palms reveal that they are the final harvest of spiritual fruits gathered in this last generation. The great multitude will be ripened by the everlasting gospel during the time when smoke and ash are issuing from the super volcano's mouth in the fallen USA. When the mouth of the high and lifted-up super volcano is full of an overflowing lake of fire emanating an intense white light, the great multitude will then be harvested into the light of the ensign. From that time, the restoration of the kingdom of God (seventh plagued angel) will have been fulfilled (see Ezekiel 37:16, 17).

***Ezekiel 37:16** Moreover, thou son of man, take thee ONE STICK {a kingdom/one stick}, and write upon it, For JUDAH {being the kingdom of spiritual Judah, which represents the first group and second group of redeemed}, and for the CHILDREN {being the spiritual tribes of the first group and second group of redeemed} of Israel HIS COMPANIONS {referring to the old tribes situated in Judah/southern kingdom of Israel before the Assyrian and then the Babylonian took them into captivity}: then take ANOTHER STICK {a kingdom/one stick}, and write upon it, For JOSEPH {the northern kingdom of Israel}, the stick of EPHRAIM {representing the third group of redeemed/great multitude} and for all the house of Israel*

his COMPANIONS {referring to the old tribes situated in Joseph/northern kingdom of Israel before they were lost in captivity}:

Ezekiel 37:17 *And join THEM* {the two separate kingdoms} *one to another into ONE STICK* {to again become one kingdom}; *and they shall become one in THINE HAND* {representing the latter day messenger's hand that opens and reveals the scroll of life}.

In the past type, before the old day of atonement {equated with the day the star impacts the land}, the harvest of barley (equated with the first group of redeemed) was already commemorated as was the following commemoration of the wheat harvest (equated with the second group of redeemed/144,000). Four days after the old day of Atonement, on the following day began the observance of the Feast of Tabernacles {equated with the time when lava erupts from the high and lifted-up super volcano} to commemorate the fruit harvest (equated with the gathering of the third group of redeemed/great multitude) with a waving of palm leaves (see Leviticus 23:40).

Leviticus 23:40 *And ye shall take you on the FIRST DAY* {of the seven days of the Feast of Tabernacles} *the boughs of goodly trees, BRANCHES OF PALM TREES* {just as the people of the great multitude are holding palms in their hands while standing within new

Jerusalem}, *and the boughs of thick trees, and willows of the brook; and ye shall REJOICE* {having entered new Jerusalem} *BEFORE the Lord your God* {seventh plagued angel reigning from the high super volcano's mouth full of an overflowing lake of fire} *SEVEN DAYS* {representing seven parts of the seventh plagued angel}.

In our day, the new Day of Atonement begins at the end of the 2300-day period. Then for 3½ days is the sign of Jonah when the latter day people of the first group and second group of redeemed are afflicting their souls before the super volcano begins to erupt with smoke and ash continually. After these 3½ days, the super volcano erupts continually with smoke and ash for five months during a time of torment in the USA. During the next five months of smoke and ash issuing from the opened mouth of the super volcano, a great multitude of people will accept the everlasting gospel proclaimed by the first group and second group of redeemed. At the end of these five months, the super volcano swells into the sky and explodes coals of fire. The massive explosion causes a great earthquake such as never was, which travels throughout the land causing destruction such as never happened. An overflowing lake of lava will fill the immense mouth of the super volcano as it radiates an intense white light high into the atmosphere from within the destroyed USA. This intense light is the ensign to which all the redeemed will travel to from all parts of the

globe. The great multitude (equated with the fruit harvest) will travel to the light of the ensign and enter into it with the first group of redeemed (equated with the barley harvest) and the 144,000 (second group of redeemed equated with the wheat harvest). All nations that refuse to join the great multitude and enter the fiery ensign – to keep the new time of the figurative Feast of Tabernacles – will begin dying by anarchy, famine (see Zechariah 14:16-19), and death by whirlwinds of fire and the spreading lake of fire to all nations.

