

## Chapter 7

**Revelation 7:1** *And after THESE THINGS* {after the things concerning the visions and oracles written beneath six seals} **I** {Apostle John} *saw FOUR ANGELS* {four messages/angels that revived/resurrected at the ending of the sixth seal when the seventh seal was being opened} *standing on the FOUR CORNERS of the earth* {land}, **HOLDING the FOUR WINDS** {being the revived/resurrected messages of four horses: white horse, red horse, black horse, and pale horse} *of the earth, that the WIND* {white, red, black, and pale horse beneath six seals} **should NOT BLOW** {hence did not happen to end latter day Babylon's first reigning period} *on the EARTH* {referring to the USA's land/Earth}, **nor on the SEA** {referring to the kingdom/figurative sea of combined nations/figurative rivers of latter day Babylon}, **nor on any TREE** {representing leaders/spiritual trees ruling from within their capitals/spiritual gardens}.

At the end of latter day Babylon's first reigning period, the vision in Revelation 7:1 was happening. At that time, the ending of the visions and oracles written beneath the sixth seal were revealing the beginning visions and oracles of the first angel with trumpet written beneath the seventh seal.

After the Apostle John was shown the visions and oracles

written beneath six seals, John saw four angels (that represent the four horsemen) holding back four winds (that represent the four horses of the four horsemen). The white horse, red horse, black horse, and pale horse (being referred to as four winds) were at the four corners of the USA's land standing ready to begin being fulfilled on latter day Babylon. When the four angels loose the four winds, the USA's land will be the first place within the kingdom (spiritual sea/kingdom of combined spiritual rivers/nations) of latter day Babylon to experience the four riders on a white, red, black and pale-colored horse. After latter day Babylon's first of three reigning periods, there was a delay concerning the opening of the bottomless pit in the USA, as shown by the four angels holding back the four winds from being fulfilled initially on the USA's land (Earth/land), or from being fulfilled on any nation's leader (spiritual tree) ruling from within their capital (spiritual garden).

The four riders are likened to four kings of Persia, according to the first witness'/spiritual moon's visions/light on the scroll of life's first side. According to the last witness'/spiritual sun's visions/light, the four riders are likened to kings of Media. In the past type, kings of Persia and Media united and overthrew and ruled over the kingdom of old Babylon.

It seemed the time of tribulation mentioned in the opening of six seals should have begun at the ending of the sixth

seal. At that time, the latter day living messenger (Moses type) and his initial church members (spiritual Israelites) were in spiritual Goshen (see Isaiah 27:8). Instead of the two witnesses' visions and oracles reviving to life to begin overthrowing latter day Babylon, they instead revived to life to continue being revealed and proclaimed by the latter day messenger (Moses type), as shown by four angels holding back the time of trouble. This parallels a past type when after old Jerusalem rebelled the first time against serving King Nebuchadnezzar of old Babylon and was recaptured, King Nebuchadnezzar did not destroy the rebellious city old Jerusalem. The vision of four angels holding back the four winds shows that a delay was in effect, since the fall of latter day Babylon did not happen at that time. Accordingly, the four winds (four horses) of torment and tribulation are delayed from blowing on spiritual trees (representing nations' leaders in their capitals) and the grass (representing people, as stated in Isaiah 40:6.) around the trees (see Micah 7:11; Isaiah 10:33).

***Isaiah 27:8*** *In measure, when IT {budding rod of the latter day messenger's/Moses' progressively brighter message} shooteth forth, THOU {believers} wilt debate with it: he stayeth his ROUGH WIND {referring to the time of trouble that begins in the USA} in the day of the EAST WIND {representing the first witness'/spiritual moon's light/vision and oracle rising as moonlight from*

the eastern horizon at the ending of the scroll of life's sixth seal while the beginning of the seventh seal/spiritual Sabbath is beginning}.

***Micah 7:11*** *In the DAY* {when latter day Babylon's first reigning period ended} *That THY* {referring to new Jerusalem which represents the first group and second group of redeemed} *WALLS* {the walls represent the second group of redeemed} *are to be BUILT* {at the end of the sixth seal}, *in that day shall the decree be far removed* {to the end of the sixth light and sixth thunder of the seventh angel with trumpet}.

***Isaiah 10:33*** *Behold, the LORD* {God the father/Michael and son/Gabriel as written on the last small part of the seventh part of the scroll of life's first side}, *the LORD* {God the father and son as written on the first small part of the seventh part of the scroll of life's other side} *of HOSTS* {being the armies of coals of fire and great hailstones from heaven}, *shall LOP* {by the great earthquake when the lifted-up to heaven super volcano, full of a lake of fire, explodes coals of fire into the sky} *the BOUGH* {tree/leadership of latter day Babylon} *with terror: and the HIGH ONES* {great leaders of great nations} *of stature shall be hewn down, and the HAUGHTY shall be humbled.*

***Isaiah 40:6*** *The VOICE* {voice of the first witness/Michael} *said, Cry. And HE* {voice of the last

witness/Gabriel} *said, What shall I cry? ALL FLESH is GRASS* {equating people with grass}, *and all the goodliness thereof is as the flower of the field:*

\*\*\*\*\*

***Revelation 7:2 And I saw another ANGEL*** {representing the dawning of the seventh part of the scroll of life's first side} ***ascending from the EAST*** {as moonlight rising from the easterly horizon of the spiritual seventh evening that is equated with the scroll of life's seventh part}, ***having the SEAL*** {seventh seal} ***of the LIVING GOD*** {God the father who is equated with the visions and oracles written on the last small part of the seventh part of the scroll of life's first side}: ***and he cried with a LOUD VOICE*** {representing the dawning voice/thunder of the first angel with trumpet written on the seventh part of the scroll of life's first side} ***to the FOUR ANGELS*** {being the four riders on white, red, black, and pale-colored horse}, ***to whom it was given to hurt the EARTH*** {pertaining to the USA's land} ***and the SEA*** {being the figurative sea of rivers/nations of latter day Babylon's kingdom/sea}.

