

## Chapter 8

***Revelation 8:1 And when HE {Lamb} had OPENED {removed with his seventh horn} the SEVENTH SEAL {from around the rolled-up scroll of life's seventh/Sabbath part}, there was SILENCE IN HEAVEN {around the throne above the swelled to heaven super volcano, where the judgment is taking place} about the space of HALF AN HOUR {this is the first half hour of the hour of temptation during latter day Babylon's second reigning period as the seventh kingdom while in figurative Canaan}.***

The Lamb removes the seventh seal/band, from around the rolled-up scroll of life, with his seventh horn. This exposes more of the writings on the rolled-up scroll of life's outside. He was then able to see, with his seventh eye, another little part (dawning) on the rolled-up scroll of life's seventh part. This little vision was previously hidden beneath the seventh band.

At the end of latter day Babylon's second reigning period, latter day Moses' message revived to life. The reason was he began to understand the dawning vision and oracle written on the first of seven angels with trumpets, that are written beneath the seventh seal. The dawning message was illustrated in Revelation, Chapter 7 by the angel ascending (dawning) from the eastern horizon as the

dawning of the seventh evening, having the seventh seal in his hand.

In Revelation 8:1, the Lamb removes the seventh seal (band), with his seventh horn, from around the outside of the rolled-up scroll of life. He can now see, with his seventh eye, what is written beneath the seventh seal and can unroll the scroll of life. When he began to reveal the first angel with trumpet to the kingdom of latter day Babylon as it was reigning during its second of three reigning periods, the first spiritual wilderness journey of 1260 days was beginning. These 1260 days ended 3½ days before latter day Babylon's second reigning period ended.

When the seventh seal was removed sometime after the initial 1,000 years of the judgment, there was half an hour of silence around the seventh plagued angel's throne of intense light, emanating above the lifted-up to heaven (sky) super volcano's immense mouth full of a lake of lava. The half an hour of silence in heaven is equated with the time on Earth when latter day Babylon was reigning during its second reigning period, which is its first half an hour of its one hour reign in figurative Canaan (see Revelation 17:12). In latter day figurative Canaan (equated with the old Promised Land) is where the super volcano is located, which opens after the sign of Jonah when it explodes with a great sound of thunder and an earthquake. The latter day redeemed will reign over latter

day figurative Canaan, just as the Israelites of old returned from their 40-year wilderness journey to reign over old Canaan.

***Revelation 8:2 And I saw the SEVEN ANGELS***

{representing seven visions written on the unrolled scroll of life's seventh part/seventh seal that warn of the seventh plagued angel rising from the swelling super volcano, as its immense mouth fills with a lake of fire} ***which STOOD BEFORE*** {as the seven lights of the golden candlestick in the temple's holy place before the new day of atonement} ***God*** {before the seventh plagued angel/God dwelling in the most holiest place of the temple}; ***and to them were given SEVEN TRUMPETS*** {seven trumpets are equated with seven thunders/oracles that speak from the scroll of life's seventh/Sabbath part}.

All seven angels' visions and their seven trumpets are written on the seventh part (beneath the seventh seal) of the scroll of life's first side. The seventh part (of the scroll of life's first side) is divided into seven equal parts, just as their are seven equal parts of the seventh part of the scroll of life's other side. Each of these seven equal parts are equated with each of seven angels with a trumpet, just as a Sabbath's evening was divided into seven equal parts (as also a Sabbath's daylight was divided into seven parts). Before each of the seven angels with trumpets

began to be revealed by the latter day messenger in the last generation, six seals were consecutively removed from around the rolled-up scroll of life's outside to reveal the written messages of six small visions and oracles during latter day Babylon's first reigning period. During latter day Babylon's second reigning period, the messages of six small visions and oracles were again revealed but by six of seven angels with trumpets from the scroll of life's seventh part/seventh seal in Revelation 8:2.

During latter day Babylon's third reigning period, the six of seven lights and six of seven thunders of the seventh angel with trumpet will have been revealed to ripen all the latter day saints that officiate as priests (represented by the first group of redeemed) in the temple's holy place and as elders (represented by the second group of redeemed) in the temple's inner court.

The visions and oracles written at the beginning of the seventh (equated with a Sabbath's evening) part of the scroll of life's first side mix with the visions and oracles written at the end of the seventh part (equated with a Sabbath's daylight) of the scroll of life's last side, which is likened to the beginning of the evening mixing with the ending of daylight. Accordingly, Revelation chapter 8 (being the beginning of the seventh/Sabbath part of the scroll of life's first side) is showing what is written at the ending of the seventh part of the scroll of life's last side.

\*\*\*\*\*

**Revelation 8:3 And ANOTHER ANGEL** {representing a vision of the ending of the sixth plagued angel} **came and STOOD at the ALTAR** {the golden altar represents the swelled to heaven super volcano when it is almost full of a lake of fire}, **having a GOLDEN** {gold represents the first witness' spiritual silvery moonlight/visions mixed with the last witness' spiritual coppery sunlight/visions on the first small part and last small part of the scroll of life's first side and last side} **CENSER** {the censer represents the immense mouth of the swelled to heaven super volcano full of a lake of fire}; **and there was given unto HIM** {ending of the sixth plagued angel} **MUCH INCENSE** {this incense represents sweetness/pleasing}, **that he should offer it with the PRAYERS** {that prayed for the rising of the seventh plagued angel when they were proclaiming the everlasting gospel} **of ALL SAINTS** {all priests/apostles and all elders/disciples that proclaimed the everlasting gospel in the last generation} **upon the GOLDEN ALTAR** {representing the time when the rising seventh plagued angel is about to sit above the swelled to heaven super volcano, almost full of a lake of fire, on his intense throne of light, as revealed by the first witness' spiritual silvery moonlight/visions at even mixed with the last witness' spiritual coppery sunlight/visions to create the gold of the altar} **which was before the THRONE** {this throne represents the time when intense

light is emanating from the lake of fire when it has filled the swelled to heaven super volcano. Also the throne is equated with the mercy seat of the Ark of the testament, on which sits the risen seventh plagues angel on his intense light of the Shekinah glory}.