Zechariah 14:16 *And it shall come to pass, that every one that is left of all the nations which came against {new} Jerusalem {representing the first group and second group of redeemed} shall even go up FROM YEAR {during a replay} TO YEAR {and the next replay} to worship the King {seventh plagued angel's visions and oracles of what the first witness saw and heard happen}, the Lord {seventh plagued angel's visions and oracles of what the last witness saw and heard happen} of HOSTS {great hailstones and coals of fire}, and to keep the FEAST OF TABERNACLES {representing the spiritual feast of the spiritual eagles/great hailstones on the USA's destroyed cities and states}.*

Zechariah 14:17 *And it shall be, that whoso will not come up of all the families of the earth unto {new} Jerusalem {representing a huge whirlwind/tornado of fire that encompasses the lava erupting super volcano within the*

destroyed USA} *to worship the King* {seventh plagued angel's visions and oracles of what the first witness saw and heard happen}, *the Lord* {seventh plagued angel's visions and oracles of what the last witness saw and heard happen} *of HOSTS* {great hailstones and coals of fire}, *even upon them shall be NO RAIN* {that causes famine}.

Zechariah 14:18 *And if the family of Egypt go not up, and come not, that have no rain; there shall be the plague, wherewith the Lord* {seventh plagued angel's visions and oracles} *will smite the heathen that come NOT UP* {to the huge fiery whirlwind encompassing the high super volcano's mountain overflowing with a lake of fire} *to keep the FEAST OF TABERNACLES* {to partake and reign over the destroyed USA}.

Zechariah 14:19 *This shall be the punishment of Egypt, and the PUNISHMENT OF ALL NATIONS that come NOT UP* {to the intense light of the ensign emanating above and around new Jerusalem/fiery whirlwind} *to keep the feast of tabernacles.*

When a great multitude enters into the fiery light of new Jerusalem's ensign of intense light emanating from the destroyed USA, they will then be the many angels (messengers) before the reigning throne at the beginning of the judgment. At that time, these righteous angels (third group of redeemed) will then be standing within new Jerusalem around the twenty-four elders (second group of

redeemed), the four beasts (priests), and the reigning throne of the seventh plagued angel, whose great white throne of intense light sits reigning above the great hailstones (sea of glass), over the high and lifted-up lava erupting mouth of the super volcano. From that time, the seventh plagued angel's visions and oracles are reigning over the dissolved kingdom of latter day Babylon.

Isaiah 31:9 *And he shall pass over to his strong hold for fear, and his princes shall be afraid of the ENSIGN {intense white light}, saith the Lord, whose FIRE {lake of fire} is in {new} Zion {mountain of the super volcano}, and his FURNACE {40-mile wide mouth filled with an overflowing lake of fire} in JERUSALEM {new Jerusalem represents the immense whirlwind/tornado of fire surrounding the super volcano in the destroyed USA}.*

Isaiah 5:26 *And HE {seventh plagued angel that begins being fulfilled after the sixth plagued angel has happened} will LIFT UP {being the swelled to heaven super volcano's immense mouth full of an overflowing lake of fire} an ENSIGN {of an intensely bright light emanating from the 40 mile-wide mouth full of a lake of fire} to the nations from far, and will HISS {sound of erupting lava from the huge mouth of the high super volcano} unto them from the end of the earth: and, behold, THEY {first group, second group, and third group/great multitude of redeemed} shall come with SPEED SWIFTLY {to quickly enter the ensign before lava spreads and consumes the*

whole world}:

Revelation 7:11 And all the ANGELS

{angels/messengers /great multitude have been standing around the throne from the time they entered the ensign to then view the initial 1,100 years of the judgment when all the scrolls were opened, and thereafter have been viewing the seventh plagued angel replaying all generations over and over} ***stood round about the THRONE*** {on this great white throne of intense light sits the seventh plagued angel's visions and oracles from the time the super volcano swelled to the sky and exploded coals of fire into the atmosphere}, ***and about the ELDERS*** {second group of redeemed that entered the ensign to be standing around the throne during the judgment} ***and the FOUR BEASTS*** {representing the first group of redeemed that entered the ensign to be standing around the throne during the judgment}, ***and*** {all the angels/great multitude} ***FELL BEFORE THE THRONE on THEIR FACES*** {fell on their faces after the seventh plagued angel revealed to the angels/great multitude from the scroll of life the time when they entered to stand within new Jerusalem just before the judgment began}, ***and worshipped God*** {seventh plagued angel's written visions and oracles},

In Revelation 7:11, the seventh plagued angel is showing during the judgment a written vision and oracle that have

already been shown from the scroll of life earlier in the judgment.