At the end of latter day Babylon's first reigning period, the ending of the sixth seal revealed the angel (vision and oracle) in Revelation 7:2 ascending from the east at dusk as the dawning vision and oracle of the first angel with trumpet, that is written beneath the seventh seal of the

scroll of life's first side. As the scroll of life's figurative seventh evening begins with a rising moon's light at dusk from the eastern horizon, so the angel (representing a vision and oracle) is rising as moonlight from the figurative eastern horizon at dusk, which is equated with the beginning of the seventh part of the scroll of life's first side.

In Revelation 7:2, the ending of the sixth seal is showing the beginning of the seventh seal concerning the beginning of the first angel with trumpet. The beginning of the first angel with trumpet is the beginning of the seventh part (equated with the seventh evening) of the scroll of life's first side. The first angel with trumpet is shown holding the seventh seal of the living God that lives forever, being God the father who represents the visions and oracles written on the last small part of the seventh part of the scroll of life's first side. This angel cries with a loud voice (oracle) saying to the resurrected four riders, (four angels) holding the four winds (four horses), to not hurt the Earth (land of the USA) or the figurative sea (kingdom of latter day Babylon). The loud voice of this angel could have been of the exploding bottomless pit, but instead the loud voice was speaking of a delay of that event.

The rolled-up scroll of life was shown having seven seals (bands) around its outside (first side). The angel of the east has the seventh seal that belongs to the living God.

Accordingly, the angel of the east is of the visions and oracles written on the last small part (equated with God the father) of the seventh part (equated with the seventh evening) of the scroll of life's first side (equated with seven evenings). From the time the swelled to heaven super volcano was full of a lake of fire, all the visions and oracles written on seven parts (equated with seven evenings) of the scroll of life's first side were all written on the last small part (equated with God the father) of the seventh part of the scroll of life's first side. At the same time, all the visions and oracles written on the last small part became written on the first small part (equated with the son of God) of the seventh part (equated with the seventh day's sunlight) of the scroll of life's other side (equated with seven day's of sunlight), just as the ending of the seventh evening is witnessed by the seventh day's beginning sunlight at dawn.

\*\*\*\*\*

***Revelation 7:3 Saying, HURT NOT the EARTH*** {USA's land/Earth}, ***neither the SEA*** {combined nations/spiritual rivers of latter day Babylon's kingdom}, ***nor the TREES*** {leaders in their capitals}, ***till WE*** {the message of the angel from the east and the resurrected messages of the four riders and four horses/spiritual winds} ***have SEALED*** {sealed/marked at the end of the sign of Jonah} ***the SERVANTS*** {people who represent the 144,000} ***of OUR*** {messages beneath the scroll of life's six seals and

messages beneath the seventh seal} **God** {visions and oracles written on the last small part} **in their FOREHEADS** {front of their minds/foreheads}.

During the remaining 1260 days of the 2300-day period (which ends three and a half days before latter day Babylon's third reigning period ends), the two witnesses will be revealing to the latter day messenger things they have already witnessed happen during these 1260 days. In that time, the latter day messenger and his apostles will be prophesying of what the two witnesses have revealed to the latter day messenger to convert people living in the last generation. These converted people that believe what the two witnesses are prophesying during the 1260 days become disciples, who are of the second group of redeemed. After 1260 days of prophesying, an earthquake at the super volcano causes smoke and ash to temporarily erupt before returning to its dormant state. This causes the two witnesses' influence in the USA to be lying totally dead, having no more influence because of the failure of the super volcano to continually erupt smoke and ash. The people that became disciples by believing what the two witnesses were revealing for 1260 days through the latter day messenger and his apostles will recognize the temporary ejection of smoke and ash as the beginning of the sign of Jonah, which (the sign of Jonah) lasts for three and a half days. At the end of these three and a half days, a great earthquake at the super volcano happens, which

marks the time of the latter day resurrection and the sealing the latter day people (apostles and disciples) and all the resurrected apostles and disciples of all generations. Accordingly, all apostles and disciples will then have the two witnesses' written visions and oracles of the white, red, black, and pale horse (four winds/horses) and their riders (four angels) permanently on the front of their mind. Thereby being sealed (spiritually marked) with what is written beneath the seventh seal of the living God (God the father who is equated with the visions and oracles written on the last small part).

\*\*\*\*\*

***Revelation 7:4 And I HEARD*** {an oracle} ***the NUMBER of THEM*** {second group of overcomers of every generation} ***which were SEALED*** {with the visions and oracles written beneath the scroll of life's seventh seal}: ***and there were sealed an HUNDRED and FORTY and FOUR THOUSAND*** {144,000} ***of all the*** {spiritual} ***TRIBES of the CHILDREN*** {these 144,000 spiritual children represent the disciples/second group of all generations that overcame their old beliefs} ***of ISRAEL*** {Israel here represents the apostles/first group of redeemed that overcame in every generation by believing a living messenger's message}.