In Revelation 8:3 the angel is seen standing at the golden altar with a censor. This vision is written on the ending of the sixth plagues angel, that is revealing the time when the rising seventh plagues angel is about to sit on his intense light above the swelled to heaven super volcano when it is full of a lake of fire. In the past type, the high priest of the old Israelite temple would enter the holy place of the temple and place sweet incense on the golden altar of incense (which was very close to the curtain separating the most holy place) to create a lot of smoke that filled the temple's holy place and most holy place.

The filling of the temple with smoke is equated with the time when after five months of smoke and ash have erupted, the super volcano explodes. At this massive eruption begins the rising of the seventh plagues angel while each of the initial six plagues angels begin being fulfilled from the swelling super volcano. The ending of the sixth plagues angel is likened to the high priest standing at the golden altar and placing sweet incense on the burning coals. When the Shekinah glory is radiating an intense light from the most holy place of the temple, then the high priest places coals of fire and incense into

his golden censor, moves the curtain aside, and enters the most holy place with his censor, that is creating a lot of sweet-smelling smoke. When the high priest enters the holy of holies, it is equated with the time when the seventh plagues angel has risen to sit on his throne of intense light above the swelled to heaven super volcano, full of a lake of fire (see Leviticus 16:12,13).

The three groups of redeemed will begin entering the intense light of the ensign radiating from new Jerusalem when the seventh plagues angel has risen to be sitting on his throne of intense light upon the swelled to heaven new mount Zion (full of a lake of fire), which is within new Jerusalem. After all the redeemed have entered the glorious ensign, new mount Zion will explode with a massive eruption. This massive eruption causes a great earthquake such as never happened, as the risen seventh plagues angel descends as a great earthquake and an overflowing and spreading lake of fire. This is illustrated in Zechariah 14:4 by the feet (great earthquake) of the seventh plagues angel standing on and cleaving the figurative mount of Olives, which is near the swelled to heaven new mount Zion (super volcano) within new Jerusalem.

***Zechariah 14:4*** *And HIS {seventh plagues angel's} FEET {of a great earthquake such as never happened} shall stand in that day upon the MOUNT OF OLIVES {which in our day represents a mountain outside new Jerusalem in*

the ruined USA}, *which is before JERUSALEM* {referring to new Jerusalem in our day} *on the east, and the mount of Olives shall cleave in the midst thereof toward the east and toward the west, and there shall be a very great valley; and half of the mountain shall remove toward the north, and half of it toward the south.*

\*\*\*\*\*

***Revelation 8:4 And the SMOKE*** {equated with the smoke and ash after it had erupted for five months from the super volcano and covered the sky over the USA} ***of the INCENSE*** {sweetness/pleasing time of the rising of the seventh plagues angel}, ***which came with the PRAYERS*** {of the people that proclaimed the everlasting gospel} ***of the SAINTS*** {saints of the seventh plagues angel's temple, wherein are four beasts/priests of the first group of redeemed and elders of the second group of redeemed that are watching the Lamb unseal each seal that was around the rolled-up scroll of life during the judgment}, ***ascended up before God*** {God/seventh plagues angel that is being shown from the scroll of life's written visions and oracles when he is about to sit on his throne of intense light} ***out of the ANGEL'S*** {ending of the sixth plagues angel's as the seventh plagues angel is about to begin} ***hand.***

The smoke of the incense is ascending up from the golden altar, as each of six plagues angel's are being fulfilled.

The reason for the sweetness is that the seventh plagues angel is rising as a lake of fire in the swelling to heaven super volcano. The golden altar of incense was in the holy place of the old temple very near the curtain before God (risen seventh plagues angel that sits on the Ark of the testament when the Shekinah glory is radiating an intense light). God (risen seventh plagues angel) manifested with the Shekinah glory in the most holy place of the old temple. Accordingly, six plagues angels are fulfilled before the Shekinah glory is about to manifest on the Ark of the testament. Then when the Shekinah manifests on the Ark of the covenant, the high priest enters into the most holy place of the temple with his censer full of burning coals of fire and a lot of incense placed thereon creating a lot of sweet smelling smoke.

From the time the seventh plagues angel is rising (as each of the initial six plagues angels are being fulfilled), the resurrection of the latter day martyrs (that were killed for proclaiming the everlasting gospel) join their remaining living brethren (of the first group of redeemed) and fellowservants (of the second group of redeemed) as they journey with a great multitude of people to the rising ensign. That is a joyous time for the redeemed, as equated with the sweetness of the smoke that rose from the golden altar of incense.

\*\*\*\*\*

***Revelation 8:6 And the SEVEN ANGELS*** {being seven parts of the scroll of life's first side. On which are written visions and oracles} ***which had the SEVEN TRUMPETS*** {representing the written oracles/thunders of the seven angels/messages/visions} ***prepared themselves to SOUND*** {from the seventh part/seventh seal of the scroll of life's first side}.