The angels (messengers) mentioned in Revelation 7:11 are the great multitude, who are the third group of redeemed. These angels are viewing the seventh plagues angel reveal the time earlier in the judgment when the scroll of life's written visions and oracles were revealing the great multitude having just entered new Jerusalem and holding palms. Accordingly, when the angels see themselves when they entered the ensign to stand within new Jerusalem holding palms, the angels fall on their faces and worship the seventh plagues angel {God} sitting and ruling over latter day Babylon's lava covered dissolved kingdom.

Revelation 7:12 Saying, Amen: BLESSING, and GLORY, and WISDOM and THANKSGIVING, and HONOUR, and POWER, and MIGHT, be unto our God {seventh plagues angel} for ever and ever. Amen.

When the angels (great multitude) hear from the scroll of life the worshiping praises that the great multitude gave to God (seventh plagues angel) when the great multitude just entered the ensign of new Jerusalem, the angels (great multitude) that have been viewing the judgment for over 1,100 years say amen as they worship God (seventh plagues angel's written visions and oracles) with seven

praises of worship: (1) blessing, (2) glory, (3) wisdom, (4) thanksgiving, (5) honor, (6) power, and (7) might.

7:13 *And one of the elders answered, saying unto me, **WHAT ARE THESE** {vision of a great multitude being shown from the scroll of life} **which are ARRAYED in WHITE ROBES** {white robes are equated with the seventh plauged angel's light/visions}? **And WHENCE CAME THEY?***

7:14 *And I {Apostle John} said unto him, Sir, thou knowest. And he said to me, **THESE** {great multitude/third group of redeemed} **are they which CAME OUT** {were saved} **of GREAT TRIBULATION** {referring to the time after five months of smoke and ash had erupted from the super volcano in the USA}, **and have WASHED** {with the spiritual rain/everlasting gospel} **their robes, and made them WHITE** {by believing the seventh plauged angel's written visions and oracles} **in the BLOOD** {being the death during the sign of Jonah and then resurrection of the latter day message 3½ days later} **of the LAMB** {representing the message that revealed the written visions and oracles of the scroll of life}.*

For the great multitude to be gathered during a time of

great tribulation, the two witnesses' written visions and oracles had to first be slain (totally ignored) and lying dead and rejected during the sign of Jonah. Then because of that event, the latter day resurrection can take place when the super volcano erupts smoke and ash for five months of torment. During the time of torment, the first group and second group of redeemed will be proclaiming the everlasting gospel, according to the latter day messenger's message (Lamb), that revealed the visions and oracles written on the seventh light of the seventh angel with trumpet. On this seventh light are written seven plagued angels.

During the time of torment, the message of the everlasting gospel will reveal to all nations how the message (Lamb) of the two witnesses' written visions and oracles (spiritual blood) were slain (totally rejected) by the USA's confused leaders and nation of the USA during the sign of Jonah. Also, the everlasting gospel will proclaim to all nations that the fulfillment of the latter day resurrection was according to the two witnesses' visions and oracles. The everlasting gospel will also proclaim to all nations, peoples, and tongues that salvation from the world's destruction can only be attained by accepting the visions and oracles of what the two witnesses have already witnessed happen. A great multitude of all nations, kindreds, tongues, and people will accept the message of the everlasting gospel during the five months of torment.