At the end of the sign of Jonah, the latter day resurrection happens for all the patriarchs, prophets, messenger's

messiahs, and people (apostles and disciples) of all generations that overcame their old beliefs by believing the message of a living messenger. Among these resurrected righteous adults are the disciples of all generations that believed the message of a living messenger. These disciples are the 144,000 (rounded number) that are the spiritual children (that became adults) of the resurrected apostles (equated with adult Israelites), just as the adults of Israel left old Egypt and journeyed twice through the wilderness as their children became adults and were numbered before they entered Canaan after their 40-year journey through the wilderness.

***Revelation 7:8 Of the tribe of {spiritual} ZABULON were sealed TWELVE THOUSAND. Of the tribe of {spiritual} JOSEPH were sealed TWELVE THOUSAND. Of the tribe of {spiritual} BENJAMIN were sealed TWELVE THOUSAND.***

In the past type when old Jerusalem rebelled against being ruled by King Nebuchadnezzar of old Babylon, Jeremiah the prophet prophesied to the people in Jerusalem and Judah concerning King Nebuchadnezzar destroying old Jerusalem and deporting the people of Judah to foreign lands unless they remained under old Babylon's reign. The people that believed Jeremiah was the prophet of God were marked (sealed) in their mind with his message during three separate times that old Babylon retook control of rebellious Jerusalem's autonomous rule. During old Jerusalem first, rebellion against serving King Nebuchadnezzar until rebellious Jerusalem was recaptured, the people that believed the message of

Jeremiah the prophet became his apostles. The faithful converts remained being Jeremiah's apostles when Jeremiah prophesied during Jerusalem's second and third rebellion against serving King Nebuchadnezzar. When old Jerusalem rebelled a third time from serving King Nebuchadnezzar of old Babylon, Jeremiah prophesied again of King Nebuchadnezzar retaking Jerusalem and destroying it and deporting the people within Jerusalem to foreign lands. During the third rebellion of old Jerusalem, Jeremiah's message gathered new converts, that became his disciples among his faithful apostles. When the third rebellion of Jerusalem ended as King Nebuchadnezzar's Babylonian army entered and retook old Jerusalem, the apostles and disciples of Jeremiah were marked (sealed) with the message of Jeremiah. Accordingly Jeremiah with his apostles and disciples were freed by the Babylonians from the persecution they received from the rebellious people of Jerusalem and Judah because of the message Jeremiah was proclaiming with his apostles and disciples (see Jeremiah 15:11; Ezekiel 9:6). A similar sealing (marking) takes place in our day at the end of the 3½ days of the sign of Jonah. At that time, a great earthquake at the super volcano marks the time of the latter day resurrection and the sealing of all apostles and disciples.

***Jeremiah 15:12*** *The LORD said, Verily it shall be well with THY {the messenger's} REMNANT {of believers/apostles and disciples}; verily I will cause the*

*ENEMY* {referring to old Babylon that was the enemy of old Jerusalem and Judah} *to entreat THEE* {Jeremiah} *well in the time of evil and in the time of affliction.*

***Ezekiel 9:6*** *SLAY* {with plagues of coals of fire and hailstones, anarchy, darkness and famine, followed by the overflowing and spreading lake of fire from the swelled to heaven super volcano} *utterly old and young, both maids, and little children, and women: but come NOT NEAR any man UPON* {on their foreheads/frontlets of their minds} *WHOM* {the overcomers} *IS THE MARK* {mark of the Lamb/visions and oracles written on the first small part or mark of the goat/visions and oracles written on the last small part}; *and BEGIN* {slaying} *at MY* {Abaddon's/God the father's} *SANCTUARY* {temple/house equated with the immense mouth of the swelled to heaven super volcano full of a lake of fire}. *Then THEY* {old Babylon's armies in the past, but referring to the initial six plagued angels in the latter days} *began at the ANCIENT MEN* {the old sanctuary's elders/ancients were first to be slain by the armies of old Babylon} *which were BEFORE* {before/in front, hence the ancients/elders officiated in the inner court only, not permitted to enter the house/temple} *the HOUSE* {in the old house/temple within old Jerusalem were the rebellious priests and high priest that were slain after the ancients were slain by old Babylon's army}.

The tribes of Dan and Ephraim are not listed among the twelve spiritual tribes of the 144,000. According to a past

type, the spiritual tribe of Dan represents the first group of 12,000 (rounded number) redeemed. Also according to a past type, the spiritual tribe of Ephraim represents the third group of a great multitude of redeemed.

One hundred and forty four thousand (144,000, being a number rounded to the nearest thousand) overcomers of all generations represent the second group of redeemed. Hence, there are 12,000 disciples in each of the twelve spiritual tribes listed in Revelation 7:5-8. Gathered from every generation is a total of 12,000 apostles in the tribe of spiritual Dan, which represents the first group of redeemed. Gathered from every generation is the second group, which totals 144,000 firstfruits. The latter day people who are of the 144,000 will all be ripened with the messages written on six lights (visions) and six thunders (oracles) of the seventh angel with trumpet proclaimed for 1260 days before the sign of Jonah. The messages of six lights and six thunders of the seventh angel with trumpet repeat the visions and oracles of the initial six angels with trumpets. The six angels with trumpets repeat the messages of the white, red, black, and pale horses and riders written beneath six seals.