The seven angels with trumpets in Revelation 8:6 represent visions and oracles that are written on the seventh part of the scroll of life's first side, that mix with the visions and oracles written on seven parts of the scroll of life's last side. These visions are revealed by latter day Moses' message to warn the people living in the USA and other nations concerning the super volcano erupting smoke and ash for five months, and thereafter filling with a lake of lava that spreads to cover the USA and the world.

The first witness (Michael) wrote visions and oracles on the scroll of life's first side of things he saw and heard happening in the last generation, new heaven and new Earth, and time of the judgment. The last witness (Gabriel) wrote visions and oracles on the scroll of life's other side of things Gabriel saw and heard happening in the last generation, new heaven and new Earth, and time of the judgment. On the scroll of life's first side, the first witness (Michael) wrote visions and oracles on six of seven angels with trumpets (as Gabriel wrote on six of

seven angels with trumpets on the other side of the scroll of life) of what he had seen (visions) and heard (oracles) happening in the world from the time the first reigning period of latter day Babylon ended through to the end of latter day Babylon's second reigning period. From the end of latter day Babylon's second reigning period to the end of latter day Babylon's third/final reigning period, the two witnesses will have written on six of seven lights of the seventh angel with trumpet the things they saw and heard take place during that time.

Latter day Babylon's third reigning period begins ending when the super volcano explodes and continually erupts smoke and ash for five months in the USA. All things that happen in the world from the time the super volcano opens and begins erupting smoke and ash for five months are already written by the first witness on six plagued angels of the scroll of life's first side, and are already written by the last witness on six plagued angels of the scroll of life's last side.

The initial six of seven plagued angels are written on the seventh light of the seventh angel with trumpet. From the time the swelled to heaven super volcano's immense mouth was filled with a lake of lava, each witness wrote on the seventh plagued angel all things they saw and heard happening from that time. The seventh plagued angel is equated with the last (seventh) small part of the seventh light of the seventh angel with trumpet. This last

small part (equated with the ending of the seventh evening at dawn) written on the seventh part (equated with the seventh evening) of the scroll of life's first side mixes with the first small part (equated with the time of dawn) written on the seventh part (equated with the seventh day's daylight) of the scroll of life's other side. On this seventh light of the seventh angel with trumpet (written at the ending of the seventh part of the scroll of life's first side by the first witness and also written by the last witness at the ending of the seventh part of the scroll of life's last side) is written seven plagued angels.

\*\*\*\*\*

***Revelation 8:5 And the ANGEL*** {being the ending of the sixth light/vision of the seventh angel with trumpet that is here revealing the beginning of the seventh light of the seventh angel with trumpet} ***took the CENSER*** {representing the swelled to heaven super volcano filled with a lake of fire, as witnessed by the two witnesses and written at the beginning of the seventh light of the seventh angel with trumpet}, ***and filled it with FIRE*** {equated with the time when the swelled to heaven super volcano, full of a lake of fire, explodes with a massive eruption of fire into the sky} ***of the ALTAR*** {now the golden altar represents the swelled to heaven super volcano at the time the risen seventh plagued angel begins to descend as a lake of fire from the top of the swelled to heaven}, ***and cast it into the EARTH*** {land of the USA}: ***and there***

*were VOICES* {voices represent the sound of great hailstones and erupting coals of fire, the voices are also equated with the fulfillment of the written visions/lightnings and the written oracles/thunderings}, *and THUNDERINGS* {caused by the ejected coals of fire from the swelled to heaven exploded super volcano. The thunderings are also equated with the written oracles of the seventh plagued angel}, *and LIGHTNINGS* {representing coals of fire erupting into and falling from the sky, equated with visions written on the seventh plagued angel}, *and an EARTHQUAKE* {that happened when the swelled to heaven super volcano, full of a lake of fire, exploded with a massive eruption, as coals of fire were shot like arrows into the sky}.

The vision in Revelation 8:5 is revealing what is written on the seventh part of the scroll of life's first side at the beginning of the first angel with trumpet, which is mixing with what is written on the scroll of life's last side at the ending of the seventh angel with trumpet. The seven parts of the scroll's first side are as seven evenings, just as the seven parts of the scroll of life's last side are as seven days of daylight. The first side and the last side of the scroll of life are the two witnesses. The beginning of the first angel with trumpet written on the seventh part (seventh evening) of the scroll of life's first side is mixing with the ending of the seventh angel with trumpet written on the seventh part (seventh day's daylight) of the scroll of life's

last side, just as the beginning of the seventh day's evening mixes with the ending of daylight during dusk. Accordingly the beginning of the first angel with trumpet (written on the seventh part of the scroll of life's first side) is revealing what is written at the setting of the seventh angel with trumpet (written on the seventh part of the scroll of life's last side). Therefore, Revelation 8:5 (being the beginning of the scroll of life's seventh evening) is revealing what is written at the ending of the of the scroll of life's seventh day's daylight). At the ending of the scroll of life's seventh day's daylight shows the time when the swelled to heaven super volcano, full of a lake of fire, exploded coals of fire into the sky, that fell like arrows burning arrows upon the USA's land, that was covered in darkness. This is represented in Revelation 8:5 by the angel placing fire (lava) in his censor from off the altar and casting the coals of fire upon the Earth (land of the USA).

In the past type, the high priest would place in his golden censor burning coals from of the golden altar (located in the holy place of the temple) and sweet incense. Then he would move the vail and enter the most holy place of the temple, where the Ark of the covenant was placed. The coals of fire in his censor when he entered the most holy place are equated with the coals of fire that explode from the swelled to heaven super volcano, full of a lake of fire.