Then when the super volcano swells to heaven and explodes magma into the sky, a terrible time of tribulation will begin. When the swelled to heaven super volcano's immense mouth is filling with a lake of fire and emanating an intensely bright light, then the great multitude will forsake everything, and travel to enter the intense light of the ensign. As the great multitude travel from all parts of the globe to the ensign within the destroyed USA, they will become messengers (angels) trying to convince others to accept the everlasting gospel, forsake everything, and join them as they travel to enter the ensign.

The great multitude will wash their figurative robes in the spiritual blood of the Lamb. The Lamb's blood represents the small written visions and oracles that dawned from beneath each of seven seals. The Lamb with seven horns and seven eyes represents seven small parts beneath seven seals of the scroll of life. As each seal was removed, a small written vision (equated with blood) dawned from beneath each of seven small parts (equated with the Lamb). The Lamb (message) was killed and its blood (representing the words of the message) spilled at the end of the 260 days but rose to life three and a half days later, just as it will happen in the present replay of this last generation we are presently living in.

The great multitude will also make their figurative robes white when they enter the ensign, having clothed themselves with the seventh plagued angel's bright visions

and oracles. At that time, the seventh plagued angel's visions and oracles are reigning over the fallen kingdom of latter day Babylon from the super volcano's high mouth full of an overflowing lake of fire.

Revelation 7:15 Therefore are THEY {great multitude/third group of redeemed when they entered the ensign just before the initial 1,100 years of the judgment had begun} **before the THRONE** {the great white throne reigning over the dissolved kingdom of latter day Babylon just before the initial 1,100 years of the judgment had begun} **of GOD** {God/seventh plagued angel}, **and serve HIM** {seventh plagued angel's visions and oracles} **DAY** {pertaining to the spiritual sunlight/visions of the last witness/morning star/sun} **and NIGHT** {pertaining to spiritual moonlight/visions of the first witness/bright star/moon} **in HIS** {seventh plagued angel's} **TEMPLE** {being the super volcano's immense mouth full of an overflowing lake of fire that covered the world}: **and HE** {seventh plagued angel} **that sitteth** {just before the initial 1,100 years of the judgment had begun when the opened mouth of the super volcano is full of an overflowing lake of fire} **on the THRONE** {great white throne of intense light emanating high above from the super volcano's mouth full of an overflowing lake of lava} **shall dwell AMONG THEM** {when the seventh plagued angel's visions and oracles reveal new Jerusalem and new mount

Zion descending to the new garden of Eden in the new heaven and Earth at the beginning of the 1,100 years of the judgment).

The vision in Revelation 7:15 is being shown by the seventh plagued angel some time after the initial 1,100 years of the judgment of what the opening of the scroll of life revealed during the remaining 100 years of the initial 1,100 years of the judgment. This vision reveals the time when the great multitude had just entered the intense white light of the ensign emanating from new Jerusalem just as the judgment was about to begin.

In the past type, within old Jerusalem was mount Zion. On old mount Zion was situated the inner court and temple of God. In the holiest room of the temple was situated the Ark (throne) of God's covenant. Hence, within new Jerusalem (being an immense whirlwind/tornado of fire) is new mount Zion (mountain of the lava erupting super volcano). On new mount Zion's mount is the inner court. This inner court is around the seventh plagued angel's temple. The super volcano's mouth (full of an overflowing lake of fire) is the temple of the seventh plagued angel. Above the central area where magma is rising into the super volcano's mouth is the holiest part of the lake of fire, above which the seventh plagued angel's visions and oracles are reigning on the great white throne of intense light. Radiating from the immense mouth full of an overflowing lake of fire/lava is the intense light, on which

is the seventh plagues angel's great white throne of light.