This great multitude of overcomers equals 10,000 times 10,000 plus thousands of thousands, as stated in Revelation 5:11; Daniel 7:10};

***Daniel 7:10 A FIERY STREAM*** {of lava} ***issued and CAME FORTH*** {from the swelled to heaven super

volcano's immense mouth full of a lake of fire, that overflows and spreads throughout the USA and world} *from before HIM* {risen Abaddon/God the father/Michael}: *THOUSAND THOUSANDS* {of the great multitude} *MINISTERED* {after having entered the intense light of the ensign to stand in the spiritual outer court of the fiery temple within new Jerusalem, that will be then sitting over the lava covered dissolved USA} *unto HIM* {God the father}, *and TEN THOUSAND TIMES TEN THOUSAND* {of the great multitude} *STOOD* {stood in the outer court within new Jerusalem having just entered the intense bright white light of the ensign. The great multitude had accepted the everlasting gospel and fled from all nations, kindreds, tongues, and people while Abaddon was rising during the time each of the six plagued angels were being fulfilled} *before HIM* {the risen Abaddon/Rock/God the father}: *the JUDGMENT WAS SET* {after the world ended in a lake of fire}, *and the BOOKS* {each of these figurative books/scrolls had recorded all events that happened in each generation; hence the first scroll will have recorded the things that existed and happened in the first generation of Genesis} *were OPENED* {during the initial 1,000 years of the judgment each of the scrolls had been opened to replay each generation from Genesis through the last generation, new heaven and new Earth, and time of the judgment. At the end of the 1,000 years, the last scroll/scroll of life was opened to begin replaying the things that happened in the

last generation}.

Two hundred million horses (200,000,000 being a rounded number) is equated with all righteous spirits pertaining to the three groups of redeemed, that entered the ensign of new Jerusalem (see Revelation 9:16) during previous replays of the last generation. Since the first group of spiritual Dan equals 12,000 (rounded to the nearest thousand), and the second group of twelve spiritual tribes equals 144,000 (rounded to the nearest thousand), then the third group of spiritual Ephraim equals 199,844,000 (rounded number). All the redeemed of the three groups (including the resurrected apostles and disciples) overcame their old beliefs and became written on the last scroll (scroll of life) as having entered the ensign of new Jerusalem. All the redeemed are equated with the number of 200,000,000 horses (righteous spirits). The number of 200,000,000 is equated with the faithful angels (perfect humans) in the garden of paradise of the real world that are of Michael's (God the father's) and Gabriel's (son of God's) lineage. There are no other righteous spirits (redeemed) outside this rounded number of 200,000,000.

The third latter day group of redeemed is referred to as the great multitude of latter day spiritual Ephraim, which is a multitude of people of all nations, kindreds, tongues, and people. When the latter day resurrection happens at the end of the sign of Jonah, the overcomers of all generations

resurrect to life and health to learn and, thereafter, proclaim a new message (everlasting gospel). The overcomers that proclaim the everlasting gospel are of the first group and second group of redeemed. Every person that accepts the everlasting gospel, proclaimed before the super volcano is erupting smoke and ash for five months from within the USA, will be of the great multitude (third group of redeemed). At the beginning of these five months of erupting smoke and ash, the super volcano explodes with a massive eruption. The deafening sound of the massive explosion refers to the trumpet being blown for the three groups of redeemed to begin traveling from all parts of the world to the rising ensign. At that time, the lake of fire begins filling the swelling to heaven super volcano, while each of the six plagued angels are being fulfilled.

When Abaddon has risen from the bottomless pit to sit on his throne of intense light above the swelled to heaven super volcano (full of a lake of fire) and new Jerusalem has manifested around the swelled to heaven super volcano, then the three groups of redeemed will begin entering new Jerusalem's ensign of intense light. Shortly after all the redeemed have entered the ensign of new Jerusalem, the swelled to heaven super volcano (full of a lake of fire) explodes with a massive eruption. This eruption is so immense that it causes a deafening sound of thunder and a great earthquake such as never happened.

On that great (huge) and dreadful day, Michael (the Rock/Abaddon) will be sitting on his throne (equated with the Ark of the testament) over the swelled to heaven super volcano and descends as a lake of fire throughout the USA's land and all the world, After all the world is covered by a lake of fire, then a new heaven and new Earth replaces the old heaven and old Earth, while at the same time the judgment begins.

\*\*\*\*\*

***Revelation 7:10 And*** {the great multitude that entered new Jerusalem's ensign} ***cried with a loud voice, SAYING*** {at the time the judgment began}, ***Salvation to our GOD*** {God the father/risen Rock/Abaddon} ***which sitteth upon the THRONE*** {the throne of intense light reigning over the kingdom of latter day Babylon and the world}, ***and unto the LAMB*** {son of God}.