At the time when coals of fire erupt into the sky from the

immense mouth of the swelled to heaven super volcano, they are accompanied by voices of raining great hailstones upon the land. Thunderings will be happening above and around the swelled to heaven super volcano's mount overflowing with a lake of fire, as lightnings begin to strike above and around the swelled to heaven super volcano. Around the swelled to heaven super volcano is a massive whirlwind of fire, that is equated with new Jerusalem. All the redeemed will have already entered new Jerusalem's ensign before the swelled to heaven super volcano exploded coals of fire into the sky.

In Revelation 8:5, voices, thunderings and lightnings are written in reverse order to reveal that when the Lamb is revealing the dawning visions written on the first angel with trumpet on the seventh part of the scroll of life's first side, it is also revealing what is written at the ending of the seventh angel with trumpet written on the seventh part of the scroll of life's last side. Hence the reason why lightnings (equated with written visions), thunderings (equated with written oracles), and voices (equated with the interpretation of the lightnings and thunderings) are written in reverse order as voices, thunderings, and lightnings. This is the reason why the seventh plagued angel is the alpha (first written letter) and omega (last written letter), the beginning (the beginning of what is written on the first angel with trumpet on the seventh part of the scroll of life's first side, and vice versa) and the end

(the ending of what is written on the seventh angel with trumpet on the seventh part of the scroll of life's last side, and vice versa),

The seventh plagued angel is also referred to as the bright star (moonlight) and morning star (dawning sunlight). This bright star (moonlight) can refer to the beginning (rising) of each of seven parts (seven evenings) of the scroll of life's first side, which is equated with the first witness' visions written on each at the beginning (dusk) of each of seven parts of the scroll of life's first side. Also the bright star (moonlight) can refer to the ending (at dawn) of each of the seven parts (seven evenings) of the scroll of life's first side, which is equated with the first witness' visions written at the ending of each of seven parts of the scroll of life's first side. The morning star (sunrise) refers to the spiritual morning sun's light at dawn (when the sun is rising from just below the easterly horizon), which is equated with the last witness' visions written at the beginning of each of the seven parts of the scroll of life's last side.

\*\*\*\*\*

***Revelation 8:7 The FIRST ANGEL SOUNDED***

{sounded its trumpet/warning from the beginning of the first spiritual wilderness journey of 1260 days during the second reigning period of latter day Babylon}, ***and there followed HAIL*** {great hailstones} ***and FIRE*** {coals of fire exploding from the swelled to heaven super volcano,

full of a lake of fire} *mingled with BLOOD* {blood refers to death}, *and they were cast upon the EARTH* {land of the USA and nations}: *and the THIRD PART* {one part of three parts of a tree} *of* {each of the} *TREES* {representing leaders in their capital cities} *was BURNT UP* {dead}, *and ALL GREEN GRASS* {referring to people of each nation that rejected the everlasting gospel when smoke and ash were issuing for five months from the super volcano} *was BURNT UP* {dead}.

The beginning of the first angel with trumpet written on the scroll of life's first side is warning of what is written at the ending of the seventh angel with trumpet written on the seventh part of the scroll of life's last side. The warning written on the first angel with trumpet was proclaimed by the latter day messenger at the beginning of 1260 days of prophesying during latter day Babylon's second reigning period. The first angel with trumpet sounded to latter day Babylon with a great sound of thunder. This great sound of thunder represents the written oracles on the scroll of life that speak of how the swelled to heaven super volcano explodes coals of magma with a great sound of thunder. Coals of fire with great hailstones will rain through the darkness covering the USA.

Death (blood) comes to one of three parts of each tree by the great hailstones and coals of fire. These spiritual trees represent leaders in the capital cities (trees) of their nations. One part of each leadership's capital city (each

spiritual tree) will be killed by great hailstones and coals of fire, as a lake of fire spreads throughout the USA and world.

The green grass represents people in one part of each nation that remained faithful to their leaders in their nation's capital, whose vision for the world's future was opposite to what the everlasting gospel was prophesying. These rebellious people rejected the message of the everlasting gospel and remained outside new Jerusalem's ensign. After five months of smoke and ash had erupted from the super volcano, a great multitude will have been converted to travel and enter new Jerusalem's ensign. All the other people that remained in one part of each nation will be killed by great hailstones and coals of fire when lava spreads throughout the USA and world.

***Habakkuk 3:11*** *The SUN and MOON stood STILL* {in our day referring to the sun and moon being veiled with smoke and hot ash that will have erupted for five months from the super volcano in the USA} *in their HABITATION* {sky}: *at the light of THINE* {risen and descending seventh plagued angel's} *ARROWS* {of great hailstones and coals of fire} *they went, and at the SHINING of THY* {seventh plagued angel's} *GLITTERING SPEAR* {lightning}.

The first angel with trumpet is revealing what is written beneath the first seal. A person who truly believes the

warning message of the first angel with trumpet during the second and/or third reigning periods of latter day Babylon will have overcome their old beliefs to be one of the 144,000 firstfruits of the wheat harvest on the day the super volcano erupts smoke and ash. The people that accept the everlasting gospel when smoke and ash are erupting for five months from the super volcano will be of the great multitude of the fruit harvest.