During the judgment, the visions and oracles of the seventh plagues angel are reigning above the high super volcano's mouth full of a lake of fire that has filled the world. On the sea of glass (equated with great hailstones) above the mountain (equated with the inner court) of the super volcano are the 24 elders. Above the lake of fire (equated with the temple) on the sea of glass are the two groups of four beasts that are the priests of the temple, while the Lamb is the high priest able to be on the tallest part of the high mountain's immense mouth full of an overflowing lake of fire. Before the sea of glass above the middle of the lake of fire is the great white throne, which is equated with the Ark of the Covenant. Between two cherubs (representing the two witnesses) on the mercy seat of the Ark of the Covenant (representing the great white throne) sits the seventh plagues angel's written visions and oracles reigning over the lava covered dissolved kingdom of latter day Babylon. Below and around (equated with the outer court of the temple) the mountain (inner court of the temple) of the super volcano is where the great multitude is standing within new Jerusalem during the judgment. However, when the high super volcano and new Jerusalem, as it were, descend to the new Earth below as the judgment begins, from that time the seventh plagues angel's visions and oracles will be dwelling as Eden's mount flowing with pure water

within the new garden of Eden with the great multitude round about, instead of the great multitude being round about the high super volcano full of an overflowing lake of fire during the judgment.

Revelation 7:16 THEY {great multitude} ***shall HUNGER NO MORE*** {having an abundance of food naturally growing in the garden of Eden}, ***neither THIRST ANY MORE*** {because of the fountains of pure water in the new garden of Eden}; ***neither shall the SUN LIGHT ON THEM*** {because they will be shaded from sunlight by the many trees in the new garden of Eden}, ***nor any HEAT*** {while dwelling in the perfect climate of the new garden of Eden}.

From the time the great multitude (third group of redeemed entered the ensign, they have been living in the new heaven and new Earth with new perfect bodies, knowing only good without any memory of an old heaven and Earth. This is also the case for the first group and second group of redeemed. At the same time the three groups of redeemed entered the ensign, they have been standing within new Jerusalem during the continuing judgment, which presently the seventh plagued angel (representing the last small part of the scroll of life) is replaying the last generation. Hence the things presently happening and the lives we are presently living in this last

generation.

In the garden of Eden there is an abundance of food growing naturally for people to eat. Also in the new garden of Eden, there are natural fountains of pure water flowing as rivers for the people to drink. Many trees in Eden create a natural shade for people. The climate in new Eden is ideal for people to dwell naturally, just as it was in the Eden of Genesis before Adam and Eve ate of the fruit of good and evil.

Revelation 7:17 For the LAMB {representing the message that reveals the visions and oracles written on the scroll of life} ***which is in the midst of the THRONE*** {on which is reigning the seventh plagued angel's written visions and oracles} ***shall FEED THEM*** {in the new garden of Eden}, ***and shall lead them unto LIVING FOUNTAINS OF WATERS*** {fountains of waters flowing into rivers throughout the land} ***and God*** {seventh plagued angel's written visions and oracles} ***shall wipe away all tears from their eyes*** {from the time the redeemed have been dwelling in the garden of Eden of a new heaven and Earth}.

The old Earth will have been dissolved by the overflowing lake of lava. Immediately thereafter, the initial 1,100-years of the judgment began. The three groups of redeemed have been participating in the judgment while within new Jerusalem for more than 1,100

years. At the same time when the judgment began, the three groups of redeemed have been living in new perfect bodies in the new Eden of the new Earth. The new Earth has been created by Michael and Gabriel (as written on the seventh plagues angel) for the redeemed to live therein without having any memory of what happened in the old Earth or that there was an old Earth. Accordingly, all tears will have been wiped from the eyes of the redeemed.

As the seventh plagues angel (God) replays (recreates) all generations, the replay of the last generation shows the redeemed when they entered the ensign to be living in a new heaven and new Earth. At the same time when the replay shows the redeemed entering the bright light of the ensign, the three groups of redeemed appear before the throne upon the super volcano's high mountain within new Jerusalem. Upon this great white throne of intense light is seen the seventh plagues angel reigning over the lava covered kingdom of latter day Babylon. The new world is as Eden of Genesis before Adam and Eve ate the fruit of good and evil. In the new Earth, the Lamb (representing the revealed visions and oracles of the scroll of life) reveals naturally growing food and pure waters for the people to eat and drink in the paradise of the new Earth forever.