During the 1260 days before the sign of Jonah begins, the latter day overcomers that are of the 144,000 will have been ripened with the messages of six of seven lights (visions) and six of seven thunders (oracles) of the seventh angel with trumpet, as proclaimed by the latter day messenger and his apostles. At the end of these 1260 days, an earthquake at the super volcano causes smoke and ash to temporarily erupt and then returns to its former dormant state. From the day of the failure of the super volcano to continually erupt smoke and ash begins the 3½

days of the sign of Jonah. During these 3½ days, the prophesying of the two witnesses' (God the father's and son's) written visions and oracles for 1260 days will be lying dead in the streets of the USA's ruling capital and nation. Hence, their prophecies are totally rejected by the USA's leadership and nation as not being worthy of any more respect, as the leadership and nation continue their daily routines as usual. However, during these 3½ days of the sign of Jonah, the latter day living people of the 144,000 will recognize the failure as being the sign of Jonah. Thereby having placed the knowledge written beneath the seventh seal of God (first witness/Michael/visions and oracles written on the last small part) on the front of their mind. At the end of these 3½ days, the two witnesses' written visions and oracles revive to life when there is a great earthquake at the super volcano, as the latter day resurrection happens as prophesied by the two witnesses.

From the first day of the sign of Jonah begins the fifty days of latter day new Pentecost. During these fifty days, the first group (12,000 apostles and all patriarchs, prophets, and messiahs of all past generations) of redeemed and second group (144,000 disciples) of redeemed will be living in the last generation to learn a new song (everlasting gospel). At the beginning of the fiftieth evening, these apostles and disciples receive the Holy Spirit's new latter day Pentecostal power, so they

can proclaim in all languages the everlasting gospel and ripen a great multitude before the super volcano explodes and erupts smoke and ash for five months.

The people that become the great multitude of 10,000 times 10,000 and thousands of thousands of overcomers will have been saved by the last message (everlasting gospel), which the 12,000 (rounded number) apostles and 144,000 (rounded number) disciples of the latter day living messenger proclaim, in all languages, throughout the world.

According to one past type, the great multitude is as the return of the lost spiritual tribe of Ephraim. The people of the great multitude have figurative palms in their hands. These palm leaves reveal that they are the final harvest of spiritual fruits, which represents the third group of redeemed that follow the first group (barley) and second group (wheat) of redeemed.

The great multitude will be ripened by the everlasting gospel before the time when smoke and ash are erupting from the super volcano's immense mouth in the USA. When the super volcano explodes and smoke and ash are erupting for five months, the initial six plagued angels are then being fulfilled. During the time smoke and ash are erupting, all three groups of redeemed will be traveling to the rising ensign. Then when Abaddon has risen to sit on his throne of intense light above the swelled to heaven

super volcano's immense mouth (full of a lake of fire), the sixth plagues angel will be ending while the seventh plagues angel is beginning. During the time when smoke and ash are erupting, the great multitude will then be harvested into the intense light emanating from new Jerusalem, as they follow the first group and second group of redeemed into the intense light of the ensign. From that time when all the redeemed have entered the ensign of new Jerusalem, the restoration of the kingdom of God (God the father who is equated with old King David of old Jerusalem) will have been fulfilled (see Ezekiel 37:16, 17).

***Ezekiel 37:16** Moreover, thou son of man, take thee ONE STICK {a kingdom/one stick}, and write upon it, For JUDAH {being the kingdom of spiritual Judah, which represents the first group and second group of redeemed}, and for the CHILDREN {being the spiritual tribes of the first group and second group of redeemed} of Israel HIS COMPANIONS {referring to the old tribes situated in Judah/southern kingdom of Israel before the Babylonian took them into captivity}: then take ANOTHER STICK {a kingdom/one stick}, and write upon it, For JOSEPH {being the northern kingdom of Israel}, the stick of EPHRAIM {representing the third group of redeemed/great multitude} and for all the house of Israel his COMPANIONS {referring to the old tribes situated in Joseph/northern kingdom of Israel, that separated from the*

kingdom of Judah and, sometime thereafter, were taken into captivity by the Assyrian and lost their identity as Israelites when their descendants were born in foreign lands}:

***Ezekiel 37:17*** *And join THEM* {the two separate kingdoms} *one to another into ONE STICK* {to again become one kingdom}; *and they shall become one in THINE HAND* {representing the latter day messenger's hand that opens and reveals the scroll of life}.

In the past type, before the old day of atonement {equated with the day the sign of Jonah begins}, the harvest of barley (equated with the first group of redeemed) was already commemorated, as was the following commemoration of the wheat harvest (equated with the second group of redeemed/144,000). Four days after the old day of Atonement, on the following day began the observance of the feast of tabernacles {equated with the time from the day the swelled to heaven super volcano is full of a lake of fire} to commemorate the ripened fruit harvest (equated with the gathered third group of redeemed/great multitude) with a waving of palm leaves (see Leviticus 23:40; Zechariah 14:16-19).

***Leviticus 23:40*** *And ye shall take you on the FIRST DAY* {first day of the feast of tabernacles' seven days, which are equated with the seven parts of God the father/visions and oracles written on the last small part} *the boughs of*

*goodly trees, BRANCHES OF PALM TREES* {just as the people of the great multitude are holding palm leaves in their hands while standing within new Jerusalem}, *and the boughs of thick trees, and willows of the brook; and ye shall REJOICE* {having entered new Jerusalem's ensign of intense light} *BEFORE the Lord your God* {risen Rock/Abaddon/God the father/Michael} *SEVEN DAYS* {representing seven parts of the scroll of life's first side all written on the seventh plagued angel/last small part}. see).

***Zechariah 14:16*** *And it shall come to pass, that EVERY ONE* {of the great multitude} *that is left of all the nations which came against* {new} *Jerusalem* {representing the first group and second group of redeemed when they proclaimed the everlasting gospel} *shall even go UP* {to enter the ensign of new Jerusalem} *FROM YEAR* {during a replay} *TO YEAR* {and the next replay} *to worship the King* {risen Abaddon/Rock/David type/first witness/God the father}, *the Lord* {Lamb/Solomon type/last witness/son of God}.