\*\*\*\*\*

***Revelation 8:8 And the SECOND ANGEL SOUNDED***

{sounded its trumpet/warning during the second reigning period of latter day Babylon when the first spiritual wilderness journey of 1260 days was happening}, ***and as it were a GREAT MOUNTAIN*** {swelled to heaven super volcano} ***BURNING with FIRE*** {full of a lake of lava/fire} ***was CAST*** {at the explosion of the swelled to heaven super volcano, full of a lake of fire} ***into the SEA*** {spiritual sea/kingdom of latter day Babylon}: ***and the THIRD PART*** {one of three parts} ***of the SEA*** {kingdom/sea of combined figurative rivers/nations} ***became BLOOD*** {dead};

The second angel with trumpet warns the number seven reigning kingdom named latter day Babylon of the same visions and oracles written beneath the second seal. During the 1260 days of the first spiritual wilderness journey, the second angel with trumpet sounded to latter

day Babylon concerning a great mountain (swelled to heaven super volcano) burning with fire (its immense mouth full of a lake of fire) being cast (when the swelled to heaven super volcano explodes and the lake of fire begins to overflow and spread through the USA and world) into the spiritual sea (spiritual sea representing the kingdom of latter day Babylon). From the time the swelled to heaven super volcano (full of a lake of fire) explodes coals of fire causing a great earthquake such as never happened, the rider and his white horse will then be covered in red blood during a terrible time of anarchy in all nations of latter day Babylon's kingdom. One part of latter day Babylon's kingdom (spiritual sea) will become dead by anarchy, as the spreading lake of lava throughout the USA and world brings death by anarchy. From within the USA, the lake of fire overflows from the swelled to heaven super volcano's immense 40-mile wide mouth and spreads to cover the world.

\*\*\*\*\*

***Revelation 8:9 And the THIRD PART*** {one part} ***of the CREATURES*** {referring to rebellious people/creatures} ***which were in the SEA*** {of combined spiritual rivers/nations of latter day Babylon's kingdom/sea}, ***and HAD LIFE, DIED*** {one part of the kingdom dies by anarchy}; ***and the THIRD PART*** {one part of three parts of each ship} ***of the SHIPS*** {representing capital cities of each nation} ***were DESTROYED*** {one part of each

nation's leadership in the capital city of latter day Babylon's kingdom will have been destroyed by anarchy}.

One part of the spiritual creatures (representing rebellious people that remained in their nation having rejected the everlasting gospel to flee to new Jerusalem's ensign of intense light) will die during a terrible time of anarchy, which is brought to all nations by the spreading lake of fire. Also one part of each spiritual ship (spiritual ships represent ruling capital cities of each nation of latter day Babylon's kingdom) will have been killed by anarchy.

A person that truly believes the second angel's message of warning during the second and/or third reigning periods of latter day Babylon's reign will have overcome their old beliefs to be one of the 144,000 firstfruits of wheat. The overcomers will proclaim the everlasting gospel to convert a great multitude of all nations, kindreds, tongues, and people during the time when the super volcano is erupting smoke and ash for five months.

\*\*\*\*\*

***Revelation 8:10 And the THIRD ANGEL SOUNDED***  
{sounded its trumpet/warning during the second reigning period of latter day Babylon when the first spiritual wilderness journey of 1260 days was happening}, ***and there FELL*** {as an overflowing lake of fire emanating an

intense light} **a GREAT STAR** {representing the risen seventh plagued angel/bright star sitting on his throne of intense light/Shekinah glory above the immense mouth of the swelled to heaven super volcano} **from HEAVEN** {above the immense mouth of the swelled to heaven super volcano}, **BURNING as it were a LAMP** {risen seventh plagued angel's throne of intense light}, **and it FELL** {the intense light falls/descends when the immense lake of fire, emanating an intense light like a lamp, overflows from the 40-mile wide mouth of the swelled to heaven super volcano} **upon the THIRD PART** {one part} **of the RIVERS** {spiritual rivers representing nations of latter day Babylon's kingdom}, **and upon** {one part of each of} **the FOUNTAINS** {spiritual fountains represent capital cities} **of WATERS** {representing nations/spiritual waters/rivers}:

The third angel with trumpet warns the number seven reigning kingdom named latter day Babylon of the same visions and oracles written beneath the third seal. During the 1260 days of the first wilderness period, the third angel with trumpet sounded to latter day Babylon concerning a great star burning like a lamp and falling on a third part of each river and upon a third part of each fountain.

As the super volcano was swelling and filling its immense 40-mile wide mouth with a lake of fire, the intense light of the star was rising from within the swelling bottomless

pit. Thereafter, the star rose high above the swelled to heaven super volcano when it was full of a lake of fire. At that time, the great star of intense light emanating high above from the immense lake of fire was the ensign to which a great multitude of overcomers had traveled and entered into to be within new Jerusalem before the swelled to heaven super volcano (full of a lake of fire) exploded and overflowed. At the explosion of the swelled to heaven super volcano (full of a lake of fire), the intense light of the star falls upon ruling capital cities and nations, as the lake of fire overflows and descends from the top of the immense mouth of the swelled to heaven super volcano.

One part of each nation (represented by a spiritual river) will be killed by famine. Also one part of each ruling capital (represented by a spiritual fountain) in each nation will be killed by a terrible time of famine as lava flows throughout each nation.