***Zechariah 14:17*** *And it shall be, that whoso will not come up of all the families of the earth unto* {new} *Jerusalem* {representing a huge whirlwind/tornado of fire that encompasses the swelled to heaven super volcano full of a lake of fire but not yet overflowing from within the USA} *to worship the King* {risen Abaddon/Rock/first witness/God the father}, *the Lord* {Lamb/last witness/son of God} *of HOSTS* {great hailstones and coals of fire},

*even upon THEM {that rejected the everlasting gospel} shall be NO RAIN {when the tremendous heat of the spreading lake of fire flowing from the immense 40-mile wide mouth of the swelled to heaven super volcano causes rain to cease}.*

When a great multitude enters into new Jerusalem's ensign of intense light emanating from within the USA, they will then be the many angels (messengers) before the reigning throne ready for the new feast of tabernacles to begin. When the lake of fire has covered the world, then the new heaven and new Earth and the judgment begin. During that time, these righteous angels (third group of redeemed) will have been standing within new Jerusalem around the twenty-four elders (second group of redeemed), the four beasts (priests/first group of redeemed), and the reigning throne of the risen Rock (God the father/Michael), whose great white throne of intense light sits reigning upon sheets of great hailstones (sea of glass) that form in heaven (sky) above and around the swelled to heaven super volcano (full of a lake of fire) and rain upon the land.

***Revelation 7:11*** *And all the ANGELS*

{angels/messengers/great multitude have been standing around the throne from the time they entered the ensign to view all the scrolls being opened during the initial 1000 years of the judgment. Sometime thereafter they have been viewing the Lamb reveal the visions and oracles written on the last small part of the seventh part of the scroll of life's first side} ***stood round about the THRONE*** {on this reigning throne of intense light sits the risen Rock/God the father}, ***and about the ELDERS*** {being the second group of redeemed that entered the ensign to be standing around the throne during the judgment} ***and the FOUR BEASTS*** {representing the first group of redeemed that entered the ensign to be standing as priests around the throne during the judgment}, ***and*** {all the angels/great multitude} ***FELL BEFORE THE THRONE on THEIR FACES*** {fell on their faces after the scroll of life's visions and oracles replayed to the great multitude the time when they entered the ensign to stand within new Jerusalem just before the lake of fire began to overflow and cover the world}, ***and worshipped God*** {risen Rock/God the father, whose throne is equated with the Ark of the testament},

In Revelation 7:11, the Lamb (equated with the visions and oracles written on the first small part of the seventh part of the scroll of life's other side) is revealing (sometime after 1,000 years of the judgment had passed) certain visions and oracles written on the scroll of life's

first small part and last small part (equated with the God the father) that show the time when the great multitude had entered new Jerusalem's ensign to be standing within new Jerusalem's outer court in front of the risen Rock (God the father) just before the judgment had begun.

The angels (messengers) mentioned in Revelation 7:11 are the great multitude, being the third group of redeemed. During the judgment, these angels are viewing the Lamb (equated with the visions and oracles written on the first small part/son of God of the seventh part of the scroll of life's other side) reveal from the last small part of the seventh part of the scroll of life's first side the time earlier in the judgment when the visions and oracles written on the last small part were replaying the time when the great multitude had just entered new Jerusalem's ensign and figuratively holding palm leaves. Accordingly, when the angels (that have been standing as spirits/ghosts within new Jerusalem for more than 1,000 years) see themselves when they entered the ensign to stand within new Jerusalem holding palms, the angels (messengers) fall on their faces and worship the risen Rock {God the father} that sat and ruled over latter day Babylon's kingdom.

***Revelation 7:12 Saying, Amen: BLESSING, and GLORY, and WISDOM and THANKSGIVING, and HONOUR, and POWER, and MIGHT, be unto our God***

{risen Rock/God the father} *for ever and ever. Amen.*

When the angels (messengers/great multitude) hear during the replay the worshiping praises that the great multitude gave to God (risen Rock/God the father) when the great multitude had just entered the ensign of new Jerusalem, the angels (messengers/great multitude) that have been viewing the judgment for over 1000 years say amen, as they worship God the father (risen Rock) with seven praises of worship: (1) blessing, (2) glory, (3) wisdom, (4) thanksgiving, (5) honor, (6) power, and (7) might. These seven praises are equated with the seven parts of the seventh plagued angel (equated with the last small part of the seventh part of the scroll of life's first side).

## ***WHENCE CAME THEY?***

The elder that speaks to John in Revelation 7:13 is the 24<sup>th</sup> elder. The 24<sup>th</sup> elder represents the visions and oracles written on the sixth plagues angel. The ending of the sixth plagues angel also reveals the beginning of the seventh plagues angel when Abaddon (God the father) had risen to sit on his throne of intense light. At that time, the great multitude were entering the ensign of new Jerusalem to be before the throne. Accordingly, the 24<sup>th</sup> angel knows how the great multitude within new Jerusalem came to be there.

When the great multitude entered new Jerusalem, they were then wearing their white robes. These white robes represent the time when Abaddon has risen to sit on his throne of intense light, that covers those that enter the ensign of new Jerusalem. The white robes are also equated with the visions and oracles that are written on the first small part and last small part, which began to be written on the first small part and last small part from the time Abaddon (the risen Rock/God the father) sat on his throne of intense light above the swelled to heaven super volcano (full of a lake of fire).

\*\*\*\*\*

***Revelation 7:14 And I {Apostle John} said unto him, Sir, thou knowest. And he said to me, THESE {great***

multitude/third group of redeemed} ***are they which CAME OUT of GREAT TRIBULATION*** {referring to the time when each of six plagued angels were being fulfilled during the swelling to heaven super volcano erupting smoke and ash for five months, as it filled with a lake of fire}, ***and have WASHED*** {with the spiritual rain/everlasting gospel} ***their robes, and made them WHITE*** {by believing the message of the everlasting gospel pertaining to the Rock} ***in the BLOOD*** {being the death of the written visions and oracles} ***of the LAMB*** {being the visions and oracles written on the first small part that died/were totally rejected at the end of the 1260 days when the sign of Jonah began}.

After 1260 days of prophesying to the USA and surrounding nations, the blood (written visions and oracles) of the Lamb (God's son/first small part of the seventh part of the scroll of life's other side) was shed by the rebellious at the beginning of the sign of Jonah. Three and a half days later, the Lamb (visions and oracles written on the first small part) resurrected to life when an earthquake at the super volcano marked the time of the resurrection. Thereafter on the new day of Pentecost, the everlasting gospel was proclaimed to convert and gather a great multitude into the ensign. Had the Lamb (written visions and oracles on the first small part) not prophesied for 1260 days of the two witnesses (first and last, beginning and end, morning star and bright star, son of

God and God the father), there would be no resurrection or proclaiming of the everlasting gospel or a great multitude being saved.

When the great multitude accept the everlasting gospel and enter the ensign of new Jerusalem, they will have washed their spiritual clothing in the Lamb's blood. The Lamb's blood is equated with the intensely bright visions and oracles written on the first small part, which cleaned their garments that were stained with their old beliefs and customs. When the great multitude follow the first group and second group of redeemed into the ensign of intense light (radiating from new Jerusalem), then they will have made their figurative robes white with the risen Rock's intense light, which is revealed by the Lamb.

**Revelation 7:15** *Therefore are THEY* {great multitude/third group of redeemed when they entered the ensign just before the initial 1000 years of the judgment had begun} **before the THRONE** {the throne of intense light reigning over the kingdom of latter day Babylon before the initial 1000 years of the judgment had begun} **of GOD** {God the father}, **and serve HIM** {visions and oracles written on the last small part} **DAY** {pertaining to the spiritual sunlight/visions of the last witness/morning star/sun} **and NIGHT** {pertaining to spiritual moonlight/visions of the first witness/bright star/moon} **in**

**HIS** {Rock's/God the father's} **TEMPLE** {being the immense mouth of the swelled to heaven super volcano full of a lake of fire, that overflowed and spread to cover the world}: **and HE** {risen Rock/God the father} **that sitteth** {before the initial 1000 years of the judgment had begun when the opened mouth of the swelled to heaven super volcano is full of a lake of fire} **on the THRONE** {great white throne of intense light emanating high above from the swelled to heaven super volcano's mouth full of a lake of lava} **shall dwell AMONG THEM** {which happens when the Lamb reveals certain visions and oracles written on the last small part that replay the time when new Jerusalem and new mount Zion descended to the new garden of Eden in the new heaven and Earth at the beginning of the 1000 years of the judgment}.

The vision in Revelation 7:15 is showing the time when the great multitude had just entered the intense white light of the ensign emanating from new Jerusalem. At that time, the risen Rock (God the father/Michael) had swelled to heaven and became full of lake of fire, that later overflowed and spread throughout the world.

In the past type, within old Jerusalem was old mount Zion. On old mount Zion was situated the inner court and temple (house) of God. In the holiest room of the temple was situated the Ark (throne) of God's testament. Hence, within new Jerusalem (being an immense whirlwind/tornado of fire) is new mount Zion, which is

the high mountain of the swelled to heaven super volcano full of a lake of fire. On new mount Zion's mount is the inner court and the temple (house) of God the father. This inner court represents the mountain that is around Abaddon's temple. The swelled to heaven super volcano's immense mouth (full of a lake of fire) is the temple of god the father. In the center of the lake of fire is the Holy of Hollies. Above which God the father's visions and oracles are reigning on the throne of intense light. Sitting above the immense mouth full of a lake of fire (lava) is the risen Rock's glorious throne of light, which is equated with the Shekinah glory that manifested on the old Ark of the testament within the Holy of Hollies of the old temple within old Jerusalem.

The written visions and oracles of God the father (the risen Rock) are reigning above the swelled to heaven super volcano's immense mouth full of a lake of fire. On the sea of glass (equated with sheets of great hailstones that form in the sky above the lake of fire) above the high mountain (equated with the inner court) of the swelled to heaven super volcano are the 24 elders. Above the lake of fire (equated with the temple) on the sea of glass are the four beasts that are the priests of the temple, while the Lamb (equated with the first small part) is the son of God that was born from the center (equated with the Holy of Hollies and last small part) of the immense mouth of the super volcano, full of a lake of fire. Upon the sea of glass

(being sheets of great hailstones that formed in the sky) in the middle of the lake of fire is Abaddon's (Rock's) risen throne of intense light, which is equated with the Shekinah glory on the mercy seat of the Ark of the testament.