*Numbers 24:17 I shall see HIM {risen seventh plagued angel sitting on his throne of intense light/star/Shekinah glory}, but not now: I shall behold him, but not nigh: there shall come a Star {brightness/star emanating from the top of the swelled to heaven super volcano's immense 40-mile wide mouth full of a lake of fire} out of Jacob {latter day spiritual Jacob represents latter day Canaan, in which is spiritual Judah/USA, according to the first witness' written visions}, and a Sceptre {ruler/seventh*

plagued angel} *SHALL RISE* {with a lake of fire in the swelling super volcano} *out of Israel* {latter day spiritual Israel/latter day Canaan, in which is latter day spiritual Judah/USA, according to the last witness' visions and oracles}, *and shall smite the corners of Moab, and destroy all the children of Sheth.*

***Isaiah 18:3*** *All ye inhabitants* {that overcome having accepted the everlasting gospel} *of the world , and dwellers on the earth, see ye, when HE* {seventh plagued angel} *lifteth up an ENSIGN* {brightness of a rising star from within the swelling to heaven super volcano} *on the mountains; and when he BLOWETH A TRUMPET* {being the immense sound of the explosion of the super volcano as it begins to fill with a lake of fire}, *HEAR YE* {and travel to be ready to enter the light of the ensign when new Jerusalem manifests around the swelled to heaven super volcano, full of a lake of fire but not yet overflowing}.

***Zephaniah 1:3*** *I* {risen seventh plagued angel} *will CONSUME* {by an flowing and spreading lake of lava from the swelled to heaven super volcano, full of a lake of fire} *man and beast; I will CONSUME* {by a spreading lake of fire throughout the world} *the fowls of the heaven, and the fishes of the sea, and the stumbling blocks with the wicked: and I will cut off MAN* {cut off humans that rejected the everlasting gospel and did not enter the

ensign of new Jerusalem} from off the land, saith the Lord {seventh plagued angel/Elohiym}.

\*\*\*\*\*

***Revelation 8:11 And the NAME of the STAR*** {intense light emanating high above the swelled to heaven super volcano, full of a lake of fire} ***is called WORMWOOD*** {death/Abaddon}: ***and the THIRD PART*** {one part} ***of the WATERS*** {spiritual fountains/ruling capitals and rivers/nations} ***became WORMWOOD*** {blood/death}; ***and many MEN*** {nations} ***DIED of the WATERS,*** ***because they were made BITTER*** {death}.

The name of the star (being the intense white light high above the lifted-up to heaven super volcano) is wormwood, which refers to the angel of death whose name is Abaddon (see Revelation 9:11). The nations are referred to as figurative rivers that when combined create the spiritual sea (latter day Babylon's kingdom/figurative sea). One part of every fountain (every ruling capital) and one part of every river (every nation) will be made dead (wormwood), as the lake of fire spreads throughout the world causing a terrible time of famine in the ruling capitals and their nations. These nations are referred to as men in Revelation 8:11. Accordingly, one part of each nation (referred to as men) will perish because of the terrible famine in their land, as allegorized by men drinking poisoned (dead/wormwood) waters.

A person that truly believes the third angel's message of warning during the second and/or third reigning periods of latter day Babylon will have overcome their old beliefs to be one of the 144,000 firstfruits of wheat.

***Revelation 8:12 And the FOURTH ANGEL SOUNDED*** {sounded of its trumpet/warning during the first spiritual wilderness journey of 1260 days when latter day Babylon was ruling during its second reigning period}, ***and the THIRD PART*** {one part} ***of the SUN*** {representing the ruling capital in the USA} ***was SMITTEN*** {by great hailstones, coals of fire, whirlwinds of fire, and spreading lake of fire}, ***and the THIRD PART*** {one part} ***of the MOON*** {representing the ruling nation/USA/false prophet}, ***and the THIRD PART*** {one part} ***of the STARS*** {representing the USA's cities and towns}; ***so as the THIRD PART of them was DARKENED*** {dead}, ***and the DAY*** {spiritual sunlight/visions for the world's future as prophesied by the false prophetess/USA' ruling capital} ***shone not for a THIRD PART*** {being killed by great hailstones, coals of fire whirlwinds of fire, and spreading lake of lava in the destroyed USA} ***of it, and the NIGHT*** {spiritual moonlight/visions for the world's future as prophesied by the false prophet/USA} ***likewise.***

The fourth angel with trumpet also incorporates the previous three angels with trumpets. This fourth angel

with trumpet warned the number seven reigning kingdom named latter day Babylon of the same visions and oracles written beneath the fourth seal. During latter day Babylon's second reigning period, the fourth angel with trumpet sounded to latter day Babylon concerning one part of the spiritual sun and one part of the spiritual moon and one part of each of the spiritual stars being darkened. When one part is darkened, it means it has died because of great hailstones, coals of fire, and whirlwinds of fire that are created by the spreading lake of fire moving throughout USA.

The USA is the false prophet that promotes its ideals that it envisions for the world's future, which are likened to the light of the moon. The leadership in the capital (false prophetess) of the USA (false prophet) promotes the same ideals, which are likened to the sun's light. All the USA's states that reject latter day Moses' message are of the false moon (nation of the USA/false prophet). The rebellious cities and towns (that rejected the everlasting gospel) of the USA are as the stars (lights) of the false prophetess/false sun (ruling capital of the USA) and the false prophet/false moon (USA).

After five months of the super volcano erupting smoke and ash, a massive eruption causes the super volcano to swell to heaven as it fills with a lake of fire. When the swelled to heaven super volcano is full of a lake of fire and emanating an intense light high into the sky, a huge

whirlwind of fire manifests around the swelled to heaven super volcano's high mountain. Thereafter a massive explosion of coals of fire into the sky causes a great earthquake such as never happened. Great hailstones and coals of fire will rain upon the USA. The lake of lava in the immense mouth of the swelled to heaven super volcano will overflow and spread throughout the USA, as thousands of tornadoes of fire manifest. One part of the USA's ruling capital and one part of each state will be killed by great hailstones, coals of fire, fiery whirlwinds, and the spreading lake of lava. This is allegorized by one part of the spiritual sunlight (ruling capital of the USA) and one part of the spiritual moonlight (nation/USA) being darkened. Another part is killed by anarchy, while another part will be killed by hunger.