Between two cherubs (representing the two witnesses/God the father and son of God) on the mercy seat of the Ark of the testament (representing the throne of God the father) sits the combined visions and oracles of the first witness and last witness as written by the first witness on the last small part of the seventh part of the scroll of life's first side. The first witness is equated with the ending of the seventh evening when the bright moon (star) is just below the westerly horizon, while at the same time the last witness is dawning as the bright morning sun (star) from just below the easterly horizon. Below and around (equated with the outer court of the temple) the high mountain (inner court of the temple) of the swelled to heaven super volcano (Rock) is where the great multitude is standing within new Jerusalem when they entered the ensign of new Jerusalem in the first timeline.

When the lake of fire overflows and spreads to cover the world, thereafter a new heaven and new Earth are created for the three groups of redeemed to live therein. The new heaven and new Earth happens when the swelled to heaven super volcano and new Jerusalem, as it were, descend to the new Earth below, as the judgment begins. From that time, the previously risen Rock (super volcano)

will have, as it were, descended back into the bottomless pit, as the super volcano returns to its dormant state in the new Eden of the new world. The lower Rock (God the father) will then represent Eden's mount, flowing with pure water from within the new garden of Eden. At that time, the great multitude will be round about new Eden's mount, that will be overflowing with a pure river of life. Whereas after the great multitude entered the ensign of new Jerusalem, the great multitude are round about the swelled to heaven super volcano, that overflowed with a lake of fire and covered the world.

\*\*\*\*\*

***Revelation 7:16 THEY*** {great multitude} ***shall HUNGER NO MORE*** {having an abundance of food naturally growing in the garden of Eden}, ***neither THIRST ANY MORE*** {because of the fountains of pure water in the new garden of Eden}; ***neither shall the SUN LIGHT ON THEM*** {because they will be shaded from sunlight by the many trees in the new garden of Eden}, ***nor any HEAT*** {while dwelling naturally with no man-made things in the perfect climate of the new garden of Eden}.

From the time the great multitude (third group of redeemed) entered the ensign, they have been living in the new heaven and new Earth with new perfect bodies, knowing only good without any memory of an old heaven

and old Earth, that ended in a lake of fire. This is also the case for the first group and second group of redeemed. From the time the three groups of redeemed entered the ensign, they have been standing within new Jerusalem during the continuing judgment, which presently the Lamb (representing the visions and oracles written on the first small part that reveals the visions and oracles ritten on the last small part) is opening the scroll of life and replaying the last generation. Hence the things presently happening and the lives we are presently living are being replayed according to the visions and oracles written on the first small part (equated with the son of God) and last small part (equated with God the father).

In the garden of Eden there is an abundance of food growing naturally for people to eat. Also in the new garden of Eden, there are natural fountains of pure water flowing as rivers for the people to drink. Many trees in Eden create a natural shade for people. The climate in new Eden is ideal for people to dwell naturally, just as it was in the Eden of Genesis before Adam and Eve ate of the fruit of good and evil.

\*\*\*\*\*

***Revelation 7:17 For the LAMB*** {representing the visions and oracles written on the first small part of the seventh part of the scroll of life's other side. This first small part mixes with the visions and oracles written on the last

small part of the seventh part of the scroll of life's first side} ***which is in the midst of the THRONE*** {equate with the Ark of the testament, on which is reigning the visions and oracles of God the father/Michael} ***shall FEED THEM*** {in the new garden of Eden}, ***and shall lead them unto LIVING FOUNTAINS OF WATERS*** {fountains of waters flowing into rivers throughout the new promised land with a new heaven and new Earth} ***and God*** {visions and oracles written on the last small part} ***shall wipe away all tears from their eyes*** {from the time the redeemed began dwelling in the garden of Eden of a new heaven and Earth}.

The old Earth was dissolved by the overflowing and spreading lake of fire. Immediately thereafter, the initial 1000-years of the judgment began. The three groups of redeemed have been participating in the judgment while within new Jerusalem for more than 1000 years. At the same time when the judgment began, the three groups of redeemed have been living in new perfect bodies in the new Eden of the new heaven and new Earth. The new Earth has been created by the visions and oracles of Michael (last small part/God the father) and Gabriel (first small part/son of God) for the redeemed to live therein, without having any memory of what happened in the old heaven and old Earth or that there was an old heaven and old Earth. Accordingly, all tears will have been wiped from the eyes of the redeemed. The new world is as Eden

of Genesis before Adam and Eve ate the fruit of good and evil. In the new Earth, the Lamb (representing the visions and oracles written on the first small part) reveals naturally growing food and pure waters for the people to eat and drink in the paradise of the new Earth forever.

As the visions and oracles written on the last small part are revealed by the Lamb to replay (recreate) all generations, the replay of the last generation will show the redeemed when they entered new Jerusalem's ensign to be living in a new heaven and new Earth after the lake of fire descended from the old heaven and covered the old Earth (land) and the old world. When the replay of the last generation shows the three groups of redeemed entering the bright light of new Jerusalem's ensign to stand before the throne of intense light (radiating from the super volcano's high mountain within new Jerusalem), they will be there to view the time of the judgment, which begins when the world has ended in a lake of fire. Upon this great white throne of intense light, that then radiates from the old lava-covered world, is shown the Rock (super volcano) that became a great mountain of fire (lava) and covered the kingdom of latter day Babylon and world.