The USA's states are of the false moon (USA's nation/false prophet), while the USA's cities and towns are as stars. Accordingly, one part of the USA's ruling capital and one part of every state and one part of every city/town will be killed by great hailstones, coals of fire (rider with bow and arrows riding upon the white horse), fiery whirlwinds (chariots), and spreading lake of lava.

A second part of the USA's ruling capital and a second part of every state and a second part of every city/town will be killed by anarchy (rider with a great sword riding the blood-covered white horse).

A third part of the USA's ruling capital and a third part of every state and a third part of each city/town will be killed with famine (rider with scales on the blackened blood-covered white horse).

These are the three ways that the USA's ruling capital and three ways of every state and three ways of each city/town of the USA will be killed.

***Deuteronomy 32:4*** *He {risen seventh plagued angel} is the Rock {lifted-up mountain/rock/super volcano overflowing full of a lake of fire}, HIS WORK {of replaying each generation} is perfect: for all his ways are judgment: a God of truth and without iniquity, just and right is he.*

***Psalms 18:1*** *I will love thee, O LORD {seventh plagued angel}, my strength.*

***18:2*** *The LORD {risen seventh plagued angel from the bottomless pit} is my ROCK {new mount Zion/swelled to heaven super volcano}, and my fortress, and my deliverer; my God, my strength, in whom I will trust; my buckler, and the horn of my salvation, and my high tower.*

***18:3*** *I {equated with the latter day overcomers that proclaim the everlasting gospel} will call upon the LORD, who is worthy to be praised: so shall I be saved from MINE ENEMIES {that reject the everlasting gospel}.*

***18:4*** *The sorrows of death compassed me, and the floods*

*of ungodly men made me afraid* {also equated with the time when the latter day overcomers are proclaiming the everlasting gospel}.

**18:5** *The sorrows of hell compassed me about: the SNARES* {created by the rebellious} *OF DEATH* {for those that proclaim the everlasting gospel to save a great multitude of people} *prevented me.*

**18:6** *In my distress I called upon the LORD* {called for the rising of the seventh plagues angel}, *and cried unto my God* {God/seventh plagues angel, who is equated with the first small part and last small part of the scroll of life that recreates/replays each generation}: *he heard my voice out of HIS* {risen seventh plagues angel's} *TEMPLE* {representing the super volcano's immense mouth/temple full of a lake of fire}, *and my cry came before him, even into his ears.*

**18:7** *Then the EARTH SHOOK* {by a massive eruption of the swelled to heaven super volcano full of a lake of fire} *and trembled; the foundations also of the hills moved and were shaken, because HE* {risen seventh plagues angel} *was wroth.*

**18:8** *There went up a smoke out of his nostrils, and FIRE* {erupting coals of fire} *out of his MOUTH* {immense mouth of the swelled to heaven super volcano full of a lake of fire} *devoured: coals were kindled by it.*

**18:9** *He* {risen seventh plagues angel} *BOWED THE HEAVENS* {with a massive sound of thunder at the

*swelled to heaven super volcano's explosion} also, and CAME DOWN {came down as a great earthquake with a lake of fire, that descend from the top of the exploded super volcano, after it swelled high into heaven}: and DARKNESS {created by the five months of erupting smoke and ash} was under his feet.*

**18:10** *And HE {risen and descending seventh plagued angel} rode upon a CHERUB {fiery whirlwind/tornado}, and did fly: yea, he did fly upon the wings of the wind.*

**18:11** *He made DARKNESS {created by the smoke and ash that erupted for five months} his SECRET PLACE {likened to the holy of hollies that is equated with the middle of the immense mouth full of a lake of fire}; his pavilion round about him were DARK WATERS {of sheets of ice/sea of glass} and THICK CLOUDS of the skies.*

**18:12** *At the BRIGHTNESS {intense light emanating from the lake of fire} that was before HIM {risen and descending seventh plagued angel} his thick clouds passed, hail stones and coals of fire.*

**18:13** *The LORD {risen seventh plagued angel} also thundered in the HEAVENS {above the swelled to heaven super volcano, full of a lake of fire}, and the HIGHEST {swelled to heaven super volcano} gave his VOICE {of a massive sound of thunder at the explosion of the swelled to heaven super volcano, full of a lake of fire}; hail stones and coals of fire.*

**18:14** *Yea, HE {risen seventh plagued angel} sent out his*

*ARROWS* {of great hailstones and coals of fire, as he rides his white horse armed with bow and arrows}, *and scattered THEM* {the rebellious that rejected the everlasting gospel}; *and he shot out LIGHTNINGS* {from the top of the swelled to heaven super volcano}, *and discomfited them.*

**18:15** *Then the channels of waters were seen* {because of the great earthquake such as never happened}, *and the foundations of the world were discovered at thy rebuke, O LORD, at the BLAST* {exploding massive eruption of the swelled to heaven super volcano} *of the breath of thy nostrils.*

**18:16** *He sent from above, he took me, he drew me out of many waters.*

**18:17** *He* {risen seventh plagued angel} *delivered ME* {and all the redeemed that proclaimed and accepted the everlasting gospel} *from my strong enemy, and from them which hated me: for they were too strong for me.*

**18:18** *They prevented me in the day of my calamity: but the LORD was my stay.*

**18:19** *He brought me forth also into a LARGE PLACE* {ensign of new Jerusalem}; *he delivered me, because he delighted in me.*

**18:20** *The LORD rewarded me according to my righteousness; according to the cleanness of my hands hath he recompensed me.*

*18:21 For I have kept the ways {revealed by the everlasting gospel} of the LORD {seventh plagued angel}, and have not wickedly departed from my God.*

*18:22 For all his judgments were before ME {equated with the people that proclaim the everlasting gospel}, and I did not put away his statutes from me {as the rebellious that reject the everlasting gospel put away the proclaimed statutes of the seventh plagued angel}.*

A person that truly believes the fourth angel's message of warning during the second and/or third reigning periods of latter day Babylon's reign will have overcome their old beliefs to be one of the 144,000 firstfruits of wheat. The overcomers will receive the power of the Holy Spirit to proclaim the everlasting gospel during the time when the super volcano is erupting smoke and ash for five months.

*Revelation 8:13 And I {Apostle John} **BEHELD** {vision}, and **HEARD** {oracle} *an ANGEL* {representing the vision at the ending of the fourth angel} **FLYING** {moving as a moon across the figurative seventh evening's sky at the end of the fourth of seven angels. The seventh evening is divided into seven parts/seven angels with trumpets} *through the MIDST* {the spiritual moon is flying high through the middle of the scroll of life's seventh evening} **OF HEAVEN** {through the midst of heaven refers to through the middle of the seventh*

evening's sky, which is equated with through the middle part of the scroll of life's seventh part/seventh seal when the fourth angel with trumpet is finishing being revealed}, **saying with a LOUD VOICE** {loud voice of thunder at the ending of the fourth angel's trumpet that is revealing the beginning of the fifth angel with trumpet}, **Woe, woe, woe, to the inhabitants of the earth by reason of the other VOICES** {as revealed from the scroll of life's seventh part/seventh seal} **of the TRUMPET** {warnings} **of THREE ANGELS** {being the fifth angel with trumpet, sixth angel with trumpet, and seventh angel with trumpet}, **which are yet to sound!**

The first side of the scroll of life is divided into seven parts, which are equated with seven evenings. The seventh (Sabbath) part is divided into seven equal parts (hence the seven angels with trumpets), just as a Sabbath's evening can be divided into seven equal parts. Each of these seven parts is equated with each angel that has a trumpet.

Therefore, the fourth angel with trumpet represents the middle of the seventh evening, which is equated with the middle of the seventh part/seventh seal on the scroll of life's first side. Accordingly, Revelation 8:13 is revealing the time after the figurative moon had dawned from the easterly horizon at the beginning of the seventh evening (equated with the scroll of life's seventh part/seventh seal) and flew high up across the sky through the first angel with trumpet, through the second angel with trumpet,

through the third angel with trumpet, through the fourth angel with trumpet, and is at the ending of the fourth angel with trumpet when it said woe, woe, woe concerning the remaining three angels with trumpets.

As the bright star/moon moves across the night sky through each of seven parts of the seventh evening, it is equated with Michael writing on each of seven angels with trumpet on the first side of the scroll of life's seventh part/seventh seal what he saw (visions) and heard (oracles) happening in the world during the evening. Whereas Gabriel writes on each of seven angels with trumpet on the seventh part of the scroll of life's last side what Gabriel saw and heard happening in the world during daylight.

In the first time line, the things that happened in the evenings of the last generation were written as visions and oracles by the first witness on seven parts (equated with seven evenings) of the scroll of life's first side. The things that happened during the daylights of the last generation were written as visions and oracles on seven parts of the scroll of life's last side.

The seven angels with trumpets represent seven parts of the seventh part (Sabbath evening) of the scroll of life's first side, just as there are seven parts of the seventh part (Sabbath's daylight) of the scroll of life's last side. As the bright star/moon moved through each of the seven parts of

the seventh evening, the morning star/sun moved through each of the seven parts of the seventh day's daylight. This means when the bright star/moon was at the ending of the seventh evening (when the morning star/sun was dawning), the morning star was at the ending of the seventh day's daylight.

When the seventh plagued angel has risen, then all the visions (moonlight) written on seven parts (equated with seven evenings) of the scroll of life's first side will be written on the last small part (equated with the time when the seventh evening is ending while the seventh day's daylight is beginning/dawning) of the seventh part (seventh evening) of the scroll of life's first side. At the same time when the seventh plagued angel has risen, all the visions (sunlight) written on seven parts (equated with seven days of daylight) of the scroll of life's last side will be written on the last small part (equated with the ending of the seventh day's daylight at dusk when the seventh evening is beginning) of the scroll of life's last side.

***Isaiah 30:25*** *And there shall be upon every high mountain, and upon every high hill, rivers and streams of waters in the day of the GREAT SLAUGHTER* {when the risen seventh plagued angel descends from the swelled to heaven super volcano, full of a lake of fire}, *when the TOWERS FALL* {fall by the massive earthquake caused by the explosion of the swelled to heaven super volcano, full of a lake of fire}.

**30:26** *Moreover* {at the time of the great slaughter when the seventh plagued angel has risen and descended from the swelled to heaven super volcano, full of a lake of fire} *the LIGHT* {equated with visions written on the scroll of life's first side} *of the MOON* {equated with the first witness} *shall be as the light of the sun, and the LIGHT* {equated with visions written on the scroll of life's last side} *of the SUN* {equated with the last witness} *shall be sevenfold, as the light of SEVEN DAYS* {equated with seven parts of the scroll of life's last side}, *in the day that the Lord* {risen seventh plagued angel} *bindeth up the breach of his people, and healeth the STROKE* {inflicted by latter day Babylon on the overcomers, as they proclaimed the everlasting gospel to the kingdom of latter day Babylon} *of their wound.*
